# THE BOARD OF DIRECTORS OF WENDT RANCH GEOLOGIC HAZARD ABATEMENT DISTRICT

Adopted this Resolution on	, by the following vote:
AYES:	
NOES:	
ABSENT:	
ABSTAIN:	
	RESOLUTION NO. 2009/01 (WENDT RANCH GHAD)

SUBJECT: Adopting 2009/2010 annual budget and appointing Treasurer.

**WHEREAS**, pursuant to Public Resources Code section 26585, the Board of Directors must appoint a Treasurer to the GHAD.

**WHEREAS**, by Resolution 2008-01, the Board of Directors retained and reappointed the County Treasurer as the Interim GHAD Treasurer, and directed the GHAD Manager to report back to the Board of Directors with a recommendation for a permanent GHAD Treasurer.

WHEREAS, the GHAD Manager has made a recommendation to appoint Watermark Asset Management Inc. as the GHAD Treasurer based on their experience and credentials in providing such services. The Board of Directors has reviewed the qualifications and investment guidelines and policies of Watermark Asset Management Inc. (attached as Exhibit A to the staff report).

**WHEREAS**, the Board of Directors desires to appoint Watermark Asset Management Inc. as the permanent GHAD Treasurer.

**WHEREAS**, the Board of Directors further desires to adopt the annual fiscal budget for 2009/2010 attached hereto as Exhibit A.

#### The Board of Directors of the GHAD HEREBY RESOLVES THAT:

- 1. The County Treasurer is retained and reappointed as the Interim GHAD Treasurer until June 30, 2009.
- 2. As of July 1, 2009, Watermark Asset Management Inc. is hereby appointed as the GHAD Treasurer.
- 3. The GHAD Board further authorizes the GHAD Treasurer to collect, hold, invest, appropriate and expend GHAD funds as necessary for carrying out the GHAD operations in accordance with the budget approved by the GHAD Board. The GHAD Treasurer shall work

directly with the GHAD Manager in appropriating funds from the GHAD account to cover all GHAD costs and expenditures.

- 4. The GHAD Board approves the annual GHAD budget for the 2009-2010 fiscal year which is attached hereto as <u>Exhibit A</u> and incorporated herein by this reference.
  - 5. The recitals are incorporated herein by this reference.

This Resolution shall become effective immediately upon its passage and adoption.

Wendt Ranch Geologic Hazard Abatement District

Contra Costa County, California

#### PROPOSED PROGRAM BUDGET FOR FISCAL YEAR 2009/2010

# Dear Ladies and Gentlemen:

Attached is the proposed program budget for the Wendt Ranch Geologic Hazard Abatement District (GHAD) for the Fiscal Year 2009/2010. The proposed program budget is \$189,100. The budget expenses break down into the following approximate percentages of the total receivables.

Major Repair	0 percent
Preventive Maintenance and Operations	42 percent
Special Projects	7 percent
Administration	11 percent
Additional - Outside Professional Services	5 percent

The budget anticipates a contribution of approximately \$120,281 to the reserve fund which is estimated to reach approximately \$793,214 on June 30, 2009. A summary of the expenses is shown on Table I followed by a brief description of each budget item on the following pages.

If you have any questions regarding the contents of this letter, please contact us.

Very truly yours,

Wendt Ranch Geologic Hazard Abatement District

ENGEO Incorporated, General Manager

# Wendt Ranch Geologic Hazard Abatement District Proposed Program Budget Fiscal Year 2009/2010

The following proposed program budget summarizes the anticipated receivables and expenditures for fiscal year 2009/2010 for the Wendt Ranch Geologic Hazard Abatement District, which includes Wendt Ranch, Intervening Properties (Monterosso) and the Alamo Creek developments.

The GHAD has maintenance and monitoring responsibilities and is the property owner for the following parcels within the District. The parcels listed include all of the open space parcels within the Monterosso and Wendt Ranch developments. Maintenance, monitoring responsibilities and ownership for the listed parcel were transferred to the GHAD in February and March 2009.

