The Bonds shall bear or accrete interest at a rate or rates such that the interest rate shall not exceed that authorized at the Election.

Each Current Interest Bond shall be dated their date of delivery (the “Dated Date”), and shall bear interest from the Bond Payment Date next preceding the date of authentication thereof unless it is authenticated as of a day during the period from the 16th day of the month next preceding any Bond Payment Date to that Bond Payment Date, inclusive, in which event it shall bear interest from such Bond Payment Date, or unless it is authenticated on or before January 15, 2010, in which event it shall bear interest from its Dated Date. No payment will be made to the Owners of Convertible Capital Appreciation Bonds on the Conversion Date.

To the extent that the Bonds are issued as QSC Bonds, such Bonds shall have, in addition to any applicable terms and provisions herein, such additional terms and provisions as may be set forth in the Purchase Contract or QSC Bonds Paying Agent Agreement.

(b) Redemption.

(i) Optional Redemption. The Bonds shall be subject to optional redemption prior to maturity as provided in the Purchase Contract or QSC Bonds Paying Agent Agreement.

(ii) Mandatory Redemption. Any Bonds sold as Term Bonds shall be subject to mandatory redemption as provided in the Purchase Contract or QSC Bonds Paying Agent Agreement.

(iii) Selection of Bonds for Redemption. Whenever provision is made in this Resolution for the optional redemption of Bonds and less than all Outstanding Bonds are to be redeemed, the Paying Agent identified below, upon written instruction from the District, shall select Bonds for redemption as so directed and if not directed, in inverse order of maturity. Within a maturity, the Paying Agent shall select Bonds for redemption by lot. Redemption by lot shall be in such manner as the Paying Agent shall determine; provided, however, that (A) the portion of any Current Interest Bond to be redeemed in part shall be in the Principal Amount of \$5,000 or any integral multiple thereof, (B) the portion of any Capital Appreciation Bond to be redeemed in part shall be in integral multiples of the Accreted Value per \$5,000 Maturity Value thereof, (C) and the portion of any Convertible Capital Appreciation Bond to be redeemed in part shall be in integral multiples of the Accreted Value per \$5,000 Conversion Value thereof.

(iv) Notice of Redemption. When redemption is authorized or required pursuant to this Resolution, the Paying Agent, upon written instruction from the District, shall give notice (a "Redemption Notice") of the redemption of the Bonds. Such Redemption Notice shall specify: the Bonds or designated portions thereof (in the case of redemption of the Bonds in part but not in whole) which are to be redeemed, the date of redemption, the place or places where the redemption will be made, including the name and address of the Paying Agent, the redemption price, the CUSIP numbers (if any) assigned to the Bonds to be redeemed, the Bond numbers of the Bonds to be redeemed in whole or in part and, in the case of any Bond to be redeemed in part only, the Principal Amount of such Bond to be redeemed, and the original issue date, interest rate or Accretion Rate and stated maturity date of each Bond to be redeemed in whole or in part. Such Redemption Notice shall further state that on the specified date there shall become due and payable upon each Bond or portion thereof being redeemed, the redemption price thereof, together with the interest accrued or accreted to the redemption date, and that from and after such date, interest with respect thereto shall cease to accrue or accrete.

The Paying Agent shall take the following actions with respect to such Redemption Notice:

(a) At least 30 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given to the respective Owners of Bonds designated for redemption by registered or certified mail, postage prepaid, at their addresses appearing on the bond register.

(b) At least 30 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid,

(ii) telephonically confirmed facsimile transmission, or (iii) overnight delivery service, to each of the Securities Depositories.

(c) At least 30 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, or (ii) overnight delivery service, to one of the Information Services.

Neither failure to receive any Redemption Notice nor any defect in any such Redemption Notice so given shall affect the sufficiency of the proceedings for the redemption of the affected Bonds. Each check issued or other transfer of funds made by the Paying Agent for the purpose of redeeming Bonds shall bear or include the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

(v) Partial Redemption of Bonds. Upon the surrender of any Bond redeemed in part only, the Paying Agent shall execute and deliver to the Owner thereof a new Bond or Bonds of like tenor and maturity and of authorized denominations equal in Transfer Amounts to the unredeemed portion of the Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the County and the District shall be released and discharged thereupon from all liability to the extent of such payment.

