

## 2014 STATE LEGISLATIVE PLATFORM CONTRA COSTA COUNTY

### Veterans Issues

148. SUPPORT legislation and budget actions that will continue the state's annual local assistance for County Veterans Service Offices at the \$5.6 million level. The eventual goal is to fully fund CVSOs by appropriating the full \$11 million in local assistance funding as reflected in Military and Veterans Code Section 972.1(d). *County Veterans Service Offices (CVSOs) play a vital role in the local veteran community, not only within the Veterans Affairs claims process, but in other aspects as well. This includes providing information about all veterans' benefits (Federal, State and local), as well as providing claims assistance for all veteran-related benefits, referring veterans to ancillary community resources, providing hands-on development and case management services for claims and appeals and transporting local veterans to VA facilities.*

149. SUPPORT legislation and budget actions that will provide veterans organizations with resources to make necessary repairs to their meeting halls and facilities. *Across California, the meeting halls and posts of Veterans Service Organizations such as the American Legion and Veterans of Foreign Wars serve as unofficial community centers. Many of these facilities are not compliant with Americans with Disabilities Act accessibility standards, are not earthquake retrofitted, or have deteriorated in recent years due to declining membership and reduced rental revenues as a result of the economic downturn.*

The County will support legislation that would create a competitive grant program for veterans' organizations, classified by the IRS as 501c19 non-profit organizations and comprised primarily of past or present members of the United States Armed Forces and their family members, to use for repairs and improvements to their existing facilities.

150. SUPPORT legislation that will improve the timeliness and quality of both VA benefits claim decisions and VA healthcare services. Specifically, legislation that works toward improving on the expedited processing of claims, providing VA healthcare, and administering of benefits to populations with unique needs, such as homeless Veterans, Women Veterans, and Veterans experiencing service related Posttraumatic Stress Disorder or service related Traumatic Brain Injury.
