This Site Lease, dated as of November 1, 2010 (this "Site Lease"), by and between the COUNTY OF CONTRA COSTA, a political subdivision organized and existing under and by virtue of the laws of the State of California (the "County"), as lessor, and the COUNTY OF CONTRA COSTA PUBLIC FINANCING AUTHORITY, a public entity and agency, duly organized and existing pursuant to an Agreement entitled "Joint Exercise of Powers Agreement" by and between the County of Contra Costa and the Contra Costa County Redevelopment Agency (the "Authority"), as lessee;

W I T N E S S E T H:

WHEREAS, the County has determined that it is in its best interests to finance certain capital improvements for the County;

WHEREAS, the Authority has agreed to issue \$\_\_\_\_\_ principal amount of its Lease Revenue Bonds, 2010 Series B (Capital Project II) (the "Bonds"), pursuant to a Trust Agreement, dated as of November 1, 2010 (as amended from time to time, the "Trust Agreement") by and between the Authority and Wells Fargo Bank, National Association, as trustee (together with any successor thereto, the "Trustee"), for the purpose of financing certain capital improvements for the County;

WHEREAS, the County, pursuant hereto, will lease certain Facilities (as hereinafter defined) of the County to the Authority and the Authority will use the proceeds of the Bonds and certain other funds to pay to the County the rental due hereunder for the Facilities, and the County will use the proceeds of the Bonds to make deposits to the 2010 Series B Project Account, the 2010 Series B Capitalized Interest Account, the 2010 Costs of Issuance Fund and the 2010 Series B Reserve Account, as established in the Trust Agreement;

WHEREAS, the Authority will lease back the Facilities to the County pursuant to the Sublease (Capital Project II), dated as of November 1, 2010 (the "Sublease"), between the Authority, as lessor, and the County, as lessee; and

WHEREAS, under the Sublease, the County will be obligated to make base rental payments to the Authority for the lease of the Facilities and the Authority will pledge such base rental payments to the Trustee for payments of the Bonds (capitalized terms used herein and not otherwise defined herein have the meanings assigned thereto in the Sublease and the Trust Agreement);

NOW, THEREFORE, IT IS HEREBY MUTUALLY AGREED as follows:

SECTION 1. Lease of Facilities

The County hereby leases to the Authority and the Authority hereby hires from the County, on the terms and conditions hereinafter set forth, the real property situated in the County of Contra Costa, State of California, together with the improvements thereon, as described in Exhibit A attached hereto and made a part hereof, and any additional real property added thereto by any supplement or amendment hereto, or any real property substituted for all or any portion of such property in accordance with this Site Lease and the Trust Agreement (the "Facilities"); subject, however, to any conditions, reservations, and easements of record or known to the County.

SECTION 2. Term

The term of this Site Lease as to the Facilities shall commence on the date of recordation of this Site Lease in the office of the County Recorder of County of Contra Costa, State of California, or on [December 1, 2010] whichever is earlier, and shall end on the respective dates identified in Exhibit B hereto, as applicable to the related Facility, unless such term is extended or sooner terminated as hereinafter provided. If on such dates the Base Rental Payments attributable to the related Facility and all other amounts then due under the Sublease with respect to such Facility, including any Reserve Facility Costs, shall not be fully paid, or if the rental or other amounts payable under the Sublease with respect to such Facility shall have been abated at any time and for any reason, then the term of this Site Lease with respect to such Facility shall be extended until ten (10) days after the Base Rental Payments attributable to such Facility and all other amounts then due under the Sublease with respect to such Facility, including any Reserve Facility Costs, shall be fully paid, except that the term of this Site Lease as to the respective Facility shall in no event be extended beyond ten (10) years after the date identified with respect thereto. If prior to such date the Base Rental Payments attributable to the related Facility and all other amounts then due under the Sublease with respect to such Facility, including any Reserve Facility Costs, shall be fully paid, the term of this Site Lease with respect to such Facility shall end ten (10) days thereafter or upon written notice by the County to the Authority, whichever is earlier.

SECTION 3. Rental

SECTION 4. Purpose

The Authority shall use the Facilities solely for the purpose of leasing the Facilities to the County pursuant to the Sublease and for such purposes as may be incidental thereto; provided, that in the event of default by the County under the Sublease, the Authority may exercise the remedies provided in the Sublease.

