

*The Board of Supervisors of
Contra Costa County, California*

In the matter of:

Resolution No. 2015/91

Declaring April 2015 as Child Abuse Prevention Month" in Contra Costa County.

Whereas, Child Abuse Prevention Month has been observed for the past 24 years since it was first proclaimed by the U.S. President in 1982; and

Whereas, child abuse and neglect affect children of all ages, races, and incomes, but is also 100 percent preventable; and

Whereas, national statistics show that one in four girls and one in four boys will be mistreated before the age of eighteen, while children with disabilities are three to seven times more likely to suffer from child abuse than children without disabilities; and

Whereas, despite outreach and community efforts, the rising number of reported child abuse cases remains a great concern, and highlights the need for increased protection and improved services for abused and neglected children; and

Whereas, most experts believe the number of incidents of abuse are far greater than what is reported; and

Whereas, early intervention child abuse programs are critical for preventing abuse, and can positively impact at-risk families, protecting children.

That the Board of Supervisors of Contra Costa County does hereby declare April, 2015 as "Child Abuse Prevention Month in Contra Costa County," recognizes the efforts made by the Child Abuse Prevention Council, and acknowledges its hard work to prevent child abuse throughout Contra Costa County.