(vi) Effect of Notice of Redemption. Notice having been given as aforesaid, and the moneys for the redemption (including the interest to the applicable date of redemption) having been set aside in the District's Debt Service Fund, the Bonds to be redeemed shall become due and payable on such date of redemption.

If on such redemption date, money for the redemption of all the Bonds to be redeemed as provided in Section 6(b)(i) and (ii) hereof, together with interest accrued to such redemption date, shall be held by the Paying Agent so as to be available therefor on such redemption date, and if notice of redemption thereof shall have been given as aforesaid, then from and after such redemption date, interest with respect to the Bonds to be redeemed shall cease to accrue or accrete and become payable. All money held by or on behalf of the Paying Agent for the redemption of Bonds shall be held in trust for the account of the Owners of the Bonds so to be redeemed.

All Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of this Section 6 shall be cancelled upon surrender thereof and be delivered to or upon the order of the County and the District. All or any portion of a Bond purchased by the County or the District shall be cancelled by the Paying Agent.

(vii) Bonds No Longer Outstanding. When any Bonds (or portions thereof), which have been duly called for redemption prior to maturity under the provisions of this Resolution, or with respect to which irrevocable instructions to call for redemption prior to maturity at the earliest redemption date have been given to the Paying Agent, in form satisfactory to it, and sufficient moneys shall be held by the Paying Agent irrevocably in trust for the payment of the redemption price of such Bonds or portions thereof, and, in the case of Current Interest Bonds, accrued interest with respect thereto to the date fixed for redemption, all as provided in this Resolution, then such Bonds shall no longer be deemed Outstanding and shall be surrendered to the Paying Agent for cancellation.

(c) Book-Entry System.

(i) Election of Book-Entry System. The Bonds shall initially be delivered in the form of a separate single fully-registered bond (which may be typewritten) for each maturity date of such Bonds in an authorized denomination (except for any odd denomination Capital Appreciation Bond). The ownership of each such Bond shall be registered in the bond register in the name of the Nominee, as nominee of the Depository and ownership of the Bonds, or any portion thereof may not thereafter be transferred except as provided in Section 6(c)(i)(4).

With respect to book-entry Bonds, the District and the Paying Agent shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds an interest in such book-entry Bonds. Without limiting the immediately preceding sentence, the District and the Paying Agent shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee, or any Participant with respect to any ownership interest in book-entry Bonds, (ii) the delivery to any Participant or any other person, other than an owner as shown in the bond register, of any notice with respect to book-entry Bonds, including any notice of redemption, (iii) the selection by the Depository and its Participants of the beneficial interests in book-entry Bonds to be prepaid in the event the District redeems the Bonds in part, or (iv) the payment by the Depository or any Participant or any other person, of any amount with respect to Accreted Value, Principal, premium, if any, or interest on the book-entry Bonds. The District and the Paying Agent may treat and consider the person in whose name each book-entry Bond is registered in the bond register as the absolute owner of such book-entry Bond for the purpose of payment of Accreted Value or Principal of and premium and interest on and to such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Paying Agent shall pay all Accreted Value or Principal of and premium, if any, and interest on the Bonds only to or upon the order of the respective owner, as shown in the bond register, or his respective attorney duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to payment of Accreted Value or Principal of, and premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than an owner, as shown in the bond register, shall receive a certificate evidencing the obligation to make payments of Accreted Value or Principal of, and premium, if any, and interest on the Bonds. Upon delivery by the Depository to the owner and the Paying Agent, of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to the Record Date, the word Nominee in this Resolution shall refer to such nominee of the Depository.

