

ATTACHMENT 4

Correspondence Received at
County Planning Commission Hearing
October 25, 2016

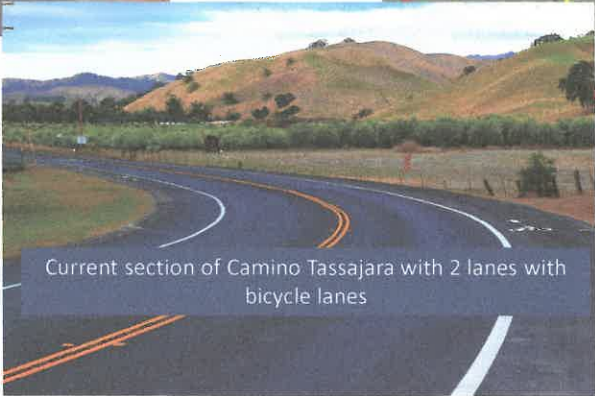

Example of Tassajara Valley Roads

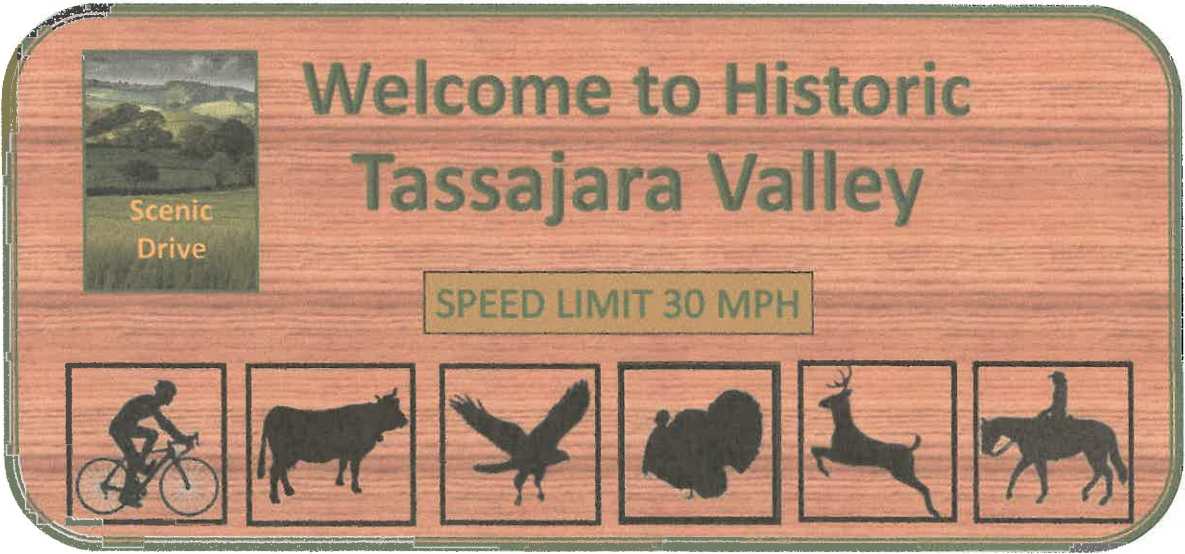

County Proposed 4 Lane Expansion

Proposal
Continue Camino Tassajara from CC County Line to Lusitano Street

Current section of Camino Tassajara with 2 lanes with bicycle lanes

Scenic Drive

Welcome to Historic Tassajara Valley

SPEED LIMIT 30 MPH

Cyclist, Cow, Eagle, Turkey, Deer, Horse

- Disagree with Staff's Findings that there is not a need for a CEQUA – 4 lanes will significantly increase car traffic from 580-680 - Air quality impact to CCC residents, Impact to Wildlife Corridor/Habitat, and environmental impact of building larger road.
- Alternative proposal that will benefit the most impacted residents of Contra Costa County – Tassajara Valley, Blackhawk and Danville
- Place sign at Contra Costa County Line on Camino Tassajara and Camino Tassajara/Lusitano Street
- Place stop sign/light at Camino Tassajara/Johnston and Camino Tassajara/Finley Road
