WOULD YOU LIKE TO SERVE ON THE CONTRA COSTA MOSQUITO & VECTOR CONTROL DISTRICT BOARD OF TRUSTEES ?

The Contra Costa Mosquito & Vector Control District was established in 1986. The boundaries of the current District are all of Contra Costa County. The District provides Countywide public health services through the control of mosquitoes, rats, skunks, yellowjackets and other vectors. This is important to prevent the transmission of disease and to minimize vector population outbreaks, which would interfere with recreational, residential, agricultural, and industrial activities. The District Board of Trustees meets on the second Monday of every other month at 7 p.m. in Concord.

The County is recruiting for volunteers to fill two vacancies for four-year terms ending on January 2, 2021. The County Board of Supervisors will make the appointments. County residents are encouraged to apply.

Application forms can be obtained from the Clerk of the Board of Supervisors by calling (925) 335-1900 or by visiting the County webpage at www.co.contra-costa.ca.us. Applications should be returned to the Clerk of the Board of Supervisors, Room 106, County Administration Building, 651 Pine Street, Martinez, CA 94553 no later than Friday, November 4, 2016 by 5 p.m. Applicants should plan to be available for public interviews in Martinez on Monday, November 28. More information about the Contra Costa Mosquito & Vector Control District can be obtained by visiting the District's website at <http://www.contracostamosquito.com/>.
