The County will provide a written statement to each new employee hired into a classification in any of the bargaining units represented by the Union, that the employee's classification is represented by the Union and the name of a representative of the Union. The County will provide the employee with a packet of information which has been supplied by the Union and approved by the County. The County shall provide an opportunity for the Union to make a fifteen (15) minute presentation at the end of the Human Resources Department's new employee orientation meetings.

SECTION 3 - NO DISCRIMINATION/AMERICANS WITH DISABILITIES ACT (ADA)

There shall be no discrimination against any disabled person solely because of such disability unless that disability prevents the person from meeting the minimum standards established for the position or from carrying out the duties of the position safely.

5.5 Part-Time Compensation. A part-time employee shall be paid a monthly salary in the same ratio to the full-time monthly rate to which the employee would be entitled as a full-time employee under the provisions of this Section 5 as the number of hours per week in the employee's part-time work schedule bears to the number of hours in the full-time work schedule of the department.

5.6 Compensation for Portion of Month. Any employee who works less than any full calendar month, except when on earned vacation or authorized sick leave, shall receive as compensation for services an amount which is in the same ratio to the established monthly rate as the number of days worked is to the actual working days in such employee's normal work schedule for the particular month; but if the employment is intermittent, compensation shall be on an hourly basis.

5.7 Position Reclassification. An employee who is an incumbent of a position which is reclassified to a class which is allocated to the same range of the basic salary schedule as is the class of the position before it was reclassified, shall be paid at the same step of the range as the employee received under the previous classification.

An incumbent of a position which is reclassified to a class which is allocated to a lower range of the basic salary schedule shall continue to receive the same salary as before the reclassification, but if such salary is greater than the maximum of the range of the class to which the position has been reclassified, the salary of the incumbent shall be reduced to the maximum salary for the new classification. The salary of an incumbent of a position which is reclassified to a class which is allocated to a range of the basic salary schedule greater than the range of the class of the position before it was reclassified shall be governed by the provisions of Section 5.9 - Salary on Promotion.

In a general salary increase or decrease, an employee in a class which is reallocated to a salary range above or below that to which it was previously allocated, when the number of steps remain the same, shall be compensated at the same step in the new salary range the employee was receiving in the range to which the class was previously allocated. If the reallocation is from one salary range with more steps to a range with fewer steps or vice versa, the employee shall be compensated at the step on the new range which is in the same percentage ratio to the top step of the new range as was the salary received before reallocation to the top step of the old range, but in no case shall any employee be compensated at less than the first step of the range to which the class is allocated.

SECTION 5 – SALARIES

- B. In the event that a classification is reallocated from a salary range with more steps to a salary range with fewer steps on the salary schedule, apart from the general salary increase or decrease described in Section 5.8.A above, each incumbent of a position in the reallocated class shall be placed upon the step of the new range which equals the rate of pay received before the reallocation. In the event that the steps in the new range do not contain the same rates as the old range, each incumbent shall be placed at the step of the new range which is next above the salary rate received in the old range, or if the new range does not contain a higher step, at the step which is next lower than the salary received in the old range.
- C. In the event an employee is in a position which is reallocated to a different class which is allocated to a salary range the same as above or below the salary range of the employee's previous class, the incumbent shall be placed at the step in the new class which equals the rate of pay received before reallocation. In the event that the steps in the range for the new class do not contain the same rates as the range for the old class, the incumbent shall be placed at the step of the new range which is next above the salary rate received in the old range; or if the new range does not contain a higher step, the incumbent shall be placed at the step which is next lower than the salary.
- D. In the event of reallocation to a deep class, the provisions of the deep class resolution and incumbent salary allocations, if any, shall supersede Section 5.8 - Salary Reallocation & Salary on Reallocation.

5.9 Salary on Promotion. Any employee who is appointed to a position of a class allocated to a higher salary range than the class previously occupied, except as provided under Section 5.13 – Pay for Work in Higher Classification, shall receive the salary in the new salary range which is next higher than the rate received before promotion. In the event this increase is less than five percent (5%), the employee's salary shall be adjusted to the step in the new range which is at least five percent (5%) greater than the next higher step; provided however that the next step shall not exceed the maximum salary for the higher class. In the event of the appointment of a laid off employee from the layoff list to the class from which the employee was laid off, the employee shall be appointed at the step which the employee had formerly attained in the higher class unless such step results in a decrease in which case the employee is appointed to the next higher step. If however, the employee is being appointed into a class allocated to a higher salary range than the class from which the employee was laid off, the salary will be calculated from the highest step the employee achieved prior to layoff, or from the employee's current step, whichever is higher.

5.10 Salary on Involuntary Demotion. Any employee who is demoted, except as provided under Section 5.11 - Salary on Voluntary Demotion, shall have his/her salary reduced to the monthly salary step in the range for the class of position to which he/she has been demoted next lower than the salary received before demotion. In the event this decrease is less than five percent (5%), the employee's salary shall be adjusted to the step in the new range which is five percent (5%) less than the next lower step; provided, however, that the next step shall not be less than the minimum salary for the lower class.

SECTION 5 – SALARIES

Whenever the demotion is the result of layoff, cancellation of positions or displacement by another employee with greater seniority rights, the salary of the demoted employee shall be that step on the salary range which he/she would have achieved had he/she been continuously in the position to which he/she has been demoted, all within-range increments having been granted.

5.11 Salary on Voluntary Demotion. Whenever any employee voluntarily demotes to a position in a class having a salary schedule lower than that of the class from which he or she demotes, his or her salary shall remain the same if the steps in his or her new (demoted) salary range permit, and if not, the new salary shall be set at the step next below former salary.

5.12 Salary on Transfer. An employee who is transferred from one position to another as described under Transfer shall be placed at the step in the salary range of the new class which equals the rate of pay received before the transfer. In the event that the steps in the range for the new class do not contain the same rates as the range for the old class, the employee shall be placed at the step of the new range which is next above the salary rate received in the old range; or if the new range does not contain a higher step, the employee shall be placed at the step which is next lower than the salary received in the old range.

Whenever a permanent employee transfers to or from a deep class, as provided in the appropriate deep class resolutions, the salary of the employee shall be set as provided in the deep class resolutions at a step not to exceed a five percent (5%) increase in the employee's base salary.

However, if the deep class transfer occurs to or from a deep class with specified levels identified for certain positions and their incumbents, the employee's salary in the new class shall be set in accordance with the section on Salary on Promotion if the employee is transferring to another class or to a level in a deep class for which the salary is at least five percent (5%) above the top base step of the deep class level or class in which they have status currently.

5.13 Pay for Work in Higher Classification. When an employee in a permanent position in the merit system is required to work in a classification for which the compensation is greater than that to which the employee is regularly assigned, the employee shall receive compensation for such work at the rate of pay established for the higher classification pursuant to Subsection 5.9 - Salary on Promotion of this Memorandum, at the start of the second full day in the assignment, under the following conditions. Payment shall be made retroactive after completing the first forty (40) consecutive hours worked in the higher classification.

- E. Higher pay assignments shall not exceed six (6) months except through reauthorization.
- F. If approval is granted for pay for work in a higher classification and the assignment is terminated and later re-approved for the same employee within one hundred eighty days (180) no additional waiting period will be required.
- G. Any incentives (e.g., the education incentive) and special differentials (e.g., bilingual differential and hazardous duty differential) accruing to the employee in his/her permanent position shall continue.
- H. During the period of work for higher pay in a higher classification, an employee will retain his/her permanent classification, and anniversary and salary review dates will be determined by time in that classification; except that if the period of work for higher pay in a higher classification exceeds one year continuous employment, the employee, upon satisfactory performance in the higher classification, shall be eligible for a salary review in that class on his/her next anniversary date. Notwithstanding any other salary regulations, the salary step placement of employees appointed to the higher class immediately following termination of the assignment, shall remain unchanged.
- I. Allowable overtime pay, shift differentials and/or work location differentials will be paid on the basis of the rate of pay for the higher class.

5.14 Payment. On the tenth (10th) day of each month, the Auditor will draw a warrant upon the Treasurer in favor of each employee for the amount of salary due the employee for the preceding month; provided however, that each employee (except those paid on an hourly rate) may choose to receive an advance on the employee's monthly salary, in which case the Auditor shall, on the twenty-fifth (25th) day of each month, draw his/her warrant upon the Treasurer in favor of such employee.

The advance shall be in an amount equal to one-third (1/3) or less (at the option of the employee) of the employee's basic salary of the previous month except that it shall not exceed the amount of the previous month's basic salary less all requested or required deductions.

SECTION 7 – OVERTIME, COMPENSATORY TIME, & STRAIGHT TIME

or change existing work schedules or existing hours of work, it will meet and confer with the Union prior to implementing said new shift or hours change. This obligation does not apply where there is an existing system for reassigning employees to different shifts or different starting/stopping times. Nothing herein prohibits affected employees and their supervisor from mutually agreeing on a change in existing hours of work provided other employees are not adversely impacted.

6.2 Automated Timekeeping Implementation.

The Union agrees to the implementation of an Automated Timekeeping System.

6.3 Time Reporting/Time Stamping.

Temporary and Permanent Intermittent (hourly) employees must timestamp in and out as they begin their work shifts, finish their work shifts, and take meal periods. Salaried employees will report time off and time worked for special pays on the electronic timecard.

SECTION 7 – OVERTIME, COMPENSATORY TIME, & STRAIGHT TIME

7.1 Overtime.

A. Permanent full-time and part-time employees will be paid overtime pay or overtime compensatory time off for any authorized work performed:

- 1) in excess of forty (40) hours per week; or
- 2) in excess of eight (8) hours per day and that exceed the employee's daily number of scheduled hours. For example, an employee who is scheduled to work ten (10) hours per day and who works eleven (11) hours on a particular day will be paid one (1) hour of overtime.

Work performed does not include non-worked hours. Overtime pay is compensated at the rate of one and one-half (1-1/2) times the employee's base rate of pay (not including shift and any other special differentials). Any special differentials that are applicable during overtime hours worked will be computed on the employee's base rate of pay, not on the overtime rate of pay.

Overtime for permanent employees is earned and credited in a minimum of one-tenth hour (6 minute) increments and is compensated by either pay or compensatory time off.

B. Permanent Intermittent and temporary employees will be paid overtime pay for any authorized work performed in excess of forty (40) hours per week or in excess of eight (8) hours per day. Work performed does not include non-worked hours. Overtime pay is compensated at the rate of one and one-half (1.5) times the employee's hourly base rate of pay (not including shift or any other special differentials). Any special differentials that are applicable during overtime hours

SECTION 7 – OVERTIME, COMPENSATORY TIME, & STRAIGHT TIME

worked will be computed on the employee's base hourly rate of pay, not on the overtime rate of pay.

7.2 Overtime Compensatory Time. The following provisions shall apply:

- A. Employees may elect to accrue overtime compensatory time off in lieu of overtime pay. Eligible employees who elect to receive compensatory time off must agree to do so for a full fiscal year (July 1 through June 30). The employee must notify his/her departmental payroll staff of any change in the election by May 31 of each year.
- B. The names of those employees electing to accrue compensatory time off shall be placed on a list maintained by the Department. New employees hired after May 31 of each year who become eligible (including those demoted/promoted etc.) for compensatory time off in accordance with these guidelines must wait until the next fiscal year to select compensatory time. The employee will become eligible to elect compensatory time for the following fiscal year as outlined in 7.2.A above.
- C. Compensatory time off shall be accrued at the rate of one and one-half (1-1/2) times the actual authorized overtime hours worked by the employee.
- D. Employees may not accrue a compensatory time off balance that exceeds one hundred twenty (120) hours (i.e., eighty (80) hours at time and one-half). Once the maximum balance has been attained, authorized overtime hours will be paid at the overtime rate. If the employee's balance falls below one hundred twenty (120) hours, the employee shall again accrue compensatory time off for authorized overtime hours worked until the employee's balance again reaches one hundred twenty (120) hours.
- E. Accrued compensatory time off shall be carried over for use in the next fiscal year; however, as provided in D above, accrued compensatory time off balances may not exceed one hundred twenty (120) hours.
- F. The use of accrued compensatory time off shall be by mutual agreement between the Department Head or his/her designee and the employee. Compensatory time off shall not be taken when the employee should be replaced by another employee who would be eligible to receive, for time worked, either overtime payment or compensatory time accruals as provided for in this Section. This provision may be waived at the discretion of the Department Head or his or her designee.
- G. When an employee promotes, demotes or transfers from one classification eligible for compensatory time off to another classification eligible for compensatory time off within the same department, the employee's accrued compensatory time off balance will be carried forward with the employee.
- H. Compensatory time accrual balances will be paid off when an employee moves from one department to another through promotion, demotion or transfer. Said

SECTION 8 - CALL BACK TIME PAY

payoff will be made in accordance with the provisions and salary of the class from which the employee is promoting, demoting or transferring as set forth in I below.

- I. Since employees accrue compensatory time off at the rate of one and one-half (1-1/2) hours for each hour of authorized overtime worked, they shall be paid their accrued hours of compensatory time at the straight time rate of pay whenever:
 1. The employee changes status and is no longer eligible for compensatory time off.
 2. The employee promotes, demotes or transfers to another department.
 3. The employee separates from County service.
 4. The employee retires.
- J. The Office of the County Auditor-Controller will establish timekeeping procedures to administer this Section.

7.3 Straight Time Pay and Straight Time Compensatory Time.

- A. Permanent full-time and part-time employees are eligible to receive straight time pay or straight time compensatory time off for hours worked in excess of the employee's daily number of scheduled hours that do not qualify for overtime pay as described in section 7.1, above.
- B. Straight time pay is calculated at the rate of one (1.0) times the employee's base rate of pay (not including differentials or shift pays).
- C. Straight time compensatory time off is accrued at the rate of one (1.0) times the number of straight time hours worked as defined in 7.3.A. above. The election of compensatory time off for overtime hours in lieu of overtime pay means that the employee also elects to receive compensatory time off for straight time hours in lieu of straight time pay. An employee cannot elect to receive straight time compensatory time off for straight time hours if the employee does not also elect to receive compensatory time off for overtime hours, and vice versa. For employees who receive straight time compensatory time off in lieu of straight time pay, except as otherwise set forth in this section 7.3, the rules for administration of compensatory time off described in section 7.2, above, apply to straight time compensatory time off.

SECTION 8 - CALL BACK TIME PAY

A permanent full-time and permanent part-time employee who is called back to duty will be paid for Call Back Time. Call Back Time occurs when an employee is not scheduled to work and is not on County premises, but is called back to work on County premises

SECTION 8 - CALL BACK TIME PAY

or for a County work assignment. An employee called back to work will be paid Call Back Time Pay at the rate of one and one-half (1.5) times his/her base rate of pay (not including differentials) for the actual Call Back Time hours worked plus one (1) hour. An employee called back to work will be paid a minimum of two (2) hours for each Call Back Time event.

SECTION 9 - ON-CALL DUTY

A permanent full-time or part-time employee assigned to On-Call Duty is paid one (1) hour of straight time pay for each four (4) hours designated as on-call duty. If an employee's on-call duty hours are not in increments of four (4) hours, the on-call duty hours will be pro-rated. For example, if the employee is assigned to on-call duty for six (6) hours, the employee would receive one and one-half (1.5) hours of straight time pay for the six (6) hours of designated on-call duty (6 hours ÷ 4 hours=1.5 hrs.). If an employee is called back to work while assigned to on-call duty, the employee will be paid for the total assigned on-call duty hours regardless of when the employee returns to work. An employee is considered assigned to on-call duty if all of the following criteria are met:

SECTION 11 - WORKFORCE REDUCTION/LAYOFF/ REASSIGNMENT

11.1 Workforce Reduction. In the event that funding reductions or shortfalls in funding occur in a department or are expected, which may result in layoffs, the department will notify the union and take the following actions:

- A. Identify the classification(s) in which position reductions may be required due to funding reductions or shortfalls.
- B. Advise employees in those classifications that position reductions may occur in their classifications.
- C. Accept voluntary leaves of absence from employees in those classifications which do not appear to be potentially impacted by possible position reductions when such leaves can be accommodated by the department.
- D. Consider employee requests to reduce their position hours from full-time to part-time to alleviate the impact of the potential layoffs.
- E. Approve requests for reduction in hours, lateral transfers, and voluntary demotions to vacant, funded positions in classes not scheduled for layoffs within the department, as well as to other departments not experiencing funding reductions or shortfalls when it is a viable operational alternative for the department(s).
- F. Review various alternatives which will help mitigate the impact of the layoff by working through the Tactical Employment Team (TET) program to:

SECTION 11 - WORKFORCE REDUCTION/LAYOFF/ REASSIGNMENT

1. Maintain an employee skills inventory bank to be used as a basis for referrals to other employment opportunities.
 2. Determine if there are other positions to which employees may be transferred.
 3. Refer interested persons to vacancies which occur in other job classes for which they qualify and can use their layoff eligibility.
 4. Establish workshops to aid laid off employees in areas such as resume preparation, alternate career counseling, job search strategy, and interviewing skills.
- G. When it appears to the Department Head and/or Employee Relations Officer or his/her designee that the Board of Supervisors may take action which will result in the layoff of employees in a representation unit, the Employee Relations Officer or his/her designee shall notify the Union of the possibility of such layoffs and shall meet and confer with the Union regarding the implementation of the action.

11.2 Separation Through Layoff.

- A. Grounds for Layoff. Any employee(s) having permanent status in position(s) in the merit service may be laid off when the position is no longer necessary, or for reasons of economy, lack of work, lack of funds or for such other reason(s) as the Board of Supervisors deems sufficient for abolishing the position(s).
- B. Order of Layoff. The order of layoff in a department shall be based on inverse seniority in the class of positions, the employee in that department with least seniority being laid off first and so on.
- C. Layoff By Displacement.
1. In the Same Class. A laid off permanent full-time employee may displace an employee in the department having less seniority in the same class who occupies permanent-intermittent or permanent part-time position, the least senior employee being displaced first.
 2. In the Same Level or Lower Class. A laid off or displaced employee who had achieved permanent status in a class at the same or lower salary level as determined by the salary schedule in effect at the time of layoff may displace within the department and in the class an employee having less seniority; the least senior employee being displaced first, and so on with senior displaced employees displacing junior employees.
- D. Particular Rules on Displacing.
1. Permanent-intermittent and permanent part-time employees may displace only employees holding permanent positions of the same type respectively.