1. Delivery of Letter of Representations. In order to qualify the book-entry Bonds for the Depository's book-entry system, the District and the Paying Agent shall execute and deliver to the Depository a Letter of Representations. The execution and delivery of a Letter of Representations shall not in any way impose upon the District or the Paying Agent any obligation whatsoever with respect to persons having interests in such book-entry Bonds other than the owners, as shown on the bond register. By executing a Letter of Representations, the Paying Agent shall agree to take all action necessary at all times so that the District will be in compliance with all representations of the District in such Letter of Representations. In addition to the execution and delivery of a Letter of Representations, the District shall take such other actions, not inconsistent with this Resolution, as are reasonably necessary to qualify book-entry Bonds for the Depository's book-entry program.

2. Selection of Depository. In the event (i) the Depository determines not to continue to act as securities depository for book-entry Bonds, or (ii) the District determines that continuation of the book-entry system is not in the best interest of the beneficial owners of the Bonds or the District, then the District will discontinue the book-entry system with the Depository. If the District determines to replace the Depository with another qualified securities depository, the District shall prepare or direct the preparation of a new single, separate, fully registered bond for each maturity date of such book-entry Bond, registered in the name of such successor or substitute qualified securities depository or its Nominee as provided in subsection (4) hereof. If the District fails to identify another qualified securities depository to replace the Depository, then the Bonds shall no longer be restricted to being registered in such bond register in the name of the Nominee, but shall be registered in whatever name or names the owners transferring or exchanging such Bonds shall designate, in accordance with the provisions of this Section 6(c).

3. Payments to Depository. Notwithstanding any other provision of this Resolution to the contrary, so long as all outstanding Bonds are held in book-entry and registered in the name of the Nominee, all payments with respect to Accreted Value or Principal of and premium, if any, or interest on the Bonds and all notices with respect to such Bonds shall be made and given, respectively to the Nominees, as provided in the Letter of Representations or as otherwise instructed by the Depository and agreed to by the Paying Agent notwithstanding any inconsistent provisions herein.

4. Transfer of Bonds to Substitute Depository.

(A) The Bonds shall be initially issued as described in this Resolution as may be modified by the Purchase Contract. Registered ownership of such Bonds, or any portions thereof, may not thereafter be transferred except:

(1) to any successor of DTC or its nominee, or of any substitute depository designated pursuant to Section 6(c)(i)(4)(A)(2) (“Substitute Depository”); provided that any successor of DTC or Substitute Depository shall be qualified under any applicable laws to provide the service proposed to be provided by it;

(2) to any Substitute Depository designated by the District, upon (1) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (2) a determination by the District that DTC (or its successor) is no longer able to carry out its functions as depository; provided that any such Substitute Depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(3) to any person as provided below, upon (1) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (2) a determination by the District that DTC or its successor (or Substitute Depository or its successor) is no longer able to carry out its functions as depository.

(B) In the case of any transfer pursuant to Section 6(c)(i)(4)(A)(1) or (2), upon receipt of all outstanding Bonds by the Paying Agent, together with a written request of the District to the Paying Agent designating the Substitute Depository, a single new Bond, which

the District shall prepare or cause to be prepared, shall be executed and delivered for each maturity of Bonds then outstanding, registered in the name of such successor or such Substitute Depository or their Nominees, as the case may be, all as specified in such written request of the District. In the case of any transfer pursuant to Section 6(c)(i)(4)(A)(3), upon receipt of all outstanding Bonds by the Paying Agent, together with a written request of the District to the Paying Agent, new Bonds, which the District shall prepare or cause to be prepared, shall be executed and delivered in such denominations and registered in the names of such persons as are requested in such written request of the District, provided that the Paying Agent shall not be required to deliver such new Bonds within a period of less than sixty (60) days from the date of receipt of such written request from the District.

(C) In the case of a partial redemption or an advance refunding of any Bonds evidencing a portion of the Maturity Value, Conversion Value or Principal maturing in a particular year, DTC or its successor (or any Substitute Depository or its successor) shall make an appropriate notation on such Bonds indicating the date and amounts of such reduction in Maturity Value, Conversion Value or Principal, in form acceptable to the Paying Agent, all in accordance with the Letter of Representations. The Paying Agent shall not be liable for such Depository's failure to make such notations or errors in making such notations.

