AND TO PROTECT THE SECURITY OF THIS DEED OF TRUST, TRUSTOR

Section 1.2 The term "Loan Agreement" means that certain CDBG Loan Agreement between Borrower Trustor and Beneficiary, of even date herewith, providing for the Beneficiary to loan to Trustor Six Hundred Twenty-Five Thousand Nine Hundred Ninety-Eight Dollars (\$625,998) for the acquisition of the Property.

Section 1.4 The term "Note" means the promissory note in the principal amount of Six Hundred Twenty-Five Thousand Nine Hundred Ninety-Eight Dollars (\$625,998), of even date herewith, executed by Borrower Trustor in favor of the Beneficiary, as it may be amended or restated, the payment of which is secured by this Deed of Trust. (A copy of the Note is on file with the Beneficiary and terms and provisions of the Note are incorporated herein by reference.)

Section 1.5 The term "Principal" means the amount required to be paid under the Note.

Section 1.6 The term "Regulatory Agreement" means the regulatory agreement of even date herewith by and between the Beneficiary and the Borrower Trustor.

ARTICLE 2
MAINTENANCE AND MODIFICATION OF
THE PROPERTY AND SECURITY

Section 2.1 Maintenance and Modification of the Property by Trustor.

The Trustor agrees that at all times prior to full payment and performance of the Secured Obligations, the Trustor will, at the Trustor's own expense, maintain, preserve and keep the Security or cause the Security to be maintained and preserved in good condition. The Trustor will from time to time make or cause to be made all repairs, replacements and renewals deemed proper and necessary by it. The Beneficiary has no responsibility in any of these matters or for the making of improvements or additions to the Security.

Trustor agrees to pay fully and discharge (or cause to be paid fully and discharged) all claims for labor done and for material and services furnished in connection with the Security, diligently to file or procure the filing of a valid notice of cessation upon the event of a cessation of labor on the work or construction on the Security for a continuous period of thirty (30) days or more, and to take all other reasonable steps to forestall the assertion of claims of lien against the Security or any part thereof. Trustor irrevocably appoints, designates and authorizes Beneficiary as its agent (said agency being coupled with an interest) with the authority, but without any obligation, to file for record any notices of completion or cessation of labor or any other notice that Beneficiary deems necessary or desirable to protect its interest in and to the Security or the Loan Documents; provided, however, that Beneficiary exercises its rights as agent of Trustor only in the event that Trustor fails to take, or fails to diligently continue to take, those actions as hereinbefore provided.

Upon demand by Beneficiary, Trustor shall make or cause to be made such demands or claims as Beneficiary specifies upon laborers, materialmen, subcontractors or other persons who have furnished or claim to have furnished labor, services or materials in connection with the Security. Nothing herein contained requires Trustor to pay any claims for labor, materials or services which Trustor in good faith disputes and is diligently contesting provided that Trustor shall, within thirty (30) days after the filing of any claim of lien, record in the Office of the Recorder of Contra Costa County, a surety bond in an amount 1 and 1/2 times the amount of such claim item to protect against a claim of lien.

Section 2.2 Granting of Easements.

Trustor may not grant easements, licenses, rights-of-way or other rights or privileges in the nature of easements with respect to any property or rights included in the Security except those required or desirable for installation and maintenance of public utilities including, without

limitation, water, gas, electricity, sewer, telephone and telegraph, or those otherwise required by law, and as approved, in writing, by Beneficiary.

Section 2.3 Assignment of Rents.

As part of the consideration for the indebtedness evidenced by the Note, Trustor hereby absolutely and unconditionally assigns and transfers to Beneficiary all the rents and revenues of the Property including those now due, past due, or to become due by virtue of any lease or other agreement for the occupancy or use of all or any part of the Property, regardless of to whom the rents and revenues of the Property are payable. Trustor hereby authorizes Beneficiary or Beneficiary's agents to collect the aforesaid rents and revenues and hereby directs each tenant of the Property to pay such rents to Beneficiary or Beneficiary's agents; provided, however, that prior to written notice given by Beneficiary to Trustor of the breach by Trustor of any covenant or agreement of Trustor in the Loan Documents, Trustor shall collect and receive all rents and revenues of the Property as trustee for the benefit of Beneficiary and Trustor to apply the rents and revenues so collected to the Secured Obligations with the balance, so long as no such breach has occurred, to the account of Trustor, it being intended by Trustor and Beneficiary that this assignment of rents constitutes an absolute assignment and not an assignment for additional security only. Upon delivery of written notice by Beneficiary to Trustor of the breach by Trustor of any covenant or agreement of Trustor in the Loan Documents, and without the necessity of Beneficiary entering upon and taking and maintaining full control of the Property in person, by agent or by a court-appointed receiver, Beneficiary shall immediately be entitled to possession of all rents and revenues of the Property as specified in this Section 2.3 as the same becomes due and payable, including but not limited to, rents then due and unpaid, and all such rents shall immediately upon delivery of such notice be held by Trustor as trustee for the benefit of Beneficiary only; provided, however, that the written notice by Beneficiary to Trustor of the breach by Trustor must contain a statement that Beneficiary exercises its rights to such rents. Trustor agrees that commencing upon delivery of such written notice of Trustor's breach by Beneficiary to Trustor, each tenant of the Property shall make such rents payable to and pay such rents to Beneficiary or Beneficiary's agents on Beneficiary's written demand to each tenant therefor, delivered to each tenant personally, by mail or by delivering such demand to each rental unit, without any liability on the part of said tenant to inquire further as to the existence of a default by Trustor.

Trustor hereby covenants that Trustor has not executed any prior assignment of said rents, that Trustor has not performed, and will not perform, any acts or has not executed and will not execute, any instrument which would prevent Beneficiary from exercising its rights under this Section 2.3, and that at the time of execution of this Deed of Trust, there has been no anticipation or prepayment of any of the rents of the Property for more than two (2) months prior to the due dates of such rents. Trustor covenants that Trustor will not hereafter collect or accept payment of any rents of the Property more than two (2) months prior to the due dates of such rents. Trustor further covenant that Trustor will execute and deliver to Beneficiary such further assignments of rents and revenues of the Property as Beneficiary may from time to time request.

