Subject: Recommendation that the 2017-2018 California State Budget Return Appropriate Funding to the In-Home Supportive Services (IHSS) Program

RECOMMENDATION(S):
ADOPT Resolution No. 2017/163 recommending that the 2017-2018 California State Budget return appropriate funding to the In-Home Supportive Services (IHSS) Program.

FISCAL IMPACT:
The Governor has proposed restoring the old IHSS cost-sharing arrangement which would shift $623 million in costs back to the counties. The first year cost of the shift to Contra Costa County would be over $12 million and would substantially increase the costs of Contra Costa County in each year thereafter.

BACKGROUND:
In 2012, the State of California began the Coordinated Care Initiative (CCI) designed to provide a better method of dealing with the rising costs of the In-Home Supportive Services (IHSS) program which provides in-home care for low-income elderly and disabled residents. However, this year the Brown Administration determined that the initiative was not saving the state money. The Governor has proposed restoring the old IHSS cost-sharing arrangement which would shift $623 million in costs back to the counties. The first year cost of the shift to Contra Costa County would be over $12 million and would substantially increase the costs of Contra Costa County in each year thereafter.

BACKGROUND: (CONT'D)

This proposed Resolution would ask the Governor and the State Legislature to avoid the cost shift that would result in severe impacts to the County's General Fund and potentially results in cuts to the IHSS program and other General Fund programs.

CONSEQUENCE OF NEGATIVE ACTION:

Should the Governor's current proposal be enacted, Contra Costa County could pay over $12 million more in IHSS costs each year.

Resolution No. 2017/163

RECUSE:	

Resolution No. 2017/163

In The Matter Of: Recommendation that the 2017-2018 California State Budget Return Appropriate Funding to the In-Home Supportive Services (IHSS) Program

WHEREAS, funding of the IHSS program is provided for by Federal, State, and County authorities: and

WHEREAS, State funding for the IHSS program accounts for 35% of the program's budget; and

WHEREAS, the County of Contra Costa currently faces a severe shortage of homecare workers to provide services; and

WHEREAS, the State has eliminated the Maintenance of Effort (MOE), a funding mechanism to maintain funding for the IHSS program; and

WHEREAS, the elimination of the MOE creates a gap of $623 million in the funding of IHSS; and

WHEREAS, the elimination of the MOE will cost the County of Contra Costa an estimated $12 million for the first fiscal year (2017-2018).

NOW, THEREFORE, BE IT RESOLVED that the County of Contra Costa Board of Supervisors ask Governor Brown and the California State Legislature to work to return the proposed $623 million withdrawal from IHSS funding to the State budget; and:

- Establish a strategic partnership with long term advocates including the caregiver's union, SEIU 2015, to advocate for and restore appropriate funding for the IHSS program
- Develop retention and outreach programs to attract caregivers to alleviate the current crisis
- Identify and support ongoing efforts to alleviate the current crisis, such as the Caregivers Summit organized by the Department of Adult Protective Services
- Collect and review information on the challenges facing delivery of this program to develop improved strategies to incentivize provider enrollment
- Work collectively to ensure support for this critical program that supports seniors, people with disabilities, and their families.

Subject: Add two (2) Animal Sevices Utility Workers and cancel two (2) Animal Center Technicians

RECOMMENDATION(S):

ADOPT Position Resolution No. 22050 to add two (2) Animal Services Utility Worker (BJWE) (represented) positions at salary plan and grade QA5 0840 ($2,685 - $3,263) and cancel two (2) Animal Center Technician (BJWC) (represented) vacant positions, numbers 6576 and 14457 at salary plan and grade QA5 1041 ($3,276 - $3,982) in the Animal Services Department.

FISCAL IMPACT:

The estimated cost to add the two (2) Animal Services Utility Worker position and cancel two (2) Animal Center Technician positions will result in estimated annual savings of $27,888, which includes approximate pension cost savings of $5,964.

BACKGROUND:

In a recent assessment of the Animal Services Department's husbandry program, which was performed by a Veterinarian consulting group, it was identified that there has been an increase in Length of Stay (LOS) percentages, which has caused an increase in the need for more sanitation and feeding services. Utility Workers' main responsibilities are to clean the dog kennels and cat cages, along with providing food

and water to the department's sheltered animals. In addition, there has been a dramatic decrease in the department's intake numbers, which is a primary responsibility of the Animal Center Technicians. With less need to process the intake of animals, the department would like to cancel two Animal Center Technician vacant positions and add two Animal Services Utility Worker positions in order to meet the current needs of the animal shelters.

CONSEQUENCE OF NEGATIVE ACTION:

If this request is not approved, the Animal Services Department's husbandry program's staff will not be able to maintain the volume of cleaning and feeding services needed, which will negatively affect animal welfare and our sheltered animals quality of care.

RECOMMENDATION(S):

ACKNOWLEDGE and ACCEPT the results of the representation election of the Public Defender Investigators Unit to remain represented by the CCC Public Defenders Association Unit, as recommended by the Employee Relations Officer.

FISCAL IMPACT:

No fiscal impact.

BACKGROUND:

In October 2016, members of the Defenders' Association submitted a petition to the Labor Relations Department requesting a unit modification to create a new bargaining unit containing the Public Defenders Investigators classifications. As part of the modification petition, members in the classifications of the Public Defenders Investigators also sought to be represented by IFPTE, Local 21. The modification process proceeded pursuant to Section 34-12.016 of the County's Employer-Employee Relations Resolution (EERR). The parties met and agreed to the establishment of the Public Defenders Investigators Unit on January 4, 2017. The Board of Supervisors approved this action on January 17, 2017. Thereafter, the Labor Relations Department requested California State Mediation and Conciliation Service (SMCS) to serve as a neutral party to conduct the representation election in accordance with Sections 34-12.012 and 34-12.016 of the EERR. On April 21, 2017, a vote count was conducted by SMCS to determine which organization would represent the Public Defenders Investigators Unit.

RECOMMENDATION(S):

ADOPT Position Adjustment Resolution No. 22060 to add one (1) Network Technician II (LNVA) (represented) position at salary plan and grade ZB5 1592 ($5,599-$6,806) and cancel one (1) vacant Network Administrator II (LNSB) (represented) position #16069 at salary plan and grade ZA5 1787 ($6,792-$8,255) in the County Administrator's Office, Information Technology Department.

FISCAL IMPACT:

This transaction will not result in any additional cost to the Department. Funding for the new position will be provided through a reallocation of savings from canceled contract services.

BACKGROUND:

Due to a change in responsibilities, the Information Technology department needs to add one Network Technician II position and cancel one Network Administrator II position #16069.

