GENERAL INFORMATION

The Board meets in all its capacities pursuant to Ordinance Code Section 24-2.402, including as the Housing Authority and the Successor Agency to the Redevelopment Agency. Persons who wish to address the Board should complete the form provided for that purpose and furnish a copy of any written statement to the Clerk.

Any disclosable public records related to an open session item on a regular meeting agenda and distributed by the Clerk of the Board to a majority of the members of the Board of Supervisors less than 96 hours prior to that meeting are available for public inspection at 651 Pine Street, First Floor, Room 106, Martinez, CA 94553, during normal business hours.

All matters listed under CONSENT ITEMS are considered by the Board to be routine and will be enacted by one motion. There will be no separate discussion of these items unless requested by a member of the Board or a member of the public prior to the time the Board votes on the motion to

adopt.

Persons who wish to speak on matters set for PUBLIC HEARINGS will be heard when the Chair calls for comments from those persons who are in support thereof or in opposition thereto. After persons have spoken, the hearing is closed and the matter is subject to discussion and action by the Board. Comments on matters listed on the agenda or otherwise within the purview of the Board of Supervisors can be submitted to the office of the Clerk of the Board via mail: Board of Supervisors, 651 Pine Street Room 106, Martinez, CA 94553; by fax: 925-335-1913.

The County will provide reasonable accommodations for persons with disabilities planning to attend Board meetings who contact the Clerk of the Board at least 24 hours before the meeting, at (925) 335-1900; TDD (925) 335-1915. An assistive listening device is available from the Clerk, Room 106.

Copies of recordings of all or portions of a Board meeting may be purchased from the Clerk of the Board. Please telephone the Office of the Clerk of the Board, (925) 335-1900, to make the necessary arrangements.

Forms are available to anyone desiring to submit an inspirational thought nomination for inclusion on the Board Agenda. Forms may be obtained at the Office of the County Administrator or Office of the Clerk of the Board, 651 Pine Street, Martinez, California.

Subscribe to receive to the weekly Board Agenda by calling the Office of the Clerk of the Board, (925) 335-1900 or using the County's on line subscription feature at the County's Internet Web Page, where agendas and supporting information may also be viewed:

Contra Costa County

To: Board of Supervisors

From: John Kopchik, Director, Conservation & Development Department

Date: May 9, 2017

Subject: Provide guidance to Conservation and Development on the Preparation of an Amendment to the County Code to Allow Certain Urban Farm Animals

RECOMMENDATION(S):

PROVIDE guidance to the Department of Conservation and Development to work with the County Counsel's Office on the preparation of an amendment to the Contra Costa County Code to allow the raising and keeping of certain urban farm animals for non-commercial purposes within applicable residential land use districts.

FISCAL IMPACT:

The cost of completing an Amendment to the County Code is estimated to be $60,000 to $80,000 and will be assumed by the Department of Conservation and Development (Land Development Fund).

BACKGROUND:

Current Status of Keeping Farm Animals on Residential Lots

In unincorporated areas of the County, farm animals (up to 24 poultry) can be kept for non-commercial purposes in the R-20 (20,000 square foot minimum lot size), R-40 (40,000 square foot minimum lot size), R-65 (65,000 square foot minimum lot size), and R-100 (100,000 square foot minimum lot size) Single-Family Residential Districts. On a lot of at least 40,000 square feet in the R-20, R-40, R-65 or R-100 District, a property owner is permitted to keep 2 head of livestock such as horses, cows, sheep, and goats. Honeybees are not permitted on any residentially-zoned lot. In an agriculturally zoned property, all such farm animals are permitted.

BACKGROUND: (CONT'D)

Study of Small Farm Animals

On September 16, 2014, the Board authorized the Department of Conservation and Development to initiate a study for the raising and keeping of small farm animals for non-commercial purposes on smaller residential properties as a basis for considering modifications to the Contra Costa County Code to allow such use within applicable residential land use districts. Department staff conducted a review of small farm animals generally kept on smaller residential lots in California and elsewhere in the United States. Staff found that the farm animals commonly raised and kept on smaller lots include chickens, goats, and honeybees. These species are referred to as "urban farm animals". With the Board's 2014 authorization, the Department proceeded with the study of raising and keeping urban farm animals on smaller residential lots.

Regulations on Urban Farm Animals in the County

The Department conducted a review of ordinances of the 19 incorporated communities (cities) in the County, including Richmond, El Cerrito, San Pablo, Pinole, Walnut Creek, Lafayette, Orinda, Moraga, Danville, San Ramon, Brentwood, Oakley, Antioch, Pleasant Hill, Concord, Clayton, Hercules, Martinez, and Pittsburg. Staff focused its review on the regulations of the local jurisdictions pertaining to urban farm animals.

For each ordinance reviewed, staff assessed whether (1) a particular urban farm animal was allowed on a lot smaller than 20,000 square feet, (2) the type of lot (single-family, multiple-family), (3) whether a use permit was required, (4) the minimum lot size required, (5) the rate (number of animals per 1,000 square feet), (6) minimum setbacks, and (7) minimum distance from residences. Following are the results of this assessment:

1. Animal allowed on a lot smaller than 20,000 square feet:

Chicken.....12 of 19 cities..... 63%
Rooster..... 0 of 19..... 0%
Goat..... 3 of 19..... 16%
Honeybees..... 7 of 19..... 37%

1. Lot type: (where at least one type of urban farm animal is allowed)

Single-family..... 11 of 19 cities..... 92%
Single-family and Multiple-family.....4 of 19.....33%

1. Use permit required: (for any urban farm animal)

Yes..... 3 of 19 cities.....25%
Maybe..... 4 of 19..... 33%

1. Predominant minimum lot size for those jurisdictions that do allow:

Chicken..... 6,000 square feet
Goat..... 7,500 square feet (mean)
Honeybees..... 6,000 square feet

1. Predominant maximum rate:

Chicken..... 0.84/1,000 square feet
Honeybee hives..... 0.37/1,000 square feet

1. Predominant minimum setbacks:

Chicken..... 20 feet front/5 feet side/15 feet rear
Honeybees..... 25 feet front/25 feet side/25 feet rear

1. Predominant minimum distance from residences:

Chicken..... 20 feet
Honeybees..... 20 feet

Community Responses to Urban Farm Animal Questionnaire

The Department conducted a survey of community preferences related to urban farm animals on smaller residential lots. The survey included the following questions (1) whether urban farm animals should be allowed on small lots, less than ½ acre in size, (2) whether a minimum lot size should be required, (3) the types of lots that would be appropriate for urban farm animals, and (4) what type of limit there should be on the number of animals.

Staff sent an Urban Farm Animal Questionnaire to the 13 citizen advisory bodies in the unincorporated County, including the El Sobrante Municipal Advisory Council (MAC), Kensington MAC, North Richmond MAC, Alamo MAC, Bethel Island MAC, Byron MAC, Diablo MAC, Town of Discovery Bay, Knightsen Town Advisory Council, Contra Costa Centre MAC, Bay Point MAC, Pacheco MAC, and Rodeo MAC. Questionnaire responses were received from all citizens advisory bodies. The Kensington MAC deferred to its community and submitted the responses from an online survey it had conducted. In addition, the Saranap Community Association requested and completed a questionnaire.

Following are the results of this survey. Some MACs provided a proportional response (e.g. 50% of members support/50% oppose). These proportionate responses were tallied as fractions (e.g. if one MAC supported and another MAC was split 50/50, the result would be summarized as 1.5 of the 2 MACs supported). The detailed results are provided in Attachment 4.

1. Allow on a small lot (less than ½ acre):

Chickens.....5.75 of 14 responses..... 41%
Goats..... 3.75 of 14..... ..27%
Honeybees..... 5.75 of 14..... 41%

The general preference of the communities of El Sobrante, Kensington, Saranap, Byron (1/4 acre lot), Knightsen (1/3 acre lot), and Pacheco was to be allowed to keep urban farm animals on lots of less than 1/2 acre (including communities that reported their preference proportionately in support).

The communities of North Richmond, Alamo, Bethel Island, Diablo, Discovery Bay, Contra Costa Centre Bay Point, and Rodeo generally did not support allowing urban farm animals on small lots (including communities that reported proportionately as opposed).

1. Require a minimum lot size:

Yes..... 5.95 of 14 responses..... 43%
Predominant Size..... 6,000 square feet
No..... 4.3 of 14..... 31%

1. Appropriate lot type: (including responses from communities that did not support allowing urban farm animals in a small lot)

Single-family..... 8.75 of 14 responses..... 63%
Duplexes..... 1.5 of 14..... 11%
Multiple-family..... 0.5 of 14..... 4%
Mobile homes..... 1.5 of 14..... 11%

1. What type of limit should there be on the number of animals:

Limit on total number..... 3.4 of 14 responses..... 24%
Limit per square foot..... 4.4 of 14..... 31%
No limit..... 0.0 of 14..... 0%

Findings

Following are relevant findings derived from the review of ordinances in Contra Costa County cities and the

community responses to the Urban Farm Animal Questionnaire:

1. Allowing the Keeping of Chickens

- A majority of cities in the County (63%) allow the keeping of chickens on a lot smaller than 20,000 square feet.
- Less than half of the unincorporated communities (41%) would like to allow the keeping of chickens on smaller lots.

1. Not Allowing Other Urban Farm Animals

- No jurisdiction allows the keeping of roosters.

- Only three cities in the County (16%) allow the keeping of goats on a lot smaller than 20,000 square feet
- less than a third of the unincorporated communities (27%) would like to allow the keeping of goats on smaller lots.

- Approximately a third of the cities in the County (37%) allow the keeping of honeybees on a lot smaller than 20,000 square feet
- less than half of the unincorporated communities (41%) would like to allow the keeping of honeybees on smaller lots.

1. Use Permit

Most cities in the County do not require a use permit for urban farm animals; only three cities required a use permit and an additional four cities required a use permit in certain circumstances.

1. Residential Lot Types

- Single-family residential lots are appropriate for keeping urban farm animals in 92% of cities in the County that allow keeping chickens on a lot smaller than 20,000 square foot
- 63% of the unincorporated communities surveyed think urban farm animals are more appropriate for single-family residential lots (includes responses from communities that did not favor urban farm animals in a small lot).

- 33% of cities in the County that allow keeping chickens on a lot smaller than 20,000 square foot, allow the keeping of urban farm animals is appropriate on multiple-family residential lots
- 4% of the unincorporated communities surveyed think the keeping of urban farm animals on multiple-family residential lots and 11% of the unincorporated communities think the keeping of urban farm animals is appropriate on duplex and mobile home lots.

1. Predominant Lot Size

The predominant minimum lot size for keeping urban farm animals in cities and preferred by survey respondents is 6,000 square feet.

1. Animals per 1,000 Square Feet

- Cities in the County that allow urban farm animals allow an average rate of 0.84 chicken (hen) per 1,000 square feet, and 0.37 honeybee hives, per 1,000 square feet. There is no rate in the cities for goats.

- 31% of the unincorporated communities would like to limit the number of urban farm animals on a per square foot basis
- 24% of the unincorporated communities prefer limiting the total number of animals; all unincorporated communities were in favor of limiting the number of animals.

1. Setbacks for Enclosures and Minimum Distance From Residences

Cities in the County that allow urban farm animals generally set minimum setbacks for enclosures for chickens of 20 feet for the front setback, 5 feet for the side yard, and 15 feet for the rear yard, and a minimum distance of 20 feet from all residences. The minimum setbacks for beehives are generally 25 feet for the front setback, 25 feet for

the side yard, and 25 feet for the rear yard. Two cities do not allow animal enclosures in the front yard. Two cities specify that animal enclosures must be in the rear yard.

ALTERNATIVES FOR THE COUNTY CODE AMENDMENT BASED ON FINDINGS ABOVE

The Department seeks direction from the Board on the Amendment to the County Code, related to:

(1) Proceeding with a Countywide or a community-specific Amendment.

The Board could direct staff to proceed with an Amendment on a Countywide basis. Alternatively, an Amendment could be prepared that corresponds to the unique characteristics of certain communities. For example, residential areas of Kensington are zoned R-6 Single-Family Residential, while residential areas of El Sobrante and Pacheco are zoned R-6 or R-7 Single-Family Residential. To implement such an approach staff will need to develop, and the Board would need to approve, findings for a community-specific Amendment, including a finding that establishment of the Amendment is based on an actual need in these communities, and a finding that the proposed Amendment will not substantially alter the single-family residential use of properties in the subject zoning districts.

Of the 14 communities in the Urban Farm Animal Questionnaire, six communities responded that they would like to allow urban farm animals on lots less than 1/2 acre, including El Sobrante, Kensington, Saranap, Byron, Knightsen, and Pacheco.

(2) Allowing on single-family residental lots only

Given the lack of support for allowing urban farm animals on multiple-family, duplex, and mobile home lots, staff recommends that any Amendment allow such animals only on single-family residental lots.

(3) Allowing chickens only

The Board could direct staff to proceed with developing an Amendment allowing only chickens (in certain areas/under certain conditions). Or it could direct staff to also allow goats and/or honey bees (in certain areas/under certain conditions).

There is more community support to allow chickens than goats or honeybees on smaller residential lots. 63% of the cities in the County allow chickens on smaller residential lots, and 41% of the surveyed communities would like to have chickens allowed on smaller residential lots. However, 16% of cities allow goats, and 27% of the surveyed communities would like to allow goats, while 37% of the cities allow honeybees, and 41% of the communities would like to allow honeybees.

The existing regulations allow the keeping of poultry only in the R-20, R-40, R-65, and R-100 Single-Family Residential Districts. Staff also recommends revising the existing regulations to allow "small farming", including the keeping of poultry on lots of at least 20,000 square feet and the keeping of livestock on lots of at least 40,000 square feet, in any single-family district.

(4) Setting a maximum rate for chickens per 1,000 square feet and a minimum lot size of 6,000 square feet

If the Board wishes to proceed with allowing urban farm animals in smaller residential lots, guidance is requested on limiting the number of animals and on a minimum lot size.

31% of the surveyed communities wished to limit the number of animals on a per square foot basis, while 24% wished to limit the total number of animals. The average maximum rate for chickens in the cities is 0.84 animal per 1,000 square feet, whereas the maximum rate for keeping poultry in the R-20 Single-Family Residential District is one animal per 1,000 square feet on a 20,000 square foot lot. Accordingly, setting a maximum rate per 1,000 square feet for unincorporated communities is appropriate. 6,000 square feet is the predominant minimum

lot size for keeping chickens in cities and preferred by two of the six unincorporated communities that wished to keep chickens on smaller residential lots. Other lot sizes preferred by the communities are 3,000 square feet (one community), 1/4 acre or 10,890 square feet (one community), and 1/3 acre or 14,520 square feet (one community). The initial staff suggestion is for a maximum rate of 1 animal per 1,000 square feet and a minimum lot size of 6,000 square feet.

(5) Setting minimum setbacks for animal enclosures

Seven of the 12 cities in the County that allow chickens on smaller residential lots also set minimum distances for animal enclosures from all residences, which is generally 20 feet. In the R-6 Single-Family District, the minimum side yard setback is five feet. Staff does not recommend setting minimum distances from adjacent residences, since this is extremely difficult to implement and enforce. Hence, staff recommends only setting minimum setbacks from property lines and suggests 15 feet be used if allowed at all in smaller residential lots, as an animal enclosure setback.

CONSEQUENCE OF NEGATIVE ACTION:

Keeping certain urban farm animals will only be allowed on R-20-, R-40, R-65, and R-100 Single-family Residential Districts.

Urban Farm Animal Questionnaire

The purpose of this survey is to receive suggestions on the keeping and maintenance of certain urban farm animals on smaller residential lots located in Contra Costa County.

Urban farm animals are those animals that have become increasingly accepted across the country as suitable to keep on smaller residential lots, and most commonly include chickens, goats, and honeybees. The animals are kept for enjoyment by their owners and for products such as eggs, milk, and honey. Currently, livestock is allowed on lots that are about an acre or greater (40,000 square feet) in size. "Small farming" is allowed on lots that are about a half-acre or greater (20,000 square feet) in size in the R-20, R-40, R-65, and R-100 zoning districts. "Small farming" is defined in the County Code as the raising and keeping of no more than twenty-four (24) fowl, rabbits, other grain-fed rodents, or livestock. County staff is studying whether to allow the keeping of chickens, goats, and honeybees on smaller single-family residential lots, (20,000 square foot or less) including lots with duplexes, condominiums, apartments, and mobile homes.

1. Would you support allowing the following urban farm animals on residential lots smaller than a half-acre? [Check all that apply.]

   ☐ Chickens

   ☐ Goats

   ☐ Honeybees

(Continued on other side)

2. Would you support a minimum size for lots on which urban farm animals are kept?

   ☐ Yes

   ☐ No

   If yes, what would be an appropriate minimum size?

   _____

3. Which of the following types of lots are more appropriate for keeping an urban farm animal? [Check all that apply.]

   ☐ Single-Family

   ☐ Duplexes

   ☐ Multifamily dwellings (Apartments & Condominiums)

   ☐ Mobile Homes

4. What is your preference for limiting the number of urban farm animals that can be kept on one lot?

   ☐ Allow a total of ?? chickens, goats, or bee hives

   ☐ Allow one chicken or goat or bee hive per ?? square feet

   ☐ No limit

5. Do you have any concern or other comments related to the keeping of urban farm animals in your neighborhood or community?

   _____

   _____

Kensington[1] - The Kensington MAC deferred to the community and conducted an online survey of community residents. The compiled survey results are presented in this table.

Saranap[2] - The Saranap Community Association contacted staff, requested a Questionnaire, and returned a completed Questionnaire. The responses are included in this table.

*** Data shown are the number of communities in favor. If a community reported it was in favor, that was counted as one (1) community. If a community reported in a proportionate manner, the equivalent fraction is shown (e.g., if a community reported that 50% of its members were in support and 50% were opposed, that community would be counted as 0.5 in favor). A zero (0) indicates that the community was not in favor.**

Contra Costa County

To: Board of Supervisors

From: John Kopchik, Director, Conservation & Development Department

Date: May 9, 2017

Subject: Disposition and Development Agreement – Heritage Point Development, North Richmond Area

RECOMMENDATION(S):

1. OPEN public hearing, RECEIVE testimony, and CLOSE public hearing.

2. APPROVE Resolution No. 2017/71 approving and authorizing the Director of Conservation and Development to execute a Disposition and Development Agreement (DDA) between the County and Community Housing Development Corporation of North Richmond (CHDC) for the sale of six parcels of real property in North Richmond fronting the east side of Fred Jackson Way, between Grove Street and Chelsey Avenue, to CHDC for the development of 42 multi-family residential units and approximately 900 square feet of commercial/retail space.

3. FIND the Adopted Mitigated Negative Declaration, adopted on March 24, 2017, for Development Plan #14-3026 and Minor Subdivision #14-000007 and May 5, 2015, for General Plan Amendment #13-0004, is adequate for the DDA and has been prepared in a manner that is consistent with State and County CEQA guidelines and ADOPT the Mitigated Negative Declaration.

4. AUTHORIZE staff to file a Notice of Determination with County Clerk and pay the filing fee.

☑ APPROVE ☐ OTHER

Clerks Notes:

VOTE OF SUPERVISORS

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

ATTESTED: May 9, 2017

David J. Twa, County Administrator and Clerk of the Board of Supervisors

By: , Deputy

Contact: Maureen Toms, DCD, (925) 674-7878

cc:

FISCAL IMPACT:

There is no impact on the County's General Fund. The property is a housing asset under Health and Safety Code section 34176 and was acquired using the former Contra Costa County Redevelopment Agency's Low and Moderate Income Housing Fund. The total County cost is anticipated to be $9.3 million. The financing and other terms of the proposed disposition of the County housing asset are fully described in the attached "33433" report. County funds anticipated to be used for to the project have been previously budgeted and the formal loan terms for the various sources of funds will be formalized in a future board action related to the loan documents.

BACKGROUND:

A major goal of the County General Plan is to improve and expand the supply of decent and safe affordable housing in Contra Costa County. The Heritage Point Project (Project) will result in the construction of a 47-foot tall, four-story building with forty-two (42) affordable multiple-family residential units and 900 square feet of commercial space. The project will be located on a vacant lot in an established neighborhood of unincorporated North Richmond, at the northeast corner of Chesley Avenue and Fred Jackson Way. The Project will be bounded by the Heritage Senior Apartments to the west and residential uses to the east, south and north. The North Richmond Municipal Advisory Council (MAC) is a strong supporter of the project. The MAC recommended approval of the General Plan Amendment and Development Plan for the Project, which was also approved by the County Planning Commission and Board of Supervisors in 2015. The Mitigated Negative Declaration for the Project was approved, in compliance with the California Environmental Quality Act, at the time the General Plan Amendment and Development Plan were approved. CHDC, the developer of the property, was selected by the Board of Supervisors several years ago following a developer solicitation.

The Project density is 52 dwelling units per acre. The unit mix consists of one, two, and three bedroom units, including a manager's unit. The Project includes small retail and office uses with a patio common area and children's play space, as well as other common areas for residents, including a community room. The Project proposes to add landscaping and hardscape along Fred Jackson Way and at the rear of the property.

The Disposition and Development Agreement (DDA) provides for the conveyance of certain real property and the construction of the Project provided certain conditions are met. The former Redevelopment Agency purchased six of the parcels which make up the 32,000 square-foot site between 2009 and 2012. The County continues to pursue the acquisition of an adjacent 1,060 square-foot, land-locked abandoned parcel through a quiet title action. If the County is able to acquire the adjacent property, it will be added to the project site and eliminate blighting conditions. However, the Project can move forward without the acquisition of that property. At this time, the County intends to enter into a DDA so that the Project may proceed before funding deadlines lapse.

Section 33433 of the Health and Safety Code requires the County to hold a public hearing prior to approving the sale of property acquired with former Redevelopment funds. A summary report of the terms of the proposed disposition has been prepared and is attached hereto.

Approval of the DDA will give CHDC site control, which is necessary for bond and tax credit financial applications, which are expected to be submitted in mid-May 2017. A loan agreement will be brought to Board of Supervisors for consideration before the transaction closes escrow to refinance the existing predevelopment loan and lend additional County funds (the CDBG allocation approved by the Board previously, Livable Communities Trust funds (District I) approved by the Board previously and additional Housing Funds-- see the attached 33433 report for detail) for construction of the Project. The close of escrow is expected to occur in the fall of 2017. Implementation of the DDA will provide 42 new residential units and commercial space, thereby contributing to the community's supply of housing for affordable to very low to moderate-income households. The project allows the County, as Housing Successor, to fulfill its legal obligation for affordable housing production, dispose of housing assets and use funds from the Low and Moderate Income Housing Fund.

CONSEQUENCE OF NEGATIVE ACTION:

Failure to approve the DDA will inhibit CHDC's ability to obtain the additional funds it needs to acquire the property and develop the project.

THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA

and for Special Districts, Agencies and Authorities Governed by the Board

Adopted this Resolution on 05/09/2017 by the following vote:

AYE:	
NO:	
ABSENT:	
ABSTAIN:	
RECUSE:	

Resolution No. 2017/71

IN THE MATTER OF authorizing execution of a Disposition and Development Agreement by and between the County and Community Housing Development Corporation of North Richmond (CHDC), and making findings and approvals pursuant to the California Community Redevelopment Law, for the sale of the property to CHCD and the development of the Heritage Point Development, with 42 multiple-family residential units and approximately 900 square feet of commercial/retail space in the North Richmond Area.

The Board of Supervisors (the "Board") of the County of Contra Costa (the "County") adopted the North Richmond Redevelopment Plan North Richmond Redevelopment Project Area by Ordinance No. 87-50, adopted on July 14, 1987, as amended by Ordinance No. 94-63, adopted on December 6, 1994, as amended by Ordinance No. 99-06, adopted on February 23, 1999, as amended by Ordinance No. 99-31, adopted on June 8, 1999, as further amended by Ordinance No. 2006-35, adopted on July 18, 2006, and as further amended by Ordinance No. 2007-25, adopted on June 5, 2007, which sets forth a plan for redevelopment of the North Richmond Redevelopment Project Area. The County has succeeded to the housing assets of the former Contra Costa County Redevelopment Agency (the"Former Agency") in accordance with Health and Safety Code Section 34176. In its capacity as housing successor, the County owns six parcels of real property, fronting the east side of Fred Jackson Way, between Grove Street and Chesley Avenue, in North Richmond, as more particularly described in Exhibit A (the "Property"). The Property has been identified as a "housing asset" pursuant to Health and Safety Code Section 34176. The Oversight Board of the Contra Costa County Successor Agency and the California Department of Finance have approved such identification. The Former Agency acquired the Property using the Former Agency's low and moderate housing fund, which was established pursuant to Health and Safety Code Section 33334.2. The County and CHDC propose to enter into a Disposition and Development Agreement (the "DDA") governing the transfer and redevelopment of the Property through the construction of forty-two (42) multifamily rental apartment units affordable to low and moderate income persons and limited commercial space on the Property (the "Development"). Under the DDA, the County would sell the Property to CHDC for a purchase price of Five Hundred Thirty Thousand Six Hundred Fifty-Five Dollars ($530,655) or such price as is determined to be the fair market value of the Property established by an analysis of sales of comperable properties (the "Purchase Price"), which would be paid at the time of transfer.

The County has established a Low and Moderate Income Housing Asset Fund (the "Housing Fund") pursuant to Health and Safety Code Sections 34176. The Developer intends to finance the cost of the Development with public and private sources, as more particularly described in Section V of the Section 33433 Summary Report (defined below).

The parties anticipate that the County and CHDC will enter into a loan agreement for a loan of Housing Successor funds in the amount of the Purchase Price plus up to an additional One Million Dollars ($1,000,000) (the "County Loan"), which will serve the purpose of Health and Safety Code Section 33334.2, providing a benefit to the Project Area, by assisting in the development of affordable housing for persons living and/or working in the Project Area, and serve major goals and objectives of the Redevelopment Plan by improving and increasing the supply of housing available at affordable housing cost in the community, thereby decreasing the market pressure on the supply of affordable housing in the community and the Project Area.

The County desires to execute the DDA substantially in the form on file with the Clerk of the Board that:

(i) conveys property to CHDC, for the purchase price, unless a loan agreement is reached prior to closing; (ii) requires execution of a promissory note and deed of trust to secure payment of the purchase price by CHDC; (iii) addresses other matters related to the disposition of the Property.

The County has placed on file a copy of the DDA and summary called for in Health and Safety Code Section 33433 (the "33433

Summary Report"), and has made the DDA and the 33433 Summary Report available for public inspection and copying pursuant to Health and Safety Code Section 33433.

The County desires to approve the 33433 Summary Report, which indicates that the cost of the Development to the County is $9,355,198, with a net cost of $6,355,198 after the deduction of the net present value of loan repayments.

The Board has conducted a duly noticed public hearing on the DDA and 33433 Summary Report pursuant to Health and Safety Code Section 33433, for the purpose of receiving the input and comments of the public on the DDA and the 33433 Summary Report.

The Mitigated Negative Declaration previously prepared by the County to serve as the environmental documentation under the California Environmental Quality Act for the Development Plan #14-3026 and Minor Subdivision # 14-00007 and May 5, 2015, for General Plan Amendment # 13-0004 and continues to serve as the environmental documentation for purposes of compliance with the California Environmental Quality Act for consideration of the DDA.

By the board order accompanying this Resolution which is incorporated into this Resolution by this reference, the County has been provided with additional information upon which the findings and actions set forth in this Resolution are based.

NOW, THEREFORE, BE IT RESOLVED, that the Board of Supervisors finds that the above recitals are true and correct and have served, together with the 33433 Summary Report and the board order as the basis for the findings and approvals set forth below.

BE IT FURTHER RESOLVED, pursuant to Health and Safety Code Section 33433, the Board of Supervisors hereby finds that the consideration to be given by the Developer under the DDA is not less than the fair market value of the Property. This finding is based on the facts and analysis set forth in the Staff Report and the Section 33433 Summary accompanying this Resolution.

BE IT FURTHER RESOLVED, pursuant to Health and Safety Code Section 33433, the Board of Supervisors hereby finds that the conveyance of the Property pursuant to the DDA will assist in the elimination of blight in the Project Area, will provide housing for low- and moderate-income persons, and is consistent with the implementation plan adopted pursuant to Section 33490 of the Redevelopment Law. These findings are based on the facts and analysis set forth in the Section 33433 Summary and the board order accompanying this Resolution, which may be briefly synopsized as follows: the sale of the Property to the Developer and construction of the Development pursuant to the DDA will provide 42 units of needed affordable housing to the community and eliminate the blighted conditions of the Property as the property is currently vacant. Construction of the Development will create attractive, quality and affordable housing designed to compliment the surrounding developed area.

BE IT FURTHER RESOLVED, pursuant to Health and Safety Code Section 33433, the Board of Supervisors hereby approves the DDA and the 33433 Summary Report, in substantially the form on file with the Clerk of the Board, and all ancillary documents; approves execution by the the Director, Department of Conservation and Development of the DDA and all ancillary documents in substantially the form on file with the Clerk of the Board of Supervisors, with such changes as are approved by the County signatory (such approval to be conclusively evidenced by the execution of the DDA); and approves the sale of the Property as contemplated in the provisions of the DDA.

BE IT FURTHER RESOLVED, that the County hereby approves the DDA, with such changes as are approved by the Director of the Department of Conservation and Development.

BE IT FURTHER RESOLVED that the County designates the Clerk of the Board and the Director of the Department of Conservation and Development as the custodian of the documents and other material which constitute the record of proceedings upon which the decision herein is based. These documents may be found at the office of the Department of Conservation and Development at 30 Muir Road, Martinez, CA 94553.

BE IT FURTHER RESOLVED that this Resolution shall take immediate effect from and after its passage.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

SUMMARY REPORT PURSUANT TO HEALTH AND SAFETY CODE SECTION 33433 ON THE DISPOSITION AND DEVELOPMENT AGREEMENT BY AND BETWEEN THE COUNTY OF CONTRA COSTA AND COMMUNITY HOUSING DEVELOPMENT CORPORATION OF NORTH RICHMOND

I. Introduction.

The County of Contra Costa (the "County"), acting in its capacity as housing successor to the dissolved Contra Costa County Redevelopment County under Health and Safety Code Section 34176, has prepared a summary report (the "Summary Report") as required by Section 33433 of the Community Redevelopment Law (Part 1 of Division 24 of the Health and Safety Code of the State of California (the "Law"), with regards to the County's execution of a Disposition and Development Agreement ("DDA") by and between the County and Community Housing Development Corporation of North Richmond ("CHDC") for the sale of specified parcels of real property (the "Property") to CHDC and the development of the Heritage Point Development, with 42 affordable multi-family units (the "Development") in the North Richmond Project Area in the unincorporated County. A second phase of the project is contemplated to include an approximately 900 square foot commercial/retail space.

Section 33433, requires that if the County, in its capacity as housing successor, desires to sell or lease property to which it holds title and the property was acquired in whole or in part with property tax increment funds, the County must first secure approval of the proposed sale from the Board of Supervisors after a public hearing. A copy of the proposed DDA and a summary report that describes and contains specific financing elements of the proposed transaction is required to be available for public inspection prior to the public hearing. As contained in the Code, the following information is included in the summary report:

- The cost of the DDA to the County, including land acquisition costs, clearance costs, relocation costs, and the costs of any improvements to be provided by the County;

- The estimated value of the interest to be conveyed, determined at the highest and best use permitted under the North Richmond Project Area's Redevelopment Plan;

- The estimated value of the interest to be conveyed in accordance with the uses, conditions and covenants, and development costs required under the proposed DDA, i.e., the fair reuse value of the Property;

- An explanation of why the sale of the property will assist in the elimination of blight; and if the sale price is less than the fair market value of the interest to be conveyed, determined at the highest and best use consistent with the

redevelopment plan, then the County must provide as part of the summary an explanation of the reasons for the difference.

II. Summary of Proposed Agreement.

The proposed Development described in the DDA is a residential project with 42 affordable multi-family units. The units are proposed to be rent-restricted with units affordable to households earning 30%, 45% and 50% of area median income.

The former Redevelopment Agency selected CHDC to construct the Development. The salient aspects of the proposed DDA are summarized as follows:

- The County will convey the Property to CHDC in fee on an "as-is" basis.

- In order to render the Development financially feasible, the County will contribute a subsidy to the Development. The County's sources of subsidy are itemized in Section V of this report.

- CHDC will construct forty-two (42) multi-family residential units comprising of a minimum of five (5) units affordable to households earning up to 30% of Area Median Income, thirty six (36) units affordable to households earning up to 45% and 50% of Area Median Income, and one manager's unit.

- The Development will be restricted to Extremely Low and Very Low Income households for an initial term of 57 years (including two year construction time frame). A regulatory agreement will be recorded at the time the Property is conveyed to CHDC.

- Prior to the Close of Escrow, CHDC must have either sufficient funds on hand or loan commitments to fund the construction of the Development.

III. Cost of Agreement

This section presents the total estimated cost of the DDA to the County. Pursuant to California Health and Safety Code Section 33433 (a)(2)(B)(i), the cost of the DDA to the County includes all land acquisition costs, clearance costs, relocation costs, the cost of any improvements to be provided by the County, plus the interest on any loans or bonds to finance the project under the terms of the DDA. The net cost can be either an actual cost, when expenditures exceed receipts, or a net gain, when revenues created by implementation of the Agreement exceed expenditures.

A. Estimated Cost

The estimated total cost to the County is approximately $9.35 million. The County acquired the Property from the former redevelopment agency through Health and Safety Code Section 34176. As such, no funds from the County's Low and Moderate Income

Housing Asset Funds (established pursuant to Health and Safety Code Section 34176(d)) were used to acquire the Property.

County Costs	Total
Land Acquisition Cost (original purchase price)[1]	$2,811,500
Holding costs (Property taxes)	$13,836
Real Estate Staff costs	$20,410
Clearance and Relocation Costs	$42,693
County CDGB subsidy	$2,948,000
County Housing Funds subsidy	$1,000,000
County Housing Bonds subsidy	$954,229
County Tax Increment subsidy	$131,700
County Livable Communities subsidy	$1,432,830
Total	**$9,355,198**

B. Estimated Revenues

A portion of the County's subsidy to the Development will be structured in the form of a loan to be repaid through residual operating cash flow generated by the Development to the extent available and will accrue interest at approximately 3%/year. It is estimated that over the course of the loan term, the County may receive on the order of $3 million in loan repayments, expressed on a net present value basis.

CHDC will construct forty-two (42) multi-family residential units comprised of a minimum of five (5) units affordable to households earning up to 30% of Area Median Income, thirty six (36) units affordable to households earning up to 45% and 50% of Area Median Income, and one manager's unit.

It is anticipated that the Development will be exempt from property taxation.

C. Net Cost

The County's estimated costs under the DDA are approximately $9.35 million. Thus, the County will have a net cost of approximately $6.35 million ($9.35 million gross cost less $3 million in net present value loan payments).

IV. Estimated Highest and Best Use Value

This section presents an analysis of the fair market value of the Property at its highest and best use.

[1] The original purchase price for the Property included the value of improvements that were subsequently demolished. The current value of the Property is estimated at $530,655 (see Section IV).

The highest and best use of a property is that use that generates the highest property value and is physically possible, financially feasible, and legally permitted. The value at highest and best use is based solely on the value created and not on whether or not that use carries out the redevelopment goals and policies for the County as set forth in the DDA. The fair market value of the property at its highest and best use has been estimated by a local real estate broker at $530,655, or $15 per square foot for the 35,377 square foot site. The broker's opinion was based on comparable land sales in the local market within the past nine months.

V. Estimated Fair Re-Use Value

This section summarizes the fair reuse value of the interests to be conveyed to CHDC and the consideration being provided by CHDC. This section explains the principal conditions and covenants that CHDC must meet in order to comply with the Redevelopment Plan (the "Plan") and indicates that the consideration being provided is not less than the reuse value. The DDA contains specific covenants and conditions designed to ensure that the conveyance of the Property will be carried out in a manner to achieve the County's objectives, standards, and criteria under the Plan. Based on a financial feasibility analysis of the proposed Development, the County concludes that the fair reuse value of the Property is *negative* $6.99 million. In other words, the Development would not be financially feasible without a County subsidy of $6.99 million.

Reuse value is defined as the highest price in terms of cash or its equivalent that a property or development right is expected to bring for a specified use in a competitive open market, subject to the covenants, conditions, and restrictions imposed by the DDA.

The development costs for the Development are estimated to be approximately $26.4 million. Total development costs consist of: (1) land acquisition costs; (2) direct construction costs; (3) indirect soft costs (engineering, architecture, permits and fees, legal and accounting, taxes and insurance, developer fee, marketing, contingency); and (4) financing costs.

