Chair Person and  
Committee Members:  
Managed Care Commission  
Contra Costa Health Plan

Sirs & Madams::

The severe and progressive deterioration of my health and that of my wife makes it necessary that I tender this, my letter of resignation from the commission.

It has been a fruitful and satisfying experience for several years and I am happy to have been a contributor to the health care delivery system in my autumn years. I am sure the commission will continue to seek and implement improvements in the health care of our county.

Sincerely yours,

Jeffrey Kalin, Chair  
Contra Costa County Managed Care Commission  
595 Center Avenue, Suite 100  
Martinez, CA 94553

Dear Mr. <sup>Jeff</sup>Kalin,

Having accepted a position as a consultant to both the Contra Costa Health Plan and the Employment and Human Services Department Bureau of Aging and Adult Services, I am compelled to resign my member-at-large seat on the Managed Care Commission to avoid any conflict of interest. However, I look forward to a continuing relationship with the commission in my new assignment.

During my tenure on the commission, I have learned to appreciate its important role in the growth and development of the County's health care delivery system. I wish you and the other members well as you provide advice and oversight to CCHP in this exciting era of national health care reform implementation.

Sincerely,

  
Robert Sessler