The Department of Information Technology has been using contractors to provide computer desktop support for the Board of Supervisor offices. Keeping these computer systems running reliably require specialized knowledge and a number of skill sets that are difficult to recruit. These computer systems are mission-critical for the Board of Supervisor offices that use them, and we need to continue to provide ongoing technical support and planning services. In December, during the Meet and Confer process with Local 21, DoIT agreed that we would attempt to replace these contractors with permanent staff. After analyzing the available job classes, we determined that the best match for this

From: Ed Woo, Chief Information Officer

Date: May 9, 2017

Subject: Add one Information Systems Project Manager Position

RECOMMENDATION(S):

ADOPT Position Adjustment Resolution No. 22059 to add one (1) Information Systems Project Manager (LPNA) (represented) position at salary plan and grade ZA5 1884 ($7,476 - $10,019) in the Department of Information Technology (DoIT), Systems and Programming Division.

FISCAL IMPACT:

100% County General Fund. The maximum cumulative annual impact is $182,991. The cost of this position for the remainder of the current fiscal year can be covered by existing FY 16/17 appropriations due savings from staff vacancies. In FY 2017/18, the cost of the position is budgeted under the Peoplesoft Project budget, administered by the County Administrator's Office.

BACKGROUND:

PeopleSoft is the core for processing all personnel transactions, benefits, and information pertinent to providing employees with benefits and pay. Human Resources and the Auditor Controller use PeopleSoft to process all employee actions and assure employees are paid correctly. All departments use PeopleSoft to enter HR transactions.

The current Information Systems Project Manager (ISPM) that supports PeopleSoft is approaching retirement within the next few months and a viable replacement must be found and adequately trained to maintain sufficient support to assure that the departments, Human Resources and Auditor Controller are technically supported. If IT support is not adequate, delays in processing and resolving system problems could occur, which could impact employees

being paid on time.

The PeopleSoft Steering Committee has approved the addition of one (1) ISPM position to the DoIT support staff. Since Payroll and Human Resource functions are critical to the County, DoIT support of these functions is just as critical. It is imperative that we start to develop the next generation of this support now, so that adequate support will be seamless.

In addition, once the PeopleSoft upgrade is implemented, the Steering Committee will need to consider implementing a time and attendance system as the current system is no longer in support. This will require additional staff as resources to work on this project while maintaining sufficient support to run Payroll process.

CONSEQUENCE OF NEGATIVE ACTION:

If this request is not approved, the Systems and Programming Division of DoIT will not be able to properly support the critical County Payroll and Human Resources functions and could lead to severe negative impacts to all County Departments.

CHILDREN'S IMPACT STATEMENT:

Contra Costa County Library has a strong commitment to promoting literacy to children and families through story times, Summer Reading programs, and an attractive materials collection to foster a love of books and reading in children. Offering high-quality Summer Reading prize books and an exciting Summer Family Reading event for the opening of the new San Pablo Library will increase participation from those who would otherwise go without many incentives to keep up their reading skills during summer break. Summer learning loss among lower income students is a major contributor to the achievement gap. This grant supports the community outcome of:*Children Ready for and Succeeding in School*.

FEMA funds would be instrumental in helping Homeless Program continue to accomplish that goal. The Calli House (Emergency Shelter for Youth) provides outreach, short-term shelter, goal-oriented counseling, educational and vocational opportunities to homeless and street youth, ages 14-24 in West County. Since that time, Calli House has serviced over 1,000 unduplicated youth in its temporary shelter and multi-service drop in center.

One of the mandates of the NPDES permit is to educate citizens about watershed and pollution prevention issues. In 2004, the annual Watershed Calendar was developed to create a comprehensive program that would meet many of the public outreach requirements in an efficient and cost effective manner. The calendar was well received by the citizens of the unincorporated County, met the goals of the program, and was produced under budget. It has been produced annually ever since.

CONSEQUENCE OF NEGATIVE ACTION:

Without the Board's approval, the County will miss an opportunity to meet the public outreach educational requirements of its NPDES permit in an efficient and cost effective manner.

BACKGROUND: (CONT'D)

February 7, 2017, the Board approved Site Option A, in downtown Martinez, as the preferred site for the new County Administration Building and structured parking as shown and discussed at the Board retreat on January 31, 2017. The new County Administration Building and parking development will be on three separate parcels in downtown Martinez. The first two parcels straddle both sides of Pine Street between Marina Vista Avenue and Escobar Street. By closing off Pine Street, these two combined parcels will accommodate the new building. The new Administration Building is proposed as a four-story modern structure with its front entrance oriented toward Pine Street. Across Escobar Street, on the parcel where the existing 651 Pine Street tower is now located, new parking would be provided east of the existing tower. New parking would extend to the east end of the parcel. Parking for 265 cars will be accommodated in a two level structure; the lower level is submerged below grade. Surrounding sitework will have additional limited surface parking and a new plaza along with civic features or details.

The construction of a new Emergency Operations Center/Public Safety Building is also part of the County's five year plan for capital facility projects. RossDrulisCusenbery Architecture, Inc. was selected through the same competitive, qualifications-based selection process to provide architectural, engineering and other technical services for a planning study for preliminary work on a new Emergency Operations Center/Public Safety Building.

On February 7, 2017, the Board approved Option 1 as the preferred site for the new Public Safety building and the new Emergency Operations Center as shown and discussed at the Board retreat on January 31, 2017. Option 1 utilizes part of the existing emergency operations center which will remain in service within the current physical limitations of this building. The EOC/Sheriff's Administration building is a composition of three separate structures comprised of a two story EOC, Essential Services Building that is seismically separated from the adjoining Sheriff's Administration Building and a training/lecture hall that demarcates the public entrance to the building. A new outdoor plaza between the existing Sheriff's Communications building and the new EOC/Sheriff's office will extend East to a pedestrian walk will provide a visual and physical link to existing Sheriff's facilities on the East side of Glacier. Also, as part of Option 1, the Sheriff's Administration building will be moved to this location which will centralize the Sheriff's Operations with existing Field Operations and Coroner Offices directly east of the proposed new facilities.

Also on February 7, 2017, the Board authorized the Public Works Director, or designee, to issue a Request for Proposals (RFP)/Request for Qualifications (RFQ) for a construction management firm or firms to assist with management of the two projects.

The Public Works Department received 8 Statement of Qualifications from interested firms and 4 firms were short-listed. A selection committee comprised of County staff conducted interviews and ranked the short-listed firms. Vanir was the top ranking firm. It is recommended that Vanir be awarded the agreement to provide construction management services for the two projects.

CONSEQUENCE OF NEGATIVE ACTION:

The Public Works Department does not have the staff to provide construction management services for these two projects. If the agreement is not approved, the projects will be delayed and most likely incur increases in the cost of construction. In addition to construction cost escalation, the favorable bond and private funding sources that are currently available to finance this project will most likely not be available in the future.

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Chief Information Officer, or designee, to execute a Software and Services Agreement with Radiant RFID, LLC., in an amount not to exceed $65,000 for the purchase of a radio-frequency asset management platform, including implementation services, hosting, and software support, for the period May 9, 2017 through May 8, 2019.

FISCAL IMPACT:

The $65,000 is budgeted under Org# 1050 FY 2016-2017 and FY 2017-2018 and recovered via DoIT's billing process.

