Activation Levels from 5 to 3		✓
Visual Learning Approach		✓
Intro to CA Emergency Functions		✓
New EOC "Planning P"		✓
Access and Functional Needs Multi-Lingual Consideration		✓
Supplemental Elements		✓

challenges

Content Evolution

- ▶ 6 FEMA Recovery Support Functions
- ▶ Cal OES Emergency Function changed from 18 to 16

Multiple Audiences

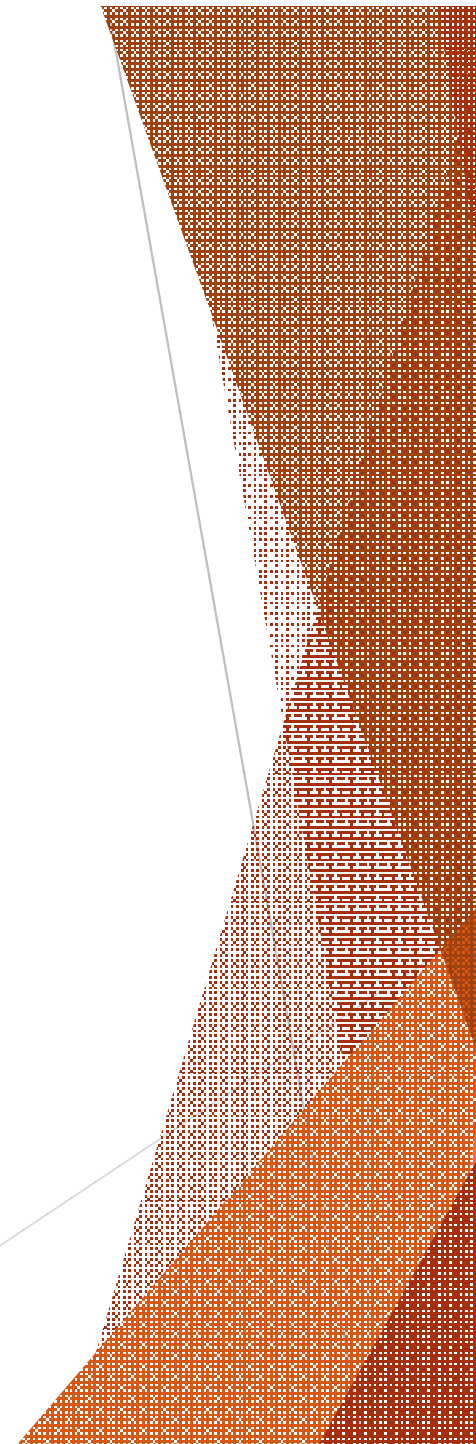