SECTION 11 - WORKFORCE REDUCTION/LAYOFF/ REASSIGNMENT

2. A permanent full-time employee may displace any intermittent or part-time employee with less seniority 1) in the same class as provided in Section 11.2.C.1 or, 2) in a class of the same or lower salary level as provided in Section 11.2.C.2 if no full-time employee in a class at the same or lower salary level has less seniority than the displacing employees.
 3. Former permanent full-time employees who have voluntarily become permanent part-time employees for the purpose of reducing the impact of a proposed layoff with the written approval of the Human Resources Director or designee retain their permanent full-time employee seniority rights for layoff purposes only and may in a later layoff displace a full-time employee with less seniority as provided in these rules.
- E. Seniority. An employee's seniority within a class for layoff and displacement purposes shall be determined by adding the employee's length of service in the particular class in question to the employee's length of service in other classes at the same or higher salary levels as determined by the salary schedule in effect at the time of layoff. Employees reallocated or transferred without examination from one class to another class having a salary within five percent of the former class, shall carry the seniority accrued in the former class into the new class. Employees reallocated to a new deep class upon its initiation or otherwise reallocated to a deep class because the duties of the position occupied are appropriately described in the deep class shall carry into the deep class the seniority accrued or carried forward in the former class and seniority accrued in other classes which have been included in the deep class.
- Service for layoff and displacement purposes includes only the employee's last continuous permanent County employment. Periods of separation may not be bridged to extend such service unless the separation is a result of layoff in which case bridging will be authorized if the employee is reemployed in a permanent position within the employee's layoff eligibility. Approved leaves of absence as provided for in these rules and regulations shall not constitute a period of separation. In the event of ties in seniority rights in the particular class in question, such ties shall be broken by length of last continuous permanent County employment. If there remain ties in seniority rights, such ties shall be broken by counting total time in the department in permanent employment. Any remaining ties shall be broken by random selection among the employees involved.
- F. Eligibility for Layoff List. Whenever any person who has permanent status is laid off, has been displaced, has been demoted by displacement or has voluntarily demoted in lieu of layoff or displacement, or has transferred in lieu of layoff or displacement, the person's name shall be placed on the Layoff list for the class of positions from which that person has been removed.
- G. Order of Names on Layoff. First, layoff lists shall contain the names of persons laid off, displaced, or demoted as a result of a layoff or displacement, or who have voluntarily demoted or transferred in lieu of layoff or displacement. Names

SECTION 11 - WORKFORCE REDUCTION/LAYOFF/ REASSIGNMENT

shall be listed in order of layoff seniority in the class from which laid off, displaced demoted, or transferred on the date of layoff, the most senior person listed first. In case of ties in seniority, the seniority rules shall apply except that where there is a class seniority tie between persons laid off from different departments, the tie(s) shall be broken by length of last continuous permanent County employment with remaining ties broken by random selection among the employees involved.

- H. Duration of Layoff & Reemployment Rights. The name of any person granted reemployment privileges shall continue on the appropriate list for a period of two (2) years. Persons placed on layoff lists shall continue on the appropriate list for a period of two (2) years.
- I. Certification of Persons From Layoff Lists. Layoff lists contain the name(s) of person(s) laid off, displaced or demoted by displacement or voluntarily demoted in lieu of layoff or displacement or transferred in lieu of layoff or displacement. When a request for personnel is received from the appointing authority of a department from which an eligible(s) was laid off, the appointing authority shall receive and appoint the eligible highest on the layoff list from the department. When a request for personnel is received from a department from which an eligible(s) was not laid off, the appointing authority shall receive and appoint the eligible highest on the layoff list who shall be subject to a probationary period. A person employed from a layoff list shall be appointed at the same step of the salary range the employee held on the day of layoff.
- J. Removal of Names from Layoff Lists. The Human Resources Director may remove the name of any eligible from a layoff list for any reason listed below:
1. For any cause stipulated in Section 404.1 of the Personnel Management Regulations.
 2. On evidence that the eligible cannot be located by postal authorities.
 3. On receipt of a statement from the appointing authority or eligible that the eligible declines certification or indicates no further desire for appointment in the class.
 4. If three (3) offers of permanent appointment to the class for which the eligible list was established have been declined by the eligible. A single offer is defined as an offer of all the permanent positions that are available at that time. A rejection of all of those offered positions constitutes a single declination.
 5. If the eligible fails to respond to the Human Resources Director or the appointing authority within ten (10) days to written notice of certification mailed to the person's last known address.

If the person on the reemployment or layoff list is appointed to another position in the same or lower classification, the name of the person shall be removed. However, if the first permanent appointment of a person on a

SECTION 11 - WORKFORCE REDUCTION/LAYOFF/ REASSIGNMENT

layoff list is to a lower class which has a top step salary lower than the top step of the class from which the person was laid off, the name of the person shall not be removed from the layoff list.

- K. **Removal of Names from Reemployment and Layoff Certifications.** The Human Resources Director may remove the name of any eligible from a reemployment or layoff certification if the eligible fails to respond within five (5) days to a written notice of certification mailed to the person's last known address.

11.3 Notice. The County will give employees scheduled for layoff at least ten (10) work days notice prior to their last day of employment.

11.4 Special Employment Lists. The County will establish a Tactical Employment Team (TET) employment pool which will include the names of all laid off County employees. The names of employees who remain County employees but who have been displaced or who have demoted as a result of a layoff or displacement, or who have voluntarily demoted or transferred in lieu of layoff or displacement will also be included in the TET employment pool. Special employment lists for job classes may be established from the pool. Persons placed on a special employment list must meet the minimum qualifications for the class. An appointment from such a list will not affect the individual's status on a layoff list(s). The name of any person included in the TET employment pool shall continue to be in the pool for a period of four (4) years, unless the employee's name is removed from the layoff list, which will cause the employee's name to be removed from the TET pool as well.

Employees in the TET employment pool shall be guaranteed a job interview for any vacant funded position for which they meet minimum qualifications. If there are more than five such employees who express an interest for one vacant funded position, the five most senior employees shall be interviewed. Seniority for this subsection shall be County seniority.

11.5 Reassignment of Laid Off Employees. Employees who displaced within the same classification from full-time to part-time or intermittent status in a layoff, or who voluntarily reduced their work hours to reduce the impact of layoff, or who accepted a position of another status than that from which they were laid off upon referral from the layoff list, may request reassignment back to their pre-layoff status (full time or part-time or increased hours). The request must be in writing in accord with each department's reassignment bid or selection process. Employees will be advised of the reassignment procedure to be followed to obtain reassignment back to their former status at the time of the workforce reduction. The most senior laid off employee in this status who requests such a reassignment will be selected for the vacancy; except when a more senior laid off individual remains on the layoff list and has not been appointed back to the class from which laid off, a referral from the layoff list will be made to fill the vacancy.

The employee with the greater length of service in the Community Health Worker Series will receive the requested vacation time. Less senior employees will be given the opportunity to request a different time before the annual schedule is posted and will be approved on a first come basis. In the event of a tie on the date of submission, seniority in the classification or series will serve as the tie breaker Absences for sick leave, disability and regular days off will not be counted as scheduled absences.

An approved vacation will not be unilaterally canceled.

An employee voluntarily changing work position or assignment between programs or regional offices after March 1st must resubmit a vacation request for consideration on a first come basis.

- G. **Service Award Date Defined:** An employee's Service Award Date is the first day of his/her temporary, provisional, or permanent appointment to a position in the County. If an employee is first appointed to a temporary or provisional position and then later appointed to a permanent position, the Service Award Date for that employee is the date of the first day of the temporary or provisional appointment.

13.4 Bridged Service Time. Employees who are rehired and have their service bridged in accordance with the provisions of this MOU shall accrue vacation in accordance with the accrual formula for employees hired after September 1, 1979. However, prior service time which has been bridged shall count toward longevity accrual.

13.5 Accrual During Leave Without Pay. No employee who has been granted a leave without pay or unpaid military leave shall accrue any vacation credit during the time of such leave, nor shall an employee who is absent without pay accrue vacation credit during the absence.

13.6 Vacation Allowance for Separated Employees. On separation from County service, an employee shall be paid for any unused vacation credits at the employee's then current pay rate.

13.7 Vacation Preference. Use of vacation accruals is by mutual agreement between the employee and the supervisor and preference of vacation shall be given to employees according to their seniority in their department as reasonably as possible unless otherwise provided in this Agreement. Except as otherwise provided in this Agreement, a supervisor, or his/her designee, shall respond to requests for vacation within ten (10) working days of submission. Vacation requests shall not be unreasonably denied.

SECTION 14 - SICK LEAVE

14.1 Purpose of Sick Leave. The primary purpose of paid sick leave is to ensure employees against loss of pay for temporary absences from work due to illness or injury. It is a benefit extended by the County and may be used only as authorized; it is not paid time off which employees may use for personal activities.

14.2 Credits to and Charges Against Sick Leave. Sick leave credits accrue at the rate of eight (8) working hours credit for each completed month of service, as prescribed by County Salary Regulations and Memoranda of Understanding. Employees who work a portion of a month are entitled to a pro rata share of the monthly sick leave credit computed on the same basis as is partial month compensation.

Credits to and charges against sick leave are made in minimum amounts of one (1) minute increments and may not be rounded.

Unused sick leave credits accumulate from year to year.

When an employee is separated other than through retirement, accumulated sick leave credits shall be canceled, unless the separation results from layoff, in which case the accumulated credits shall be restored if reemployed in a permanent position within the period of layoff eligibility.

As of the date of retirement, an employee's accumulated sick leave is converted to retirement on the basis of one day of retirement service credit for each day of accumulated sick leave credit.

14.3 Policies Governing the Use of Paid Sick Leave. As indicated above, the primary purpose of paid sick leave is to ensure employees against loss of pay for temporary absences from work due to illness or injury. The following definitions apply:

"Immediate Family" means and includes only the spouse, son, stepson, daughter, stepdaughter, father, stepfather, mother, stepmother, brother, sister, grandparent, grandchild, niece, nephew, father-in-law, mother-in-law, daughter-in-law, son-in-law, brother-in-law, sister-in-law, foster children, aunt, uncle, cousin, stepbrother, or stepsister, or domestic partner of an employee and/or includes any other person for whom the employee is the legal guardian or conservator, or any person who is claimed as a "dependent" for IRS reporting purposes by the employee.

"Employee" means any person employed by Contra Costa County in an allocated position in the County service.

"Paid Sick Leave Credits" means those sick leave credits provided for by County Salary Regulations and Memoranda of Understanding.

"Condition/Reason". With respect to necessary verbal contacts and confirmations which occur between the department and the employee when sick leave is requested or verified, a brief statement in non-technical terms from the employee regarding inability

SECTION 14 - SICK LEAVE

to work due to injury or illness is sufficient.

Accumulated paid sick leave credits may be used, subject to appointing authority approval, by an employee in pay status, but only in the following instances:

- A. Temporary Illness or Injury of an Employee. Paid sick leave credits may be used when the employee is off work because of a temporary illness or injury.

- B. Permanent Disability Sick Leave. Permanent disability means the employee suffers from a disabling physical injury or illness and is thereby prevented from engaging in any County occupation for which the employee is qualified by reason of education, training or experience. Sick leave may be used by permanently disabled employees until all accruals of the employee have been exhausted or until the employee is retired by the Retirement Board, subject to the following conditions:
 - 1. An application for retirement due to disability has been filed with the Retirement Board.
 - 2. Satisfactory medical evidence of such disability is received by the appointing authority within 30 days of the start of use of sick leave for permanent disability.
 - 3. The appointing authority may review medical evidence and order further examination as deemed necessary, and may terminate use of sick leave when such further examination demonstrates that the employee is not disabled, or when the appointing authority determines that the medical evidence submitted by the employee is insufficient, or where the above conditions have not been met.

- C. Communicable Disease. An employee may use paid sick leave credits when under a physician's order to remain secluded due to exposure to a communicable disease.

- D. Sick Leave Utilization for Pregnancy Disability. Employees whose disability is caused or contributed to by pregnancy, miscarriage, abortion, childbirth, or recovery therefrom, shall be allowed to utilize sick leave credit to the maximum accrued by such employee during the period of such disability under the conditions set forth below:
 - 1. Application for such leave must be made by the employee to the appointing authority accompanied by a written statement of disability from the employee's attending physician. The statement must address itself to the employee's general physical limitations having considered the nature of the work performed by the employee, and it must indicate the date of the commencement of the disability as well as the date the physician anticipates the disability to terminate.

SECTION 14 - SICK LEAVE

2. If an employee does not apply for leave and the appointing authority believes that the employee is not able to properly perform her work or that her general health is impaired due to disability caused or contributed to by pregnancy, miscarriage, abortion, childbirth or recovery there from the employee shall be required to undergo a physical examination by a physician selected by the County. Should the medical report so recommend, a mandatory leave shall be imposed upon the employee for the duration of the disability.
 3. Except as set forth in Section 14.3 H Baby/Child Bonding, sick leave may not be utilized after the employee has been released from the hospital unless the employee has provided the County with a written statement from her attending physician stating that her disability continues and the projected dates of the employee's recovery from such disability.
- E. Medical and Dental Appointments. An employee may use paid sick leave credits:
1. For working time used in keeping medical and dental appointments for the employee's own care; and
 2. For working time used by an employee for pre-scheduled medical and dental appointments for an immediate family member.
- F. Emergency Care of Family. An employee may use paid sick leave credits for working time used in cases of illness or injury to an immediate family member.
- G. Death of Family Member. An employee may use paid sick leave credits for working time used because of a death in the employee's immediate family or of the employee's domestic partner, but this shall not exceed three (3) working days, plus up to two (2) days of work time for necessary travel. Use of additional accruals including sick leave when appropriate may be authorized in conjunction with the bereavement leave at the discretion of the appointing authority.
- H. Baby/Child Bonding. Upon the birth or adoption of a child, an employee eligible for baby-bonding leave pursuant to the California Family Rights Act may use sick leave credits for such baby-bonding leave.
- I. Accumulated paid sick leave credits may not be used in the following situations:
1. Vacation. Paid sick leave credits may not be used for an employee's illness or injury which occurs while he/she is on vacation but the County Administrator may authorize it when extenuating circumstances exist and the appointing authority approves.
 2. Not in Pay Status. Paid sick leave credits may not be used when the employee would otherwise be eligible to use paid sick leave credits but is not in pay status.

SECTION 14 - SICK LEAVE

14.4 Administration of Sick Leave. The proper administration of sick leave is a responsibility of the employee and the department head. Unless otherwise provided in the supplemental sections of this MOU, the following procedures apply:

A. **Employee Responsibilities**

1. Employees are responsible for notifying their department of an absence prior to the commencement of their work shift or as soon thereafter as possible. Notification shall include a statement that the absence is due to a medical condition and possible duration of the absence.
2. Employees are responsible for keeping their department informed on a continuing basis of their condition and probable date of return to work.
3. Employees are responsible for obtaining advance approval from their supervisor for the scheduled time of pre-arranged personal or family medical and dental appointment.
4. Employees are encouraged to keep the department advised of (1) a current telephone number to which sick leave related inquiries may be directed, and (2) any condition(s) and/or restriction(s) that may reasonably be imposed regarding specific locations and/or persons the department may contact to verify the employee's sick leave.

B. **Department Responsibilities.** The use of sick leave may properly be denied if these procedures are not followed. Abuse of sick leave on the part of the employee is cause for disciplinary action.

Departmental approval of sick leave is a certification of the legitimacy of the sick leave claim. The department head or designee may make reasonable inquiries about employee absences. The department may require medical verification for an absence of three (3) or more working days. The department may also require medical verification for absences of less than three (3) working days for probable cause if the employee had been notified in advance in writing that such verification was necessary. Inquiries may be made in the following ways:

1. Calling the employee's residence telephone number or other contact telephone number provided by the employee if telephone notification was not made in accordance with departmental sick leave call-in guidelines. These inquiries shall be subject to any restrictions imposed by the employee under Section 14.4.a.
2. Obtaining the employee's signature on the Absence/Overtime Record, or on another form established for that purpose, as employee certification of the legitimacy of the claim.
3. Obtaining the employee's written statement regarding the sick leave claim and duration.

4. Requiring the employee to obtain a physician's certificate or verification of the employee's illness, date(s) the employee was incapacitated, and the employee's ability to return to work, as specified above.
5. In absences of an extended nature, requiring the employee to obtain from their physician a statement of progress and anticipated date on which the employee will be able to return to work, as specified above.

Department heads are responsible for establishing timekeeping procedures which will insure the submission of a time card covering each employee absence and for operating their respective offices in accordance with these policies and with clarifying regulations issued by the Office of the County Administrator.

To help assure uniform policy application, the Director of Human Resources or designated management staff of the County Human Resources Department should be contacted with respect to sick leave determinations about which the department is in doubt.

14.5 Disability.

- A. An employee physically or mentally incapacitated for the performance of duty is subject to dismissal, suspension or demotion, subject to the County Employees Retirement Law of 1937. An appointing authority after giving notice may place an employee on leave if the appointing authority has filed an application for disability retirement for the employee, or whom the appointing authority believes to be temporarily or permanently physically or mentally incapacitated for the performance of the employee's duties.
- B. An appointing authority who has reasonable cause to believe that there are physical or mental health conditions present in an employee which endanger the health or safety of the employee, other employees, or the public, or which impair the employee's performance of duty, may order the employee to undergo at County expense and on the employees paid time a physical, medical examination by a licensed physician and/or a psychiatric examination by a licensed physician or psychologist, and receive a report of the findings on such examination. If the examining physician or psychologist recommends that treatment for physical or mental health problems, including leave, are in the best interests of the employee or the County in relation to the employee overcoming any disability and/or performing his or her duties the appointing authority may direct the employee to take such leave and/or undergo such treatment.
- C. Leave due to temporary or permanent disability shall be without prejudice to the employee's right to use sick leave, vacation, or any other benefit to which the employee is entitled other than regular salary. The Director of Human Resources may order lost pay restored for good cause and subject to the employee's duty to mitigate damages.

SECTION 14 - SICK LEAVE

- D. Before an employee returns to work from any absence for illness or injury, other leave of absence or disability leave, exceeding two weeks in duration, the appointing authority may order the employee to undergo at County expense a physical, medical, and/or psychiatric examination by a licensed physician, and may consider a report of the findings on such examination. If the report shows that such employee is physically or mentally incapacitated for the performance of duty, the appointing authority may take such action as he/she deems necessary in accordance with appropriate provisions of this MOU.
- E. Before an employee is placed on an unpaid leave of absence or suspended because of physical or mental incapacity under (a) or (b) above, the employee shall be given notice of the proposed leave of absence or suspension by letter or memorandum, delivered personally or by certified mail, containing the following:
1. A statement of the leave of absence or suspension proposed.
 2. The proposed dates or duration of the leave or suspension which may be indeterminate until a certain physical or mental health condition has been attained by the employee.
 3. A statement of the basis upon which the action is being taken.
 4. A statement that the employee may review the materials upon which the action is taken.
 5. A statement that the employee has until a specified date (not less than seven (7) work days from personal delivery or mailing of the notice) to respond to the appointing authority orally or in writing.
- F. Pending response to the notice the appointing authority for cause specified in writing may place the employee on a temporary leave of absence, with pay.
- G. The employee to whom the notice has been delivered or mailed shall have seven (7) work days to respond to the appointing authority either orally or in writing before the proposed action may be taken.
- H. After having complied with the notice requirements above, the appointing authority may order the leave of absence or suspension in writing stating specifically the basis upon which the action is being taken, delivering the order to the employee either personally or by mail, effective either upon personal delivery or deposit in the US Postal Service.
- I. An employee who is placed on leave or suspended under this section may, within ten (10) calendar days after personal delivery or mailing to the employee of the order, appeal the order in writing through the Human Resources Director to the Merit Board. Alternatively, the employee may file a written election with the Human Resources Director waiving the employee's right to appeal to the Merit Board in favor of appeal to a Disability Review Arbitrator.

