Meeting Date: 09/26/2016

Subject: NOMINATION TO THE HAZARDOUS MATERIALS COMMISSION

Submitted For: William Walker, M.D., Health Services Director

Department: Health Services

Referral No.: IOC 16/5

Referral Name: Advisory Body Recruitment

Presenter: Julie DiMaggio Enea Contact: Michael Kent (925) 313-6712

Referral History:

In 2013, IOC reviewed Board Resolution Nos. 2011/497 and 2011/498, which stipulate that applicants for At Large/Non Agency-Specific seats on specified bodies are to be interviewed by a Board Committee. The IOC made a determination that it would delegate the screening and nomination to fill At Large seats on the Hazardous Materials Commission to the Commission or a subcommittee thereof.

The Environmental Organization #3 Alternate seat was vacated on March 8, 2016 when Ush Vedagiri was reassigned to the Environmental Organizations #2 seat. The Commission recruited, interviewed one candidate and, in May, nominated Charles Davidson for appointment to the seat. A second application from Linus Eukel (Orinda) was received late and also transmitted to the IOC.

The IOC interviewed both Charles Davidson and Linus Eukel for the Environmental Organization #3 Alternate seat. Supervisor Anderson was reluctant to recommend candidates who, philosophically, were biased against anything other than renewable energy, considering the number of refineries operating within the county. Supervisor Gioia said he expected members to be open-minded but it was beneficial to have differing viewpoints and important to achieve geographic representation on the advisory bodies; and for this body in particular to have west county represented due to the operation of refineries in west county. He preferred to see someone who would replace Henry Clark's voice on the Commission.

Lacking unanimous IOC approval for either candidate in May, and recognizing that the Hazardous Materials Commission did not interview or recommend Mr. Eukel, the IOC directed the Hazardous Materials Commission to conduct a new recruitment and submit a new nomination to the IOC. The IOC asked for staff to indicate the city of residence of all Commission members and which agency each member is representing.

Referral Update:

The vacant seat was advertised again during the month of June and Mr. Eukel's application was the only application received. The Commission interviewed and recommends the appointment of Mr. Eukel. Since there are only about three months left on the current seat term, which expires on December 31, 2016, staff recommends that the IOC appoint Mr. Eukel to complete the current term and also to a new four-year term expiring on December 31, 2020.

Recommendation(s)/Next Step(s):

APPROVE Hazardous Materials Commission nomination to appoint Linus Eukel (Orinda) to the Environmental Organization #3 Alternate seat to complete the unexpired term ending on December 31, 2016 and to a new four-year term ending on December 31, 2020.

Fiscal Impact (if any):

No fiscal impact.

September 15, 2016

MEMO

To: Internal Operations Committee

From: Michael Kent, Executive Assistant to the Hazardous Materials Commission MK

Re: Appointment Recommendation to the Hazardous Materials Commission

The Hazardous Materials Commission was established in 1986 to advise the Board, County Staff and the mayor's council members, and staffs of the cities within the County, on issues related to the development, approval and administration of the County Hazardous Waste Management Plan. Specifically, the Board charged the Commission with drafting a Hazardous Materials Storage and Transportation Plan and Ordinance, coordinating the implementation of the Hazardous Materials Release Response Plan and inventory program, and to analyze and develop recommendations regarding hazards materials issues with consideration to broad public input, and report back to the Board on Board referrals.

Environmental Seat #3 Alternate was declared vacated on March 8, 2016 and posted for 10 days by the Clerk of the Board. The bylaws of the Commission provide that Environmental Seat #3 Alternate be nominated by an environmental organization, but that no particular environmental organization will have an exclusive right to nominate an individual to this seat and therefore, which environmental organization is represented on the Hazardous Materials Commission rests with the Internal Operations Committee and ultimately the Board of Supervisors. This term for this seat expires on December 31, 2016. The Hazardous Materials Commission advertised for this open seat, interviewed one candidate, and on April 28, 2016 voted 7-3-2 to recommend that Charles Davidson be appointed to this seat. The Commission received an additional application to serve on the Commission on May 6, 2016 from Linus Eukel.