Development Costs	Total
Land Acquisition Costs	$530,655
Direct Construction Costs	$17,342,143
Indirect & Financing Costs	$8,552,256
Total	$26,425,054

Permanent sources of funds for the Development consist of a combination of permanent debt, tax credit equity, Developer contributions, and County subsidies:

Sources of Funds	Amount
Permanent Loan (Tranche A)	$1,909,000
Permanent Loan (Tranche B)	$5,557,000
Tax Credit Equity	$9,778,786
Deferred Developer Fee	$1,199,345
GP Equity/Sponsor Loan	$983,509
County CDBG	$2,948,000
County Housing Fund	$1,000,000
County Housing Bonds	$954,229
County Tax Increment	$131,700
County Livable Communities Fund	$1,432,830
County Land Contribution (current value)	$530,655
Total Project Sources	$26,425,054

Based on the area median income figures for Contra Costa County as determined by the State of California Department of Housing and Community Development, the total subsidy, or feasibility gap, of the Development can be allocated among the units as follows:

Income Level	Development Cost	Subsidy/Gap
Extremely Low	$2,258,552	$643,645
Very Low	$23,564,222	$6,024,119
Manager's Unit	$602,280	$329,650
Total	$26,425,054	$6,997,414

VI. Compensation which CHDC will be required to Pay

The County's loans will be repaid from a share of residual receipts generated by the Development. The compensation to be received by the County for the Property under the terms of the Agreement is estimated to be approximately $3 million, expressed on a net present value basis.

VII. Explanation of the Difference (if any) between the Compensation to be paid to the County under the DDA and the Fair Market Value of the Property

Under Section 33433, if the compensation received for the Property is less than the fair market value of the interest to be conveyed, determined at the highest and best use consistent with the Plan, then the County must provide as part of this Summary Report an explanation of the reasons for the difference.

The County is providing subsidies totaling $6.99 million, including the value of the Property, in order to render the Development financially feasible. The net present value of future payments the County will receive is estimated at approximately $3 million. The

primary reason the County is not expected to receive full repayment for its financial contribution is that the Development's rents will be restricted for Extremely Low and Very Low Income households for a term of 55 years.

VIII. Effect on Blight Elimination

The proposed Development, when constructed, will assist in the elimination of blight in the North Richmond Project Area in the following ways:

- The Development will provide 42 units of affordable multi-family units restricted to Extremely Low and Very Low Income households for a term of 55 years; thereby increasing, improving, or preserving the supply of quality affordable housing in the community.

- The assembly of the parcels that will comprise the Development site, some of which were of an irregular shape and inadequate size and in multiple ownership such that development has been hindered for many years, will achieve a result that could not be achieved by the private sector acting alone.

- The prevalence of depreciated values and impaired investments.

- The Development will bring new infrastructure, new economic investment and new high quality residential development to an area that currently experiences significant manifestations of blight in the forms of substandard housing, inadequate infrastructure, inappropriate land uses, high criminal activity, lower incomes and high unemployment.

- Revitalization of the North Richmond Project Area.

DISPOSITION AND DEVELOPMENT AGREEMENT
(Heritage Point Unified Development)

This Disposition and Development Agreement (the "Agreement") is dated as of May __, 2017 (the "Effective Date"), and is between the COUNTY OF CONTRA COSTA, a political subdivision of the State of California (the "County"), and COMMUNITY HOUSING DEVELOPMENT CORPORATION OF NORTH RICHMOND, a California nonprofit public benefit corporation (the "Developer").

RECITALS

A. These Recitals utilize certain capitalized terms that are defined in Article 1 of this Agreement.

B. The County has succeeded to the housing assets of the former Contra Costa County Redevelopment Agency (the "Former Agency") in accordance with Health and Safety Code Section 34176. In its capacity as housing successor, the County owns six parcels of real property, fronting the east side of Fred Jackson Way, between Grove Street and Chesley Avenue, in North Richmond, as more particularly described in Exhibit A (the "Property").

C. The Property has been identified as a "housing asset" pursuant to Health and Safety Code Section 34176. The Oversight Board of the Contra Costa County Successor Agency and the California Department of Finance have approved such identification. The Former Agency acquired the Property using the Former Agency's low and moderate housing fund, which was established pursuant to Health and Safety Code Section 33334.2.

D. The purpose of this Agreement is to facilitate the development of affordable rental housing improvements on the Property, and other associated improvements that are necessary for the development and economic feasibility of the affordable housing improvements.

E. The Developer intends to finance the cost of the Development with public and private sources, as more particularly described in Exhibit B attached to this Agreement.

F. The Board of Supervisors has conducted a duly noticed public hearing on this Agreement pursuant to Health and Safety Code Section 33433. The County intends to convey the Property in its capacity as housing successor and as permitted under Health and Safety Code Section 33433.

G. The Mitigated Negative Declaration reviewed and approved by the Board of Supervisors on May 05, 2015, has served as the environmental documentation pursuant to CEQA for the activities proposed to be undertaken under this Agreement.

H. The County has determined that the Developer has the necessary expertise, skill and ability to carry out the commitments set forth in this Agreement and that this Agreement is in the best interests, and will materially contribute to the implementation of, the County's affordable housing goals.

I. The Developer's construction and operation of the Development is not financially feasible without the County's financial assistance, which is being made available through the

Loan. The Loan amount will not exceed the amount of County assistance necessary to make the Developer's acquisition of the Property and the construction and operation of the Development, as restricted by this Agreement and the County Documents, financially feasible.

J. The County intends to apply the designated Units developed pursuant to this Agreement toward the satisfaction of the statutorily-mandated affordable housing production requirements for the Project Area under Health and Safety Code Section 33413(b)(2) and to meet any replacement housing requirements applicable to the Project Area pursuant to Health and Safety Code.

The parties therefore agree as follows:

ARTICLE 1.
DEFINITIONS AND EXHIBITS

Section 1.1 Definitions. In addition to the terms defined elsewhere in this Agreement, the following definitions apply throughout this Agreement.

(a) "Approved Financing" means the loans, grants, and other financing obtained by the Developer for the purpose of financing the costs of the Development that are approved by the County and consistent with the Financing Plan.

(b) "Area Median Income" means the median income for households in the County, as established by the United States Department of Housing and Urban Development pursuant to Section 8 of the United States Housing Act of 1937, published from time to time by HCD. If such income determinations are no longer published, or are not updated for a period of at least eighteen (18) months, then the County will provide other income determinations that are reasonably similar with respect to methods of calculations to those previously published by the state.

(c) "Assignment of Collateral Documents" means the Assignment of Collateral Documents securing the Developer's obligation to perform under this Agreement, in a form to be provided by the County.

(d) "Bid Package" means the package of documents Developer's general contractor is required to distribute to potential bidders as part of the process of selecting subcontractors for the Development. The Bid Package is to include the following: (1) an invitation to bid; (2) copy of the proposed construction contract; and (3) all Project Documents.

(e) "Board of Supervisors" means the Board of Supervisors of the County.

(f) "CEQA" means the California Environmental Quality Act (Public Resource Code 21000 et seq.), and its implementing regulations.

(g) "Certificate of Completion" means the certificate to be issued by the County pursuant to Section 4.17 of this Agreement, or comparable County sign-off on the completion of construction of the Improvements.

(h) “Certified Access Specialist" means a certified access specialist registered with the State of California Department General Services Division of State Architect and who has met the requirements of Government Code Section 4459.5.

(i) "Close of Escrow" means the date the Grant Deed, the Memorandum of DDA, and the Regulatory Agreement are recorded in the Official Records.

(j) "Collateral Documents" means the Developer's right, title and interest to all project agreements, including but not limited to development reports, all contracts, architect's agreements, engineer's agreements, management agreements, and all other contracts and agreements which concern the development and/or operation of the Development, all Governmental Approvals (including but not limited to all permits and licenses), plans, specifications, drawings, franchises, utility agreements and similar materials not yet obtained, and any other documents and information related to the Development, reports, Concept Drawings, Project Documents, and general documents associated with the Development. For purposes of clarifying the foregoing, Collateral Documents expressly exclude any documents that, pursuant to applicable law, the Developer does not have the right to pledge and assign as contemplated by this Agreement.

(k) "Concept Drawings" means the basic site plan, elevations and sections of the Improvements.

(l) "Control" means direct or indirect management or control of the: (1) managing member or members in the case of a limited liability company; (2) the managing general partner or general partners in the case of a partnership; and (3) boards of directors that overlap by fifty percent (50%) or more of their directors, or a majority of the directors in the case of a corporation.

(m) "County" has the meaning set forth in the first paragraph of this Agreement.

(n) "County Documents" means this Agreement, the Loan Agreement, the Loan Note, the Deed of Trust, the Regulatory Agreement, the Notice of Affordability Restrictions, the Assignment of Collateral Documents, the Amended and Restated Predevelopment Loan Agreement dated December 2, 2014 between the County and the Developer (as amended from time to time), the First Amended Technical Assistance Loan Agreement dated April 1, 2014 between the County and the Developer (as amended from to time), and any other documents executed by the County and Developer or by the Developer for the benefit of the County in connection with this Agreement.

(o) "County Event of Default" has the meaning set forth in Section 7.3.

(p) "Deed of Trust" means one or more deeds of trust executed by the Developer in connection with the Loan and secured by the Property, in a form to be provided by the County.

(q) "Developer" means Community Housing Development Corporation of North Richmond, a California nonprofit public benefit corporation, and, following an assignment that is approved by the County, the Partnership.

(r) "Developer Event of Default" has the meaning set forth in Section 7.4.

(s) "Development" means the Property and the Improvements.

(t) "Development Schedule" means the schedule for the Developer's acquisition of the Property and construction of the Development, attached hereto as Exhibit D, which has been approved by the County.

(u) “Director” has the meaning set forth in Section 2.1.

(v) "Effective Date" has the meaning set forth in the introductory paragraph.

(w) "Extremely Low Income Household" means a household with an adjusted income that does not exceed thirty percent (30%) of Area Median Income, adjusted for actual household size.

(x) "Final Construction Drawings" means the construction drawings described in Section 2.3(c) of this Agreement.

(y) "Financing Plan" means the Developer's plan for financing the acquisition of the Property and the development of the Improvements, including a detailed development budget, construction and permanent financing commitment letters, which is approved by the County pursuant to Section 2.4, and which may be revised from time to time with the approval of the County pursuant to Sections 2.4 and 4.11.

(z) "Financing Proposal" means the Developer's preliminary proposal for financing the acquisition of the Property and the development of the Improvements, including an estimate of the sources and uses of funds, which is attached hereto as Exhibit B.

(aa) "Former Agency" has the meaning set forth in Recital B.

(bb) "Governmental Approvals" has the meaning set forth in Section 2.2.

(cc) "Grant Deed" means the grant deed by which the County conveys the Property to the Developer, in a form to be provided by the County.

(dd) "Hazardous Materials" means:

(1) any "hazardous substance" as defined in Section 101(14) of CERCLA (42 U.S.C. Section 9601(14)) or Section 25281(d) or 25316 of the California Health and Safety Code as amended from time to time;

(2) any "hazardous waste," "infectious waste" or "hazardous material" as defined in Section 25117, 25117.5 or 25501(j) of the California Health and Safety Code as amended from time to time;

(3) any other waste, substance or material designated or regulated in any way as "toxic" or "hazardous" in the RCRA (42 U.S.C. Section 6901 et seq.), CERCLA (42 U.S.C. Section 9601 et seq., Federal Water Pollution Control Act (33 U.S.C. Section 1251 et

seq.), Safe Drinking Water Act (42 U.S.C. Section 300(f) et seq.), Toxic Substances Control Act (15 U.S.C. Section 2601 et seq.), Clean Air Act (42 U.S.C. Section 7401 et seq.), California Health and Safety Code (Section 25100 et seq., Section 39000 et seq.), or California Water Code (Section 13000 et seq.) as amended from time to time; and

(4) any additional wastes, substances or materials which at such time are classified, considered or regulated as hazardous or toxic under any other present or future environmental or other similar laws relating to the Development.

The term "Hazardous Materials" does not include: (i) construction materials, gardening materials, household products, office supply products or janitorial supply products customarily used in the construction or maintenance, of residential developments, or typically used in office or residential activities; or (ii) certain substances which may contain chemicals listed by the State of California pursuant to California Health and Safety Code Sections 25249.8 et seq., which substances are commonly used by a significant portion of the population living within the region of the Development, including, but not limited to, alcoholic beverages, aspirin, tobacco products, nutrasweet and saccharine, so long as such materials and substances are stored, used and disposed of in compliance with all applicable Hazardous Materials Laws.

(ee) "Hazardous Materials Laws" means all federal, state, and local laws, ordinances, regulations, orders and directives pertaining to Hazardous Materials in, on or under the Development or any portion thereof.

(ff) "HCD" means the State of California Department of Housing and Community Development.

(gg) "Improvements" means, collectively, means the forty-two (42) affordable housing units (including one manager's unit) to be constructed by the Developer together with all common areas, amenities, plans, entitlements, appurtenances, improvement easements, buildings and fixtures, and landscaping associated with the Property, all as more particularly described in the Scope of Development.

(hh) "Investor" means a reputable purchaser of low income Tax Credits reasonably acceptable to the County that acquires a limited partner interest in the Partnership.

(ii) "Loan" means one or more loans to be provided from the County to the Developer for the purpose of funding the acquisition, construction and operation of the Development, in a total amount to be approved by the Board of Supervisors.

(jj) “Loan Agreement” means one or more written agreements between the Developer and the County that set forth the parties’ agreement with respect to the Loan.

(kk) "Loan Note" means one or more promissory notes from the Developer to the County evidencing the Developer’s obligation to repay the Loan, in a form to be provided by the County.

(ll) “Logically Evolve” has the meaning set forth in Section 2.3(b).

(mm) "Lower Income Household" means a household with an adjusted income that does not exceed sixty percent (60%) of Area Median Income, adjusted for actual household size.

(nn) "Management Agent" means a management agent retained by the Developer and approved by the County in accordance with the provisions of Sections 2.8 and 5.7 to manage the Development.

(oo) "Management Plan" has the meaning specified in Section 2.8.

(pp) "Memorandum of DDA" means the Memorandum of Disposition and Development and Loan Agreement, in a form provided by the County, recorded against the Property at the Close of Escrow.

(qq) "Notice of Affordability Restrictions" means the Notice of Affordability Restrictions on Transfer of Property, in a form provided by the County, that will be recorded at the Close of Escrow in the Official Records against the Developer's fee interest in the Property and will restrict the development and operation of the Property to affordable housing pursuant to Sections 33334.3 and/or 33413(c)(5) of the Community Redevelopment Law, or successor provisions.

(rr) "Official Records" means the official records of Contra Costa County.

(ss) "Parties" means the County and the Developer and the term Party refers to each of them individually.

(tt) "Partnership" means a partnership created for the purpose of syndicating the Tax Credits, which, pursuant to an assignment that is approved by the County, and upon completion of the assignment will own the Development and will thereafter be the Developer.

(uu) "Permanent Financing" means the sources of approved permanent financing as listed in the approved Financing Plan.

(vv) “Project Area” means the area that is subject to the Redevelopment Plan.

(ww) "Project Documents" means all construction documentation, developed pursuant to Section 2.3 of this Agreement, upon which the Developer, and the Developer's several contractors, must rely in building each and every part of the Improvements (including landscaping, parking, and common areas) and may include, but not necessarily be limited to, the Concept Drawings, the Schematic Design Drawings and Final Construction Drawings, the final architectural drawings, landscaping plans and specifications, final elevations, building plans and specifications (also known as "working drawings") and a time schedule for construction.

(xx) "Property" has the meaning given in Recital B.

(yy) "Redevelopment Plan" means the redevelopment plan entitled “North Richmond Redevelopment Project,” which was recorded in the official records of Contra Costa County on March 15, 1999, as document number 99-0070071, as amended from time to time.

(zz) "Regulatory Agreement" means the Regulatory Agreement and Declaration of Restrictive Covenants recorded against the Property at the Close of Escrow, in a form provided by the County, restricting the use of the Property to affordable housing.

(aaa) "Resident Services Budget" has the meaning specified in Section 5.9(a).

(bbb) "Resident Services Plan" has the meaning specified in Section 5.9(a).

(ccc) "Schematic Design Drawings" means the initial drawings for the Development showing site plans, elevations and landscape features for the Improvements, as more particularly described in Section 2.3.

(ddd) "Scope of Development" means the description of the basic physical characteristics of the Development, including a basic site plan, which will serve as a basis for the Developer's application for the Governmental Approvals and for the preparation of the Project Documents. The Scope of Development is attached to this Agreement as Exhibit C.

(eee) "Security Financing Interest" has the meaning set forth in Section 8.1.

(fff) "Sponsor" means Community Housing Development Corporation of North Richmond, a California nonprofit public benefit corporation.

(ggg) "Tax Credit Reservation" means a preliminary allocation of Tax Credits from TCAC.

(hhh) "Tax Credits" means Low Income Housing Tax Credits granted pursuant to Section 42 of the Internal Revenue Code and/or California Revenue and Taxation Code Sections 17057.5, 17058, 23610.4 and 23610.5 and California Health and Safety Code Sections 50199, et seq, as such may be amended.

(iii) "TCAC" means the California Tax Credit Allocation Committee.

(jjj) "Term" means the term of this Agreement, commencing on the Effective Date, and unless terminated earlier or extended by the Parties pursuant to this Agreement, ends fifty-seven (57) years from the Close of Escrow.

(kkk) "Title Company" means Old Republic Title Company, or such other title company as the Parties may mutually select.

(lll) "Title Report" means that certain title report dated January 30, 2017, issued by the Title Company for the Property.

(mmm)"Transfer" has the meaning set forth in Section 6.1.

(nnn) "Unit" means one of the units to be constructed on the Property.

Section 1.2 Exhibits. The following exhibits are attached to and incorporated in the Agreement:

Exhibit A: Legal Description of the Property

Exhibit B: Financing Proposal
Exhibit C: Scope of Development
Exhibit D: Development Schedule

ARTICLE 2.
PREDISPOSITION REQUIREMENTS FOR CONVEYANCE OF THE PROPERTY

Section 2.1 Conditions Precedent to Disposition of Property. The requirements set forth in this Article 2 are conditions precedent to the County's obligation to convey the Property to the Developer. The County has no obligation to convey the Property to the Developer unless the Developer has satisfied the conditions precedent set forth in this Article 2 in the manner set forth below and within the timeframe set forth in the Development Schedule. Developer may request extensions to the time periods and dates set forth in the Development Schedule and the County's Director of Conservation and Development, or his designee (the "Director") may grant such requests in writing his reasonable discretion. In no event is the County obligated to provide such extensions.

Section 2.2 Governmental Approvals.

(a) No later than the date set forth in the Development Schedule, the Developer must apply for, and exercise diligent good faith efforts to obtain, the permits and approvals necessary for development and operation of the Improvements, including but not limited to necessary entitlements, grading plans, infrastructure plans and a building permit or permits (together, the "Governmental Approvals"). Without limiting any other provision of this Agreement, if the Developer fails to obtain building permits by the date set forth in the Development Schedule, as such date may be extended with the prior written consent of the Director, it will be a material default of this Agreement by Developer. The County must render all reasonable assistance (at no cost to the County) to the Developer to obtain the building permit.

(b) The Developer's application for the Governmental Approvals must be substantially consistent with the Scope of Development. Procurement by the Developer of all Governmental Approvals, including all applicable land use approvals and a building permit, is a condition precedent to the County's obligation to convey the Property to the Developer.

(c) In the event the Developer intends to use funds disbursed at Close of Escrow to pay for a building permit, the County may convey the land to Developer if Developer has obtained a permit-ready letter in place of a building permit; provided, however, the Developer must provide evidence and assurances reasonably satisfactory to the County that Developer will pull the permit concurrent with or immediately following Close of Escrow

(d) As set forth in Section 9.14, the Developer acknowledges that execution of this Agreement by the County does not constitute approval by the County of any required entitlements, building permits, applications, or allocations, and in no way limits the discretion of the County in the permit allocation and approval process.

Section 2.3 County Review and Approval of Design and Construction Documents.

(a) In designing and constructing the Development, Developer must cause all design documents to be substantially consistent with the Scope of Development attached hereto as Exhibit C, the Concept Drawings attached thereto, and the Schematic Design Drawings prepared pursuant to subsection (b) below. The Scope of Development, the Concept Drawings, and the Schematic Design Drawings are the baseline design standards from which Developer must prepare all subsequent Project Documents. The Project Documents must be substantially consistent with the Scope of Development, the Concept Drawings and the Schematic Drawings and must incorporate any applicable mitigation measures reasonably imposed on the Development by the County. Within the times set forth in the Development Schedule, Developer must submit to the County the Project Documents in the stages discussed below.

(b) Schematic Design Drawings. The Developer shall cause the Schematic Design Drawings to Logically Evolve from the approved Concept Drawings. For purposes of this Agreement, the term "Logically Evolve" means a change that is an adaptation, refinement or amplification of previously-approved drawings. The Developer shall cause the Schematic Design Drawings to include bedroom sizes, floor plans, elevations, features in common or public areas, landscape features, locations for signs, parking facilities with all spaces indicated, and major building materials under consideration, potential exterior materials, the colors and textures to be used, and any off-site public improvements to be implemented by Developer. The Developer shall cause the Schematic Design Drawings to show key interior and exterior dimensions and a detailed tabulation of the floor area by use.

(c) Final Construction Drawings. The Developer shall cause the Final Construction Drawings to Logically Evolve from the approved Concept Drawings and Schematic Drawings. The Developer shall cause the Final Construction Drawings to provide all the detailed information necessary to obtain a building permit to build the Improvements, including complete building, mechanical systems, site, landscape, exterior signage and construction details, requirements, standards, and plans and specifications.

(d) Approval of Project Documents. The County shall review of the Project Documents to ensure consistency with the Scope of Development, the terms of this Agreement, and conformance to the Redevelopment Plan. Subject to subsection (e) below, provided that the architectural submittals meet the requirements of this Agreement, the County will be required to approve those Project Documents that Logically Evolve from concepts set forth in previously-approved Project Documents. If the County determines that there are material changes to architectural drawings or Project Documents that do not Logically Evolve from previously-approved Project Documents or that raise material concerns that were not reviewable in previously-approved Project Documents, the County will use reasonable discretion in approving or disapproving the subsequent Project Documents. Any disapproval of the new Project Documents must be in writing and state in specific detail the reasons for the County's disapproval. The County must approve or disapprove submittals under this Section. If the County disapproves a submittal of the Project Documents pursuant to this Section, the County must submit to the Developer a notice of disapproval, together with a list of reasons for the disapproval. Upon receipt of the notice from the County, Developer will have fifteen (15) business days to submit a revised submittal. The process for revision and review of revisions must be repeated until the County has approved the applicable submittals; provided, however

that if the Developer fails to obtain the County's approval of the drawings by the date set forth in the Development Schedule, the County may terminate this Agreement in accordance with Section 7.2.

(e) The Developer acknowledges that the County's right to review and approve the Project Documents under this Agreement are in addition to, and are not limited by, the County's obligation and right to review the Project Documents for consistency with applicable building code requirements and other State and local rules and regulations. The Developer further acknowledges that the County has no obligation to approve Project Documents pursuant to this Agreement if the Developer fails to incorporate the County's commercially reasonable requested changes or modifications to the proposed Project Documents (even if the requested changes or modifications exceed the minimum thresholds set forth in the applicable building code and have not been required by the County's building department). As set forth in Section 9.14, the Developer further acknowledges that approval of the Project Documents by the County under this Agreement does not constitute approval by the County as required for issuance of a building permit or other approvals.

Section 2.4 Financing Proposal and Financing Plan.

(a) As of the Effective Date, the County has approved the Financing Proposal shown in Exhibit B.

(b) The Developer shall cause the Financing Plan to be completed no later than the date set forth in the Development Schedule. Any changes to the Financing Proposal that the Developer desires to incorporate into the Financing Plan must be approved by the County. Any proposal to revise the Financing Proposal must include:

(1) An estimated operating proforma for the Development for thirty (30) years, which shows debt service on all loans (including, but not limited to the Loan);

(2) An estimated sources and uses, including a cost breakdown for costs of constructing the Improvements. The sources and uses must include all assumptions for all debt and equity financing, must show the timing of uses of each source of financing and break down which expenses each source of financing is funding. The sources and uses must provide a proposed schedule of payments of the fees paid to the Developer, if any, based on performance milestones that are mutually agreed to by the Developer and the County;

(3) A description of any joint ventures or partnerships the Developer proposes to enter into in order to provide funds for construction of the Improvements and acquisition of the Property including copies of the proposed joint venture or partnership agreements;

(4) A copy of the commitment or commitments obtained by the Developer for any loans, grants, or other financial assistance (including, but not limited to, a Tax Credit Reservation letter from TCAC, and construction and permanent loans from private lenders) to assist in financing the construction of the Improvements certified by the Developer to be true and correct copies thereof. The Developer must submit evidence of its efforts to receive competitive pricing on the Tax Credits and proof of its application for any other financing as required under Section 2.5 and 2.7 respectively; and

(5) A certified financial statement or other financial statement in such form reasonably satisfactory to the County evidencing other sources of capital sufficient to demonstrate that the Developer has adequate funds available and is committing such funds to cover the difference, if any, between costs of development and construction of the Improvements and the amount available to the Developer from external sources.

(c) The County will reasonably approve or disapprove the revised Financing Proposal in writing within fifteen (15) days after the County's receipt. If the Financing Proposal is disapproved by the County, the Developer will have fifteen (15) days from the date of the Developer's receipt of the County's notice of disapproval to submit a revised Financing Proposal. The provisions of this Section relating to time periods for approval, disapproval and resubmission of a new Financing Proposal will continue to apply until the revised Financing Proposal has been approved by the County; provided, however, that if the Developer fails to obtain the County's approval of the revised Financing Plan by the date set forth in the Development Schedule, the County may terminate this Agreement in accordance with Section 7.2.

(d) Except as otherwise permitted by the Director, all Approved Financing must be closed by the Developer prior to, or simultaneously with, the conveyance of the Property by the County to the Developer. The Developer must also submit to the County evidence, reasonably satisfactory to the County, that any conditions to the release or expenditure of the Approved Financing described in the approved Financing Plan as the sources of funds to pay the costs of purchasing the Property and constructing the Improvements have been met, or will be met upon conveyance of the Property to the Developer, and that such funds will be available upon such conveyance for purchasing the Property and, subject to the Developer's satisfaction of standard disbursement preconditions required to be satisfied on a periodic basis, for constructing the Improvements. Submission by the Developer, and approval by the County, of such evidence of Approved Financing availability is a condition precedent to the County's obligation to convey the Property to the Developer.

Section 2.5 Tax Credit Reservation; Financing. The Developer intends to utilize Tax Credit Investor Equity to partially finance the Development, which are subject to a competitive application process implemented by TCAC. Receipt by the Developer of a Tax Credit Reservation pursuant to this Section is a condition precedent to the County's obligation to transfer the Property. To satisfy the requirements of this Section, the Tax Credit Reservation must be for an amount sufficient to meet the requirements of the Financing Plan that is approved by the County pursuant to Section 2.4.

(a) The Developer must submit a timely and complete application for the Tax Credit Reservation to TCAC no later than May 19, 2017. If as a result of such application, the Developer does not receive a Tax Credit Reservation in the 2017 TCAC application cycle, the County shall confer with the Developer in good faith for a period not to exceed sixty (60) days to determine if a feasible and mutually acceptable alternate arrangement can be made to finance development of the Improvements prior to County terminating this Agreement pursuant to Section 7.2. If no agreement is reached by the parties within the sixty (60) day period regarding an alternative financing structure for the construction of the Improvements, this Agreement may be terminated in accordance with the provisions of Section 7.2. If an agreement is reached by

the parties regarding an alternative financing plan for the construction of the Improvements, the parties shall memorialize the alternative financing plan through a writing.

(b) Upon an award of the Tax Credit Reservation from TCAC, the Developer must exercise diligent good faith efforts to obtain a funding commitment from the Investor for the Tax Credit Investor Equity. The funding commitment must be in a form reasonably acceptable to the County. Procurement of the Tax Credit Reservation and an acceptable funding commitment for the Tax Credit Investor Equity is a condition precedent to the County's obligation to convey the Property to the Developer.

Section 2.6 County Loan. As set forth in the Development Schedule, the County and the Developer shall negotiate diligently and in good faith the terms of the Loan to partially fund the acquisition, construction and operation of the Development. Among the issues to be addressed in the negotiations are: (1) the loan amount; (2) the interest rate; (3) the preconditions for disbursement; (4) and other financing terms reasonably required by the County. The parties agree and acknowledge that the forms of the County Documents require the approval of the Board of Supervisors, as well as the approval of Developer.

Section 2.7 Other Approved Financing.

As set forth in the Development Schedule, all financing necessary to construct the Improvements, as required and approved by the County in the Financing Plan, including the Tax Credit funds and the tax exempt bonds, must be closed by the Developer prior to or simultaneously with the Close of Escrow. The Developer must also (i) submit to the County evidence reasonably satisfactory to the County that any conditions to the release or expenditure of funds described in the approved Financing Plan as the sources of funds to pay the costs of constructing the Improvements have been met or will be met by the Close of Escrow, and (ii) satisfy standard disbursement conditions. Submission by the Developer, and approval by the County, of such evidence of funds availability is a condition precedent to the County's obligation to convey the Property to the Developer.

Section 2.8 Management Plan and Procedures.

(a) No later than six (6) months after commencing construction of the Development and as set forth in the Development Schedule, the Developer shall submit a Management Plan to the County for approval. The "Management Plan" consists of (i) the identity of the proposed Management Agent, (ii) the qualifications of the proposed Management Agent, (iii) a proposed management agreement and written guidelines or procedures related to operation of the Development, including tenant selection, operation and management of the Development, and implementation of the income certification and reporting requirements of the Regulatory Agreement.

(b) The County must approve or disapprove the Management Plan in writing within fifteen (15) days following the County's receipt of a complete Management Plan. If the Management Plan is disapproved by the County, the County must provide a written notice to the Developer that sets forth, in reasonable detail, the reasons the Management Plan was disapproved. The Developer will have fifteen (15) days following the receipt of such notice to submit a revised Management Plan. The provisions of this Section relating to time periods for

approval, disapproval, and resubmission of the new Management Plan will continue to apply until the Management Plan has been approved by the County; provided, however, that if the Developer fails to obtain the County's approval of the Management Plan by the date set forth in the Development Schedule, the County may terminate this Agreement in accordance with Section 7.2.

Section 2.9 Construction Contract.

(a) No later than the date set forth in the Development Schedule, the Developer must submit to the County not less than three (3) proposals from prospective contractors detailing the estimated development costs for the construction of the Improvements. The County will approve the contractor for the Improvements, which approval may not be unreasonably withheld, conditioned, or delayed. The County must look to the totality of such proposals in the evaluation of the proposals and cost may not be the sole deciding factor.

(b) No later than the date set forth in the Development Schedule, the Developer must submit to the County for its approval, the proposed construction contract for the Improvements. Upon receipt of the proposed construction contracts, the County will promptly review same and approve or disapprove it within five (5) business days. The County's review and approval of such construction contract will be limited exclusively to a determination whether: (1) the guaranteed maximum construction cost set forth in the construction contract is consistent with the approved Project Documents and Financing Plan; (2) the construction contract is with a licensed contractor reasonably acceptable to the County; (3) the construction contract contains provisions consistent with Article 5 of this Agreement; and (4) except as otherwise agreed to in writing by the Director, the construction contract requires a retention of ten percent (10%) of costs until completion of the Improvements (except for specific subcontractors performing early work on the Development following the County's prior written approval for each specific subcontractor or line items specifically approved by the County in the schedule of values attached to the construction contract and consistent with County policy). The County's approval of the construction contracts may in no way be deemed to constitute approval of, or concurrence with, any other term or condition of the construction contracts, and the Developer may not rely on the County's approval of the construction contracts as a representation regarding the enforceability or business advantage of the construction contracts. County approval merely constitutes satisfaction of the conditions set forth in this Section.

(c) If the proposed construction contract is disapproved by the County, the County must provide a written notice to the Developer that sets forth, in reasonable detail, the reasons the proposed construction contract was disapproved. The Developer will thereafter submit revised construction contracts for County approval, which approval may be granted or denied in five (5) business days in accordance with the criteria and procedures set forth above. Any construction contract for Improvements executed by the Developer for the Improvements must be in a form approved by the County.

Section 2.10 Construction Bonds. No later than the date set forth in the Development Schedule, the Developer must obtain one (1) labor and material bond and one (1) performance bond for construction of the Improvements, each in an amount equal to one hundred percent (100%) of the scheduled cost of construction for the Improvements. Each bond must name the County as co-obligee and be issued by a reputable insurance company licensed to do business in

California, reasonably acceptable to the County. The form of the labor and material bond and the performance bond is subject to the County's prior review and written approval, which may not be unreasonably withheld.

Section 2.11 Insurance. The Developer must furnish to the County evidence of the insurance coverage meeting the requirements of Section 5.10 below, no later than the date set forth in the Development Schedule.

Section 2.12 Property Inspection.

(a) Within ninety (90) days following execution of this Agreement, Developer may make such investigations regarding the Property, the development of the Property or the suitability of the Property for the Development (including but not limited to investigation of environmental hazards, geologic conditions, soils conditions, or water conditions on or about the Property as Developer deems appropriate). If, as a result of such investigation, Developer reasonably concludes that the condition of the Property makes economically infeasible the Development as contemplated in this Agreement, then Developer may terminate this Agreement, pursuant to Section 7.2 below, by providing written notice to County within one hundred twenty (120) days after the date of this Agreement. The County hereby permits Developer or its designated consultants to enter the Property for the purposes of making investigations pursuant to this Section. Developer must restore any portion of the Property disturbed or damaged as a result of Developer's investigation to the condition that existed prior to the disturbance or damage.

(b) Developer hereby agrees to indemnify, defend and hold the County and its board members, officers, directors, representatives, consultants, employees and agents harmless against any claims for damage to person or property arising from entry on or investigation of Developer, its employees, officers, agents, contractors or consultants, pursuant to this Section, except resulting solely from the gross negligence or willful misconduct of the County. This obligation to indemnify survives termination of this Agreement.

Section 2.13 Security. The Developer will grant to the County, pursuant to the Assignment of Collateral Documents, a valid, second priority, continuing security interest in all of the Developer's right, title, and interest presently existing and after-acquired or arising Collateral Documents in order to secure prompt, full and complete payment and performance of any and all obligations to the County under this Agreement and in order to secure prompt, full and complete performance by Developer of each of its covenants and duties under this Agreement. For purposes hereof, the Collateral Documents subject to the Assignment of Collateral Documents expressly excludes any document that, pursuant to applicable law, the Developer does not have the right to pledge and assign as contemplated by this Agreement. The County will not have any obligation under any Collateral Documents assigned pursuant to the Assignment of Collateral Documents until it expressly agrees in writing to be bound by such contracts or agreements. Upon a Developer Event of Default that has not been cured pursuant to this Agreement, in accordance with the Assignment of Collateral Documents, the County may use any of the Collateral Documents to the fullest extent allowed thereby for any purpose for which the Developer could have used them for construction of the Development, and the Developer must cooperate with the County to implement the Assignment of Collateral

Documents and immediately deposit with the County, for the County's use, all the Collateral Documents.

ARTICLE 3.
DISPOSITION OF PROPERTY

Section 3.1 Sale and Purchase. Provided the pre-disposition requirements set forth in Article 2 and the additional closing conditions set forth in Section 3.4 have been satisfied in the manner set forth above and by the dates set forth in the Development Schedule, the County will sell to the Developer, and the Developer will purchase from the County, the Property pursuant to the terms, covenants, and conditions of this Agreement.

Section 3.2 Purchase Price. The purchase price for the Property will be based on (i) then-current market conditions in effect at the time the County and the Developer negotiate the terms of the Loan in accordance with Section 2.6, and (ii) an analysis of the sales of comparable properties. The purchase price is to be paid at the Close of Escrow with seller carryback financing that will be part of the Loan.

Section 3.3 Opening Escrow. To accomplish the purchase and transfer of the Property from the County to the Developer, the Parties will establish the escrow with the Title Company. The Parties will execute and deliver all written instructions to the Title Company to accomplish the terms hereof, which instructions must be consistent with this Agreement. Upon request by the Developer, the Title Company may be changed to a company requested by the Developer, provided: (a) the Developer makes the request prior to the opening of escrow; (b) the title company is approved by the County; and (c) the Developer must pay all title insurance and escrow costs of the new title company.

Section 3.4 Close of Escrow.

(a) The Close of Escrow must occur no later than the date set forth in the Development Schedule, and only in the event that all conditions precedent to conveyance set forth in Article 2 have been satisfied or waived by the County. In addition to the conditions precedent set forth in Article 2, the following conditions must be satisfied, or waived in writing by the County, prior to or concurrently with, and as conditions of, the Close of Escrow:

(1) The Board of Supervisors approved the Loan and the Parties have negotiated and executed the County Documents and all other documents and instruments required to be executed and delivered, all in form and substance satisfactory to the County.

(2) There exists no condition, event or act which would constitute a breach or default under this Agreement, the County Documents, or under any other project financing agreements or contracts related to the Development, or which, upon the giving of notice or the passage of time, or both, would constitute such a breach or default.

(3) All representations and warranties of the Developer contained in this Agreement and in any of the County Documents are true and correct in all material respects as of the date of the request for disbursement by Developer and as of the date of disbursement.