SECTION 14 - SICK LEAVE

- J. In the event of an appeal either to the Merit Board or the Disability Review Arbitrator, the employee has the burden of proof to show that either:
1. The physical or mental health condition cited by the appointing authority does not exist, or
 2. The physical or mental health condition does exist, but it is not sufficient to prevent, preclude, or impair the employee's performance of duty, or is not sufficient to endanger the health or safety of the employee, other employees, or the public.
- K. If the appeal is to the Merit Board, the order and appeal shall be transmitted by the Human Resources Director to the Merit Board for hearing under the Merit Board's Procedures, Section 1114-1128 inclusive. Medical reports submitted in evidence in such hearings shall remain confidential information and shall not be a part of the public record.
- L. If the appeal is to a Disability Review Arbitrator, the employee (and his representative) will meet with the County's representative to mutually select the Disability Review Arbitrator, who may be a de facto arbitrator, or a physician, or a rehabilitation specialist, or some other recognized specialist mutually selected by the parties. The arbitrator shall hear and review the evidence. The decision of the Disability Review Arbitrator shall be binding on both the County and the employee.

Scope of the Arbitrator's Review.

1. The arbitrator may affirm, modify or revoke the leave of absence or suspension.
2. The arbitrator may make his decision based only on evidence submitted by the County and the employee.
3. The arbitrator may order back pay or paid sick leave credits for any period of leave of absence or suspension if the leave or suspension is found not to be sustainable, subject to the employee's duty to mitigate damages.
4. The arbitrator's fees and expenses shall be paid one-half by the County and one-half by the employee or employee's union.

14.6 Workers' Compensation. A permanent non-safety employee shall continue to receive the appropriate percent of regular monthly salary during any period of compensable temporary disability absence not to exceed one year. For all accepted claims filed with the County on or after January 1, 2008, the percentage of pay for employees entitled to Workers' Compensation shall be 75%. If Workers' Compensation becomes taxable, the parties shall meet and confer with respect to the salary continuation and funding of the increased cost.

SECTION 14 - SICK LEAVE

- A. Waiting Period. There is a three (3) calendar day waiting period before Workers' Compensation benefits commence. If the injured worker loses any time on the day of injury, that day counts as day one (1) of the waiting period. If the injured worker does not lose time on the date of injury, the waiting period will be the first three (3) calendar days the employee does not work as a result of the injury. The time the employee is scheduled to work during this waiting period will be charged to the employee's sick leave and/or vacation accruals. In order to qualify for Workers' Compensation the employee must be under the care of a physician. Temporary compensation is payable on the first three (3) days of disability when the injury necessitates hospitalization, or when the disability exceeds fourteen (14) days.
- B. Continuing Pay. A permanent employee shall receive the appropriate percentage as outlined above of regular monthly salary during any period of compensable temporary disability not to exceed one (1) year. Payment of continuing pay and/or temporary disability compensation is made in accordance with Part 2, Article 3 of the Workers' Compensation Laws of California. "Compensable temporary disability absence" for the purpose of this Section, is any absence due to work connected disability which qualifies for temporary disability compensation as set forth in Part 2, Article 3 of the Workers' Compensation Laws of California.

When any disability becomes medically permanent and stationary and/or reaches maximum medical improvement, the salary provided by this Section shall terminate. No charge shall be made against sick leave or vacation for these salary payments. Sick leave and vacation rights shall not accrue for those periods during which continuing pay is received.

Employees shall be entitled to a maximum of one (1) year of continuing pay benefits.

- C. Continuing pay begins at the same time that temporary Workers' Compensation benefits commence and continues until either the member is declared medically permanent/stationary and/or reaches maximum medical improvement, or until one (1) year of continuing pay, whichever comes first provided the employee remains in an active employed status. Continuing pay is automatically terminated on the date an employee is separated from County service by resignation, retirement, layoff, or the employee is no longer employed by the County. In these instances, employees will be paid Workers' Compensation benefits as prescribed by Workers' Compensation laws. All continuing pay will be cleared through the County Administrator's Office, Risk Management Division.

Whenever an employee who has been injured on the job and has returned to work is required by an attending physician to leave work for treatment during working hours the employee shall be allowed time off up to three (3) hours for such treatment without loss of pay or benefits, provided the employee notifies his/her supervisor of the appointment at least three (3) working days prior to the appointment or as soon as the employee becomes aware the appointment has been made. Said visits are to be scheduled contiguous to either the beginning or

SECTION 14 - SICK LEAVE

end of the scheduled work day whenever possible. This provision applies only to injuries/illnesses that have been accepted by the County as work related.

- D. If an injured employee remains eligible for temporary disability beyond one year, applicable salary will continue by integrating sick leave and/or vacation accruals with Workers' Compensation benefits (vacation charges to be approved by the department and the employee). If salary integration is no longer available, Workers' Compensation benefits will be paid directly to the employee as prescribed by Workers' Compensation laws.
- E. Method of Integration. An employee's sick leave and/or vacation charges shall be calculated as follows:

$$C = 8 [1 - (W \div S)]$$

C = Sick leave or vacation charge per day (in hours)

W = Statutory Workers' Compensation for a month

S = Monthly salary

For Example:

W = \$960 per month Workers' Compensation

S = \$1667 per month salary

8 = 8 hours

C = Hours to be charged to Sick Leave

$$C = 8 [1 - (\$960 \div \$1,667)]$$

$$C = 8 [1 - (.5758)]$$

$$C = 8 (.4242)$$

$$C = 3.39$$

3 hours chargeable to sick leave

5 hours chargeable to Workers' Compensation

- F. Health Insurance. The County contribution to the employee's group insurance plan(s) continues during the continuing pay period and during integration of sick leave or vacation with Workers' Compensation benefits.

14.7 Rehabilitation Program. On May 26, 1981, the Board of Supervisors established a Labor-Management Committee to administer a rehabilitation program for disabled employees. It is understood that the benefits specified above in this Section 14 shall be coordinated with the rehabilitation program as determined by the Labor-Management Committee. The Rehabilitation Committee will meet within sixty (60) days of ratification of this MOU. The County will schedule committee meetings on a quarterly basis.

14.8 Accrual During Leave Without Pay. No employee who has been granted a leave without pay or an unpaid military leave shall accrue any sick leave credits during the time of such leave nor shall an employee who is absent without pay accrue sick leave credits during the absence.

SECTION 15 - CATASTROPHIC LEAVE BANK

SECTION 15 - CATASTROPHIC LEAVE BANK

15.1 Program Design. The County Human Resources Department will operate a Catastrophic Leave Bank which is designed to assist any County employee who has exhausted all paid accruals due to a serious or catastrophic illness, injury, or condition of the employee or family member. The program establishes and maintains a Countywide bank wherein any employee who wishes to contribute may authorize that a portion of his/her accrued vacation, compensatory time, holiday compensatory time or floating holiday be deducted from those account(s) and credited to the Catastrophic Leave Bank. Employees may donate hours either to a specific eligible employee or to the bank. Upon approval, credits from the Catastrophic Leave Bank may be transferred to a requesting employee's sick leave account so that employee may remain in paid status for a longer period of time, thus partially ameliorating the financial impact of the illness, injury, or condition.

Catastrophic illness or injury is defined as a critical medical condition, a long-term major physical impairment or disability which manifests itself during employment.

15.2 Operation. The plan will be administered under the direction of the Director of Human Resources. The Human Resources Department will be responsible for receiving and recording all donations of accruals and for initiating transfer of credits from the bank to the recipient's sick leave account. Disbursement of accruals will be subject to the approval of a six (6) member committee composed of three (3) members appointed by the County Administrator and three (3) members appointed by the majority representative employee organizations. The committee shall meet as necessary to consider all requests for credits and shall make determinations as to the appropriateness of the request. The committee shall determine the amount of accruals to be awarded for employees whose donations are non-specific. Consideration of all requests by the committee will be on an anonymous requester basis.

Hours transferred from the Catastrophic Leave Bank to a recipient will be in the form of sick leave accruals and shall be treated as regular sick leave accruals.

To receive credits under this plan, an employee must have permanent status, must have exhausted all time off accruals to a level below eight (8) hours total, have applied for a medical leave of absence and have medical verification of need.

Donations are irrevocable unless the donation to the eligible employee is denied. Donations may be made in hourly blocks with a minimum donation of not less than four (4) hours per donation from balances in the vacation, holiday, floating holiday, compensatory time, or holiday compensatory time accounts. Employees who elect to donate to a specific individual shall have seventy-five percent (75%) of their donation credited to the individual and twenty-five percent (25%) credited to the Catastrophic Leave Bank.

Time donated will be converted to a dollar value and the dollar value will be converted back to sick leave accruals at the recipient's base hourly rate when disbursed. Credits will not be on a straight hour-for-hour basis. All computations will be on a standard

SECTION 16 - STATE DISABILITY INSURANCE (SDI)

173.33 basis, except that employees on other than a forty (40) hour week will have hours prorated according to their status.

Any recipient will be limited to a total of one thousand forty (1040) hours or its equivalent per catastrophic event; each donor will be limited to one hundred twenty (120) hours per calendar year.

No element of this plan is grievable. All appeals from either a donor or recipient will be resolved on a final basis by the Director of Human Resources.

No employee will have any entitlement to catastrophic leave benefits. The award of Catastrophic Leave will be at the sole discretion of the committee, both as to amounts of benefits awarded and as to persons awarded benefits. Benefits may be denied, or awarded for less than six (6) months. The committee will be entitled to limit benefits in accordance with available contributions and to choose from among eligible applicants, on an anonymous basis, those who will receive benefits, except for hours donated to a specific employee. In the event a donation is made to a specific employee and the committee determines the employee does not meet the Catastrophic Leave Bank criteria, the donating employee may authorize the hours to be donated to the bank or returned to the donor's account. The donating employee will have fourteen (14) calendar days from notification to submit his/her decision regarding the status of their donation, or the hours will be irrevocably transferred to the Catastrophic Leave Bank.

Any unused hours transferred to a recipient will be returned to the Catastrophic Leave Bank.

SECTION 16 - STATE DISABILITY INSURANCE (SDI)

16.1 General Provisions. Contra Costa County participates in the State Disability Insurance (SDI) program, subject to the rules and procedures established by the State of California. The County augments the SDI program with its SDI Integration Program. Changes to the State Disability Insurance program could affect the County's SDI Integration Program. Determination of SDI payments and eligibility to receive payments is at the sole discretion of the State of California. Employees eligible for SDI benefits are required to apply for SDI benefits and to have those benefits integrated with the use of their sick leave accruals on the following basis:

Integration means that employees will be required to use sick leave accruals to supplement the difference between the amount of the SDI payment and the employee's base monthly salary. Integration of sick leave with the SDI benefit is automatic and cannot be waived. Integration applies to all SDI benefits paid. For employees off on SDI, the department will make appropriate integration adjustments, including retroactive adjustments if necessary. Employees must inform their department of their SDI application in a timely manner in order for the department to make appropriate integration adjustments. State Disability benefit payments will be sent directly to the employees at their home address by the State of California.

SECTION 16 - STATE DISABILITY INSURANCE (SDI)

When there are insufficient sick leave accruals available to fully supplement the difference between the SDI payment and the employee's base monthly salary, accruals other than sick leave may be used. These accruals may be used only to the extent that total payments do not exceed the employee's base monthly salary.

16.2 Procedures. Employees with more than 1.2 hours of sick leave accruals at the beginning of the disability integration period must integrate their sick leave accrual usage with their SDI benefit to the maximum extent possible.

When employees have 1.2 hours or less of sick leave accruals at the beginning of the disability integration period, the department shall automatically use 0.1 hour of sick leave per month for the duration of their SDI benefit.

When sick leave accruals are totally exhausted, integration with the SDI benefit terminates. An employee may use any other accruals without reference to or integration with the SDI benefit.

When the SDI benefit is exhausted, sick leave integration terminates. Then the employee may use sick leave or other accruals.

Employees with no sick leave balance at the beginning of the disability integration period may use any other accruals without reference to or integration with the SDI benefit. Employees whose SDI claims are denied must present a copy of their claim denial to their department. The department will then authorize use of unused sick leave and shall authorize the use of other accruals as appropriate.

16.3 Method of Integration. Until an employee has a balance of 1.2 hours of sick leave, the employee's sick leave accrual charges while receiving SDI benefits shall be calculated each month.

The amount of sick leave charged each employee will be calculated in the following manner:

The percentage of base monthly salary not covered by the SDI benefit will be applied to the daily hours in the employee's schedule and that number of sick leave hours will be charged against the employee's sick leave accruals.

For purposes of integration with the SDI program, all full-time employees' schedules will be converted to 8-hour/5-day weekly work schedules during the period of integration. The formula for full-time employees' sick leave integration charges is shown below:

$$L = [(S-D) \div S] \times 8$$

S = Employee Base Monthly Salary

H = Estimated Highest Quarter (3-mos) Earnings [H = S x 3]

W = Weekly SDI Benefit from State of California SDI Weekly Benefit Table

C = Calendar Days in each Month

D = Est. Monthly SDI Benefit [D = (W ÷ 7) x C]

L = Sick Leave Charged per Day

SECTION 17 - LEAVE OF ABSENCE

Permanent part-time, permanent-intermittent employees, and those full-time employees working a light/limited duty reduced schedule program shall have their sick leave integration adjusted accordingly.

16.4 Definition. "Base Monthly Salary" for purposes of sick leave integration is defined as the salary amount for the employee's step on the salary schedule for the employee's permanent classification as shown in the "Salary" field on the On-Line Payroll Time Reporting System used by departments for payroll reporting purposes.

16.5 SDI Informational Meetings. The Benefits Division will hold two (2) meetings in East County and two (2) meetings in West County to provide information about SDI integration and sick-leave buy-back. The Union agrees to make the arrangements for meeting space and will bear the costs of securing the space.

SECTION 17 - LEAVE OF ABSENCE

17.1 Leave Without Pay. Any employee who has permanent status may be granted a leave of absence without pay upon written request, approved by the appointing authority; provided, however, that leaves for pregnancy, pregnancy disability, serious health conditions, and family care shall be granted in accordance with applicable state and federal law.

17.2 General Administration - Leaves of Absence. Requests for leave without pay shall be made upon forms prescribed by the Director of Human Resources and shall state specifically the reason for the request, the date when it is desired to begin the leave, and the probable date of return.

- A. Leave without pay may be granted for any of the following reasons:
1. Illness or disability.
 2. Pregnancy.
 3. Parental.
 4. To take a course of study such as will increase the employee's usefulness on return to the position.
 5. For other reasons or circumstances acceptable to the appointing authority.
- B. An employee must request family care leave at least thirty (30) days before the leave is to begin if the need for the leave is foreseeable. If the need is not foreseeable, the employee must provide written notice to the employer within five (5) days of learning of the event by which the need for family care leave arises.
- C. A leave without pay may be for a period not to exceed one (1) year, provided the appointing authority may extend such leave for additional periods. The procedure in granting extensions shall be the same as that in granting the original leave,

SECTION 17 - LEAVE OF ABSENCE

provided that the request for extension must be made not later than thirty (30) calendar days before the expiration of the original leave.

- D. Nevertheless, a leave of absence for the employee's serious health condition or for family care (FMLA) shall be granted to an employee who so requests it for up to eighteen (18) weeks during a "rolling" twelve (12) month period measured backward from the date an employee uses his/her FMLA leave in accordance with Section 17.5 below.
- E. Whenever an employee who has been granted a leave without any pay desires to return before the expiration of such leave, the employee shall submit a request to the appointing authority in writing at least fifteen (15) days in advance of the proposed return. Early return is subject to prior approval by the appointing authority. The Human Resources Department shall be notified promptly of such return.
- F. Except in the case of leave of absence due to family care, pregnancy, pregnancy disability, illness, or serious health condition, the decision of the appointing authority on granting or denying a leave or early return from leave shall be subject to appeal to the Director of Human Resources and not subject to appeal through the grievance procedure set forth in this MOU.

17.3 Furlough Days Without Pay (VTO). Subject to the prior written approval of the appointing authority, employees may elect to take furlough days or hours without pay (pre-authorized absence without pay), up to a maximum of fifteen (15) calendar days for any one period. Longer pre-authorized absences without pay are considered leaves of absence without pay. Employees who take furlough time shall have their compensation for the portion of the month worked computed in accord with Section 5.6 - Compensation for Portion of Month of this MOU. Full-time and part-time employees who take furlough time shall have their vacation, sick leave, floating holiday, and any other payroll computed accruals computed as though they had worked the furlough time. When computing vacation, sick leave, floating holiday and other accrual credits for employees taking furlough time, this provision shall supersede Section 12.1, 13.1, 13.3, 14.2 and 14.8 of this MOU regarding the computation of vacation, sick leave, floating holiday, and other accrual credits as regards furlough time only. For payroll purposes, furlough time (absence without pay with prior authorization of the appointing authority) shall be reported separately from other absences without pay to the Auditor-Controller. The existing VTO program shall be continued for the life of the contract.

17.4 Military Leave. Any employee who is ordered to serve as a member of the State Militia or the United States Army, Navy, Air Force, Marine Corps, Coast Guard or any division thereof shall be granted a military leave for the period of such service, plus ninety (90) days. Additionally, any employee who volunteers for service during a mobilization under Executive Order of the President or Congress of the United States and/or the State Governor in time of emergency shall be granted a leave of absence in accordance with applicable state or federal laws. Upon the termination of such service or upon honorable discharge, the employee shall be entitled to return to his/her position in the classified service provided such still exists and the employee is otherwise qualified, without any loss of standing of any kind whatsoever.

SECTION 17 - LEAVE OF ABSENCE

An employee who has been granted a military leave shall not, by reason of such absence, suffer any loss of vacation, holiday, or sick leave privileges which may be accrued at the time of such leave, nor shall the employee be prejudiced thereby with reference to salary adjustments or continuation of employment. For purposes of determining eligibility for salary adjustments or seniority in case of layoff or promotional examination, time on military leave shall be considered as time in County service.

Any employee who has been granted a military leave, may upon return, be required to furnish such evidence of performance of military service or of honorable discharge as the Director of Human Resources may deem necessary.

17.5 Family Care Leave or Medical Leave. Upon request to the appointing authority, in a “rolling” twelve (12) month period measured backward from the date the employee uses his/her FMLA leave, any employee who has permanent status shall be entitled to at least eighteen (18) weeks leave (less if so requested by the employee) for:

- A. Medical leave of absence for the employee's own serious health condition which makes the employee unable to perform the functions of the employee's position; or
- B. Family care leave of absence without pay for reason of the birth of a child of the employee, the placement of a child with an employee in connection with the adoption or foster care of the child by the employee, or the serious illness or health condition of a child, parent, spouse, or domestic partner of the employee.

17.6 Certification. The employee may be asked to provide certification of the need for family care leave or medical leave. Additional period(s) of family care or medical leave may be granted by the appointing authority.

17.7 Intermittent Use of Leave. The eighteen (18) week entitlement may be in broken periods, intermittently on a regular or irregular basis, or may include reduced work schedules depending on the specific circumstances and situations surrounding the request for leave. The eighteen (18) weeks may include use of appropriate available paid leave accruals when accruals are used to maintain pay status, but use of such accruals is not required beyond that specified in Section 17.12 below. When paid leave accruals are used for a medical or family care leave, such time shall be counted as a part of the eighteen (18) week entitlement.

17.8 Aggregate Use for Spouses. In the situation where husband and wife are both employed by the County, the family care or medical leave entitlement based on the birth, adoption or foster care of a child is limited to an aggregate for both employees together of eighteen (18) weeks during a “rolling” twelve (12) month measured backward from the date the employee uses his/her FMLA leave. Employees requesting family care leave are required to advise their appointing authority(ies) when their spouse is also employed by the County.