(D) The District and the Paying Agent shall be entitled to treat the person in whose name any Bond is registered as the owner thereof for all purposes of this Resolution and any applicable laws, notwithstanding any notice to the contrary received by the Paying Agent or the District; and the District and the Paying Agent shall not have responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Bonds. Neither the District nor the Paying Agent shall have any responsibility or obligation, legal or otherwise, to any such beneficial owners or to any other party, including DTC or its successor (or Substitute Depository or its successor), except to the Owner of any Bonds, and the Paying Agent may rely conclusively on its records as to the identity of the owners of the Bonds.

**SECTION 7. Execution of Bonds.** The Bonds shall be executed by the Chairman of the Board of Supervisors of the County and the Treasurer by their manual or facsimile signatures and countersigned by the manual or facsimile signature of and the seal of the County affixed thereto by the Executive Officer-Clerk of the Board of Supervisors, all in their official capacities. No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under this Resolution unless and until the certificate of authentication printed on the Bond is signed by the Paying Agent as authenticating agent. Authentication by the Paying Agent shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under this Resolution and is entitled to the security and benefit of this Resolution.

**SECTION 8. Paying Agent; Transfer and Exchange.** This County Board does hereby appoint The Bank of New York Mellon Trust Company, N.A. to act as the authenticating agent, bond registrar, transfer agent and paying agent (collectively, the "Paying Agent") for the Bonds.

So long as any of the Bonds remain outstanding, the District will cause the Paying Agent to maintain and keep at its principal office all books and records necessary for the registration, exchange and transfer of the Bonds as provided in this Section. Subject to the provisions of Section 9 below, the person in whose name a Bond is registered on the bond register shall be regarded as the

absolute owner of that Bond for all purposes of this Resolution. Payment of or on account of the Principal or Accreted Value of and premium, if any, and interest on any Bond shall be made only to or upon the order of that person; neither the District, the County nor the Paying Agent shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the District's liability upon the Bonds, including interest, to the extent of the amount or amounts so paid.

Any Bond may be exchanged for Bonds of like tenor, maturity and Transfer Amount upon presentation and surrender at the principal office of the Paying Agent, together with a request for exchange signed by the Owner or by a person legally empowered to do so in a form satisfactory to the Paying Agent. A Bond may be transferred on the bond register only upon presentation and surrender of the Bond at the principal office of the Paying Agent together with an assignment executed by the Owner or by a person legally empowered to do so in a form satisfactory to the Paying Agent. Upon exchange or transfer, the Paying Agent shall complete, authenticate and deliver a new Bond or Bonds of like tenor and of any authorized denomination or denominations requested by the Owner equal to the Transfer Amount of the Bond surrendered and bearing or accruing interest at the same rate and maturing on the same date. Capital Appreciation Bonds and Current Interest Bonds may not be exchanged for one another.

If any Bond shall become mutilated, the County, at the expense of the Owner of said Bond, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Bond of like series, tenor and Transfer Amount in exchange and substitution for the Bond so mutilated, but only upon surrender to the Paying Agent of the Bond so mutilated. If any Bond issued hereunder shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Paying Agent and, if such evidence be satisfactory to the Paying Agent and indemnity for the Paying Agent, the County and the District satisfactory to the Paying Agent shall be given by the owner, the County, at the expense of the Bond owner, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Bond of like tenor in lieu of and in substitution for the Bond so lost, destroyed or stolen (or if any such Bond shall have matured or shall have been called for redemption, instead of issuing a substitute Bond the Paying Agent may pay the same without surrender thereof upon receipt of indemnity satisfactory to the Paying Agent). The Paying Agent may require payment of a reasonable fee for each new Bond issued under this paragraph and of the expenses which may be incurred by the County and the Paying Agent.