(4) The Developer has provided the County with copies of the Developer's organizational documents, a certified copy of a Developer's authorizing resolution, approving the transactions contemplated under the County Documents and the Developer's execution of the County Documents.

(5) There exists no material adverse change in the financial condition of Developer from that shown by the financial statements and other data and information furnished by Developer to the County prior to the date of this Agreement.

(6) The Developer has furnished the County with evidence of the insurance coverage meeting the general insurance requirements set forth in Section 5.10.

(7) The County has received a copy of the general contractor's construction contract as required pursuant to Section 2.9.

(8) The County has received and approved the labor and material (payment) bonds as required pursuant to Section 2.10.

(9) The Developer has executed a partnership agreement for the Partnership, approved by the County, with the Investor, in which the Investor is obligated to provide Developer the Tax Credit Investor Equity.

(10) Developer has closed, or is concurrently closing, on the Approved Financing necessary for the construction of the Development and is eligible to receive the proceeds of all construction loans and has received the first installment of "Tax Credit Investor Equity" in accordance with the partnership agreement that governs the Partnership.

(11) The undisbursed proceeds of the Loan and the Approved Financing, together with other funds or firm commitments for funds that the Developer has obtained in connection with the Development, are not less than the amount that the County reasonably determines is necessary to pay for the acquisition and construction of the Development and to satisfy all of the covenants contained in this Agreement and the Regulatory Agreement.

(12) Developer has obtained all permits and approvals necessary for the construction of the Development, as required by Section 2.2, provided however the Developer may satisfy this requirement with regards to the building permit, if the Developer provides the County with a permit ready letter from the Building Department.

(13) Developer has submitted a certification from the architect certifying that the plans and specifications and design documents for the Development ensure that the Units are in compliance with Section 4.6 of this Agreement.

(14) The Grant Deed, the Deed of Trust, the Regulatory Agreement, the Notice of Affordability Restrictions, and the Memorandum of DDA have been, or concurrently with the Close of Escrow, will be recorded against the Property and the Title Company has or will issue, for the Deed of Trust, a 2006 ALTA Lenders Policy of title insurance in the amount of the Loan, with such endorsements as the County may reasonably request, which will insure the

Deed of Trust as a lien upon the Property, subject only to the exceptions authorized by this Agreement.

(15) There exists no condition, event or act that would constitute a breach or default under this Agreement, or upon the giving of notice or the passage of time, or both, would constitute a breach or default.

(16) All representations and warranties of the Developer contained in this Agreement and the County Documents are true and correct as of the Close of Escrow.

Section 3.5 Condition of Title. Upon the Close of Escrow, the Developer will have insurable title to the Property which will be free and clear of all liens, encumbrances, clouds and conditions, rights of occupancy or possession, except:

(a) applicable building and zoning laws and regulations;

(b) the provisions of the Redevelopment Plan;

(c) the Memorandum of DDA, the Deed of Trust, and the Notice of Affordability Restrictions;

(d) the Grant Deed;

(e) any lien for current taxes and assessments or taxes and assessments accruing subsequent to recordation of the Grant Deed;

(f) exceptions in the Title Report approved by the Developer; and

(g) the liens of any Approved Financing approved by the County.

Section 3.6 Condition of Property.

(a) In fulfillment of the purposes of Health and Safety Code Section 25359.7(a), the County hereby represents and warrants that it has no knowledge, and has no reasonable cause to believe, that any release of Hazardous Materials has come to be located on or beneath the Property.

(b) **"AS IS" PURCHASE. PRIOR TO THE EFFECTIVE DATE, THE DEVELOPER WAS PROVIDED THE OPPORTUNITY TO INVESTIGATE THE PROPERTY, AND HAS APPROVED THE PHYSICAL CONDITION OF THE PROPERTY. THE DEVELOPER SPECIFICALLY ACKNOWLEDGES AND AGREES THAT THE COUNTY IS SELLING AND THE DEVELOPER IS BUYING THE PROPERTY (AND ALL IMPROVEMENTS THEREON) ON AN "AS IS WITH ALL FAULTS" BASIS AND THAT THE DEVELOPER IS NOT RELYING ON ANY REPRESENTATIONS OR WARRANTIES OF ANY KIND WHATSOEVER, EXPRESS (EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT) OR IMPLIED, FROM THE COUNTY AS TO ANY MATTERS CONCERNING THE PROPERTY, INCLUDING WITHOUT LIMITATION: (A) THE QUALITY, NATURE, ADEQUACY AND PHYSICAL CONDITION OF THE PROPERTY (INCLUDING, WITHOUT**

LIMITATION, TOPOGRAPHY, CLIMATE, AIR, WATER RIGHTS, WATER, GAS, ELECTRICITY, UTILITY SERVICES, GRADING, DRAINAGE, SEWERS, ACCESS TO PUBLIC ROADS AND RELATED CONDITIONS); (B) THE QUALITY, NATURE, ADEQUACY, AND PHYSICAL CONDITION OF SOILS, GEOLOGY AND GROUNDWATER; (C) THE EXISTENCE, QUALITY, NATURE, ADEQUACY AND PHYSICAL CONDITION OF UTILITIES SERVING THE PROPERTY; (D) THE DEVELOPMENT POTENTIAL OF THE PROPERTY, AND THE PROPERTY'S USE, HABITABILITY, MERCHANTABILITY, OR FITNESS, SUITABILITY, VALUE OR ADEQUACY OF THE PROPERTY FOR ANY PARTICULAR PURPOSE; (E) THE ZONING OR OTHER LEGAL STATUS OF THE PROPERTY OR ANY OTHER PUBLIC OR PRIVATE RESTRICTIONS ON THE USE OF THE PROPERTY; (F) THE COMPLIANCE OF THE PROPERTY OR ITS OPERATION WITH ANY APPLICABLE CODES, LAWS, REGULATIONS, STATUTES, ORDINANCES, COVENANTS, CONDITIONS AND RESTRICTIONS OF ANY GOVERNMENTAL OR QUASI-GOVERNMENTAL ENTITY OR OF ANY OTHER PERSON OR ENTITY; (G) THE PRESENCE OR ABSENCE OF HAZARDOUS MATERIALS ON, UNDER OR ABOUT THE PROPERTY OR THE ADJOINING OR NEIGHBORING PROPERTY; AND (H) THE CONDITION OF TITLE TO THE PROPERTY. THE DEVELOPER AFFIRMS THAT THE DEVELOPER HAS NOT RELIED ON THE SKILL OR JUDGMENT OF THE COUNTY OR ANY OF ITS AGENTS, EMPLOYEES OR CONTRACTORS TO SELECT OR FURNISH THE PROPERTY FOR ANY PARTICULAR PURPOSE, AND THAT THE COUNTY MAKES NO WARRANTY THAT THE PROPERTY IS FIT FOR ANY PARTICULAR PURPOSE. THE DEVELOPER ACKNOWLEDGES THAT IT SHALL USE ITS INDEPENDENT JUDGMENT AND MAKE ITS OWN DETERMINATION AS TO THE SCOPE AND BREADTH OF ITS DUE DILIGENCE INVESTIGATION WHICH IT SHALL MAKE RELATIVE TO THE PROPERTY AND SHALL RELY UPON ITS OWN INVESTIGATION OF THE PHYSICAL, ENVIRONMENTAL, ECONOMIC AND LEGAL CONDITION OF THE PROPERTY (INCLUDING, WITHOUT LIMITATION, WHETHER THE PROPERTY IS LOCATED IN ANY AREA WHICH IS DESIGNATED AS A SPECIAL FLOOD HAZARD AREA, DAM FAILURE INUNDATION AREA, EARTHQUAKE FAULT ZONE, SEISMIC HAZARD ZONE, HIGH FIRE SEVERITY AREA OR WILDLAND FIRE AREA, BY ANY FEDERAL, STATE OR LOCAL AGENCY). THE DEVELOPER UNDERTAKES AND ASSUMES ALL RISKS ASSOCIATED WITH ALL MATTERS PERTAINING TO THE PROPERTY'S LOCATION IN ANY AREA DESIGNATED AS A SPECIAL FLOOD HAZARD AREA, DAM FAILURE INUNDATION AREA, EARTHQUAKE FAULT ZONE, SEISMIC HAZARD ZONE, HIGH FIRE SEVERITY AREA OR WILDLAND FIRE AREA, BY ANY FEDERAL, STATE OR LOCAL AGENCY.

(c) Survival. The terms and conditions of this Section expressly survive the Close of Escrow, will not merge with the provisions of the Grant Deed, or any other closing documents and are deemed to be incorporated by reference into the Grant Deed. The County is not liable or bound in any manner by any oral or written statements, representations or information pertaining to the Property furnished by any contractor, agent, employee, servant or other person. The Developer acknowledges that the purchase price will reflect the "as is" nature of this sale and any faults, liabilities, defects or other adverse matters that may be associated with the Property. The Developer has fully reviewed the disclaimers and waivers set forth in this Agreement with the Developer's counsel and understands the significance and effect thereof.

(d) Acknowledgment. The Developer acknowledges and agrees that: (1) to the extent required to be operative, the disclaimers of warranties contained in this Section are "conspicuous" disclaimers for purposes of all applicable laws and other legal requirements; and (2) the disclaimers and other agreements set forth in such sections are an integral part of this Agreement, that the purchase price will be adjusted to reflect the same and that the County would not have agreed to sell the Property to the Developer without the disclaimers and other agreements set forth in this Section.

(e) Developer's Release of the County. The Developer, on behalf of itself and anyone claiming by, through or under the Developer hereby waives its right to recover from and fully and irrevocably releases the County, its board members, officers, directors, representatives, consultants, employees and agents (the "Released Parties") from any and all claims, responsibility and/or liability that the Developer may have or hereafter acquire against any of the Released Parties for any costs, loss, liability, damage, expenses, demand, action or cause of action arising from or related to: (1) the condition (including any construction defects, errors, omissions or other conditions, latent or otherwise), valuation, salability or utility of the Property, or its suitability for any purpose whatsoever; (2) any presence of Hazardous Materials; and (3) any information furnished by the Released Parties under or in connection with this Agreement.

(f) Scope of Release. The release set forth in Section 3.6(e) above includes claims of which the Developer is presently unaware or which the Developer does not presently suspect to exist which, if known by the Developer, would materially affect the Developer's release of the Released Parties. The Developer specifically waives the provision of any statute or principle of law that provides otherwise. In this connection and to the extent permitted by law, the Developer agrees, represents and warrants that the Developer realizes and acknowledges that factual matters now unknown to the Developer may have given or may hereafter give rise to causes of action, claims, demands, debts, controversies, damages, costs, losses and expenses which are presently unknown, unanticipated and unsuspected, and the Developer further agrees, represents and warrants that the waivers and releases herein have been negotiated and agreed upon in light of that realization and that the Developer nevertheless hereby intends to release, discharge and acquit the Released Parties from any such unknown causes of action, claims, demands, debts, controversies, damages, costs, losses and expenses. Accordingly, the Developer, on behalf of itself and anyone claiming by, through or under the Developer, hereby assumes the above-mentioned risks and hereby expressly waives any right the Developer and anyone claiming by, through or under the Developer, may have under Section 1542 of the California Civil Code, which reads as follows:

> **"A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor."**

Developer's Initials: _____

Notwithstanding the foregoing, this release does not apply to, nor will the County be released from, the County's actual fraud or misrepresentation.

Section 3.7 Costs of Escrow and Closing. Ad valorem taxes, if any, will be prorated as of the date of conveyance of the Property from the County to the Developer. The Developer must pay the cost of title insurance, transfer tax, Title Company document preparation, recordation fees and the escrow fees of the Title Company, if any, and any additional costs to close the escrow. The costs borne by the Developer are in addition to the purchase price for the Property.

ARTICLE 4.
CONSTRUCTION OF IMPROVEMENTS

Section 4.1 Construction Pursuant to Plans. Unless modified by operation of Section 4.2, the Improvements must be constructed substantially in accordance with the Final Construction Drawings and the terms and conditions of the County's land use permits and approvals and building permits, including any variances granted.

Section 4.2 Change in Construction of Improvements.

(a) If the Developer desires to make any material change in the Improvements which are not substantially consistent with the Final Construction Drawings, the Developer must submit the proposed change to the County for its approval. No change which is required for compliance with building codes or other government health and safety regulation will be deemed material. If the Improvements, as modified by any such proposed change, will conform to the requirements of this Agreement, the County will approve the change by notifying the Developer in writing. For purposes of this Section, a material change means any change which is expected to substantially alter the external appearance of the Development (including any color change), reduce, or otherwise alter, the number of units in the Development, or which is expected to result in an individual change of Fifty Thousand Dollars ($50,000) or a cumulative change of One Hundred Thousand Dollars ($100,000), or more, in the cost of construction of the Improvements. In addition, any change order that will materially reduce the costs of construction of the Improvements (due to value engineering, or any other cause) must be submitted to the County for approval. The County will approve such change order provided that the County has determined (in the County's reasonable discretion) that such change order will not substantially change the quality of the Improvements and provided further that the Developer provides the County information, reasonably requested by the County, to document the effect of such change order (including, but not limited to any cost savings, and the effect on the quality of the Improvements).

(b) The County must use good faith best efforts to either approve or disapprove a proposed change within three (3) business days following the County's receipt of the proposed change. If disapproved, the previously approved Final Construction Drawings will continue to remain in full force and effect. If the County rejects a proposed change, the County must provide the Developer with the specific reasons therefor.

(c) The approval of changes in the Final Construction Drawings by the County pursuant to this Section are in addition to any approvals required to be obtained from the County pursuant to building permit or other requirements. As set forth in Section 9.14, approval of changes in the Final Construction Drawings by the County under this Agreement will not

constitute approval by the County in its land use, permitting or other capacity and may in no way limit the County's discretion in approving changes to the Final Construction Drawings.

Section 4.3 Commencement of Improvements. The Developer must commence construction of the Improvements no later than the date set forth in the Development Schedule.

Section 4.4 Completion of the Improvements. Subject to Section 10.3 below, the Developer must diligently prosecute to completion the construction of the Improvements no later the date set forth in the Development Schedule.

Section 4.5 Equal Opportunity. During the construction of the Improvements, the Developer, and its successors, assigns and subcontractors must not discriminate against any employee or applicant for employment in connection with the construction of the Improvements because of race, color, religion, ethnic group identification, sex, sexual preference, marital status, ancestry or national origin. Each of the following activities must be conducted in a non-discriminatory manner: hiring; upgrading; demotion and transfers; recruitment and recruitment advertising; layoff and termination; rate of pay and other forms of compensation; and selection for training including apprenticeship.

Section 4.6 Construction Pursuant to Laws.

(a) The Developer must cause all work performed in connection with the Development to be performed in compliance with: (1) all applicable laws, ordinances, rules and regulations of federal, state, county or municipal governments or agencies now in force or that may be enacted hereafter; and (2) all directions, rules and regulations of any fire marshal, health officer, building inspector, or other officer of every governmental agency now having or hereafter acquiring jurisdiction. The work may proceed only after procurement of each permit, license, or other authorization that may be required by any governmental agency having jurisdiction, and the Developer is responsible to the County for the procurement and maintenance thereof, as may be required of the Developer and all entities engaged in work on the Development.

(b) If required by applicable law, the Developer must pay and will cause the contractor and subcontractors to pay prevailing wages in the construction of the Development as those wages are determined pursuant to California Labor Code Section 1720 et seq., to employ apprentices as required by California Labor Code Sections 1777.5 et seq., and the implementing regulations of the Department of Industrial Relations (the "DIR"). If required by applicable law, Developer must and cause the contractor and subcontractors to comply with the other applicable provisions of California Labor Code Sections 1720 et seq., 1777.5 et seq., and implementing regulations of the DIR. If required by applicable law, Developer must and will cause the contractor and subcontractors to keep and retain such records as are necessary to determine if such prevailing wages have been paid as required pursuant to California Labor Code Section 1720 et seq., and apprentices have been employed are required by California Labor Code Section 1777.5 et seq. Copies of the currently applicable per diem prevailing wages are available from DIR. If required by applicable law, during the construction of the Development, Developer will or will cause the contractor to post at the Property the applicable prevailing rates of per diem wages. Developer must cause its respective contractors and subcontractors to be registered as set forth in Labor Code Section 1725.5. If required by applicable law, the Developer must cause its

respective contractors and subcontractors to do all the following: (1) all calls for bids, bidding materials and the construction contract documents for the Development must specify that (i) no contractor or subcontractor may be listed on a bid proposal nor be awarded a contract for the Development unless registered with the DIR pursuant to Labor Code Section 1725.5; and (ii) the Development is subject to compliance monitoring and enforcement by the DIR; (2) The Developer is required to provide the County all information required by Labor Code Section 1773.3 as set forth in the DIR's online form PWC-100 within two (2) days of the award of the contract (https://www.dir.ca.gov/pwc100ext/); (3) The Developer must cause its respective contractors to post job site notices, as prescribed by regulation by the DIR; and (4) The Developer must cause its respective contractors to furnish payroll records required by Labor Code Section 1776 directly to the Labor Commissioner, at least monthly in the electronic format prescribed by the Labor Commissioner.

(c) The Developer hereby agrees to indemnify, hold harmless and defend (with counsel reasonably acceptable to the County) the County, and its board members, officers, directors, representatives, consultants, employees and agents against any claim for damages, compensation, fines, penalties or other amounts arising out of the failure or alleged failure of any person or entity (including Developer, its contractor and subcontractors), if required by applicable law, to pay prevailing wages as determined pursuant to California Labor Code Section 1720 et seq., to employ apprentices pursuant to California Labor Code Section 1777.5 et seq., and implementing regulations of the DIR or to comply with the other applicable provisions of California Labor Code Sections 1720 et seq., 1777.5 et seq., to meet the conditions of Section 1771.4 of the Labor Code as set forth above and the implementing regulations of the DIR in connection with the construction of the Development or any other work undertaken or in connection with the Property. This Section will survive the expiration of the Term or other termination of this Agreement and the termination of any applicable County Documents.

(d) The Developer must construct the Development to comply with all applicable federal and state disabled persons accessibility requirements including but not limited to the Federal Fair Housing Act, Section 504 of the Construction Act of 1973, Title II and/or Title III of the Americans with Disabilities Act of 1990, Title 24 of the California Code of Regulations and the Uniform Federal Accessibility Standards ("UFAS"). In compliance with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794, et seq.), a minimum of three (3) units in the Development must be constructed to be readily accessible and usable by households with a mobility impaired member and a minimum of one (1) unit must be constructed and to be readily accessible and usable by households with a hearing or visually impaired member. The Developer must deliver to the County, a certification from a Certified Access Specialist certifying that the Development (as constructed) meets the requirements of this subsection (d).

Section 4.7 Progress Report. Until such time as the Developer has completed construction of the Improvements, as evidenced by the Certificate of Completion, the Developer must provide the County with copies of all draw requests for use of all funds set forth on the approved Financing Plan and quarterly progress reports, or more frequent updates if the County reasonably requires, regarding the status of the construction of the Development, including a certification that the actual construction costs to date conform to the development budget as set forth in the Financing Plan (as it may be amended and modified).

Section 4.8 Construction Responsibilities.

(a) The Developer must coordinate and schedule the work to be performed so that commencement and completion of construction will take place in accordance with this Agreement.

(b) The Developer is solely responsible for all aspects of the Developer's conduct in connection with the Development, including but not limited to the quality and suitability of the Project Documents, the supervision of construction work, and the qualifications, financial condition, and performance of all architects, engineers, contractors, subcontractors, suppliers, consultants, and property managers. Any review or inspection undertaken by the County with reference to the Development is solely for the purpose of determining whether the Developer is properly discharging its obligations to the County, and should not be relied upon by the Developer or by any third parties as a warranty or representation by the County as to the quality of the design or construction of the Development.

Section 4.9 Mechanics Liens, Stop Notices, and Notices of Completion.

(a) If any claim of lien is filed against the Property or the Improvements or a stop notice is served on the County or any other lender or other third party in connection with the Development, then the Developer must, within twenty (20) days after such filing or service, either pay and fully discharge or cause the Developer's contractor to pay and fully discharge, the lien or stop notice, effect the release of such lien or stop notice by delivering to the County a surety bond from a surety reasonably acceptable to the County in sufficient form and amount, or provide the County with other assurance reasonably satisfactory to the County that the claim of lien or stop notice will be paid or discharged.

(b) If the Developer fails to discharge any lien, encumbrance, charge, or claim in the manner required in this Section or obtain a surety bond, then in addition to any other right or remedy, the County may (but is under no obligation to) discharge such lien, encumbrance, charge, or claim at the Developer's expense. Alternatively, the County may require the Developer to immediately deposit with the County the amount necessary to satisfy such lien or claim and any costs, pending resolution thereof. The County may use such deposit to satisfy any claim or lien that is adversely determined against the Developer.

(c) The Developer must file a valid notice of cessation or notice of completion upon cessation of construction of the Development for a continuous period of thirty (30) days or more, and take all other reasonable steps to forestall the assertion of claims of lien against the Property and/or Improvements. The Developer authorizes the County, but without any obligation, to record any notices of completion or cessation of labor, or any other notice that the County deems necessary or desirable to protect its interest in the Development and Property.

Section 4.10 Inspections. The Developer must permit and facilitate, and require its contractors to permit and facilitate, observation and inspection at the Development by the County and by public authorities during reasonable business hours upon forty-eight (48) hours' notice for the purposes of determining compliance with this Agreement.

Section 4.11 Financing; Revisions to Plan. Once a Financing Plan has been finalized, it may not be amended without the written consent of the County; provided, however, that the County must consent to any amendment of the Financing Plan that increases the cost of the

construction of the Improvements if such amendment also demonstrates to the County's satisfaction that there is (i) Approved Financing (or any source other than assistance from the County) available to pay for such increases, and (ii) sufficient cash flow from the Development to service the Approved Financing. The County will utilize best efforts to approve or disapprove requested amendments to the Financing Plan within ten (10) working days of receipt of a request for approval.

Section 4.12 Information. The Developer must provide any information reasonably requested by the County in connection with the Development.

Section 4.13 Records.

(a) The Developer must maintain complete, accurate, and current records pertaining to the Development for a period of five (5) years after the creation of such records, and permit any duly authorized representative of the County to inspect and copy records during regular business hours. Records must be kept accurate and current.

(b) The County will notify the Developer of any records it deems insufficient. The Developer will have thirty (30) days after the receipt of such a notice to correct any deficiency in the records specified by the County in such notice, or if a period longer than thirty (30) days is reasonably necessary to correct the deficiency, then the Developer must begin to correct the deficiency within thirty (30) days and complete the correction of the deficiency as soon as reasonably possible.

Section 4.14 Relocation. The County acknowledges and agrees that the Property and all improvements currently located thereon are vacant or will be vacant and free of any relocation responsibilities by the Close of Escrow. If and to the extent the acquisition of the Property or the construction of the Development by the Developer result in the permanent or temporary displacement of residential tenants, homeowners, or businesses because it is determined that the Property was not free of occupants when it is transferred to Developer, then County must comply with all applicable local, state, and federal statutes and regulations, (including without limitation California Government Code Section 7260 et seq., and accompanying regulations) with respect to relocation planning, advisory assistance, and payment of monetary benefits. The County is solely responsible for payment of any relocation benefits to any displaced persons and any other obligations associated with complying with such relocation laws.

Section 4.15 Bid Package.

(a) The Developer will cause Developer's general contractor to provide the Bid Package to all subcontractors.

(b) All calls for bids, bidding materials and the construction contract documents for the Development must specify that: (1) No contractor or subcontractor may be listed on a bid proposal nor be awarded a contract for the Development unless registered with the DIR pursuant to Labor Code Section 1725.5, and (2) the Development is subject to compliance monitoring and enforcement by the DIR.

Section 4.16 Financial Accountings and Post-Completion Audits; Audits.

(a) No later than sixty (60) days following completion of construction of the Development, the Developer must provide to County an initial estimated unaudited financial accounting of all sources and uses of funds for the Development. No later than one hundred twenty (120) days following completion of construction of the Development, the Developer must submit an audited financial report showing the sources and uses of all funds utilized for the Development.

(b) The Developer must make available for examination at reasonable intervals and during normal business hours to County all books, accounts, reports, files, and other papers or property with respect to all matters covered by this Agreement, and must permit County to audit, examine, and make excerpts or transcripts from such records. The County, in its reasonable discretion, may make audits of any records related to the development or operation of the Development.

Section 4.17 Certificate of Completion. Promptly after completing the Improvements in accordance with those provisions of this Agreement that relate solely to the obligations of Developer to construct the Improvements (including the dates for beginning and completion thereof), the County will provide a Certificate of Completion so certifying. The Certificate of Completion will be the conclusive determination that certain covenants in this Agreement with respect to the obligations of the Developer to construct the Improvements (excluding the Developer's compliance with Section 4.6) and the dates for the beginning and completion thereof have been met. The Certificate of Completion must be in a recordable form. The Certificate of Completion will not constitute evidence of compliance with or satisfaction of any obligation of the Developer to (i) any holder of a deed of trust securing money loaned to finance the Improvements or any part thereof, (ii) pay prevailing wages, or (c) rent the Units in accordance with the terms of this Agreement and the Regulatory Agreement. The Certificate of Completion may not be deemed a notice of completion under the California Civil Code.

ARTICLE 5.
ONGOING DEVELOPER OBLIGATIONS

Section 5.1 Applicability. The conditions and obligations set forth in this Article 6 apply throughout the Term, unless a different period of applicability is specified for a particular condition or obligation.

Section 5.2 Use.

(a) The Developer hereby agrees that, for the entire Term, the Development will be used only for residential purposes and limited commercial use consistent with the Regulatory Agreement. If and to the extent any portion of the Property is used for commercial use, the County will deposit in to the County's Low and Moderate Income Housing Asset Fund (created pursuant to Health and Safety Code Section 34176), an amount equal to the Purchase Price multiplied by the fraction, the numerator of which is the square footage of the Property that is used for commercial purposes and the denominator of which is the total square footage of the

Property, consistent with the requirements of Community Redevelopment Law (Health and Safety Code Section 33000, et. seq).

(b) The Regulatory Agreement shall require that a portion of the Units be affordable to and occupied by Extremely Low Income Households and Lower Income Households, in proportions determined by the County to be consistent with Health and Safety Code Section 34176.1. In the event of a foreclosure of a Senior Lien (or deed in lieu of foreclosure), then the County and the entity acquiring the Development at foreclosure (or through a deed in lieu of foreclosure) shall apportion the affordability targeting in a manner consistent with Health and Safety Code Section 34176.1.

Section 5.3 Maintenance.

(a) The Developer agrees, for the entire Term of this Agreement, to maintain all interior and exterior improvements, including landscaping, of the Development in first-class condition and repair and in a sanitary condition (and, as to landscaping, in a healthy condition, subject to any restrictions on water use) and in accordance with the Management Plan approved pursuant to Section 2.8 of this Agreement (including without limitation any landscape and signage plans), as the same may be amended from time to time, and all applicable laws, rules, ordinances, orders, and regulations of all federal, state, municipal, and other governmental agencies and bodies having or claiming jurisdiction and all their respective departments, bureaus, and officials.

(b) The Developer acknowledges the great emphasis the County places on quality maintenance to protect its investment and to provide quality low-income housing for area residents and to ensure that County assisted affordable housing projects are not allowed to deteriorate due to deficient maintenance. In addition, the Developer must keep the Development free from all graffiti, and any accumulation of shopping carts, debris or waste material. The Developer must promptly make all repairs and replacements necessary to keep the Development in first-class condition and repair and promptly eliminate all graffiti and replace dead and diseased plants and landscaping with comparable approved materials.

(c) In the event that the Developer breaches any of the covenants contained in this section and such default continues for a period of seven (7) days after written notice from the County with respect to graffiti, debris, waste material, and general maintenance or thirty (30) days after written notice from the County with respect to landscaping and building improvements, then the County, in addition to whatever other remedy it may have at law or in equity, will have the right to enter upon the Property and perform or cause to be performed all such acts and work necessary to cure the default. Pursuant to such right of entry, the County will be permitted (but is not required) to enter upon the Property and perform all acts and work necessary to protect, maintain, and preserve the improvements and landscaped areas on the Property, and to attach a lien on the Property, or to assess the Property, in the amount of the expenditures arising from such acts and work of protection, maintenance, and preservation by the County and/or costs of such cure, including a ten percent (10%) administrative charge, which amount must be promptly paid by the Developer to the County upon demand.

(d) The Developer agrees, for the entire Term of this Agreement, to operate and maintain the Property and the Improvements in full compliance with the Redevelopment Plan and all applicable local, state, and federal laws and regulations.

Section 5.4 Taxes and Assessments. The Developer must pay all real and personal property taxes, assessments and charges and all franchise, income, employment, social security benefit, withholding, sales, and other taxes assessed against it, or payable by it, at such times and in such manner as to prevent any penalty from accruing, or any lien or charge from attaching to the Property; provided, however, that the Developer has the right to contest in good faith, any such taxes, assessments, or charges. In the event the Developer exercises its right to contest any tax, assessment, or charge against it, the Developer, on final determination of the proceeding or contest, must immediately pay or discharge any decision or judgment rendered against it, together with all costs, charges and interest.

Section 5.5 Mandatory Language in All Subsequent Deeds, Leases and Contracts.

(a) Basic Requirement. The Developer may not restrict the rental, sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Development on any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code. Developer or any person claiming under or through the Developer may not establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees in the Development. The foregoing covenant runs with the land.

(b) Provisions in Conveyance Documents. All deeds, leases or contracts made or entered into by Developer, and its successor and assigns permitted under this Agreement, as to any portion of the Property must contain therein the following language:

(1) In Deeds:

"(1) Grantee herein covenants by and for itself, its successors and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of any basis listed in subdivision (a) and (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955 and Section 12955.2 of the Government Code, in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the property herein conveyed, nor shall the grantee or any person claiming under or through the grantee, establish or permit any practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees in the property herein conveyed. The foregoing covenant shall run with the land.

(2) Notwithstanding paragraph (1), with respect to familial status, paragraph (1) shall not be construed to apply to housing for older persons, as defined in Section 12955.9 of the Government Code. With respect to familial status, nothing in paragraph (1) shall be construed to affect Sections 51.2, 51.3, 51.4, 51.10, 51.11, and 799.5 of the Civil Code, relating to housing for senior citizens. Subdivision (d) of Section 51 and Section 1360 of

the Civil Code and subdivisions (n), (o), and (p) of Section 12955 of the Government Code shall apply to paragraph (1)."

(2) In Leases:

"(1) Lessee herein covenants by and for itself, its successors and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of any basis listed in subdivision (a) and (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955 and Section 12955.2 of the Government Code in the leasing, subleasing, transferring, use, occupancy, tenure or enjoyment of the premises herein leased nor shall the lessee or any person claiming under or through the lessee, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, sublessees, subtenants, or vendees in the premises herein leased.

(2) Notwithstanding paragraph (1), with respect to familial status, paragraph (1) shall not be construed to apply to housing for older persons, as defined in Section 12955.9 of the Government Code. With respect to familial status, nothing in paragraph (1) shall be construed to affect Sections 51.2, 51.3, 51.4, 51.10, 51.11, and 799.5 of the Civil Code, relating to housing for senior citizens. Subdivision (d) of Section 51 and Section 1360 of the Civil Code and subdivisions (n), (o), and (p) of Section 12955 of the Government Code shall apply to paragraph (1)."

(3) In Contracts:

"(1) There shall be no discrimination against or segregation of, any person or group of persons on account of any basis listed in subdivision (a) and (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955 and Section 12955.2 of the Government Code in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the property nor shall the transferee or any person claiming under or through the transferee establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees of the land.

(2) Notwithstanding paragraph (1), with respect to familial status, paragraph (1) shall not be construed to apply to housing for older persons, as defined in Section 12955.9 of the Government Code. With respect to familial status, nothing in paragraph (1) shall be construed to affect Sections 51.2, 51.3, 51.4, 51.10, 51.11, and 799.5 of the Civil Code, relating to housing for senior citizens. Subdivision (d) of Section 51 and Section 1360 of the Civil Code and subdivisions (n), (o), and (p) of Section 12955 of the Government Code shall apply to paragraph (1)."

Section 5.6 Hazardous Materials.

(a) Certain Covenants and Agreements. The Developer hereby covenants and agrees throughout the Term of this Agreement:

(1) The Developer will keep and maintain the Property and the Improvements located thereon, in compliance with all Hazardous Materials Laws, and may not cause or permit the Development or any portion thereof to be a site for the release, use, generation, treatment, manufacture, storage, discharge, disposal or transportation of Hazardous Materials or otherwise permit the presence of Hazardous Materials in, on or under the Development;

(2) The Developer must keep and maintain the Development and each portion thereof in compliance with, and may not cause or permit the Development or any portion thereof to be in violation of, any Hazardous Materials Laws;

(3) Upon receiving actual knowledge of the same the Developer must immediately advise the County in writing of: (i) any and all enforcement, cleanup, removal or other governmental or regulatory actions instituted, completed or threatened against the Developer or the Development pursuant to any applicable Hazardous Materials Laws; (ii) any and all claims made or threatened by any third party against the Developer or the Development relating to damage, contribution, cost recovery, compensation, loss or injury resulting from any Hazardous Materials (the matters set forth in the foregoing clause (i) and this clause (ii) are hereinafter referred to as "Hazardous Materials Claims"); (iii) the presence of any Hazardous Materials in, on or under the Development; or (iv) the Developer's discovery of any occurrence or condition on any real property adjoining or in the vicinity of the Development classified as "borderzone property" under the provisions of California Health and Safety Code Sections 25220 et seq., or any regulation adopted in accordance therewith, or to be otherwise subject to any restrictions on the ownership, occupancy, transferability or use of the Development under any Hazardous Materials Laws. The County has the right to join and participate in, as a party if it so elects, any legal proceedings or actions initiated in connection with any Hazardous Materials Claims and to have its reasonable attorney's fees in connection therewith paid by the Developer.

(4) Without the County's prior written consent, which will not be unreasonably withheld, the Developer must not take any remedial action in response to the presence of any Hazardous Materials on, under, or about the Development (other than in emergency situations or as required by governmental agencies having jurisdiction), nor enter into any settlement agreement, consent decree, or other compromise in respect to any Hazardous Materials Claims.

(b) Indemnity. Without limiting the generality of the indemnification set forth in Section 9.7 below, in consideration for the transfer of the Property by the County and from and after the conveyance of the Property by the County to the Developer, the Developer hereby agrees to indemnify, protect, hold harmless and defend (by counsel reasonably satisfactory to the County) the County, and its board members, officers, directors, representatives, consultants, employees and agents (together the "Indemnified Parties") from and against any and all claims, losses, damages, liabilities, fines, penalties, charges, administrative and judicial proceedings and orders, judgments, remedial action requirements, enforcement actions of any kind, and all costs

and expenses incurred in connection therewith (including, but not limited to, reasonable attorney's fees and expenses), arising directly or indirectly, in whole or in part, out of: (1) the failure of the Developer to comply with any Hazardous Materials Law relating in any way whatsoever to the handling, treatment, presence, removal, storage, decontamination, cleanup, transportation or disposal of Hazardous Materials into, on, under or from the Development; (2) during Developer's ownership of the Property, the presence in, on or under the Development of any Hazardous Materials or any releases or discharges of any Hazardous Materials into, on, under or from the Development; or (3) during Developer's ownership of the Property, any activity carried on or undertaken on or off the Property whether by the Developer or any employees, agents, contractors or subcontractors of the Developer or any third persons at any time occupying or present on the Property, in connection with the handling, treatment, removal, storage, decontamination, cleanup, transport or disposal of any Hazardous Materials at any time located or present on or under the Development. The foregoing indemnity applies to any residual contamination on or under the Development, or affecting any natural resources, and to any contamination of any property or natural resources arising in connection with the generation, use, handling, treatment, storage, transport or disposal of any such Hazardous Materials, and irrespective of whether any of such activities were or will be undertaken in accordance with Hazardous Materials Laws. The forgoing indemnity does not apply to any claims, losses, damages, liabilities, fines, penalties, or charges that are caused by the negligence or willful misconduct of the County. The provisions of this subsection will survive the expiration of the Term or other termination of this Agreement and the termination of any applicable County Documents.

(c) No Limitation. The Developer hereby acknowledges and agrees that the Developer's duties, obligations and liabilities under this Agreement, including, without limitation, under subsection (b) above, are in no way limited or otherwise affected by any information the County may have concerning the Development and/or the presence within the Development of any Hazardous Materials, whether the County obtained such information from the Developer or from its own investigations.

Section 5.7 Management Agent; Periodic Reports.

(a) Management Agent. The Development must at all times be managed by an experienced Management Agent reasonably acceptable to the County, with demonstrated ability to operate residential facilities like the Development in a manner that will provide decent, safe, and sanitary housing. For any change in the Management Agent, the Developer must submit for the County's reasonable approval the identity of any proposed Management Agent. The Developer must also submit such additional information about the background, experience and financial condition of any proposed Management Agent as is reasonably necessary for the County to determine whether the proposed Management Agent meets the standard for a qualified Management Agent set forth above. If the proposed Management Agent meets the standard for a qualified Management Agent set forth above, the County will approve the proposed Management Agent by notifying the Developer in writing.