17.9 Definitions. For medical and family care leaves of absence under this section, the following definitions apply:

SECTION 17 - LEAVE OF ABSENCE

- A. Child: A biological, adopted, or foster child, stepchild, legal ward, conservatee or a child who is under eighteen (18) years of age for whom an employee stands in loco parentis or for whom the employee is the guardian or conservator, or an adult dependent child of the employee.
- B. Parent: A biological, foster, or adoptive parent, a step-parent, legal guardian, conservator, or other person standing in loco parentis to a child.
- C. Spouse: A partner in marriage as defined in California Civil Code Section 4100.
- D. Domestic Partner: An unmarried person, eighteen (18) years or older, to whom the employee is not related and with whom the employee resides and shares the common necessities of life.
- E. Serious Health Condition: An illness, injury, impairment, or physical or mental condition which warrants the participation of a family member to provide care during a period of treatment or supervision and involves either inpatient care in a hospital, hospice or residential health care facility or continuing treatment or continuing supervision by a health care provider (e.g. physician or surgeon) as defined by state and federal law.
- F. Certification for Family Care Leave: A written communication to the employer from a health care provider of a person for whose care the leave is being taken which need not identify the serious health condition involved, but shall contain:
 - 1. The date, if known, on which the serious health condition commenced.
 - 2. The probable duration of the condition.
 - 3. An estimate of the amount of time which the employee needs to render care or supervision.
 - 4. A statement that the serious health condition warrants the participation of a family member to provide care during period of treatment or supervision.
 - 5. If for intermittent leave or a reduced work schedule leave, the certification should indicate that the intermittent leave or reduced leave schedule is necessary for the care of the individual or will assist in their recovery, and its expected duration.
- G. Certification for Family Medical Leave: A written communication from a health care provider of an employee with a serious health condition or illness to the employer, which need not identify the serious health condition involved, but shall contain:
 - 1. The date, if known, on which the serious health condition commenced.

SECTION 17 - LEAVE OF ABSENCE

3. A statement that the employee is unable to perform the functions of the employee's job.
 4. If for intermittent leave or a reduced work schedule leave, the certification should indicate the medical necessity for the intermittent leave or reduced leave schedule and its expected duration.
- H. **Comparable Positions:** A position with the same or similar duties and pay which can be performed at the same or similar geographic location as the position held prior to the leave. Ordinarily, the job assignment will be the same duties in the same program area located in the same city, although specific clients, caseload, co-workers, supervisor(s), or other staffing may have changed during an employee's leave.

17.10 Pregnancy Disability Leave. Insofar as pregnancy disability leave is used under Section 14.3.D (Sick Leave Utilization for Pregnancy Disability), that time will not be considered a part of the eighteen (18) week family care leave period.

17.11 Group Health Plan Coverage. Employees who were members of one of the group health plans prior to commencement of their leave of absence can maintain their health plan coverage with the County contribution by maintaining their employment in pay status as described in Section 17.12. During the eighteen (18) weeks of an approved medical or family care leave under Section 17.5 above, the County will continue its contribution for such health plan coverage even if accruals are not available for use to maintain pay status as required under Section 17.12. In order to maintain such coverage, employees are required to pay timely the full employee contribution to maintain their group health plan coverage, either through payroll deduction or by paying the County directly.

17.12 Leave Without Pay - Use of Accruals.

- A. **All Leaves of Absence.** During the first twelve (12) month period of any leave of absence without pay, an employee may elect to maintain pay status each month by using available sick leave (if so entitled under Section 14.3 - Policies Governing the Use of Paid Sick Leave), vacation, floating holiday, compensatory time off or other accruals or entitlements; in other words, during the first twelve (12) months, a leave of absence without pay may be "broken" into segments and accruals used on a monthly basis at the employee's discretion. After the first twelve (12) months, the leave period may not be "broken" into segments and accruals may not be used, except when required by LTD Benefit Coordination or SDI/Sick Leave Integration or as provided Section 16.3 or in the sections below.
- B. **Family Care or Medical Leave (FMLA).** During the eighteen (18) weeks of an approved medical or family care leave, if a portion of that leave will be on a leave of absence without pay, the employee will be *required* to use *at least* 0.1 hour of sick leave (if so entitled under Section 14.3 - Policies Governing the Use of Paid Sick Leave), vacation, floating holiday, compensatory time off or other accruals

SECTION 17 - LEAVE OF ABSENCE

or entitlements if such are available, although use of additional accruals is permitted under subsection A. above.

- C. **Leave of Absence/Long Term Disability (LTD) Benefit Coordination.** An eligible employee who files an LTD claim and concurrently takes a leave of absence without pay will be required to use accruals as provided in Section B herein during the eighteen (18) week entitlement period of a medical leave specified above. If an eligible employee continues beyond the eighteen (18) week entitlement period on a concurrent leave of absence/LTD claim, the employee may choose to maintain further pay status only as allowed under subsection A. herein.
- D. Sick leave accruals may not be used during any leave of absence, except as allowed under Section 14.3 - **Policies Governing the Use of Paid Sick Leave.**

17.13 Leave of Absence Replacement and Reinstatement. Any permanent employee who requests reinstatement to the classification held by the employee in the same department at the time the employee was granted a leave of absence, shall be reinstated to a position in that classification and department and then only on the basis of seniority. In case of severance from service by reason of the reinstatement of a permanent employee, the provisions of Section 11 - **Workforce Reduction/Layoff/Reassignment** shall apply.

17.14 Leave of Absence Return. In the Employment & Human Services Department an employee shall have the right to return to the same class, building, and assignment (position control number) if the return to work is within eighty-nine (89) consecutive days from the initial date the employee started the leave of absence. At such time the leave of absence is approved by the Appointing Authority, the Employment & Human Services Department shall notify the employee of the final date by which he/she shall return to be assigned to the same position control number.

17.15 Reinstatement From Family Care/Medical Leave. In the case of a family care or medical leave, an employee on a 5/40 schedule shall be reinstated to the same or comparable position if the return to work is after no more than ninety (90) work days of leave from the initial date of a continuous leave, including use of accruals, or within the equivalent on an alternate work schedule. A full-time employee taking an intermittent or reduced work schedule leave shall be reinstated to the same or comparable position if the return to work on a full schedule is after no more than seven hundred twenty (720) hours, including use of accruals, of intermittent or reduced schedule leave. At the time the original leave is approved, the appointing authority shall notify the employee in writing of the final date to return to work, or the maximum number of hours of leave, in order to guarantee reinstatement to the same or comparable position. An employee on a schedule other than 5/40 shall have the time frame for reinstatement to the same or comparable position adjusted on a pro rata basis.

17.16 Salary Review While on Leave of Absence. The salary of an employee who is on leave of absence from a County position on any anniversary date and who has not been absent from the position on leave without pay more than six (6) months during the

SECTION 18 - JURY DUTY AND WITNESS DUTY

preceding year, shall be reviewed on the anniversary date. Employees on military leave shall receive salary increments that may accrue to them during the period of military leave.

17.17 Unauthorized Absence. An unauthorized absence from the work site or failure to report for duty after a leave request has been disapproved, revoked, or canceled by the appointing authority, or at the expiration of a leave, shall be without pay. Such absence may also be grounds for disciplinary action.

17.18 Non-Exclusivity. Other MOU language on this subject, not in conflict, shall remain in effect.

SECTION 18 - JURY DUTY AND WITNESS DUTY

18.1 Jury Duty. For purposes of this Section, jury duty shall be defined as any time an employee is obligated to report to the court.

- A. When called for jury duty, County employees, like other citizens, are expected to discharge their jury duty responsibilities.
- B. Employees shall advise their department as soon as possible if scheduled to appear for jury duty.
- C. If summoned for jury duty in a Superior, Federal Court, or a Coroners jury, employees may remain in their regular County pay status, or they may take paid leave (vacation, floating holiday, etc.) or leave without pay and retain all fees and expenses paid to them.
- D. When an employee is summoned for jury duty selection or is selected as a juror in a Superior or Federal Court, employees may remain in a regular pay status if they waive all fees (other than mileage), regardless of shift assignment and the following shall apply:
 1. If an employee elects to remain in a regular pay status and waive or surrender all fees (other than mileage), the employee shall obtain from the Clerk or Jury Commissioner a certificate indicating the days attended and noting that fees other than mileage are waived or surrendered. The employee shall furnish the certificate to his department where it will be retained as a department record. No "Absence/Overtime Record" is required.
 2. An employee who elects to retain all fees must take leave (vacation, floating holiday, etc.) or leave without pay. No court certificate is required but an "Absence/Overtime Record" must be submitted to the department payroll clerk.

SECTION 19 - MEDICAL, DENTAL, & LIFE INSURANCE

- E. Employees are not permitted to engage in any employment regardless of shift assignment or occupation before or after daily jury service that would affect their ability to properly serve as jurors.
- F. An employee on short notice standby to report to court, whose job duties make short notice response impossible or impractical, shall be given alternate work assignments for those days to enable them to respond to the court on short notice.
- G. When an employee is required to serve on jury duty, the County will adjust that employee's work schedule to coincide with a Monday to Friday schedule for the remainder of their service, unless the employee requests otherwise.
- H. Permanent-intermittent employees are entitled to paid jury duty leave only for those days on which they were previously scheduled to work.

18.2 Witness Duty. Employees called upon as a witness or an expert witness in a case arising in the course of their work or the work of another department may remain in their regular pay status and turn over to the County all fees and expenses paid to them other than mileage allowance or they may take vacation leave or leave without pay and retain all fees and expenses.

Employees called to serve as witnesses in private cases or personal matters (e.g., accident suits and family relations) shall take vacation leave or leave without pay and retain all witness fees paid to them.

Employees shall advise their department as soon as possible if scheduled to appear for witness duty. Permanent-intermittent employees are entitled to paid witness duty only for those days on which they were previously scheduled to work.

SECTION 19 - MEDICAL, DENTAL, & LIFE INSURANCE

19.1 Health Plan Coverages. The County will provide the medical and dental coverage for permanent employees regularly scheduled to work twenty (20) or more hours per week and for their eligible family members, expressed in one of the Medical Plan contracts and one of the Dental Plan contracts between the County and the following providers:

Cadillac Tax) under the federal Patient Protection and Affordable Care Act ("ACA") (42 U.S.C. § 18081), the Joint Labor/Management Benefit Committee will meet to consider plan design and other changes in an effort to mitigate the negative impact of the excise penalty. If the Committee is unable to make sufficient plan changes and the plan(s) continue to meet the criteria for high cost employer-sponsored health plan(s), such plan(s) will be eliminated for all employees beginning January 1, 2018.

19.2 Monthly Premium Subsidy:

- A. For each medical and/or dental plan, the County's monthly premium subsidy is a set dollar amount and is not a percentage of the premium charged by the plan. The County will pay the following monthly premium subsidy:

SECTION 19 - MEDICAL, DENTAL, & LIFE INSURANCE

The 2-tier premium structure in effect for the 2016 plan year will continue to apply to eligible retirees until such time as the County implements a 3-tier premium structure for a majority of all eligible County retirees participating in County health plans.

- B. If the County contracts with a medical and/or dental plan provider not listed above, the amount of the premium subsidy that the County will pay to that medical and/or dental plan provider for employees and their eligible family members shall not exceed the amount of the premium subsidy that the County would have paid to the former plan provider.
- C. In the event that the County premium subsidy amounts are greater than one hundred percent (100%) of the applicable premium of any medical and/or dental plan, for any plan year, the County's contribution will not exceed one hundred percent (100%) of the applicable plan premium.
- D. **Joint Labor/Management Benefit Committee.** The Union will join the Joint Labor/Management Benefit Committee ("Benefit Committee") created in 2016 that will convene in order to 1) select a replacement medical or dental plan in the event that a plan listed in this Section 19 is no longer available; 2) design a wellness program; 3) discuss future medical, dental, or vision plan design; or 4) assess the future impact of any excise tax pursuant to the federal Patient Protection and Affordable Care Act ("ACA") (42 U.S.C. § 18081) on any high cost medical plans offered by the County. The Benefit Committee replaces the existing Healthcare Oversight Committee. The existing Healthcare Coalition will remain, but may meet quarterly. The Benefit Committee will be composed of two (2) representatives (not including Union/Association staff) from each Union/Association in the County and Management representatives to be determined. If the Benefit Committee is selecting a replacement medical or dental plan, the selection must be unanimously agreed upon by the Union/Association representatives on the Committee and any such selected plan will be available to employees represented by the Unions and incorporated into their respective MOUs after ratification by each Union/Association. The Union may begin participating in the Benefit Committee following ratification of this MOU.

19.3 Retirement Coverage:

- A. **Upon Retirement:**
 - 1. Upon retirement, eligible employees and their eligible family members may remain in their County health/dental plan, but without County-paid life insurance coverage, if immediately before their proposed retirement the employees and dependents are either active subscribers to one of the County contracted health/dental plans or if while on authorized leave of absence without pay, they have retained continuous coverage during the leave period. The County will pay the health/dental plan monthly premium subsidies set forth in Section 19.2 for eligible retirees and their eligible family

members.

2. Any person who becomes age 65 on or after January 1, 2010 and who is eligible for Medicare must immediately enroll in Medicare Parts A and B.
 3. For employees hired on or after January 1, 2010 and their eligible family members, no monthly premium subsidy will be paid by the County for any health and/or dental plan after they separate from County employment. However, any such eligible employee who retires under the Contra Costa County Employees' Retirement Association ("CCCERA") may retain continuous coverage of a county health or dental plan provided that (i) he or she begins to receive a monthly retirement allowance from CCCERA within 120 days of separation from County employment and (ii) he or she pays the full premium cost under the health and/or dental plan without any County premium subsidy.
- B. Employees Who File For Deferred Retirement: Employees, who resign and file for a deferred retirement and their eligible family members, may continue in their County group health and/or dental plan under the following conditions and limitations.
1. Health and dental coverage during the deferred retirement period is totally at the expense of the employee, without any County contributions.
 2. Life insurance coverage is not included.
 3. To continue health and dental coverage, the employee must:
 - a. be qualified for a deferred retirement under the 1937 Retirement Act provisions;
 - b. be an active member of a County group health and/or dental plan at the time of filing their deferred retirement application and elect to continue plan benefits;
 - c. be eligible for a monthly allowance from the Retirement System and direct receipt of a monthly allowance within twenty-four (24) months of application for deferred retirement; and
 - d. file an election to defer retirement and to continue health benefits hereunder with the County Benefits Division within thirty (30) days before separation from County service.
 4. Deferred retirees who elect continued health benefits hereunder and their eligible family members may maintain continuous membership in their County health and/or dental plan group during the period of deferred retirement by paying the full premium for health and dental coverage on or before the 10th of each month, to

SECTION 19 - MEDICAL, DENTAL, & LIFE INSURANCE

- the Contra Costa County Auditor-Controller. When the deferred retirees begin to receive retirement benefits, they will qualify for the same health and/or dental coverage pursuant to subsection (A) above, as similarly situated retirees who did not defer retirement.
5. Deferred retirees may elect retiree health benefits hereunder without electing to maintain participation in their County health and/or dental plan during their deferred retirement period. When they begin to receive retirement benefits they will qualify for the same health and/or dental coverage pursuant to subsection (A), above, as similarly situated retirees who did not defer retirement, provided reinstatement to a County group health and/or dental plan will only occur following a three (3) full calendar month waiting period after the month in which their retirement allowance commences.
 6. Employees who elect deferred retirement will not be eligible in any event for County health and/or dental plan subvention unless the member draws a monthly retirement allowance within twenty-four (24) months after separation from County service.
 7. Deferred retirees and their eligible family members are required to meet the same eligibility provisions for retiree health/dental coverage, as similarly situated retirees who did not defer retirement.
- C. Employees Hired After December 31, 2006. - Eligibility for Retiree Health Coverage: All employees hired after December 31, 2006 are eligible for retiree health/dental coverage pursuant to subsections (A) and (B), above, upon completion of fifteen (15) years of service as an employee of Contra Costa County. For purposes of retiree health eligibility, one year of service is defined as one thousand (1,000) hours worked within one anniversary year. The existing method of crediting service while an employee is on an approved leave of absence will continue for the duration of this Agreement.
- D. SECTION 19 - MEDICAL, DENTAL, & LIFE INSURANCE

19.9 Supplemental Life Insurance. In addition to the life insurance benefits provided by this agreement, employees may subscribe voluntarily and at their own expense for supplemental life insurance. Employees may subscribe for an amount not to exceed five hundred thousand dollars (\$500,000), of which one hundred thousand (\$100,000) is a guaranteed issue, provided the election is made within the required enrollment periods.

19.10 Health Care Spending Account. After six (6) months of permanent employment, full time and part time (20/40 or greater) employees may elect to participate in a Health Care Spending Account (HCSA) Program designed to qualify for tax savings under Section 125 of the Internal Revenue Code, but such savings are not guaranteed. The HCSA Program allows employees to set aside a predetermined amount of money from their pay, not to exceed the maximum amount authorized by federal law, per calendar year, of before tax dollars, for health care expenses not reimbursed by any other health benefit plans. HCSA dollars may be expended on any eligible medical expenses allowed by Internal Revenue Code Section 125. Any unused balance is forfeited and cannot be recovered by the employee.

19.11 Health Plan Participants: Permanent active employees, including project employees, regularly scheduled to work twenty (20) or more hours per week and who are enrolled in a County provided health plan as of June 1, 2016, will receive a lump sum payment of one thousand dollars (\$1,000) on August 10, 2016, or on the tenth day of the month following approval of the MOU, whichever is later. This provision does not apply to permanent-intermittent, temporary, or per diem employees.

19.12 PERS Long-Term Care. The County will deduct and remit monthly premiums to the PERS Long-Term Care Administrator for employees who are eligible and voluntarily elect to purchase long-term care at their personal expense through the PERS Long-Term Care Program.

19.13 Dependent Care Assistance Program. The County offers the option of enrolling in a Dependent Care Assistance Program (DCAP) designed to qualify for tax savings under Section 129 of the Internal Revenue Code, but such savings are not guaranteed. The program allows employees to set aside up to five thousand dollars (\$5,000) of annual salary (before taxes) per calendar year to pay for eligible dependent care (child and elder care) expenses. Any unused balance is forfeited and cannot be recovered by the employee.

19.14 Premium Conversion Plan. The County offers the Premium Conversion Plan (PCP) designed to qualify for tax savings under Section 125 of the Internal Revenue Code, but tax savings are not guaranteed. The program allows employees to use pre-tax dollars to pay health and dental premiums.

19.15 Prevailing Section. To the extent that any provision of this Section (Section 19 Medical, Dental, & Life Insurance) is inconsistent with any provision of any other County enactment or policy, including but not limited to Administrative Bulletins, the Salary Regulations, the Personnel Management Regulations, or any other agreement or order of the Board of Supervisors, the provision(s) of this Section (Section 19 Medical, Dental,

& Life Insurance) will prevail.

19.16 Rate Information. The County Benefits Division will make health and dental plan rate information available upon request to employees and departments. In addition, the County Benefits Division will publish and distribute to employees and departments information about rate changes as they occur during the year.

19.17 Partial Month. The County's contribution to the health plan premium is payable for any month in which the employee is paid. If an employee is not paid enough compensation in a month to pay the employee share of the premium, the employee must make up the difference by remitting the amount delinquent to the Auditor-Controller. The responsibility for this payment rests with the employee. If payment is not made, the employee shall be dropped from the health plan.

