**RE:** 2016 Legislation and Legislative Issues for Contra Costa County

---

As another legislative year and two-year session come to a close, it's time to take stock of the events of 2016 and to look into the near future as the 2016 General Election is upon us. Despite the fact that the Legislature and Governor were not able to reach agreement on some pressing issues facing counties and the State, it was a productive year overall.

I have prepared a 1) synopsis of significant legislation; 2) a summary of issues of political import; 3) the Contra Costa County legislative advocacy program outcomes, and I have also included some information about the 17 Propositions that will appear on the November Ballot.

### **The Budget...**

On June 25<sup>th</sup>, the Governor signed another on-time State Budget. The \$167.6 billion plan included only about \$900 million more in GF appropriations than the revised 2014-2015 spending level. The Rainy Day fund received a total of about \$3.3 billion, bringing the total in the account to \$6.7 billion (approximately 54% of the goal).

K-12 school and community college funding grew to \$71.9 billion, the highest rate in California history. Per-pupil K-12 spending was increased \$440 from last year's level. UC and CSU tuition will remain at 2011-2012 levels.

The 2016-2017 budget begins to implement the state's new \$15 per hour minimum wage by raising the statewide minimum to \$10.50 per hour on January 1, and also funds the first COLA increase for SSI/SSP in over a decade. An additional \$145 million was appropriated for child care and early education programs. Also in the budget was a policy change to end the Maximum Family Grant in the CalWORKs program (*CCC Support Letter to Governor*).

State infrastructure improvements and maintenance will receive \$2 billion, with \$1.3 billion going to construction for State (owned) building purposes and \$270 million in lease-revenue bond authority for local jails and \$485 million from the

GF for deferred maintenance at levees, state parks, universities, community colleges, prisons, state hospitals and other state facilities.

A few days after the main budget and trailer bills were signed by the Governor, the legislature passed another trailer bill, AB 1618, better known as the “No Place Like home” initiative. This bill and its companion “implementing legislation” (AB 1628), provide \$2 billion for the construction and rehabilitation of permanent supportive housing for homeless people with mental illness, through a competitive grant program for counties. The funding mechanism for this program provides for the issuance of \$2 billion in bonds, to be secured by Proposition 63 revenues. Governor Brown immediately signed AB 1618.

### **Better late than never...**

Not everything that was “in the works” for the budget actually made it into the budget and trailer bills. Of those subjects that were “punted” to the end of the legislative session (or even after, in subsequent Extraordinary Session), not all were addressed before the Legislature closed out the two-year session at midnight on August 31<sup>st</sup>.

One major budgetary issue that was resolved was cap-and-trade spending. A last minute agreement was reached to make \$900 million in appropriations to various programs covering clean vehicle rebates, black carbon wood smoke programs, transformative climate communities programs, urban greening, water efficiency, waste diversion, transportation programs and other climate change fighting programs. Approximately \$462 million was reserved for future appropriations.

### **Remains to be seen...**

Despite much negotiation and arm twisting, the legislature failed to move two expensive and controversial initiatives forward before the 2015-16 legislative session concluded. The first is transportation funding. The Governor, legislative leadership, labor and environmental groups were unable to craft a deal that would satisfy their constituencies, as well as the potential need for a 2/3 vote of the legislature to come up with a multibillion dollar transportation infrastructure plan. It is possible that the legislature comes back to address transportation funding needs before the 2017-2018 session begins. Senator Beall and Assemblymember Frazier have introduced bills in the First Extraordinary Session that propose a gas tax hike, a diesel tax hike and the charging of a \$165 annual fee on owners of electric vehicles (SBX1 1 Beall and ABX1 26 Frazier / CCC Support). There is no current plan for the legislature to meet before the next session begins, but if they do, it would likely not be until after the election on November 8<sup>th</sup>.

The second contentious and expensive issue that the legislature was not able to make significant progress on was affordable/low-income housing. Again, despite much negotiation, the Legislature was unable to reach an agreement with the

Page 3 of 13

Administration on the Governor's proposed \$400 million for low-income housing projects. Most of the controversy seemed to stem from the Governor's requirement that a "deal" include a "streamlined" plan that would allow developers to bypass ("by-right") traditional aspects of local control and oversight in development decision making. Assembly Speaker Rendon walked away from negotiations in mid-August, after weeks of inactivity.

All indications are that the Governor is intractably committed to streamlining development planning, much to the dismay of legislators and community groups who know that any significant legislative spending on housing (in a budget or in other legislation) will have to be signed by the Governor. (Senator Beall also attempted to put a \$3 billion housing bond on the ballot (SB 879), but that effort failed to make it out of the legislature. Short of a deal for an appropriation or a bond for housing, the legislature was able to send several housing related bills to the Governor including a handful of hotly debated bills on the subject of accessory dwelling units.

### **And when the dust settled...**

The last day for Governor Brown to act on legislation in the 2015-2016 session was September 30<sup>th</sup>. This year, the Governor vetoed the highest percentage of bills in either of his terms as Governor (15.1%). On his desk for 2016 were 1,059 bills. Of them, 159 were vetoed and only one bill this year was enacted without his signature.

The next significant date for the Legislature is, of course, General Election Day (November 8<sup>th</sup>). The 2015-2016 Legislative Session will adjourn, Sine Die, on November 30<sup>th</sup> and the 2017-2018 Legislative Session will begin when legislators return to Sacramento at noon on December 5<sup>th</sup>. Unless otherwise specified, statutes enacted in the regular session take effect on January 1, 2017.
