If County determines that the Premises are in need of maintenance, construction, remodeling or similar service that is beyond Lessor's responsibilities under this lease, at County's request, Lessor shall perform such service at County's expense. In performing the service, Lessor shall consult with County and use either licensed insured contractors or employees of Lessor. Lessor shall obtain County's prior written approval of the scope, terms, and cost of any contracts. County may, by giving Lessor thirty (30) days prior written notice, change the level of service, terminate any or all service, or require that a service be performed by a different contractor.

7. Quiet Enjoyment. Provided County is in compliance with the material terms of this lease, Lessor shall warrant and defend County in the quiet enjoyment and possession of the Premises during the Term.

8. Assignment and Sublease. County has the right to assign this lease or sublease the Premises or any part thereof at any time during the Term. Upon the assignment of the lease by County, the County will have no further obligation under the lease.

9. Right of First Refusal to Purchase. County has a right of first refusal to purchase the Building if Lessor elects to sell the Building during the Term, subject to the following terms and conditions:
- a. Prior to Lessor entering into a contract for the sale of all or any portion of the Building to a third party, Lessor shall first offer the Building to the County in writing for purchase on the same terms and conditions quoted to such third party.
 - b. Within ninety (90) days after the County receives the offer from Lessor, the County shall either accept or reject the offer by written notice to Lessor. The County's failure to deliver a written acceptance within such period will be deemed a rejection by the County of such offer.
 - c. If the County rejects or is deemed to have rejected the offer, this right of first refusal will be deemed to have terminated and Lessor is entitled thereafter to sell all or any portion of the Building to such third party; provided that the right of first refusal will remain in effect if Lessor does not consummate a sale to the third party.
10. Alterations; Fixtures and Signs. County may (i) make any lawful and proper minor alterations to the Premises and (ii) attach fixtures and signs ("**County Fixtures**") in or upon the Premises. Any County Fixtures will remain the property of County and may be removed from the Premises by County at any time during the Term. County is responsible for the cost of alterations and for installing the County Fixtures. All alterations and County Fixtures are subject to Lessor's approval and must comply with existing code requirements.
11. Prior Possession. As soon as both parties have executed this lease, County has the right to install fixtures, telephones, alarm systems, and other items required to prepare the Premises for County's occupancy and to store furniture, supplies and equipment, provided such work and storage can be effected without unduly interfering with Lessor's completion of any tenant improvements.
12. Insurance.
- a. Liability Insurance. Throughout the Term, County shall maintain in full force and effect, at its sole expense, a general self-insurance program covering bodily injury (including death), personal injury, and property damage, including loss of use. County shall provide Lessor with a letter of self-insurance affirming the existence of the aforementioned self-insurance program.
 - b. Self-Insurance Exclusion. County's self-insurance does not provide coverage for (i) areas to be maintained by Lessor under this lease, or (ii) negligence, willful misconduct, or other intentional act, error or omission of Lessor, its officers, agents, or employees.

13. Surrender of Premises. On the last day of the Term, or sooner termination of this lease, County shall peaceably and quietly leave and surrender to Lessor the Premises, along with appurtenances and fixtures at the Premises (except County Fixtures), all in good condition, ordinary wear and tear, damage by casualty, condemnation, acts of God and Lessor's failure to make repairs required of Lessor excepted. County is not responsible for painting or for repairing or replacing any floor coverings in the Premises upon the expiration or earlier termination of this lease.
14. Waste, Nuisance. County may not commit, or suffer to be committed, any waste upon the Premises, or any nuisance or other act or thing that may disturb the quiet enjoyment of any other occupant of the Building.
15. Inspection. Lessor, or its proper representative or contractor, may enter the Premises by prior appointment between the hours of 9:00 a.m. and 4:30 p.m., Monday through Friday, holidays excepted, to determine that (i) the Premises is being reasonably cared for, (ii) no waste is being made and that all actions affecting the Premises are done in the manner best calculated to preserve the Premises, and (iii) County is in compliance with the terms and conditions of this lease.
16. Perilous Conditions. If the County's Director of Public Works becomes aware of a perilous condition on the Premises that, in his or her opinion, substantially and significantly threatens the health and safety of County employees and/or invitees (a "**Perilous Condition**"), the Director of Public Works, or his or her designee, will immediately notify Lessor of such Perilous Condition and Lessor shall use best efforts to immediately eliminate the Perilous Condition.

Lessor shall immediately address any condition reasonably constituting an emergency, whether Lessor learns of the condition through County or otherwise.

If Lessor fails to address a Perilous Condition within twenty-four (24) hours after County's notice or to immediately address an emergency situation, County may, but is not obligated to, attempt to resolve the Perilous Condition or emergency situation. Lessor shall reimburse County for any costs incurred by County in addressing the Perilous Condition or emergency situation promptly upon receipt of County's invoice, or at County's direction, County may deduct the costs from the Rent.