19.18 Coverage During Absences.

Employees shall be allowed to maintain their health plan coverage at the County group rate for twelve (12) months if on approved leave of absence provided that the employee shall pay the entire premium (i.e. both employer and employee share) for the health plan during said leave. Said payment shall be made by the employee at a time and place specified by the County. Late payment shall result in cancellation of health plan coverage.

An employee on leave in excess of twelve (12) months may continue group coverage subject to the provisions of the Consolidated Omnibus Budget Reconciliation Act (COBRA) provided the employee pays the entire cost of coverage, plus any administrative fees, for the option selected. The entire cost of coverage shall be paid at a place and time specified by the County. Late payment may result in cancellation of health plan coverage with no reinstatement allowed.

19.19 Health Benefit Coverage for Employees Not Otherwise Covered. To access County health plans, an employee represented by the Union who is not otherwise eligible for health coverage by the County, must be eligible to receive an offer of coverage from the County under the federal Patient Protection and Affordable Care Act ("ACA") (42 U.S.C. § 18081). Employees eligible to receive an offer of coverage (and qualified dependents), will be offered access to County health insurance plans. Employees will be responsible for the full premium cost of coverage. This provision is not subject to the grievance process.

SECTION 20 - PROBATIONARY PERIOD

20.1 Duration. All appointments from officially promulgated employment lists for original entrance and promotion shall be subject to a probationary period. For original entrance appointments, the probationary period shall be from nine (9) months to two (2) years duration. 20.2 Classes With Probationary Period Over Six / Nine Months. Listed below are those classes represented by the Union which have probation periods in excess of nine

SECTION 20 - PROBATIONARY PERIOD

Public Service Officer - one (1) year

20.3 Revised Probationary Period. When the probationary period for a class is changed, only new appointees to positions in the classification shall be subject to the revised probationary period.

20.4 Criteria. The probationary period shall date from the time of appointment to a permanent position after certification from an eligible list. It shall not include time served under provisional appointment or under appointment to limited term positions or any period of continuous leave of absence without pay or period of work connected disability exceeding fifteen (15) calendar days.

For those employees appointed to permanent-intermittent positions with a nine (9) month probation period, probation will be considered completed upon serving fifteen hundred (1500) hours after appointment except that in no instance will this period be less than nine (9) calendar months from the beginning of probation. If a permanent-intermittent probationary employee is reassigned to full-time, credit toward probation completion in the full-time position shall be prorated on the basis of one hundred seventy-three (173) hours per month.

20.5 Rejection During Probation. An employee who is rejected during the probation period and restored to the eligible list shall begin a new probationary period if subsequently certified and appointed.

- A. Appeal from Rejection. Notwithstanding any other provisions of this section, an employee (probationer) shall have the right to appeal from any rejection during the probationary period based on political, or religious or union activities, or race, color, national origin, sex, age, disability, or sexual orientation.
- B. The appeal must be written, must be signed by the employee and set forth the grounds and facts by which it is claimed that grounds for appeal exist under Subsection A and must be filed through the Director of Human Resources to the Merit Board by 5:00 p.m. on the seventh (7th) calendar day after the date of delivery to the employee of notice of rejection.
- C. The Merit Board shall consider the appeal, and if it finds probable cause to believe that the rejection may have been based on grounds prohibited in Subsection A, it may refer the matter to a Hearing Officer for hearing, recommended findings of fact, conclusions of law and decision, pursuant to the relevant provisions of the Merit Board rules in which proceedings the rejected probationer has the burden of proof.
- D. If the Merit Board finds no probable cause for a hearing, it shall deny the appeal. If, after hearing, the Merit Board upholds the appeal, it shall direct that the appellant be reinstated in the position and the appellant shall begin a new

SECTION 20 - PROBATIONARY PERIOD

probationary period unless the Merit Board specifically reinstates the former period.

20.6 Regular Appointment. The regular appointment of a probationary employee will begin on the day following the end of the probationary period. A probationary employee may be rejected at any time during the probation period without regard to the Skelly provisions of this Memorandum, without notice and without right of appeal or hearing, except as provided in Section 20.5.A.

Notwithstanding any other provisions of the MOU, an employee rejected during the probation period from a position in the Merit System to which the employee had been promoted or transferred from an eligible list, shall be restored to a position in the department from which the employee was promoted or transferred.

An employee dismissed for other than disciplinary reasons within six (6) months after being promoted or transferred from a position in the Merit System to a position not included in the Merit System shall be restored to a position in the classification in the department from which the employee was promoted or transferred.

A probationary employee who has been rejected or has resigned during probation shall not be restored to the eligible list from which the employee was certified unless the employee receives the affirmative recommendation from the appointing authority and is certified by the Director of Human Resources whose decision is final. The Director of Human Resources shall not certify the name of a person restored to the eligible list to the same appointing authority by whom the person was rejected from the same eligible list, unless such certification is requested in writing by the appointing authority.

20.7 Layoff During Probation. An employee who is laid off during probation, if reemployed in the same class by the same department, shall be required to complete only the balance of the required probation.

If reemployed in another department or in another classification, the employee shall serve a full probationary period. An employee appointed to a permanent position from a layoff or reemployment list is subject to a probation period if the position is in a department other than the department from which the employee separated, displaced, or voluntarily demoted in lieu of layoff. An appointment from a layoff or reemployment list is not subject to a probation period if the position is in the department from which the employee separated, displaced or voluntarily demoted in lieu of layoff.

20.8 Rejection During Probation of Layoff Employee. An employee who has achieved permanent status in the class before layoff and who subsequently is appointed from the layoff list and then rejected during the probation period shall be automatically restored to the layoff list, unless discharged for cause, if the person is within the period of layoff eligibility. The employee shall begin a new probation period of subsequently certified and appointed in a different department or classification than that from which the employee was laid off.

SECTION 21 - PROMOTION

SECTION 21 - PROMOTION

21.1 Competitive Exam. Promotion shall be by competitive examination unless otherwise provided in this MOU.

21.2 Promotion Policy. The Director of Human Resources, upon request of an appointing authority, shall determine whether an examination is to be called on a promotional basis.

21.3 Open Exam. If an examination for one of the classes represented by the Union is proposed to be announced on an Open only basis the Director of Human Resources shall give five (5) days prior notice of such proposed announcement and shall meet at the request of the Union to discuss the reasons for such open announcement.

21.4 Promotion via Reclassification Without Examination. Notwithstanding other provisions of this Section, an employee may be promoted from one classification to a higher classification and his/her position reclassified at the request of the appointing authority and under the following conditions:

- A. An evaluation of the position(s) in question must show that the duties and responsibilities have significantly increased and constitute a higher level of work.
- B. The incumbent of the position must have performed at the higher level for six (6) months.
- C. The incumbent must meet the minimum education and experience requirements for the higher class.
- D. The action must have approval of the Director of Human Resources.
- E. The Union approves such action.

The appropriate rules regarding probationary status and salary on promotion are applicable.

21.5 Requirements for Promotional Standing. In order to qualify for an examination called on a promotional basis, an employee must have probationary or permanent status in the merit system and must possess the minimum qualifications for the class. Applicants will be admitted to promotional examinations only if the requirements are met on or before the final filing date. If an employee who is qualified on a promotional employment list is separated from the merit system, except by layoff, the employee's name shall be removed from the promotional list.

21.6 Seniority Credits. Employees who have qualified to take promotional examinations and who have earned a total score, not including seniority credits, of seventy (70) percent or more, shall receive, in addition to all other credits, five one-hundredths of one percent (.05%) for each completed month of service as a permanent County employee continuously preceding the final date for filing application for said

examination. For purposes of seniority credits, leaves of absence shall be considered as service. Seniority credits shall be included in the final percentage score from which the rank on the promotional list is determined. No employee, however, shall receive more than a total of five percent (5%) credit for seniority in any promotional examination.

21.7 Release Time for Physical Examination. County employees who are required as part of the promotional examination process to take a physical examination shall do so on County time at the County's expense.

21.8 Release Time for Examinations. Permanent employees will be granted reasonable time from work without loss of pay to take County examinations or to go to interviews for a County position provided the employees give the Department sufficient notice of the need for time off. "Reasonable" release time shall include time for travel and interviewing/testing.

SECTION 22 - TRANSFER & REASSIGNMENT

22.1 Transfer Conditions. The following conditions are required in order to qualify for transfer:

- A. The position shall be in the same class, or if in a different class shall have been determined by the Director of Human Resources to be appropriate for transfer on the basis of minimum qualifications and qualifying procedure.
- B. The employee shall have permanent status in the merit system and shall be in good standing.
- C. The appointing authority or authorities involved in the transaction shall have indicated their agreement in writing.
- D. The employee concerned shall have indicated agreement to the change in writing.
- E. The Director of Human Resources shall have approved the change. Notwithstanding the foregoing, transfer may also be accomplished through the regular appointment procedure provided that the individual desiring transfer has eligibility on a list for a class for which appointment is being considered.

22.2 Transfer Policy. Any employee or appointing authority who desires to initiate a transfer may inform the Director of Human Resources in writing of such desire stating the reasons therefore. The Director of Human Resources shall if he or she considers that the reasons are adequate and that the transfer will be for the good of the County service and the parties involved, inform the appointing authority or authorities concerned and the employee of the proposal and may take the initiative in accomplishing the transfer.

SECTION 22 - TRANSFER & REASSIGNMENT

22.3 Voluntary Reassignment (Bidding) Procedure.

Permanent employees may request reassignment to vacant permanent positions in the same classification or in the same level of their deep classification. All permanent vacancies will be offered for bid to presently assigned full-time, part-time and permanent-intermittent employees for reassignment. Nothing herein precludes the making of temporary reassignments not entailing the filling of vacant permanent positions. The following procedures shall apply:

- A. Responsibility. Implementation of the reassignment procedure is the responsibility of the supervisor of the position which is vacant.
- B. Vacancy Notices Posted. Vacant position notices for positions which are to be filled shall be posted for seven (7) calendar days. The notice shall specify job characteristics including the specific hours and days of work, noting that the hours and days of work are subject to change as provided for by the MOU and shall be posted only once. The supervisor may begin interviewing bidders immediately upon posting the bid notice. If the supervisor receives less than three (3) bidders, he or she may fill the position by using the Merit System eligible list or by making internal reassignments. For purposes of this procedure, a bidder is an employee in the same class who is eligible to bid under Section d, following, and who meets all the minimum qualifications for the position including any specialized requirements such as bilingual ability, position flag requirements, and who submits a bid on the position.
- C. All Vacancies Must be Posted. All vacant positions which may occur by creation of new positions, separation, promotion, demotion or reassignment must be posted for permanent employee bidding.
- D. Who May Request Reassignment. All permanent full-time, permanent part-time or permanent-intermittent employees may request reassignment to any open permanent position in the same classification or in the same level of a deep classification anywhere else in their Department.
- E. Who May Not Request Reassignment. Employees who are in a temporary status may not bid for reassignment under this procedure.
- F. Employee Selection. If three (3) or more employees bid on the position, the position shall be filled from among the three (3) most senior bidders. For the purposes of bidder selection, the "Rule of 3" shall apply. That is, the supervisor is entitled to select from three (3) candidates and the three (3) most senior may be considered as equal. Seniority for bidding purposes means classification seniority for layoff purposes. If two (2) employees bid, the supervisor shall be entitled to one (1) additional name from an eligible list. If one (1) employee bids, the supervisor shall be entitled to two (2) additional names from an eligible list. If no employees bid, the supervisor may fill the position from an eligible list or otherwise in accordance with the Personnel Management Regulations.

SECTION 22 - TRANSFER & REASSIGNMENT

The supervisor shall offer to interview all candidates either in person or on the telephone. Subsequent to submitting a bid, an employee may waive consideration for the position at any time by notifying the supervisor verbally or in writing in which case the next most senior bidder (if any) or candidate from the eligible list may be considered. The remaining active bidders will be advised within ten (10) work days after the posting is removed whether they have been selected or the status of their bid. If requested by the employee, supervisors shall give an employee in writing the reason(s) why he or she was not selected.

- G. No Old Job Claim. The selected employee shall have no claim on the job(s) he or she left. If a decision is made by the employee to seek immediate reassignment, the employee may only be placed in another vacant position in accordance with this policy.
- H. Bidding While on Leave. Employees interested in a particular assignment and wishing to be notified of an open position while on vacation, sick leave or leave of absence (not scheduled day off) may leave a written notice or a self-addressed, stamped envelope with the supervisor of the position they are interested in.
- I. Probationary and New Assignment Bidding. Employees who are on probation or who have been in a new work assignment for less than three (3) months, may bid for a vacant position which is open. The bid will be considered if, when bidding is closed, there are less than three (3) employees who are not on probation or in new assignments who have bid for the position. Bids from employees on probation or in new assignments will be in addition to any names referred to the department through the certification process described in Section 22.3.F - Employee Selection, above.

22.4 Involuntary Reassignment Procedure. Except in the case of layoffs where Section 22.5 – Reassignment Due to Layoff or Displacement governs, department management, at its sole discretion, may determine from time to time that involuntary reassignments of staff are required. Involuntary reassignments are the reassignments of permanent employees in their existing classification to a new worksite, shift, or program area. Such decisions may result from inability to fill a vacancy through the voluntary reassignment procedure or from a determination that excess staff are allocated to a certain site, shift, or program. When such decisions are made and the reassignments are permanent, the below listed procedure shall apply.

This policy shall not apply to temporary reassignments of less than eight (8) weeks duration to cover such things as vacation relief, sick leave absences, temporary shifts in workload, training assignments, or temporary short term assignments to cover vacant positions which could not be filled through the voluntary reassignment policy and for which actions are underway to fill permanent from an eligible list. If a temporary reassignment is expected to exceed eight (8) weeks in duration, the affected Department shall either use the below listed procedure or will meet and confer with the Union on a case by case basis regarding an alternative approach:

- A. Management will identify the classifications and positions from which reassignments are necessary.

SECTION 22 - TRANSFER & REASSIGNMENT

- B. Affected employees will be provided with a list of vacancies/ assignments for which they may apply.
- C. Affected employees shall be given the opportunity to volunteer for the available vacancies/assignments and shall be considered in accordance with Part f. of the voluntary reassignment procedure.
- D. If there are insufficient volunteers for the number of available positions or no volunteers, and involuntary reassignments are still required, the least senior qualified affected employee shall be reassigned to the vacant assignment identified by management, followed by the next least senior employee, and so on in inverse order of seniority until all necessary reassignments are completed. Qualified is defined as a person possessing the necessary training or experience for the specific assignment.

Seniority for involuntary reassignment purposes shall be defined as seniority within classification. Nothing contained in this Section shall prohibit the Department and the Union from making a mutually agreed upon alternative arrangement.

In no event shall reassignments be utilized for disciplinary purposes.

22.5 Reassignment Due to Layoff or Displacement. When reassignment of an employee or employees is necessary due to layoff or displacement, the following procedures shall be followed:

- A. A list of vacant positions shall be posted in work areas of all affected employees for a minimum of five (5) work days.
- B. Employees shall be given the opportunity to volunteer for vacancies and shall be reassigned on the basis of seniority.
- C. If there are no volunteers for reassignment, the least senior employee(s) in that class shall be reassigned.
- D. Management shall have the sole prerogative to select the vacancy to which the least senior employee(s) shall be reassigned.

Seniority for reassignment purposes shall be defined as (in Section II, Layoff) seniority within classification. If reduction or reassignment by site is necessary, the least senior employee in the affected class at the site shall be reassigned. If reduction or reassignment is necessary by shift, the least senior employee in the affected class assigned to the affected shift shall be reassigned. Nothing contained in this Section shall prohibit a Department and the Union from making a mutually agreed upon alternative arrangement.

SECTION 23 - RESIGNATIONS

An employee's voluntary termination of service is a resignation. Written resignations shall be forwarded to the Human Resources Department by the appointing authority immediately on receipt, and shall indicate the effective date of termination. Oral resignation shall be immediately confirmed by the appointing authority in writing to the employee and to the Human Resources Department and shall indicate the effective date of termination.

23.1 Resignation in Good Standing. A resignation giving the appointing authority written notice at least two (2) weeks in advance of the last date of service (unless the appointing authority requires a longer period of notice, or consents to the employee's terminating on shorter notice) is a resignation in good standing.

23.2 Constructive Resignation. A constructive resignation occurs and is effective when:

- A. An employee has been absent from duty for five (5) consecutive working days without leave; and
- B. Five (5) more consecutive work days have elapsed since the County mailed a notice of resignation by the appointing authority to the employee at the employee's last known address.
- C. The letter to the employee will include a document that gives the employee the option of authorizing the County to provide his/her union with a copy of the constructive resignation letter. If the employee signs the authorization document and returns it to the appointing authority, the appointing authority will thereafter, within one work day, provide a copy of the constructive resignation letter to the employee's union, as authorized.

23.3 Effective Resignation. A resignation is effective when delivered or spoken to the appointing authority, operative on that date or another date specified. An employee who resigns without advance notice as set forth in Section 23.1 - Resignation in Good Standing, may seek recession of the resignation and reinstatement by delivering an appeal in writing to the Human Resources not later than close of business on the third (3rd) calendar day after the resignation is effective. Within five (5) work days of receipt of the appeal, the Human Resources Director shall consider the appeal and render a final and binding decision including, if applicable, the date of reinstatement.

23.4 Revocation. A resignation that is effective is revocable only by written concurrence of the employee and the appointing authority.

- B. **Reinstatement.** If the appointing authority acknowledges that the employee could have believed that the resignation was coerced, it shall be revoked and the employee returned to duty effective on the day following the appointing authority's acknowledgment without loss of seniority or pay.
- C. **Contest.** Unless, within seven (7) days of the receipt of the notice, the appointing authority acknowledges that the resignation could have been believed to be coerced, this question should be handled as an appeal to the Merit Board. In the alternative, the employee may file a written election with the Director of Human Resources waiving the employee's right of appeal to the Merit Board in favor of the employee's appeal rights under the grievance procedure contained in Section 25 of the MOU beginning with Step 3.
- D. **Disposition.** If a final decision is rendered that determines that the resignation was coerced, the resignation shall be deemed revoked and the employee returned to duty effective on the day following the decision but without loss of seniority or pay, subject to the employee's duty to mitigate damages.

SECTION 24 - DISMISSAL, SUSPENSION, TEMPORARY REDUCTION IN PAY, AND DEMOTION

24.1 Sufficient Cause for Action. The appointing authority may dismiss, suspend, temporarily reduce the pay of, or demote any employee for cause. The reduction in pay may not exceed five percent (5%) for a three (3) month period. The following are sufficient causes for such action; the list is indicative rather than inclusive of restrictions and dismissal, suspension or demotion may be based on reasons other than those specifically mentioned:

24.2 Skelly Requirements. Before taking a disciplinary action to dismiss, suspend for more than three (3) work days, temporarily reduce the pay of, or demote an employee, the appointing authority shall cause to be served personally or by certified mail, on the employee, a Notice of Proposed Action, which shall contain the following:

- A. A statement of the action proposed to be taken.