On May 23, 2016 the Internal Operation committee directed the Hazardous Materials Commission to re-advertise for the vacant Environmental Seat and to consider Mr. Eukel's application as well as any others that were received along with Mr. Davidson's application. The vacant seat was advertised again from May 27, 2016 to June 27, 2016. Mr. Eukel's application was the only additional application received.

Mr. Eukel was interviewed by the Operations committee of the Commission on August 12, 2016. They considered his application as well as Mr. Davidson's application and voted to recommend

Members: George Smith, Chair, Rick Alcaraz, Don Bristol, Matthew Buell, Lara DeLaney, Frank Gordon, Fred Glueck, Steven
Linsley, Jim Payne, Ralph Sattler, Leslie Stewart,

Mr. Eukel for the vacant Environmental Seat by a vote of 5 to 0 with one abstention. The full Commission considered the Operations committee's recommendation at their August 25, 2016 meeting. They voted to recommend Mr. Eukel to the Board of Supervisors for the vacant Environmental Alternate seat by a vote of 9 to 0 with 4 abstentions. Both applications and the postings for the vacant seat are attached.

At the May 23, 2016 Internal Operations committee meeting Hazardous Materials Commission staff was directed to include with the recommendation the place of residence of the Hazardous Materials Commission members and who they represent. This information is also attached.

To: Michael Kent Contra Costa Health Services Hazardous Materials Ombudsman

Dear Mr. Kent,

I am writing this letter on behalf of the Sunflower Alliance, endorsing Charles Davidson to join the board of the Hazardous Materials Commission. I am a member of the organization's Coordinating Committee and its secretary.

Charles Davidson, from Hercules, was a founding member of the Sunflower Alliance, in 2012 and is a member of the Coordinating Committee. He comes with the highest recommendation from the Sunflower Alliance.

Charles has regularly lobbied the BAAQMD board members over refinery procedures and rule making and is familiar with the majority of their EIRs going back one decade.

He has done extensive research in order to understand the infrastructure trends required for crude slate changes, such as switching to higher sulfur feedstocks, and, when needed, to recommend improved pollution control technology.

He has also been active in lobbying the County Supervisors for a Community Choice Aggregation as a method of promoting renewable electricity buildout.

Charles is the Energy Policy Liaison of the West County Sierra Club and holds a US patent in advanced x-ray medical imaging, #6,594,335.

He has studied both graduate level physics and molecular biology.

Sunflower Alliance believes that, as a board member of the Hazardous Materials Commission, Charles' contributions will help to advance the quality of life for Contra Costa County citizens.

Sincerely,

Margaret Rossoff

Contra Costa County Board of Supervisors

Subcommittee Report

INTERNAL OPERATIONS COMMITTEE

5.

Meeting Date: 09/26/2016

Subject: ANNUAL REPORT ON THE LOCAL BID PREFERENCE PROGRAM

Submitted For: Julia R. Bueren, Public Works Director/Chief Engineer

Department: Public Works

Referral No.: IOC 16/4

Referral Name: LOCAL BID PREFERENCE PROGRAM

Presenter: David Gould, Procurement Services Contact: David Gould (925)

Manager 313-2151

Referral History:

On August 10, 2004, the Board of Supervisors referred to the Internal Operations Committee (IOC) the creation of a policy to grant a five percent preference to Contra Costa County vendors on all sealed bids or proposals, except with respect to those contracts which state law requires to be granted to the lowest bidder, and review of an ordinance to be drafted by County Counsel to enact this policy. The 2005 IOC proposed a new ordinance to the Board of Supervisors, and the Board adopted the local bid preference ordinance to support small local business and stimulate the local economy at no additional cost to the County. The ordinance provides that if the low bid in a commodities purchase is not a local vendor, any responsive local vendor who submitted a bid over \$25,000 that was within 5% percent of the lowest bid has the option to submit a new bid. The local vendor will be awarded if the new bid is in an amount less than or equal to the lowest responsive bid, allowing the County to favor the local vendor but not at the expense of obtaining the lowest offered price.

The ordinance defines a local vendor as any business that has its headquarters, distribution point, or locally-owned franchise located within the county for at least six months immediately prior to the issuance of the request for bids, and holds a valid business license by a jurisdiction in Contra Costa County.

