3.08.010 Adoption of Standard Code.

A. The Political Reform Act (California Government Code Section 81000 et seq.) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation (2 Cal. Code of Regs. Sec. 18730), that contains the terms of a standard conflict of interest Code, that can be incorporated by reference in an agency's code. After public notice and hearing, the regulation may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of 2 Cal. Code of Regs. Sec. 18730, and any amendments to it duly adopted by the Fair Political Practices Commission, are hereby incorporated by reference. This regulation and the attached Appendices, designating positions and establishing disclosure categories, shall constitute the conflict of interest code of the Contra Costa Water District (District).

B. Individuals holding designated positions shall file their statements of economic interests with the District, which will make the statements available for public inspection and reproduction. (Gov. Code Sec. 81008.) All statements will be retained by the District.
