Re: Aviation Advisory Committee, At-Large Seat Application

Hello,

Please accept my attached application for the Contra Costa County Aviation Advisory Committee, At-Large Seat that will become vacant on March 1, 2017.

Since March 2014, I have served on the Aviation Advisory Committee (AAC) as an At-Large member. My current tenure ends in March 2017, and I would very much like the opportunity to continue serving our community in this position.

I was recently reelected by my AAC colleagues for a second term as the AAC Secretary, and I am actively engaged in airport activities both as a pilot and small aviation business owner operating from Buchanan Field. I am also an incoming Mount Diablo Pilot Association board member.

These experiences give me a well informed perspective regarding the significant benefit both Buchanan Field and Byron airport offer the Bay Area, and the tremendous effort undertaken by the airport administration staff to operate these airports on behalf of Contra Costa County and general aviation.

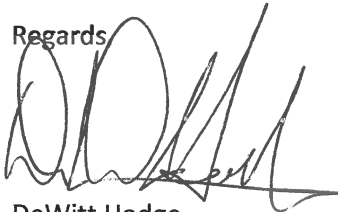

I have found providing advice and assistance to the airport administration, as well as aid in communicating airport activities to the local aviation community to be a very rewarding endeavor.

I believe my participation on the AAC has been of value to its mission. Enclosed are letters of support from several AAC committee members that highlight my contributions.

You can contact me via email at

It is my understanding that the current term for DeWitt Hodge on the Contra Costa County Aviation Advisory Committee is due to expire. I also understand that he has requested that he be re-appointed to continue in this capacity.

Mr. DeWitt has served the past term as the Secretary of the Committee and his service has been invaluable. He has been progressively active in the activities at the Buchanan Airport. In addition, he has advocated for the improvement of the Byron Airport which I believe is crucial to the betterment of air transportation throughout the County.

It would be my honor to work with him further and request that you strongly consider his desire to continue on the Committee.

Very sincerely yours,

Absolutely, DeWitt.

It has been a privilege to serve with DeWitt on the AAC over the last few years. His passion for aviation, his appreciation for the County's airports and the benefits they bring to our community, and his detailed attention to airport-related matters have all been tremendous assets. He has also volunteered to serve as the Committee's secretary and various working groups in recent years, demonstrating his strong commitment. I strongly support his reappointment to the AAC.

Endorsement for AAC At Large Position

To Whom It May Concern:

I would like to take this opportunity to endorse Detwitt Hodge most enthusiastically for the open At-Large position on the Contra Costa County Aviation Advisory Committee.

I have know Dewitt and worked alongside him over the past two years during my tenure on the Committee. I have found him to be knowledgeable and articulate in our deliberations on the issues affecting both County airports.

Not only has he participated in the monthly meetings of the Committee but he frequently volunteers to extend himself and his service by serving on one of the ad-hoc subgroups studying particular issues of relevance to the Committee.

To my knowledge he has served on groups regarding:

- Revisions to the Committee's By-Laws
- The Annual Tenant Recognition Awards
- The Antique Aircraft Display Program

He has also served, and continues to serve as the Committee's Secretary.

Therefore I offer my wholehearted support for his application to continue as an At-Large member of our Committee.

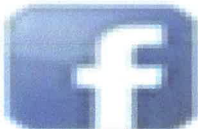

Yours very truly,