BACKGROUND:

Department heads are responsible for the custody of all County equipment assigned to them. The current value of DoIT's capital asset ledger is over $23,000,000. One of the most complex challenges of the custodian's responsibility is efficiently tracking and managing the assets. By automating collection of the data, Radio Frequency Identification Technology (RFID) affords the ability to read multiple asset tags at once without requiring a line of sight, in turn, enabling the department to more quickly identify and accurately locate assets without scanning labels one-by-one. The RFID system is based on Virtual Asset Tracker (VAT) foundation and will greatly improve the department's ability to maintain our vast array of assets, which are spread throughout the County.

Subject: Continue Extension of Emergency Declaration Regarding Homelessness

RECOMMENDATION(S):
CONTINUE the emergency action originally taken by the Board of Supervisors on November 16, 1999 regarding the issue of homelessness in Contra Costa County.

FISCAL IMPACT:
None.

BACKGROUND:
On November 16, 1999, the Board of Supervisors declared a local emergency, pursuant to the provisions of Government Code Section 8630 on homelessness in Contra Costa County.

Government Code Section 8630 requires that, for a body that meets weekly, the need to continue the emergency declaration be reviewed at least every 14 days until the local emergency is terminated. In no event is the review to take place more than 21 days after the previous review. On April 18, 2017, the Board of Supervisors reviewed and approved the emergency declaration.

With the continuing high number of homeless individuals and insufficient funding available to assist in sheltering all homeless individuals and families, it is appropriate for the Board to continue the declaration of a local emergency regarding homelessness.

FISCAL IMPACT:

No General Fund impact. Church Lane Apartments has existing Community Development Block Grant (CDBG) and Home Investment Partnerships Act (HOME) loans. Idaho Apartments has existing CDBG and HOPWA loans. All loans for both properties will be extended for a new 55-year term as part of the refinancing of the Project.

BACKGROUND:

Church Lane Apartments is located at 2555 Church Lane in San Pablo. It consists of 22 units of affordable housing that is suitable for families. In 1995 and 1997, the County loaned Church Lane - Rubicon Partners $495,000 of (HOME) funds and $245,000 of (CDBG) funds for site acquisition and development of Church Lane Apartments in San Pablo. The loans have a 55-year term with repayments made only when the borrower has surplus revenue. In 2014, an affiliate of Resources for Community Development (RCD) replaced Rubicon Partners as the General Partner in Church Lane - Rubicon Partners with the intention of refinancing and rehabilitating the property. The property needed some immediate repairs and in 2015 the County provided an additional loan of $455,000 of CDBG funds.

BACKGROUND: (CONT'D)

At that time, the previous HOME and CDBG loans (principal and accrued interest) were added to the new CDBG allocation and the term of affordability was extended for an additional 55 years.

Idaho Apartments is located at 10203 San Pablo Avenue in El Cerrito. It provides permanent supportive housing for individuals who are homeless or at risk of homelessness. Eleven units are set-aside for persons with HIV/AIDs. In 1996 and 1999, the County loaned Idaho Apartments Associates $470,000 of CDBG funds and $357,000 of Housing Opportunities for Persons with HIV/AIDs funds for the acquisition and rehabilitation of Idaho Apartments. The loans have a 55-year term with repayments made from surplus cash. In 2014, an affiliate of RCD replaced Rubicon Partners as the General Partner in Idaho Apartments Associates.

RCD intends to combine Church Lane Apartments and Idaho Apartments as a single scattered-site development. As proposed, a new partnership, San Pablo Preservation, L.P., will be the new owner of both properties. The general partner is RCD GP, LLC and RCD is the sole member of the LLC. The limited partner will be a to-be-determined tax credit investor. (The initial limited partner is 112 Alves Lane, Inc.) The County loan documents require County approval of transfers to new ownership. The new partnership will apply for low-income housing tax credits and tax-exempt bonds, which together with an allocation of funds from the State Department of Housing and Community Development Multifamily Housing Program-Supportive Housing (MHP-SH), will provide funds to refinance the existing bank loans and rehabilitate both properties. The financing plan does not include pre-payment of the County loans.

In order for the County loans to be transferred to the new owner, the County will either need to assign its current loans to the new owner or enter into new loan documents with the new owner. The outstanding principal and accrued interest will be combined into a new principal amount. The interest rate will be set at the applicable federal rate. RCD may request a full or partial reduction of the accrued interest depending on the project financing and investor terms, which will be determined in the fall. The refinancing is scheduled to be completed in late 2017, with the rehabilitation work beginning immediately afterward.

Appropriate legal documents to modify the terms of the County loans will be brought to the Board of Supervisors for approval in the late fall or early winter of 2017.

CONSEQUENCE OF NEGATIVE ACTION:

If the County does not approve the transfer of the properties to a new owner and agree to either assign the existing loans to the new owner, or enter into new loan documents with the new owner, then the refinancing cannot occur and the needed rehabilitation will not be done.

CHILDREN'S IMPACT STATEMENT:

Church Lane Apartments is affordable housing for families. The rehabilitation will improve the living conditions and will support Goal 3: Families are Economically Self Sufficient.

delivery in the Designated Public Hospital systems. PRIME's purpose is to improve the health of Californians, by advancing improvements in the quality, experience and value of care with an emphasis in primary care, cross-system integration, and data analytics. PRIME funding is tied to firm performance goals to ensure continued transformation of our health care delivery system so we can better serve the needs of our community.

PRIME identifies three domain areas: Outpatient Delivery System Transformation, Targeted High-Risk or High Cost Population and Resource Utilization Efficiency. To meet the requirements of the program, CCRMC and Health Centers have convened a series of teams within each domain. The PRIME Improvement Team Collaborative has now held sessions in October 2016, January 2017, March 2017 and May 2017. The October 2017 Learning Sessions aims to build upon the past sessions toward improvement capability with a focus on the PRIME five-year performance based metrics.

From: John Gioia, District I Supervisor

Date: May 9, 2017

Subject: REFER TO THE FINANCE COMMITTEE THE ISSUE OF EXPLORING OPPORTUNITIES FOR REVENUE FROM AIRBNB RENTALS WITHIN THE UNINCORPORATED AREAS OF THE COUNTY

RECOMMENDATION(S):

REFER to the Finance Committee the issue of exploring opportunities for revenue from Airbnb rentals and similar electronic hosting platforms rentals in the unincorporated areas.

FISCAL IMPACT:

No fiscal impact from the action to refer. There is an opportunity for increased revenue to the county from Airbnb rentals and from rentals from other electronic hosting platforms.

BACKGROUND:

Contra Costa County has a transient occupancy tax ("TOT") ordinance which authorizes the collection of a 10% tax on the rent charged by the following hotels in the unincorporated area: Embassy Suites (unincorporated Walnut Creek area), Crowne Plaza (unincorporated Concord area), Burlington Hotel (Port Costa), and The Renaissance Club Sport Hotel (unincorporated Walnut Creek area). The county collects between $2 to $2.5 million per year from the TOT.