17. Destruction. If damage occurs that causes a partial destruction of the Premises during the Term from any cause and repairs can be made within sixty days from the date of the damage under the applicable laws and regulations of governmental authorities, Lessor shall repair the damage promptly. Such partial destruction will not void this lease, except that County will be entitled to a proportionate reduction in Rent while such repairs are being made. The proportionate reduction in Rent will be calculated by multiplying Rent by a fraction, the numerator of which is the number of square feet that are unusable by County, and the denominator of which is the total number of square feet in the Premises.

If repairs cannot be made in sixty days, County will have the option to terminate the lease or request that Lessor make the repairs within a reasonable time, in which case, Lessor will make the repairs and Rent will be proportionately reduced as provided in the previous paragraph.

This lease will terminate in the event of a total destruction of the Building or the Premises.

18. Hazardous Material. Lessor warrants to County that Lessor does not have any knowledge of the presence of Hazardous Material (as defined below) or contamination of the Building or Premises in violation of environmental laws. Lessor shall defend, save, protect and hold County harmless from any loss arising out of the presence of any Hazardous Material on the Premises that was not brought to the Premises by or at the request of County, its agents, contractors, invitees or employees. Lessor acknowledges and agrees that County has no obligation to clean up or remediate, or contribute to the cost of clean up or remediation, of any Hazardous Material unless such Hazardous Material is released, discharged or spilled on or about the Premises by County or any of its agents, employees, contractors, invitees or other representatives. The obligations of this Section shall survive the expiration or earlier termination of this lease.

“Hazardous Material” means any substance, material or waste, including lead based paint, asbestos and petroleum (including crude oil or any fraction thereof), that is or becomes designated as a hazardous substance, hazardous waste, hazardous material, toxic substance, or toxic material under any federal, state or local law, regulation, or ordinance.

19. Indemnification.

- a. County. County shall defend, indemnify and hold Lessor harmless from County's share of any and all claims, costs and liability for any damage, injury or death of or to any person or the property of any person, including attorneys' fees, caused by the willful misconduct or the negligent acts, errors, or omissions of County, its officers, agents or employees in using the Premises pursuant to this lease, or the County's performance under this lease, except to the extent caused or contributed to by (i) the structural, mechanical, or other failure of buildings owned or maintained by Lessor, and/or (ii) the negligent acts, errors, or omissions of Lessor, its officers, agents, or employees.
- b. Lessor. Lessor shall defend, indemnify and hold County harmless from Lessor's share of any and all claims, costs and liability for any damage, injury or death of or to any person or the property of any person, including attorneys' fees, caused by the willful misconduct or the negligent acts, errors or omissions of Lessor, its officers, agents, employees, with respect to the Premises, or Lessor's performance under this lease, or the Lessor's performance, delivery or supervision of services at the Premises, or by the structural, mechanical or other failure of buildings owned or maintained by Lessor, except to the extent caused or contributed to by the negligent acts, errors, or omissions of County, its officers, agents, or employees.

20. Default.

The occurrence of any of the following events is a default under this lease:

a. County.

- i. County's failure to pay Rent within ten business days after receipt of a written notice of failure (a "**Notice**") from Lessor to County; provided, however, that County will have additional time if its failure to pay Rent is due to circumstances beyond its reasonable control, including, without limitation, failure of the County's Board of Supervisors to adopt a budget. In no event may such additional time exceed seventy-five days from receipt of a Notice.
- ii. County's failure to comply with any other material term or provision of this lease if such failure is not remedied within thirty days after receipt of a Notice from Lessor to County specifying the nature of the breach in reasonably sufficient detail; provided, however, if such default cannot reasonably be remedied within such thirty day period, then a default will not be deemed to occur until the occurrence of County's failure to comply within the period of time that may be reasonably required to remedy the default, up to an aggregate of ninety days, provided County commences curing such default within thirty days and thereafter diligently proceeds to cure such default.

b. Lessor.

- i. Lessor's failure to perform any obligation under this lease if such failure is not remedied within thirty days after receipt of a Notice from County to Lessor specifying the nature of the breach in reasonably sufficient detail; provided, however, if such breach cannot reasonably be remedied within such thirty day period, then a default will not be deemed to occur until the occurrence of Lessor's failure to perform within the period of time that may be reasonably required to remedy the breach, up to an aggregate of ninety days, provided Lessor commences curing such breach within thirty days and thereafter diligently proceeds to cure such breach.

21. Remedies.

- a. Lessor. Upon the occurrence of a default by County, Lessor may, after giving County written notice of the default, and in accordance with due process of law, reenter and repossess the Premises and remove all persons and property from the Premises.

- b. County. Upon the occurrence of any default by Lessor, County may (i) terminate this lease by giving written notice to Lessor and quit the Premises without further cost or obligation to County or (ii) proceed to repair or correct the failure and, at County's option, either deduct the cost thereof from Rent due to Lessor, or invoice Lessor for the cost of repair, which invoice Lessor shall pay in full promptly upon receipt.