Since adoption, the IOC has continued to monitor the effects of the program through annual reports prepared and presented by the Purchasing Agent or designee. The Public Works Department made its last status report to the IOC in October 2015, which reported out to the Board of Supervisors in November 2015. The department had set a goal to utilize available technology to increase the visibility of local businesses that offer services needed by County departments.

Referral Update:

Attached is the FY 2015/16 Local Bid Preference Program report prepared by the Procurement Services Manager. Six bids met the program criteria in 2015/16 and awards were made under the program to local bidders in all six cases. This experience demonstrates that the program works for procurements that meet the program criteria. The challenge remains for local businesses become more competitive with out-of-county businesses.

The percentage of purchase orders awarded to local and Bay Area businesses decreased in 15/16 from 38% to 27%. However, the dollar value of purchase orders awarded to local and Bay Area businesses increased in 15/16 from \$44.4 million to \$51.6 million.

Recommendation(s)/Next Step(s):

ACCEPT annual report prepared by the Public Works Department on the County's Local Bid Preference Program.

Fiscal Impact (if any):

No fiscal impact, as this is only an informational report. The program itself results in no financial loss to the County because purchase orders are still awarded to the lowest bidder. The program merely gives a second opportunity for local bidders who are within 5% of the lowest bid to meet or beat the lowest bid. The objective of the program is to stimulate the local economy and job creation.

2015/16 Local Bid Preference Report

Memo

September 19, 2016

Joseph Yee

TO: Internal Operations Committee

FROM: David J. Gould, Procurement Services Manager

SUBJECT: ANNUAL REPORT ON THE LOCAL BID PREFERENCE PROGRAM

Recommendation

Accept the report on purchasing solicitations awarded to local businesses during Fiscal Year '15-'16, and the Value of purchase orders awarded to local business during the same period.

Background

In 2005 the Board of Supervisors adopted the Local Bid Preference Program, County Ordinance 1108-2.47 in 2006. Under the program, if the low bid in a commodities purchase is not a local vendor, any local vendor who submitted a bid within 5% of the lowest bid has the option to submit a new bid. If the new bid is for an amount less than or equal to the lowest bid, the award may be made to the local vendor. This program applies to bids over \$25,000.

Local Bid Preference Program Results

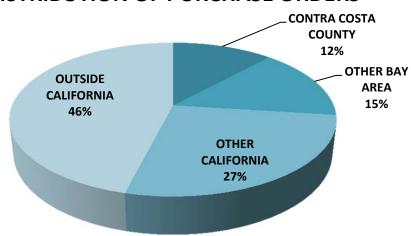

Purchasing Services processed 57 solicitations using Bidsync. Of the 57 bids, 19 were for commodities and 38 were for services or construction. The dollar value of all bids was \$12,667,000. There were six bids that met the criteria for the Local Bid Preference Program. Awards were made to six local vendors under the program.

	2012-13	2013-14	2014-15	2015-16
Formal Bids Meeting Criteria	17	6	6	6
Bids Awarded to Local Vendors	14 (82%)	6 (100%)	4 (67%)	6 (100%)

Award Value	\$1,620,000	\$382,294	\$275,442	\$279,420

An evaluation was done to determine the total value of purchase orders issued to local vendors. Purchase orders were grouped into three categories; 1) Local Contra Costa County businesses, 2) Businesses within the other bay area counties, 3) Businesses outside the bay area.

The total value of new purchase orders issued during the previous fiscal year exceeded \$191 million. The percentage of purchase orders awarded to local and bay area businesses was 27%. The dollar value of purchase orders awarded to Bay Area businesses was \$51,654,720, an increase of 16%.

Meeting Date: 09/26/2016

Subject: STATUS UPDATE ON PHASE I OF THE TRIENNIAL ADVISORY

BODY REVIEW

Submitted For: David Twa, County Administrator

Department: County Administrator

Referral No.: IOC 16/7

Referral Name: Advisory Body Triennial Review

Presenter: Julie DiMaggio Enea Contact: Julie DiMaggio Enea (925) 335-1077

Referral History:

On December 8, 2015 and in subsequent actions on April 19 and September 20, 2016, the Board of Supervisors approved the following Internal Operations Committee recommendations on the first phase of the current Triennial Advisory Body Review cycle:

- 1. TERMINATED the County's participation on the Bay Area Library Information System Advisory Council.
- 2. DIRECTED the Contra Costa Commission for Women to revise its Bylaws to reflect a total membership of 20 seats (one from each Supervisorial District and 15 At Large) plus one Alternate, and the standard County quorum requirement, which is a majority of authorized seats or, in this case, 11, and to submit the revised bylaws to the Board of Supervisors for consideration.
- 3. APPROVED recommendations of the Health Services Department in regarding revised mission and structure of the Alcohol and Other Drugs Advisory Board.
- 4. RECONSTITUTED the Agricultural Advisory Task Force, including revised mission statement and work program, delineation of powers, duties, membership, bylaws, meeting plan and staffing.
- 5. UPDATED the Advisory Council on Aging bylaws to provide greater clarity and direction in the administration of the Council's operations.
- 6. UPDATED the Emergency Medical Care Committee bylaws to eliminate alternate seats, reduced the number of officers and clarified mission and duties.
- 7. EXTENDED the Library Commission through December 31, 2016 to provide time for input by the Commission and the cities on the future of the Commission.

The IOC asked staff to follow up on several questions and made the following determinations, which required no action by the Board of Supervisors:

- 1. To maintain the Airport Land Use Commission and Aviation Advisory Committee as separate bodies.
- 2. To maintain the Hazardous Materials Commission and the Public and Environmental Health Advisory Board (PEHAB) as separate bodies and direct the Health Services Department to

report back to the IOC with recommendations for revitalizing the PEHAB.

Referral Update:

No file(s) attached.

The following items from Phase I of the Triennial Advisory Body Review remain outstanding and require consideration by the IOC and possible action by the Board of Supervisors:

- 1. The future disposition of the Public and Environmental Health Advisory Board. There was some discussion about abolishing PEHAB and creating a new citizens' advisory body on sustainability. The Board's ad hoc Committee on Sustainability, on August 22, held a discussion regarding a new citizens' advisory body on sustainability, but the staff report made no mention of PEHAB.
- 2. The future disposition of the Library Commission (see recommendations in Item 4 on today's Committee agenda).

Recommendation(s)/Next Step(s):

ACCEPT report on the status of Phase I of the Triennial Advisory Body Review and CONSIDER actions to be taken.

Meeting Date: 09/26/2016

Subject: Advisory Body Triennial Review Phase I Follow-up Item: Library Commission

Submitted For: Theresa Speiker, Interim County Librarian

Department: Library **Referral No.:** IOC 16/7

Referral Name: Advisory Body Triennial Review

Presenter: Theresa Speiker, Interim County Contact: Theresa Speiker (925)

Librarian 646-6721

Referral History:

In accordance with the Board of Supervisor's policy, a Triennial Review of the Library Commission was conducted in 2015 by the County Librarian, Jessica Hudson. The review was prepared with and co-signed by the then-Chair of the Commission, Rodger Lum. The recommendations in the Triennial Report were listed, but not heard, on the Library Commission agenda in November, 2015. The topic was listed again and recommendations were presented verbally by Ms. Hudson at the Library Commission's January 2016 meeting. The written report was provided to Library Commission members at the March 24, 2016 Library Commission meeting and the Internal Operations Committee (IOC) on March 28, 2016.

The Triennial Report recommended the IOC consider two alternatives: either sun-setting the Library Commission entirely or reauthorizing it with fewer members (by eliminating the alternate members and/or the 5 Special Representatives) and developing a renewed charge, mission and work plan.

At the March IOC meeting Supervisors determined that the Commission should continue in operation through the end of 2016, for a review of its charge, mission, proposed work, membership structure, and continuation going past 2016. In May 2016, the Board of Supervisors (BOS) extended the Commission until the end of December 2016 to allow the Commission, the Contra Costa Mayor's Conference and staff the time needed to conduct this review.

At its May 2016 meeting, the Mayor's Conference also approved the extension of the Library Commission through the end of 2016. The Conference established an ad hoc committee of Mayors to review the matter and make further recommendations about the Library Commission to the Board of Supervisors and the Mayors.

