Short Title Description of Project: Byron Highway-Byer Road Pedestrian Improvements

Amount of claim: \$ 80,000

Functional Description of Project:

Construct an asphalt path on Byron Highway from Byer Road to Hannum Drive to provide a walking path for students from the Camino Mobile Home Park to Excelsior Middle School. The path will extend approximately two hundred feet and will meet the requirements of the Americans with Disabilities Act (ADA) and provide an all-weather surface. A pedestrian actuated rapid repeating flasher will be installed to further improve pedestrian safety on a high volume roadway.

Financial Plan:

List the project elements for which TDA funding is being requested (e.g., planning, environmental, engineering, right-of-way, construction, inspection, contingency, audit). Use the table below to show the project budget. Include prior and proposed future funding of the project. If the project is a segment of a larger project, include prior and proposed funding sources for the other segments.