(b) Performance Review. The County reserves the right to conduct a periodic review of the management practices and financial status of the Development within thirty (30) days after each anniversary of the issuance of the Certificate of Completion. The purpose of each periodic review will be to enable the County to determine if the Development is being

operated and managed in accordance with the requirements and standards of this Agreement. The Developer must cooperate with the County in such reviews.

(c) Books, Records and Reports. For purposes of such periodic reviews, the Developer and the Management Agent must make available to the County for inspection all books and records with respect to the Development. In addition, the Developer must provide the County with: (1) by not later than thirty (30) days prior to commencement of each calendar year, the annual budget for the upcoming calendar year; (2) within ninety (90) days following the end of each calendar year, a report showing the actual income and expenditures with respect to the Development for the immediately preceding calendar year and the status of all reserve funds; and (3) within one hundred twenty (120) days following the end of each calendar year, a copy of the Developer's federal income tax filings for the calendar year.

(d) Replacement of Management Agent. If, as a result of a periodic review, the County determines in its reasonable judgment that the Development is not being operated and managed in accordance with any of the requirements and standards of the Management Plan, the Management Agreement, or the County Documents, the County must deliver notice to the Developer of its intention to cause a replacement of the Management Agent. Within thirty (30) days of receipt by the Developer of such written notice, County staff and the Developer must meet in good faith to consider methods for improving the financial and operating status of the Development, including, without limitation, replacing the Management Agent.
If, after such meeting, County staff recommends in writing the replacement of the Management Agent, the Developer must promptly dismiss the then Management Agent, and appoint as the Management Agent a person or entity meeting the standards for a Management Agent set forth in subsection (a) above, which appointment must be approved by the County pursuant to subsection (a) above.

(e) Any contract for the operation or management of the Development entered into by the Developer must provide that the contract can be terminated as set forth above. Failure to remove the Management Agent in accordance with the provisions of this Section constitutes a Developer Event of Default under this Agreement, and the County may enforce this provision through legal proceedings as specified in Article 7.

Section 5.8 Approval of Management Plan Modifications. Pursuant to Section 2.8, the County is to review and approve the written Management Plan for the Development no later than six (6) months after commencement of construction of the Development pursuant to the Development Schedule. Each year thereafter, within sixty (60) days of the end of the calendar year, the Developer must submit to the County any proposed changes to the Management Plan. The County will approve or disapprove the proposed changes to the Management Plan in writing within fifteen (15) days following the County's receipt of the request to amend the Management Plan, which approval may not be unreasonably denied. If the change to the Management Plan is disapproved by the County, the County must deliver a written notice to the Developer setting forth, in reasonable detail, the reasons for such disapproval. The Developer will have fifteen (15) days following the receipt of such notice to submit a revised Management Plan modification in any way necessary to ensure that such policies comply with the provisions of this Agreement. The County's approval of the amendments to the Management Plan may not be unreasonably withheld.

Section 5.9 Resident Services Plan and Resident Services Budget.

(a) Developer hereby agrees to contract for a resident services coordinator at least one (1) month prior to completion of the Improvement. The Developer must submit to the County and initial proposed "Resident Services Plan" and "Resident Services Budget" no later than six (6) months after the commencement of construction of the Development pursuant to the Development Schedule. Each year thereafter, within sixty (60) days of the end of the calendar year, the Developer must furnish to the County a draft Resident Services Plan and Resident Services Budget. Upon receipt by the County of the proposed Resident Services Plan and Resident Services Budget, the County will promptly review the same and approve or disapprove the Resident Services Plan and the Resident Services Budget within ten (10) business days. If the Resident Services Plan or Resident Services Budget are not approved by the County, the County must set forth in writing and notify the Developer of the County's reasons for withholding such approval. The writing may include a request by the County for a change in the nature or scope of resident services or a change in service provider. The Developer will thereafter submit a revised Resident Services Plan and Resident Services Budget for County approval, which approval will be granted or denied within five (5) business days in accordance with the procedures set forth above.

(b) The Resident Services Budget must show required expenditures from annual operating expenses, and may include an annual sum for Resident Services, provided however the operating expenses line item for Resident Services may be increased in such amount approved by the County prior to commencement of the calendar year, pursuant to the procedure for submission and approval of the Resident Services Plan and Resident Services Budget as set forth in Section 5.9(a).

Section 5.10 Insurance Requirements.

(a) Required Coverage. The Developer must maintain and keep in force, at the Developer's sole cost and expense, the following insurance applicable to the Development:

(1) Workers' Compensation insurance, including Employers' Liability coverage, with limits not less than One Million Dollars ($1,000,000) each accident.

(2) Commercial General Liability insurance with limits not less than Two Million Dollars ($2,000,000) each occurrence combined single limit for Bodily Injury and Property Damage, including coverages for Contractual Liability, Personal Injury, Broadform Property Damage, Products and Completed Operations. Products and Completed Operations coverage must be obtained no later than completion of construction of the Development.

(3) Commercial Automobile Liability insurance with limits not less than One Million Dollars ($1,000,000) each occurrence combined single limit for Bodily Injury and Property Damage, including coverages for owned, non-owned and hired vehicles, as applicable; provided, however, that if the Developer does not own or lease vehicles for purposes of this Agreement, then no automobile insurance will be required and both parties to this Agreement must initial this provision signifying same.

(4) Builders' risk insurance during the course of construction (and upon completion of construction, property insurance) covering the Development and covering all risks of loss, excluding earthquake and including flood (if required), for one hundred percent (100%) of the replacement value, with deductible, if any, acceptable to the County.

(b) Subcontractor's Insurance. The Developer will cause any subcontractor, or agent working on the Development under direct contract with the Developer to maintain insurance of the types and in at least the minimum amounts described in subsections (a)(1) through (a)(4) above, and require that such insurance meets all of the general requirements of subsection (c) below. Subcontractors working on the Development under indirect contract with the Developer are required to maintain the insurance described in subsections (a)(1), (a)(2) and (a)(3) above, except that the limit for the insurance described in subsection (a)(2) may be One Million Dollars ($1,000,000). Liability and Commercial Automobile Liability insurance to be maintained by such contractors and agents pursuant to this subsection must name as additional insureds the County, its board members, officers, directors, representatives, consultants, employees and agents.

(c) General Requirements. The required insurance must be provided under an occurrence form, and the Developer must maintain such coverage continuously throughout the Term. Should any of the required insurance be provided under a form of coverage that includes an annual aggregate limit or provides that claims investigation or legal defense costs be included in such annual aggregate limit, such annual aggregate limit must be three (3) times the occurrence limits specified above.

Commercial General Liability, Commercial Automobile Liability and Property insurance policies (including builders' risk) must be endorsed to name as additional insureds the County and its board members, officers, directors, representatives, consultants, employees and agents.

All policies and bonds must be endorsed to provide: (1) thirty (30) days prior written notice of cancellation, reduction in coverage, intent not to renew or any material change in said policies to the address established for notices to the County pursuant to this Agreement; (2) an agreement that such policies are primary and non-contributing with any insurance that may be carried by the County; (3) a provision that no act or omission of the Developer will affect or limit the obligation of the property insurance carrier to pay the amount of any loss sustained; and (4) a waiver by the insurer of all rights of subrogation against the County and its authorized parties in connection with any property loss or damage thereby insured against.

(d) Certificates of Insurance. Upon the County's request at any time during the Term, the Developer must provide certificates of insurance, in form and with insurers reasonably acceptable to the County, evidencing compliance with the requirements of this Section, and must provide complete copies of such insurance policies, including a separate endorsement naming the County as additional insured.

Section 5.11 Audits. The Developer must make available for examination at reasonable intervals and during normal business hours to the County all books, accounts, reports, files, and other papers or property with respect to all matters covered by this Agreement, and permit the

County to audit, examine, and make excerpts or transcripts from such records. The County may make audits of any conditions relating to this Agreement.

Section 5.12 Safety Conditions.

(a) The Developer acknowledges that the County places a prime importance on the security of County assisted projects and the safety of the residents and surrounding community. The Developer agrees to implement and maintain throughout the Term the following security measures in the Development:

(1) To the extent feasible employ defensible space design principles and crime prevention measures in the operation of the Development including but not limited to maintaining adequate lighting in parking areas and pathways;

(2) For the entire Term of this Agreement, the Developer must cause the Management Agent to participate in the Contra Costa County Sheriff Department's Crime Free Multi-Housing Unit Program, wherein specialized training and other resources are provided to multi-family property owners and managers to reduce the potential for onsite criminal activity. Completion of the Department's all of the training phases and a Full Certification must be achieved and maintained by the Management Agent; and

(3) Provide added security including dead-bolt locks for every entry door, and where entry doors are damaged, replace them with solid-core doors.

(b) The County has the right to enter on the Property and/or contact the Contra Costa County Sherriff's Department if it becomes aware of or is notified of any conditions that pose a danger to the peace, health, welfare or safety of the residents and/or the surrounding community, and to perform or cause to be performed such acts as are necessary to correct the condition.

Section 5.13 Notice of Litigation. Developer must promptly notify the County in writing of any litigation materially affecting Developer or the Property and of any claims or disputes that involve a material risk of such litigation.

ARTICLE 6.
ASSIGNMENT AND TRANSFERS

Section 6.1 Definitions. As used in this Article 6, the term "Transfer" means:

(a) Any total or partial sale, assignment or conveyance, or any trust or power, or any transfer in any other mode or form, of or with respect to this Agreement or of the Development or any part thereof or any interest therein or any contract or agreement to do any of the same;

(b) Any total or partial sale, assignment or conveyance, of any trust or power, or any transfer in any other mode or form, of or with respect to any ownership interest in Developer, or any contract or agreement to do any of the same;

(c) Any merger, consolidation, sale or lease of all or substantially all of the assets of Developer; or

(d) The leasing of part or all of the Property or the Improvements thereon, provided; however, that leasing of the Units included within the Improvements to tenant occupants in accordance with the Regulatory Agreement will not be deemed a Transfer for purposes of this Article.

Section 6.2 Purpose of Restrictions on Transfer.

(a) This Agreement is entered into solely for the purpose of the development and operation of the Development and its subsequent use in accordance with the terms hereof. The Developer recognizes that the qualifications and identity of Developer are of particular concern to the County, in view of:

(1) The importance of the redevelopment of the Property to the general welfare of the community;

(2) The land acquisition assistance and other public aids that have been made available by law and by the government for the purpose of making such redevelopment possible;

(3) The reliance by the County upon the unique qualifications and ability of the Developer to serve as the catalyst for development of the Property;

(4) The fact that a change in ownership or Control of the Developer as owner of the Property, or of a substantial part thereof, or any other act or transaction involving or resulting in a significant change in ownership or with respect to the identity of the parties in control of the Developer or the degree thereof is for practical purposes a transfer or disposition of the Property;

(5) The fact that the Property is not to be acquired or used for speculation, but only for development and operation by the Developer in accordance with the Agreement and the Regulatory Agreement; and

(6) The importance to the County and the community of the standards of use, operation and maintenance of the Property.

(b) The Developer further recognizes that it is because of such qualifications and identity that the County is entering into this Agreement with the Developer and that Transfers are permitted only as provided in this Agreement.

Section 6.3 Prohibited Transfers. The limitations on Transfers set forth in this Article apply throughout the Term. Except as expressly permitted in this Agreement, the Developer represents and agrees that the Developer has not made or created, and will not make or create or suffer to be made or created, any Transfer, either voluntarily or by operation of law without the prior written approval of the County.

Any Transfer made in contravention of this Section are void and are deemed to be a default under this Agreement whether or not the Developer knew of or participated in such Transfer.

Section 6.4 Permitted Transfers. Notwithstanding the provisions of Section 7.3, the following Transfers are permitted and are hereby approved by the County:

(a) Any Transfer creating a Security Financing Interest permitted pursuant to the approved Financing Plan;

(b) Any Transfer directly resulting from the foreclosure of a Security Financing Interest or the granting of a deed in lieu of foreclosure of a Security Financing Interest or as otherwise permitted under Article 8.

(c) The leasing of residential units within the Development in accordance with the Regulatory Agreement.

(d) The granting of easements, licenses or permits to facilitate the development of the Property.

(e) The County hereby approves a Transfer of a limited partnership interest in the Developer to the Investor, or to an affiliate of the Investor (provided such affiliate provides documentation reasonably acceptable to the County that the affiliate has sufficient financial capability to provide the capital contributions set forth in the Financing Plan) and future transfers of such interest provided that: (1) the Developer's partnership agreement provides for capital contributions of the limited partners consistent with the Financing Plan and is first approved by the County in its reasonable discretion; (2) all documents associated with the tax credit syndication of the Development are submitted to the County for approval prior to execution, which approval may not be unreasonably withheld; and (3) in subsequent transfers the Investor (or an affiliate of the Investor reasonably acceptable to the County) remains liable for all unpaid capital contributions. The Parties agree and acknowledge that an entity controlled by the Sponsor will remain the managing general partner of the Developer throughout the Term. In the event the general partner of the Developer is removed by the limited partner of the Developer for cause following default under the Developer's partnership agreement, the County hereby approves the transfer of the general partner interest to a 501(c)(3) tax-exempt nonprofit public

benefit corporation that is selected by the limited partner and approved in advance and in writing by the County, which approval may not be unreasonably withheld.

(f) The County also hereby approves future Transfers of the limited partner interest provided that: (1) such Transfers do not affect the timing and amount of the limited partner capital contributions provided for in the partnership agreement approved by the County; and (2) in such Transfers, a wholly owned affiliate of the general partners retains a membership or partnership interest and serves as a managing member or managing general partner of the successor limited partner.

Section 6.5 Effectuation of Certain Permitted Transfers.

(a) No Transfer of this Agreement permitted pursuant to Section 7.4 will be effective unless, at the time of the Transfer, the person or entity to which such Transfer is made, by an instrument in writing prepared by the County and in form recordable among the Official Records, expressly assumes the obligations of the Developer under this Agreement and agrees to be subject to the conditions and restrictions to which the Developer is subject arising during the term of this Agreement, to the fullest extent that such obligations are applicable to the particular portion of or interest in the Development conveyed in such Transfer. Anything to the contrary notwithstanding, the holder of a Security Financing Interest whose interest have been acquired by, through or under a Security Financing Interest or have been derived immediately from any holder thereof will not be required to give to County such written assumption until such holder or other person is in possession of the Property or entitled to possession thereof pursuant to enforcement of the Security Financing Interest.

(b) In the absence of specific written agreement by the County, no such Transfer, assignment or approval by the County will be deemed to relieve the Developer or any other party from any obligations under this Agreement.

Section 6.6 Other Transfers with County Consent. The County may, in its sole discretion, approve in writing other Transfers as requested by the Developer. In connection with such request, there must be submitted to the County for review all instruments and other legal documents proposed to effect any such Transfer. If a requested Transfer is approved by the County such approval must be indicated to the Developer in writing. Such approval must be granted or denied by the County within thirty (30) days of receipt by the County of Developer's request for approval of a Transfer.

ARTICLE 7.
DEFAULT AND REMEDIES

Section 7.1 General Applicability. The provisions of this Article 7 govern the Parties' remedies for breach or failure of this Agreement.

Section 7.2 No Fault of Parties. The following events constitute a basis for a party to terminate this Agreement without the fault of the other:

(a) The Developer, despite good faith and diligent efforts, is unable to obtain commitments for all financing and tax credit equity needed to acquire and develop the Property.

(b) The County, despite good faith and diligent efforts, is unable to convey the Property to the Developer and the Developer is otherwise entitled to such conveyance.

(c) The Developer, despite good faith and diligent efforts, is unable to obtain the County's approval of the County Documents, the Project Documents, the Financing Plan, the Management Plan or obtain Governmental Approvals necessary to develop the Improvements.

(d) Upon the happening of the above-described event and at the election of either party, this Agreement may be terminated by written notice to the other party. After such termination of this Agreement, neither party will have any rights against, or liability to, the other under this Agreement, except that the indemnification provisions of this Agreement will survive such termination and remain in full force and effect.

Section 7.3 Fault of County.

(a) Except as to the events constituting a basis for termination under Section 7.2, each of the following events constitutes a "County Event of Default" and a basis for the Developer to take action against the County:

(1) The County, without good cause, fails to convey the Property to the Developer within the time set forth in the Development Schedule and in the manner set forth in Article 3 and the Developer is otherwise entitled by this Agreement to such conveyance; or

(2) The County breaches any other material provision of this Agreement (including failure to timely respond to performance time frames set forth in this Agreement.

(b) Upon the happening of any of the above-described events, the Developer must first notify the County in writing of its purported breach or failure, giving the County forty-five (45) days from receipt of such notice to cure or, if cure cannot be accomplished within forty-five (45) days, to commence to cure such breach, failure, or act. In the event the County does not then so cure within said forty-five (45) days, or if the breach or failure is of such a nature that it cannot be cured within forty-five (45) days, the County fails to commence to cure within such forty-five (45) days and thereafter diligently complete such cure within a reasonable time thereafter but in no event later than one hundred twenty (120) days, then the Developer will be afforded all of its rights at law or in equity, by taking all or any of the following remedies: (1) terminating in writing this Agreement (provided, however, that the indemnification provisions of this Agreement will survive such termination); and (2) prosecuting an action for specific performance.

Section 7.4 Fault of Developer.

(a) Each of the following events constitutes a "Developer Event of Default" and a basis for the County to take action against the Developer:

(1) The Developer fails to exercise good faith and diligent efforts to satisfy, within the time and in the manner set forth in Article 2, one or more of the conditions precedent to the County's obligation to convey the Property to the Developer;

(2) The Developer refuses to accept conveyance from the County of the Property within the time periods and under the terms set forth in Article 3;

(3) The Developer constructs or attempts to construct the Improvements in violation of Article 4;

(4) The Developer has not satisfied all preconditions set forth in this Agreement to enable it to commence construction of the Improvements by the date set forth in the Development Schedule, or fails to commence or complete construction of the Improvements by the date set forth in the Development Schedule (as such dates may be extended with the prior written consent of the Director), or abandons or suspends construction of the Improvements prior to completion of all construction for a period of sixty (60) days after written notice by the County of such abandonment or suspension;

(5) The Developer fails to comply with any obligation or requirement set forth in Article 4 or 5, including, but not limited to, the Developer's failure to construct the Development, or the Developer's failure to rent the Units to Extremely Low Income Households and Lower Income Households in accordance with this Agreement;

(6) A Transfer occurs, either voluntarily or involuntarily, in violation of Article 6;

(7) Any representation or warranty contained in this Agreement or in any application, financial statement, certificate or report submitted to the County in connection with this Agreement proves to have been incorrect in any material and adverse respect when made;

(8) A court having jurisdiction makes or enters any decree or order: (i) adjudging the Developer to be bankrupt or insolvent; (ii) approving as properly filed a petition seeking reorganization of the Developer, or seeking any arrangement for the Developer, under the bankruptcy law or any other applicable debtor's relief law or statute of the United States or any state or other jurisdiction; (iii) appointing a receiver, trustee, liquidator, or assignee of the Developer, in bankruptcy or insolvency or for any of their properties; or (iv) directing the winding up or liquidation of the Developer, if any such decree or order described in clauses (i) to (iv), inclusive, continued unstayed or undischarged for a period of ninety (90) days unless a lesser time period is permitted for cure under any other mortgage on the Property, in which event such lesser time period will apply under this subsection (9) as well; or the Developer, admits in writing its inability to pay its debts as they fall due or voluntarily submits to or files a petition seeking any decree or order of the nature described in clauses (i) to (iv), inclusive;

(9) The Developer assigns its assets for the benefit of its creditors or suffered a sequestration or attachment of or execution on any substantial part of its property, unless the property so assigned, sequestered, attached or executed upon have been returned or released within ninety (90) days after such event (unless a lesser time period is permitted for cure under any other mortgage on the Property, in which event such lesser time period will apply under this subsection as well) or prior to sooner sale pursuant to such sequestration, attachment, or execution;

(10) The Developer voluntarily suspends its business or, the Developer is dissolved or terminated;

(11) There occurs any default declared by any lender under any loan document related to any loans secured by a deed of trust on the Development, after the expiration of applicable cure periods; or

(12) The Developer breaches any other material provision of this Agreement or any material provision in any of the other County Documents and all applicable cure periods have expired.

Section 7.5 Remedies.

(a) Upon the happening of any of the above-described events the County must first notify the Developer in writing of its purported breach, failure or act above described, giving the Developer thirty (30) days from receipt of such notice to cure, or, if cure cannot be accomplished within said thirty (30) days, to commence to cure such breach, failure, or act. In the event the Developer fails to cure within said thirty (30) days, or if such breach is of a nature that it cannot be cured within thirty (30) days, Developer fails to commence to cure within said thirty (30) days and diligently complete such cure within a reasonable time thereafter but in no event later than ninety (90) days (or such longer period as the County in its sole discretion may allow), then the County will be afforded all of its rights at law or in equity by taking any or all of the following remedies:

(1) Terminating this Agreement by giving written notice to the Developer; provided, however, that the County's remedies pursuant to this Article 7, and the indemnification provisions of this Agreement survive such termination.

(2) Prosecuting an action for damages or specific performance.

(3) Any of the remedies specified in Sections 7.5, 7.6, 7.7, or 7.8.

(b) Notwithstanding the notice and cure periods set forth above, with respect to a Developer Event of Default described in subsection (a)(3), (a)(6) through (a)(11) above, the County may initiate enforcement action, without the provision of any notice, or the passage of any cure period.

Section 7.6 Right of Reverter.

(a) In the event that, following the Close of Escrow, this Agreement is terminated pursuant to Section 7.4 and such termination occurs prior to issuance of a Certificate of Completion for the Improvements, then the County has the right to reenter and take possession of the Property and all improvements thereon and to revest in the County the estate of the Developer in the Property.

(b) Upon vesting or revesting in the County of title to the Property, the County will promptly use its best efforts to resell the Property consistent with the County's obligations under applicable laws. Upon sale the proceeds will be applied as follows:

(1) First, to reimburse the County for any costs it incurs in managing or selling the Property (after exercising its right of reverter), including but not limited to amounts to discharge or prevent liens or encumbrances arising from any acts or omissions of the Developer;

(2) Second, to reimburse the County for damages to which it is entitled under this Agreement by reason of the Developer's default;

(3) Third, to the Developer up to the sum of the purchase price Developer paid for the Property pursuant to Section 3.2 and the reasonable cost of the Improvements the Developer has placed on the Property and such other reasonable costs Developer has incurred directly in connection with development of the Property that were not financed by the County; and

(4) Fourth, any balance to the County.

Section 7.7 Option to Repurchase, Reenter and Repossess.

(a) The County has the additional right at its option to repurchase, reenter and take possession of the Property or any portion thereof owned by the Developer with all improvements thereon, if after conveyance of title to any portion of the Property and prior to the issuance of the Certificate of Completion for the Improvements, there is a Developer Event of Default pursuant to Section 7.4.

(b) Such right to repurchase, reenter and repossess, to the extent provided in this Agreement, is subordinate and subject to and limited by and not defeat, render invalid or limit:

(1) Any Approved Security Interest Assignment permitted by this Agreement; or

(2) Any rights or interest provided in this Agreement for the protection of the holder of such Approved Security Interests.

(c) To exercise its right to repurchase, reenter and take possession with respect to the Property owned by the Developer, the County must pay to the Developer in cash an amount equal to:

(1) The purchase price paid to the County for the applicable portion of the Property; plus

(2) The fair market value of the improvements existing on the applicable portion of the Property at the time of the repurchase, reentry and repossession; less

(3) Any gains or income withdrawn or made by the Developer from the applicable portion of the Property or the improvements thereon; less

(4) The value of any unpaid liens or encumbrances on the applicable portion of the Property which the County assumes or takes subject to said encumbrances.

Section 7.8 Right to Cure at Developer's Expense. The County has the right to cure any monetary default by the Developer under a loan made in connection with the Development. The Developer agrees to reimburse the County for any funds advanced by the County to cure a monetary default by Developer upon demand therefor, together with interest thereon at the lesser of the rate of ten percent (10%) per annum or the maximum rate permitted by law from the date of expenditure until the date of reimbursement.

Section 7.9 Project Documents. If the Agreement is terminated pursuant to Sections 7.2 or 7.4, without limiting those rights set forth in the Assignment of Collateral Documents, the Developer, at no cost to the County, must deliver to the County copies of any Project Documents and studies in the Developer's possession or to which Developer is entitled related to development of the Improvements on the Property.

Section 7.10 Rights of Mortgagees. Any rights of the County under this Article 7 will not defeat, limit or render invalid any Security Financing Interest permitted by this Agreement or any rights provided for in this Agreement for the protection of holders of Security Financing Interests. Any conveyance or reverter of the Property to the County pursuant to this Article 7 will be subject to Security Financing Interests permitted by this Agreement.

Section 7.11 Remedies Cumulative. No right, power, or remedy given by the terms of this Agreement is intended to be exclusive of any other right, power, or remedy; and each and every such right, power, or remedy will be cumulative and in addition to every other right, power, or remedy given by the terms of any such instrument, or by any statute or otherwise. Neither the failure nor any delay to exercise any such rights and remedies will operate as a waiver thereof, nor will any single or partial exercise of any such right or remedy preclude any other or further exercise of such right or remedy, or any other right or remedy.

Section 7.12 Waiver of Terms and Conditions. The County Administrator may, at the County Administrator's discretion, waive in writing any of the terms and conditions of this Agreement or any of the County Documents, without the County and the Developer completing an amendment to this Agreement. No waiver of any default or breach by the Developer hereunder will be implied from any omission by the County to take action on account of such default if such default persists or is repeated, and no express waiver will affect any default other than the default specified in the waiver, and such waiver will be operative only for the time and to the extent therein stated. Waivers of any covenant, term, or condition contained herein will not be construed as a waiver of any subsequent breach of the same covenant, term, or condition. The consent or approval by the County to or of any act by the Developer requiring further consent or approval will not be deemed to waive or render unnecessary the consent or approval to or of any subsequent similar act. The exercise of any right, power, or remedy will in no event constitute a cure or a waiver of any default under this Agreement or any of the County Documents, nor will it invalidate any act done pursuant to notice of default, or prejudice the County in the exercise of any right, power, or remedy under the County Documents, unless in the exercise of any such right, power, or remedy all obligations of the Developer to County are paid and discharged in full.

ARTICLE 8.
SECURITY FINANCING AND RIGHTS OF HOLDERS

Section 8.1 No Encumbrances Except for Development Purposes. Notwithstanding any other provision of this Agreement, mortgages and deeds of trust, or any other reasonable method of security are permitted to be placed upon the Developer's fee interest in the Property, but only for the purpose of securing loans approved by the County pursuant to the approved Financing Plan. Mortgages, deeds of trust, or other reasonable security instruments securing loans approved by the County pursuant to the approved Financing Plan are each referred to as a "Security Financing Interest." The words "mortgage" and "deed of trust" as used in this Agreement include all other appropriate modes of financing real estate acquisition, construction, and land development.

Section 8.2 Holder Not Obligated to Construct. The holder of any Security Financing Interest authorized by this Agreement is not obligated to construct or complete any improvements or to guarantee such construction or completion; nor will any covenant or any other provision in conveyances from the County to the Developer evidencing the realty comprising the Property or any part thereof be construed so to obligate such holder. However, nothing in this Agreement is deemed to permit or authorize any such holder to devote the Property or any portion thereof to any uses, or to construct any improvements thereon, other than those uses of improvements provided for or authorized by this Agreement and the Regulatory Agreement.

Section 8.3 Notice of Default and Right to Cure. Whenever the County pursuant to its rights set forth in Article 9 of this Agreement delivers any notice or demand to the Developer with respect to the commencement, completion, or cessation of the construction of the Improvements, the County will at the same time deliver to each holder of record of any Security Financing Interest creating a lien upon the Developer's fee interest in the Property or any portion thereof, and the Investor, a copy of such notice or demand. Each such holder (insofar as the rights of the County are concerned) has the right, but not the obligation, at its option, within ninety (90) days after the receipt of the notice, to cure or remedy or commence to cure or remedy any such default or breach affecting the Property which is subject to the lien of the Security Financing Interest held by such holder and to add the cost thereof to the security interest debt and the lien on its security interest. Nothing contained in this Agreement is deemed to permit or authorize such holder to undertake or continue the construction or completion of the Improvements (beyond the extent necessary to conserve or protect such improvements or construction already made) without first having expressly assumed in writing the Developer's obligations to the County relating to such Improvements under this Agreement pursuant to an assignment and assumption agreement prepared by the County and recordable among the Official Records (the "Security Financing Interest Assignment"). The holder in that event must agree to complete, in the manner provided in this Agreement (or as may be amended by the Security Financing Interest Assignment; provided, however, the County is under no obligation to extend the dates for performance set forth in this Agreement), the Improvements to which the lien or title of such holder relates. Any such holder properly completing such Improvements pursuant to this paragraph must assume all rights and obligations of Developer under this Agreement and will be entitled, upon completion and written request made to the County, to a Certificate of Completion from the County.

Section 8.4 Failure of Holder to Complete Improvements. In any case where six (6) months after default by the Developer in completion of construction of the Improvements under this Agreement, the holder of record of any Security Financing Interest, having first exercised its

option to construct pursuant to the Security Financing Interest Assignment, has not proceeded diligently with construction (as reasonably determined by the County), the County must be afforded those rights against such holder it would otherwise have against Developer under this Agreement.

Section 8.5 Right of County to Cure. In the event of a default or breach by the Developer of a Security Financing Interest prior to the completion of the Improvements, and the holder has not exercised its option to complete the Improvements on the Property, the County may cure the default, prior to the completion of any foreclosure. In such event the County will be entitled to reimbursement from the Developer of all costs and expenses incurred by the County in curing the default. The County will also be entitled to a lien upon the Property or any portion thereof to the extent of such costs and disbursements. The County agrees that such lien will be subordinate to any Security Financing Interest, and the County will execute from time to time any and all documentation reasonably requested by Developer to effect such subordination.

Section 8.6 Right of County to Satisfy Other Liens. After the conveyance of title to the Property or any portion thereof and after the Developer has had a reasonable time to challenge, cure or satisfy any liens or encumbrances on the Property or any portion thereof, the County will have the right to satisfy any such lien or encumbrances; provided, however, that nothing in this Agreement will require the Developer to pay or make provision for the payment of any tax, assessment, lien or charge so long as the Developer in good faith may contest the validity or amount therein and so long as such delay in payment is not subject the Property or any portion thereof to forfeiture or sale.

Section 8.7 Holder to be Notified. The Developer will insert each term contained in this Article 8 into each Security Financing Interest or will procure acknowledgement of such terms by each prospective holder of a Security Financing Interest prior to its coming into any security right or interest in the Property or portion thereof.

ARTICLE 9.
GENERAL PROVISIONS

Section 9.1 Notices, Demands and Communications. Formal notices, demands, and communications between the County and the Developer will be sufficiently given if, and not be deemed given unless, dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered by reputable overnight delivery service, or delivered personally, to the principal office of the County and the Developer as follows:

County: Contra Costa County
Department of Conservation and Development
30 Muir Road
Martinez, CA 94553
Attention: Director

Developer: Community Housing Development Corporation
of North Richmond

1535-A Third Street
Richmond, CA 94801
Attention: Executive Director

Such written notices, demands and communications may be sent in the same manner to such other addresses as the affected party may from time to time designate by mail as provided in this Section.

Section 9.2 Non-Liability of County Officials, Employees and Agents. No board members, officers, directors, representatives, consultants, employees and agents of the County may be personally liable to the Developer, or any successor in interest, in the event of any default or breach by the County or for any amount which may become due to the Developer or successor or on any obligation under the terms of this Agreement.

Section 9.3 Forced Delay. In addition to specific provisions of this Agreement, performance by either party hereunder will not be deemed to be in default where delays or defaults are due to war; insurrection; strikes; lock-outs; riots; floods; earthquakes; fires; casualties; acts of God, or other deities; acts of terrorism or the public enemy; epidemics; quarantine restrictions; freight embargoes; governmental restrictions or priority; litigation (including suits filed by third parties concerning or arising out of this Agreement); acts of the other party; acts or failure to act of any public or governmental agency or entity (other than the acts or failure to act of the County); or any other causes (other than Developer's inability to obtain financing for the Improvements) beyond the control or without the fault of the party claiming an extension of time to perform. Times of performance under this Agreement may also be extended in writing by the County and the Developer. In no event will the cumulative delays exceed one hundred twenty (120) days, unless otherwise agreed to by the Parties in writing.

Section 9.4 Inspection of Books and Records. Upon request, the Developer must permit the County to inspect at reasonable times and on a confidential basis those books, records and all other documents of the Developer necessary to determine Developer's compliance with the terms of this Agreement.

Section 9.5 Provision Not Merged with Deed. None of the provisions of this Agreement are intended to or will be merged by any grant deed transferring title to any real property which is the subject of this Agreement from County to Developer or any successor in interest, and any such grant deed will not be deemed to affect or impair the provisions and covenants of this Agreement.

Section 9.6 Title of Parts and Sections. Any titles of the articles, sections or subsections of this Agreement are inserted for convenience of reference only and should be disregarded in construing or interpreting any part of its provision.

Section 9.7 General Indemnification. The Developer hereby agrees to indemnify, defend (with counsel reasonably selected by the County) and hold the County, and its board members, officers, directors, representatives, consultants, employees and agents (collectively, the "Indemnified Parties") harmless against any and all claims, suits, actions, losses and liability of every kind, nature and description made against all or any of the Indemnified Parties, and expenses (including reasonable attorneys' fees) which arise out of or in connection with this

Agreement or any of the County Documents, including but not limited to the purchase of the Property, development of the Improvements, and the operation of the Development, except to the extent such claim arises from the grossly negligent or willful misconduct of the County. The provisions of this Section survive both the issuance of a Certificate of Completion by the County and termination of this Agreement.

Section 9.8 Applicable Law. This Agreement must be interpreted under and pursuant to the laws of the State of California.

Section 9.9 No Brokers. Each party represents to the other that it has not had any contact or dealings regarding the Property, or any communication in connection with the subject matter of this transaction, through any real estate broker or other person who can claim a right to a commission or finder's fee. If any broker or finder makes a claim for a commission or finder's fee based upon a contact, dealings, or communications, the party through whom the broker or finder makes this claim must indemnify, defend with counsel of the indemnified party's choice, and hold the indemnified party harmless from all expense, loss, damage and claims, including the indemnified party's reasonable attorneys' fees, if necessary, arising out of the broker's or finder's claim. The provisions of this section survive expiration of the Term or other termination of this Agreement, and will remain in full force and effect.

Section 9.10 Severability. If any term, provision, covenant or condition of this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions will continue in full force and effect unless the rights and obligations of the parties have been materially altered or abridged by such invalidation, voiding or unenforceability.

Section 9.11 Legal Actions and Attorneys' Fees. Any legal action commenced to interpret or to enforce the terms of this Agreement must be filed in the Superior Court of the County.

Section 9.12 Binding Upon Successors. This Agreement is binding upon and inures to the benefit of the heirs, administrators, executors, successors in interest and assigns of each of the Parties hereto, except that there may be no Transfer of any interest by any of the Parties hereto except pursuant to the terms of this Agreement. Any reference in this Agreement to a specifically named party is deemed to apply to any successor, heir, administrator, executor or assign of such party who has acquired an interest in compliance with the terms of this Agreement, or under law.

The covenants and restrictions set forth in this Agreement run with the land, and will bind all successors in title to the Property. Each and every contract, deed, or other instrument hereafter executed covering or conveying the Property will be held conclusively to have been executed, delivered, and accepted subject to such covenants and restrictions, regardless of whether such covenants or restrictions are set forth in such contract, deed, or other instrument, unless the County expressly releases the Property from the requirements of this Agreement.

Section 9.13 Parties Not Co-Venturers. Nothing in this Agreement is intended to or does establish the Parties as partners, co-venturers, or principal and agent with one another.

Section 9.14 Discretion Retained by County. The County's execution of this Agreement does not constitute approval by the County and in no way limits the discretion of the County in the permit and approval process in connection with development of the Improvements.

Section 9.15 Time of the Essence. In all matters under this Agreement, the Parties agree that time is of the essence.

Section 9.16 Representation and Warranties of Developer. The Developer hereby represents and warrants to the County as follows:

(a) Organization. The Developer is a duly organized, validly existing California corporate entity, and is in good standing under the laws of the State of California and has the power and authority to own its property and carry on its business as now being conducted.

(b) Authority of Developer. The Developer has full power and authority to execute and deliver this Agreement, or to be executed and delivered, pursuant to this Agreement, and to perform and observe the terms and provisions of all of the above.

(c) Authority of Persons Executing Documents. This Agreement and all other documents or instruments executed and delivered, or to be executed and delivered, pursuant to this Agreement have been executed and delivered by persons who are duly authorized to execute and deliver the same for and on behalf of Developer, and all actions required under the Developer's organizational documents and applicable governing law for the authorization, execution, delivery and performance of this Agreement and all other documents or instruments executed and delivered, or to be executed and delivered, pursuant to this Agreement, have been duly taken.