Referral Update:

Mayor's Conference Recommendations

Following the meeting of the Mayor's Conference where reauthorization of the Commission occurred, the Executive Director of the Conference and a group of Mayors began their review of the Library Commission. Their report, which is attached, recommends continuation of the Library Commission and also recommends continued participation by all Cities in the County, with the exception of the City of Richmond. This change is recommended because Richmond chose, through Council Resolution, to no longer participate in the Library Commission or appoint a Commission member and alternate. This report will go to the full membership of the Mayor's Conference before the end of 2016 and is expected to be approved with no changes.

Library Commission and County Staff Updates

Since June, the Library Commission and an appointed ad hoc Revitalization Committee made up of Library Commissioners have been reviewing such issues as the mission, charge and work of the Library Commission, the number and type of members, specifics within the Commission's bylaws and whether or not the Commission should be reauthorized.

During these months, Library Commissioners and the ad hoc Revitalization Committee have invested a significant number of volunteer hours imagining the future of the Library Commission, developing recommendations for restructuring its membership and work products, drafting the Revitalization Report for consideration and review by the entire Library Commission and beginning to draft bylaw changes.

In addition to this work by Library Commissioners and the Mayor's Conference, the Interim County Librarian, Library administration and staff and the CAO's Office engaged in numerous discussions to consider the future of the Library Commission, consulted regularly with the Library Commission Chair and ad hoc Revitalization Committee members and provided staff assistance to the Library Commission and its ad hoc Revitalization Committee. Staff from the CAO's Office and County Counsel have also assisted by researching and providing guidance on technical questions raised by the Commissioners.

The Draft Revitalization Report, Recommendations and Proposed Changes

Throughout this process, the current Library Commission Chair, Alan Smith, has provided leadership and facilitated review of the Commission's structure and mission. He will be present at the September IOC meeting to talk about the work of the Library Commission's appointed ad hoc Revitalization Committee, the draft Revitalization Report, and to answer questions regarding the draft recommendations and their work to this point.

In the draft Revitalization Report, the ad hoc Committee and the Library Commission is recommending that the Commission be reauthorized. This report, which is attached hereto, also envisions a number of changes (highlighted below) to the Library Commission's voting membership structure and the Commission's work going forward.

All recommendations contained in the draft Revitalization Report have been developed by ad hoc Revitalization Committee members and Library Commissioners and made available to the public through the open meeting process and requirements. To date, there have been five public meetings noticed on this topic since June, 2016.

In addition to developing and writing the Revitalization Report, the ad hoc Committee and Library Commission have been reviewing the Commission's current bylaws and possible changes to them. If the decision is made to reauthorize the Library Commission, they will be ready to work with County Counsel and library staff to draft a revision that contains the proposed changes, for the Board of Supervisors review and approval.

Highlights from the Draft Revitalization Report

- The Library Commission proposes a slightly smaller voting membership structure that retains alternate members and changes most of the Special Representatives (except the Central Labor Council) to ex-officio/non-voting status. Alternates would vote only in the absence of the regular appointee. In addition, the City of Richmond passed a resolution to give up its membership on the Commission. With these changes, voting membership becomes 24, with 13 voting attendees needed for a quorum.
- Off-cycle voting for a new Chair or Vice Chair will be allowed, to ensure that both a Chair and Vice Chair will be in place if a mid-term resignation occurs.
- The agenda will be streamlined and notice and opportunities for the public to comment on issues will be made clearer and more prominent.
- The number of meetings will remain at 6 per year.
- Minutes will be streamlined and distributed electronically to members, unless requested otherwise.
- Requests for information shall be routed to designated library staff through the Chair of the Commission or an ad hoc committee chair.
- Library Commission advisory duties will be focused on planning, policy review, financial review, advocacy and funding recommendations, community outreach, support and advocacy for Library services.
- The prohibition against inquiry or investigation into personnel policies and practices and the day-to-day administrative operations of the County Library will continue in place.

Recommendation(s)/Next Step(s):

We have thoroughly reviewed the draft Revitalization Report's recommendations and proposed changes. Our assessment is that these proposals are sound and have the potential to modernize and reinvigorate the work and structure of the Library Commission.

In concert with the recommendations from the Mayor's Conference, we support reauthorization of the Library Commission, in the structure as recommended in the Conference report.

