Council on Homelessness

To Whom it may concern:

I am interested in serving on the Council on Homelessness for a variety of reasons, some personal and some professional. I am in a newly-created position within EHSD to coordinate and support housing issues and believe that participation in the Council is an essential part of understanding homelessness and helping to direct action in the most effective way. On a personal level, I have been involved in housing development for individuals with developmental disabilities and am familiar with many housing issues faced by vulnerable sectors of the population today.

I hope to be able to bring my skills and passion to working with a council of similarly-minded individuals on a local and regional level.

Thank you for your consideration.

Anne Struthers
