This hearing is to consider approval of a County-initiated General Plan Amendment to revise Land Use Element Policy 3-98 of the 2005-2020 Contra Costa County General Plan to increase the development limit for a portion of the subject property from 18,500 to 52,300 square feet in anticipation of the site being developed with light industrial/business park uses, and to make related California Environmental Quality Act (CEQA) findings, as recommended by the County Planning Commission. County File #GP16-0002

The location of the subject property is within the unincorporated territory of the County of Contra Costa, State of California, generally identified below (a more precise description may be examined in the Office of the Director of Conservation and Development, Community Development Division, 30 Muir Road, Martinez, California):

NOTICE OF A PUBLIC HEARING

You are hereby notified that on TUESDAY, MAY 24, 2016, at 7:00 p.m. at 30 Muir Road, Martinez, California, the County Planning Commission will consider a GENERAL PLAN AMENDMENT application as described below:

2005-2020 CONTRA COSTA COUNTY GENERAL PLAN – AMENDMENT TO THE LAND USE ELEMENT RELATED TO BUCHANAN FIELD AIRPORT (County File: GP#16-0002): This County-initiated General Plan Amendment would revise Land Use Element Policy 3-98, which currently limits development to 18,500 square feet on the 3-acre portion of the subject parcel designated “Business Park” in the County General Plan. The County proposes to increase the development limit to 52,300 square feet in anticipation of the site being developed with light industrial/business park uses. If you challenge the project in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the County at, or prior to, the public hearing.

For further details, contact the Contra Costa County Department of Conservation and Development, Community Development Division, 30 Muir Road, Martinez, California, or William Nelson at 925-674-7791.