- ▶ Operational Area Stakeholders and Partners
- ▶ Public / Community

Integration

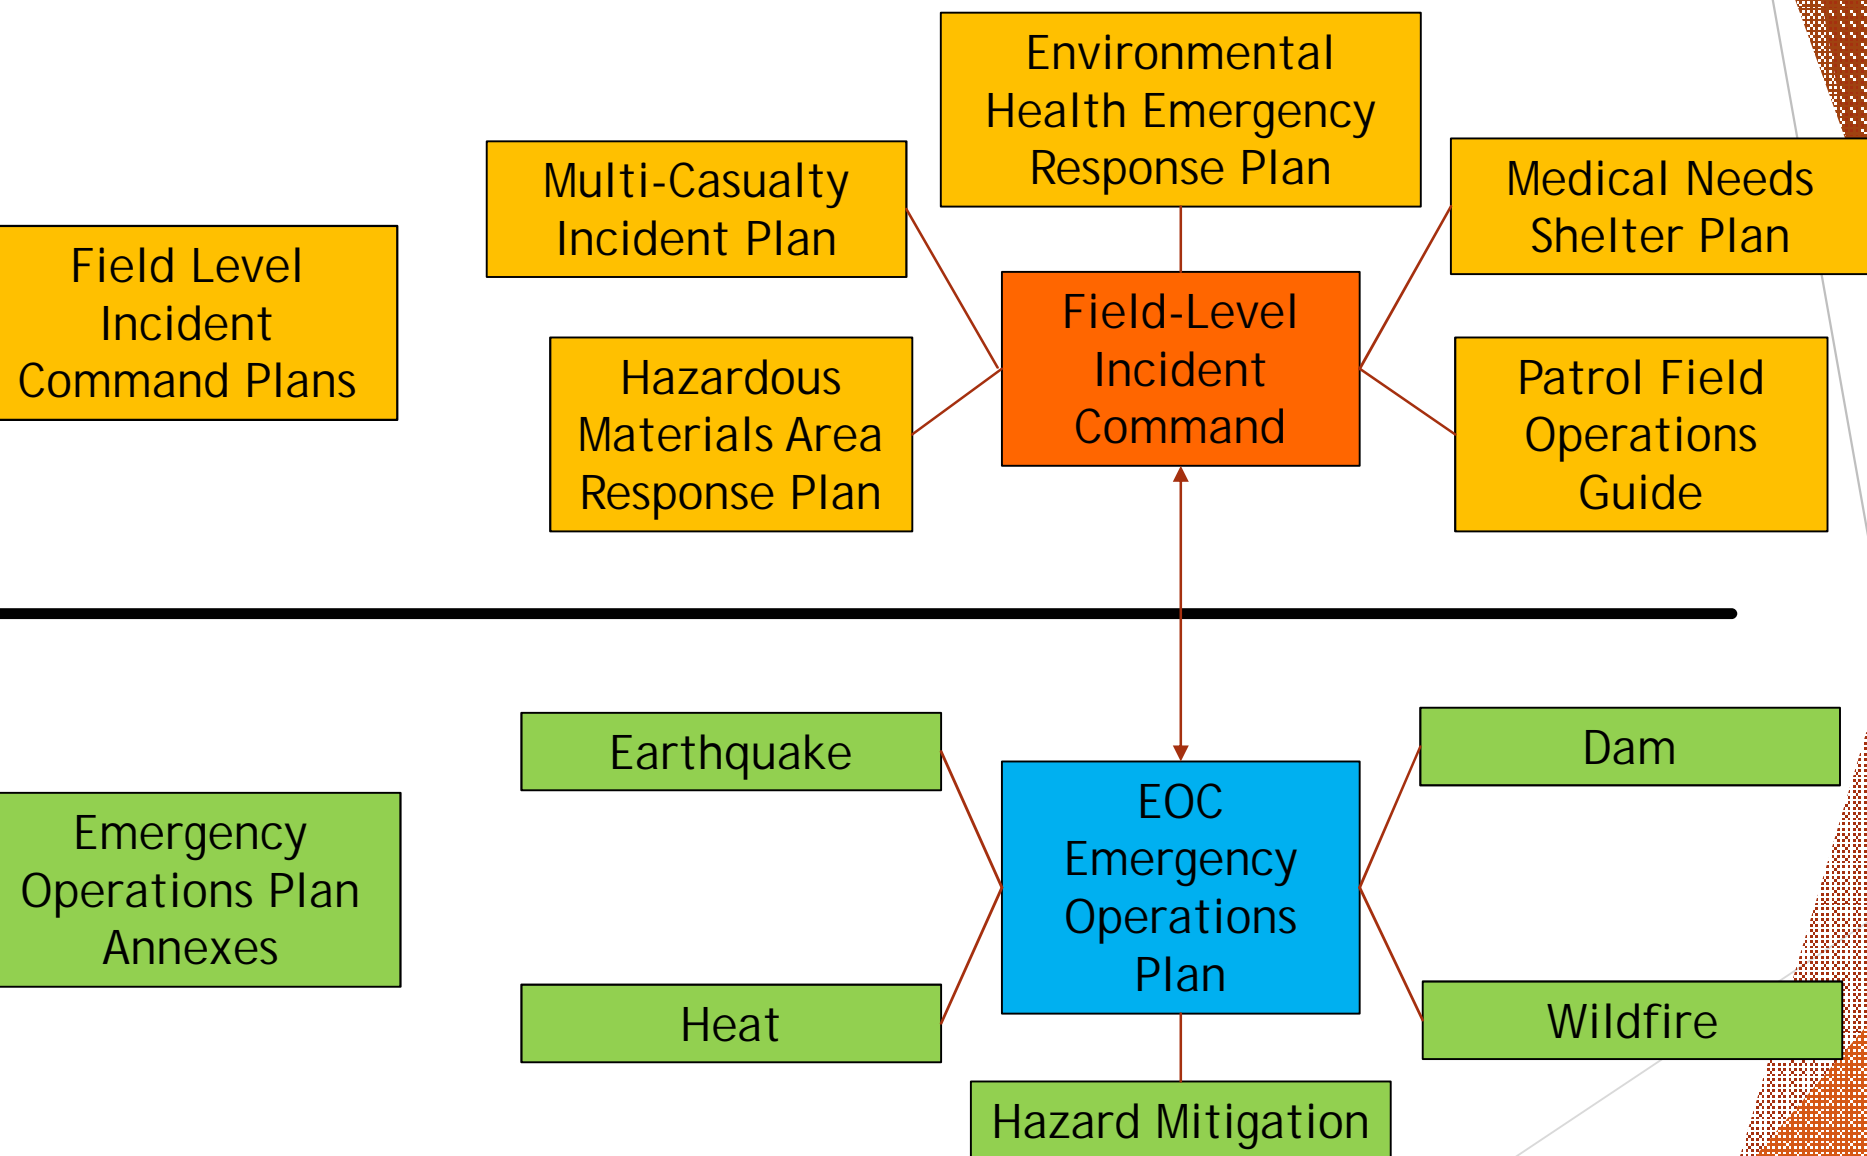

- ▶ Just the right amount of content in simple language
- ▶ Connecting the dots (Meetings, Trainings, Exercises, EOC Go Boxes, Plans, Outreach)

Clarification

- ▶ The purpose of an EOC facility vs. Incident Command in the field

Plans

Thank You!