If both the Library Commission and the IOC Supervisors agree with the structure and future work for the Commission, as outlined and recommended in the draft Revitalization Report, we recommend the Board of Supervisors reauthorize the Commission until the end of December 2019. We further recommend that 2019 be set as the year for the next Triennial Review of the Library Commission.

If the IOC and BOS agrees with these recommendations, we propose the new Librarian begin to work with the Library Commission and County Counsel to rewrite the Commission bylaws to reflect the changes as outlined, in the Mayor's Conference report and the ad hoc Revitalization Committee report.

Fiscal Impact (if any):

None.

DRAFT Library Commission Recommendations

Letter from CC Mayor's Conference regarding Future of Library Commission

CONTRA COSTA COUNTY LIBRARY COMMISSION AD-HOC REVITALIZATION COMMITTEE REPORT September 22, 2016 DRAFT (Revised Version 1.6)

INTRODUCTION

In 2012, the Contra Costa County Board of Supervisors (Board) instituted a triennial review process of all county boards and commissions. The review for the Contra Costa County Library Commission (Commission) was delayed from 2014 as the county librarian was new to that position.

A report was written in Q4 2015 (approximately November as the report is undated). It was provided to the Commission at its March 24, 2016 meeting. It was then discussed at the County Internal Operations Committee (IOC) at its March 28, 2016 meeting.

In response to the Triennial Report (Report), the Commission established an adhoc Revitalization Committee. The Committee has met three times on June 9, June 30 and August 18, 2016. The Committee members include: Alan B. Smith Chair (District IV), Kathy Gilcrest (San Ramon), Laura Canciamilla (Pittsburg), Mary Ann Hoisinton (Lafayette), Kathrine Brackin (Pleasant Hill), Brian Miller (Hercules), and Peter Wilson (District IV Alternate).

This report provides background on the Commission and results of the Committee's deliberations including changes to the standard agenda and bylaws. Note: Bylaw changes must be approved by a two-thirds vote of the Commission, with the concurrence of the Board. The Commission can discuss revisions at this meeting. However, the Commission must wait at least one meeting before approving them.

EXECUTIVE SUMMARY OF RECOMMENDED CHANGES

This report focuses on the following recommendations:

Agendas:

- Eliminate Commission Bookshelf
- "Items from the public" should be "Public Comment"
- Show on the agenda if an item is for "Action", "Discussion" etc.

Bylaws:

- Commission to be "reinstated" (reauthorized)
- Revise membership and voting
- Continue six meetings per year
- Retain alternates
- Add new purpose to provide community level support and advocacy for Library services
- Technical revisions including revising duties
- Streamline minutes.

"REINSTATEMENT"

The Commission's term was set to expire June 30, 2016. At the March 28 IOC meeting, library staff was requested to prepare a Board Order extending the Commission to December 31, 2016 pending the Commission's work on revising its bylaws etc. The full Board approved the extension in May. The Contra Costa Mayors Conference concurred at its June 2 meeting. The IOC is scheduled to hear a report form library staff at its September 26 meeting.

COMMISSION BACKGROUND

The Commission was established in March 1991 for a two-year period. It has been "reinstated" (reauthorized) continuously since then. Originally, it contained 28 positions:

- One for each of the 18 cities including Richmond
- One for each of five Board of Supervisor districts
- Special representatives from the Friends Council, Central Labor Council, Office of Education, Contra Costa Council, and the Countywide Youth Commission
- Oakley was added after its July 1, 1999 incorporation, thus bringing the total positions to its present 29
- The Countywide Youth Commission was sunsetted in 2010 and was replaced in 2012 by the Contra Costa Community College District
- The Contra Costa Council changed its name to the East Bay Leadership Council.

RECOMMENDED CHANGES

Agenda Revisions

The following are the three agenda revisions the Committee recommends. They can be approved immediately by the Commission.

- Eliminate "The Commission Bookshelf". This item has been on the agenda for at least 19 years. It was intended as an "ice breaker" for any commissioners who were shy about talking; as well as using time until a quorum was reached. Due to present meeting rules, it has outlived its purpose.
- "Items From the Public" should be renamed "Public Comment". This is the term used by most other agencies (e.g. cities and the Board of Supervisors). By showing public comment, the public will more clearly understand their input is welcomed.
- Mark all agenda items as "Action", Discussion" etc. on the agenda.
 Presently the word "action" is only shown on the green pages between the attachments. Not all know to look there, and the green page can be hard to read on-line. With this change, both commissioners and the public will know which items are for action.