(d) Valid Binding Agreements. This Agreement and all other documents or instruments which have been executed and delivered pursuant to or in connection with this Agreement constitute or, if not yet executed or delivered, will when so executed and delivered constitute, legal, valid and binding obligations of the Developer enforceable against it in accordance with their respective terms.

(e) No Breach of Law or Agreement. Neither the execution nor delivery of this Agreement or of any other documents or instruments executed and delivered, or to be executed or delivered, pursuant to this Agreement, nor the performance of any provision, condition, covenant or other term hereof or thereof, will conflict with or result in a breach of any statute, rule or regulation, or any judgment, decree or order of any court, board, commission or agency whatsoever binding on the Developer, or any provision of the organizational documents of the Developer, or will conflict with or constitute a breach of or a default under any agreement to which the Developer is a party, or will result in the creation or imposition of any lien upon any assets or property of the Developer, other than liens established pursuant hereto.

(f) Compliance with Laws; Consents and Approvals. The construction of the Improvements will comply with all applicable laws, ordinances, rules and regulations of federal, state and local governments and agencies and with all applicable directions, rules and regulations of the fire marshal, health officer, building inspector and other officers of any such government or agency.

(g) Pending Proceedings. The Developer is not in default under any law or regulation or under any order of any court, board, commission or agency whatsoever, and there are no claims, actions, suits or proceedings pending or, to the knowledge of the Developer, threatened against or affecting the Developer, at law or in equity, before or by any court, board, commission or agency whatsoever which might, if determined adversely to the Developer, materially affect the Developer's ability to develop the Improvements.

(h) Title to Property. Upon the Close of Escrow, the Developer will have good and marketable fee title to the Property and there will exist thereon or with respect thereto no mortgage, lien, pledge or other encumbrance of any character whatsoever other than those liens approved by the County, liens for current real property taxes and assessments not yet due and payable, and liens in favor of the County or approved in writing by the County.

(i) Financial Statements. The financial statements of the Developer, and other financial data and information furnished by, or on behalf of the Developer, to the County fairly present the information contained therein. As of the date of this Agreement, there has not been any adverse, material change in the financial condition of the Developer from that shown by such financial statements and other data and information.

(j) Sufficient Funds. Upon the acquisition of the Property, the Developer will hold sufficient funds or binding commitments for sufficient funds to obtain the Property, and complete the construction of the Improvements in accordance with this Agreement.

Section 9.17 Entry by the County. The Developer hereby permits the County, through its officers, agents, consultants or employees, at all reasonable times, and upon forty-eight hours' notice, to enter into the Development: (a) to inspect the work of construction to determine that the same is in conformity with the requirements of this Agreement; and (b), following completion of construction to inspect the ongoing operation and management of the Development to determine that the same is in conformance with the requirements of this Agreement. The Developer acknowledges that the County is under no obligation to supervise, inspect, or inform the Developer of the progress of construction, or operations and the Developer may not rely upon the County therefor. Any inspection by the County during the construction is entirely for its purposes in determining whether the Developer is in compliance with this Agreement and is not for the purpose of determining or informing the Developer of the quality or suitability of construction. The Developer must rely entirely upon its own supervision and inspection in determining the quality and suitability of the materials and work, and the performance of architects, subcontractors, and material suppliers.

Section 9.18 Entire Understanding of the Parties. This Agreement constitutes the entire understanding and agreement of the parties. All prior discussions, understandings and written agreements are superseded by this Agreement. The Developer and the Developer's counsel have read and reviewed this Agreement and agree that any rule of construction (including, but not limited to Civil Code Section 1654, as may be amended from time to time) to the effect that ambiguities are to be resolved against the drafting party will not apply to the interpretation of this Agreement.

Section 9.19 Amendments. The parties can amend this Agreement only by means of a writing executed by the Developer and the County.

Section 9.20 Counterparts; Multiple Originals. This Agreement may be executed in counterparts, each of which is deemed to be an original.

DEVELOPMENT SCHEDULE

Heritage Point Funding Schedule:
Dated: 4/19/17

Below is a timeline of actions and activities needed to close Heritage and meet BOND, RAD and CCC timelines.

Activity Date	Start / End Dates	Approvals Needed / Date	Documents Returned to CHDC/CCC	Comments
1. Property Valuation	3/25/17 – 4/13/17	None	April 13, 2017	$530,655 Valuation; completed
2. DDA Final Comments	2/25/17 – 4-11-17	Awaiting County Counsel 4/19/17	None	Awaiting Final Comments- from CCC
3. Housing Authority RAD Neighborhood Site Review	4/12/17 – 7/12/17	Yes, HUD - Submitted	7/12/17	This is Step 1 to gaining RAD approval. The CCCHA has submitted this request; and while we are allotting for 90 days, we anticipate it will occur sooner.
3a. Housing Authority Required Financing Plan	5/19/17 – 6/15/17	Yes, CCCHA will begin process with TCAC email;	6/15/17 – CCC – MT sends plan back to CHDC 5/15/17	a) CCCHA will send confirmation of receipt of approved financing Plan b) County approved Plan by Application submittal Bonds/TCAC.
3b. Receipt of RAD Commitment	6/15/17 – 8/15/17	Yes, HUD	8/15/17	a) Aggressive timing on turnaround; but anticipating 60 days from step 3a.
3c. Submit Complete Closing Package	6/15/17 – 9/1/17	Yes, Attorneys, CCCHA, CCC, HUD, Lenders	8/15/17	a) Aggressive 2 week turnaround; will keep entire team on ready, and updated along the way. Lots of Paper work to be submitted.
3d. All RAD documents Approved and ready for HUD signature	6/15/17 – 10/15/17	Yes, All Team Review, Final Documents	11/16/17 - Closing	a) Delays could jeopardize 2017 closing due to December Holidays. b) Key to keep team members working on each individual's part.
4. CCC CDBG $1.7 Full Financing Plan	2/14/17 – 12/15/17	Yes, approved by BOS 2/14/17	Allocation inserted in DDA for: 1) Acquisition and 2) Permits and Fees	a) Critical Path item that requires expediting DDA but doesn't need to be paid out until 12/15/17 by CHDC
5. BOND APPLICATION	4/19/17 – 5/19/17	Yes, need confirmation of Financing Plan from CCC	5/10/17 to CCC for Review and handling. 5/15/17 Collection of all Documents by CHDC	a) Critical Path item as it has a 90-180 day closing schedule. b) Application should be submitted due to State allowing NPs to cancel with no risk to deposits if by 8/15/17 (see attached)
6. TCAC APPLICATION	4/19/17 – 5/19/17	Yes, need confirmation of Financing Plan from CCC	5/15/19 to Final @ CHDC	
7. OTHER ACTIVITIES:		Commitment Letter		a) Need Lender document to be submitted with final RAD documents such as Use Agreements,

Chase Commitment *Chase Underwriting* *Urban Greening App*	3/4/17 – 4/6/17 5/15/17 – 7/15/17 4/19/17 – 5-1-17	Updated: received 4/6/17 Yes, Bank documents Yes, Application accepted	8/15/17 (final RAD closing Documents) 9/30/17	New Construction Agreement, AHAP, HAP.
8. CCC LDA	6/1/17 – 7/15/17	Yes, BOS	8/20/17	a. Needs to be completed by RAD document final submittal on 9/1/17.
9. Building Permits Ready for Pick-up	12/20/17 – 5/30/17	Yes, Public Works	9/30/17	a. All other departments have approved except Public Works, awaiting their comments if any. Can be considered an immediate expenditure

Notes:

1. CHDC is still tracking an application submittal for May 19, 2017; however, we need to hear back from CCC on 33433 Report and comments on DDA to make BOS agenda deadline.

2. Key: CCCHA = Contra Costa County Housing Authority
   CCC = Contra Costa County Housing & Successor Agency
   NP's = Nonprofits for definition my State for Bond cancelation; with no loss of deposit.

3. All HUD/RAD requirement documents are being distributed on 5/19/17 to respective stakeholders.

State Clearinghouse Number (if submitted to State Clearinghouse):

Project Title: Heritage Point Mixed Use Project

Project Applicant: Community Housing & Development Corporation

Project Location: Northeast Corner of Chesley Ave & Fred Jackson Way, North Richmond, CA

Project Description:

COMMUNITY HOUSING & DEVELOPMENT CORP. (Applicant) - CONTRA COSTA COUNTY (Owner), County Files #GP13-0004, MS14-0007 & DP14-3026: 1.) General Plan Amendment to change the land use designation from Commercial (CO) and Single Family High Density (SH) to Mixed Use (MU); 2.) A Vesting Tentative Map to combine seven lots into 2 lots, and; 3.) A Preliminary and Final Development Plan to construct a 4-story, 42 unit, multi-family affordable housing development with small retail and office uses on the ground floor. Also proposed are frontage improvements which include modifications to the median strip in Fred Jackson Way to provide more room for emergency vehicles, possible off-site improvements along Fred Jackson way, north to the Wildcat Creek, involving sidewalk reconstruction, installation of corner curb cuts and/or bulb-outs, utility pole relocation and striping for bike lanes. Acquisition of an adjacent 1,060 sq. ft. property is also contemplated. The project is located at the northeast corner of Chesley Ave. and Fred Jackson Way in the unincorporated North Richmond area. (Zoning P-1) (APN's 409-080-001,020, 021, 016, 015 & 014 and 013)

The Development Plan (County File DP14-3026) and the Minor Subdivision (MS14-0007) was approved by the County Planning Commission on March 24, 2015 and;
The General Plan Amendment (GP13-0004) was approved by the Board of Supervisors on May 5, 2015.

1. The project [☐ will ☒ will not] have a significant effect on the environment.
2. ☐ An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
   ☒ A Mitigated Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [☒ were ☐ were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [☒ was ☐ was not] adopted for this project.
5. A statement of Overriding Considerations [☐ was ☒ was not] adopted for this project.
6. Findings [☒ were ☐ were not] made pursuant to the provisions of CEQA.

☒ Notice of Determination sent to Office of Planning and Research.*

This is to certify that the final Environmental Impact Report with comments and responses and record of project approval, or the Negative Declaration, is available to the General Public at:
30 Muir Road, Martinez, CA 94553

ENVIRONMENTAL CHECKLIST FORM

1.	Project Title:	Heritage Point Mixed Use Development Project General Plan Amendment, Tentative Map and Preliminary and Final Development Plan (County Files: GP13-0004, MS14-0007 & DP14-3026)
2.	Lead Agency Name and Address:	Contra Costa County Department of Conservation and Development 30 Muir Road Martinez, CA 94553
3.	Lead Agency Contact Person:	John Oborne (925) 674-7793
4.	Project Sponsors, Representative and Address:	Community Housing & Development Corp. 1535-A Fred Jackson Way Richmond, CA 94801
5.	Project Location:	0.81 acres located at the northeast corner of Chesley Ave. and Fred Jackson Way in North Richmond (unincorporated area of Contra Costa County) See Exhibit 1 for the project's location.
6.	General Plan Designation:	Commercial (CO)
7.	Zoning:	Planned Unit District (P-I)
8.	Description of Project:	The proposed project involves a request for the following entitlements from the County: 1. Approval of a Preliminary and Final Development Plan to construct a 4-story, 42-unit, multi-family affordable housing development with small retail and office uses on the ground level. To accomplish this applicant is also requesting, 2. A General Plan Amendment to change the land use designation from Commercial (CO) and Single Family High

		Density to Mixed Use (MU) and, 3. A Vesting Tentative Map to combine seven existing lots into 2 lots. Also proposed are frontage improvements which include modifications to the median strip in Fred Jackson Way to provide more room for emergency vehicles, possible off-site improvements along Fred Jackson way, north to the Wildcat Creek, involving sidewalk reconstruction, installation of corner curb cuts and/or bulb-outs, utility pole relocation and striping for bike lanes. Acquisition of an adjacent 1,060 sq. ft. property is also contemplated. The project also proposes to seek financing from the following sources: County funds as follows: Housing Successor; HOME Investment Partnerships Act (federal); Community Development Block Grant (federal), and State funds as follows: Greenhouse Gas Reduction Funds (Affordable Housing and Sustainable Communities), and other possible sources.
9.	Surrounding Land Use and Settings:	The subject parcels are bounded by the Community Heritage Senior Apartments to the west and residential neighborhoods to the east, south and north.
10.	Other Public Agencies Whose Approval is Required (e.g., permits, financing, approval, or participation agreement):	Contra Costa County Fire Protection District, Contra Costa County Public Works Dept. East Bay Municipal Utility District, West County Waste Water District Financing: County funds as follows: Housing Successor; County trust funds; HOME Investment Partnerships Act (federal); Community Development Block Grant (federal), and State funds as follows: Greenhouse Gas Reduction Funds (Affordable Housing and Sustainable Communities), and other possible sources.

ENVIRONMENTAL FACTORS POTENTIALLY AFFECTED

The environmental factors marked "x" below would be potentially affected by this project, involving at least one impact that is "Potentially Significant Impact" as indicated by the checklist.

	Aesthetics		Agricultural Resources	X	Air Quality
	Biological Resources	X	Cultural Resources	X	Geology and Soils
	Hazards and Hazardous Materials		Hydrology and Water Quality		Land Use and Planning
	Mineral Resources	X	Noise		Population and Housing
	Public Services		Recreation		Transportation/Traffic
	Utilities and Service Systems		Mandatory Findings of Significance		

DETERMINATION

On the basis of the initial evaluation:

__ I find that the proposed project COULD NOT have a significant effect on the environment, and a NEGATIVE DECLARATION will be prepared.

X I find that although the proposed project could have a significant effect on the environment, there will not be a significant effect in this case because the mitigation measures described on an attached sheet have been added to the project. A MITIGATED NEGATIVE DECLARATION will be prepared.

__ I find that the proposed project MAY have a significant effect on the environment, and an ENVIRONMENTAL IMPACT REPORT is required.

__ I find that the proposed project MAY have a significant effect(s) on the environment, but at least one effect (1) has been adequately analyzed in an earlier document pursuant to applicable legal standards, and (2) has been addressed by mitigation measures based on the earlier analysis as described on attached sheets, if the effect is a "potentially significant impact" or "potentially significant unless mitigated." An ENVIRONMENTAL IMPACT REPORT is required, but it must analyze only the effects that remain to be addressed.

__ I find that although the proposed project could have a significant effect on the environment, there WILL NOT be a significant effect in this case because all potentially significant effects (a) have been analyzed adequately in an earlier EIR pursuant to applicable standards and (b) have been avoided or mitigated pursuant to that earlier EIR, including revisions or mitigation measures that are imposed upon the proposed project.

ENVIRONMENTAL CHECKLIST

		Potentially Significant Impact	Potentially Significant Unless Mitigation Incorporated	Less Than Significant Impact	No Impact
I. AESTHETICS - Would the proposal:					
a.	Have a substantial adverse effect on a scenic vista? *(Sources 1,2)*				X
b.	Substantially damage scenic resources, including, but not limited to, trees, rock outcroppings, and historic buildings within a state scenic highway? *(Sources 1)*			X	
c.	Substantially degrade the existing visual character or quality of the site and its surroundings? *(Sources 1)*			X	
d.	Create a new source of substantial light or glare which would adversely affect day or nighttime views in the area? *(Sources 1)*			X	

Impact I.a.: Scenic Vistas. No Impact. The site is not a scenic vista (as defined by the Contra Costa General Plan) so there would be no impact.

Mitigation Measure I.a. : None Required.

Impact I.b.c.: Scenic Resources, Trees, Visual Character or Quality. Less than Significant Impact. The project proposes to remove several trees to

make room for construction, but proposes to plant 20 trees as part of the landscaping for the project. Development of the subject parcels would change the view from Fred Jackson Way from a number of parcels that are either vacant or contain older structures to a developed urban site with a new street scape that is meant to compliment the North Richmond Senior Housing Project located directly across the street. The proposed project would have a less than significant impact on scenic resources including trees and visual effect on the existing site and its surroundings.

Mitigation Measure I.b.c: None Required.

Impact I.d.: Light and Glare. Less than Significant Impact. Outdoor lighting associated with the proposed project would be designed and located to minimize ambient light levels for any given application, consistent with development standards of the North Richmond Planned Unit District. Ornamental, pedestrian scale lighting fixtures shall be utilized to the degree possible. Lighting fixtures would be designed to minimize glare and the direct view of lighting sources. Street lighting would be down lit, thus reducing the potential for glare. The number and type of street lights to be installed would need to meet the requirements of the County's Street Lighting Ordinance. This would be a less than significant impact to light and glare on the surrounding area.

Mitigation Measure I.d.: None Required.

	Potentially Significant Impact	Potentially Significant Unless Mitigation Incorporated	Less Than Significant Impact	No Impact
II. AGRICULTURAL RESOURCES - In determining whether impacts to agricultural resources are significant environmental effects, lead agencies may refer to the California Agricultural Land Evaluation and Site Assessment Model (1997) prepared by the California Department of Conservation as an optional model to use in assessing impacts on agricultural and farmland. Would the project:				
a. Convert Prime				X

		Potentially Significant Impact	Potentially Significant Unless Mitigation Incorporated	Less Than Significant Impact	No Impact
	Farmland, Unique Farmland, or Farmland of Statewide importance (Farmland), as shown on the maps prepared pursuant to the Farmland Mapping and Monitoring Program of the California Resource Agency, to non-agricultural use? *(Sources 1,5)*				
b.	Conflict with existing zoning for Agricultural use or a Williamson Act contract. *(Sources 1)*				X
c.	Involve other changes in the existing environment which, due to their location or nature, could result in conversion of Farmland, non-agricultural use? *(Sources 1,5)*				X

Impact II.a. - c.: Agricultural Soils, Agricultural Zoning. No Impact. The proposed project would not impact any prime farmland and the subject parcels are not zoned agricultural. According to a review of the Important Farmland Mapping for Contra Costa County 2010, the land area is identified as urban / built up. The subject parcels are designated Commercial under the Land Use Element Map and are proposed for a Mixed Use designation, neither of which are agricultural land uses. These parcels are not under a Williamson Act contract. Based on the foregoing information, the project would not adversely affect agricultural resources in Contra Costa County. The proposed project would have no impact on agricultural resources.

Mitigation Measures II.a. - c.: None Required.

		Potentially Significant Impact	Potentially Significant Unless Mitigation Incorporated	Less Than Significant Impact	No Impact
III. AIR QUALITY - Where available, the significant criteria established by the applicable air quality management or air pollution control district may be relied upon to make the following determinations. Would the project:					
a.	Conflict with or obstruct implementation of the applicable air quality plan? *(Sources 1, 2, 7)*			X	
b.	Violate any air quality standard or contribute to an existing or projected air quality violation? *(Source 1, 2,7)*		X		
c.	Result in a cumulatively considerable net increase of any criteria pollutant for which the project region is non-attainment under an applicable federal or state ambient air quality standard (including releasing emissions which exceed quantitative thresholds for ozone precursors)? *(Source 1, 2,7)*			X	
d.	Expose sensitive receptors to substantial pollutant concentrations?			X	

		Potentially Significant Impact	Potentially Significant Unless Mitigation Incorporated	Less Than Significant Impact	No Impact
	(Source 1, 2)				
e.	Create objectionable odors affecting a substantial number of people? *(Source 1, 2)*				X

Impact III.a.: Conflict with or obstruct implementation of the applicable air quality plan? Less than Significant.

The air quality plan applicable to the project area is the Bay Area Air Quality Management District's (BAAQMD) Bay Area 2010 Clean Air Plan (Clean Air Plan), which was adopted on September 15, 2010.[1] The Clean Air Plan is a comprehensive plan to improve Bay Area air quality and protect public health. The Clean Air Plan defines control strategies to reduce emissions and ambient concentrations of air pollutants; safeguard public health by reducing exposure to air pollutants that pose the greatest heath risk, with an emphasis on protecting the communities most heavily affected by air pollution; and reduce greenhouse gas emissions to protect the climate. Consistency with the Clean Air Plan can be determined if the project: 1) supports the goals of the Clean Air Plan; 2) includes applicable control measures from the Clean Air Plan; and 3) would not disrupt or hinder implementation of any control measures from the Clean Air Plan. An evaluation of the project's consistency with each of these criteria is provided below. As described below, the proposed project would not conflict with or obstruct implementation of the Clean Air Plan and this impact would be less than significant.

Clean Air Plan Goals. The primary goals of the Clean Air Plan are to: attain air quality standards; reduce population exposure to air pollutants and protect public health in the Bay Area; and reduce greenhouse gas emissions and protect the climate. As indicated in the analysis that follows in Sections III.b and VII.a, below, the proposed project would not exceed the BAAQMD's significance criteria for air pollutants or greenhouse gas emissions and would not increase exposure of the population to air pollutants. The proposed project would not hinder the region from attainment of the goals outlined in the Clean Air Plan. Therefore, the project supports the goals of the Clean Air Plan.

Clean Air Plan Control Measures. The BAAQMD identifies control measures as part of the Clean Air Plan to reduce ozone precursor emissions from stationary, area, mobile, and transportation sources. The transportation control measures are designed to reduce emissions from motor vehicles by reducing vehicle trips and vehicle miles traveled (VMT) in addition to vehicle idling and traffic congestion. The proposed project

[1] Bay Area Air Quality Management District, 2010. *Bay Area 2010 Clean Air Plan.* September 15.

would not conflict with the identified transportation and mobile source control measures of the Clean Air Plan. Moreover, the proposed project would result in only a slight overall trip generation increase when compared to the existing allowed uses. Refer to Section XVI.a for additional discussion related to project trip generation.

The Clean Air Plan includes Land Use and Local Impacts Measures (LUMs) that aim to achieve the following: promote mixed-use, compact development to reduce motor vehicle travel and emissions and ensure that planned growth is focused in a way that protects people from exposure to air pollution from stationary and mobile sources of emissions. The LUMs identified by the BAAQMD are not specifically applicable to the proposed project as they relate to actions the BAAQMD will take in the future to reduce impacts from the movement of goods and health risks in affected communities. The LUMs also detail new regulatory actions the BAAQMD will undertake related to land use, including the updated CEQA Air Quality Guidelines and indirect source review, which is still under development by the BAAQMD. However, the project is consistent with the goal of the measures as the project would construct a mixed-use development, would not expose people to air pollution and is an infill project and consistent with the vision established in the Clean Air Plan. Thus, the project would not conflict with any of the LUMs of the Clean Air Plan.

The Clean Air Plan also includes Energy and Climate Control Measures (ECM), which are designed to reduce ambient concentrations of criteria pollutants and reduce emissions of CO_2. Implementation of these measures is intended to promote energy conservation and efficiency in buildings throughout the community, promote renewable forms of energy production, reduce the "urban heat island" effect by increasing reflectivity of roofs and parking lots, and promote the planting of (low-VOC-emitting)[2] trees to reduce biogenic emissions, lower air temperatures, provide shade, and absorb air pollutants. The energy measures of the Clean Air Plan are not specifically applicable to the proposed project. The project would however implement the energy measures as the BAAQMD and local governments (i.e., Contra Costa County) adopt the BAAQMD's energy measures as regulations in the future. The project would also be consistent with the latest Title 24 standards.[3] For all of these reasons, the proposed project would be consistent with the Clean Air Plan's energy measures.

Clean Air Plan Implementation. The project would develop a residential mixed-use on an infill site which is consistent with the vision of the Clean Air Plan. Control measures included in the plan include stationary source measures, transportation control measures, mobile source measures, land use and local impact measures, and energy and climate measures. The stationary source measures are not applicable to the proposed project as the measures relate to activities such as metal-melting facilities, open burning, livestock waste, and refineries which are not proposed as part of the

[2] VOC refers to volatile organic compounds.

[3] Title 24 of the California Code of Regulations, also titled *The Energy Efficiency Standards for Residential and Nonresidential Buildings*, is part of the California Building Standards Code and is regulated by the California Energy Commission. The standards are updated periodically to allow consideration and possible incorporation of new energy efficiency technologies and methods. The 2013 standards will be effective July 1, 2014.

project. Therefore, the project would not hinder implementation of these measures. As discussed above, the project would implement the applicable transportation, mobile source, land use and local impact, and energy control measures and would not hinder implementation of these measures. Therefore, the proposed project would not hinder or disrupt implementation of any control measures from the Clean Air Plan.

Mitigation Measure III.a.: None Required.

Impact III.b.: Violate any air quality standard or contribute substantially to an existing or projected air quality violation. Potentially Significant Unless Mitigation Incorporated.

Both State and federal governments have established health-based Ambient Air Quality Standards for six criteria air pollutants: carbon monoxide (CO), ozone (O_3), nitrogen dioxide (NO_2), sulfur dioxide (SO_2), lead (Pb), and suspended particulate matter (PM). These standards are designed to protect the health and welfare of the populace with a reasonable margin of safety. The Bay Area is under nonattainment status for State 1-hour and 8-hour ozone standards. In addition, the Bay Area was designated as a nonattainment area for the federal 8-hour ozone level. The Bay Area is also considered a nonattainment area for $PM_{2.5}$ at the State level and an attainment area at the federal level.

To meet these standards the BAAQMD has established project level thresholds for reactive organic gases (ROG), nitrogen oxides (NO_x), particulate matter 2.5 ($PM_{2.5}$). ROG is formed from combustion of fuels and evaporation of organic solvents. ROG is an ozone precursor and a prime component of the photochemical reaction that forms ozone. NO_x refers to the compounds of NO_2, a reddish-brown gas, and nitric oxide (NO), a colorless, odorless gas, are formed from fuel combustion under high temperature or pressure. NO_x is a primary component of the photochemical smog reaction. $PM_{2.5}$ refers to fine suspended particulate matter with an aerodynamic diameter of 2.5 microns or less, and particulate matter 10 (PM_{10}) which refers to coarse particles that are larger than 2.5 microns but smaller than 10 microns.

According to the BAAQMD's *CEQA Guidelines*, to meet air quality standards for operational-related criteria air pollutant and air precursor impacts, the project must not:

- Generate construction emissions of ROG, NO_x or $PM_{2.5}$ greater than 54 pounds per day or PM_{10} exhaust emissions greater than 82 pounds per day;

Contribute to CO concentrations exceeding the State ambient air quality standards; or

Generate operation emissions of ROG, NO_x or $PM_{2.5}$ of greater than 10 tons per year or 54 pounds per day or PM_{10} emissions greater than 15 tons per year or 82 pounds per day.

Construction and operation emissions associated with the proposed project are analyzed below. As discussed, with implementation of Mitigation Measures AIR-1, the proposed project would not generate construction- or operation-period emissions in excess of established standards and would therefore not violate any air quality standards or contribute substantially to an existing or projected air quality violation.

Construction Emissions. During construction, short-term degradation of air quality may occur due to the release of particulate emissions generated by excavation, grading, hauling, and other activities. Emissions from construction equipment are also anticipated and would include CO, NO_x, ROG, directly-emitted particulate matter ($PM_{2.5}$ and PM_{10}), and toxic air contaminants (TACs) such as diesel exhaust particulate matter.

Site preparation and project construction would involve demolition of the existing structures and pavements on the project site, clearing, excavation, grading, and building activities. Construction-related effects on air quality from the proposed project would be greatest during the site preparation phase because most engine emissions are associated with the excavation, handling, and transport of soils on the site. If not properly controlled, these activities could temporarily generate PM_{10}, $PM_{2.5}$, and small amounts of CO, SO_2, and NO_x. Sources of fugitive dust would include disturbed soils at the construction site and trucks carrying uncovered loads of soils. Unless properly controlled, vehicles leaving the site could deposit dirt and mud on local streets, which could be an additional source of airborne dust after it dries and is stirred-up by passing vehicles. PM_{10} emissions would vary from day to day, depending on the nature and magnitude of construction activity and local weather conditions. PM_{10} emissions would depend on soil moisture, silt content of soil, wind speed, and the amount of operating equipment. Larger dust particles would settle near the source, while fine particles would be dispersed over greater distances from the construction site. These emissions would be temporary and limited to the immediate area surrounding the construction site.

Construction emissions were estimated for the project using the California Emissions Estimator Model (CalEEMod) as approved by the BAAQMD. Construction-related emissions are presented in Table 1 and assume a total construction duration of 12 months. Model output sheets are included in Appendix A.

The effects of construction activities would be increased dustfall and locally elevated levels of PM_{10} downwind of construction activity. Although ROG, NO_x and exhaust emissions would not exceed the established thresholds as identified in Table 1, the BAAQMD requires the implementation of Construction Best Management Practices to ensure construction impacts are reduced to a less-than-significant level. Implementation of the following mitigation measure would require implementation of the BAAQMD's Best Management Practices and would reduce diesel PM exhaust emissions as well as construction dust (PM_{10} and $PM_{2.5}$) impacts to a less-than-significant level.

Table 1: Project Construction Emissions in Pounds Per Day

Project Construction	ROG	NO_x	Exhaust $PM_{2.5}$	Exhaust PM_{10}
Average Daily Emissions	6.0	13.9	0.9	0.9
BAAQMD Thresholds	54.0	54.0	54.0	82.0
Exceed Threshold?	**No**	**No**	**No**	**No**

Source: LSA Associates, Inc., 2015.

Mitigation Measure AIR 1: Consistent with the Best Management Practices required by the BAAQMD, the following actions shall be incorporated into construction contracts and specifications for the project:

- All exposed surfaces (e.g., parking areas, staging areas, soil piles, graded areas, and unpaved access roads) shall be watered two times per day.
- All haul trucks transporting soil, sand, or other loose material off-site shall be covered.
- All visible mud or dirt tracked-out onto adjacent public roads shall be removed using wet power vacuum street sweepers at least once per day. The use of dry power sweeping is prohibited.
- All vehicle speeds on unpaved roads shall be limited to 15 mph.
- All roadways, driveways, and sidewalks to be paved shall be completed as soon as possible.
- Building pads shall be laid as soon as possible after grading unless seeding or soil binders are used.
- Idling times shall be minimized either by shutting equipment off when not in use or reducing the maximum idling time to 5 minutes (as required by the California airborne toxics control measure Title 13, Section 2485 of California Code of Regulations [CCR]). Clear signage shall be provided for construction workers at all access points.
- All construction equipment shall be maintained and properly tuned in accordance with manufacturer's specifications. All equipment shall be checked by a certified mechanic and determined to be running in proper condition prior to operation.
- A publicly visible sign shall be posted with the telephone number and contact information for the designated on-site construction manager available to receive and respond to dust complaints. This person shall report all complaints to project

developer and take immediate corrective action as soon as practical but not more than 48 hours after the complaint is received. The BAAQMD's phone number shall also be visible to ensure compliance with applicable regulations.

Localized CO Impacts. The BAAQMD has established a screening methodology that provides a conservative indication of whether implementation of a proposed project would result in significant CO emissions. According to the BAAQMD's *CEQA Air Quality Guidelines*, a proposed project would result in a less-than-significant impact to localized CO concentrations if the following screening criteria are met:

The project is consistent with an applicable congestion management program established by the county congestion management agency for designated roads or highways, and the regional transportation plan and local congestion management agency plans.

Project traffic would not increase traffic volumes at affected intersections to more than 44,000 vehicles per hour. The project would also not increase traffic volumes at affected intersections to more than 24,000 vehicles per hour where vertical and/or horizontal mixing is substantially limited (e.g., tunnel, parking garage, bridge underpass, natural or urban street canyon, or below-grade roadway).

The proposed project would not conflict with the Contra Costa County Transportation Authority's Congestion Management Program for designated roads or highways, a regional transportation plan, or other agency plans. The project site is not located in an area where vertical or horizontal mixing of air is substantially limited. In addition, traffic volumes on roadways in the vicinity of the project site are less than 44,000 vehicles per hour (refer to Section XVI for additional information). Therefore, the proposed project would not result in localized CO concentrations that exceed State or federal standards.

Operational Emissions – Regional Emissions Analysis. In addition to short-term construction emissions, the project would generate long-term operational air emissions. These long-term emissions are primarily mobile source emissions that would result from vehicle trips associated with the proposed project. Area sources, such as natural gas heaters, landscape equipment, and use of consumer products would also result in pollutant emissions. The Contra Costa County Ordinance Code Section *718-10* prohibits the installation of non-EPA certified wood burning appliances. The CalEEMod emissions analysis reflects this ordinance. CalEEMod was used to calculate long-term mobile and area source emissions. CalEEMod output sheets are included in Appendix A.

The primary emissions associated with the project are regional in nature, meaning that air pollutants are rapidly dispersed on emission or, in the case of vehicle emissions associated with the project, emissions are released in other areas of the Air Basin. The daily emissions associated with project operational trip generation and area sources are

identified in Table 2 for ROG, NO_x, PM_{10}, and $PM_{2.5}$. The results indicate that project emissions would not exceed the significance thresholds for maximum daily emissions; therefore, the proposed project would not have a significant effect on regional air quality.

Table 2: Project Regional Emissions

Emission Category	Reactive Organic Gases (ROG)	Nitrogen Oxides (NO_x)	PM_{10}	$PM_{2.5}$
Emissions in Pounds Per Day				
Area Source Emissions	1.34	0.04	0.06	0.06
Energy Source	0.01	0.08	0.01	0.01
Mobile Source Emissions	1.82	3.52	0.04	0.04
Total Emissions	**3.17**	**3.64**	**0.11**	**0.11**

Significance After Mitigation: Less Than Significant

Imapact III.c: Result in a cumulatively considerable net increase of any criteria pollutant for which the project region is non-attainment under an applicable federal or State ambient air quality standard (including releasing emissions which exceed quantitative thresholds for ozone precursors. Less than Significant.

CEQA defines a cumulative impact as two or more individual effects, which when considered together, are considerable or which compound or increase other environmental impacts. According to the BAAQMD, air pollution is largely a cumulative impact and no single project is sufficient in size to itself result in nonattainment of ambient air quality standards. In developing the thresholds of significance for air pollutants used in the analysis above, the BAAQMD considered the emission levels for which a project's individual emissions would be cumulatively considerable. The BAAQMD *CEQA Air Quality Guidelines*[4] indicate that if a project exceeds the identified significance thresholds, it's emissions would be cumulatively considerable, resulting in significant adverse air quality impacts to the region's existing air quality conditions. Therefore, if a project's daily average or annual emissions of operational-related criteria air pollutants exceed any applicable threshold established by the BAAQMD, the proposed project would result in a cumulatively significant impact.

As shown in Table 2 above, implementation of the proposed project would generate regional emissions that do not exceed established thresholds. Therefore, the project would not make a cumulatively considerable contribution to regional air quality impacts.

Mitigation Measure III.c: None Required.

Impact III.d: Expose sensitive receptors to substantial pollutant concentrations. Less than Significant Impact.

Sensitive receptors are defined as residential uses, schools, daycare centers, nursing homes, and medical centers. Individuals particularly vulnerable to diesel particulate matter (DPM) are children, whose lung tissue is still developing, and the elderly, who may have serious health problems that can be aggravated by exposure to DPM. Exposure from diesel exhaust associated with construction activity contributes to both cancer and chronic non-cancer health risks.

This section describes the potential impact on sensitive receptors from construction and operation of the proposed project.

[4] Bay Area Air Quality Management District, 2012. *California Environmental Quality Act, Air Quality Guidelines.* May.

Project Construction – Toxic Air Contaminants. During construction, various diesel-powered vehicles and equipment would be in use. In 1998, the California Air Resources Board (ARB) identified particulate matter from diesel-fueled engines as a toxic air contaminant (TAC). The ARB has completed a risk management process that identifies potential cancer risks for a range of activities using diesel-fueled engines.[5] High volume freeways, stationary diesel engines and facilities attracting heavy and constant diesel vehicle traffic (e.g., distribution centers and truck stops) were identified as having the highest associated risk.

Health risks from TACs are a function of both concentration and duration of exposure. Unlike the above types of sources, construction diesel emissions are temporary, affecting an area for a period of days or perhaps weeks. Additionally, construction-related sources are mobile and transient in nature, and the emissions occur within the project site. Given the short duration of project construction, the construction of the project would not expose sensitive receptors to substantial pollutant concentrations. Additionally, with implementation of Mitigation Measure AIR-1, which is consistent with BAAQMD guidelines, health risks from construction emissions of diesel particulate would be less than significant.

Stationary Sources. Once operational, the project would include residential uses which would not be a source of toxic air contaminants, however future residents of the site would be considered sensitive receptors. The ARB recommends avoiding the siting of new sensitive land uses within 500 feet of a freeway.[6] Sources of TACs that could impact future residents would include diesel emissions from highways or to a lesser extent, railroad tracks. The project site is located more than 2,000 feet from a rail line and more than 2 miles from the closest freeway (Instate 80). According to the ARB, at this distance, these sources would not substantially impact the project site. The BAAQMD issues permits to businesses whose operation includes the release of toxic air contaminants. These operations are known as stationary air pollution sources. The project was evaluated to determine the potential impact of these stationary air pollution sources on the proposed project. In order to identify stationary sources for a particular location, the BAAQMD provides KML (Google Earth) files for each county within their jurisdiction. Using the KML file for Contra Costa County and a 1,000-foot buffer zone, no stationary sources were identified within the vicinity of the project site. Therefore, development of the project would not expose future residents of the project site to substantial pollutant concentrations.

