# East Bay Corridors Initiative

The East Bay Corridors Initiative is a collaboration between cities, counties and regional agencies to create a network of thriving neighborhoods and downtowns in the inner East Bay. It focuses on Priority Development Areas, places planned by cities for reinvestment and new homes and jobs. The Initiative is a platform for prioritizing and funding housing, infrastructure, and community development projects that provide benefits across city boundaries while implementing local plans for Priority Development Areas.

The Initiative is organized around two corridors. The Oakland-Union City Corridor includes Priority Development Areas between International Boulevard in Oakland and Union City. The San Pablo Corridor includes Priority Development Areas between

Downtown Oakland and Hercules. Cities are currently working together to identify catalyst projects that build on the unique assets of corridor Priority Development Areas to address common challenges and capitalize on shared opportunities. During 2015, the Initiative will solidify these projects, setting the stage for pursuing existing funding sources as state Cap and Trade, forming partnerships with the business and non-profit communities, and developing new funding sources.