(b) No portion of the Facilities is located in an area of high potential incidence of radon which has an unventilated basement or subsurface portion which is occupied or used for any purpose other than the foundation or support of the improvements to such Facilities.

(c) The County has not received any notice from any insurance company which has issued a policy with respect to the Facilities or from the applicable state or local government agency responsible for insurance standards (or any other body exercising similar functions) requiring the performance of any repairs, alterations or other work, which repairs, alterations or other work have not been completed at the Facilities. The County has not received any notice of default or breach which has not been cured under any covenant, condition, restriction, right-of-way, reciprocal easement agreement or other easement affecting the Facilities which is to be performed or complied with by it.

#### SECTION 6. Environmental Compliance

(a) Neither the County nor the Authority shall use or permit the Facilities or any part thereof to be used to generate, manufacture, refine, treat, store, handle, transport or dispose of, transfer, produce or process Hazardous Materials, except, and only to the extent, if necessary to maintain the Facilities and then, only in compliance with all Environmental Regulations, and any state equivalent laws and regulations, nor shall it permit, as a result of any intentional or unintentional act or omission on its part or by any tenant, subtenant, licensee, guest, invitee, contractor, employee and agent, the storage, transportation, disposal or use of Hazardous Materials or the pumping, spilling, leaking, disposing of, emptying, discharging or releasing (hereinafter collectively referred to as "Release") or threat of Release of Hazardous Materials on, from or beneath the Facilities or onto any other real property excluding, however, those Hazardous Materials in those amounts ordinarily found in the inventory of an office building, the use, storage, treatment, transportation and disposal of which shall be in compliance with all Environmental Regulations. Upon the occurrence of any Release or threat of Release of Hazardous Materials, the County shall promptly commence and perform, or cause to be commenced and performed promptly, without cost to the Trustee or the Authority, all investigations, studies, sampling and testing, and all remedial, removal and other actions necessary to clean up and remove all Hazardous Materials so Released, on, from or beneath the Facilities, in compliance with all Environmental Regulations. Notwithstanding anything to the contrary contained herein, underground storage tanks shall only be permitted subject to compliance with subsection (d) and only to the extent necessary to maintain the Facilities.

(b) The County and the Authority shall comply with, and shall cause its tenants, subtenants, licensees, guests, invitees, contractors, employees and agents to comply with, all Environmental Regulations, and shall keep the Facilities free and clear of any liens imposed pursuant thereto (provided, however, that any such liens, if not discharged, may be bonded). The County and the Authority shall cause each tenant, and use its best efforts to cause all of such tenant's subtenants, agents, licensees, employees, contractors, guests and invitees and the guests and invitees of all of the foregoing to comply with all Environmental Regulations with respect to the Facilities; provided, however, that notwithstanding that a portion of this covenant is limited to the County and the Authority's use of its best efforts, the Authority and the County shall remain solely responsible for ensuring such compliance and such limitation shall not diminish or affect in any way the County and the Authority's obligations contained in subsection (c) hereof as provided in subsection (c) hereof. Upon receipt of any notice from any Person with regard to the Release of Hazardous Materials on, from or beneath the Facilities, the County and the Authority shall give prompt written notice thereof to the Trustee (and, in any

event, prior to the expiration of any period in which to respond to such notice under any Environmental Regulation).