There have been an increasing number of Airbnb rentals occurring around the county. Airbnb is a website that allows individuals to list, find and rent lodging. There are similar electronic hosting platforms such as VRBO. Currently, there is no revenue collected from these rentals.

A number of other jurisdictions have entered into collection agreements with Airbnb and other electronic hosting platforms whereby the hosting platforms agree to collect the TOT on behalf of the property owner and pay it to the city or county. The cities and counties which have such agreements have received significant new revenue from them.

This referral will allow the Finance Committee to explore mechanisms to collect TOT equivalent revenue from these types of rentals, which would otherwise be taxed if they were a hotel or motel rental.

CONSEQUENCE OF NEGATIVE ACTION:

This issue will not be referred to the Finance Committee.

ADOPT Resolution No. 2017/133, which supersedes Resolution No. 2016/554, regarding compensation and benefits for the County Administrator, County Elected and Appointed Department Heads, Management, Exempt, and Unrepresented employees to reflect changes.

None. These changes are administrative.

The attached Management Benefits Resolution has been modified in the following ways:

1. A new heading, Section 4, Transportation Expense has been added. Former Section 4 Mileage Reimbursement is now subsection 4.10. New subsection 4.11 Commuter Benefit Program has been added to provide employees the opportunity to set aside pre-tax dollars for qualified transportation expenses.
2. Section 10, Workers' Compensation and Continuing Pay has been revised to omit obsolete language addressing the payment level that applied in 2007.
3. Section 1.15 No County Overtime Pay, Holiday Pay, or Comp Time, has been revised to clarify that the prohibition against County overtime pay does not preclude payment of FLSA overtime to eligible employees as required by law.
4. Section 11.10 Overtime Exempt Exclusion and 11.11 County Overtime have been revised to clarify the circumstances under which employees who are exempt from FLSA overtime may be placed on the Overtime Exempt Exclusion list to be eligible for County overtime pay.
5. Section 14.E Annual Management Administrative Leave, has been added to clarify that employees who are eligible for FLSA overtime are not eligible for Management Administrative Leave.

This section now has two subsections, 26.10 Elected Department Head Benefits and 26.11 Board of Supervisors Members Benefits. There were no changes or additions to benefits for these officials.
7. References to class codes were added or corrected in sections 30.11, 38, and 50. No substantive changes were made to these sections.
8. The classifications of Associate Appraiser, Assistant Appraiser, and Junior Appraiser are now unrepresented and covered by the Management Resolution. The benefits specific to this group are now provided in Part IV, Special Benefits for Employees by Department or Class, new Section 42 Property Appraisers. These classifications do not receive the benefits provided in Part II "Benefits for Management and Exempt Employees," except as specifically provided in Section 42. Section 42.13 establishes the probationary period for the classification of Junior Appraiser.
9. Subsection numbering and lettering was changed in Sections 2.16, 2.19, 13, 16, 21, 26, 30.11, 30.12, 31.10, 36.10, 44.10, and 53.10 so that a consistent style of identifying subsections is used throughout the Resolution. No substantive changes were made to these sections.

For employees who work in twenty-four (24) hour facilities and who may be assigned to work on a holiday, any holiday that falls on a Saturday will be observed on a Saturday, and any holiday that falls on a Sunday will be observed on a Sunday.

1.11 Definitions:

Regular Work Schedule: The regular work schedule is eight (8) hours per day, Monday through Friday, inclusive, for a total of forty (40) hours per week.

Flexible Work Schedule: A flexible work schedule is any schedule that is not a regular, alternate, 9/80, or 4/10 work schedule and where the employee is not scheduled to work more than 40 hours in a "workweek" as defined below.

Alternate Work Schedule: An alternate work schedule is any work schedule where the employee is regularly scheduled to work five (5) days per week, but the employee's regularly scheduled days off are NOT Saturday and Sunday.

4/10 Work Schedule: A 4/10 work schedule is four (4) ten hour days in a seven (7) day period, for a total of forty (40) hours per week.

9/80 Work Schedule: A 9/80 work schedule is where an employee works a recurring schedule of thirty six (36) hours in one calendar week and forty four (44) hours in the next calendar week, but only forty (40) hours in the

designated workweek. In the thirty six hour (36) calendar week, the employee works four (4) nine (9) hour days and has the same day of the week off that is worked for eight (8) hours in the forty four (44) hour calendar week. In the forty four (44) hour calendar week, the employee works four (4) nine (9) hour days and one eight (8) hour day. Requirements for the evaluation, authorization, and implementation of 9/80 work schedules are set forth in Administrative Bulletin 435.

Workweek for Employees on Regular, Flexible, Alternate, and 4/10 Schedules: For employees on regular, flexible, alternate, and 4/10 schedules, the workweek begins at 12:01 a.m. on Monday and ends at 12 midnight on Sunday. For employees who work in a twenty-four (24) hour facility in the Contra Costa Regional Medical Center and who are not on a 9/80 work schedule, the workweek begins at 12:01 a.m. Sunday and ends at 12:00 midnight on Saturday.

Workweek for Employees on a 9/80 Schedule: The 9/80 workweek begins on the same day of the week as the employee's eight (8) hour work day and regularly scheduled 9/80 day off. The start time of the workweek is four (4) hours and one (1) minute after the start time of the eight (8) hour work day. The end time of the workweek is four (4) hours after the start time of the eight (8) hour work day. The result is a workweek that is a fixed and regularly recurring period of seven (7) consecutive twenty four (24) hour periods (168 hours).

1.12 Holidays Observed: Employees are entitled to observe a holiday (day off work), without a reduction in pay, whenever a holiday is observed by the County.

1.13 Holidays - Flexible, Alternate, 9/80, and 4/10 Work Schedules: When a holiday falls on the regularly scheduled day off of any employee who is on a flexible, alternate, 9/80, or 4/10 work schedule, the employee is entitled to take the day off, without a reduction in pay, in recognition of the holiday. These employees are entitled to request another day off in recognition of their regularly scheduled day off. The requested day off must be within the same month and workweek as the holiday and it must be pre-approved by the employee's supervisor. If the day off is not approved by the supervisor, it is lost. If the approved day off is a nine (9) hour workday, the employee must use one (1) hour of non-sick-leave accruals. If the approved day off is a ten (10) hour workday, the employee must use two (2) hours of non-sick-leave accruals. If the employee does not have any non-sick-leave accrual balances, leave without pay (AWOP) will be authorized.

1.14 Holiday Observed - Part-Time Employees: When a holiday is observed by the County, each part-time employee is entitled to observe the holiday in the

same ratio as his/her number of position hours bears to forty (40) hours, multiplied by 8 hours, without a reduction in pay. For example, a part-time employee whose position hours are 24 per week is entitled to 4.8 hours off work on a holiday (24/40 multiplied by 8=4.8). Hereafter, the number of hours produced by this calculation will be referred to as the "part-time employee's holiday hours."

When the number of hours in a part-time employee's scheduled work day that falls on a holiday ("scheduled work hours") is less than the employee's part-time employee's holiday hours, the employee also is entitled to receive flexible pay at the rate of one (1.0) times his/her base rate of pay (not including differentials) for the difference between the employee's scheduled work hours and the employee's part-time employee's holiday hours.