Upon Trustor's breach of any covenant or agreement of Trustor in the Loan Documents, Beneficiary may in person, by agent or by a court-appointed receiver, regardless of the adequacy of Beneficiary's security, enter upon and take and maintain full control of the Property in order to

perform all acts necessary and appropriate for the operation and maintenance thereof including, but not limited to, the execution, cancellation or modification of leases, the collection of all rents and revenues of the Property, the making of repairs to the Property and the execution or termination of contracts providing for the management or maintenance of the Property, all on such terms as are deemed best to protect the security of this Deed of Trust. In the event Beneficiary elects to seek the appointment of a receiver for the Property upon Trustor's breach of any covenant or agreement of Trustor in this Deed of Trust, Trustor hereby expressly consents to the appointment of such receiver. Beneficiary or the receiver will be entitled to receive a reasonable fee for so managing the Property.

All rents and revenues collected subsequent to delivery of written notice by Beneficiary to Trustor of the breach by Trustor of any covenant or agreement of Trustor in the Loan Documents are to be applied first to the costs, if any, of taking control of and managing the Property and collecting the rents, including, but not limited to, attorney's fees, receiver's fees, premiums on receiver's bonds, costs of repairs to the Property, premiums on insurance policies, taxes, assessments and other charges on the Property, and the costs of discharging any obligation or liability of Trustor as lessor or landlord of the Property and then to the sums secured by this deed of Trust. Beneficiary or the receiver will have access to the books and records used in the operation and maintenance of the Property and will be liable to account only for those rents actually received. Beneficiary is not liable to Trustor, anyone claiming under or through Trustor or anyone having an interest in the Property by reason of anything done or left undone by Beneficiary under this Section 2.3.

If the rents of the Property are not sufficient to meet the costs, if any, of taking control of and managing the Property and collecting the rents, any funds expended by Beneficiary for such purposes will become part of the Secured Obligations pursuant to Section 3.3 hereof. Unless Beneficiary and Trustor agree in writing to other terms of payment, such amounts are payable by Trustor to Beneficiary upon notice from Beneficiary to Trustor requesting payment thereof and will bear interest from the date of disbursement at the rate stated in Section 3.3.

If the Beneficiary or the receiver enters upon and takes and maintains control of the Property, neither that act nor any application of rents as provided herein will cure or waive any default under this Deed of Trust or invalidate any other right or remedy available to Beneficiary under applicable law or under this Deed of Trust. This assignment of rents of the Property will terminate at such time as this Deed of Trust ceases to secure the Secured Obligations.

Section 2.4 Leasehold Provisions.

(a) Borrower Trustor shall pay the rent set forth in the Ground Lease as the same becomes due and payable.

(b) Borrower Trustor shall promptly perform and observe all of the covenants, agreements, obligations and conditions required to be performed and observed by the Borrower Trustor under the Ground Lease, and do all things necessary to preserve and keep unimpaired its rights thereunder.

(c) Borrower Trustor shall promptly notify Beneficiary in writing of the commencement of a proceeding under the federal bankruptcy laws by or against either Trustor.

(d) If any of the indebtedness secured hereby remains unpaid at the time when notice may be given by the Borrower Trustor under the Ground Lease of the exercise of any right to renew or extend the term of the Ground Lease, Borrower Trustor shall promptly give notice to the Non-Borrower Trustor of the exercise of such right of extension or renewal.

(e) In case any proceeds of insurance upon the Property or any part thereof are deposited with any person other than Beneficiary pursuant to the requirements of the Ground Lease, Borrower Trustor shall promptly notify Beneficiary in writing of the name and address of the person with whom such proceeds have been deposited and the amount so deposited.

(f) Borrower Trustor shall promptly notify Beneficiary in writing of any request made by either party to the Ground Lease to the other party thereto for arbitration or appraisal proceedings pursuant to the Ground Lease, and of the institution of any arbitration or appraisal proceedings and promptly deliver to Beneficiary a copy of the determination of the arbitrators or appraisers in each such proceeding.

(g) Trustor will not surrender the Ground Lease or Trustor's estates and interests therein, nor terminate or cancel the Ground Lease; and will not, without prior written consent of Beneficiary, modify, change, supplement, alter or amend the Ground Lease in any manner whatsoever. Without limiting the generality of the foregoing, Trustor will not reject the Ground Lease pursuant to 11 U.S.C. Section 365(a) or any successor law, or allow the Ground Lease to be deemed rejected by inaction and lapse of time, and will not elect to treat the Ground Lease as terminated by the Non-Borrower Trustor's rejection of the Ground Lease pursuant to 11 U.S.C. Section 365(h)(1) or any successor law, and as further security for the repayment of the indebtedness secured hereby and for the performance of the covenants, agreements, obligations and conditions herein and in the Ground Lease contained, Trustor assigns to Beneficiary all rights, privileges and prerogatives of Trustor and either Trustor's bankruptcy trustee to deal with the Ground Lease, which right may arise as a result of the commencement of a proceeding under the federal bankruptcy laws by or against Trustor under the Ground Lease, including, without limitation, the right to assume or reject, or to compel the assumption or rejection of the Ground Lease pursuant to 11 U.S.C. Section 365(a) or any successor law, the right to seek and obtain extensions of time to assume or reject the Ground Lease, the right to elect whether to treat the Ground Lease as terminated by the Non-Borrower Trustor's rejection of the Ground Lease or to remain in possession of the leasehold estate and offset damages pursuant to 11 U.S.C. Section 365(h)(1) or any successor law; and any exercise of such rights, privileges or prerogatives by Trustor's bankruptcy trustee without the prior written consent thereto by Beneficiary shall be void and of no force and effect. No release or forbearance of any of Borrower Trustor's obligations as tenant under the Ground Lease, whether pursuant to the Ground Lease or otherwise, shall release Trustor from any of its obligations under this Deed of Trust, including, but not limited to, Borrower Trustor's obligations with respect to the payment of rent as provided for in the Ground Lease and the observance and performance of all of the covenants, agreements, obligations and conditions contained in the Ground Lease to be observed and performed by the Borrower Trustor thereunder. Unless Beneficiary expressly consents in writing, the fee title to the property demised by the Ground Lease and the leasehold estate thereunder will not merge,

but will always remain separate and distinct, notwithstanding the union of such estates either in the Non-Borrower Trustor or in a third party by purchase or otherwise.