(c) Irrespective of whether any representation or warranty contained in Section 5 is not true or correct, the County and the Authority shall, to the extent permitted by law, defend, indemnify and hold harmless the Bondholders and the Trustee, its partners, depositors and each of its and their employees, agents, officers, directors, trustees, successors and assigns, from and against any claims, demands, penalties, fines, attorneys' fees (including, without limitation, attorneys' fees incurred to enforce the indemnification contained in this Section 6), consultants' fees, investigation and laboratory fees, liabilities, settlements (five (5) Business Days' prior notice of which the Authority or the Trustee, as appropriate, shall have delivered to the County and the Authority), court costs, damages, losses, costs or expenses of whatever kind or nature, known or unknown, contingent or otherwise, occurring in whole or in part, arising out of, or in any way related to, (i) the presence, disposal, Release, threat of Release, removal, discharge, storage or transportation of any Hazardous Materials on, from or beneath the Facilities, (ii) any personal injury (including wrongful death) or property damage (real or personal) arising out of or related to such Hazardous Materials, (iii) any lawsuit brought or threatened, settlement reached (five (5) Business Days' prior notice of which the Authority or the Trustee, as appropriate, shall have delivered to the County and the Authority), or governmental order relating to Hazardous Materials on, from or beneath any of the Facilities, (iv) any violation of Environmental Regulations or subsection (a) or (b) hereof by it or any of its agents, tenants, employees, contractors, licensees, guests, subtenants or invitees, and (v) the imposition of any governmental lien for the recovery of environmental cleanup or removal costs. To the extent that the Authority or the County is strictly liable under any Environmental Regulation, its obligation to the Trustee and the Bondholders and the other indemnitees under the foregoing indemnification shall likewise be without regard to fault on its part with respect to the violation of any Environmental Regulation which results in liability to any indemnitee. Its obligations and liabilities under this Section 6(c) shall survive any termination of the Sublease or exercise of any remedies thereunder, and the satisfaction of all Bonds.

(d) The County and the Authority shall conform to and carry out a reasonable program of maintenance and inspection of all underground storage tanks, and shall maintain, repair, and replace such tanks only in accordance with Laws and Regulations, including but not limited to Environmental Regulations.

#### SECTION 7. Owner in Fee

[The County covenants that it is the owner in fee of the Facilities. The County further covenants and agrees that if for any reason this covenant proves to be incorrect, the County will either institute eminent domain proceedings to condemn the property or institute a quiet title action to clarify the County's title, and will diligently pursue such action to completion. The County further covenants and agrees that it will hold the Authority and the Bondowners harmless from any loss, cost or damages resulting from any breach by the County of the covenants contained in this Section.]

## SECTION 8. Assignments and Subleases

Unless the County shall be in default under the Sublease, the Authority may not assign its rights under this Site Lease or sublet the Facilities, except pursuant to the Sublease, without the written consent of the County, which consent may be withheld in the County's sole and absolute discretion. Upon the occurrence of a default by the County under the Sublease, the Authority may assign or sell its rights under this Site Lease or sublet the Facilities, without the consent of the County.

## SECTION 9. Right of Entry; Easements

The County reserves the right for any of its duly authorized representatives to enter upon the Facilities at any reasonable time to inspect the same or to make any repairs, improvements or changes necessary for the preservation thereof.

The County agrees, upon written request from the Authority, to grant to the Authority a nonexclusive easement of ingress and egress for persons, vehicles and utilities, twenty (20) feet wide, from each parcel of the Facilities not having access to a public street, and appurtenant to such parcel, over property owned by the County to a public street. The County may, at any time, satisfy its obligation contained in the preceding sentence as to any such parcel of the Facilities by granting to the Authority an easement complying with the requirements of the preceding sentence from such parcel of the Facilities to a public street.

## SECTION 10. Termination

The Authority agrees, upon the termination of this Site Lease, to quit and surrender the Facilities in the same good order and condition as the same were in at the time of commencement of the term hereunder, reasonable wear and tear excepted, and the Authority further agrees that the Facilities and any other permanent improvements and structures existing upon the Facilities at the time of the termination of this Site Lease shall remain thereon and title thereto shall vest in the County.

Upon the exercise of the option to purchase set forth in Section 7.03 of the Sublease and upon payment of the option price required by said section, the term of this Site Lease shall terminate as to the portion of the Facilities being so purchased, including the real property upon which portion is situated.

## SECTION 11. Default

In the event the Authority shall be in default in the performance of any obligation on its part to be performed under the terms of this Site Lease, which default continues for one hundred and eighty (180) days following notice and demand for correction thereof to the Authority and the Trustee, the County may exercise any and all remedies granted by law, except that no merger of this Site Lease and of the Sublease shall be deemed to occur as a result thereof; provided, however, that the County shall have no power to terminate this Site Lease by reason of any default on the part of the Authority if such termination would affect or impair any assignment or sublease of all or any part of the Facilities then in effect between the Authority and any assignee or subtenant of the Authority (other than the County under the Sublease). So

long as any such assignee or subtenant of the Authority shall duly perform the terms and conditions of this Site Lease, such assignee or subtenant shall be deemed to be and shall become the tenant of the County hereunder and shall be entitled to all of the rights and privileges granted under any such assignment; provided, further, that so long as any Bonds are outstanding and unpaid in accordance with the terms thereof, the rentals or any part thereof payable to the Authority or Trustee shall continue to be paid to the Trustee on behalf of the Bondowners.

