**Subject: Approval of Transmittal of the "Off -Year" Fiscal Year (FY) 2012-13 Local
Street Maintenance and Improvement (LSM) Funds**

Dear Mr. Roche:

At its July 17, 2013 meeting, the Contra Costa Transportation Authority reviewed and approved the County's report on progress toward incorporating the technical amendment (a GME correspondence table) into its General Plan. Accordingly, your "Off-Year" Local Street Maintenance and Improvement (LSM) funds for FY 2012-13 in the estimated amount of \$2,056,708 will be transmitted under separate cover following confirmation of actual sales tax receipts for FY 2012-13 in late August.

Approval of your jurisdiction's checklist signifies the Authority's findings of compliance with the full Growth Management Program, and represents an important step towards a better future for Contra Costa. We recognize and appreciate the significant investment of time and resources on the part of your jurisdiction's elected officials and staff to meet the program requirements. Authority resolution 91-03-A (attached) clarifies eligible uses of these funds.

Thank you for your continued participation in the Measure J Programs.

Sincerely,

Martin R. Engelmann, P.E.