Mitigation Measure III.d: None Required.

---

[5] California Air Resources Board, 2000. *Risk Reduction Plan to Reduce Particulate Matter Emissions from Diesel-Fueled Engines and Vehicles*. October.

[6] ARB, 2005. *Air Quality and Land Use Handbook: A Community Health Perspective*. April.

Impact III.e: Create objectionable odors affecting a substantial number of people. No Impact.

The project does not include any activities or operations that would generate objectionable odors. The project is not located in an area with confirmed odor complaints and once operational, the project would not be a source of odors. Therefore, the project would not create objectionable odors affecting a substantial number of people.

Mitigation Measure III.e.: None Required.

		Potentially Significant Impact	Potentially Significant Unless Mitigation Incorporated	Less Than Significant Impact	No Impact
IV. BIOLOGICAL RESOURCES – Would the project:					
a.	Have a substantial adverse effect, either directly or through habitat modifications, on any species identified as a candidate, sensitive, or special status species in local or regional plans, policies, or regulations, or by the California Department of Fish and game or U.S. Fish and Wildlife Service? *(Sources 1, 2)*				X
b.	Have a substantial adverse effect on any riparian habitat or other sensitive natural community identified in local or regional plans, policies, and				X

		Potentially Significant Impact	Potentially Significant Unless Mitigation Incorporated	Less Than Significant Impact	No Impact
	regulations or by the California Department of Fish and Game or U.S. Fish and Wildlife Service? *(Sources 1, 2)*				
c.	Have a substantial adverse effect on federally protected wetlands as defined by Section 404 of the Clean Water Act (including, but not limited to, marsh, vernal pool, coastal, etc.) through direct removal, filling, hydrological interruption, or other means? *(Sources 1, 2)*				X
d.	Interfere substantially with the movement of any native resident or migratory fish or wildlife species or with established native resident or migratory wildlife corridors, or impede the use of native wildlife nursery sites? *(Sources 1, 2)*				X
e.	Conflict with any local policies or ordinances protecting biological resources, such as tree preservation policy or ordinance? *(Sources 1, 2, 3)*			X	
f.	Conflict with the provisions of an adopted Habitat				X

		Potentially Significant Impact	Potentially Significant Unless Mitigation Incorporated	Less Than Significant Impact	No Impact
	Conservation Plan, Natural Community Conservation Plan, or other approved local, regional, or state habitat conservation plan? *(Sources 1, 2)*				

Impact IV.a. - d.: Species, Riparian, Wetlands, Corridors. No Impact.

The project site is located in an urban área and consists of several parcels that are either vacant or have older structures on them.

The project site does not contain areas subject to the jurisdiction of the U.S. Army Corps of Engineers (Section 404 Clean Water Act), or California Department of Fish and Game (Section 1600 Fish and Game Code). The Project would not disturb any hábitat on which fish and wildlife depend.

The proposed project would not interfere with the movement of wildlife or impede use of any wildlife nurseries, or result in substantial loss of wildlife habitat. No fishery resources or important nursery areas would be affected. The proposed project would conform to relevant policies in the Contra Costa County General Plan and the North Richmond Planned Unit District Zoning Plan.

Mitigation Measure IV. a. - d. and f.: None Required.

Impact IV.e.: Trees. Less than Significant. As noted above there are several trees proposed for removal to make room for construction of the project. The project proposes to plant 20 trees as part of the landscape plan and therefore, impacts to trees are considered a less than significant impact.

Mitigation Measure IV.e.: None Required.

Impact IV.f.: Conservation Plans. No Impact. The proposed project would not conflict with any adopted Habitat Conservation Plan, Natural Community Conservation Plan or other approved conservation plan as no conservation plans have been adopted encompassing the project and any other areas within the vicinity of the site; therefore, no impact is anticipated.

Mitigation Measure IV.f.: None Required.

		Potentially Significant Impact	Potentially Significant Unless Mitigation Incorporated	Less Than Significant Impact	No Impact
V. CULTURAL RESOURCES – Would the project:					
a.	Cause a substantial adverse change in the significance of a historic resource as defined in 15064.5? *(Sources 1, 2, 6)*		X		
b.	Cause a substantial adverse change in the significance of an archaeological resource pursuant to 15064.5? *(Sources 1, 2,6)*		X		
c.	Directly or indirectly destroy a unique paleontological resource or site or unique geologic feature? *(Sources 1, 2,6)*		X		
d.	Disturb any human remains, including those interred outside of formal cemeteries? *(Sources 1, 2,6)*		X		

Affected Environment:

LSA Associates, Inc., (LSA) conducted a technical study of the project site in January 2015. The study was conducted to identify cultural resources that may occur in the project site and, should such resources occur, assess the status of the resources relative to PRC §21084.1 and §21083.2. The study consisted of background research, including records searches, archival research, and a literature review of the project site; a cultural resources field survey; and a historical resource evaluation.

No archaeological deposits or human remains were identified in the project site by this study; however, prehistoric archaeological sites have been recorded in the vicinity, near the historic margin of bay tidal marshland and along Wildcat Creek. Landforms mapped at the project site and vicinity indicate the potential for buried surfaces (paleosols) that date from the Holocene. These surfaces have the potential to contain prehistoric archaeological deposits and human remains. Holocene landforms, however, are too recent to contain paleontological resources (fossils).

The two buildings are located on the project site, both associated with the mid-20th century development of North Richmond. Each building is described below.

305 Chesley Avenue. Based on building permits and archival information, the building at 305 Chesley Avenue was constructed in 1959 as a single-story commercial building. It is a modest example of vernacular style architecture with Modernist influences. The building has cinder-block walls with the south, main street-facing façade partially clad in narrow, stacked cinder block below the ribbon windows. The building is covered by a very-low pitched roof partially concealed by a short parapet. Fenestration consists of large, fixed-paned replacement windows with simulated, square 4-by-5 muntins on the south, main street-facing facade and four, metal framed windows set in recessed cinder-block casements near the top of the west façade. The main entrance is located under a full-width, flat, boxed overhanging eave and consists of a replacement metal door set in a narrowed door frame in a recessed doorway. A side entrance is located at the far left of the west façade. The west façade features a full-length, undated decorative mural. The rear of the building contains a paved asphalt parking lot.

Based on information from building permits and archival research, the building was built in 1959 and continued a shoe repair shop, a liquor store, and then a satellite office of Neighborhood House of North Richmond, a community non-profit improvement organization. Apparent alterations include replacement windows, replacement and reconfigured main entrance, and a change in use from a commercial property to a non-profit community organization facility.

1550 Fred Jackson Way. Based on building permits and archival information, the building at 1550 Fred Jackson Way was constructed in 1940 as a single-story residential building. It is a negligible example of vernacular style architecture. The building has a rectangular-shaped footprint, is covered by a low-pitch, cross-gabled roof, and has walls clad in stucco. The main façade is roughly divided into two sections with a smaller, square-shaped addition attached to the southern façade. The building has two entrances; the main entrance is located in the center of the west facing façade and is accessed by a series of short, wooden steps. The other entrance is in the right side of the west façade of the southern addition and is also accessed by a series of short, wooden steps. Fenestration is concealed behind large, plywood sheets.

Based on information from building permits and archival research, the building at 1550 Fred Jackson Way was built in 1940 and modified sometime in the last 35 years, based on the age and condition of the southern addition. Visible alterations include the addition

to the southern façade, installation of metal security bars at several windows, and patchwork repair stucco wall repair. Alternations to the original fenestration were not determined due to all casements covered with plywood sheeting.

Status of Buildings under CEQA

Based on the results of the LSA study, the buildings at 305 Chesley Avenue and 1550 Fred Jackson Way do not appear eligible for listing in the California Register of Historical Resources, nor do they otherwise qualify as historical resources under CEQA (PRC §21084.1). The commercial building built in 1959 at 305 Chesley Avenue was formerly a shoe repair shop, then a liquor store, and was later associated with a community non-profit improvement organization founded in 1954. The residential building built in 1940 at 1550 Fred Jackson Way was a residential property. Both buildings are vacant and in fair-to-poor condition with replacement windows, main entrance doors, wall-cladding, and setting and context changes to the surrounding area.

The methods, results, and recommendations of the LSA study are presented in the technical report included as Cultural Resource Study Heritage Point, Appendix B.

Impact V.a.: Would the project cause a substantial adverse change in the significance of a historical resource as defined in Section 15064.5? (Potentially Significant Unless Mitigation Incorporated)

Archaeological Cultural Resources

No archaeological deposits were identified in the project site by this study; however, prehistoric archaeological sites have been recorded in the vicinity, near the historic margin of bay tidal marshland and along Wildcat Creek. Landforms mapped at the project site and vicinity indicate the potential for buried surfaces (paleosols) that date from the Holocene. These surfaces have the potential to contain prehistoric archaeological deposits.

Should the project site contain archaeological deposits as described above, such deposits could qualify as a historical resource, in which case their disturbance by project activities would result in material impairment. Material impairment of a historical resource would result in a substantial adverse change in its significance, which could result in an impact under CEQA (*CEQA Guidelines* §15064.5(b)). This impact would be **significant**.

The implementation of Mitigation Measure CULT-1, below, would reduce this potential impact to a less-than-significant impact.

Mitigation Measure CULT-1. If deposits of prehistoric or historical archaeological materials are discovered during project activities, all work within 50 feet of the discovery shall be redirected. Project personnel shall not collect or move any archaeological materials. A qualified archaeologist

shall be contacted to assess the situation and consult with agencies as appropriate, including the Contra Costa County Department of Conservation and Development. The archaeologist shall make recommendations for the treatment of the discovery.

It is recommended that adverse effects to archaeological deposits be avoided by project activities. If avoidance is not feasible, the archaeological deposits shall be evaluated for their eligibility for listing in the California Register of Historical Resources (PRC §21084.1; *CEQA Guidelines* §15064.5(c)(1)), or whether the deposit qualifies as a "unique archaeological resource" under CEQA. If the deposits are neither eligible for the California Register of Historical Resources nor unique archaeological resources, avoidance is not necessary. If the deposits are eligible or qualify as unique archaeological resources under CEQA, adverse effects on the deposits must be avoided, or such effects must be mitigated. Mitigation can include, but is not necessarily limited to, excavation of the deposit in accordance with a data recovery plan (see *CEQA Guidelines* §15126.4(b)(3)(C)) and standard archaeological field methods and procedures; laboratory and technical analyses of recovered archaeological materials; preparation of a report detailing the methods, findings, and significance of the archaeological site and associated materials; and, if appropriate, accessioning the historic archaeological material and technical report to an archaeological repository. Educational public outreach may also be appropriate.

Upon completion of the assessment, the archaeologist shall prepare a report documenting the methods and results of resource evaluation and mitigation efforts. The report shall be submitted to the Northwest Information Center at Sonoma State University.

The project applicant shall inform its contractor(s) of the sensitivity of the project site for archaeological resources. The Contra Costa County Department of Conservation and Development shall verify that the following directive has been included in the appropriate construction documents:

"If prehistoric or historical archaeological deposits are discovered during project activities, all work within 50 feet of the discovery shall be redirected. The project applicant shall notify the Contra Costa County Department of Conservation and Development. A qualified archaeologist shall also be contacted to assess the situation and make recommendations regarding the treatment of the discovery. Project personnel shall not collect or move any archaeological materials or human remains and associated materials. Archaeological resources that may be encountered include flaked-stone tools (e.g., projectile points, knives, choppers) or obsidian or chert toolmaking debris; culturally darkened soil (i.e., midden soil often containing heat-affected rock, ash and charcoal,

shellfish remains, faunal bones, and cultural materials); and stone-milling equipment (e.g., mortars, pestles, handstones). Prehistoric archaeological sites often contain human remains. Historical materials can include wood, stone, concrete, or adobe footings, walls, and other structural remains; debris-filled wells or privies; and deposits of wood, glass, ceramics, metal, and other refuse."

This mitigation measure would reduce the severity of the potential impact by providing for the identification and evaluation of archaeological deposits when encountered, and the recovery of scientifically consequential information from those deposits that qualify as significant and would be disturbed. This mitigation measure would reduce the potential impact to **less than significant.**

Built Environment Cultural Resources

The only two built environment cultural resources in the project site, the buildings at 305 Chesley Avenue and 1550 Fred Jackson Way, do not appear eligible for listing in the California Register of Historical Resources, nor do they otherwise qualify as historical resources under CEQA (PRC §21084.1).

The removal of the buildings at 305 Chesley Avenue and 1550 Fred Jackson Way would result in a less-than-significant impact.

Mitigation Measure V.a.: None Required

Impact V.b.: *Would the project cause a substantial adverse change in the significance of an archaeological resource pursuant to Section 15064.5?* **(Potentially Significant Impact Unless Mitigation Incorporated)**

No archaeological deposits were identified in the project site by this study; however, prehistoric archaeological sites have been recorded in the vicinity, near the historic margin of bay tidal marshland and along Wildcat Creek. Landforms mapped at the project site and vicinity indicate the potential for buried surfaces (paleosols) that date from the Holocene. These surfaces have the potential to contain prehistoric archaeological deposits.

Should the project site contain archaeological deposits as described above, such deposits could qualify as a unique archaeological resource, in which case their disturbance by project activities would result in material impairment. Material impairment of a unique archaeological resource would result in a substantial adverse change in its significance, which could result in an impact under CEQA (*CEQA Guidelines* §15064.5(b)). This would be a less than significant impact.

The implementation of Mitigation Measure CULT-1, described previously, would reduce this potential impact to a less-than-significant impact. The mitigation measure would reduce the severity of the potential impact by providing for the

identification and evaluation of archaeological deposits when encountered, and the recovery of scientifically consequential information from those deposits that qualify as significant and would be disturbed.

Significance After Mitigation: Less than Significant

c) **Would the project directly or indirectly destroy a unique paleontological resource or site or unique geologic feature? (Potentially Significant Impact Unless Mitigation Incorporated)**

The surface geology at the project site is mapped as Holocene alluvial fan and fluvial deposits (Qhaf). These deposits are brown or tan, medium dense to dense, gravely sand or sandy gravel that generally grades upward, to sandy or silty clay. Clear Lake clay (0 to 15 percent slopes) is associated with this Holocene landform. Clear Lake clay is a poorly drained vertisol developed from clayey alluvium derived from metamorphic and sedimentary rock.

The Holocene deposits underlying the project site are too recent to contain significant fossils. However, in the unlikely event that project excavation extends below the Holocene alluvium and encounters Pleistocene alluvium, potentially significant fossils could be encountered. Should such fossils be encountered and qualify as paleontological resources, their disturbance would result in an impact under CEQA. This would be a significant impact unless mitigated.

The implementation of Mitigation Measure CULT-2, described below, would reduce this potential impact to a less-than-significant impact.

> **Mitigation Measure CULT-2.** Should any potentially unique paleontological resources (fossils) be encountered during development activities, work shall be halted immediately within 50 feet of the discovery. The Contra Costa County Department of Conservation and Development shall be notified immediately, and a qualified paleontologist shall be retained to determine the significance of the discovery. Based on the significance of the discovery, the qualified paleontologist shall present options to the Contra Costa County Department of Conservation and Development for protecting the resources. Appropriate action may include avoidance, preservation in place, excavation, documentation, and/or data recovery, and shall always include preparation of a written report documenting the find and describing steps taken to evaluate and protect significant resources. The Contra Costa County Department of Conservation and Development will implement feasible and appropriate recommendations and mitigation measures of the qualified paleontologist for any unanticipated discoveries. Such measures may include avoidance,

preservation in place, excavation, documentation, curation, data recovery or other appropriate measures.

The project applicant shall inform its contractor(s) of the sensitivity of the project site for paleontological resources. The Contra Costa County Department of Conservation and Development shall verify that the following directive has been included in the appropriate construction documents:

"The subsurface of the construction site may be sensitive for fossils. If fossils are encountered during project subsurface construction, all ground-disturbing activities within 50 feet shall be redirected. The project applicant shall notify the Contra Costa County Department of Conservation and Development Planning Department. A qualified paleontologist shall also be contacted to assess the situation and make recommendations for the treatment of the discovery. Project personnel shall not collect or move any fossils or surrounding matrix. Fossils that may be encountered include invertebrate fossils such as snails, clam and oyster shells, sponges, and protozoa; and vertebrate fossils such as fish or sea mammal bones."

This mitigation measure would reduce the severity of the potential impact by providing for the identification and evaluation of paleontological resources when encountered, and the recovery of scientifically consequential information from those resources that qualify as significant and would be disturbed.

Significance After Mitigation: Less than Significant

<u>Impact V. d.:</u> Would the project disturb any human remains, including those interred outside of formal cemeteries? (Potentially Significant Unless Mitigated)

Prehistoric archaeological sites in this portion of Contra Costa County are known to contain Native American skeletal remains. Although no such remains have been identified within the project site, there is a possibility of encountering such remains, either in isolation or with prehistoric archaeological deposits that may have been buried beneath fill during previous construction of the site. Should the project site contain human remains as described above, the disturbance of such remains would result in an impact under CEQA. This would be a significant impact unless mitigated.

The implementation of Mitigation Measure CULT-3, described previously, would reduce this potential impact to a less-than-significant impact.

Mitigation Measure CULT-3. If human remains are discovered during project activities the procedures outlined in Section 7050.5 of the California Health and Safety Code shall be implemented. Work within 50 feet of the discovery shall be redirected and the Contra Costa County Coroner notified immediately. At the

same time, an archaeologist shall be contacted to assess the situation and consult with agencies as appropriate, including the Contra Costa County Department of Conservation and Development. Project personnel shall not collect or move any human remains and associated materials.

If the human remains are of Native American origin, the Coroner must notify the Native American Heritage Commission within 24 hours of this identification. The Native American Heritage Commission will identify a Most Likely Descendant to inspect the site and provide recommendations for the proper treatment of the remains and associated grave goods.

The project applicant shall inform its contractor(s) of the appropriate procedures if human remains are encountered on the project site. The Contra Costa County Department of Conservation and Development shall verify that the following directive has been included in the appropriate construction documents:

> *"If human remains are encountered during project activities, work within 50 feet of the discovery shall be redirected and the County Coroner notified immediately. At the same time, the project applicant shall notify the Contra Costa County Department of Conservation and Development of the discovery, and a qualified archaeologist shall be contacted to assess the situation. Project personnel shall not collect or move any human remains and associated materials. If the human remains are of Native American origin, the Coroner must notify the Native American Heritage Commission within 24 hours of this identification. The Native American Heritage Commission will identify a Most Likely Descendant (MLD) to inspect the site and provide recommendations for the proper treatment of the remains and associated grave goods."*

This mitigation measure would reduce the severity of the potential impact by providing for the proper and respectful treatment of human remains in accordance with the wishes of the descendant community and the requirements of California law.

b.	Result in substantial soil erosion or the loss of topsoil? *(Sources 5,9)*			X	
c.	Be located on a geologic unit or soil that is unstable, or that would become unstable as a result of the project, and potentially result in on- or off-site landslide, lateral spreading, subsidence, liquefaction, or collapse? *(Sources 5, 23)*		X		
d.	Be located on expansive soil, as defined in Table 18-1-B of the Uniform Building Code (1994), creative substantial risks to life or property? *(Sources 5, 23)*		X		
e.	Have soils incapable of adequately supporting the use of septic tanks or alternative waste disposal systems where sewers are not available for the disposal of waste water? *(Sources 5, 23)*				X

Impact VI A1-4

A i. **Earthquake Fault –Less Than Significant.** The nearest fault considered active by the California Geological Survey (formerly California Division of Mines & Geology) is the Hayward fault._The Alquist-Priolo Earthquake Fault Zone that encompasses recently active and potentially active traces of this fault passes 2¼ miles northeast of the property. The Hayward fault is a zone of highly deformed rocks, trending approximately N30°W and ranging in width from about 2 kilometers. The historic earthquake generating activity has been concentrated in the western portion of the zone, but the zone as a whole reflects deformation derived from oblique right-lateral and compressive tectonic stress along a significant upper crustal discontinuity for the past 10 million or more years. Because the site is not within an Alquist-Priolo

Earthquake Fault Zone, the risk of fault rupture is generally regarded as *very low*. (Source 1)

A ii. **Seismic –Less Than Significant.** According to the Safety Element (p. 10-13) the site is in within an area rated "Highest" damage susceptibility. According to the Legend for this map, the *highest* damage susceptability category includes lands that are underlain by geologically recent alluvial deposits. The risk of structural damage from ground shaking is regulated by the building codes and County Grading Ordinance. The prevailing building code requires use of seismic parameters in the design of structures. The seismic parameters from the 2013 California Building Code will be provided by the project geotechnical engineer based on soil profile types and proximity of faults deemed capable of generating strong/violent earthquake shaking. The County Grading Ordinance provides a regulatory framework for grading projects. Specific standards and criteria for earthwork are provided by the project geotechnical engineer. Grading plans and geotechnical reports, including erosion control plans and drainage plans are subject to review and approval for conformance with County requirements and expectations prior to the issuance of the grading permit. Quality construction, conservative design and compliance with building and grading regulations can be expected to keep risks within generally accepted limits. A building and/or grading plans that are considered incomplete can be rejected, until an appropriately detailed plan is provided. It should also be recognized that County has an NPDES permit from the Regional Water Quality Control Board. The objective of the NPDES permit is to minimize/ prevent stormwater pollution to creeks. The permit requires that specific measures are incorporated into new project that would be effective in the control of pollution, both during the construction period and over the long term. A Stormwater Control Plan that is incomplete can be rejected, until an appropriately detailed plan is provided. (Source 2 & 3)

A iii. **Liquefaction -Potentially Significant.** With regard to liquefaction potential, the Safety Element of the General Plan presents a Liquefaction Potential Map on page 10-15. This map was prepared for the County by a geotechnical engineering firm. The consultant's scope of work included reviewed of available information on soil conditions, along with data on the elevation of the water table, and review of selected borehole logs for land development projects in the County. The resulting map divided the County into three liquefaction potential categories: "generally high," "generally moderate to low," and "generally low." It is used as a "screening criteria" during the processing of land development applications, on a project-by-project basis. The County has consistently required rigorous evaluation of liquefaction potential in areas of "high potential," and qualitative investigations are demanded in the "moderate to low" category. Assessment of liquefaction potential is minimal for sites in the "generally low" category. The classification "generally high" liquefaction does not imply the presence of liquefiable sands on a parcel. The map attempts to be conservative of the side of safety. Where geologically recent fluvial deposits or sand bars could exist in the subsurface, the map places such areas in the "generally high" category. Site specific investigations are needed to determine if liquefiable

sands are present and to provide stabilization measures where liquefiable sands are confirmed.

According to the liquefaction potential map in the Safety Element, the site is in the "generally moderate to low" category. As noted above, project sites with this classification require only a qualitative evaluation of liquefaction potential. Normally this involves evaluation of the subsurface conditions by the project geotechnical engineer based on adequate subsurface exploration of the site. The deposits penetrated in the borehole are logged. The data gathered include (a) depth of water table, (b) Standard Penetration Test blow counts, (c) moisture/ density testing, and (d) gradation testing of sand layers. This technical data is utilized to draw a preliminary conclusion regarding the need for a more rigorous investigation. Ordinarily, a "screening investigation" of this type would include one or more boreholes that are 40 feet deep. The project geotechnical engineer evaluates liquefaction potential. If liquefiable sands are confirmed to be present, effective mitigation of the hazard posed to new development must be provides along with any necessary testing to confirm that the mitigation measure are effective.

It should be noted that in the experience of the County Peer Review Geologist, only 1 acre out of every 1,000 acres of land classified "Moderate to Low" liquefaction potential are candidates for liquefaction. In summary, there is a relatively low, but possibly significant, risk of liquefaction. (Source 2, 4, 5 & 6)

A iv **Landslides –Less Than Significant.** The U.S. Geological Survey (USGS) has issued a surficial deposits map of the Bay Plain showing the distribution of Quaternary deposits, including landslides. Briefly summarized, the USGS map indicates "Basin Deposits" on the site area. These are chiefly very fine-grained sediments that occupy the distal edge of alluvial fans. They represent floodplain deposits that are interbedded with stream channel and natural levee deposits. Approximately 800 ft. west of the site, the USGS map confirms the presence of Bay Mud deposits.

With regard to landslides, the nearest landslide shown on the USGS map are more than 1 mile west of the site, This map is based solely on geologic interpretation of aerial photos flown in the 1960s and early 1970s, and it is not a substitute for a site-specific investigation. Nevertheless, the Nilsen map is used as a "screening criteria" by Contra Costa County. Sites that are shown as mantled by landslide deposits or areas where there is a concentration of slides are considered to be at-risk, where detailed geologic investigations are warranted. In this case, no landslides are mapped on the property or the surrounding area. This suggests that landslide risks are very low and do not require further evaluation. (Source 5, 6, 7, 8)

Impact VI.b. Erosion –Less Than Significant. According to the Soil Survey of Contra Costa County, the soil series mapped on the site is the Clear Lake clay. This soil occurs on nearly level floodplains and has a soil profile that is 60 inches thick. Runoff is very slow, and the erosion hazard is nil. The Schematic Grading & Drainage Plans indicate bio-retention basins are to be strategically positioned to

control runoff. With effective implementation of erosion control, including revegetation of disturbed areas and control of runoff through bio-retention facilities, the hazard posed by erosion can be kept to an absolute minimum. (Source 4, 5, 9)

Impact VI.c. Unstable Soil. Potentially Significant Unless Mitigation Incorporated. Although the risk of the project being impacted by a landslide is negligible, there is a potential for liquefiable sands in the subsurface. Consequences of liquefaction can include: a) differential settlement, and b) ground failure, including lateral spreading. There is no previous soils investigation that provides site specific data on subsurface conditions. The geotechnical report must evaluate this potential hazard.(Source 4, 5, 8)

Impact VI.d.Expansive Soil. Potentially Significant Unless Mitigation Incorporated. According to the Soil Survey of Contra Costa County, the typical soil profile of the Clear Lake clay is 60 inches deep. The A-horizon extends from the surface to a depth of 46 inches. It is described as a very dark gray, neutral-to- moderately alkaline clay. The C-horizon is 46-60 inches below the surface and is described as mottled, very dark grayish brown, calcareous clay with finely disseminated lime. The B-horizon extends from 46-60 inches. With regard to its engineering properties, the Clear Lake clay is considered to be (a) highly expansive and very highly corrosive; (b) medium to low shear strength; (c) medium compressibility; and (d) low permeability. Roots can penetrate to the full depth of the soil horizon. Expansive soils are soils that expand when water is added and shrink when they dry out. This continuous change in soils volume causes homes and other structures to move unevenly and crack. It should also be recognized that corrosive soils tend to damage concrete and/or uncoated steel that is in contact with the ground. Testing is needed to confirm foundation conditions, and the design-level geotechnical report will provide specific criteria and standards to avoid/ minimize damage.

Typically the County uses information from sources such as the Soil Survey to "red flag" sites that require corrosivity testing. The testing is performed following mass grading, but prior to installation of utilities and the issuance of residential building permits. The reason for delaying the testing to that stage of grading is that the test must be performed on soils exposed on the building pad. Where corrosive soils are confirmed to be present on the rough-graded pad, special design measures are recommended by the project geotechnical engineer to avoid/ minimize damage from this cause. (Source 5, 9)

Impact VI.e. Septic Tanks No Impact. There will be no septic systems within the project. The project is within an area where sanitary sewers are required. The project does not require annexation to a sewer district. (Source 4)

GEO-1 Geologic and Geotechnical Hazards

Available information indicates that the soils on the site are expansive and corrosive. Additionally, the Safety Element classifies the site as "Moderate to Low" liquefaction potential. The risks of liquefaction appear to be remote. Nevertheless, there is an unknown, but possibly significant, risk of liquefiable sands in the subsurface. In this situation, the County routinely requires a *screening investigation* that provides sufficient subsurface and laboratory data to determine if a more comprehensive investigation of liquefaction potential is warranted. The screening investigation routinely includes the logging of one or more borings that are at least 40 ft. deep, along with laboratory test data on the properties of the units penetrated, as well as the depth to the water table. In some instances, Cone Penetration Testing (CPTs) can be used in lieu of the 40 ft. deep borings to evaluate liquefaction potential.

Finally, the drainage plans for the project indicate seven (7) bio-retention basins. The Schematic Grading & Drainage Plans show bio-retention facilities that achieve relatively minor setbacks from proposed building foundations, parking lot improvements and sidewalks. These facilities are designed to slow runoff, encourage infiltration and improve the water quality of runoff prior to it exiting the site. However, the design details will require review and approval of the project geotechnical engineer to ensure that these drainage facilities do not threaten to damage improvements. The primary concerns with bio-retention structures are a) providing suitable support for foundations and other improvements constructed near these drainage facilities, and b) potential for subsurface water from the bio-retention areas to migrate (and possibly build up) beneath pavements and the proposed buildings. Specific criteria and standards for the siting and design of such facilities must provided in the geotechnical report.

***Mitigation Measures GEO – 1 (A through C)**. All of the following mitigation measures are to reduce the impact of potential geologic, geotechnical and seismic hazards to less-than-significant.*

A. *At least 30 days prior to the issuance of grading or building permits the developer shall submit to the County peer Geologist for review and approval a design-level geotechnical report shall provide specific standards and criteria for foundation and pavement design developed in accordance with the California Building Code and County Code requirements on the basis of adequate subsurface data and laboratory testing. The constraints on use of expansive soils near finished grade should be evaluated in the report. It is also anticipated that the design-level geotechnical report shall provide California Building Code seismic parameters, and lot drainage recommendations, along with recommendations for geotechnical monitoring services during site preparation work, grading and foundation-related work on the site.*

The design-level geotechnical report shall also provide the following: (a) screening investigation of liquefaction potential. Based on the data provided and review of that data by the County peer review geologist, the screening investigation may be adequate to determine that further evaluation of liquefaction potential is not required; and (b) provide specific criteria and standards for site grading, drainage and foundation design, (including the design of the bio-retention facilities, and their proximity to planned improvements).

The design-level geotechnical report is subject to technical review by the Peer Review Geologist, and by review and approval of the Building Inspection Division.

B. *Following rough grading the geotechnical engineer shall perform corrosivity testing of the building pad to determine if special precautions shall be required to avoid damage to improvements that are in contact with the ground (concrete or steel).*

C. *Prior to the issuance of building permits, the geotechnical engineer shall certify that the lot preparation work is in compliance with recommendations in the approved design-level report. During foundation work the geotechnical engineer shall provide observation services to ensure the geotechnical recommendations are properly implemented by the contractor. Prior to requesting a final building inspection, the Building Inspection may require documentation of the geotechnical engineer's observation services during final grading/ foundation work/ lot drainage. The intent of such documentation is to ensure that the lot/ building improvements are in conformance with recommendations in the approved design-level report.*

   The design-level geotechnical report is subject to technical review by the Peer Review Geologist, and by review and approval of the Building Inspection Division.

Significance After Mitigation: Less than Significant

VII. GREENHOUSE GAS EMISSIONS – Would the project:					
a.	Generate greenhouse gas emissions, either directly or indirectly, that may have a significant impact on the environment? *(Sources 1,7)*			X	
b.	Conflict with an applicable plan, policy or regulation adopted for the purpose of reducing the emissions of greenhouse gases? *(Sources 1, 7)*			X	

Impact VII,a Greenhouse Gas. Less Than Significant : *Generate greenhouse gas emissions, either directly or indirectly, that may have a significant impact on the environment?*

Greenhouse gases (GHGs) are present in the atmosphere naturally, are released by natural sources, or are formed from secondary reactions taking place in the atmosphere. The gases that are widely seen as the principal contributors to human-induced global climate change are:

- Carbon dioxide (CO_2);
- Methane (CH_4);
- Nitrous oxide (N_2O);
- Hydrofluorocarbons (HFCs);
- Perfluorocarbons (PFCs); and
- Sulfur Hexafluoride (SF_6).

Over the last 200 years, humans have caused substantial quantities of GHGs to be released into the atmosphere. These extra emissions are increasing GHG concentrations in the atmosphere and enhancing the natural greenhouse effect, which is believed to be causing global warming. While manmade GHGs include naturally-occurring GHGs such as CO_2, methane, and N_2O, some gases, like HFCs, PFCs, and SF_6 are completely new to the atmosphere.

Certain gases, such as water vapor, are short-lived in the atmosphere. Others remain in the atmosphere for significant periods of time, contributing to climate change in the long term. Water vapor is excluded from the list of GHGs above because it is short-lived in the atmosphere and its atmospheric concentrations are largely determined by natural processes, such as oceanic evaporation.

These gases vary considerably in terms of Global Warming Potential (GWP), which is a concept developed to compare the ability of each GHG to trap heat in the atmosphere relative to another gas. The GWP is based on several factors, including the relative effectiveness of a gas to absorb infrared radiation and length of time that the gas remains in the atmosphere ("atmospheric lifetime"). The GWP of each gas is measured relative to CO_2, the most abundant GHG; the definition of GWP for a particular GHG is the ratio of heat trapped by one unit mass of the GHG to the ratio of heat trapped by one unit mass of CO_2 over a specified time period. GHG emissions are typically measured in terms of pounds or tons of "CO_2 equivalents" (CO_2e).

The following section describes the proposed project's construction and operational related GHG emissions and contribution to global climate change. As stated above, while the BAAQMD has not addressed emission thresholds for construction, the District encourages quantification and disclosure. Thus, construction emissions are discussed in this section. As discussed below, the proposed project would not generate GHG

emissions, either directly or indirectly, that may have a significant effect on the environment and this impact would be less than significant.

Construction Emissions. Construction activities, such as site preparation, site grading, on-site heavy-duty construction vehicles, equipment hauling materials to and from the site, and motor vehicles transporting the construction crew would produce combustion emissions from various sources. During construction of the project, GHGs would be emitted through the operation of construction equipment and from worker and builder supply vendor vehicles, each of which typically uses fossil-based fuels to operate. The combustion of fossil-based fuels creates GHGs such as CO_2, CH_4, and N_2O. Furthermore, CH_4 is emitted during the fueling of heavy equipment. Exhaust emissions from on-site construction activities would vary daily as construction activity levels change.
Using CalEEMod, it is estimated that the project would generate approximately 260 metric tons of CO_2e during construction of the project. The BAAQMD does not have a threshold for construction emissions. However, implementation of Mitigation Measure AIR-1 would further reduce less-than- significant construction GHG emissions by limiting construction idling emissions. Construction emissions would not be considered significant.

Operational Emissions. Long-term operation of the proposed project would generate GHG emissions from mobile sources and indirect emissions from sources associated with energy consumption. Mobile-source emissions of GHGs would include project-generated vehicle trips associated with future residents at the project site. Emissions would also be generated at off-site utility providers as a result of demand for electricity generated by the proposed project.
When calculating project GHG emissions to compare to the thresholds of significance, the BAAQMD recommends that the lead agency consider project design features, attributes, and local development requirements as part of the project as proposed and not as mitigation measures. Consistent with BAAQMD guidance, GHG emissions were estimated using CalEEMod.

Table 3 shows the calculated GHG emissions for the proposed project. Mobile source emissions are the largest source of GHG emissions at approximately 80 percent of the total. Energy use is the next largest category at approximately 16 percent of CO_2e emissions. Area source emissions are less than 1 percent of the total emissions, and waste and water source emissions are approximately4 percent. Additional calculation details are provided in Air Quality Calculations, Source #7.

Table 3: GHG Emissions (Metric Tons Per Year)

Emissions Source Category	Operational Emissions				
	CO_2	CH_4	N_2O	CO_2e	Percent of Total
Area	2	0	0	2	<1
Energy	74	0	0	74	16
Mobile	375	0	0	375	80
Waste	5	0.3	0	11	2
Water	8	0.1	0	11	2
Total Annual Emissions				**473**	**100**

Source: LSA Associates, Inc., 2015.

Based on the analysis results, the proposed project would generate 473 metric tons of CO_2e per year, which would be below the BAAQMD's numeric threshold of 1,100 metric tons CO_2e per year.

Mitigation Measure VII.a: None Required

Impact VII,b Applicable Plan. Less Than Significant. *Conflict with an applicable plan, policy or regulation adopted for the purpose of reducing the emissions of greenhouse gases?*

The County is working with the project applicant to identify the appropriate measures (Green Building Techniques, etc) to integrate with the project, which ensures that the project is consistent with and does not compromise the County's ability to attain the GHG reduction targets.
In developing the threshold of significance for GHG emissions, the BAAQMD identified the emissions level for which a project would conflict with existing California legislation adopted to reduce Statewide GHG emissions. As indicated in the analysis presented above, the proposed project would not exceed the project-level significance criteria established by the BAAQMD and, therefore, the proposed project would not conflict with plans adopted for the purpose of reducing GHG emissions and this impact would be less than significant.

