DATE: May 4, 2016

TO: All Departments

FROM: David Twa, County Administrator

SUBJECT: BIKE TO WORK DAY

On May 3, 2016 the Board of Supervisors adopted a resolution proclaiming May 12, 2016 Bike to Work Day and requesting County Departments participate in outreach efforts for Bike to Work Day.

The objective of Bike to Work Day is to encourage County commuters to try bicycling to work on this occasion by offering a variety of events such as a raffle for prizes and energizer stations throughout the County.

National Bike Month and California Bike Commute Week are both in May. All nine Bay Area counties are participating in Bike to Work Day on May 12th at some level. Energizer stations providing refreshments and educational materials to Bike to Work Day participants will be located at the Martinez Capitol Corridor Train Station, as well as at a variety of sites throughout the County. More information on the event and locations of energizer stations throughout the County can be found at this website: <http://youcanbikethere.com/energizer/>