When the number of hours in a part-time employee's scheduled work day that falls on a holiday (scheduled work hours) is more than the employee's part-time employee's holiday hours, the employee must use non-sick leave accruals for the difference between the employee's scheduled work hours and the employee's part-time employee's holiday hours. If the employee does not have any non-sick leave accrual balances, leave without pay (AWOP) will be authorized.

1.15 No County Overtime Pay, Holiday Pay, or Comp Time: Unrepresented, management, and exempt employees are not entitled to receive County overtime pay, holiday pay, overtime compensatory time, or holiday compensatory time. Employees who are unable or not permitted to observe a holiday (take the day off), are authorized to receive overtime pay ONLY IF the employee is on the Overtime Exempt Exclusion List (see Section 11). The prohibition against County overtime pay in this section does not preclude payment of FLSA overtime to eligible employees as required by law.

1.16 Personal Holiday Credit:

a. County Librarian: The County Librarian is entitled to accrue two (2) hours of personal holiday credit each month. The County Librarian may accrue no more than twenty four (24) hours of personal holiday credit. On separation from County service, the County Librarian will be paid for any unused personal holiday credit hours at his/her then current rate of pay, up to a maximum of twenty four (24) hours.

b. Other Employees: Employees are entitled to accrue two (2) hours of personal holiday credit each month. This time is prorated for part time employees. No employee may accrue more than forty (40) hours of personal holiday credit. On separation from County service, employees

are paid for any unused personal holiday credit hours at the employee's then current rate of pay, up to a maximum of forty (40) hours.

1.17 Vacation: Employees are entitled to accrue paid vacation credit not to exceed the maximum cumulative hours as follows:

Length of Service	Monthly Accrual Hours	Maximum Cumulative Hours
Under 11 years	10	240
11 years	10-2/3	256
12 years	11-1/3	272
13 years	12	288
14 years	12-2/3	304
15 through 19 years	13-1/3	320
20 through 24 years	16-2/3	400
25 through 29 years	20	480
30 years and up	23-1/3	560

However, for the Director of Employment and Human Services (job code XAA2, County Welfare Director) only, the monthly accrual amount is 12 hours for the first 13 years of County service and the maximum cumulative hours is 240 for the first 11 years of County service. Thereafter, the Director is subject to the maximums set forth in the above chart.

Each employee is eligible to accrue increased vacation hours on the first day of the month following the employee's Service Award Date.

An employee's Service Award Date is the first day of his/her temporary, provisional, or permanent appointment to a position in the County. If an employee is first appointed to a temporary or provisional position and then later appointed to a permanent position, the Service Award Date for that employee is the date of the first day of the temporary or provisional appointment.

1.18 Sick Leave: Employees are entitled to accrue paid sick leave credit in accordance with the provisions of the County Salary Regulations and Administrative Bulletin No. 411.7 (Sick Leave Policy) adopted on October 17, 1997, as periodically amended.

1.19 Part-Time Employees: Part-time employees are entitled to accrue paid vacation and sick leave credit on a pro-rata basis.

1.20 Family Care Leave: The provisions of Section 1006.3 of the Personnel Management Regulations and Resolution No. 94/416, as amended, relating to Leaves of Absence and Family Care Medical Leave apply to all employees covered by this Resolution, except that such employees are not entitled to Family Care or Medical Leave on a calendar year basis. Instead, such employees are entitled to at least eighteen (18) weeks of leave in a "rolling" twelve (12) month period, which period is to be measured backward from the date the employee uses FMLA leave.

1.21 Leave Without Pay - Use of Accruals: The provisions of Section 1006.6 of the Personnel Management Regulations, as amended, relating to the use of accruals while on leave without pay, apply to all employees covered by this Resolution.

1.22 Accrual Usage Reporting: Employees must report the use of accruals in one minute increments.

2. Health, Dental, and Related Benefits

2.12 Monthly Premium Subsidy:

2.12.1 Medical Plan Cost-Sharing on and after January 1, 2016:

a. For the plan year that begins on January 1, 2016, the County will pay the monthly premium subsidy for medical plans stated in subsection 2.12., subsection (a) and adjust the amounts paid by the County so that the employee cost for the 2016 plan year does not increase and in recognition of the increases to the Employee Plus Two or More Dependents medical premiums caused by the shift to a three-tier structure. In total, the County will pay the following amounts for the 2016 plan year:

The fifty percent (50%) share of the monthly medical plan increase paid by the County is in addition to the amounts paid by the County in subsection 2.12.1.a., above, for medical plans.

2.13 Retirement Coverage:

a. Upon Retirement:

1. Upon retirement and for the term of this resolution, eligible employees and their eligible family members may remain in their County health/dental plan, but without County-paid life insurance coverage, if immediately before their proposed retirement the employees and dependents are either active subscribers to one of the County contracted health/dental plans or if while on authorized leave of absence without pay, they have retained continuous coverage during the leave period. The County will pay the health/dental plan monthly premium subsidies set forth in Section 2.12(a) for eligible retirees and their eligible family members.

2. Any person who becomes age 65 on or after January 1, 2009 and who is eligible for Medicare must immediately enroll in Medicare Parts A and B.

3. For employees hired on or after January 1, 2009 and their eligible family members, no monthly premium subsidy will be paid by the County for any health or dental plan after they separate from County employment. However, any such eligible employee who retires under the Contra Costa County Employees' Retirement Association ("CCCERA") may retain continuous coverage of a county health and/or dental plan provided that (I) he or she begins to receive a monthly retirement allowance from CCCERA within 120 days of separation from County employment and (ii) he or she pays the full premium cost under the health and/or dental plan without any County premium subsidy. This provision does not apply to any member of the Board of Supervisors who was a County employee when elected to the Board of Supervisors with a County employee hire date that is earlier than January 1, 2009.

b. Employees Who File For Deferred Retirement: Employees, who resign and file for a deferred retirement and their eligible family members, may continue in their County group health and/or dental plan under the following conditions and limitations.

1. Health and dental coverage during the deferred retirement period is totally at the expense of the employee, without any County contributions.

2. Life insurance coverage is not included.

3. To continue health and dental coverage, the employee must:

    i. be qualified for a deferred retirement under the 1937 Retirement Act provisions;

    ii. be an active member of a County group health and/or dental plan at the time of filing their deferred retirement application and elect to continue plan benefits;

    iii. be eligible for a monthly allowance from the Retirement System and direct receipt of a monthly allowance within twenty-four (24) months of application for deferred retirement; and

    iv. file an election to defer retirement and to continue health benefits hereunder with the County Benefits Division within thirty (30) days before separation from County service.

4. Deferred retirees who elect continued health benefits hereunder and their eligible family members may maintain continuous membership in their County health and/or dental plan group during the period of deferred retirement by paying the full premium for health and dental coverage on or before the 10th of each month, to the Contra Costa County Auditor-Controller. When the deferred retirees begin to receive retirement benefits, they will qualify for the same health and/or dental coverage pursuant to subsection (a) above, as similarly situated retirees who did not defer retirement.