ARTICLE 3
TAXES AND INSURANCE; ADVANCES

Section 3.1 Taxes, Other Governmental Charges and Utility Charges.

Trustor shall pay, or cause to be paid, prior to the date of delinquency, all taxes, assessments, charges and levies imposed by any public authority or utility company that are or may become a lien affecting the Security or any part thereof; provided, however, that Trustor is not required to pay and discharge any such tax, assessment, charge or levy so long as (a) the legality thereof is promptly and actively contested in good faith and by appropriate proceedings, and (b) Trustor maintains reserves adequate to pay any liabilities contested pursuant to this Section 3.1. With respect to taxes, special assessments or other similar governmental charges, Trustor shall pay such amount in full prior to the attachment of any lien therefor on any part of the Security; provided, however, if such taxes, assessments or charges can be paid in installments, Trustor may pay in such installments. Except as provided in clause (b) of the first sentence of this paragraph, the provisions of this Section 3.1 must not be construed to require that Trustor maintain a reserve account, escrow account, impound account or other similar account for the payment of future taxes, assessments, charges and levies.

In the event that Trustor fails to pay any of the items required by this Section to be paid by Trustor, Beneficiary may (but is under no obligation to) pay the same, after the Beneficiary has notified the Trustor of such failure to pay and the Trustor fails to fully pay such items within seven (7) business days after receipt of such notice. Any amount so advanced therefor by Beneficiary, together with interest thereon from the date of such advance at the maximum rate permitted by law, will become part of the Secured Obligations secured hereby, and Trustor agrees to pay all such amounts.

Section 3.2 Provisions Respecting Insurance.

Trustor agrees to provide insurance conforming in all respects to that required under the Loan Documents at all times until all amounts secured by this Deed of Trust have been paid, all Secured Obligations secured hereunder have been fulfilled, and this Deed of Trust has been reconveyed.

All such insurance policies and coverages are to be maintained at Trustor's sole cost and expense. Certificates of insurance for all of the above insurance policies, showing the same to be in full force and effect, are to be delivered to the Beneficiary upon demand therefor at any time prior to Trustor's satisfaction of the Secured Obligations.

Section 3.3 Advances.

In the event the Trustor fails to maintain the full insurance coverage required by this Deed of Trust or fails to keep the Security in accordance with the Loan Documents, the Beneficiary, after at least seven (7) days prior notice to Trustor, may (but is under no obligation

to) (i) take out the required policies of insurance and pay the premiums on the same, and (ii) make any repairs or replacements that are necessary and provide for payment thereof. All amounts so advanced by the Beneficiary will become part of the Secured Obligations (together with interest as set forth below) and will be secured hereby, which amounts the Trustor agrees to pay on the demand of the Beneficiary, and if not so paid, will bear interest from the date of the advance at the lesser of ten percent (10%) per annum or the maximum rate permitted by law.

ARTICLE 4
DAMAGE, DESTRUCTION OR CONDEMNATION

Section 4.1 Awards and Damages.

All judgments, awards of damages, settlements and compensation made in connection with or in lieu of (1) the taking of all or any part of or any interest in the Property by or under assertion of the power of eminent domain, (2) any damage to or destruction of the Property or any part thereof by insured casualty, and (3) any other injury or damage to all or any part of the Property (collectively, the "Funds") are hereby assigned to and are to be paid to the Beneficiary by a check made payable to the Beneficiary. The Beneficiary is authorized and empowered (but not required) to collect and receive any Funds and is authorized to apply them in whole or in part to any indebtedness or obligation secured hereby, in such order and manner as the Beneficiary determines at its sole option. The Beneficiary is entitled to settle and adjust all claims under insurance policies provided under this Deed of Trust and may deduct and retain from the proceeds of such insurance the amount of all expenses incurred by it in connection with any such settlement or adjustment. All or any part of the amounts so collected and recovered by the Beneficiary may be released to Borrower Trustor upon such conditions as the Beneficiary may impose for its disposition. Application of all or any part of the Funds collected and received by the Beneficiary or the release thereof will not cure or waive any default under this Deed of Trust. The rights of the Beneficiary under this Section 4.1 are subject to the rights of any senior mortgage lender. The Beneficiary shall release the Funds to Borrower Trustor to be used to reconstruct the improvements on the Property provided that Beneficiary reasonably determines that Borrower Trustor (taking into account the Funds) has sufficient funds to rebuild the improvements in substantially the form that existed prior to the casualty or condemnation.

ARTICLE 5
AGREEMENTS AFFECTING THE PROPERTY; FURTHER
ASSURANCES; PAYMENT OF PRINCIPAL AND INTEREST

Section 5.1 Other Agreements Affecting Property.

The Borrower Trustor shall duly and punctually perform all terms, covenants, conditions and agreements binding upon it under the Loan Documents and any other agreement of any nature whatsoever now or hereafter involving or affecting the Security or any part thereof.

Section 5.2 Agreement to Pay Attorneys' Fees and Expenses.