Mitigation MeasureVII.b: None Required

		Potentially Significant Impact	Potentially Significant Unless Mitigation Incorporated	Less Than Significant Impact	No Impact
VIII. HAZARDS AND HAZARDOUS MATERIALS – Would the project:					
a.	Create a significant hazard to the public or the environment through the routine transport, use, or disposal of hazardous materials? *(Sources 1)*			X	
b.	Create a significant hazard to the public or the environment through reasonably foreseeable upset and accident conditions involving the release of hazardous materials into the environment? *(Sources 1)*			X	
c.	Emit hazardous emissions or handle hazardous or acutely hazardous materials, substances, or waste within one-quarter mile of an existing or proposed school? *(Sources 1)*				X
d.	Be located on a site which is included on a list of hazardous materials sites compiled pursuant to Government Code Section 56862.5 and, as a result, would it create a significant hazard to the public or				X

		Potentially Significant Impact	Potentially Significant Unless Mitigation Incorporated	Less Than Significant Impact	No Impact
	the environment? *(Sources 1, 2)*				
e.	For a project located within an airport land use plan or, where such a plan has not been adopted, within two miles of a public airport or public use airport, would the project result in a safety hazard for people residing or working in the project area? *(Sources 1, 2)*				X
f.	For a project within the vicinity of a private airstrip, would the project result in a safety hazard for people residing or working in the project area? *(Sources 1)*				X
g.	Impair implementation of or physically interfere with an adopted emergency response plan or emergency evacuation plan? *(Sources 1, 2)*				X
h.	Expose people or structures to a significant risk of loss, injury or death involving wildland fires, including where wildlands are adjacent to urbanized areas or where residences are intermixed with wildlands? *(Sources 1)*				X

Impact VIII.a. and b.: Transport, or Expose to People to Hazardous Waste. Less than Significant The proposed project is a mixed use residential project with small neighborhood retail and offices on the street level and therefore the transport, use, disposal or accidental release of hazardous materials is limited to normal residential, small neighborhood retail and landscaping needs. This would be a less than significant impact.

Mitigation Measure VIII.a. and b.: None Required.

Impact VIII.c.: Proximity to Schools. No Impact. The project site is located over 1/4 of a mile from Verde School, the closest school. Therefore, there is no impact identified with potential exposure of any hazardous materials to a school population, a less than significant impact.

Mitigation Measure VIII.c.: None Required.

Impact VIII.d.: Listed Sites. No Impact. The site is not on any list of hazardous materials sites from the California Department of Toxic Substances Control.

Mitigation Measure VIII.d.: None Required.

Impact VIII.e. and f.: Airport Safety Hazards. No Impact. The site is not within one mile of an airfield and therefore no impact will occur.

Mitigation Measure VIII.e. and f.: None Required.

Impact VIII.g. and h.: Emergency Evacation or Wildland Fires. No Impact. The Project would not interfere with any emergency evacation plans nor is it near any wildland area that would be subject to fires, therefore, no impact is expected.

Mitigation Measure VIII.g. and h.: None Required.

	Potentially Significant Impact	Potentially Significant Unless Mitigation Incorporated	Less Than Significant Impact	No Impact

		Potentially Significant Impact	Potentially Significant Unless Mitigation Incorporated	Less Than Significant Impact	No Impact
IX. HYDROLOGY AND WATER QUALITY – Would the project:					
a.	Violate any water quality standards or waste discharge requirements? *(Sources 1)*			X	
b.	Substantially deplete groundwater supplies or interfere substantially with ground water recharge such that there would be a net deficit in aquifer volume or a lowering of the local groundwater table level (i.e., the production rate of pre-existing nearby wells would drop to a level which would not support existing land uses or planned uses for which permits have been granted)? *(Sources 1)*			X	
c.	Substantially alter the existing drainage patterns of the site or area, including through the alteration of the course of a stream or river, in a manner which would result in substantial erosion or siltation on- or offsite? *(Sources 1)*			X	

		Potentially Significant Impact	Potentially Significant Unless Mitigation Incorporated	Less Than Significant Impact	No Impact
d.	Substantially alter the existing drainage pattern of the site or area, including through the alteration of the course of a stream or river, or substantially increase the rate or amount of surface runoff in a manner which would result in flooding on- or off-site? *(Sources 1)*			X	
e.	Create or contribute runoff water which would exceed the capacity of existing or planned storm water drainage systems or provide substantial additional sources of polluted runoff? *(Sources 1)*			X	
f.	Otherwise substantially degrade water quality? *(Sources 1)*				
g.	Place housing within a 100-year flood hazard area as mapped on a Federal Flood Hazard Boundary or Flood Insurance Rate Map or other flood hazard delineating map? *(Sources 1)*				X
h.	Place within a 100-year flood hazard area structures which would impede or redirect flood flows? *(Sources*				X

		Potentially Significant Impact	Potentially Significant Unless Mitigation Incorporated	Less Than Significant Impact	No Impact
	1)				
i.	Expose people or structures to a significant risk of loss, injury or death involving flooding, including flooding as a result of the failure of a levee or dam? *(Sources 1)*			X	
j.	Inundation by seiche, tsunami, or mudflow? *(Sources 1)*			X	

Impact IX a. Violate water quality standards and waste discharge. Less than significant, The waste water (i.e. sewage) from the proposed project would be collected in sanitary sewers and conveyed to West County Waste Water District for proper treatment and disposal. The project is required by condition of approval to secure a Will Serve letter from the District prior to recordation of the Minor Subdivision Map.

Mitigation Measure IX a.: None Required

Impact IX b. Substantially deplete groundwater or interfere with ground water recharge. Less than Significant. According to preliminary soil analysis and borings, the site has a high groundwater table. Since the project would increase the amount of impervious surfaces on site, recharge of the local groundwater table from the site itself may be reduced. However, the storm drain system for the project would collect runoff through the engineered planter soil that provides treatment and then would be infiltrated back into the ground to promote groundwater recharge.

Mitigation Measure IX b.: None Required

Impact IX. c. Alter existing drainage in a manner which would result in erosion. Less than Significant. The soil occurs on nearly level surfaces and has a soil profile that is 60 inches thick. Runoff is very slow, and the erosion hazard is nil.

Mitigation Measure IX. c.: None Required

Impact IX. d. Alter existing drainage in a manner that would result in flooding on or off site. Less than significant. The project would create impervious surfaces including roofs, parking lot and sidewalk. According to the Preliminary Storm Water Control Plan submitted by the applicant's civil engineer, storm water would infiltrate through engineered planter soil. Should a storm occur that exceeds the infiltration rate of the soil, a layer of drain rock with a perforated subdrain would allow for drainage of excess water. Emergency overflow inlets are provided to ensure the treatment area does not flood into the adjacent building or spill onto the adjacent sidewalk. The project is required by condition of approval to comply with the County's C.3 requirements and the San Francisco Bay Regional Water Quality Control Board, which would make any impacts to drainage a less than significant impact.

Mitigation Measure IX. d.: None Required

Impact IX. e. f. Create runoff water which would exceed the capacity of existing or planned stormwater drainage systems or otherwise degrade water quality. Less than Significant. As noted above the applicant has submitted a Preliminary Storm Water Control Plan prepared by their Civil Engineer and the project is required by condition of approval to comply with the County's C.3 requirements and the San Francisco Bay Regional Water Quality Control Board, which would make any impacts to drainage a less than significant impact.

Impact IX. g. h. Place housing within a 100-year flood hazard area as mapped on a Federal Flood Hazard Boundary or Flood Insurance Map that would also impede flood flows. No Impact. The project lies outside the 100-year flood boundary, as designated on the Federal Emergency Flood Rate Maps, therefor there is no impact related to placing housing in the flood boundary.

Mitigation Measure IX. g. h.: None Required

Impact IX.i. j. Expose people or structures to loss due to failure of levee or dam or be inundated by sieche, or mudflow. Less Than Significant. The project site is not located behind a levee or below a dam, therefore there would be no impact.

Mitigation Measure IX.i.j.: None Required

		Potentially Significant Impact	Potentially Significant Unless Mitigation Incorporated	Less Than Significant Impact	No Impact
X. LAND USE AND PLANNING – Would the project:					
a.	Physically divide an established community? *(Sources 1, 2)*			X	
b.	Conflict with any applicable land use plan, policy, or regulation of an agency with jurisdiction over the project (including, but not limited to the general plan, specific plan, local coastal program, or zoning ordinance) adopted for the purpose of avoiding or mitigating an environmental effect? *(Sources 1, 2)*			X	
c.	Conflict with any applicable habitat conservation plan or natural community conservation plan? *(Sources 1, 2)*				X

Impact X.a. and b.: Physically divide a community or conflict with established land use plan or policy. (Less Than Significant)

The project proposes a change in land use designation to Mixed Use (MU) from Commercial (CO). Development of the Heritage Point site was an objective under the former North Richmond Redevelopment Project. The parcels were originally acquired by the former Redevelopment Agency for the purpose of developing a mixed use retail and housing project along Fred Jackson Way to

complement the North Richmond Senior Housing Complex located directly across the street. The North Richmond community has strongly supported development of the Heritage Point site. However, due to market conditions, and then the dissolutionment of the Redevelopment Agency, development of Heritage Point never occurred. Currently on the six parcels that make up the 0.81 acre project site are older housing stock, vacant lots and a small building.

The proposed project does not divide an established community. Rather, it replaces older residential lots, both vacant and occupied, with a Mixed Use, 4 story building consisting of affordable apartments and commercial uses on a 0.81 acre project site. To accomplish this, the project proposes a General Plan Amendment from a Commercial to Mixed Use Land Use Designation and a subdivision to merge 7 lots into 2 lots. The proposed project would be in conflict with the existing General Plan designation but, after the above noted General Plan Amendment the project would be consistent with the General Plan.

Mitigation Measure X.a. and b.: None Required.

Impact X.c.: Conservation Plan (No Impact) The proposed project is not located within a Habitat Conservation Plan, or in a Natural Community Conservation Plan. As it is not near any of these sensitive locations, no impact is expected.

Mitigation Measure X.c.: None Required.

		Potentially Significant Impact	Potentially Significant Unless Mitigation Incorporated	Less Than Significant Impact	No Impact
XI. MINERAL RIGHTS – Would the project:					
a.	Result in the loss of availability of a known mineral resource that would be of value to the region and the residents of the state? *(Sources 1.2)*				X
b.	Result in the loss of availability of a locally-important mineral resource recovery site delineated on a local				X

		Potentially Significant Impact	Potentially Significant Unless Mitigation Incorporated	Less Than Significant Impact	No Impact
	general plan, specific plan, or other land use plan? *(Sources 1,2)*				

Impact XI.a. and b.: Mineral Resources (No impact) The project site is not in an area of known mineral resources per the County's General Plan, and therefore no impact is anticipated.

Mitigation Measure XI.a. and b.: None Required.

		Potentially Significant Impact	Potentially Significant Unless Mitigation Incorporated	Less Than Significant Impact	No Impact
XII. NOISE – Would the project:					
a.	Exposure of persons to, or generation of, noise levels in excess of standards established in the local general plan or noise ordinance, or applicable standards of other agencies? *(Sources 1, 2)*			X	
b.	Exposure of persons to, or generation of, excessive ground borne vibration or ground borne noise levels? *(Sources 1)*				X

		Potentially Significant Impact	Potentially Significant Unless Mitigation Incorporated	Less Than Significant Impact	No Impact
c.	A substantial permanent increase in ambient noise levels in the project vicinity above levels existing without the project? *(Sources 1)*			X	
d.	A substantial temporary or periodic increase in ambient noise levels in the project vicinity above levels existing without the project? *(Sources 1, 2)*		X		
e.	For a project located within an airport land use plan, or where such a plan has not been adopted, within two miles of a public airport or public use airport, would the project expose people residing or working in the project area to excessive noise levels? *(Sources 1, 2)*				X
f.	For a project within the vicinity of a private airstrip, would the project expose people residing or working in the project area to excessive noise levels? *(Sources 1, 2)*				X

Impact XII.a.: Exposure to Noise Levels. Less than Significant. Residential and commercial uses developed on the project site would not be exposed to exterior noise levels exceeding the "normally acceptable" noise and land use

compatibility standards presented in the County's General Plan for single- and multiple-family residential land uses.

Interior noise levels within proposed residential units are required to be maintained at or below 45 DNL. In residential units of standard construction, interior noise levels are approximately 15 decibels lower than exterior noise levels with the windows partially open. Where exterior noise levels exceed 60 DNL, compliance with State Building Code requires a report to be submitted with the building plans identifying the noise attenuation features included in the project's design to maintain interior noise levels at or below 45 DNL.

Typically, standard construction with forced air ventilation (allowing the occupant to control noise by maintaining the windows shut) provides approximately 20 to 25 dBA of noise reduction in interior spaces. This method of reducing interior noise levels is normally used in noise environments ranging from 60 to 65 DNL. Where noise levels exceed 65 DNL, forced-air mechanical ventilation systems and sound-rated construction methods are normally required.

Mitigation Measure XII.a.: None Required.

Impact XII.b.: Ground Borne Noise/Vibration. No Impact. The project is not located within the immediate vicinity of any known producers of groundborne vibration (e.g., an active railroad line). Vibration levels associated with the construction of the project are not expected to result significant impacts.

Mitigation Measure XII.b.: None Required.

Impact XII.c.: Ambient Noise. Less than Significant Impact. The noise environment at noise sensitive receivers in the vicinity of the project site results primarily from traffic along Fred Jackson Way and Chelsey Avenue. Noise sources associated with the operation of the project would primarily include vehicular traffic accessing the site from these streets. Traffic noise generated by the project is not projected to increase noise levels significantly. The project does not propose changes in traffic that are substantial enough to provide a noticeable increase to the noise environment at the nearby residential receivers; a less than significant impact.

Mitigation Measure XII.c.: None Required.

Impact XII.d.: Temporary Noise. Significant Impact Unless Mitigation Incorporated. The construction of the proposed project would generate noise levels that would at times exceed ambient noise levels at noise sensitive

receptors in the vicinity of the project site. Construction activities would include grading and excavation of areas on the site, and construction of new residential and commercial structures. Noise impacts from these activities depend on noise generated by various pieces of construction equipment, the timing and length of noise generating activities, and the distance between the noise generating construction activities and receptors that would be affected by the noise. The highest noise levels would be generated during grading of the site, with lower noise levels occurring during building construction. Large pieces of earth-moving equipment, such as graders, scrapers, and bulldozers, generate maximum noise levels of 80 to 85 dBA at a distance of 100 feet. Typical hourly average construction-generated noise levels are about 75 to 80 dBA measured at a distance of 100 feet from the site during busy construction periods. These noise levels drop off at a rate of about 6 dBA per doubling of distance between the noise source and receptor. Intervening structures or terrain result in lower noise levels.

Typically, residential construction projects do not generate significant noise impacts when standard construction noise control measures are enforced at the project site and when the duration of noise at a particular receiver or group of receivers is limited to one construction season (typically one year) or less. Construction noises associated with projects of this type are disturbances that are necessary, and reasonable regulation of the hours of construction, as well as regulation of the arrival and operation of heavy equipment and the delivery of construction materials is effective in reducing impacts to a level that is less than significant.

Mitigation Measure XII.d.: The following construction noise control measures are recommended to limit the amount of noise generated during the construction period. These measures would mitigate the impact to a less than significant level:

1. All noise generating construction activities shall be limited to the hours of 7:30 A.M. to 5:30 P.M., Monday through Friday, and shall be prohibited on state and federal holidays on the calendar dates that these holidays are observed by the state or federal government as listed below:

   New Year's Day (State and Federal)
   Birthday of Martin Luther King, Jr. (State and Federal)
   Washington's Birthday/Presidents' Day (State and Federal)
   Lincoln's Birthday (State)
   Cesar Chavez Day (State)
   Memorial Day (State and Federal)
   Independence Day (State and Federal)
   Labor Day (State and Federal)
   Columbus Day (State and Federal)
   Veterans Day (State and Federal)
   Thanksgiving Day (State and Federal)

Day after Thanksgiving (State)
Christmas Day (State and Federal)

For specific details on the actual day the state and federal holidays occur, please visit the following websites:

Federal/holidays:
http://www.opm.gov/Operating_Status_Schedules/fedhol/2011.asp

California/ holidays: http://www.ftb.ca.gov/aboutFTB/holidays.shtml

2. Utilize "quiet" models of air compressors and other stationary noise sources where technology exists.

3. Prohibit unnecessary idling of internal combustion engines.

4. Equip all internal combustion engine driven equipment with intake and exhaust mufflers that are in good condition and appropriate for the equipment.

5. Locate stationary noise generating equipment as far as possible from noise sensitive receptors.

6. Designate a noise disturbance coordinator who would be responsible for responding to any local complaints about construction noise. The disturbance coordinator would determine the cause of the noise complaints (e.g., starting too early, bad muffler, etc.) and institute reasonable measures warranted to correct the problem. Conspicuously post a telephone number for the disturbance coordinator at the construction site.

Significance After Mitigation: Less than Significant.

Impact XII.e. and f.: Airport Related Noise. No Impact. The project site is not located within two miles of a public or private airport. Therefore, this is not a potential impact.

Mitigation Measure XII.e. and f.: None Required.

	Potentially Significant Impact	Potentially Significant Unless Mitigation Incorporated	Less Than Significant Impact	No Impact

	Potentially Significant Impact	Potentially Significant Unless Mitigation Incorporated	Less Than Significant Impact	No Impact
XIII. POPULATION AND HOUSING – Would the project:				
a. Include substantial population growth in an area either directly (for example, by proposing new homes and businesses) or indirectly (for example, through extension of roads or other infrastructure)? *(Sources 1)*			X	
b. Displace substantial numbers of existing housing, necessitating the construction of replacement housing elsewhere? *(Sources 1)*			X	
c. Displace substantial numbers of people necessitating the construction of replacement housing elsewhere? *(Sources 1)*			X	

Impact XIII.a.: Induced Population Growth. Less than significant. The proposed project would provide 42 new residential apartment units and therefore a population of 118 new residents (assuming 2.82 persons per household based upon the 2010 U.S. Census). There is potential that additional growth would be induced through the introduction of housing into an area that has a history of less intense residential use. While the potential for growth inducement exists, this is not considered an adverse impact under CEQA unless the project meets certain potential criteria. Potential criteria which can induce growth (per CEQA) are:

- Removal of obstacles to growth, which include the expansion of infrastructure capacity;
- the extension of urban services to previously unserved areas.

The proposed project would not result in the extension of public services and utilities as this area is presently served. The public services and utilities have been planned around the anticipated growth associated with commercial development as planned for in the County's General Plan.

Although the proposed project would generate additional housing and commercial uses, it does not meet the above criteria for growth inducement, and therefore no impact is expected.

Mitigation Measure XIII.a.: None Required.

Impact XIII.b. and c.: Displacement of Housing or Population. Less than significant. The proposed project would not displace a substantial population and would provide additional housing for a new population. Therefore the project would have a beneficial impact on housing and population.

Mitigation Measure XIII.b. and c.: None Required.

	Potentially Significant Impact	Potentially Significant Unless Mitigation Incorporated	Less Than Significant Impact	No Impact
XIV. PUBLIC SERVICES – Would the project:				
a. Would the project result in substantial adverse physical impacts associated with the provision of new or physically altered governmental facilities, need for new or physically altered governmental facilities, the construction of which would cause significant environmental impacts, in order to maintain acceptable service				

		Potentially Significant Impact	Potentially Significant Unless Mitigation Incorporated	Less Than Significant Impact	No Impact
ratios, response times or other performance objectives for any of the public services?					
1.	Fire Protection *(Sources 1)*			X	
2.	Police Protection *(Sources 1)*			X	
3.	Schools *(Sources 1)*			X	
4.	Parks *(Sources 1, 2, 3)*			X	
5.	Other Public Facilities *(Sources 1,)*				X

Preface

Impact XIV.a.1.: Fire Protection. Less than Significant. The Vesting Tentative Map/Preliminary and Final Development Plan will be regulated by the Contra Costa County Fire Protection District's requirements, County Ordinances, and the 2013 California Building Code. The Contra Costa County Fire Protection District submitted a letter on September 11, 2014 regarding their regulations including creating a clear area in front of the building for fire department aerial apparatus. These requirements are a condition of project approval.

Mitigation Measure XIV.a.1.: None Required

Impact XIV.a.2.: Police Protection. Less than Significant Impact. The project site is, and will continue, to receive its police protection from the Contra Costa County Office of the Sheriff. The addition of 42 residential units will increase demand for services but is not expected to have a significant negative impact on their ability to provide services.

Mitigation Measure XIV.a.2.: None Required.

Impact XIV.a.3.: Schools. Less than Significant. Each new unit would generate an average of .720 K-12th grade students, making the child impact to schools approximately 30, K-12 students (42 units x .720) (source: School Facility Needs Analysis for West County Unified School District – December 2014).

The project would be required to pay the state-mandated school impact fees. State law dictates that payment of these fees constitutes full mitigation of school capacity impacts. After payment of school impact there would be no impact on schools.

Mitigation Measure XIV.a.3.: None Required

Impact XIV.a.4.: Parks. Less than Significant Impact. The proposed project would result in increases in the demand for parks and recreation services. The County's park standard is 3 acres/1000 residents. The County Park and Recreation Ordinance calls for a dedication of parkland of 350 square feet/dwelling unit or payment of an in lieu fee. The project will be required, as a condition of approval, to pay an in lieu park fee.

Mitigation Measure XIV.a.4.: None Required.

Impact XIV.a.5.: Other Public Facilities. No Impact. Portions of the project site are not currently annexed into a lighting district. Annexation to the lighting district is a mechanism to supplement the funding for maintenance of street lights throughout the County and will not have an impact on the physical environment. The applicant would be required, as a condition of approval, to annex into the Community Facilities District 2010-1 formed for Countywide Street Light Financing.

Mitigation Measure XIV.a.5.: None Required.

		Potentially Significant Impact	Potentially Significant Unless Mitigation Incorporated	Less Than Significant Impact	No Impact
XV. RECREATION – Would the project:					
a.	Increase the use of existing neighborhood and regional parks or other recreational facilities such that substantial physical deterioration of the facility would occur or be accelerated? *(Sources 1, 2)*			X	
b.	Include recreational facilities or require the			X	

		Potentially Significant Impact	Potentially Significant Unless Mitigation Incorporated	Less Than Significant Impact	No Impact
	construction or expansion of recreational facilities which might have an adverse physical effect on the environment? *(Sources 1, 2)*				

Impact XV a. and b. Recreation Impacts. Less than Significant. The proposed project would introduce a new population which would be expected to create new demand for parks in the area. However, the applicant would be required, by condition of approval, to pay the required park dedication fee upon issuance of building permits. The payment of required park dedication fees would reduce the impact to a less than significant level.

Mitigation Measure XV.a. and b.: None Required.

		Potentially Significant Impact	Potentially Significant Unless Mitigation Incorporated	Less Than Significant Impact	No Impact
XVI. TRANSPORTATION/TRAFFIC – Would the project:					
a.	Conflict with an applicable plan, ordinance or policy establishing measures of effectiveness for the performance of the circulation system, taking into account all modes of transportation including mass transit and non-motorized travel and			X	

		Potentially Significant Impact	Potentially Significant Unless Mitigation Incorporated	Less Than Significant Impact	No Impact
	relevant components of the circulation system, including but not limited to intersections, streets, highways and freeways, pedestrian and bicycle paths, and mass transit?				
b.	Conflict with an applicable congestion management program, including, but not limited to level of service standards and travel demand measures, or other standards established by the county congestion management agency for designated roads or highways?			X	
c.	Result in a change in air traffic patterns, including either an increase in traffic levels or a change in location that results in substantial safety risks? *(Sources 1, 2)*				X
d.	Substantially increase hazards due to a design feature (i.e., sharp curves or dangerous intersections) or incompatible uses (i.e., farm equipment)? *(Sources 1, 2)*			X	
e.	Result in inadequate emergency access? *(Sources 1, 2)*			X	
f.	Conflict with adopted polices, plans, or programs regarding public transit, bicycle, or pedestrian facilities, or				X

		Potentially Significant Impact	Potentially Significant Unless Mitigation Incorporated	Less Than Significant Impact	No Impact
	otherwise decrease the performance or safety of such facilities				

Affected Environment:

The project area will be accessed by pedestrian entries, bicycle parking and a vehicular driveway along Fred Jackson Way. The site is generally bounded by Grove Avenue (60 foot [ft] right of way [R/W] to the north, Truman Street (60 ft R/W) to the east, Chelsey Avenue (60 ft R/W) to the south, and Fred Jackson Way (70 ft R/W) to the west. Fred Jackson Way is a two-lane roadway with an existing median and on-street parking adjacent to the project site. South of the project site, Fred Jackson Way is striped with "sharrows," an indication for bicycles sharing the roadway with automobiles. North of the project site, Fred Jackson Way is striped with a Class II bike lane. Transit service is provided along Fred Jackson Way with stops south of Chelsey Avenue and north of Grove Avenue.

Impact XVI.a.Applicable Transportation Plans. Conflict with an applicable plan, ordinance or policy establishing measures of effectiveness for the performance of the circulation system, taking into account all modes of transportation including mass transit and non-motorized travel and relevant components of the circulation system, including but not limited to intersections, streets, highways and freeways, pedestrian and bicycle paths, and mass transit? Less than Significant.

The Contra Costa Transportation Authority (CCTA) Growth Management Plan, the West Contra Costa Transportation Advisory Committee (WCCTAC) Action Plan and the County of Contra Costa (County) General Plan establish measures of effectiveness and requirements for the analysis and disclosure of circulation impacts associated with new land developments. Potential circulation impacts may be expected, and traffic impact analyses are required for projects that generate more than 100 or more net new peak-hour trips. A project generating less than 100 peak-hour trips generally will not create or exacerbate a significant circulation impact.

The proposed project would generate less than 100 peak-hour trips.

	Current Land-Use Designation	Proposed Mixed-Use		
Rate	General Office Building (710)	Mid-Rise Apartment (223)	Supermarket (850)	Retail (814)

Weekday	467	N/A		N/A	

N/A = not applicable

Source: Contra Costa County, Public Works Department

Using standard Institute of Transportation Engineers (ITE) Trip Generation trip rates, the project will generate 56 gross a.m. peak-hour trips and 64 gross p.m. peak-hour trips. Considering credits and trip reductions, the project is forecast to generate 51 net new a.m. peak-hour trips and 58 net new p.m. peak-hour trips. As such, the project will not generate a sufficient number of trips to exceed a standard measure of effectiveness for vehicular travel.

The project also provides bicycle and pedestrian design features consistent with applicable provisions of the County General Plan, as well as the City of Richmond (City) General Plan. These include visitor and resident bike parking, direct pedestrian access from the adjacent sidewalk to all elements of the project, proximity to transit, pedestrian shade and landscaping, and traffic calming through

median treatment and adjacent on-street parking, etc. The proposed project complies with and does not conflict with applicable plans for all modes of transportation.

Mitigation Measure XVI.a.: None Required.

Impact XVI.b. Applicable Congestion Plan. Less than Significant. Conflict with an applicable congestion management program, including, but not limited to level of service standards and travel demand measures, or other standards established by the county congestion management agency for designated roads or highways? Less than Significant.

As the Congestion Management Agency (CMA), the CCTA is responsible for establishing, implementing and monitoring the County's Congestion Management Program (CMP). Through its implementation of the CMP, the CCTA works to ensure that roadways operate at acceptable levels of service and reviews development proposals to ensure that transportation impacts are minimized. The CCTA CMP establishes a network of arterials for level of service (LOS) and other standards. The roadways around the proposed project are not part of the CMP roadway network. The CMP LOS and other standards do not apply to these local roadways.

Furthermore, as indicated above, the proposed project is not forecast to generate peak-hour trips equal to or greater than the threshold for significance (i.e., 100 or more net new peak-hour trips). Therefore, the project does not add traffic that would create a conflict with a CMP standard.

Mitigation Measure XVI.b.: None Required.

Impact XVI.c. Air Traffic Patterns. Result in a change in air traffic patterns, including either an increase in traffic levels or a change in location that result in substantial safety risks? No Impact.

The project does not propose any structures that would interfere with air traffic patterns, nor would it increase traffic levels. There is no impact related to air traffic.

Mitigation Measure XVI.c.: None Required.

Impact XVI.d. Hazardous design feature. Less than Significant. *Substantially increase hazards due to a design feature (e.g., sharp curves or dangerous intersections) or incompatible uses (e.g., farm equipment)?*

The proposed project will not change the existing roadway design. As a result, the proposed project would not substantially increase hazards for vehicles due to a design feature or incompatible uses. The project is required by condition of approval to comply with the Fire District requirement to provide a clear area in front of the building for aerial fire apparatus.

Mitigation Measure XVI.d.: None Required

Impact XVI.e. Emergency Access. Less than Significant. The proposed project will provide direct access to the site for emergency vehicles via Fred Jackson Way. As noted above the applicant will be required, by condition of approval to comply with the Contra Costa Fire District letter, dated September 11, 2014, which requires a 60 foot long portion of the median fronting the proposed building that shall be designated for aerial apparatus access with mountable curbs and free of any obstructions. This would provide the Fire District a clear area for fire department aerial apparatus immediately adjacent to the building on Fred Jackson Way.

Mitigation Measure XVI.e.: None Required.

Impact XVI.f. Adopted Policies regarding public transit, bicycle, or pedestrian. Conflict with adopted polices, plans, or programs regarding public transit, bicycle, or pedestrian facilities, or otherwise decrease the performance or safety of such facilities? No Impact.

The project includes numerous design features that promote the County and City Complete Streets and multimodal goals. These include visitor and resident bike parking, direct pedestrian access from the adjacent sidewalk to all elements of the project, proximity to transit, pedestrian shade and landscaping, and traffic calming through median treatment and adjacent on-street parking, etc. The proposed project complies with and does not conflict with applicable plans for all modes of transportation.

Mitigation Measure XVI.f.: None Required

		Potentially Significant Impact	Potentially Significant Unless Mitigation Incorporated	Less Than Significant Impact	No Impact
XVII. UTILITIES AND SERVICE SYSTEMS – Would the project:					
a.	Exceed wastewater treatment requirements of the applicable Regional Water Quality Control Board? *(Sources 1, 2)*			X	

		Potentially Significant Impact	Potentially Significant Unless Mitigation Incorporated	Less Than Significant Impact	No Impact
b.	Require or result in the construction of new water or wastewater treatment facilities or expansion of existing facilities, the construction of which would cause significant environmental effects? *(Sources 1)*			X	
c.	Require or result in the construction of new storm water drainage facilities or expansion of existing facilities, the construction of which would cause significant environmental effects? *(Sources 1)*			X	
d.	Have sufficient water supplies available to serve the project from existing entitlement and resources, or are new or expanded entitlement deeded? *(Sources 1)*			X	
e.	Result in determination by the wastewater treatment provider which serves or may serve the project that it has adequate capacity to serve the project's projected demand in addition to the provider's existing commitments?			X	

		Potentially Significant Impact	Potentially Significant Unless Mitigation Incorporated	Less Than Significant Impact	No Impact
	(Sources 1)				
f.	Be served by a landfill with sufficient permitted capacity to accommodate the project's solid waste disposal needs? *(Sources 1)*			X	
g.	Comply with federal, state and local statues and regulations related to solid waste? *(Sources 1)*			X	

Impact XVII.a., b. & e.: Wastewater.Less than Significant. The project would be served by the West County Wastewater District. The District stated in a letter, dated June 6, 2014 the project would be served subject to the District's requirements. The project is required by condition of approval to secure a Will Serve letter from the Waste Water District prior to recordation of Minor Subdivision Map.

Mitigation Measure XVII.a., b. and e.: None Required.

Impact XVII.c.: Result in construction of new stormwater facilities that would cause significant environmental effects. Less than Significant. The project does not anticipate a significant environmental effect from the construction of new or the expansion of existing stormwater facilities.

Mitigation Measure XVII.c.: None Required.

Impact XVII.d.: Water. Less than Significant. For water service, the project would be served by the East Bay Municipal Utility District. The project would be required to comply with District standards to obtain water service. The project is also required by condition of approval to submit a Will Serve letter from the Water District prior to recordation of Minor Subdivision.

Mitigation Measure XVII.d.: None Required

Impact XVII.f. and g.: Solid Waste. Less than Significant. Development of the subject parcels would generate solid waste, but there is evidence to suggest that there is sufficient landfill capacity in the North Richmond area to handle such solid waste. This is a less than significant impact.

Mitigation Measure XVII.f. and g.: None Required.

		Potentially Significant Impact	Potentially Significant Unless Mitigation Incorporated	Less Than Significant Impact	No Impact
XVIII. MANDATORY FINDINGS OF SIGNIFANCE – Would the project:					
a.	Does the project have the potential to degrade the quality of the environment, substantially reduce the habitat of a fish and wildlife species, cause a fish or wildlife population to drop below self-sustaining levels, threaten to eliminate a plant or animal community, reduce the number or restrict the range of a rare or endangered plant or animal or eliminate important examples of the major periods of California history or prehistory?			X	
b.	Does the project have impacts that are individually limited but cumulatively considerable? (Cumulatively considerably means that the incremental effects of a project are			X	

		Potentially Significant Impact	Potentially Significant Unless Mitigation Incorporated	Less Than Significant Impact	No Impact
	considerable when viewed in connection with the effects of past projects, the effects of other current projects, and the effects of probably future projects?)				
c.	Does the project have environmental effects which will cause substantial adverse effects on human beings, either directly or indirectly?			X	

Impact XVIII.a-c. Mandatory Findings of Significance. Less Than Significant. The proposed project would not interfere with wildlife movement nor impact riparian or historical resources. Also, it would not create substantial cumulative impacts to the area. In addition, the proposed project would create environmental impacts for which mitigation measures have been recommended.

G:\Current Planning\curr-plan\Staff Reports\Development Plans (DP)\DP14-3026 Heritage Point\Heritage Point Initial Study.MND.doc

PUBLIC HEARING

COUNTY OF CONTRA COSTA

(Heritage Point Housing)

NOTICE IS HEREBY GIVEN that the Contra Costa County Board of Supervisors will hold a public hearing on Tuesday, May 9, 2017 at 9:30 a.m. in the Board of Supervisors Chambers, Room 107 located in the McBrien Administration Building at 651 Pine Street, Martinez, California 94553. The hearing may be continued from time to time until completed. Any person desiring the opportunity to be heard will be afforded an opportunity to do so.

The purpose of this hearing is to consider approval of a Disposition and Development Agreement (the "Agreement") governing the proposed sale of six parcels of land owned by the County (and County as Housing Successor) (the "Site") to Heritage Point A/G, LLC, a California nonprofit public benefit corporation for development of 42 units of housing, 900 sq. ft. of commercial/retail, and related parking, landscaping and other ancillary facilities. The Site under consideration for sale by the County comprises six parcels, approximately 32,000 sq. ft., located on Fred Jackson Way, between Chesley Avenue and Grove Avenue in North Richmond.

A mitigated negative declaration (the "Mitigated Negative Declaration") has been prepared by the County to serve as the environmental documentation under the California Environmental Quality Act for the development of the Site as contemplated in the Agreement. The Mitigated Negative Declaration was prepared in connection with the approval by the County of the General Plan Amendment, Subdivisions and Final Development Plans for the Site. The County intends to use the Mitigated Negative Declaration as the environmental documentation for purposes of compliance with the California Environmental Quality Act in their consideration of approval of the Agreement.

Any and all persons having any objections to the proposed Agreement, or to the proposed sale of the Site and the development of the improvements on the Site as summarized above, or to the use of the Mitigate Negative Declaration for the purposes described above, or who deny the regularity of this proceeding or wish to speak on any issue raised by the Agreement or the Mitigated Negative Declaration may appear at the hearing and will be afforded an opportunity to state their objections.

If any person desires to challenge in court the approval and execution of the proposed Agreement, the proposed sale of the Site, or any proceedings in connection therewith, they may be limited to raising only those issues that they or someone else raised at the hearing described in this notice, or in written correspondence delivered to the County at, or prior to, the hearing.

As required by Section 33433 of the Health and Safety Code, copies of the Disposition, Development and Loan Agreement and the summary of the proposed transaction are available at the offices of the County at 30 Muir Road, Martinez, California, 94553, for public inspection and copying at a cost not to exceed the cost of duplication. Further information regarding this hearing may be obtained by contacting Maureen Toms, Department of Conservation and Development, at (925) 674-7878.

WCT 5942646 April 25;May 2, 2017

Contra Costa County

To: Board of Supervisors

From: John Kopchik, Director, Conservation & Development Department

Date: May 9, 2017

Subject: Williamson Act Contract / AP12-0001/ Tassajara Valley Area

RECOMMENDATION(S):

1. OPEN the public hearing to include Assessor's Parcel No. (APN) 006-160-009, a 40 acre parcel located in the Tassajara Valley, to an existing Agricultural Preserve No. 13-74; ACCEPT testimony.

2. CLOSE the public hearing.

3. FIND that the addition of APN 006-160-009 to existing Agricultural Preserve No. 13-74 is consistent with the General Plan.