5. Deferred retirees may elect retiree health benefits hereunder without electing to maintain participation in their County health and/or dental plan during their deferred retirement period. When they begin to receive retirement benefits, they will qualify for the same health and/or dental coverage pursuant to subsection (a) above, as similarly situated retirees who did not defer retirement, provided reinstatement to a County group health and/or dental plan will only occur following a three (3) full calendar month waiting period after the month in which their retirement allowance commences.

6. Employees who elect deferred retirement will not be eligible in any event for County health and/or dental plan subvention unless the member draws a monthly retirement allowance within twenty-four (24) months after separation from County service.

7. Deferred retirees and their eligible family members are required to meet the same eligibility provisions for retiree health/dental coverage as similarly situated retirees who did not defer retirement.

8. This subpart b “Employees Who File for Deferred Retirement” does not apply to any employee in any classification listed in Exhibit E.

c. Employees Hired After December 31, 2006 - Eligibility for Retiree Health Coverage: All employees hired after December 31, 2006 are eligible for retiree health/dental coverage pursuant to subsections (a) and (b), above, upon completion of fifteen (15) years of service as an employee of Contra Costa County. For purposes of retiree health eligibility, one year of service is defined as one thousand (1,000) hours worked within one anniversary year. The existing method of crediting service while an employee is on an approved leave of absence will continue for the duration of this Resolution.

d. Subject to the provisions of Section 2.13, subparts (a), (b), and (c), and upon retirement and for the term of this resolution, the following employees (and their eligible family members) are eligible to receive a monthly premium subsidy for health and dental plans or are eligible to retain continuous coverage of such plans: County Elected and Appointed Department Heads, Management Employees, Exempt Employees, Unrepresented Employees, and each employee who retired from a position or classification that was unrepresented at the time of his or her retirement.

e. For purposes of this Section 2.13 only, “eligible family members” does not include Survivors of employees or retirees.

2.14 Layoff and Other Loss of Coverage:

a. If a husband and wife both work for the County and one (1) of them is laid off, the remaining employee, if eligible, will be allowed to enroll or transfer into the health and/or dental coverage combination of his/her choice.

b. An eligible employee who loses medical or dental coverage through a spouse or partner not employed by the County will be allowed to enroll or transfer into the County health and/or dental plan of his/her choice within thirty (30) days of the date coverage is no longer afforded under the spouse’s plan.

2.15 Health Plan Coverages and Provisions: The following provisions are applicable to County Health and Dental Plan participation:

a. Health, Dental and Life Participation by Other Employees: Permanent part-time employees working nineteen (19) hours per week or less and permanent-intermittent employees may participate in the County Health and/or Dental plans (with the associated life insurance benefit) at the

employee's full expense.

b. Employee Contribution Deficiencies: The County's contributions to the Health Plan and/or Dental Plan premiums are payable for any month in which the employee is paid. If an employee's compensation in any month is not sufficient to pay the employee share of the premium, the employee must make up the difference by remitting the unpaid amount to the Auditor-Controller. The responsibility for this payment rests solely with the employee.

c. Leave of Absence: The County will continue to pay the County shares of health and/or dental plan premiums for enrolled employees who are on an approved paid or unpaid leave of absence for a period of thirty (30) days or more provided the employee's share of the premiums is paid by the employee.

d. Coverage Upon Separation: An employee who separates from County employment is covered by his/her County health and/or dental plan through the last day of the month in which he/she separates. Employees who separate from County employment may continue group health and/or dental plan coverage to the extent provided by the COBRA laws and regulations.

e. Health Savings Account: Beginning no earlier than the 2017 plan year, active permanent full-time and active permanent part-time employees who are enrolled in the Kaiser High Deductible Health Plan may elect to enroll in a Health Savings Account (HSA). Employees may contribute up to the maximum annual contribution rate for HSAs as set forth in the United States Internal Revenue Code. Funds contributed to the HSA are invested as directed by the employee. The County does not provide any recommendations or advice on investment or use of HSA funds. Employees are responsible for paying any HSA account management fees charged by the HSA administrator. The County does not manage or administer the HSA. The HSA is not available to temporary or permanent-intermittent employees.

2.16 Family Member Eligibility Criteria: The following persons may be enrolled as the eligible Family Members of a medical and/or dental plan Subscriber:

a. Health Insurance

1. Eligible Dependents:

i. Employee's legal spouse

ii. Employee's qualified domestic partner

iii. Employee's child to age 26

iv. Employee's disabled child who is over age 26, unmarried, and incapable of sustaining employment due to a physical or mental disability that existed prior to the child attainment of age 19.

2. "Employee's child" includes natural child, step-child, adopted child, child of a qualified domestic partner, and a child specified in a Qualified Medical Child Support Order (QMCSO) or similar court order.

b. Dental Insurance

1. Eligible Dependents:

i. Employee's legal spouse

ii. Employee's qualified domestic partner

iii. Employee's unmarried child who is:

(1) under age 19; or

(2) Age 19 or above, but under age 24; and who

A. Resides with the employee for more than 50% of the year, excluding time living at school; and

B. Receives at least 50% of support from employee; and

C. Is enrolled and attends school on a full-time basis, as defined by the school.

D. Employee's disabled child who is over age 19, unmarried, and incapable of sustaining employment due to a physical or mental disability that existed prior to the child's attainment of age 19.

2. "Employee's child" includes natural child, step-child, adopted child, child of a qualified domestic partner, and a child specified in a Qualified Medical Child Support Order (QMCSO) or similar court order.

2.B. Employees In Classifications Who Receive Health Care Coverage From CalPERS

2.17 CalPERS Controls: The CalPERS health care program, as regulated by the Public Employees' Medical and Hospital Care Act (PEMHCA), regulations issued pursuant to PEMHCA, and the administration of PEMHCA by CalPERS, controls on all medical plan issues for employees who receive medical care coverage from CalPERS, including, but not limited to, eligibility, benefit plans, benefit levels, minimum premium subsidies, and costs.

2.18 Contra Costa Health Plan (CCHP): Because CCHP has met the minimum standards required under PEMHCA and is approved as an alternative CalPERS plan option, employees and COBRA counterparts may elect to enroll in CCHP under the CalPERS plan rules and regulations.

