### Activities and Accomplishments

The primary goal of the Knightsen TAC in 2013 was to continue to be the connection between the residents of Knightsen with the County.

During 2013 the Knightsen TAC activities and efforts included:

- A successful Community Clean-Up Day held on April 6, 2013. The Brentwood Disposal Company brought multiple dumpsters and the event was free of charge to Knightsen residents. It was a wonderful opportunity for a community clean up and the Knightsen TAC members and community volunteers assisted residents.
- Knightsen TAC continued to send a representative to the monthly Code Enforcement meetings held at the Supervisor's office to discuss and set code enforcement priorities for the Knightsen community.
- Continued discussion regarding the reflective address signs throughout the community
- Began discussion set-up of a Neighborhood Watch Program in the Knightsen community
- Participated in the 2013 Knightsen Days Event
- Continued to promote and expand the Knightsen Heart Safe Communities Program
- Participated in the Annual Toy Donation program with the Marsh Creek Detention Facility
- Participated in the First Annual Knightsen Holiday Parade