SECTION 24 - DISMISSAL, SUSPENSION, TEMPORARY REDUCTION IN PAY, AND DEMOTION

In addition to the Notice of Proposed Action, the appointing authority will serve the employee with a document that gives the employee the option of authorizing the County to provide his/her union with a copy of the Notice of Proposed Action. If the employee signs the authorization document and returns it to the appointing authority, the appointing authority will thereafter, within one work day, provide a copy of the employee's Notice of Proposed Action to his/her union, as authorized.

In addition to the Order and Notice, the appointing authority will serve the employee with a document that gives the employee the option of authorizing the County to provide his/her union with a copy of the Order and Notice. If the employee signs the authorization document and returns it to the appointing authority, the appointing authority will thereafter, within one work day, provide a copy of the employee's Order and Notice to his/her union, as authorized.

24.3 Employee Response. The employee upon whom a Notice of Proposed Action has been served shall have seven (7) calendar days to respond to the appointing authority either orally or in writing before the proposed action may be taken. Upon request of the employee and for good cause, the appointing authority may extend in writing the period to respond. If the employee's response is not filed within seven (7) days or during an extension, the right to respond is lost.

24.4 Leave Pending Employee Response. Pending response to a Notice of Proposed Action within the first seven (7) days or extension thereof, the appointing authority for cause specified in writing may place the employee on temporary leave of absence, with pay.

24.5 Length of Suspension. Suspensions without pay shall not exceed thirty (30) days unless ordered by an arbitrator, an adjustment board or the Merit Board.

24.6 Procedure on Dismissal, Suspension, Temporary Reduction in Pay, or Demotion.

- A. SECTION 25 - GRIEVANCE PROCEDURE

through the procedures of Section 25 - Grievance Procedure of this MOU provided that such appeal is filed in writing with the Director of Human Resources within ten (10) calendar days after service of said order. An employee may not both appeal to the Merit Board and file a grievance under Section 25 of this MOU.

24.7 Employee Representation Rights. The County recognizes an employee's right to representation during an investigatory interview or meeting which may result in discipline. The County shall not interfere with the representative's right to assist an employee to clarify the facts during the interview. If the employee requests a union representative, the investigatory interview shall be temporarily recessed for a reasonable period of time until a union representative can be present. For those interviews, which by nature of the incident must take place immediately, the union will take all reasonable steps to make a union representative immediately available.

The employer shall inform the employee of the general nature of the investigation at the time the employer directs the employee to be interviewed.

24.8 Timely Progressive Discipline. The parties agree that timely progressive discipline promotes changes in behavior. The County agrees to notify the employee of any incident giving rise to a disciplinary action as soon after the incident as is reasonably possible.

SECTION 25 - GRIEVANCE PROCEDURE

25.1 Definition and Procedure. A grievance is any dispute which involves the interpretation or application of any provision of this MOU excluding, however, those provisions of this MOU which specifically provide that the decision of any County official shall be final, the interpretation or application of those provisions not being subject to the grievance procedure. The Union may represent the grievant at any stage of the process.

Grievances must be filed within thirty (30) calendar days of the incident or occurrence about which the grievant claims to have a grievance. Discipline appeals utilizing the grievance procedure must be filed within the timeframe set forth in Section 24.6 – Procedure on Dismissal, Suspension, or Demotion. Grievances will be processed in the following manner:

Step 1. Any employee or group of employees who believes that a provision of this MOU has been misinterpreted or misapplied to his or her detriment shall discuss the complaint with the grievant's immediate supervisor or designee, who shall meet with the grievant within five (5) work days of receipt of a written request to hold such meeting. Grievances challenging suspensions, reductions in pay, demotions and terminations may be filed at Step 3 within the time frame set forth above.

Step 2. If a grievance is not satisfactorily resolved in Step 1 above, the grievant may submit the grievance in writing within ten (10) work days to such management official as the Department Head may designate. This formal written grievance shall state which

SECTION 25 - GRIEVANCE PROCEDURE

provision of the MOU has been misinterpreted or misapplied, how misapplication or misinterpretation has affected the grievant to the grievant's detriment, and the redress he or she seeks. A copy of each written communication on a grievance shall be filed with the Employee Relations Officer. The Department Head or his or her designee shall have ten (10) work days in which to respond to the grievance in writing. If either the union or grievant request a meeting with the Department Head or his/her designee at this step, such a meeting will be held.

Step 3. If a grievance is not satisfactorily resolved in Step 2 above, the union may appeal in writing within ten (10) work days to the Employee Relations Officer. The Employee Relations Officer or his/her designee shall have twenty (20) work days in which to investigate the merits of the complaint and to meet together at the same time with the Department Head or his/her designee, the grievant, and the union. For grievances involving interpretation of this MOU, the Employee Relations Officer or his/her designee will decide the grievance on its merits and provide the grievant, the union, and the Department with a written decision within fifteen (15) workdays of the date of the Step 3 Meeting, unless more time is granted by mutual agreement.

For grievances involving appeals from disciplinary action, the Employee Relations Officer or designee will attempt to resolve the grievance. In the event that the grievance is not settled, the Employee Relations Officer or designee will provide written notice of that fact to the grievant, the Union, and the Department within twenty (20) work days of the date of the Step 3 meeting, unless more time is granted by mutual agreement.

Step 4 Mediation. Grievances regarding discipline involving suspensions, demotions, or reduction in pay will proceed directly to Step 5 - Expedited Board of Adjustment, at the request of the Union. No grievance may be processed under this section which has not first been filed and investigated in accordance with Step 3 above. If the parties are unable to reach a mutually satisfactory accord on any grievance that is presented at Step 3, the union may appeal the grievance and request mediation in writing to the Employee Relations Officer or designee within ten (10) work days of the date of the written response at Step 3. This step of the grievance procedure may be waived by the written mutual agreement of the parties.

Step 5 Arbitration. If the parties are unable to reach a resolution of the grievance at Step 4, either the Union or the County, whichever is the moving party, may require that the grievance, except those referred to in Section 25.2 below, be referred to an impartial arbitrator who shall be designated by mutual agreement between the Union and the Employee Relations Officer. Such request shall be submitted within twenty (20) work days of the completion of mediation at Step 4. Within twenty (20) work days of the request for arbitration the parties shall mutually select an arbitrator who shall render a decision within thirty (30) work days from the date of final submission of the grievance including receipt of the court reporter's transcript and post-hearing briefs, if any. The fees and expenses of the arbitrator and of the Court Reporter shall be shared equally by the Union and the County. Each party, however, shall bear the costs of its own presentation, including preparation and post hearing briefs, if any.

SECTION 25 - GRIEVANCE PROCEDURE

25.2 Step 5. Expedited Board of Adjustment. If the County and the Union are unable to reach a mutually satisfactory accord on any grievance of discipline involving suspensions, demotions, or reduction in pay that arises and is presented during the term of this MOU, such grievance may be submitted to the Expedited Board of Adjustment (EBA) in writing in accordance with the procedures below. No grievance may be processed under this Section that has not first been filed and processed in accordance with Step 3 of the Grievance Procedure and delivered to the Employee Relations Officer within ten (10) work days of the date of the Step 3 written response by the Employee Relations Officer or his/her designee. By agreement of the Union and the Employee Relations Officer or his/her designee, grievances concerning contract interpretation may also be presented to the EBA. All grievances submitted to the EBA will be resolved in accordance with the following procedures:

Expedited Board of Adjustment (EBA)

- A. The EBA will be composed of two (2) union representatives from Teamsters, Local 856, no more than one (1) of whom may be an employee of the County, two (2) management members named by the County, and an impartial arbitrator. The Union and the County will each appoint three (3) alternates who will serve as the voting members of the Board if a member(s) is/are not available. A Union Alternate will serve as the voting member when the appointed Union Board member is from the same Union as the grievant and a County Alternate will serve as a voting member when a County Board member is from the same Department as the grievant. Each Board member will serve for a twelve (12) month term except that one member and one alternate initially appointed will serve a six (6) month term so that Board member terms are staggered.
- B. The County and the Union (hereafter "parties") will choose an impartial arbitrator to serve as the fifth (5) member of the EBA and serve as a tie-breaker when the EBA is deadlocked. The parties will select the Arbitrator by forwarding a list of individuals acceptable to a party to the other party. The parties will continue this process until an impartial arbitrator is selected. The Arbitrator will serve a one year term, or longer, as agreed to by the parties in writing. However, the Arbitrator may be replaced at any time by agreement between the parties. The Arbitrator will render an immediate decision if the Board is deadlocked. All decisions rendered by the EBA are final and binding upon the Employer, the Union, and the employee, to the extent provided by law.
- C. Decisions rendered by the EBA must be within the scope of, and may not vary from, the express written terms of this Memorandum of Understanding.
- D. The Union and the County will each pay one-half (1/2) of the arbitrator's fees and costs. If a majority of the EBA approves the services of a court reporter and/or other special services, the Union and the County will each pay one-half (1/2) of such expenses.

SECTION 25 - GRIEVANCE PROCEDURE

Procedures

- A. The EBA will convene on the fourth (4th) Wednesday of each month unless otherwise scheduled by mutual agreement.
- B. The EBA will develop and adopt written rules of procedure to govern the conduct of hearings by a majority vote.
- C. Unless the EBA agrees otherwise by majority action, it will remain in session until all grievances on the agenda have been heard.
- D. All grievances that are received by the Employee Relations Officer at least ten (10) working days prior to the next scheduled session of the EBA will be placed on the agenda for the next regular meeting. By majority vote, the EBA may upon request of the Union or the County, waive this provision.
- E. Upon the request of the Union or the County, a continuance of a grievance will be granted until the next session.
- F. Licensed Attorneys will not participate as Board members, advocates, or advisors in Board hearings unless the attorney is also a union business agent or Labor Relations staff.
- G. Meetings will be convened at a central location agreed to by the Union and the County.
- H. Materials to be presented at the EBA will not be shared with the Board members in advance of convening the Board.

25.3 Scope of Arbitration Decisions, and Expedited Board of Adjustment.

- A. Decisions of Arbitrators and the Expedited Board of Adjustment, on matters properly before them, are final and binding on the parties hereto, to the extent permitted by law.
- B. No Arbitrator or Expedited Board of Adjustment may entertain, hear, decide or make recommendations on any dispute unless such dispute involves a position in a unit represented by the Union which has been certified as the recognized employee organization for such unit and under such dispute falls within the definition of a grievance as set forth in Subsection 25.1 above.
- C. Proposals to add to or change this MOU or to change written agreements supplementary hereto shall not be arbitrable and no proposal to modify, amend, or terminate this MOU, nor any matter or subject arising out of or in connection with such proposals, may be referred to arbitration under this Section. No Arbitrator or Expedited Board of Adjustment has the power to amend or modify this MOU or written agreements supplementary hereto or to establish any new terms or conditions of employment.
- D. If the Employee Relations Officer, pursuant to the procedures outlined in Step 3 above or Step 4 above resolves a grievance which involves suspension or discharge, they may agree to payment for lost time or to reinstatement with or without payment for lost time.

SECTION 25 - GRIEVANCE PROCEDURE

- E. No change in this MOU or interpretations thereof (except interpretations resulting from arbitration or Expedited Board of Adjustment proceedings hereunder) will be recognized unless agreed to by the County and the Union.

25.4 Time Limits. The time limits specified above may be waived by mutual agreement of the parties to the grievance. If the County fails to meet the time limits specified in Steps 1 through 3 above, the grievance will automatically move to the next step. If a grievant fails to meet the time limits specified in Steps 1 through 5 above, the grievance will be deemed to have been settled and withdrawn.

25.5 Union Notification. An official, with whom a formal grievance is filed by a grievant who is included in a unit represented by the Union, but is not represented by the Union in the grievance, shall give the Union a copy of the formal presentation.

25.6 Compensation Complaints. All complaints involving or concerning the payment of compensation shall be initially filed in writing with the Employee Relations Officer. Only complaints which allege that employees are not being compensated in accordance with the provisions of this MOU shall be considered as grievances. Any other matters of compensation not detailed in the MOU shall be deemed withdrawn until the MOU is next opened for such discussion. No adjustment shall be retroactive for more than six (6) months from the date upon which the complaint was filed.

25.7 Strike/Work Stoppage. During the term of this MOU, the Union, its members and representatives, agree that it and they will not engage in, authorize, sanction, or support any strike, slowdown, stoppage of work, sick-out, or refusal to perform customary duties.

In the case of a legally declared lawful strike against a private or public sector employer which has been sanctioned and approved by the labor body or council having jurisdiction, an employee who is in danger of physical harm shall not be required to cross the picket line, provided the employee advises his or her supervisor as soon as possible, and provided further that an employee may be required to cross a picket line where the performance of his or her duties is of an emergency nature and/or failure to perform such duties might cause or aggravate a danger to public health or safety.

25.8 Merit Board.

- A. All Grievances of employees in representation units represented by the Union shall be processed under Section 25 unless the employee elects to apply to the Merit Board on matters within its jurisdiction.
- B. No action under Steps 3, 4 and 5 of Subsection 25.1 - Definition and Procedure and Step 5 of Subsection 25.2 - Step 5 - Expedited Board of Adjustment above shall be taken if action on the complaint or grievance has been taken by the Merit Board, or if the complaint or grievance is pending before the Merit Board.

25.9 Filing by Union. The Union may file a grievance at Step 3 on behalf of affected employees when action by the County Administrator or the Board of Supervisors violates a provision of this MOU.

SECTION 26 - BILINGUAL PAY

SECTION 26 - BILINGUAL PAY

A salary differential of one hundred dollars (\$100.00) per month shall be paid incumbents of positions requiring bilingual proficiency as designated by the appointing authority and Director of Human Resources. Said differential shall be paid to eligible employees in paid status for any portion of a given month. Designation of positions for which bilingual proficiency is required is the sole prerogative of the County. The Union shall be notified when such designations are made.

SECTION 27 – RETIREMENT CONTRIBUTION

27.1 Contribution. Effective on January 1, 2012 employees are responsible for the payment of one hundred percent (100%) of the employees' basic retirement benefit contributions determined annually by the Board of Retirement of the Contra Costa County Employees' Retirement Association without the County paying any part of the employees' contribution. Employees are also responsible for the payment of the employees' contributions to the retirement cost of living program as determined annually by the Board of Retirement without the County paying any part of the employees' contributions. The County is responsible for one hundred percent (100%) of the employer's retirement contributions determined annually by the Board of Retirement.

27.2 Retirement Benefit - Non-Safety Employees who become New Members of CCCERA on or after January 1, 2013.

- A. For non-safety employees who, under PEPRA, become New Members of the Contra Costa County Employees Retirement Association (CCCERA) on or after January 1, 2013, retirement benefits are governed by the California Public Employees Pension Reform Act of 2013 (PEPRA), (Chapters 296, 297, Statutes of 2012). To the extent this Agreement conflicts with any provision of PEPRA, PEPRA will govern.
- B. For employees hired by the County after June 30, 2014, who, under PEPRA, become New Members of CCCERA, the cost of living adjustment to the retirement allowance will not exceed two percent (2%) per year, and the cost of living adjustment will be banked.
- C. For employees who, under PEPRA, become New Members of CCCERA, the disability provisions are the same as the current Tier III disability provisions.
- D. The County will seek legislation amending the County Employees Retirement Law of 1937 to clarify that the current Tier III disability provisions apply to non-safety employees who, under PEPRA, become New Members of CCCERA. The Union will support the legislation.

SECTION 28 - TRAINING REIMBURSEMENT

27.3 Safety Employees Retirement.

A. Tier A Safety Retirement Benefit – Employees who become CCCERA members on or before December 31, 2012:

1. Retirement Benefit. For County employees covered by this Agreement who become members of Contra Costa County Employees Retirement Association (CCCERA) on or before December 31, 2012, who are designated by CCCERA as Safety Members, the retirement formula “3 percent at 50” applies. The cost of living adjustment (COLA) to the retirement allowances of these employees will not exceed three percent (3%) per year. The final compensation of these employees will be calculated based on a twelve (12) month salary average. This retirement benefit is known as “Tier A.”
2. Subsection A, subpart (1) above, applies to employees who, under PEPRA, become reciprocal members of CCCERA, as determined by CCCERA.

B. Safety Retirement Benefit – Employees who become New Members of CCCERA on or after January 1, 2013.

1. For employees who, under PEPRA, become New Members of CCCERA on or after January 1, 2013, retirement benefits are governed by the California Public Employees Pension Reform Act of 2013 (PEPRA), (Chapters 296, 297, Statutes of 2012). To the extent this Agreement conflicts with any provision of PEPRA, PEPRA will govern.
2. PEPRA Safety Option Plan Two (2.7% @ 57) applies to employees who, under PEPRA, become New Members of CCCERA. For these employees, hired by the County after June 30, 2014, the cost of living adjustment to the retirement allowance will not exceed two percent (2%) per year and the cost of living adjustment will be banked.

SECTION 28 - TRAINING REIMBURSEMENT

The County Administrative Bulletin on Training shall govern reimbursement for training and shall limit reimbursement for career development training to seven hundred fifty dollars (\$750) per year, except as otherwise provided in the supplemental sections of this MOU. Registration and tuition fees for career development education may be reimbursed for up to fifty percent (50%) of the employee’s net cost. Books necessary for courses taken for career development education may be reimbursed for up to one hundred percent (100%) of the employee’s net cost.

SECTION 29 - SAFETY SHOES AND PRESCRIPTION SAFETY EYEGLASSES

SECTION 29 - SAFETY SHOES AND PRESCRIPTION SAFETY EYEGLASSES

For each two year period starting January 1, 2016, eligible employees will be allowed reimbursement for the purchase and repair of safety shoes, and the purchase of toe guards, replacement footbeds, or soles, up to a maximum of two hundred and seventy-five dollars (\$275). There is no limitation on the number of shoes, toe guards, or soles, or number of repairs allowed.

The County will provide those employees currently eligible for safety shoe allowance with two (2) methods for purchasing safety shoes:

- A. Reimbursement for the purchase and repair of safety shoes up to the maximum amount stated above for each two (2) year period.
- B. Voucher obtained from the eligible employees' Department for an identified vendor for the purchase of safety shoes up to the maximum amount stated above for each two (2) year period.
- C. The County agrees to provide a second vendor for the purchase of safety shoes. The County will endeavor to secure Red Wings as the second vendor and to identify two locations where the shoes may be obtained by voucher.

The eligible employee will inform his/her Department's accounting section of the desired method for purchasing safety shoes at the beginning of each calendar year.

When an employee is assigned a job task that requires additional or different safety shoes, the purchase will be approved by their supervisor and the shoes will be provided or reimbursed through their department purchasing/accounting processes. The use of the safety shoe allowance will not limit the provision of additional required and approved safety shoes.

The County will reimburse eligible employees for prescription safety eyeglasses which are approved by the County and are obtained from such establishment as required by the County.

The maximum safety eyewear reimbursable limits for lenses will not exceed a total of fifty dollars (\$50) and the maximum reimbursement for frames will not exceed a total of sixty dollars (\$60).

Additionally, the County will modify the current contract with Vendor to allow employees to upgrade to Featherwate Lens Types (High Impact). Any additional cost for current contract upgrades or Featherwate lens types (High Impact) upgrades that exceeds the County allowance as noted above will be borne by the employee.

Eligible employee is defined as an employee requiring safety shoes and/or prescription safety eyeglasses to protect them from job task and/or environment hazards that cannot be controlled through engineering or administrative processes. When this is the case,

SECTION 30 - PERFORMANCE EVALUATION PROCEDURE

personal protective equipment (PPE) is required and provided to the employee by the County, per Safety Orders and Administrative Bulletin 513.