In the event of any Event of Default (as defined in Section 7.1) hereunder, and if the Beneficiary employs attorneys or incurs other expenses for the collection of amounts due hereunder or the enforcement of performance or observance of an obligation or agreement on the part of the Trustor in this Deed of Trust, the Borrower Trustor agrees that it will, on demand therefor, pay to the Beneficiary the reasonable fees of such attorneys and such other reasonable expenses so incurred by the Beneficiary. Any such amounts paid by the Beneficiary will be added to the Secured Obligations, and will bear interest from the date such expenses are incurred at the lesser of ten percent (10%) per annum or the maximum rate permitted by law.

Section 5.3 Payment of the Principal.

The Borrower Trustor shall pay to the Beneficiary the Principal and any other payments as set forth in the Note in the amounts and by the times set out therein.

Section 5.4 Personal Property.

To the maximum extent permitted by law, the personal property subject to this Deed of Trust is deemed to be fixtures and part of the real property and this Deed of Trust constitutes a fixtures filing under the California Commercial Code. As to any personal property not deemed or permitted to be fixtures, this Deed of Trust constitutes a security agreement under the California Commercial Code.

Section 5.5 Financing Statement.

The Borrower Trustor shall execute and deliver to the Beneficiary such financing statements pursuant to the appropriate statutes, and any other documents or instruments as are required to convey to the Beneficiary a valid perfected security interest in the Security. The Borrower Trustor shall perform all acts that the Beneficiary reasonably requests so as to enable the Beneficiary to maintain a valid perfected security interest in the Security in order to secure the payment of the Note in accordance with its terms. The Beneficiary is authorized to file a copy of any such financing statement in any jurisdiction(s) as it deems appropriate from time to time in order to protect the security interest established pursuant to this instrument.

Section 5.6 Operation of the Security.

The Borrower Trustor shall operate the Security (and, in case of a transfer of a portion of the Security subject to this Deed of Trust, the transferee shall operate such portion of the Security) in full compliance with the Loan Documents.

Section 5.7 Inspection of the Security.

At any and all reasonable times upon seventy-two (72) hours' notice, the Beneficiary and its duly authorized agents, attorneys, experts, engineers, accountants and representatives, may inspect the Security, without payment of charges or fees.

Section 5.8 Nondiscrimination.

The Trustor herein covenants by and for itself, its heirs, executors, administrators, and assigns, and all persons claiming under or through them, that there will be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, age, sex, sexual orientation, marital status, national origin or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Security, nor will the Trustor itself or any person claiming under or through it establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees in the Security. The foregoing covenants will run with the land.

ARTICLE 6
HAZARDOUS WASTE

Trustor shall keep and maintain the Property in compliance with, and shall not cause or permit the Property to be in violation of any federal, state or local laws, ordinances or regulations relating to industrial hygiene or to the environmental conditions on, under or about the Property including, but not limited to, soil and ground water conditions. Trustor shall not use, generate, manufacture, store or dispose of on, under, or about the Property or transport to or from the Property any flammable explosives, radioactive materials, hazardous wastes, toxic substances or related materials, including without limitation, any substances defined as or included in the definition of "hazardous substances," "hazardous wastes," "hazardous materials," or "toxic substances" under any applicable federal or state laws or regulations (collectively referred to hereinafter as "Hazardous Materials") except such of the foregoing as may be customarily used in construction or operation of a multi-family residential development.

Trustor shall immediately advise Beneficiary in writing if at any time it receives written notice of (i) any and all enforcement, cleanup, removal or other governmental or regulatory actions instituted, completed or threatened against Trustor or the Property pursuant to any applicable federal, state or local laws, ordinances, or regulations relating to any Hazardous Materials, ("Hazardous Materials Law"); (ii) all claims made or threatened by any third party against Trustor or the Property relating to damage, contribution, cost recovery compensation, loss or injury resulting from any Hazardous Materials (the matters set forth in clauses (i) and (ii) above are hereinafter referred to as "Hazardous Materials Claims"); and (iii) Trustor's discovery of any occurrence or condition on any real property adjoining or in the vicinity of the Property that could cause the Property or any part thereof to be classified as "border-zone property" (as defined in California Health and Safety Code Section 25117.4) under the provision of California Health and Safety Code, Sections 25220 et seq., or any regulation adopted in accordance therewith, or to be otherwise subject to any restrictions on the ownership, occupancy, transferability or use of the Property under any Hazardous Materials Law.

Beneficiary has the right to join and participate in, as a party if it so elects, any legal proceedings or actions initiated in connection with any Hazardous Materials Claims and to have its reasonable attorneys' fees in connection therewith paid by Trustor. Trustor shall indemnify and hold harmless Beneficiary and its boardmembers, supervisors, directors, officers, employees,

agents, successors and assigns from and against any loss, damage, cost, expense or liability directly or indirectly arising out of or attributable to the use, generation, storage, release, threatened release, discharge, disposal, or presence of Hazardous Materials on, under, or about the Property including without limitation: (a) all foreseeable consequential damages; (b) the costs of any required or necessary repair, cleanup or detoxification of the Property and the preparation and implementation of any closure, remedial or other required plans; and (c) all reasonable costs and expenses incurred by Beneficiary in connection with clauses (a) and (b), including but not limited to reasonable attorneys' fees and consultant's fees. This indemnification applies whether or not any government agency has issued a cleanup order. Losses, claims, costs, suits, liability, and expenses covered by this indemnification provision include, but are not limited to: (1) losses attributable to diminution in the value of the Property; (2) loss or restriction of use of rentable space on the Property; (3) adverse effect on the marketing of any rental space on the Property; and (4) penalties and fines levied by, and remedial or enforcement actions of any kind issued by any regulatory agency (including but not limited to the costs of any required testing, remediation, repair, removal, cleanup or detoxification of the Property and surrounding properties).