ASSESSORS PARCEL NUMBER	PARCEL	DESCRIPTION			
Monterosso (Intervening Properties) Development					
206020094	I	Western Water Quality Basin			
206020095	K	Western Open Space			
206580036	В	Open Space North of Casablanca			
		Bridge			
206020093	С	Eastern Open Space			
206580038	J	Northeast Bioretention Cell			
206630053	Е	Southeast Bioretention Cell			
Wendt Ranch Development					
206-030-037	A 9609	Wendt Ranch Southern Open Space			
200-030-037	206-030-037 A, 8698				
206-650-011	В, 8847	Wendt Ranch Western Open Space,			
		North of Casablanca			
206-030-038	B, 8698	Wendt Ranch Western Open Space,			
200-030-038	D, 8098	South of Casablanca			
206-030-034	D, 8002	Wendt Ranch Detention Basin			

In addition, the GHAD has maintenance and monitoring responsibilities for the Alamo Creek Mustang Soccer Fields (APN 206-030-058) which is identified as Parcel F in Tract 8281.

Maintenance and monitoring responsibilities for the remaining properties within the GHAD, not listed above, are the responsibility of the individual property owners. Within this budget, it is anticipated that during the 2009/2010 fiscal year, addition parcels within the Alamo Creek development may be offered for transfer to the Wendt Ranch GHAD.

In general, the budget amounts listed are based on the Engineer's Report approved by the Wendt Ranch GHAD Board of Directors in 2005. The budget amounts have been inflation adjusted to provide the listed budget estimates. In the 2008/2009 fiscal year 800 parcels were subject to assessment. For the 2009/2010 fiscal year it is expected that approximately 825 will be subject

to assessment. Parcels are subject to assessment the first fiscal year following issuance of a building permit.

The current Program Budget estimates that at the beginning of the 2009/2010 fiscal year the cumulative reserve will be about \$492,000 and about \$793,000 at the end of the 2009/20010 fiscal year. At \$793,000, the cumulative reserve will be about \$120,000 above the 2005 budget estimate for the end of the 2009/2010 fiscal year.

The budget is divided into four categories including: Major Repair; Preventive Maintenance and Operations; Special Projects; and Administration and Accounting. As needed, the GHAD Manager may reallocate funds within each of the four major categories without Board approval.

#### Major Repair

Included within the major repair category are those repair or improvement projects that are intermittent and by their nature do not fit within a scheduled maintenance program. Minor slope repair and erosion control items are generally funded within the Preventive Maintenance and Operations category. For the purposes of this budget, we define major repairs as those estimated at over \$25,000.

#### Preventive Maintenance and Operations

Preventive maintenance and operations include professional services, slope stabilization services and erosion protection within the District. Professional services include site monitoring events as specified in the GHAD Plan of Control. Slope stabilization and erosion protection responsibilities include the open space slopes and creek channels. GHAD-maintained improvements generally include detention and water quality basins, maintenance roads, concrete-lined drainage ditches, retaining walls, subsurface drainage facilities, storm drain facilities, trails, and debris benches.

# **Special Projects**

In addition, to provide for a more efficient system to use information relating to GHAD maintained improvements, the GHAD will continue development and maintenance of a GIS system.

# Administration and Accounting

Administrative expenses include the General Manager duties related to the operation and administration of the GHAD. Within the administrative budget category are included tasks of the General Manager, clerical and accounting staff.

# **MAJOR REPAIRS**

There are currently no major repair projects that we can project into the 2009/2010 fiscal year budget within the GHAD-maintained areas of the Wendt Ranch GHAD. While no major repairs are ongoing at this time, by their very nature, major repairs such as landslides are unpredictable events and could occur during the 2009/2010 fiscal year. The reserve portion of the budget allows for the funding of these unpredictable events.

# PREVENTIVE MAINTENANCE AND OPERATIONS

# **Professional Services**

Open Space Scheduled Monitoring Events

As provided in the Plan of Control, we have two scheduled monitoring events within the GHAD that will occur during each calendar year including geotechnical instrument monitoring.

Estimated budget \$11,000

# Open Space Heavy Rainfall Events

We have budgeted for two heavy rainfall monitoring events during the 2009/2010 winter season.

Estimated budget \$5,500

# Bioretention Cell Scheduled Monitoring Events

As provided in the Design Report and Operations and Maintenance Manual for Bioretention Facilities, we have two scheduled monitoring events for the two bioretention cells within the GHAD that will occur during November and May.

Estimated budget \$4,000

# Bioretention Heavy Rainfall Events

We have budgeted for two heavy rainfall monitoring events for the bioretention facilities during the 2009/2010 winter season.