If manual signatures on behalf of the County are required in connection with an exchange or transfer, the Paying Agent shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the County. In all cases of exchanged or transferred Bonds, the County shall sign and the Paying Agent shall authenticate and deliver Bonds in accordance with the provisions of this Resolution. All fees and costs of transfer shall be paid by the requesting party. Those charges may be required to be paid before the procedure is begun for the exchange or transfer. All Bonds issued upon any exchange or transfer shall be valid obligations of the District, evidencing the same debt, and entitled to the same security and benefit under this Resolution as the Bonds surrendered upon that exchange or transfer.

Any Bond surrendered to the Paying Agent for payment, retirement, exchange, replacement or transfer shall be cancelled by the Paying Agent. The District and the County may at any time deliver to the Paying Agent for cancellation any previously authenticated and delivered Bonds that the District and the County may have acquired in any manner whatsoever, and those Bonds shall be promptly cancelled by the Paying Agent. As requested by the County, written reports of the

(1) Covenant Regarding Investment of Proceeds.

(A) Permitted Investments. Beginning on the delivery date, and at all times until expenditure for authorized purposes, not less than 95% of the proceeds of the Bonds deposited in the Building Fund, including investment earnings thereon, will be invested in Qualified Permitted Investments which are rated in at least the second highest rating category by one of the two Rating Agencies. Notwithstanding the preceding provisions of this Section, for purposes of this paragraph, amounts

derived from the disposition or redemption of Qualified Permitted Investments and held pending reinvestment or redemption for a period of not more than 30 days may be invested in Permitted Investments.

(B) Recordkeeping and Monitoring Relating to Building Fund.

i. Information Regarding Permitted Investments. The County hereby covenants that it will or will cause the District to record or cause to be recorded with respect to each Permitted Investment in the Building Fund the following information: purchase date; purchase price; information establishing the Fair Market Value of such Permitted Investment; face amount; coupon rate; periodicity of interest payments; disposition price; disposition date; and any accrued interest received upon disposition.

ii. Information in Qualified Non-AMT Mutual Funds. The County hereby covenants that, with respect to each investment of proceeds of the Bonds in a Qualified Non-AMT Mutual Fund pursuant to paragraph (1)(A) above, in addition to recording, or causing to be recorded, the information set forth in paragraph (1)(B)(i) above, it will or will cause the District to retain a copy of each IRS information reporting form and account statement provided by such Qualified Non-AMT Mutual Fund.

iii. Monthly Investment Fund Statements. The County covenants that it will or will cause the District to obtain, at the beginning of each month following the delivery date, a statement of the investments in the Building Fund detailing the nature, amount and value of each investment as of such statement date.

iv. Retention of Records. The County hereby covenants that it will or will cause the District to retain the records referred to in paragraph (1)(B)(i) and each IRS information reporting form referred to in paragraph (1)(B)(ii) with its books and records with respect to the Bonds until three years following the last date that any obligation comprising the Bonds is retired.

(c) Interest Earned on Permitted Investments. The interest earned on the moneys deposited in the Building Fund shall be deposited in the Building Fund and used for the purposes of that fund

Except as required below to satisfy the requirements of the Code, interest earned on the investment of monies held in the Debt Service Fund shall be retained in the Debt Service Fund and used by the County to pay the Accreted Value or Principal of and interest on the Bonds when due.

**SECTION 13. Rebate Fund.**

(a) The District shall create and establish a special fund designated the “West Contra Costa Unified School District General Obligation Bonds, Election of 2005, Series D Rebate Fund” (the “Rebate Fund”). All amounts at any time on deposit in the Rebate Fund shall be held in trust, to the extent required to satisfy the requirement to make rebate payments to the United States (the “Rebate Requirement”) pursuant to Section 148 of the Code, and the Treasury Regulations promulgated thereunder (the “Treasury Regulations”). Such amounts shall be free and clear of any

lien hereunder and shall be governed by this Section and by the Tax Certificate to be executed by the District.