Without Beneficiary's prior written consent, which may not be unreasonably withheld, Trustor may not take any remedial action in response to the presence of any Hazardous Materials on, under or about the Property, nor enter into any settlement agreement, consent decree, or other compromise in respect to any Hazardous Material Claims, which remedial action, settlement, consent decree or compromise might, in Beneficiary's reasonable judgment, impairs the value of the Beneficiary's security hereunder; provided, however, that Beneficiary's prior consent is not necessary in the event that the presence of Hazardous Materials on, under, or about the Property either poses an immediate threat to the health, safety or welfare of any individual or is of such a nature that an immediate remedial response is necessary and it is not reasonably possible to obtain Beneficiary's consent before taking such action, provided that in such event Trustor notifies Beneficiary as soon as practicable of any action so taken. Beneficiary agrees not to withhold its consent, where such consent is required hereunder, if (i) a particular remedial action is ordered by a court of competent jurisdiction, (ii) Trustor will or may be subjected to civil or criminal sanctions or penalties if it fails to take a required action; (iii) Trustor establishes to the reasonable satisfaction of Beneficiary that there is no reasonable alternative to such remedial action which would result in less impairment of Beneficiary's security hereunder; or (iv) the action has been agreed to by Beneficiary.

The Trustor hereby acknowledges and agrees that (i) this Article is intended as the Beneficiary's written request for information (and the Trustor's response) concerning the environmental condition of the Property as required by California Code of Civil Procedure Section 726.5, and (ii) each representation and warranty in this Deed of Trust or any of the other Loan Documents (together with any indemnity applicable to a breach of any such representation and warranty) with respect to the environmental condition of the property is intended by the Beneficiary and the Trustor to be an "environmental provision" for purposes of California Code of Civil Procedure Section 736.

In the event that any portion of the Property is determined to be "environmentally impaired" (as that term is defined in California Code of Civil Procedure Section 726.5(e)(3)) or to be an "affected parcel" (as that term is defined in California Code of Civil Procedure Section

726.5(e)(1)), then, without otherwise limiting or in any way affecting the Beneficiary's or the Trustee's rights and remedies under this Deed of Trust, the Beneficiary may elect to exercise its rights under California Code of Civil Procedure Section 726.5(a) to (1) waive its lien on such environmentally impaired or affected portion of the Property and (2) exercise (a) the rights and remedies of an unsecured creditor, including reduction of its claim against the Trustor to judgment, and (b) any other rights and remedies permitted by law. For purposes of determining the Beneficiary's right to proceed as an unsecured creditor under California Code of Civil Procedure Section 726.5(a), the Trustor will be deemed to have willfully permitted or acquiesced in a release or threatened release of hazardous materials, within the meaning of California Code of Civil Procedure Section 726.5(d)(1), if the release or threatened release of hazardous materials was knowingly or negligently caused or contributed to by any lessee, occupant, or user of any portion of the Property and the Trustor knew or should have known of the activity by such lessee, occupant, or user which caused or contributed to the release or threatened release. All costs and expenses, including (but not limited to) attorneys' fees, incurred by the Beneficiary in connection with any action commenced under this paragraph, including any action required by California Code of Civil Procedure Section 726.5(b) to determine the degree to which the Property is environmentally impaired, plus interest thereon at the default rate specified in the Loan Agreement until paid, will be added to the indebtedness secured by this Deed of Trust and will be due and payable to the Beneficiary upon its demand made at any time following the conclusion of such action.

ARTICLE 7 EVENTS OF DEFAULT AND REMEDIES

Section 7.1 Events of Default.

The following are events of default ("Events of Default") following the expiration of any applicable notice and cure periods: (i) failure to make any payment to be paid by Borrower Trustor under the Loan Documents; (ii) failure to observe or perform any of Trustor's other covenants, agreements or obligations under the Loan Documents, including, without limitation, the provisions concerning discrimination; (iii) failure to make any payment or observe or perform any of Trustor's other covenants, agreements, or obligations under any Secured Obligations, which default is not cured within the time periods and in the manner provided therein; and (iv) failure to make any payments or observe or perform any of Trustor's other covenants, agreements or obligations under any other debt instrument or regulatory agreement secured by the Property, which default is not cured within the time and in the manner provided therein.

Section 7.2 Acceleration of Maturity.

If an Event of Default has occurred and is continuing, then at the option of the Beneficiary, the amount of any payment related to the Event of Default and all unpaid Secured Obligations are immediately due and payable, and no omission on the part of the Beneficiary to exercise such option when entitled to do so will be construed as a waiver of such right.

Section 7.3 The Beneficiary's Right to Enter and Take Possession.

If an Event of Default has occurred and is continuing, the Beneficiary may:

- (a) Either in person or by agent, with or without bringing any action or proceeding, or by a receiver appointed by a court, and without regard to the adequacy of its security, enter upon the Property and take possession thereof (or any part thereof) and of any of the Security, in its own name or in the name of Trustee, and do any acts that it deems necessary or desirable to preserve the value or marketability of the Property, or part thereof or interest therein, increase the income therefrom or protect the security thereof. The entering upon and taking possession of the Security will not cure or waive any Event of Default or Notice of Sale (as defined below) hereunder or invalidate any act done in response to such Event of Default or pursuant to such Notice of Sale, and, notwithstanding the continuance in possession of the Security, Beneficiary will be entitled to exercise every right provided for in this Deed of Trust, or by law upon occurrence of any Event of Default, including the right to exercise the power of sale;
- (b) Commence an action to foreclose this Deed of Trust as a mortgage, appoint a receiver, or specifically enforce any of the covenants hereof;
- (c) Deliver to Trustee a written declaration of default and demand for sale, and a written notice of default and election to cause Trustor's interest in the Security to be sold ("Notice of Sale"), which notice Trustee or Beneficiary shall cause to be duly filed for record in the Official Records of Contra Costa County; or
- (d) Exercise all other rights and remedies provided herein, in the instruments by which the Trustor acquires title to any Security, or in any other document or agreement now or hereafter evidencing, creating or securing the Secured Obligations.

Section 7.4 Foreclosure By Power of Sale.

