Subject: 2014 Contra Costa Countywide Transportation Plan Update

Dear Chair Pierce:

On March 10, 2015, the Board of Supervisors authorized me to transmit this letter regarding the Draft Final Contra Costa Countywide Transportation Plan (CTP). The Board of Supervisors would like to thank the Contra Costa Transportation Authority (Authority) for the work put into the CTP and for the extensive outreach conducted during Plan development.

In regards to the Major Project and Emerging Planning Initiatives communicated in our October 21, 2014 letter, thank you for having these priorities reflected in the CTP. Please be aware that the Iron Horse/Lafayette-Moraga Trail Connector planning process is nearly complete, and the project can now be included in the Comprehensive Transportation Project List as a capital project.

We fully support the Plan and appreciate the Authority's responsiveness to comments from this Board and from staff. The Board of Supervisors looks forward to working closely with the Authority to secure adequate funding for the needs identified in in the CTP.

Sincerely,

John M. Gioia, Chair
Contra Costa County Board of Supervisors
