From: Contra Costa County
Dept. of Conservation & Development
30 Muir Road
Martinez, CA 94553

Project Title: 2013 Rodeo Area Terminal Blend Rubber Modified Binder Cape Seal Project, 0672-6U2181, CP# 12- 46

Project Applicant: Contra Costa County Public Works Department

Project Location – Specific: The project is located in west Contra Costa County in the unincorporated community of Rodeo.

Project Location: Rodeo Area

Project Location – County: Contra Costa

Description of Nature, Purpose and Beneficiaries of Project: The purpose of the project is to use the Terminal Blend Rubber Modified Binder Cape Seal pavement rehabilitation technique on selected roadways in the Rodeo community. The completed project will rehabilitate and improve the communities' transportation infrastructure. The Terminal Blend Rubber Modified Binder Cape Seal technique will prevent water from seeping under the pavement which can cause rapid road deterioration. Rubber modified binder cape sealing will also defer more expensive repairs in the future and expand the life of the existing roadway. The proposed project consists of pavement grinding, crack sealing, pavement and base failure repairs, striping, and the application of the Terminal Blend Rubber Modified Binder Cape Seal. The project will use Best Management Practices (BMPs) to ensure storm water inlets are protected. The project will not create any new impervious surface areas. The following streets in the Rodeo area will receive the treatment: Viewpoint Boulevard, Coral Drive, Sandy Cove Drive, Reef Point Drive, Bodega Way, Windward Drive, Ketch Drive, Mariners Pointe Court, Claeyes Court, Dennis Court, Marlin Court, Bonita Court, Reef Point Court, Tradewind Lane, Seascape Drive, Sandpoint Drive, Beach Point Way, Dolphin Court, Seascape Circle, Coral Ridge Circle, Stirling Drive, Shelley Court, Sandy Brooke Court, Seacliff Court, Harbor Way, California Street, Reef Point Drive, Baypoint Way, Springwood Court, and Springwood Street. One lane will remain open during construction activities to maintain general access. Emergency vehicles will have access at all times. Utility relocations or adjustments may be necessary in support of the project. Limited tree and shrub trimming may occur throughout the project area. No tree removal will be necessary. Although unlikely, real property transactions may be necessary.

Name of Public Agency Approving Project:

Contra Costa County

Name of Person or Agency Carrying Out Project:

Contra Costa County Public Works Department

Exempt Status:

☐ Ministerial Project (Sec. 21080(b) (1); 15268;