Responses to Report (Bylaws)

The Report made several recommendations as follows:

1. Sunset the Commission

The Commission voted at its January 29, 2016 meeting that it wanted to continue in existence. The IOC at its March 28 meeting did not concur with sunsetting the Commission and instructed library staff to proceed with a reinstatement board order as outlined above.

2. Bylaw Changes

The Report states that library staff did not recommend any changes to the bylaws. However, both IOC and the Committee did not agree. Thus, bylaw revision recommendations follow.

3. Membership Reduction and Voting

Both IOC and library staff recommended reducing membership. Thus, a letter was written toward that end by the Interim County Librarian and the Commission Chair and signed by the Chair. The letters were sent to the Special Representatives and the mayor of Richmond. They were mailed the week of June 20. They were asked if they wanted to: 1) retain a voting membership; 2) be an ex-officio member without voting rights; or, 3) no membership. The results are:

Entity	Regular Membership	Ex-offico Membership	No Membership
City of			Х
Richmond			
College District		Х	
East Bay		Х	
Leadership			
Council			
Friends Council		X	
Office of		X	
Education			
Central Labor	Х		
Council			

This will bring regular membership to 24. As a result the number of commissioners needed for a quorum will be 13. The Central Labor Council will be the only remaining Special Representative with a vote. When and if the Friends' Council is reconstituted, the by-laws can be revised to also include them with a vote. However, since the Friends' Council does not presently exist, it is not possible to include them as a voting member.

It is recommended that voting be by simple majority of all commissioners present. The current method of voting by those representing city representatives and county representatives has never made any difference in the results.

4. Number of Meetings per Year

The present bylaws state the Commission is to meet at least quarterly. The Committee recommends the number be retained at six. The Committee believes with a proper focus, there is adequate work for the Commission to continue as is.

5. Alternate Commissioners

The Report stated that on average **35-40** Commissioners are at each meeting. The following shows the number of Commissioners attending the past nine meetings averages **27** including alternates.

Meeting Date	# Vacant	# Alternates	# Reg. Comm. Present	# Alt. Present	# Total Comm.
11/14	4	13	24	7	31
1/15	3	13	21	9	30
3/15	5	13	19	7	26
5/15	2	14	19	7	26
7/15	3	14	21	8	29
9/15	3	14	16	8	24
11/15	3	13	18	7	25
1/16	5	14	22	8	30
3/16	5	12	15	5	20

Source: Commission attendance roster from the minutes.

Observations:

- At no point has the number attending been as high as shown in the Report.
- About half of the positions have alternates.
- About half of the alternates usually attend.

The Committee voted to continue the practice of having alternates. It observed that some alternates are as active, or more active than the regular commissioner. Also, by having alternates attend meetings; the alternate is in a position to assume the regular voting position when required. Alternates also assist in achieving a quorum. It was noted, however, that given the smaller meeting room in the new location, alternates may need to sit in the audience.

Commission Purpose

 The Report states: "The Library Commission...provides community level support and advocacy for Library services." It is, thus, proposed that this become "Purpose F".

Technical Revisions

Duties have been grouped under five topics as shown below:

IV. DUTIES

The Commission shall perform the following advisory functions:

A. Planning

- 1. Participate in short and long range planning activities for libraries.
- 2. Monitor progress made in achieving goals set forth in plans adopted by the Board. Report and make recommendations to the Board and the County Librarian in this regard.

B. Policy Review

- 1. Assist in the development of policies that the Commission and the County Librarian determine will improve the operations of, and services available, through the County Library.
- 2. Discuss and vote on major policy issues.

C. Finance

- 1. If the Commission has concerns or questions regarding the library budget, the Commission may make recommendations to the Board and the County Librarian.
- 2. Advocate and recommend the funding necessary to provide each level of service (e.g. hours of operation, check-out laptops, or other resources) proposed by the Commission, the Board, or the County Librarian, as the case may be.
- 3. Explore alternative methods of establishing stable and adequate funding for each level of service. Report the Commission's findings, along with any related recommendations, to the Board or County Librarian.