(b) Within forty-five (45) days of the end of each fifth Bond Year (as such term is defined in the Tax Certificate), (1) the District shall calculate or cause to be calculated with respect to the Bonds the amount that would be considered the “rebate amount” within the meaning of Section 1.148-3 of the Treasury Regulations, using as the “computation date” for this purpose the end of such Bond Year, and (2) the District shall deposit to the Rebate Fund from amounts on deposit in the other funds established hereunder or from other District funds, if and to the extent required, amounts sufficient to cause the balance in the Rebate Fund to be equal to the “rebate amount” so calculated. The District shall not be required to deposit any amount to the Rebate Fund in accordance with the preceding sentence, if the amount on deposit in the Rebate Fund prior to the deposit required to be made under this subsection (b) equals or exceeds the “rebate amount” calculated in accordance with the preceding sentence. Such excess may be withdrawn from the Rebate Fund to the extent permitted under subsection (g) of this Section. The District shall not be required to calculate the “rebate amount” and shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b), with respect to all or a portion of the proceeds of the Bonds (including amounts treated as proceeds of the Bonds) (1) to the extent such proceeds satisfy the expenditure requirements of Section 148(f)(4)(B) or Section 148(f)(4)(C) of the Code or Section 1.148-7(d) of the Treasury Regulations, whichever is applicable, and otherwise qualify for the exception to the Rebate Requirement pursuant to whichever of said sections is applicable, (2) to the extent such proceeds are subject to an election by the District under Section 148(f)(4)(C)(vii) of the Code to pay a one and one-half percent (1½%) penalty in lieu of arbitrage rebate in the event any of the percentage expenditure requirements of Section 148(f)(4)(C) are not satisfied, or (3) to the extent such proceeds qualify for the exception to arbitrage rebate under Section 148(f)(4)(A)(ii) of the Code for amounts in a “bona fide debt service fund.” In such event, and with respect to such amounts, the District shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b).

(c) Any funds remaining in the Rebate Fund after redemption of all the Bonds and any amounts described in paragraph (2) of subsection (d) of this Section, or provision made therefor satisfactory to the District, including accrued interest, shall be remitted to the District.

(d) Subject to the exceptions contained in subsection (b) of this Section to the requirement to calculate the “rebate amount” and make deposits to the Rebate Fund, the District shall pay to the United States, from amounts on deposit in the Rebate Fund,

(1) not later than sixty (60) days after the end of (i) the fifth (5th) Bond Year, and (ii) each fifth (5th) Bond Year thereafter, an amount that, together with all previous rebate payments, is equal to at least 90% of the “rebate amount” calculated as of the end of such Bond Year in accordance with Section 1.148-3 of the Treasury Regulations; and

(2) not later than sixty (60) days after the payment of all Bonds, an amount equal to one hundred percent (100%) of the “rebate amount” calculated as of the date of such payment (and any income attributable to the “rebate amount” determined to be due and payable) in accordance with Section 1.148-3 of the Treasury Regulations.

(e) In the event that, prior to the time any payment is required to be made from the Rebate Fund, the amount in the Rebate Fund is not sufficient to make such payment when such payment is due, the District shall calculate (or have calculated) the amount of such deficiency and

deposit an amount equal to such deficiency into the Rebate Fund prior to the time such payment is due.

(f) Each payment required to be made pursuant to subsection (d) of this Section shall be made to the Internal Revenue Service Center, Ogden, Utah 84201, on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T, such form to be prepared or caused to be prepared by the District.

(g) In the event that immediately following the calculation required by subsection (b) of this Section, but prior to any deposit made under said subsection, the amount on deposit in the Rebate Fund exceeds the “rebate amount” calculated in accordance with said subsection, the District may withdraw the excess from the Rebate Fund and credit such excess to the Debt Service Fund.

(h) The District shall retain records of all determinations made hereunder until six years after the complete retirement of the Bonds.

(i) Notwithstanding anything in this Resolution to the contrary, the rebate requirement shall survive the payment in full or defeasance of the Bonds.

**SECTION 14. Security for the Bonds.** There shall be levied on all the taxable property in the District, in addition to all other taxes, a continuing direct *ad valorem* tax annually during the period the Bonds are outstanding in an amount sufficient to pay the principal of and interest on the Bonds when due, which moneys when collected will be placed in the Debt Service Fund of the District, which fund is irrevocably pledged for the payment of the principal and Accreted Value of and interest on the Bonds when and as the same fall due.