SECTION 30 - PERFORMANCE EVALUATION PROCEDURE

The following procedures shall apply in those departments which already have a formal written performance evaluation system. Nothing herein shall be construed to require the establishment of such a system where it does not currently exist.

- A. Goal: A basic goal of the employee evaluation is to help each employee perform his/her job more effectively to the mutual benefit of the employee and the County. The evaluation process provides an ongoing means of evaluating an employee's job performance and promoting the improvement of the job performance.

The evaluation process also provides the opportunity to recognize and document outstanding service as well as service that has been unsatisfactory to the County.

- B. Frequency of Evaluation.

1. Probationary employees shall be evaluated at least once during their probationary period.
2. Permanent employees may be evaluated every year.

- C. Procedure.

1. An employee shall generally be evaluated by the first level management supervisor above the employee.
2. It will be necessary in some cases for a supervisor to consult with the employee's immediate work director in order to make a comprehensive evaluation.
3. Where feasible, evaluations will be based primarily on observation by the evaluator of the employee in the performance of his/her duties. Comments based on secondary information shall have supportive documentation.
4. An employee will be informed in advance of a meeting with his/her supervisor to discuss the employee's evaluation and to put the evaluation in writing on the department evaluation forms.
5. The employee shall be informed of his/her right to prepare and have attached to the evaluation form any written comments which the employee wishes to make.

SECTION 31 - MILEAGE

6. When an employee is rated below satisfactory on any factor, the evaluation will give the reasons for such rating and include specific recommendations for improvement in writing.
7. The employee's signing of an evaluation form does not necessarily mean that the employee agrees with the evaluation but it does mean that the employee has had an opportunity to discuss the evaluation with his/her evaluator.
8. The employee will be given a copy of his/her completed evaluation form at the time form is signed by the employee. (Confirmation of final version to be received later.)
9. Any rating below average or unsatisfactory shall be supported by written documentation received by the employee at the time the incident(s) occurred.
10. Nothing shall be added by management to an evaluation after the employee has signed and received a copy of the evaluation without the employee's written acknowledgment.

Failure to follow the foregoing procedure is subject to the grievance procedure. However, disputes over the actual content or ratings themselves in individual evaluations are not grievable, but may be mediated by the Employee Relations Officer or his/her designee upon request of either the employee or the Department. Prior to being mediated by the Director of Human Resources, either party may request fact finding to assist in the resolution of the dispute. One (1) fact finder shall be selected by each party to the dispute within ten (10) work days from the initial request for fact finding. The fact finders shall have twenty (20) work days from notice of selection to investigate and render opinions to the Director of Human Resources.

SECTION 31 - MILEAGE

31.1 Reimbursement for Use of Personal Vehicle. Procedures and definitions relative to mileage reimbursement will be in accordance with the Administrative Bulletin on Expense Reimbursement.

31.2 Charge For Use of Home Garaged County Vehicle. Employees hired after July 1, 1994 who are assigned vehicles to garage at home will be charged the IRS mileage rate for all commute miles driven outside the limits of Contra Costa County that exceed thirty (30) miles round-trip in any one day.

31.3 Commuter Benefit Program. Prior to July 1, 2017, the County will offer employees the option of enrolling in an employee-funded qualified transportation (commuter) benefit program designed to qualify for tax savings under Section 132(f) of title 26 of the Internal Revenue Code, but such savings are not guaranteed. The Commuter Benefit Program will allow employees to set aside pre-tax dollars for qualified transportation expenses to the extent and amount allowed by the Internal Revenue Service.

SECTION 32 - PAY WARRANT ERRORS

SECTION 32 - PAY WARRANT ERRORS

If an employee receives a pay warrant which has an error in the amount of compensation to be received and if this error occurred as a result of a mistake by the Auditor-Controller's Department, it is the policy of the Auditor-Controller's Department that the error will be corrected and a new warrant issued within forty-eight (48) hours, exclusive of Saturdays, Sundays and holidays from the time the Department is made aware of and verifies that the pay warrant is in error. If the pay warrant error has occurred as a result of a mistake by an employee (e.g. payroll clerk) other than the employee who is receiving the pay, the error will be corrected as soon as possible from the time the department is made aware that pay warrant is in error.

Pay errors in employee pay shall be corrected as soon as possible as to current pay rate but that no recovery of either overpayments or underpayments to an employee shall be made retroactively except for the six (6) month period immediately preceding discovery of the pay error. This provision shall apply regardless of whether the error was made by the employee, the appointing authority or designee, the Director of Human Resources or designee, or the Auditor-Controller or designee. Recovery of fraudulently accrued over or underpayments are excluded from this section for both parties.

When the County notifies an employee of an overpayment and proposed repayment schedule, the employee may accept the proposed repayment schedule or may request a meeting through the County Human Resources Department. If requested, a meeting shall be held to determine a repayment schedule which shall be no longer than three times (3) the length of time the overpayment occurred.

If requested by the employee, a Union representative may be present at a meeting with management to discuss a repayment schedule in the case of overpayments to the employee.

SECTION 33 - FLEXIBLE STAFFING

When the position is next filled and an incumbent of one of these positions meets the minimum qualifications for the next higher level and has met appropriate competitive requirements he or she may then be promoted to the next higher classification within the job series without need of a classification study. If an operating department verifies in writing that an administrative or clerical error was made in failing to submit the documents needed to promote an employee on the first of the month when eligible, said appointment shall be made retroactive to the first of the month when eligible. An employee who is denied a promotion to a flexibly staffed position may appeal such denial to the Merit Board.

SECTION 34 - PERSONNEL FILES

SECTION 34 - PERSONNEL FILES

An employee shall have the right to inspect and review any official record(s) relating to his or her performance as an employee or to a grievance concerning the employee which is kept or maintained by the County in the employee's personnel file in the Human Resources Department or in the employee's personnel file in their Department. The employee's union representative, with written authorization by the employee, shall also have the right to inspect and review any official record(s) described above. The contents of such records shall be made available to the employee and/or the employee's union representative, for inspection and review at reasonable intervals during the regular business hours of the County. Employees shall be permitted to review their personnel files at the Personnel office during their working hours. For those employees whose work hours do not coincide with the County's business hours, management shall provide a copy of the employee's personnel file for the employee's review. The custodian of records will certify that the copy is a true and correct copy of the original file.

The County shall provide an opportunity for the employee to respond in writing to any information which is in the employee's personnel file about which he or she disagrees. Such response shall become a permanent part of the employee's personnel record. The employee shall be responsible for providing the written responses to be included as part of the employee's official personnel file. This section does not apply to the records of an employee relating to the investigation of a possible criminal offense, medical records and information or letters of reference.

Counseling memos, which are not disciplinary in nature, are to be retained in the file maintained by the employee's supervisor or the person who issued the counseling memo and are not to be transferred to the employee's central file which is normally retained by the Human Resources Department unless such memos are subsequently used in conjunction with a disciplinary action such as a letter of reprimand.

All documents pertaining to disciplinary actions shall be placed in the employee's official personnel file within five (5) work days from the time management becomes aware of the incident and has completed its investigation as to whether the employee is culpable, and shall be date stamped or dated at time of entry. This section is not intended to include supervisor's notes or reminders of specific incidents or ongoing reports such as attendance records. Generally, such investigations should be completed within thirty (30) calendar days of the date management becomes aware of the incident(s), it being understood that under certain circumstances such as the unavailability of witnesses or the possibility of a criminal act having been committed, may cause the investigation to take longer than the aforementioned thirty (30) days.

Copies of written reprimands or memoranda pertaining to an employee's unsatisfactory performance, which are to be placed in the employee's personnel file, shall be given to an employee, who shall have the right to respond in writing to said documents.

Letters of reprimand are subject to the grievance procedure, but shall not be processed past Step 3 unless said letters are used in a subsequent discharge, suspension or

demotion of the employee, in which case an appeal of the letters of reprimand may be considered at the same time as the appeal of the disciplinary action. Prior to being submitted to Step 3 of the grievance procedure, either party may request fact finding to assist in the resolution of the dispute. One (1) fact finder shall be selected by each party to the dispute within ten (10) work days from the initial request for fact finding. The fact finder shall have twenty (20) work days from notice of selection to investigate and render opinions to the Employee Relations Officer or his/her designee.

Copies of letters of commendation, which are to be placed in the employee's personnel file, will be given to the employee. Employees have the right to review their official personnel files, which are maintained in the Human Resources Department or by their departments. In a case involving a grievance or disciplinary action, the employee's designated representative may also review his/her personnel file with specific written authorization from the employee. The County shall supply the Union with lists of official personnel files and locations. Derogatory material in an employee's personnel file over two years old will not be used in a subsequent disciplinary action unless directly related to the action upon which the discipline is taken. Derogatory material does not include prior suspensions, demotions or dismissals for cause.

- P. Low Census. Unanticipated declines in hospital patient census may result in the need to temporarily reduce staffing hours for periods of time not requiring formal layoff procedures. When this occurs, the Hospital Nursing Service shall use a variety of procedures to call off and reassign staff. Those procedures will generally emphasize the call off of volunteers first, and the retention of permanent employees.

Employees may voluntarily request accrued time off by calling the Staffing Office and asking to be placed on a standing Absent Day list to be used for voluntary call offs in future low census days.

Order of Involuntary Call Off will normally be Registry, Temporary, Permanent-intermittent, Permanent Part Time and Permanent Full-time. Employees will be notified a minimum of two hours in advance of each shift for which an Involuntary Call Off day is assigned. In the event such notice is not given, the affected employee will receive a minimum of two (2) hours work at the employee's regular rate. Should the hospital make such a documented attempt to notify the employee of a cancellation of shift, but be unsuccessful in doing so, this pay provision will not apply. It is the responsibility of the employee to maintain a current telephone number with the Staffing Office. Failure to do so relieves the Hospital of the notification and pay obligations.

HEALTH SERVICES ASSIGNMENT/SHIFT PROCESS REOPENER

Upon request of the Union, during the term of this MOU, the County agrees to meet with the Union to explore the feasibility of implementing a process for the Health Services Department to 1) offer permanent employees the opportunity to request a change in assignment and/or shift when the Department has a need to fill an assignment and/or shift before using a temporary or per diem employee or registry staff to fill the assignment and/or shift, and 2) consider a temporary employee's length of employment in the Department when using a temporary employee to fill an assignment and/or shift.

**SIDE LETTER
(Public Service Officers/Rangers)**

Effective upon signing and continuing until cancelled, amended in writing and signed by both parties or the termination of employment of all of the individuals identified below as a Public Service Officer, this Side Letter is entered into by and between Public Employees Union, Local One ("Local One") and Contra Costa County ("County").

Local One and the County have met and conferred about the County's desire to replace, through attrition, Public Services Officers ("PSOs") with Sheriff's Rangers ("Rangers"). As a result of the meet and confer, the parties have agreed as follows:

1. Each current PSO, Julie Ambriz, Christopher M. Fisco, Anthony Franchi, Tambra Gutierrez, Charles S. Lowary, Kenneth Randall, Henry Smith, Jr., and John Ward, will continue to work for the County as a PSO until he/she retires, voluntarily resigns, voluntarily accepts another position within the County or is terminated for cause pursuant to the Memorandum of Understanding between Local One and the County and/or the Personnel Management Regulations.
2. The County may replace a PSO who retires, voluntarily resigns, accepts another position or is terminated for cause with a Sheriff's Ranger.
3. No PSO will be laid off unless all Rangers assigned to EHSD other than one assigned to the North Richmond Service Integration Team site located at 1535D Third Street have either been laid off or reassigned to an assignment not at EHSD.
4. PSOs shall be rehired from the layoff list before any Ranger is recall or reassigned to an EHSD site.
5. If a position occupied by a PSO or a Ranger assigned to the Employment and Human Services Department other than the position at the North Richmond Service Integration Team site located at 1535D Third St. becomes vacant during the term of this Side Letter, and one or more PSOs bids for it the position will be awarded to a PSO. If more than one PSO bids for the position the bid will be awarded pursuant to Section 22.4 of the Local #1 MOU except that if two PSOs bid one of the two will be awarded the position.
6. The bidding for vacant positions described in paragraph 5 above, will not include the North Richmond Service Integration Team site located at 1535D Third Street.
7. The work schedule for any vacancy described in paragraphs 5 and 6 above is within the unfettered discretion of the County.
8. All of the provisions set forth in paragraphs 1 through 6 above shall apply only to the individuals identified in paragraph 1 above.

9. To the extent that the provisions of this Side Letter are in conflict with any applicable MOU, the provisions of this Side Letter shall control.

SUBJECT: Implementation Agreement for Class B Physical Examinations

This is to confirm the understanding we have reached regarding payment by the General Services Department for physical examinations for employees who are required to have Class B driver's licenses.

- Employees, who must maintain a Class B driver's license for their positions, may have the physical examination required for the license performed at Occupational Health Services at the expense of the General Services Department. Employees who choose to have their own doctors perform the examination must pay for these services themselves.
- The General Services Department will allow employees to undergo required physical examinations during the workday at a time mutually agreed upon by the employee and supervisor.
- If the employee does not receive certification for the license at the first examination, the General Services Department will pay for a follow up examination, at Occupational Health Services, to obtain the certification. The employee will assume financial responsibility for any medical treatment required to obtain certification.
- The General Services Department will pay for claims for Class B driver's license physical examinations (that meet the criteria outlined above) submitted on an Expense Demand form, with receipt, up to six months retroactive from the first date of our discussion, December 14, 2000.

SIDE LETTER AGREEMENT
HOLIDAY COVERAGE AT REGIONAL MEDICAL CENTER
FEBRUARY, 1999

ATTACHMENT O

Contra Costa Regional Medical Center has requested 24-hour Stationary Engineer coverage for County holidays. To try to ensure adequate coverage and to be fair and consistent in determining how coverage is provided, the following procedure is being implemented.

1. At least 30 days prior to a County holiday, the Facilities Maintenance Manager or designee will circulate/post a request for holiday coverage of a least one Engineer for each of three shifts: day, swing and graveyard.
2. Employees will be selected in seniority order if more than one permanent Engineer signs up for any shift.
3. If all shifts cannot be covered voluntarily, then inverse seniority will be used to fill any remaining shifts. If there are "ties" among Engineers for lowest seniority, then a "random" selection will be made (e.g. drawing numbers).
4. An exception to the above will be used to cover the following four holidays: Thanksgiving and Friday following, Christmas and New Years. These four holidays will be posted at the same time each year to allow for a more equitable distribution of required overtime. Any shifts which cannot be filled on a voluntary basis will be filled using either temporary staff or permanent staff in inverse seniority order. For example, if there are five shifts to be filled, then the five least senior staff will be put into the pool, and a random selection made such that each of them will fill one shift.
5. Nothing herein precludes any Stationary Engineer or Lead Stationary Engineer, temporary or permanent staff from volunteering for shifts. It will be the decision of management as to the appropriateness of paying overtime, using temporaries, staff from downtown assignments and/or Lead staff to fill shifts.
6. Management reserves the right to make changes to this agreement as may be necessary due to staffing issues, budgetary constraints, Health Services Department service needs or other operational issues. Should changes be necessary, management agrees to meet and confer with Local No. 1 on the implemetation of those changes.

Dear Mr. Clarke:

The purpose of this letter is to affirm an understanding reached between the Public Works Department and Contra Costa County Employees' Association, Local #1, regarding continuing education requirements for individuals in the classifications of Vegetation Management Technician and Senior Vegetation Management Technician. This letter will replace the side letter of July 30, 1992, to the existing Memorandum of Understanding between Contra Costa County and Contra Costa County Employees Association, Local #1.

On August 7, 1996, the following understanding was reached:

The Public Works Department agrees that the present continuing education requirements for licenses/certificates required as minimum qualifications for the classifications of Vegetation Management Technician and Senior Vegetation Management Technician, will be satisfied on County time and at County expense.

Individuals in the classifications of Vegetation Management Technician and Senior Vegetation Management Technician will receive 40 hours of continuing education within each two-year certificate period.

The choice of which courses, conferences or seminars employees will attend will be the sole prerogative of management. For all programs that run for more than one day and are outside a 50-land-mile radius of the Martinez Corporation Yard, the employees will be provided with overnight accommodations, provided there are morning and/or evening educational events, scheduled outside the employees normal 10 hour work day. The employees agree to accept the overnight accommodations in lieu of County paid overtime for any events attended and/or travel time outside the 10-hour work day.

SIDE LETTER
(Guardian Security Contract)

Effective on September 18, 2008, and continuing until cancelled or amended in writing and signed by both parties, this Side Letter is entered into by and between Public Employees Union Local No. 1 ("Local No. 1") and Contra Costa County ("County").

Local No. 1 and the County have met and conferred over the County's decision to enter into a contract with Guardian Security Services ("Guardian") to perform certain work of the type and kind performed by employees represented by Local No. 1 and assigned to the Attendant-LVN-Aide Unit, specifically Public Service Officers ("PSOs") who work at Employment and Human Services Department sites, other than Community Services Bureau ("CSB") sites. The contract between the County and Guardian for 2008-2009 will also cover services provided by Guardian at CSB sites that heretofore had been covered by another contract. As a result of the meet and confer, the parties have agreed as follows:

The County may only use Guardian personnel to fill in for PSO absences at sites, other than CSB sites, and may only do so if no PSO is available to perform that work.

This agreement does not preclude the County from continuing to use Guardian personnel at CSB sites as it has used them under previous contracts with Guardian.

**Contra Costa Regional Medical Center Rehabilitation Therapy Services
Occupational/Physical Therapist and Therapist Aide Weekend Rotation Schedule
Six-Month Review
Initial Implementation Date: February 1, 2000**

The current community standard for the provision of rehabilitation services is at minimum six days per week, and increasingly seven days. The philosophy behind these expanded services is to expedite the time in which therapies are initiated, in particular to patients whose recovery and subsequent discharge will also be expedited. In order to maintain a competitive position in the Contra Costa County service delivery area, it is necessary for the Rehabilitation Therapy Services Department to make a similar expansion of services. Recently, the influence of Managed Care and Critical Pathways have further necessitated the need for full service availability seven days per week.

Spatial constraints within the Martinez, Richmond and Pittsburg Health Centers have necessitated the addition of expanded hours. Martinez currently offers Outpatient Physical Therapy 7:00 am to 7:00 p.m. Service needs may include the expansion of similar hours during the evenings in which the Health Centers are open.

The following proposal is made in consideration of both staff and patient needs. All attempts will be made to implement changes equally for OT and PT, as possible.

All attempts will be made to maximize utilization of staff members who are interested in volunteering to work the expanded hours. Efforts will be made to hire additional staff, as available and authorized.