D. Community Outreach

- 1. Hold meetings that encourage the expression of community views on matters related to the County Library.
- 2. Participate in community activities supporting the library, such as friends of the library and library foundations, or city/town library advisory groups.
- 3. Provide community feedback to the County Librarian and Board of Supervisors.

E. Other

- 1. Oversee the actions of committees of the Commission.
- 2. Submit reports to the Board and County Librarian when the Commission deems such reports to be timely and appropriate.

3. Performs other tasks and assignments that are referred to the Commission by the Board or County Librarian.

Note: The Library Commission is specifically prohibited from undertaking any inquiry or investigation into the (i) personnel policies and practices, and (ii) day-to-day administrative operations of the County Library.

Agenda Packets

 Present bylaws state that Commission packets are to be mailed. This will change to: "Commission packets will be provided electronically unless otherwise requested".

Elections

 Whenever the chair and/or vice chair position becomes vacant, an election to fill the vacancy shall occur at the next regularly scheduled commission meeting.

Streamline Minutes

- The minutes will become shorter with the elimination of the Commission Bookshelf.
- Presently each time a commissioner is named in the minutes, the entity they represent is repeated. Since their entity represented is shown in the roster section. It is proposed the entity does not need to be repeated throughout the minutes.
- Minutes can use bullet points as much as possible.

Commissioner Communications with Staff

It is recognized staff time is limited. So as to help staff be as efficient as
possible, communications for information should be routed through the
chair or a committee chair to the county librarian or designated staff.

Commission Work Plan and Annual Report

 This document should be aligned with the Commission's Purposes and Duties

Reinstatement

At the end of each term for the Commission, when its term is extended, it
is said to be "Reinstated". The word "Reinstatement" sounds as though
the Commission term had lapsed. It is thus proposed the word be changed
to "Reauthorization".

CONCLUSION

The Contra Costa County Library Commission is the only entity in the county whose sole purpose is to advise, advocate and support the County Librarian and the Board of Supervisors to provide library services.

Adoption of the above revisions will facilitate a strong Commission and improve its ability to fulfill its Purposes and Duties.

COUNTY MAYORS CONFERENCE

September 9, 2016

To: Contra Costa County Board of Supervisors Internal Operations Committee

From: Contra Costa Mayors Conference

Subject: Report on discussion of Library Commission status

Some weeks ago County Library staff, on behalf of the Internal Operations Committee (IOC), requested that the Mayors Conference cities offer thoughts about the continuation and possible reorganization of the County Library Commission.

After consultation with various mayors and council members, the consensus opinion, based on the feedback we have received is:

- 1) That the Library Commission should continue to exist. Several cities expressed the opinion that it is an effective and valuable information-sharing forum.
- 2) That it is appropriate that each city appoint a member and an alternate in case the regular member is unable to attend. This provides continuity of information sharing which is one of the main values of the Commission. Whether one or both attend and who should sit at the table during discussion is an internal operations matter for the Commission to resolve for itself in its own procedures.
- 3) Should there be any issues that require a vote, that each city have only one vote and that the practice of counting city and county votes separately be discontinued as most decisions are taken by consensus and the past practice seems cumbersome and unnecessary.
- 4) The City of Richmond has indicated that they no longer wish to have either a regular or an ex-officio seat on the Commission. The other cities are comfortable with this position taken by Richmond. Should some future issue affect the Richmond library, appropriate outreach can be extended at that time.
- 5) There was no specific consensus as to the various "Special Representative" members, although it is understood that reducing the size of the body is a desirable goal in the abstract. At the same time, information sharing with the various "special constituencies"

is valuable and the County may best be able to judge the appropriateness of the various members in this category.

- 6) There was no consensus on the frequency of the meetings, some find the current schedule fine, and others thought less frequent meetings might be desirable.
- 7) There was sentiment expressed that it might be useful to provide childcare if any of the representatives have young children. We recognize this is not properly a structural issue, but the comment is passed on in the spirit of sharing the feedback we received.

In all other matters we defer to the IOC and the Board of Supervisors and thank the County for consulting us.

In general, we believe the climate surrounding County Library operations is very good and that the Commission has contributed to this positive feeling.
