

**2014 FEDERAL LEGISLATIVE PLATFORM
CONTRA COSTA COUNTY**

Veterans Benefits – The County will support legislation to increase availability, accessibility, and utilization of Veterans Benefits

Within Contra Costa County, Veterans’ health care is provided by the VA Martinez Clinic, a division of the VA Northern California Healthcare System. Currently, access to enrollment in the VA healthcare system is limited to Veterans with a Service Connected disability of greater than 10%, special eligibility criteria (Purple Heart, former POW, Iraq & Afghanistan Vets within 5 years of discharge, etc.), and to Veterans with an annual gross income less than a geographically based threshold. Currently, VA emergency services are not available after hours or during weekends. The nearest VA emergency room is nearly 34 miles away from the VA Martinez Clinic.

The County will support legislation that would expand enrollment eligibility (such as removing the income limit criteria) to all Veterans with an honorable discharge. Furthermore, the County will support legislation that would establish 24 hour VA emergency services at the VA Martinez clinic.

In addition, the County will support legislation that will improve the timeliness and quality of both VA benefits claim decisions and VA healthcare services. Specifically, legislation that works toward improving on the expedited processing of claims and administering of benefits to populations with unique needs, such as homeless Veterans, Women Veterans, and Veterans experiencing service related Posttraumatic Stress Disorder.

Veterans Halls – The County will support legislation to provide America’s veterans organizations with resources to make necessary repairs to their meeting halls and facilities.

Across America, the meeting halls and posts of Veterans Service Organizations such as the American Legion and Veterans of Foreign Wars serve as unofficial community centers. Unfortunately, many of these facilities are not compliant with Americans with Disabilities Act accessibility standards, are not earthquake retrofitted, or have deteriorated in recent years due to declining membership and reduced rental revenues as a result of the economic downturn.

The County will support legislation that would create a competitive grant program for veterans’ organizations, classified by the IRS as 501c19 non-profit organizations and comprised primarily of past or present members of the United States Armed Forces and their family members, to use for repairs and improvements to their existing facilities.