**SECTION 15. Arbitrage Covenant.** The County acknowledges that the District has covenanted that it will restrict the use of the proceeds of the Bonds in such manner and to such extent, if any, as may be necessary, so that the Bonds will not constitute arbitrage bonds under Section 148 of the Code and the applicable regulations prescribed under that Section or any predecessor section. Calculations for determining arbitrage requirements are the sole responsibility of the District.

**SECTION 16. Conditions Precedent.** Based in part on representations of the District, this County Board determines that all acts and conditions required by the Constitution and laws of the State of California to exist, to occur and to be performed or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the District have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law. This County Board further acknowledges that the District Board has found and determined that as a result of the issuance of the Bonds, the overall outstanding general obligation bond debt of the District will be amortized in a more level manner.

**SECTION 17. Insurance.** In the event the District purchases bond insurance for the Bonds, and to the extent that the Bond Insurer makes payment of the principal, interest or Accreted Value on the Bonds, it shall become the owner of such Bonds with the right to payment of principal, interest or Accreted Value on the Bonds, and shall be fully subrogated to all of the Owners’ rights, including the Owners’ rights to payment thereof. To evidence such subrogation (i) in the case of subrogation as to claims that were past due interest components, the Paying Agent shall note the Bond Insurer’s rights

as subrogee on the registration books for the Bonds maintained by the Paying Agent upon receipt of a copy of the cancelled check issued by the Bond Insurer for the payment of such interest to the Owners of the Bonds, and (ii) in the case of subrogation as to claims for past due Principal or Accreted Value, the Paying Agent shall note the Bond Insurer as subrogee on the registration books for the Bonds maintained by the Paying Agent upon surrender of the Bonds by the Owners thereof to the Bond Insurer or the insurance trustee for the Bond Insurer.

**SECTION 18. Defeasance.** All or any portion of the outstanding maturities of the Bonds may be defeased prior to maturity in the following ways:

(a) Cash: by irrevocably depositing with the County or with an independent escrow agent selected by the District, and satisfactory to the County, an amount of cash which together with amounts then on deposit in the Debt Service Fund (as defined herein) is sufficient to pay all Bonds outstanding and designated for defeasance, including all principal and interest and premium, if any; or

(b) Government Obligations: by irrevocably depositing with the County or with an independent escrow agent selected by the District, and satisfactory to the County, noncallable Government Obligations together with cash, if required, in such amount as will, in the opinion of an independent certified public accountant, satisfactory to the County, together with interest to accrue thereon and moneys then on deposit in the Debt Service Fund together with the interest to accrue thereon, be fully sufficient to pay and discharge all Bonds outstanding and designated for defeasance (including all principal and interest represented thereby and prepayment premiums, if any) at or before their maturity date;

then, notwithstanding that any of such Bonds shall not have been surrendered for payment, all obligations of the District and the County with respect to all such designated outstanding Bonds shall cease and terminate, except only the obligation of the County and the Paying Agent or an independent escrow agent selected by the District, and satisfactory to the County, to pay or cause to be paid from funds deposited pursuant to paragraphs (a) or (b) of this Section, to the owners of such designated Bonds not so surrendered and paid all sums due with respect thereto.

For purposes of this Section, “Government Obligations” shall mean:

Direct and general obligations of the United States of America (which may consist of obligations of the Resolution Funding Corporation that constitute interest strips), or obligations that are unconditionally guaranteed as to principal and interest by the United States of America, or “prerefunded” municipal obligations rated in the highest rating category by Moody’s Investors Service or Standard & Poor’s. In the case of direct and general obligations of the United States of America, Government Obligations shall include evidences of direct ownership of proportionate interests in future interest or principal payments of such obligations. Investments in such proportionate interests must be limited to circumstances where (a) a bank or trust company acts as custodian and holds the underlying United States obligations; (b) the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor of the underlying United States obligations; and (c) the underlying United States obligations are held in a special account, segregated from the custodian’s general assets, and are not available to satisfy any claim of the custodian, any person claiming through the custodian, or any person to whom

the custodian may be obligated; provided that such obligations are rated or assessed “AAA” by Standard & Poor’s or “Aaa” by Moody’s Investors Service.