2.19 CalPERS Medical Plan Monthly Premium Subsidy: The County's subsidy to the CalPERS monthly medical plan premiums is as provided below. The employee must pay any CalPERS medical plan premium costs that are greater than the County's subsidies identified below.

a. County Medical Plan Premium Subsidy:

1. Beginning on January 1, 2010, and until December 31, 2016, the amount of the County premium subsidy that is paid for employees and eligible family members is a set dollar amount and is not a percentage of the premium charged by the plan. The County will pay the CalPERS statutory minimum employer monthly medical plan premium subsidy or the following monthly medical plan premium subsidy, whichever is greater:

Employee/Retiree/Survivor Only
$472.57
Employee/Retiree/Survivor & One Dependent
$945.13
Employee/Retiree/Survivor & Two or more Dependents
$1228.67

2. Beginning on January 1, 2017, the County premium subsidies that are paid for employees and eligible family members will be the same subsidies that the County pays by plan and tier for members of the Deputy Sheriffs Association Management Unit in accordance with the Memorandum of Understanding between the County and the Association.

b. In the event that the County medical plan premium subsidy amounts are greater than one hundred percent (100%) of the applicable premium of any plan, for any plan year, the County's contribution will not exceed one hundred percent (100%) of the applicable plan premium.

2.20 CalPERS Retirement Coverage: Government Code section 22892 applies to all employees in those classifications listed in Exhibit E.

2.21 CalPERS Premium Payments: Employee participation in any CalPERS medical plan is contingent upon the employee authorizing payroll deduction by the County of the employee's share of the premium cost. If an employee's

compensation in any month (including during a leave of absence) is not sufficient to pay the employee's share of the premium, the employee must pay the difference to the Auditor-Controller. The responsibility for this payment rests solely with the employee.

2.22 Dental Plan - CalPERS Participants:

a. Employees in the classifications listed in Exhibit E may participate in any available County Group Dental Plan. The County may change dental plan providers at any time during the term of this resolution.

b. Dental Plan Monthly Premium Subsidy: On and after January 1, 2010, the provisions of Section 2.12 "Monthly Premium Subsidy," relating to the County subsidies for dental coverage, apply to all classifications listed in Exhibit E.

c. As to dental coverage only, the following Sections apply to all classifications listed in Exhibit E: Section 2.13 "Retirement Coverage," Section 2.14 "Layoff and Other Loss of Coverage," Section 2.15 "Health Plan Coverages and Provisions," and Section 2.16 "Family Member Eligibility Criteria."

2.C. All Employees

2.23 Dual Coverage:

a. Each employee and retiree may be covered by only a single County health (or dental) plan, including a CalPERS plan. For example, a County employee may be covered under a single County health and/or dental plan as either the primary insured or the dependent of another County employee or retiree, but not as both the primary insured and the dependent of another County employee or retiree.

b. All dependents, as defined in Section 2.16, Family Member Eligibility Criteria, may be covered by the health and/or dental plan of only one spouse or one domestic partner. For example, when both husband and wife are County employees, all of their eligible children may be covered as dependents of either the husband or the wife, but not both.

c. For purposes of this Section 2.23 only, "County" includes the County of Contra Costa and all special districts governed by the Board of Supervisors, including but not limited to, the Contra Costa County Fire Protection District.

2.24 Life Insurance Benefit Under Health and Dental Plans: For employees who are enrolled in the County's program of medical or dental coverage as either the primary or the dependent, term life insurance in the amount of ten thousand dollars ($10,000) will be provided by the County.

2.25 Supplemental Life Insurance: In addition to the life insurance benefits provided by this resolution, employees may subscribe voluntarily and at their own expense for supplemental life insurance. Employees may subscribe for an amount not to exceed five hundred thousand dollars ($500,000), of which one hundred thousand ($100,000) is a guaranteed issue, provided the election is made within the required enrollment periods.

2.26 Catastrophic Leave Bank: All employees are included in the Catastrophic Leave Bank and may designate a portion of accrued vacation, compensatory time, holiday compensatory time, or personal holiday credit to be deducted from the donor's existing balances and credited to the bank or to a specific eligible employee.

a. The County Human Resources Department operates a Catastrophic Leave Bank which is designed to assist any County employee who has exhausted all paid accruals due to a serious or catastrophic illness, injury, or condition of the employee or family member. The program establishes and maintains a Countywide bank wherein any employee who wishes to contribute may authorize that a portion of his/her accrued vacation, compensatory time, holiday compensatory time or personal holiday credit be deducted from those account(s) and credited to the Catastrophic Leave Bank. Employees may donate hours either to a specific eligible employee or to the bank. Upon approval, credits from the Catastrophic Leave Bank may be transferred to a requesting employee's sick leave account so that employee may remain in paid status for a longer period of time, thus partially ameliorating the financial impact of the illness, injury or condition. Catastrophic illness or injury is defined as a critical medical condition, a long-term major physical impairment or disability that manifests itself during employment.

b. The plan is administered under the direction of the Director of Human Resources. The Human Resources Department is responsible for receiving and recording all donations of accruals and for initiating transfer of credits from the Bank to the recipient's sick leave account. Disbursement of accruals is subject to the approval of a six (6) member committee composed of three (3) members appointed by the County Administrator and three (3) members appointed by the majority representative employee organizations. The committee will meet once a month, if necessary, to consider all requests for credits and will make determinations as to the appropriateness of the request. The committee

will determine the amount of accruals to be awarded for employees whose donations are non-specific. Consideration of all requests by the committee will be on an anonymous requester basis.

c. Hours transferred from the Catastrophic Leave Bank to a recipient will be in the form of sick leave accruals and will be treated as regular sick leave accruals.

d. To receive credits under this plan, an employee must have permanent status, have exhausted all time off accruals to a level below eight (8) hours total, have applied for a medical leave of absence, and have medical verification of need.

e. Donations are irrevocable unless the donation to the eligible employee is denied. Donations may be made in hourly blocks with a minimum donation of not less than four (4) hours from balances in the vacation, holiday, personal holiday, compensatory time or holiday compensatory time accounts. Employees who elect to donate to a specific individual will have seventy-five percent (75%) of their donation credited to the individual and twenty-five percent (25%) credited to the Catastrophic Leave Bank.

f. Time donated will be converted to a dollar value and the dollar value will be converted back to sick leave accruals at the recipient's base hourly rate when disbursed. Credits will not be on a straight hour-for-hour basis. All computations will be on a standard 173.33 basis, except that employees on other than a forty (40) hour week will have hours prorated according to their status.

g. Each recipient is limited to a total of one thousand forty (1040) hours or its equivalent per catastrophic event; each donor is limited to one hundred twenty (120) hours per calendar year.

h. All appeals from either a donor or recipient will be resolved on a final basis by the Director of Human Resources.

i. No employee has any entitlement to catastrophic leave benefits. The award of Catastrophic Leave is at the sole discretion of the committee, both as to amounts of benefits awarded and as to persons awarded benefits. Benefits may be denied, or awarded for less than six (6) months. The committee may limit benefits in accordance with available contributions and choose from among eligible applicants on an anonymous basis those who will receive benefits, except for hours donated to a specific employee. In the event a donation is made to a specific employee and the committee determines the employee does not meet the Catastrophic Leave Bank criteria, the donating employee may

authorize the hours to be donated to the bank or returned to the donor's account.