WEEKENDS

1. Weekend coverage may consist of Saturday and/or Sunday.
2. Core weekend staffing for inpatient medical-service coverage will consist of one PT, one OT and one Therapist Aide. The exception is a second PT on Saturday. Inpatient psychiatric coverage will consist of one OT and one Therapist Aide Saturday and Sunday.
3. All clinically competent permanent inpatient and outpatient therapy staff will be included in a weekend coverage rotation. All future permanent applicants will be informed of this expectation. Per diem therapists, who are competent and interested in weekend hours, will be recruited as authorized to reduce the frequency of, or eliminate permanent staff weekend rotations.
4. The rotation schedule will never result in a permanent employee being scheduled for more than two weekend days per four week period, however, employees may exercise the option to work contiguous weekend days.
5. A three-month (twelve week) rotation schedule for permanent staff will be established no later than thirty (30) days before the start of a rotation. Per Diem staff who desire to work

**CCCRMC Rehabilitation Therapy Services
Occupation/Physical Therapist and Therapist Aide Weekend Rotation Schedule
Six-Month Review**

- additional weekend hours will be scheduled into the rotation schedule. Permanent staff will have the ability to indicate weekends they don't wish to work, and reasonable attempts will be made to accommodate these preferences.
6. Full-time staff members who work Saturday or Sunday **may request** a scheduled day off during the same pay week. Whenever possible, contiguous days off will be allowed, unless precluded by payroll requirements or staffing emergencies. All requests for days off will be coordinated and approved by the Rehabilitation Therapy Services Assistant Director in advance of the day worked.
 7. Requests for additional time off will be handled via the Advance Request for Time Off forms. Once scheduled, a therapist will be required to work. If a therapist requests additional time off, which includes Saturday or Sunday for which s/he has already been scheduled, it is his/her responsibility to find a replacement and communicate any "trades" with his/her supervisor. The supervisor is responsible to confirm the trade in writing to both parties. The supervisor will not schedule a therapist to work a Saturday or Sunday when days off immediately preceding or following that weekend are already approved.
 8. When a therapist is scheduled to work a Saturday or Sunday which is part of a county holiday (three day) weekend, efforts will be made to allow the therapist the same number of contiguous days off within the same pay week. Scheduling will be made by taking employee preferences, as well as staffing levels, into consideration.
 9. Efforts will be made to establish a consistent pool of employees to fill weekend schedule openings. A rotational on-call schedule for permanent staff will be established when necessary in the three-month rotation schedule. Scheduled on-call staff will receive on-call pay in accordance with Local One MOU section 9. Weekend on-call hours are the four (4) hours between 7:00 am through 11:00 am, unless agreed otherwise.
 10. In the event of staff illness, the staff member will contact the Assistant Director or designated replacement supervisor. The director/supervisor will notify the on-call staff member of the need to fill the assigned shift.
 11. In emergency circumstances, the supervisor can implement a mutually agreeable modified treatment schedule with the employee providing that coverage. Overtime will be authorized when necessary.
 12. A prioritization list will be utilized to assist therapists in their efforts to coordinate treatment. These priorities will be developed by the supervisor with staff input, and will be shared with medical and nursing personnel.

CCCRMC Rehabilitation Therapy Services
Occupation/Physical Therapist and Therapist Aide Weekend Rotation Schedule
Six-Month Review

EVENINGS

1. Patient waiting lists and available evening Health Center hours may result in the need for evening staffing assignments.
2. Assignments will initially be limited to current Rehabilitation Clinic Locations, Richmond and Pittsburg. Should services be expanded to additional ambulatory care sites which necessitate evening hours, the department will meet and confer as required regarding staff assignments/hours.
3. A rotation of all clinically competent staff will be utilized while permanent voluntary staffing is pursued.

Dear Mr. Clarke,

This letter confirms the understandings reached in our meetings and approved by your membership regarding disbanding the Mental Health Treatment Specialist deep class.

- I. The following classifications will be created subject to approval by the Board of Supervisors, effective May 1, 1991. Concurrent with approval of these classes, the Mental Health Treatment Specialist deep class will be abandoned and clinical specialty flags deleted.
 - A. Mental Health Specialist I: This class requires a baccalaureate degree and no license. This class will be allocated to an extended salary range with steps 5% apart. The top step of this class will be equal to the flat rate salary of the Senior Mental Health Worker class.
 - B. Mental Health Specialist II: This class requires a Master's degree and no license. Current incumbents of the Mental Health Treatment Specialist B level who do not possess a master's degree will have access to this class through a substitution pattern as described in the draft specifications. Incumbents of the class of Senior Mental Health Worker who obtain a baccalaureate degree on or before January 1, 1993 will be eligible for reallocation to this class through the same substitution pattern. This class will be allocated to an extended salary range with steps

2-1/2% apart. The top step of the class will be equal to the top step of the current Mental Health Treatment Specialist B level.

- C. Senior Mental Health Counselor: This class is a terminal class of which the four unlicensed Mental Health Treatment Specialist C level incumbents will be the sole incumbents. This class will be allocated to a flat rate equivalent to the top step of the Mental Health Treatment Specialist deep class.
 - D. Mental Health Clinical Specialist: This class requires licensure, either MFCC or LCSW. This class will be allocated to an extended salary range with steps 2 1/2% apart. The top step of this class will be equivalent to the top step of the Mental Health Treatment Specialist deep class.
 - E. Clinical Psychologist: This class requires licensure as a psychologist. This class will be an extended salary range with steps 2 1/2% apart. The top step of this class will be 5% above the top step of the Mental Health Clinical Specialist.
- II. Incumbents of either the Mental Health Clinical Specialist or Clinical Psychologist classes may be designated as unit leaders on units which provide twenty-four hour coverage, including the detention facilities. Unit leader assignments shall be at the sole discretion of the Division Director. Duties of the unit leaders are described in the class specifications. Unit leaders will receive a differential of 3% of their base salary until such time as the unit leader assignment terminates. Unit leaders will continue to receive the 3% pay differential during the first thirty (30) calendar days of each absence for paid vacation, paid sick leave period, paid disability or other paid leave.
- III. Upon approval of these classes by the Board of Supervisors, each incumbent of the Mental Health Treatment Specialist deep class will be reallocated as follows: unlicensed Mental Health Treatment Specialist B level incumbents will be reallocated to the class of Mental Health Specialist II; unlicensed Mental Health Treatment Specialist C level incumbents will be reallocated to the class of Senior Mental Health Counselor; licensed (MFCC or LCSW) incumbents of Mental Health Treatment Specialist B and C level will be reallocated to the class of Mental Health Clinical Specialist; and licensed psychologists will be reallocated to the class of Clinical Psychologist.

- IV. A. During the two year period following the approval of these classes, individuals who meet the minimum qualifications of any of the higher level classes, with the exception of the Senior Mental Health Counselor class, will be reallocated or reclassified without examination to the applicable higher class as appropriate. This provision shall apply only to those employees who are in these classes at the time of implementation. Extensions to the window period may be granted by the Division Director on a case by case basis if an incumbent is scheduled to sit for the first licensing exam after the conclusion of the window period.
- B. After this window period, movement between classes will be by examination only or other applicable provisions of the Personnel Management Regulations.
- V. For the classes described herein, Section 20.4 of the Memorandum of Understanding (bid procedure) will be superceded by the following:

Permanent employees may request reassignment to vacant permanent positions in the same classification. All permanent vacancies will be offered for bid to presently assigned full-time, part-time and permanent intermittent employees for reassignment. Nothing herein precludes the making of temporary reassignments not entailing the filling of vacant permanent positions. The following procedures shall apply:

- A. Responsibility: Implementation of the reassignment procedure is the responsibility of the supervisor of the position which is vacant.
- B. Vacancy Notices Posted: Vacant position notices for positions which are to be filled shall be posted for five (5) calendar days. The notice shall specify job characteristics and shall be posted only once. The supervisor may begin interviewing bidders immediately upon posting the bid notice. For purposes of this procedure, a bidder is an employee in the same class who is eligible to bid under Section D, following, and who meets the minimum qualifications for the position including bilingual ability if the position is so designated, and who submits a bid on the position.
- C. All Vacancies Must be Posted: All vacant positions which may occur by creation of new positions, separation, promotion, demotion or

reassignment must be posted for permanent employee bidding.

- D. Who May Request Reassignment: All Permanent full-time, permanent part-time or permanent intermittent employees may request reassignment to any open permanent position in the same classification anywhere else in their Department.
 - E. Who May Not Request Reassignment: Employees who are in a temporary status or provisionally appointed to a permanent position, employees still on probation in a permanent position and employees who have been in their current assignment less than three (3) months may not bid for reassignment under this procedure.
 - F. Employee Selection: The supervisor shall offer to interview all candidates either in person or on the telephone. Subsequent to submitting a bid, an employee may waive consideration for the position at any time by notifying the supervisor verbally or in writing. The bidders will be advised within ten (10) work days after the posting is removed whether they have been selected or the status of their bid. If requested by the employee, supervisors shall give an employee in writing the reason(s) why he or she was not selected. In addition to interviewing eligible bidders, the supervisor shall be entitled to interview individuals from the appropriate employment list. The union agrees to certification of names for these classes from the employment list under Personnel Management Regulations section 711, Rule of the List, upon request of the Appointing Authority and subject to the approval of the County's Director of Personnel.
 - G. No Old Job Claim: The selected employee shall have no claim on the job(s) he or she left. If a decision is made by the employee to seek immediate reassignment, the employee may only be placed in another vacant position in accordance with this policy.
- VI. In the event of layoffs in any of the classes which replace Mental Health Treatment Specialist, incumbents of the new classes will have displacement (bumping) rights into any of the replacement classes which are at the same or lower salary range at the time of the layoff and for which they meet the minimum qualifications. Displacement rights will be based on seniority and, pursuant to the terms of Section 11 of the Memorandum of Understanding, incumbents will bring

their seniority in the Mental Health Treatment Specialist to the new classes upon reallocation. The department will continue its historical practice of making any required reductions based on programmatic needs.

- VII. In order to minimize the immediate fiscal impact of this agreement, advancement along the new salary ranges will be as follows:
- A. In each of the first two years following Board approval of the new classes, merit increments will be limited to one step (2 1/2%) on the applicable salary range for those individuals currently at the salary ceiling for their respective level in the Mental Health Treatment Specialist deep class who are reallocated into a new class which has a higher salary ceiling. Current incumbents of the Mental Health Treatment Specialist deep class who have not yet reached the salary ceiling for their respective level at the time of reallocation into the replacement classes and new appointees to any of the replacement classes will be eligible for merit increments pursuant to applicable provisions of the Memorandum of Understanding unless granting of such an increment would result in their placement at a higher salary step in the respective class than an incumbent whose merit increment is restricted to 2 1/2%, in which case the merit increment of the eligible incumbent will be restricted to 2 1/2%.
 - B. Beginning in the third year, increments of up to two steps (5%) on the applicable salary range may be granted for all incumbents, based on an affirmative recommendation by the supervisor.
 - C. It is understood that all classes will receive any general wage adjustments which result from contract negotiations.
- VIII. An oversight committee of three representatives selected by the union and three representatives selected by management will meet on an as needed basis during the first year following the Board's approval of this proposal to review any questions or issues which arise as the result of its implementation.
- IX. The grievability of the terms of this agreement will be limited to Sections IV A., VI and VII.
- X. Pursuant to County policy, any class which has an extended salary range (more than 5 steps) is defined as a deep class regardless of whether or not the class

has levels. To comply with that policy, a deep class resolution describing any terms and conditions of employment not defined in the Memorandum of Understanding, will be presented for approval by the Board for these classes. The union will have the right to review this resolution before it is placed on the Board's agenda.

- XI. The Department will recommend to County Personnel that testing for the licensed classes will be conducted every six months.

If the foregoing conforms to your understanding of the agreements reached regarding disbanding the Mental Health Treatment Specialist deep class please sign below.

**CONTRA COSTA COUNTY
RETURN TO WORK POLICY
FOR INJURY OR ILLNESS**

- I. POLICY: Permanent full-time or part-time employees, as well as temporary and contract employees who have suffered injuries and illnesses may be provided with such restricted duty as the County is able to provide as soon as medically appropriate. Probationary and seasonal employees are not covered by this policy.
 - A. A restricted duty assignment may be provided within the County's capacity, consistent with restriction(s) recommended by the treating physician. Should any disagreement exist, the County will follow California and Federal law. Restrictions from the physician must be in writing on the county form AK 142 or on the physician's letterhead.
 - B. Employees performing in a restricted duty assignment will continue to receive their regular pay and benefits for hours actually worked. Pay and benefits will be prorated in the case of part-time work, subject to MOU provisions and salary regulations.
- II. OBJECTIVE: The objectives of providing work for temporarily industrially injured employees through restricted duty are to reduce disability and Workers' Compensation costs, maximize productivity, minimize the loss of human resources and promote full and prompt recovery with the return of the employee to productive employment.
- III. SCOPE OF POLICY: All County departments and Board-governed agencies which are part of the County retirement system are subject to this Return to Work Policy.
- IV. GENERAL BACKGROUND: A restricted duty assignment is a temporary assignment provided to a temporarily disabled employee. Restricted duty may be for less than regular full-time work.
 - A. A temporarily disabled employee shall return to a restricted duty assignment that is not inconsistent with restrictions recommended by the employee's treating physician or Qualified Medical Examiner (QME), if applicable.
 - B. A Department shall, whenever feasible, temporarily restrict the duties of an employee in order to conform to restrictions recommended by the treating physician for a cumulative maximum of six months per injury with a review after three (3) months or sooner, if appropriate. At the end of the six month period, the employee shall undergo a medical review to determine whether a full duty work release is possible. If full release is not possible,

the employee shall be referred to the Risk Management ADA Coordinator and/or the Return to Work Committee for evaluation.

C. In the event that an employee disagrees with the Department Head's decision concerning a light duty assignment, he/she may appeal that decision to the Risk Manager within 15 calendar days. The subject of the appeal shall be heard at the next regularly scheduled Return to Work Committee. The Return to Work Committee may affirm, reject or modify the Department Head's decision. The following factors shall be considered by the Return to Work Committee when considering an appeal:

1. The restrictions recommended by the employee's treating physician or QME, if applicable;
2. The operational and financial needs of the department; and
3. The availability of a suitable work assignment.

Either party may appeal the Committee's decision in writing to the Director of Human Resources or his/her designee within 15 calendar days of the Committee's decision.

V. RESPONSIBILITIES:

A. Departments

The principle responsibility for implementing the Return to Work Policy rests with the appointing authority. Departments will also:

1. Complete and submit an injury report for industrial injuries and illnesses on a timely basis.
2. Appoint a Departmental Return to Work Coordinator to administer the department's compliance with the Return to Work Policy under the direction of the department head. The Departmental Return to Work Coordinator shall review restricted duty assignments and make recommendations to the department head regarding adjusting, extending or terminating the restricted duty in accordance with the operational and financial needs of the department and consistent with the employee's medical restrictions. The Department Return to Work Coordinator will document and monitor all limited duty assignments on the County AK143 for Attachment 3. They will also maintain a centralized record of all assignments.
3. Inform department employees of the Return to Work Policy.

4. Implement restricted duty assignments for temporarily disabled employees as soon as medically appropriate, operationally feasible, and when a suitable assignment is available.
5. Coordinate with Risk Management regarding an individual employee's restricted duty assignment.
6. The Department Return to Work Coordinator shall provide the Health Coalition quarterly reports of the number of requests for ergonomic evaluations, the number of evaluations performed, and the actions taken based on those reports. The County shall meet with the Health Coalition upon the Coalition's request to review such reports and to discuss ergonomic issues.

B. Employee

A temporarily disabled employee shall:

1. Notify the department of an industrial or non-industrial injury or illness.
2. If it is an industrial injury, seek prompt medical care through the County's Occupational Medical Program or through a properly pre-designated physician in accordance with the law. The employee shall obtain needed medical information from the physician and provide that information to the County. Physician's Statement of Ability to Work, AK142, see attachment 1 for industrial injuries and attachment 2 for non-industrial injuries.
3. Accept an appropriate available restricted duty assignment within or outside the employee's department if one is offered. A restricted duty assignment must be consistent with limitations recommended by the employee's treating physician or QME, if applicable, and must be approved by the Departmental Return to Work Coordinator. If an employee is assigned to a restricted duty assignment outside of their department, as supervisor in the department providing the restricted duty assignment shall supervise the employee. The employee's home department is required to pay the employee's regular salary.
4. A department head has the authority to temporarily restrict the duties of an employee in accordance with this policy.
5. For accepted industrial injuries, failure of an employee to accept an offer of a medically appropriate restricted duty assignment will result in the denial of temporary disability benefits pursuant to Workers' Compensation law.

C. County Return to Work Coordinators

The County Return to Work Coordinators shall:

1. Work at the direction of the Risk Manager.
2. Assist departments in identifying and developing suitable restricted duty assignments.
3. Assist departments in resolving questions regarding work restrictions and restricted duty placements.
4. Provide, as necessary, counseling and other rehabilitative services to employees placed on restricted duty.
5. Assist in finding restricted duty assignments outside of the home department, if the home department cannot provide restricted duty. The home department will provide the salary of the employee.
6. Coordinate the appeal process for employees regarding restricted duty.

D. Return to Work Committee

The Return to Work Committee shall hear appeals under the Appeal Procedures as described in Section IV (C)-General Background above, and make recommendations to the department head. In the event a department does not grant a restricted duty assignment requested by an employee or a requested extension of an existing restricted duty assignment, the employee may appeal to the Return to Work Committee. The Committee shall hear the appeal and make a recommendation to the department head.

E. Risk Manager

The County Risk Manager shall:

Oversee the administration of this policy and provide ongoing education of department heads, managers, and departmental return to work coordinators concerning this policy.

VI. DEFINITIONS:

- A. Restricted Duty: A temporary work assignment provided to a temporarily industrially disabled employee who cannot perform her/his regular job duties for a specific period of time. The temporary assignment is provided while an individual is recuperating from an industrial injury or illness. An employee will be assigned to restricted duty within their primary department whenever possible. If no assignment can be located within the employee's primary department, the County will make reasonable efforts to locate a comparable

position in another department. Restricted duty is only available to a person who is expected to return to her or his regular job duties. If an employee is on a discretionary 9/80 or 4/10 work schedule and is returning to restricted duty assignment on a part-time basis, the 9/80 or 4/10 work schedule shall be revoked. Pay for restricted duty shall be the same salary and benefits of the employee's regular position, provided however, that shift and other pay differentials will only be paid for the first thirty (30) days of restricted duty unless the employee qualifies for pay differentials.

- B. County: For the purpose of this policy the term "County" includes Contra Costa County and agencies governed by the Board of Supervisors, which are part of the County's retirement system, excluding Housing Authority, and In-Home Supportive Service providers.
- C. Departmental Return to Work Coordinator: The individual appointed by the department head to administer the County's Return to Work policy. The person appointed by the department must have some knowledge of personnel rules and regulations, Memoranda of Understanding and disability benefits that an employee may be entitled to receive, i.e., SDI, LTD, FMLA, retirement.
- D. Employee's Treating Physician: The treating physician or Qualified Medical Examiner (QME) as defined by California Worker's Compensation laws. Treatment shall be reasonably required and consistent with Workers' Compensation guidelines and existing State law.

For non-industrial injuries, the County will follow the regulations of both the EEOC and DFEH on the issue of temporary modified duty.

- E. Return to Work Committee: The Committee shall be composed of a pool of twelve (12) members consisting of six (6) County employee members appointed by the County Administrator and six (5) County employees appointed from the three (3) largest employee organization in the Labor Coalition. Each member of the committee must commit to attending at least two committee meetings each year. Two members appointed by the County Administrator and two members appointed by the employee organization must be present in order to constitute a quorum.
- F. Risk Manager: The person designated by the County Administrator to serve as Risk Manger.
- G. County Return to Work Coordinators: The person designated by the County Risk Manager to serve as an Employee Return to Work Coordinator who shall perform the duties set forth in V (C).