#### SECTION 12. Quiet Enjoyment

The Authority at all times during the term of this Site Lease, shall peaceably and quietly have, hold and enjoy all of the Facilities then leased hereunder.

#### SECTION 13. Waiver of Personal Liability

All liabilities under this Site Lease on the part of the Authority shall be solely liabilities of the Authority, as a public entity and agency, and the County hereby releases each and every member, director, officer, agent or employee of the Authority of and from any personal or individual liability under this Site Lease. No member, director, officer, agent or employee of the Authority shall at any time or under any circumstances be individually or personally liable under this Site Lease to the County or to any other party whomsoever for anything done or omitted to be done by the Authority hereunder.

The Authority and its members, directors, officers, agents, employees and assignees shall not be liable to the County or to any other party whomsoever for any death, injury or damage that may result to any person or property by or from any cause whatsoever in, on or about the Facilities. The County, to the extent permitted by law, shall indemnify and hold the Authority and its members, directors, officers, agents, employees and assignees, harmless from, and defend each of them against, any and all claims, liens and judgments arising from the operation of the Facilities or Capital Project II, including, without limitation, death of or injury to any person or damage to property whatsoever occurring in, on or about the Facilities or Capital Project II regardless of responsibility for negligence, but excepting the active negligence of the person or entity seeking indemnity.

#### SECTION 14. Taxes

The County covenants and agrees to pay any and all assessments of any kind or character and also all taxes, including possessory interest taxes, levied or assessed upon the Facilities.

#### SECTION 15. Eminent Domain

In the event the whole or any part of the Facilities is taken by eminent domain proceedings, the interest of the Authority shall be recognized and is hereby determined to be the amount of the then unpaid or outstanding Bonds and all other amounts due under the Trust Agreement and the Sublease attributable to such part of the Facilities and shall be paid to the Trustee, and the balance of the award, if any, shall be paid to the County.

## SECTION 16. Partial Invalidity

If any one or more of the terms, provisions, covenants or conditions of this Site Lease shall to any extent be declared invalid, unenforceable, void or voidable for any reason whatsoever by a court of competent jurisdiction, the finding or order or decree of which becomes final, none of the remaining terms, provisions, covenants and conditions of this Site Lease shall be affected thereby, and each provision of this Site Lease shall be valid and enforceable to the fullest extent permitted by law.

## SECTION 17. Notices

All notices, statements, demands, consents, approvals, authorizations, offers, designations, requests or other communications hereunder by either party to the other shall be in writing and shall be sufficiently given and served upon the other party if delivered personally or if mailed by United States registered or certified mail, return receipt requested, postage prepaid, and, if to the County, addressed to the County of Contra Costa, c/o Clerk of the Board of Supervisors, County Administration Building, 651 Pine Street, Martinez, California 94553, or if to the Authority, addressed to the County of Contra Costa Public Financing Authority, c/o County Administrator, County Administration Building, 651 Pine Street, Martinez, California 94553, in all cases with a copy to the County Finance Director and to the Trustee at the respective addresses specified in the Trust Agreement, or to such other addresses as the respective parties may from time to time designate by notice in writing.

## SECTION 18. Section Headings

All section headings contained herein are for convenience of reference only and are not intended to define or limit the scope of any provision of this Site Lease.

## SECTION 19. Amendment

The Authority and the County may at any time agree to the amendment of this Site Lease; provided, however, that the Authority and the County agree and recognize that this Site Lease is entered into as contemplated by the terms of the Trust Agreement, and accordingly, that any such amendment shall only be made or effected in accordance with and subject to the terms of the Trust Agreement.

## SECTION 20. Execution

This Site Lease may be executed in any number of counterparts, each of which shall be deemed to be an original, but all together shall constitute but one and the same Lease. It is also agreed that separate counterparts of this Site Lease may separately be executed by the County and the Authority, all with the same force and effect as though the same counterpart had been executed by both the County and the Authority.

IN WITNESS WHEREOF, the County and the Authority have caused this Site Lease to be executed by their respective officers thereunto duly authorized, all as of the day and year first above written.