5. Retirement Contributions:

5.10 No County Subvention: Effective on October 1, 2011, employees are responsible for the payment of one hundred percent (100%) of the employees' basic retirement benefit contributions determined annually by the Board of Retirement of the Contra Costa County Employees' Retirement Association without the County paying any part of the employees' contribution. Employees are also responsible for the payment of the employees' contributions to the retirement cost-of-living program as determined annually by the Board of Retirement without the County paying any part of the employees' contributions. Except as provided in Section 36 (District Attorney Investigator - Safety Employees Retirement Tier) Section 44 (Probation - Safety Employees Retirement Tiers) and Section 53 (Safety Employees Retirement Tiers- Miscellaneous Safety Classifications), the County is responsible for one hundred percent (100%) of the employer's retirement contributions determined annually by the Board of Retirement.

This program of deferred retirement contribution will be universal and non-voluntary as required by statute.

6. New Retirement Plan:

A. PEPRA for Employees who become CCCERA Members on or after January 1, 2013: For employees who, under the California Public Employees' Pension Reform Act of 2013 (PEPRA) (Chapters 296 and 297, Statutes of 2012), become New Members of the Contra Costa County Employees Retirement Association (CCCERA) on or after January 1, 2013, retirement benefits are governed by PEPRA. To the extent that this resolution conflicts with any provision of PEPRA, PEPRA governs.

B. COLA: For employees hired by the County on and after January 1, 2014, who, under PEPRA, become New Members of CCCERA, the cost of living adjustment to the retirement allowance will not exceed two percent (2%) per year, and the cost of living adjustment will be banked.

The reimbursement of training expenses includes books and is governed by any Administrative Bulletins on Travel or Training.

7.11 Management Development Policy: Employees are authorized to attend professional training programs, seminars, and workshops, during normal work hours at the discretion of their Department Head, for the purpose of developing knowledge, skills, and abilities in the areas of supervision, management, and County policies and procedures. Up to thirty (30) hours of such training time is recommended annually.

a. Departments are encouraged to provide for professional development training exceeding thirty (30) hours annually for people newly promoted to positions of direct supervision.

b. To encourage personal and professional growth, the County provides reimbursement for certain expenses incurred by employees for job-related training (required training and career development training/education). Provision for eligibility and reimbursement is identified in Administrative Bulletin 112.9.

c. The Department Head is responsible for authorization of individual professional development reimbursement requests. Reimbursement is through the regular demand process with demands being accompanied by proof of payment (copy of invoice or canceled check).

8. Bilingual Pay Differential: A monthly salary differential will be paid to incumbents of positions requiring bilingual proficiency as designated by the Appointing Authority and the Director of Human Resources. The differential will be prorated for employees working less than full time and/or on an unpaid leave of absence during any given month. The differential is one hundred dollars ($100.00) per month.

Designation of positions for which bilingual proficiency is required is the sole prerogative of the County, and such designations may be amended or deleted at any time.

9. **Higher Pay for Work in a Higher Classification:** The County Salary Regulations notwithstanding, when an employee is required to work in a higher paid classification, the employee will receive the higher compensation for such work, pursuant to the County Salary Regulations, plus any differentials and incentives the employee would have received in his/her regular position. Unless the Board has by Resolution otherwise specified, the higher pay entitlement will begin on the completion of the 40th consecutive hour in the assignment, retroactive to the beginning of the second full day of work in the assignment.

10. **Workers' Compensation and Continuing Pay:** For all accepted workers' compensation claims filed with the County on or after January 1, 2008, employees will receive seventy five percent (75%) of their regular monthly salary during any period of compensable temporary disability not to exceed one (1) year. Pay based on accepted workers' compensation claims filed before January 1, 2007, but after December 31, 1999, will be paid as provided in Resolution No. 2006/22. Pay based on accepted workers' compensation claims filed before January 1, 2000, will be paid as provided in resolution No. 96/488. If workers' compensation benefits become taxable income, the County will restore the former benefit level, one hundred percent (100%) of regular monthly salary.

    10.10 Waiting Period: There is a three (3) calendar day waiting period before workers' compensation benefits commence. If the injured worker loses any time on the date of injury, that day counts as day one (1) of the waiting period. If the injured worker does not lose time on the date of the injury, the waiting period is the first three (3) days following the date of the injury. The time the employee is scheduled to work during this waiting period will be charged to the employee's sick leave and/or vacation accruals. In order to qualify for workers' compensation the employee must be under the care of a physician. Temporary compensation is payable on the first three (3) days of disability when the injury necessitates hospitalization, or when the disability exceeds fourteen (14) days.

    10.11 Continuing Pay: A permanent employee will receive the applicable percentage of regular monthly salary in lieu of workers' compensation during any period of compensable temporary disability not to exceed one year. "Compensable temporary disability absence" for the purpose of this Section, is any absence due to work-connected disability which qualifies for temporary disability compensation under workers' compensation law set forth in Division 4 of the California Labor Code. When any disability becomes medically permanent and stationary, the salary provided by this Section will terminate. No charge will be made against sick leave or vacation for these salary

payments. Sick leave and vacation rights do not accrue for those periods during which continuing pay is received. Employees are entitled to a maximum of one (1) year of continuing pay benefits for any one injury or illness.

Continuing pay begins at the same time that temporary workers' compensation benefits commence and continues until either the member is declared medically permanent/stationary, or until one (1) year of continuing pay, whichever comes first, provided the employee remains in an active employed status. Continuing pay is automatically terminated on the date an employee is separated from County service by resignation, retirement, layoff, or the employee is no longer employed by the County. In these instances, employees will be paid workers' compensation benefits as prescribed by workers' compensation laws. All continuing pay must be cleared through the County Administrator's Office, Risk Management Division.

10.12 Physician Visits: Whenever an employee who has been injured on the job and has returned to work is required by an attending physician to leave work for treatment during working hours, the employee is allowed time off, up to three (3) hours for such treatment, without loss of pay or benefits. Said visits are to be scheduled contiguous to either the beginning or end of the scheduled workday whenever possible. This provision applies only to injuries/illnesses that have been accepted by the County as work related.

10.13 Labor Code §4850 Exclusion: The foregoing provisions for workers' compensation and continuing pay are inapplicable in the case of employees entitled to benefits under Labor Code Section 4850.

Employees on the Overtime Exempt Exclusion List are NOT eligible for Annual Management Administrative Leave for the quarter they are on the Overtime Exempt Exclusion List. 11.13 Length of Service Credits: Length of service credit dates from the beginning of the last period of continuous County employment, including temporary, provisional and permanent status and absences on an approved leave of absence; except that when an employee separates from a permanent position in good standing and is subsequently re-employed in a permanent County position within two (2) years from the date of separation, the period of separation will be bridged. Under these circumstances, the service credits will include all credits accumulated at the time of separation but will not include the period of separation. The service credits of an employee are determined from employee status records maintained by the Human Resources Department.

11.14 Mirror Classifications: As determined in the sole discretion of the Director of Human Resources, employees in unrepresented job classifications that mirror Management, represented or unrepresented job classifications may receive the salary and fringe benefits that are received by employees in the mirror classification.

11.15 Deep Classes: No provision of this Resolution regarding terms and conditions of employment supersedes any provision of any Deep Class Resolution.
