Activities and Accomplishments

The primary goal of the Knightsen TAC in 2011 was to continue to be the connection between the residents of Knightsen with the County.

During 2011 the Knightsen TAC activities and efforts included:

- A successful Community Clean-Up Day held on June 11, 2011. The Brentwood Disposal Company brought multiple dumpsters and the event was free of charge to Knightsen residents. It was a wonderful opportunity for a community clean up and the Knightsen TAC members and community volunteers assisted residents.
- Knightsen TAC continued to send a representative to the monthly Code Enforcement meetings held at the Supervisor's office to discuss and set code enforcement priorities for the Knightsen community.
- Continued discussion regarding the reflective address signs throughout the community
- Hosted a successful East County Joint MAC meeting on August 13th.
- Assisted and Participated in the Knightsen Car and Tractor Show on October 2, 2011
- Began discussion with the Sheriff's Department for a Neighborhood Watch Program in the Knightsen community
- Participated with the Knightsen School in preparation and distribution of holiday goody bags for all students in the Knightsen School District
- Participated with the Knightsen Fire Fighters Association on distribution of bikes and wooden toys, repaired and built by inmates at the Marsh Creek Detention Facility, for Knightsen children in need.