Should the Beneficiary elect to foreclose by exercise of the power of sale herein contained, the Beneficiary shall deliver to the Trustee the Notice of Sale and shall deposit with Trustee this Deed of Trust which is secured hereby (and the deposit of which will be deemed to constitute evidence that the Secured Obligations are immediately due and payable), and such receipts and evidence of any expenditures made that are additionally secured hereby as Trustee may require.

- (a) Upon receipt of the Notice of Sale from the Beneficiary, Trustee shall cause to be recorded, published and delivered to Trustor such Notice of Sale as is then required by law and by this Deed of Trust. Trustee shall, without demand on Trustor, after the lapse of that amount of time as is then required by law and after recordation of such Notice of Sale as required by law, sell the Security, at the time and place of sale set forth in the Notice of Sale, whether as a whole or in separate lots or parcels or items, as Trustee deems expedient and in such order as it determines, unless specified otherwise by the Trustor according to California Civil Code Section 2924g(b), at public auction to the highest bidder, for cash in lawful money of the United States payable at the time of sale. Trustee shall deliver to such purchaser or purchasers thereof its good and sufficient deed or deeds conveying the property so sold, but

without any covenant or warranty, express or implied. The recitals in such deed or any matters of facts will be conclusive proof of the truthfulness thereof. Any person, including, without limitation, Trustor, Trustee or Beneficiary, may purchase at such sale.

(b) After deducting all reasonable costs, fees and expenses of Trustee, including costs of evidence of title in connection with such sale, Trustee shall apply the proceeds of sale to payment of: (i) the unpaid Principal amount of the Note; (ii) all other Secured Obligations owed to Beneficiary under the Loan Documents; (iii) all other sums then secured hereby; and (iv) the remainder, if any, to Trustor.

(c) Trustee may postpone sale of all or any portion of the Property by public announcement at such time and place of sale, and from time to time thereafter, and without further notice make such sale at the time fixed by the last postponement, or may, in its discretion, give a new Notice of Sale.

Section 7.5 Receiver.

If an Event of Default occurs and is continuing, Beneficiary, as a matter of right and without further notice to Trustor or anyone claiming under the Security, and without regard to the then value of the Security or the interest of Trustor therein, may apply to any court having jurisdiction to appoint a receiver or receivers of the Security (or a part thereof), and Trustor hereby irrevocably consents to such appointment and waives further notice of any application therefor. Any such receiver or receivers will have all the usual powers and duties of receivers in like or similar cases, and all the powers and duties of Beneficiary in case of entry as provided herein, and will continue as such and exercise all such powers until the date of confirmation of sale of the Security, unless such receivership is sooner terminated.

Section 7.6 Remedies Cumulative.

No right, power or remedy conferred upon or reserved to the Beneficiary by this Deed of Trust is intended to be exclusive of any other right, power or remedy, but each and every such right, power and remedy will be cumulative and concurrent and will be in addition to any other right, power and remedy given hereunder or now or hereafter existing at law or in equity.

Section 7.7 No Waiver.

(a) No delay or omission of the Beneficiary to exercise any right, power or remedy accruing upon any Event of Default will exhaust or impair any such right, power or remedy, or will be construed to be a waiver of any such Event of Default or acquiescence therein; and every right, power and remedy given by this Deed of Trust to the Beneficiary may be exercised from time to time and as often as may be deemed expeditious by the Beneficiary. Beneficiary's express or implied consent to breach, or waiver of, any obligation of the Trustor hereunder will not be deemed or construed to be a consent to any subsequent breach, or further waiver, of such obligation or of any other obligations of the Trustor hereunder. Failure on the part of the Beneficiary to complain of any act or failure to act or to declare an Event of Default, irrespective of how long such failure continues, will not constitute a waiver by the Beneficiary of its right hereunder or impair any rights, power or remedies consequent on any Event of Default by the Trustor.

(b) If the Beneficiary (i) grants forbearance or an extension of time for the payment or performance of any Secured Obligation, (ii) takes other or additional security or the payment of any sums secured hereby, (iii) waives or does not exercise any right granted in the Loan Documents, (iv) releases any part of the Security from the lien of this Deed of Trust, or otherwise changes any of the terms, covenants, conditions or agreements in the Loan Documents, (v) consents to the granting of any easement or other right affecting the Security, or (vi) makes or consents to any agreement subordinating the lien hereof, any such act or omission will not release, discharge, modify, change or affect the original liability under this Deed of Trust, or any other obligation of the Trustor or any subsequent purchaser of the Security or any part thereof, or any maker, co-signer, endorser, surety or guarantor (unless expressly released); nor does any such act or omission preclude the Beneficiary from exercising any right, power or privilege herein granted or intended to be granted in any Event of Default then made or of any subsequent Event of Default, nor, except as otherwise expressly provided in an instrument or instruments executed by the Beneficiary, will the lien of this Deed of Trust be altered thereby.

Section 7.8 Suits to Protect the Security.

The Beneficiary has power to (a) institute and maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Security and the rights of the Beneficiary as may be unlawful or any violation of this Deed of Trust, (b) preserve or protect its interest (as described in this Deed of Trust) in the Security, and (c) restrain the enforcement of or compliance with any legislation or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid, if the enforcement for compliance with such enactment, rule or order would impair the Security thereunder or be prejudicial to the interest of the Beneficiary.

Section 7.9 Trustee May File Proofs of Claim.

In the case of any receivership, insolvency, bankruptcy, reorganization, arrangement, adjustment, composition or other proceedings affecting the Trustor, its creditors or its property, the Beneficiary, to the extent permitted by law, will be entitled to file such proofs of claim and other documents as may be necessary or advisable in order to have the claims of the Beneficiary allowed in such proceedings and for any additional amount that becomes due and payable by the Trustor hereunder after such date.

Section 7.10 Waiver.

The Trustor waives presentment, demand for payment, notice of dishonor, notice of protest and nonpayment, protest, notice of interest on interest and late charges, and diligence in taking any action to collect any Secured Obligations or in proceedings against the Security, in connection with the delivery, acceptance, performance, default, endorsement or guaranty of this Deed of Trust.

