Igor,

It is my sincere regret to inform you of my decision to resign from my position of Director of the CCCRCD, effective immediately.

Due to my ongoing business constraints, I feel that I can no longer be an effective board member. My position as a director, for the past twenty years has been a fulfilling experience, and one which I can look back on with good thoughts. I feel that the RCD is in capable hands with both the board and staff.

Best wishes,