Estimated budget \$1,600

#### Transfer of Parcels to the GHAD

We anticipate in this budget that ownership, maintenance and monitoring responsibilities of additional open space within the Alamo Creek Development may be offered to the GHAD during the 2009/2010 fiscal year. As provided in the Plan of Control, the transfer process includes inspections and verification of proper maintenance or condition of the GHAD-maintained improvements.

Estimated budget \$15,000

Transfer of additional parcels to the GHAD (Outside Professional Services)

As part of the transfer process, as planned the GHAD will contract with Darwin Myers of Darwin Myers Associates to provide for third party review of the GHAD-maintained improvements prior to transfer.

Estimated budget \$8,000

# Maintenance and Operations

#### Sediment Removal Concrete Structures

This budget item is to provide for the periodic removal of vegetation, cleaning, sealing and minor repair of concrete-lined drainage ditches within the Mustang Soccer Fields, Wendt Ranch, and Intervening Properties (Monterosso) developments.

Estimated budget \$5,750

# Bioretention and other Water Quality Facilities

The budget allows for ongoing maintenance activities as described in the operations and maintenance manual.

Estimated budget \$11,500

# **Erosion Repairs**

This is for unanticipated minor erosion repairs, including which may occur during the 2009/2010 fiscal year.

Estimated budget \$5,750

#### **Subdrain Outlets**

This budget item provides for subdrain outlets to be located, relocated and marked as necessary. Locating the subdrain outlets may include excavation activities.

Estimated budget \$1,450

# **Detention Basins**

The budget allows for ongoing maintenance activities.

Estimated budget \$17,300

# Creek Bank Maintenance

Anticipated tasks under this budget item include the repair of slope or creek erosion and removal of debris from creek channel culverts.

Estimated budget \$11,500

# Slope Stabilization

This is for unanticipated minor repairs, including slope instability or erosion which may occur during the 2009/2010 fiscal year.

Estimated budget \$9,500

# Trail, Fire Break and Fence Maintenance

This budget item includes annual fire break mowing and unanticipated trail maintenance or fence repairs which may occur during the 2009/2010 fiscal year. We are not anticipating trail or fence maintenance will be required during the 1009/2010 fiscal year. Fire break mowing has been contracted through the 2010/2011 fiscal year.

Estimated budget \$15,000

#### SPECIAL PROJECTS

# Geographic Information System (GIS) Development

To provide for a more efficient system to capture, store, update, manipulate, analyze, and display information pertaining to GHAD assets (including, but not limited to, subdrains, landslides, drainage facilities, cuts, fills, or slopes), the GHAD has provided a budget item to continue development of a GIS database. The database would facilitate and streamline the tracking of location, maintenance, and repair activities pertaining to GHAD assets and automate the communication of this information to affected parties. This first phase of GIS database development would include transition of available and pertinent asset information to an electronic format suitable for GIS deployment, and as necessary, field-verification of such assets with GPS surveys.

Estimated budget \$20,000

#### ADMINISTRATION AND ACCOUNTING

# Administration

Administrative expenses include the General Manager duties related to the operation and administration of the GHAD. The budget estimate for the accounting and administrative services are derived from the original GHAD budget used to prepare the GHAD's Engineer's Report.

Estimated budget \$32,500

# Assessment Roll and Levy Update

This budget item allows for preparation of the assessment roll for the District and the updated levy based on the Consumer Price Index adjustment.

Estimated budget \$4,000

#### Legal Counsel

This budget item allows the GHAD to secure legal counsel for the District as provided under Resolution 2008/01 adopted on November 18, 2008. The duties of the legal counsel may include but not be limited to preparation or review of contracts, grant deeds, right of entry and board resolutions.

Estimated budget \$6,000

#### Treasurer

This budget item accounts for fees related to investment of the GHAD reserve funds and processing of accounts payable. This budget item allows the GHAD to hire a treasurer for the District as provided under Resolution 2008/01 adopted on November 18, 2008.

Estimated cost \$2,000

# Contra County Assessor's Fees

This budget item accounts for fees from the Contra County Assessor's Office.

**Estimated cost** 

\$950

# Association Membership

The GHAD maintains membership in the California Association of GHADs.

**Estimated cost** 

\$800