Where an obligation created herein is binding upon Trustor, the obligation also applies to and binds any transferee or successors in interest. Every provision of this Deed of Trust is intended to be severable. In the event any term or provision hereof is declared to be illegal or invalid for any reason whatsoever by a court or other body of competent jurisdiction, such illegality or invalidity will not affect the balance of the terms and provisions hereof, which terms and provisions will remain binding and enforceable. If the lien of this Deed of Trust is invalid or unenforceable as to any part of the debt, or if the lien is invalid or unenforceable as to any part of the Security, the unsecured or partially secured portion of the debt, and all payments made on the debt, whether voluntary or under foreclosure or other enforcement action or procedure, will be considered to have been first paid or applied to the full payment of that portion of the debt that is not secured or partially secured by the lien of this Deed of Trust.

Each such appointment and substitution is to be made by written instrument executed by Beneficiary, containing reference to this Deed of Trust and its place of record, which, when duly recorded in the proper office of the county or counties in which the Property is situated, will be conclusive proof of proper appointment of the successor trustee.

In addition to the covenants and agreements made in the Deed of Trust and Note, Borrower, Non-Borrower Trustor, and Beneficiary further covenant and agree as follows:

1. Limitation of Liability. By the execution and delivery of this Deed of Trust, Non-Borrower Trustor intends to effect a full and complete subordination of its fee interest in the Property and of all of its rights and interests in any improvements on the Property to the rights of Beneficiary under the Loan Documents. Non-Borrower Trustor has executed this Deed of Trust only for the purpose of encumbering all of Non-Borrower Trustor's interest in the Property by this Deed of Trust and Non-Borrower Trustor is not personally liable for the payment of the Note or the payment of sums due under the Deed of Trust or for any deficiency remaining after the foreclosure of its interest in the Property in accordance with the terms and provisions in the Deed of Trust. Beneficiary shall not seek to obtain or enforce a monetary claim upon any of the general or specific assets, including any funds, bonds, or revenue sources whatsoever, of Non-Borrower Trustor, its officers, directors and employees. The foregoing limitation of personal liability shall at all times be subject to the following exceptions and qualifications:

(a) Non-Borrower Trustor shall be fully and personally liable for and to the extent of Non-Borrower Trustor's obligations for each of the following:

(i) Any losses, damages, or costs (including without limitation attorney's fees) incurred by Beneficiary as a result of fraud, misrepresentation or waste by Non-Borrower Trustor;

(ii) Retention by Non-Borrower Trustor of any insurance proceeds, condemnation awards, damages for other public actions, surety bonds, or other similar funds or payments attributable to the Property covered by this Deed of Trust and the Loan Documents which

(iii) The removal or demolition by Non-Borrower Trustor or the intentional damage or destruction by Non-Borrower Trustor of any property covered by this Deed of Trust or the Loan Documents which is neither consented to in writing by the Beneficiary thereof nor is fully compensated for by insurance proceeds or condemnation awards; and

(iv) The failure, due to the negligence, misrepresentation or fraud of Non-Borrower Trustor, of this Deed of Trust to constitute a first and prior lien upon the property encumbered by this Deed of Trust.

(b) Nothing contained in this section will affect or limit the ability of Beneficiary to enforce any of its rights or remedies with respect to the Property encumbered by this Deed of Trust and the Loan Documents.

(c) Nothing contained in this section will affect or limit the rights of Beneficiary to bring any suit or action against Borrower, its officers, employees, or agents.

2. Conditions to Exercise of Rights. Non-Borrower Trustor hereby waives any right it may now or hereafter have to require Beneficiary, as a condition to the exercise of any remedy or other right against Non-Borrower Trustor hereunder or under any other document executed by Non-Borrower Trustor in connection with any Secured Obligation: (a) to proceed against Borrower or other person, or against any other collateral assigned to Beneficiary by Borrower or other person; (b) to pursue any other right or remedy in Beneficiary's power; (c) to give notice of the time, place or terms of any public or private sale of real or personal property collateral assigned to Beneficiary by Borrower or other person (other than Trustors), or otherwise to comply with the California Commercial Code (as modified or remodified from time to time) with respect to any such personal property collateral; or (d) to make or give (except as otherwise expressly provided in the Loan Documents) any presentment, demand, protest, notice of dishonor, notice of protest or other demand or notice of any kind in connection with any Secured Obligation or any collateral (other than the Property) for any Secured Obligation.

3. Defenses. Non-Borrower Trustor hereby waives any defense it may now or hereafter have that relates to: (a) any disability or other defense of Borrower or other person; (b) the cessation, from any cause other than full performance, of the obligations of Borrower or any other person; (c) the application of the proceeds of any Secured Obligation, by Borrower or other person, for purposes other than the purposes represented to Non-Borrower Trustor by Borrower or otherwise intended or understood by Non-Borrower Trustor or Borrower, (d) any act or omission by Beneficiary which directly or indirectly results in or contributes to the release of Borrower or other person or any collateral for any Secured Obligation; (e) the unenforceability or invalidity of any collateral assignment (other than this Deed of Trust) or guaranty with respect to any Secured Obligation, or the lack of perfection or continuing perfection or lack of priority of any lien (other than the lien hereof) which secures any Secured Obligation; (f) any failure of Beneficiary to marshal assets in favor of Non-Borrower Trustor or any other person; (g) any modification of any Secured Obligation, including any renewal, extension, acceleration or