**SECTION 19. Amendments.** (a) The County may from time to time (which may be at the request of the District, made in writing), and at any time, without notice to or consent of any of the Owners, by action of the County Board, amend the provisions of this Resolution for any of the following reasons:

(1) to cure any ambiguity, to correct or supplement any provision herein which may be inconsistent with any other provision herein or therein, or to make any other provision with respect to matters or questions arising under this Resolution, provided that such action shall not adversely affect the interests of the Bond owners;

(2) to add to the covenants and agreements of and the limitations and the restrictions upon the District contained in this Resolution which are not contrary to or inconsistent with this Resolution as theretofore in effect; and

(3) to modify, alter, amend or supplement this Resolution in any other respect which is not materially adverse to the Bond owners.

In the event of any such amendment, the County shall promptly provide the District and the paying agent with copies of such amendment and the action of the County Board approving such amendment.

(b) Notwithstanding any other provision herein, the provisions of this Resolution as they relate to the terms of the Bonds may be amended by the Purchase Contract.

**SECTION 20. Other Actions.** Officers of the Board and County officials and staff are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance of the Bonds and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions heretofore taken by such officers, officials and staff are hereby ratified, confirmed and approved.

**SECTION 21. Indemnification of County.** The County acknowledges and relies upon the fact that the District has represented that it shall indemnify and hold harmless, to the extent permitted by law, the County and its officers and employees (“Indemnified Parties”), against any and all losses, claims, damages or liabilities, joint or several, to which such Indemnified Parties may become subject because of action or inaction related to the adoption of this Resolution, or related to the proceedings for sale, award, issuance and delivery of the Bonds in accordance herewith and with the District Resolution, and that the District shall also reimburse any such Indemnified Parties for any legal or other expenses incurred in connection with investigating or defending any such claims or actions.

**SECTION 22. Continuing Disclosure.** The District has covenanted and agreed that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Any Bondholder may take such actions as may be necessary and appropriate, including seeking mandate

or specific performance by court order, to cause the District to comply with its obligations under this Section.

**SECTION 23. Unclaimed Funds.** Notwithstanding any other provisions of this Resolution, any moneys held in any fund created pursuant to this Resolution, or by the Paying Agent in trust, for the payment of the Principal, Conversion Value of Maturity Value of, redemption premium, if any, and interest on the Bonds remaining unclaimed for one year after such Principal, Conversion Value and Maturity Value of all of the Bonds have become due and payable (whether by maturity or upon prior redemption) shall be, after payment in full of the Bonds, transferred to the general fund of the District to be applied in accordance with law; provided, however, that the Paying Agent, before making such payment, shall cause notice to be mailed to the Owners of all Bonds that have not been paid, by first-class mail at the addresses on the Bonds register, postage prepaid, no less than 90 days prior to the date of such payment. Thereafter, the District shall have all responsibility and liability for the payment of such Bonds.

**SECTION 24. Limited Responsibility for Official Statement.** Neither the County Board nor any officer of the County has prepared or reviewed the official statement of the District describing the Bonds (the "Official Statement"), and this County Board and the various officers of the County take no responsibility for the contents or distribution thereof; provided, however, that solely with respect to a section contained or to be contained therein describing the County's investment policy, current portfolio holdings, and valuation procedures, as they may relate to funds of the District held by the County Treasurer, the County Treasurer is hereby authorized and directed to prepare and review such information for inclusion in the District's Official Statement and in a preliminary Official Statement, and to certify in writing prior to or upon the issuance of the Bonds that the information contained in such section does not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in the light of the circumstances under which they are made, not misleading.

**SECTION 25. Effective Date.** This Resolution shall take effect immediately upon its passage.