increase in interest rate; or (h) any and all rights and defenses arising out of an election of remedies by Beneficiary, even though that election of remedies, such as a nonjudicial foreclosure with respect to security for a guaranteed obligation, has destroyed Non-Borrower Trustor's rights of subrogation and reimbursement against the principal by the operation of Section 580d of the California Code of Civil Procedure or otherwise; (i) any law which provides that the obligation of a surety or guarantor must neither be larger in amount nor in other respects more burdensome than that of the principal or which reduces a surety's or guarantor's obligation in proportion to the principal obligation; (j) any failure of Beneficiary to file or enforce a claim in any bankruptcy or other proceeding with respect to any person; (k) the election by Beneficiary, in any bankruptcy proceeding of any person, of the application or non-application of Section 1111(b)(2) of the United States Bankruptcy Code; (l) any extension of credit or the grant of any lien under Section 364 of the United States Bankruptcy Code; (m) any use of cash collateral under Section 363 of the United States Bankruptcy Code; (n) the benefit of a fair market value hearing to determine the size of a deficiency judgment following any trustee's foreclosure sale; or (o) any agreement or stipulation with respect to the provision of adequate protection in any bankruptcy proceeding of any person. Without limiting the generality of the foregoing, Non-Borrower Trustor expressly waives to the extent permitted by law any and all rights and defenses which might otherwise be available to a guarantor under California Civil Code Sections 2787 to 2855, inclusive, 2899 and 3433 and under California Code of Civil Procedure Sections 580a, 580b, 580d and 726, or any of such sections.

4. Subrogation. Non-Borrower Trustor hereby waives, until such time as all Secured Obligations are fully performed: (a) any right of subrogation against Borrower that relates to any Secured Obligation; (b) any right to enforce any remedy Non-Borrower Trustor may now or hereafter have against Borrower that relates to any Secured Obligation; and (c) any right to participate in any collateral now or hereafter assigned to Beneficiary with respect to any Secured Obligation.

5. Borrower Information. Non-Borrower Trustor warrants and agrees: (a) that Beneficiary would not have made the Loan but for this Deed of Trust; (b) that Non-Borrower Trustor has not relied, and will not rely, on any representations or warranties by Beneficiary to Non-Borrower Trustor with respect to the credit worthiness of Borrower or the prospects of repayment of any Secured Obligation from sources other than the Property; (c) that Non-Borrower Trustor has established and/or will establish adequate means of obtaining from Borrower on a continuing basis financial and other information pertaining to the business operations, if any, and financial condition of Borrower; (d) that Non-Borrower Trustor assumes full responsibility for keeping informed with respect to Borrower's business operations, if any, and financial condition; (e) that Beneficiary has no duty to disclose or report to Non-Borrower Trustor any information now or hereafter known to Beneficiary with respect to Borrower, including, without limitation, any information relating to any of Borrower's business operations or financial condition; and (f) that Non-Borrower Trustor is familiar with the terms and conditions of the Loan Documents and consents to all provisions thereof.

6. Reinstatement of Lien. Beneficiary's rights hereunder will be reinstated and revived, and the enforceability of this Deed of Trust will continue, with respect to any amount at any time paid on account of any Secured Obligation which Beneficiary is thereafter required to

restore or return in connection with a bankruptcy, insolvency, reorganization or similar proceeding with respect to Borrower.

7. Subordination. Until all of the Secured Obligations have been fully paid and performed: (a) Non-Borrower Trustor agrees that all existing and future indebtedness and other obligations of Borrower to Non-Borrower Trustor (collectively, the "Subordinated Debt") is to be subordinated to all Secured Obligations which constituted obligations of the Borrower, and the payment thereof is deferred in right of payment to the prior payment and performance of all such Secured Obligations; (b) Non-Borrower Trustor may not collect or receive any cash or non-cash payments on any Subordinated Debt or transfer all or any portion of the Subordinated Debt; and (c) in the event that, notwithstanding the foregoing, any payment by, or distribution of assets of, Borrower with respect to any Subordinated Debt is received by Non-Borrower Trustor, such payment or distribution will be held in trust and immediately paid over to Beneficiary, is hereby assigned to Beneficiary as security for the Secured Obligations, and will be held by Beneficiary in an interest bearing account until all Secured Obligations have been fully paid and performed. This Section 7 does not apply to lease payments due Non-Borrower Trustor from Trustor pursuant to the Ground Lease for the Property by and between Borrower and Non-Borrower Trustor dated as of August 14, 1991, as amended.

8. Lawfulness and Reasonableness. Non-Borrower Trustor warrants that all of the waivers in this Deed of Trust are made with full knowledge of their significance, and of the fact that events giving rise to any defense or other benefit waived by Non-Borrower Trustor may destroy or impair rights which Non-Borrower Trustor would otherwise have against Beneficiary, Borrower and other persons, or against collateral. Non-Borrower Trustor agrees that all such waivers are reasonable under the circumstances and further agrees that, if any such waiver is determined (by a court of competent jurisdiction) to be contrary to any law or public policy, the other waivers herein shall nonetheless remain in full force and effect.

9. Enforceability. Non-Borrower Trustor hereby acknowledges that: (a) the obligations undertaken by Non-Borrower Trustor in this Deed of Trust are complex in nature, and (b) numerous possible defenses to the enforceability of these obligations may presently exist and/or may arise hereafter, and (c) as part of Beneficiary's consideration for entering into this transaction, Beneficiary has specifically bargained for the waiver and relinquishment by Non-Borrower Trustor of all such defenses, and (d) Non-Borrower Trustor has had the opportunity to seek and receive legal advice from skilled legal counsel in the area of financial transactions of the type contemplated herein. Given all of the above, Non-Borrower Trustor does hereby represent and confirm to Beneficiary that Non-Borrower Trustor is fully informed regarding, and that Non-Borrower Trustor does thoroughly understand: (i) the nature of all such possible defenses, and (ii) the circumstances under which such defenses may arise, and (iii) the benefits which such defenses might confer upon Non-Borrower Trustor, and (iv) the legal consequences to Non-Borrower Trustor of waiving such defenses. Non-Borrower Trustor acknowledges that Non-Borrower Trustor makes this Deed of Trust with the intent that this Deed of Trust and all of the informed waivers herein will each and all be fully enforceable by Beneficiary, and that Beneficiary is induced to enter into this transaction in material reliance upon the presumed full enforceability thereof.