4. FIND that the addition of APN 006-160-009 to existing Agricultural Preserve No 13-74 and establishment of Land Conservation Contract AP12-0001 are consistent with the Williamson Act and the County's Williamson Act Program.

5. FIND that the proposed actions are exempt from environmental review under the California Environmental Quality Act (California Code of Regulations, Title 14, Section 15317, and Section 15061 (b) (3).

6. ADOPT Resolution No. 2017/113 to APPROVE the inclusion of APN 006-160-009 to existing Agricultural Preserve No. 13-74 and APPROVE Land Conservation Contract AP12-0001.

7. AUTHORIZE the Chair of the Board of Supervisors to execute, on behalf of the County, Land Conservation Contract AP12-0001.

☑ APPROVE ☐ OTHER

☑ RECOMMENDATION OF CNTY ADMINISTRATOR ☐ RECOMMENDATION OF BOARD COMMITTEE

Action of Board On: **05/09/2017** ☐ APPROVED AS RECOMMENDED ☐ OTHER

Clerks Notes:

VOTE OF SUPERVISORS

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

ATTESTED: May 9, 2017

David J. Twa, County Administrator and Clerk of the Board of Supervisors

By: , Deputy

Contact: John Oborne, 925-674-7793

cc:

RECOMMENDATION(S): (CONT'D)

8. DIRECT the Director of Conservation and Development, or his designee, to record Resolution No. 2017/113 and Land Conservation Contract AP12-0001 with the County Clerk Recorder and forward a copy to the California Department of Conservation, and the County Assessor's Office.

9. DIRECT the Director of Conservation and Development, or his designee, to file a CEQA Notice of Exemption with the County Clerk Recorder.

FISCAL IMPACT:
None. All costs are borne by the applicant.

BACKGROUND:
Terry and Lisa Howland, as trustees of the Terrance E. Howland and Lisa Beth Howland Revocable Trust, dated January 24, 2001 (Owners) own 40 acres of land in the Tassajara Valley area, known as Assessor's Parcel No. 006-160-009 (Property). The Owners have applied to establish a land conservation contract on the Property pursuant to the Williamson Act (Government Code, Sections 51200 et seq.).

The Williamson Act, through land conservation contracts, restricts land uses and structures on property under contract. Under the Williamson Act, property may be encumbered by a land conservation contract by mutual agreement between the County and land owner, provided that the land and the land uses complies with the requirements of the Williamson Act and the County's Williamson Act Program. The restricted parcel is assessed for property tax purposes at a rate that is consistent with the actual use, rather than the potential use.

The Property is currently being used for grazing purposes and there is a single family residence located on the Property. The Owners intend to continue to use the Property for grazing with the potential of planting orchards on a portion of the land in the future. The new contract would authorize a residential second unit, a pool and pool house, a solar power array for farm use only, and several agricultural related outbuildings. The residential structures, pool and pool house and solar panels would be limited to a 2 acre building envelope on the Property. The Owners would be required to obtain all necessary permits for construction (e.g. building permits, etc.). The Property is zoned A-80, Exclusive Agricultural District. The uses allowed in the A-80 District are consistent with the uses allowed in the A-4, Agricultural Preserve District. The proposed land conservation contract would apply to the entire Property and would restrict uses on the Property to those enumerated in the Contract. The new structures would be incidental to the primary agricultural use of the Property, would not conflict with ongoing and proposed agricultural uses, and thus are consistent with the intent and purpose of the Williamson Act and the County's Williamson Act Program.

The construction of a solar power array on contracted lands is not addressed in the County's Williamson Act Program, but can be approved as compatible with the agricultural use of the Property if consistent with the principles found in Government Code 51238.1, including:

1. The use will not significantly compromise the long-term productive agricultural capability of the subject contracted parcel or on other contracted lands in the agricultural preserve.

2. The use will not significantly displace or impair current or reasonably foreseeable agricultural operations on the subject contracted parcel or other contracted parcels in the agricultural preserve. Uses that significantly displace agricultural operations on the subject contracted parcel or parcels may be deemed compatible if the related use is directly related to the production of commercial agricultural products on the subject contracted parcel or parcels or neighboring lands, including activities such as harvesting, processing, or shipping.

3. The use will not result in the removal of adjacent contracted land from agricultural or open space use.
The proposed solar power array is intended for farm use only, not commercial solar power generation, and will therefore be limited in scale. Agricultural operations will not be significantly displaced or impaired. The proposed solar power array will be directly related to agricultural production as it will serve as a power source, promoting

the agricultural use of the property.

The Property meets the Williamson Act parcel size requirement in that it is 40 acres of non-prime agricultural land, but the Property is not located within an established agricultural preserve. The Williamson Act requires a minimum of 100 acres to establish a new agricultural preserve, but allows for land to be added to an existing agricultural preserve when the land meets minimum parcel size requirements and is in agricultural use. The Property lies adjacent to existing Agricultural Preserve No 13-74, which is owned by a different property owner, and such an addition is allowed under Government Code Section 51230.

Under the Williamson Act (Government Code Sections 51230 and 51233), the Board must conduct a noticed public hearing on a proposal to enlarge the size of an agricultural preserve, and provide notice of this hearing to the Contra Costa County Local Agency Formation Commission (LAFCO) and to any city within one mile of the exterior boundaries of the affected agricultural preserve. Notice of a public hearing to add the Property to Agricultural Preserve No. 13-74 has been lawfully published in the Contra Costa Times and give to LAFCO. Notice of hearing to a city was not necessary because the boundary of the agricultural preserve and Property to be added is more than one mile from the nearest city.

Staff recommends that the Board conduct a public hearing as required by the Williamson Act and determine that the addition of the Property to Agricultural Preserve No. 13-74 is consistent with the General Plan and the provisions of the Williamson Act. The subject Property lies within an area with a General Plan designation of Agricultural Lands (AL) and is being used for agricultural purposes. The addition of the Property to the agricultural preserve furthers the purpose of the AL designation which is to preserve and protect land capable of and generally used for production of food, fiber, and plant materials.

Staff further recommends the Board approve Resolution No. 2017/113, which approves the addition of APN 006-160-009 to Agricultural Preserve No. 13-74, and approves Land Conservation Contract AP12-0001.

The establishment of an agricultural preserve and the making of a land conservation contract is categorically exempt for environmental review under the California Environmental Quality Act (California Code of Regulations, Title 14, Section 15317). Further, these actions would not cause a significant effect on the environment because they restrict uses on the Property and it can be seen with certainty that these restrictions would not have a significant effect on the environment (California Code of Regulations, Title 14, Section 15061 (b) (3).

CONSEQUENCE OF NEGATIVE ACTION:

If the Board does not approval Land Conservation Contract AP12-0001 for the Property the land would not be encumbered by a Williamson Act contract.

Attachment B- Land Conservation Contract AP12-0001

AP12-0001 Hearing Notice 5/9/17

THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA

and for Special Districts, Agencies and Authorities Governed by the Board

Adopted this Resolution on 05/09/2017 by the following vote:

AYE:	
NO:	
ABSENT:	
ABSTAIN:	
RECUSE:	

Resolution No. 2017/113

WHEREAS, Terry and Lisa Howland, as trustees of the Terrance E. Howland and Lisa Beth Howland Revocable Trust, dated January 24, 2001, (Owners) own 40 acres of land in the Tassajara Valley area, known as Assessor's Parcel Number 006-160-009 (Property), and have applied to establish a land conservation contract on the Property pursuant to the Williamson Act (Government Code Sections 51200 et seq.).

WHEREAS, the Property alone is not large enough to satisfy the Williamson Act requirement that an agricultural preserve be a minimum of 100 acres, but is contiguous to existing Agricultural Preserve No. 13-74.

WHEREAS. the Board of Supervisors may, in accordance with the Williamson Act, alter the boundary and enlarge the size of an established agricultural preserve after proper notice and a public hearing, and upon finding that the addition of land area to the agricultural preserve is consistent with the General Plan.

WHEREAS, pursuant to Government Code Sections 51230 and 51233, proper notice of a public hearing to add APN 006-160-009 to Agricultural Preserve No 13-74 was lawfully published in the East Bay Times and given to the Contra Costa Local Formation Commission (LAFCO).

WHEREAS, the subject Property to be added to Agricultural Preserve No. 13-74 lies within an area with a General Plan designation of Agricultural Lands (AL) and is being used for agricultural purposes. The addition of the Property to the agricultural preserve furthers the purpose of the AL designation which is to preserve and protect land capable of and generally used for production of food, fiber and plant materials.

WHEREAS, the Williamson Act, through land conservation contracts, restricts land uses and structures on property under contract. Under the Williamson Act, property may be encumbered by a land conservation contract by mutual agreement between the County and land owner, provided that the land and land use complies with the requirements of the Williamson Act and the County's Williamson Act Program.

WHEREAS, the Property is currently being used for grazing purposes, and the Owners intend to continue the agricultural use of the Property in the future. The new land conservation contract will restrict uses on the Property to those consistent with the Williamson Act and the County's Williamson Act Program.

WHEREAS, construction of a solar power array on contracted lands is not addressed in the County's Williamson Act Program but may be approved if consistent with the compatibility principles found in Government Codes Section 51238.1.

WHEREAS, the proposed solar power array is intended for farm use only, will be limited in scale, will not significantly displace or impair agricultural operations, will directly promote agricultural production by serving as a power source, and is otherwise a use compatible with the agricultural use of the Property.

WHEREAS, the establishment of an agricultural preserve and the making of a land conservation contract are categorically exempt from environmental review under the California Environmental Quality Act (California Code of Regulations, Title 14, Section 15317). Further, these actions would not cause a significant effect on the environment because they restrict uses on the Property and it can be seen with certainty that these restrictions would not have a significant effect on the environment (California Code of Regulations, Title 14, Section 15061 (b) (3).

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors:

1. FINDS that the addition of APN 006-160-009 to existing Agricultural Preserve No. 13-74 is consistent with the General Plan.

2. FINDS that the addition of APN 006-160-009 to existing Agricultural Preserve No. 13-74 and establishment of Land Conservation Contract AP12-0001 are consistent with the Williamson Act and the County's Williamson Act Program.

3. FINDS that the proposed actions and adoption of this resolution are exempt from environmental review under the California Environmental Quality Act (California Code of Regulations, Title 14, Section 15317 and Section 15061 (b) (3).

4. APPROVES the addition of APN 006-160-009 to existing Agricultural Preserve No. 13-74. A map showing the adjusted boundaries of Agricultural Preserve is attached hereto in Attachment A - Legal Description.

5. APPROVES Land Conservation Contract AP12-0001 encumbering APN 006-160-009, attached hereto as Attachment B. .

6. AUTHORIZES the Chair to execute, on behalf of the County, Land Conservation Contract AP12-0001.

7. DIRECTS the Director of Conservation and Development, or his desinee, to record Resolution No. 2017/113 and Land Conservation Contract AP12-0001 with the County Clerk Recorder, and forward a copy to the California Department of Conservation and the County Assessor's Office.

8. DIRECTS the Director of Conservation and Development, or his designee, to file a CEQA Notice of Exemption with the County Clerk Recorder..

Contact: John Oborne, 925-674-7793

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

CONTRA COSTA COUNTY LAND CONSERVATION CONTRACT NO. AP12-0001

EXHIBIT A

PROPERTY DESCRIPTION

Pursuant to Paragraph 2 of the Land Conservation Contract to which this exhibit is attached, the land described below is designated as the subject of said Contract. Said land is described as follows:

PARCEL ONE:

PARCEL C, AS DESIGNATED ON THE PARCEL MAP FILED FEBRUARY 4, 1980, BOOK 84, PARCEL MAPS, PAGE 13, CONTRA COSTA COUNTY RECORDS.

EXCEPTING FROM PARCEL ONE:

RIGHTS RESERVED IN THE DEED FROM GORDON R. RASMUSSEN, ET UX, RECORDED NOVEMBER 18, 1977, BOOK 8597, OFFICIAL RECORDS, PAGE 278, AS FOLLOWS:

"1/2 OF ALL OIL, GAS CASINGHEAD GAS, ASPHALTUM AND OTHER HYDROCARBONS, AND ALL CHEMICAL GAS, NOW OR HEREAFTER FOUND, SITUATED OR LOCATED IN ALL OR ANY PART OR PORTION OF THE LANDS HEREIN DESCRIBED LYING MORE THAN FIVE HUNDRED FEET (500) BELOW THE SURFACE THEREOF, TOGETHER WITH THE RIGHT TO SLANT DRILL FOR AND REMOVE ALL OR ANY OF SAID OIL, GAS, CASINGHEAD GAS, ASPHALTUM AND OTHER HYDROCARBONS AND CHEMICAL GAS LYING BELOW A DEPTH OF MORE THAN FIVE HUNDRED FEET (500) BELOW THE SURFACE THEREOF; BUT WITHOUT ANY RIGHT WHATSOEVER TO ENTER UPON THE SURFACE OF SAID LAND OR UPON ANY PART OF SAID LANDS WITHIN FIVE HUNDRED FEET (500) VERTICAL DISTANCE BELOW THE SURFACE THEREOF."

PARCEL TWO:

A NON-EXCLUSIVE EASEMENT APPURTENANT TO PARCEL ONE ABOVE, FOR ACCESS, RECREATION, PARKING, UTILITIES, DRAINAGE, INGRESS AND EGRESS OVER THAT AREA OF PARCELS A AND B AS SHOWN ON THE MAP FILED FEBRUARY 4, 1980, BOOK 84, PARCEL MAPS, PAGE 13, CONTRA COSTA COUNTY RECORDS, DESIGNATED AS "AREA DEDICATED FOR PRIVATE ACCESS AND UTILITY EASEMENT".

ATTACHMENT B

LAND CONSERVATION CONTRACT NO. AP12-0001
ASSESSOR PARCEL NO. 006-160-009

1. Parties. BY THIS CONTRACT, made and entered into _____, Terrance E. Howland and Lisa Beth Howland as Trustees of the Terrance E. Howland and Lisa Beth Howland Revocable Trust, dated January 24, 2001, hereinafter referred to as "Owners," and the County of Contra Costa, a political subdivision of the State of California, hereinafter referred to as "County," do mutually agree and promise as follows:

2. Property Description. Owners possess certain real property located within the County, which property is presently devoted to agricultural and compatible uses. The "Property" is described in Exhibit A, attached hereto and made a part of this contract.

3. Purpose. Both Owners and County desire to limit the use of said Property to agricultural uses and to compatible uses specified in this agreement in order to discourage premature and unnecessary conversion of such lands from agricultural uses, recognizing that such land has definite public value as open space and that the preservation of such land in agricultural production constitutes an important physical, social, aesthetics and economic asset to County to maintain the agricultural economy of County and the State of California.

4. Intent of Parties: Enforceable Restriction. Both Owners and County intend that the term, conditions and restrictions of this Contract be in accordance with the California Land Conservation Act of 1965, as amended, so as to be an enforceable restriction under the provisions of Division 1, Part 2, Chapter 3, Article 1.5 of the California Revenue and Taxation Code (Rev. & Tax Code § 421 et. seq.).

5. Intent of Parties: Effect on Property Value. It is the intent of the County and Owners that this Contract is conditioned upon the continued existence of legislation implementing Article XIII, § 8 of the California Constitution so the effect of the terms, conditions and restrictions of the Contract on property values for taxation purposes is substantially as favorable to Owners as the legislation existing on the last renewal date.

6. Governing Statutes and Ordinances. This Contract is made and entered into pursuant to the California Land Conservation Act of 1965 (Chapter 7 of Part 1 of Division 1 of Title 5 of the California Government Code commencing with Section 51200). This Contract further is made pursuant to and subject to Contra Costa County Ordinance Code, Chapter 84-42 and Chapters 810-2 through 810-4, and Resolutions of the Contra Costa County Board of Supervisors Numbers 68-635 and 69-763.

7. Land Use Restrictions. During the term of this Contract or any renewals thereof, the above described land shall not be used for any purpose, other than the production of food and fiber and compatible uses as listed in Contra Costa County Ordinance Code Chapter 84-42, which is hereby incorporated by reference as if fully set forth herein; provided, however, that such additional

agricultural or compatible uses as are set forth in Exhibit B, which is attached hereto and is hereby incorporated by reference, shall also be permitted subject to the terms and conditions set forth herein. In case of conflict or inconsistency between the uses allowed in this Contract and those specified in said zoning ordinance, the provisions of the Contract as set forth in Exhibit B shall prevail.

8. Modification of Restrictions. The Board of Supervisors of County may from time to time and during the term of this Contract or any extensions thereof, by amendment to Contra Costa County Ordinance Code Chapter 84-42, add to those uses listed in said ordinance. Such additional uses shall be limited to commercial agriculture and compatible uses and be subject to the density restrictions of Government Code § 51220.5. Said board shall not eliminate, without written consent of the Owners, their heirs, successors or assigns, a compatible use during the term of this Contract or any renewals thereof.

9. Term and Renewal. This Contract shall be effective commencing on the last day of _____, and shall remain in effect for a period of ten (10) years therefrom.

This Contract shall be automatically renewed and its terms extended for a period of one (1) year on the last day of _____ of each succeeding year during the term hereof, unless notice of non-renewal is given in the manner provided by section 51245 of the Government Code. At all times during the continuance of this Contract, as from time to time renewed, there shall be a ten (10) year term of restriction unless notice of non-renewal is given in the manner provided by Section 51245 of the Government Code. Under no circumstances shall a notice of renewal be required of either party to effectuate the automatic renewal of this paragraph.

10. Cancellation. (a) Except as provided in Section 11, the provisions of this Contract whereby Owners agree to restrict the use of the land described in Paragraph 2 may be canceled as to all or a portion of said land by mutual agreement of the County and Owners after a public hearing has been held in the manner provided by Section 51284 of the Government Code and upon a finding by the Board of Supervisors that such cancellation is not inconsistent with the purposes of the Land Conservation Act, or in the public interest, pursuant to Government Code Section 51282. It is understood by the parties that the existence of an opportunity for another use of said land shall not be sufficient reason for cancellation of the land use restrictions imposed herein and that the uneconomic character of the existing use will be considered only if there is no other reasonable or comparable agricultural use to which the land may be put.

(b) Upon cancellation of said portions of this Contract, Owners shall pay to the County Treasurer, as deferred taxes, a cancellation fee in an amount equal to the greater of twelve and one-half (12 ½%) percent or the current fee provided by state law of the cancellation value of the property being released from the terms of this Contract. Said cancellation value shall be determined in accordance with the provisions of Government Code Section 51283 (a) and (b). Under no circumstances shall the payment of said cancellation fee be waived, deferred, or made subject to any contingency whatever.

(c) Final cancellation shall be effectuated in accordance with the provisions of Government Code Section 51283.4.

11. Cancellation Upon Substitution of New Restrictions. This Contract may be canceled by mutual agreement of County and Owners without payment of deferred taxes or public hearing if it is replaced by an enforceable restriction authorized by Article XIII, § 8 of the California Constitution.

12. Eminent Domain Proceedings. (a) In accordance with the provisions of Government Code Section 51295, incorporated by reference herein, upon the filing of any action in eminent domain for the condemnation of the fee title of the land or any portion thereof subject to this Contract or upon acquisition of such land in lieu of eminent domain by public agency for a public improvement, the provisions of this Contract shall be null and void as to the land so condemned or acquired.

(b) If, subsequent to the filing of an action in eminent domain, the proposed condemnation is abandoned as to all or a portion of the land subject to the Contract, the restrictions on land use set forth in this Contract shall, without further agreement of the parties herein, be reinstituted and the terms of this contract shall be in full force and effect, subject to the cancellation provisions of Government Code Section 51295.

13. Remedies for Breach of Contract. (a) The County may pursue all remedies allowed by law or in equity to enforce this contract and remedy any breach of this contract, including the remedies specified in Government Code Sections 51250 and 51251.

(b) The enforcement provisions of the Contra Costa zoning ordinance shall also apply if the land which is subject of the contract is used for purposes other than those provided in Ordinance Code 84-42 or this Contract.

14. Effect of Division of Property. Owners agree that division of the Property described in Exhibit A into two (2) or more parcels, whether by sale, gift, by operation of law or by any other means, upon a finding by the Board of Supervisors that said division is detrimental to the ultimate preservation of said property for exclusive agricultural use, be construed by the County as notice of non-renewal by the property owners as provided in Section 9 of this Contract.

15. New Contracts Upon Division. In the event the property that is subject to this contract is divided, the owners of any subdivided parcel may exercise, independent of any owner of any other subdivided parcel, any of the rights of Owner under this Contract. Upon division of the Property a Contract identical to the Contract then covering the original parcel shall be executed by Owners on each parcel created by the division at the time of the division. Any agency making an order of division or the County which has jurisdiction shall require, as a condition of the approval of the division, the execution of the Contracts provided for in this section, provided, however, that failure of Owners to execute Contracts upon division shall not affect the obligations of the heirs, successors and assigns of Owners as established in Section16.

16. Contract to Run with Land. The within Contract shall run with the land described herein, and upon division, to all parcels created therefrom; and it shall be binding upon, and inure to the benefit of, the heirs, successors, and assigns of the Owners.

17. Consideration. Owners shall not receive any payment from County in consideration of the obligations imposed hereunder, it being recognized and agreed that the consideration for the execution of the within Contract is the substantial public benefit to be derived therefrom and the advantage which will accrue to Owners as a result of the effect on the method of determining the assessed value of land described herein and any reduction therein due to the imposition of the limitations on its use contained herein.

18. Income and Expense Information. The Owners shall annually furnish the County Assessor with such information as the Assessor may require to determine the valuation of the Owners' land.

INSTRUCTIONS FOR COMPLETING THIS FORM

This form complies with current California statutes regarding notary wording and, if needed, should be completed and attached to the document. Acknowledgments from other states may be completed for documents being sent to that state so long as the wording does not require the California notary to violate California notary law.

- State and County information must be the State and County where the document signer(s) personally appeared before the notary public for acknowledgment.
- Date of notarization must be the date that the signer(s) personally appeared which must also be the same date the acknowledgment is completed.
- The notary public must print his or her name as it appears within his or her commission followed by a comma and then your title (notary public).
- Print the name(s) of document signer(s) who personally appear at the time of notarization.
- Indicate the correct singular or plural forms by crossing off incorrect forms (i.e. ~~he~~/she/~~they,~~ is /~~are~~) or circling the correct forms. Failure to correctly indicate this information may lead to rejection of document recording.
- The notary seal impression must be clear and photographically reproducible. Impression must not cover text or lines. If seal impression smudges, re-seal if a sufficient area permits, otherwise complete a different acknowledgment form.
- Signature of the notary public must match the signature on file with the office of the county clerk.
  - Additional information is not required but could help to ensure this acknowledgment is not misused or attached to a different document.
  - Indicate title or type of attached document, number of pages and date.
  - Indicate the capacity claimed by the signer. If the claimed capacity is a corporate officer, indicate the title (i.e. CEO, CFO, Secretary).
- Securely attach this document to the signed document with a staple.

ALLOWABLE LAND USES

Pursuant to the provisions of Section 84-42.402 (2) of the Contra Costa County Ordinance Code and Paragraph 7 of the Land Conservation Contract, of which this exhibit is made a part, the land uses and structures described below are authorized without a land use permit subject to the terms and conditions set forth below. Said uses and structures shall be in conformance to those authorized by Section 84-42.402 (1) and Section 84-42.404 but shall be subject to Section 84-42.602 through Section 84-42.1402 of Chapter 84-42 of the County Ordinance Code.

1. Existing Non-conforming Structures

The following non-conforming structures are permitted, subject to the provisions of County Ordinance Code Chapter 82-8:

None.

2. Existing Conforming Structures

Single Family Residence, water tanks. Note: If the single-family residence is damaged or destroyed, the single-family residence may be rebuilt at the same or similar size, at a maximum height established by County Code 84-42.1002 (35-feet) and a location that is within a 2-acre building envelope that includes the present location of the single family residence.

3. Proposed Structures

Residence for Ranch Hand, up to three barns for storage of agricultural products and equipment, Residential second unit, pool and pool house, gazebo, solar panels to power structures on the property.

4. Existing Land Use

Grazing & Cultivation

5. Proposed Land Use

Grazing, Orchards & Cultivation

NOTICE OF A PUBLIC HEARING BEFORE THE CONTRA COSTA COUNTY BOARD OF SUPERVISORS ON PLANNING MATTERS

TASSAJARA VALLEY AREA

NOTICE is hereby given that on May 9, 2017 at 9 a.m. , in the County Administration Building, 651 Pine Street, (Corner of Pine and Escobar Streets), Martinez, California, the Contra Costa County Board of Supervisors will hold a public hearing to consider the following planning matter:

TERRANCE AND LISA HOWLAND (Applicants & Owners) – County File Number AP12-0001: Applicant requests approval to add Assessor's Parcel Number 006-160-009 to existing Agricultural Preserve AP13-74 and establish Land Conservation Contract AP12-0001 on said parcel.

The 40-acre parcel is located at 1960 Marciel Road in the Tassajara Valley area.

The project is exempt from the California Environmental Quality Act (CEQA) under California Code of Regulations, Title 14, Section 15317, and Section 15061 (b) (3).

If you challenge this matter in Court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the County at, or prior to, the public hearing.

Prior to the hearing, the Department of Conservation and Development staff will be available on Tuesday, May 9 at 8:30 am, in Room 108, Administration Building, 651 Pine Street, Martinez, to meet with any interested parties in order to (1) answer questions; (2) review the hearing procedures used by the Board; (3) clarify the issues being considered by the Board; and (4) provide an opportunity to identify, resolve, or narrow any differences, which remain in dispute. If you wish to attend this meeting with staff, please call John Oborne at 925-674-7793, Community Development Division, by 3:00 pm on Monday, May 8, 2017 to confirm your participation.

Date: 5/9/17

David Twa, Clerk of the Board of Supervisors and County Administrator

By: June McHuen, Deputy Clerk

Contra Costa County

To: Board of Supervisors

From: David Twa, County Administrator

Date: May 9, 2017

Subject: MODIFYING, ADDING AND ABOLISHING POSITIONS IN CERTAIN COUNTY DEPARTMENTS

RECOMMENDATION(S):

The Contra Costa County Board of Supervisors is acting in its capacity as the governing board of the County of Contra Costa and the Board of Directors of the Contra Costa County Fire Protection District.

1. ACKNOWLEDGE that on April 18, 2017, the Board of Supervisors directed the County Administrator to prepare for consideration by the Board of Supervisors on May 9, 2017, a position modification resolution necessary to carry out the Board's actions on the Recommended Budget;
2. ACKNOWLEDGE that on May 9, 2017, the Board of Supervisors will consider approving the FY 2017-18 Recommended Budget actions requiring the modification, addition and deletion of certain positions in affected departments;
3. ADOPT Resolution No. 2017/117, authorizing the modification, addition and deletion of certain positions in affected departments; and
4. ACKNOWLEDGE that the positions being eliminated in the Probation Collections Unit are filled and that lay-offs are likely to occur due to this action.

VOTE OF SUPERVISORS

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

ATTESTED: May 9, 2017

David J. Twa, County Administrator and Clerk of the Board of Supervisors

Contact: Lisa Driscoll, County Finance Director (925) 335-1023

By: , Deputy

cc: Dianne Dinsmore, Human Resources Director

FISCAL IMPACT:

The fiscal impact is described in the Fiscal Year 2017-18 Recommended Budget (http://www.contracosta.ca.gov/DocumentCenter/View/45407).

BACKGROUND:

On April 18, 2017, the Board held Budget Hearings required prior to adopting the FY 2017-18 Recommended Budget. At the conclusion of the hearings, the Board directed the County Administrator to return with a Resolution ordering the addition and deletion of positions and classifications necessary to effectuate the FY 2017-18 Recommended Budget actions. The attached Position Adjustment Resolution (No. 2017/117) incorporates those changes directed by the Board as part of the FY 2017-18 Recommended Budget. The Resolution adds and/or eliminates positions and classifications in the following departments: Auditor-Controller, Clerk of the Board, County Administration, Employment and Human Services, Human Resources, Probation, Public Defender, Public Works, Risk Management, Sheriff- Coroner, and Contra Costa County Fire Protection District departments.

Auditor-Controller

Attachment A adds two (2) System Accountant II positions . These positions are critical to the replacement of the Department's Finance system.

Clerk of the Board

Attachment B deletes one (1) vacant Agenda Secretary position. The position has been vacant for some time.

County Administration

Attachment C moves a Senior Management Analyst from the administration into the new Office of Reentry and Justice and reclassifies an Administrative Aide to Secretary-Advanced Level.

Employment and Human Services

Attachment D deletes 76 vacant unfunded positions, decrease the hours of one (1) full-time position to 0.4 FTE, and adds 10 positions in Adult Program Services.

Human Resources

Attachment E adds one (1) HR Systems Specialist, one (1) Employee Benefits Analyst, and one (1) Benefits System Administrator position to support benefit administration.

Probation

Attachment F adds five (5) Juvenile Institution Officers to the Orin Allen Youth Rehabilitation Facility and nine (9) Juvenile Institution Officers to Juvenile Hall to comply with the Federal Prison Rape Elimination Act (PREA) guidelines, and deletes four (4) positions in the Probation Collections Unit. Lay-offs are expected due to the elimination of the Probation Collections Unit.

Public Defender

Attachment G adds one (1) Deputy Public Defender II position for the Clean Slate and Arraignment Court Early Representation (ACER) programs, which will be funded by AB 109 revenue. In addition, three (3) Deputy Public Defender II positions will be added to process felony caseloads.

Public Works

Attachment H reflects a net increase of 20 positions to Public Works. Building Maintenance will increase by 14 positions, including Stationary Engineers, Electricians, Steamfitters, Painters, Groundskeepers, Carpenters, Electronic Systems Specialists, and Capital Facilities Project Managers. All are needed to address the increasing needs of County facilities, specifically the Joint Commission requirements of Health Services facilities. Several of these positions will be assigned to specific facilities. Fleet Services will add one (1) Supervisor and two (2) Equipment Mechanics to better manage workload and daily operations. Print and Mail will add one (1) Duplicating Machine Operator position to provide technical and logistical support that is currently being provided by temporary staff. Public Works Administration will add: one (1) Community & Media Relations Coordinator to function as the primary media contact and participate on the emergency public information team; one (1)

Community & Media Relations Specialist to work specifically with Flood Control, one (1) Network Technician II to support increasing network and IT needs; and one (1) Experienced Level Clerk to support the Capital Projects division. Administration will eliminate two (2) vacant positions to offset some of the additional direct service costs. The Airport will add one (1) Assistant Director and cancel one (1) Operations Manager to better manage workloads and responsibilities at the Airport.

Risk Management
Attachment I adds one (1) Assistant Risk Manager-Training to the division to coordinate and provide in-house training.

Sheriff-Coroner
Attachment J adds thirteen (13) Deputy Sheriff positions in the Custody Services Bureau; eleven (11) in the Martinez Detention Facility and two (2) in the West County Detention Facility. The new positions will assist with the classification process and provision of health care services to inmates within each facility. In addition, fifteen (15) unfunded Deputy Sheriff-Recruit positions will be transferred from the Sheriff's Office General Fund operating budget to the Law Enforcement Training Center (LETC) Enterprise Fund.

Contra Costa County Fire Protection District
Attachment K adds one (1) Departmental Community and Media Relations Coordinator position to serve as the District's public information officer and one (1) Storekeeper position to assist with maintenance of District facilities. In addition, three (3) Fire Dispatcher positions will be added to the EMS Transport Fund to assist with the influx of EMS calls received in dispatch center. Three (3) additional Fire Dispatcher positions and one (1) Assistant Fire Chief position will be transferred from the District's operating budget to the EMS Transport fund in recognition of the EMS workload assumed through the EMS ambulance contract between the District and the County.

Three lay-offs are anticipated by these actions. Further, additional positions in various departments will continue to be held vacant (but not eliminated at this time) in order to achieve prescribed cost savings through normal and managed attrition to the greatest extent possible.

CONSEQUENCE OF NEGATIVE ACTION:
Potential delay in modification, addition and deletion of targeted positions, which may impact service delivery.

Resolution No. 2017/117
Attachments A-K

THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA

and for Special Districts, Agencies and Authorities Governed by the Board

Adopted this Resolution on 05/09/2017 by the following vote:

AYE:	
NO:	
ABSENT:	
ABSTAIN:	
RECUSE:	

Resolution No. 2017/117

In The Matter Of: authorizing the modification, addition and deletion of certain positions in affected departments;

WHEREAS, the Board has considered the financial impact on departments of the FY 2017-18 Recommended Budget, and has considered the position and staff reduction/retention/augmentation plans submitted by departments; and

WHEREAS, budget hearings were conducted by the Board of Supervisors April 18, 2017; and

WHEREAS, to the extent that the subjects of this Resolution are within the scope of representation pursuant to the Meyers-Milias-Brown Act (Government Code Section 3500 et seq.), this Board has offered to meet with recognized employee organizations upon request concerning this resolution.

THE CONTRA COSTA COUNTY BOARD OF SUPERVISORS, acting in its capacity as governing Board of the County of Contra Costa and the Board of Directors of the Contra Costa County Fire Protection District, RESOLVES THAT:

1. In order to keep expenditures within available funding, it is necessary to make position adjustments, including to modify, add or abolish the classifications and positions set forth in the lists attached hereto (Attachments A, B, C, D, E, F, G, H, I, J, and K). Said lists are incorporated herein by reference, and said positions are hereby modified, added or abolished as indicated and effective on the dates indicated.

2. Recognized employee organizations may submit to the Employee Relations Officer written requests to meet and confer on specific proposals with respect to this Resolution. This authorization and direction is given without prejudice to the Board's right to reduce or terminate the operations and services of the County and of districts governed by this Board and to eliminate classes of employees or positions, as these decisions involve the merits, necessity, or organization of services or activities of the County and districts governed by the Board and are not subjects within the scope of representation.

3. This action is taken without prejudice to pending consulting, meeting, and meeting and conferring with recognized employee organizations.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

Contra Costa County

To: Board of Supervisors

From: David Twa, County Administrator

Date: May 9, 2017

Subject: APPROVAL OF FY 2017-18 RECOMMENDED BUDGET ACTIONS

RECOMMENDATION(S):

1. ACKNOWLEDGE that the Board of Supervisors held Budget Hearings on April 18;
2. ACKNOWLEDGE that public testimony was heard and considered;
3. ACKNOWLEDGE that pending action by the State regarding its budget may require subsequent adjustments to this Recommended Budget;
4. ACKNOWLEDGE that the County Administrator was directed to return to the Board with a Resolution, authorizing the addition and deletion of certain positions in affected departments (companion item – Resolution No. 2017/117);
5. REFER to the Finance Committee for review and consideration a proposal for funding an immigrants rights program in Contra Costa;
6. ACKNOWLEDGE and continue existing Family and Human Services Committee referrals on the topics of Child and Teen Psychiatric Services (Referral No. 115) and SNAP/CalFresh (Food Stamp) Program (Referral No. 103);
7. ACKNOWLEDGE the Board's direction to the County Administrator to work with the Public Defender to review the budget request to add additional misdemeanor and felony staff and to recommended additional staff if the costs can be offset from the increased costs to the Contra Costa County Bar Association Contract for conflict defense;

ATTESTED: May 9, 2017

David J. Twa, County Administrator and Clerk of the Board of Supervisors

Contact: Lisa Driscoll, County Finance Director, 335-1023

By: , Deputy

cc: Robert Campbell, County Auditor-Controller, All County Departments (via CAO)

RECOMMENDATION(S): (CONT'D)

>

8. ADOPT the FY 2017-18 Recommended Budget line-item appropriation adjustments (Attachments A, B and C):
9. AUTHORIZE and REQUEST the Auditor-Controller to adjust FY 2016-17 appropriations and revenues by reallocating and balancing budgeted and actual expenditures and revenues as needed for various budget units and special districts, subject to Board approval in September; and
10. AUTHORIZE the Auditor-Controller to make technical adjustments to the FY 2017-18 Recommended Budget when actual amounts are known and return to the Board on September 19 for adoption of the Budget as Finally Determined.

FISCAL IMPACT:

The fiscal impact is described in the Fiscal Year 2017-18 Recommended Budget, which is available on-line at http://www.co.contra-costa.ca.us/DocumentCenter/View/45407. The attached line-item adjustments have no impact on net fund costs.

BACKGROUND:

On April 18, 2017, the Board of Supervisors adopted the County's FY 2017-2018 State Controller's Office Recommended Budget Schedules for Countywide Funds and Special Districts. These schedules meet the requirements of State law. State law requires that local government adopt a FY 2017-2018 Recommended Budget for Countywide funds and Special Districts prior to June 30, 2017 in order to spend monies for the coming fiscal year. State law also requires that the Recommended Budget be adopted prior to holding Budget Hearings. These schedules serve as a placeholder until the Board approves a Final budget. The schedules are in a State-required "line item" format as opposed to the program budget format used by the Board during budget hearings. The schedules incorporated the same total net County cost level as is presented in the County Administrator's Recommended Budget. Adoption of these schedules ensured that your Board met the requirements of State law and in no way constrain your discretion with respect to the FY 2017-18 budget.

After adoption of the State Schedules, the Board of Supervisors opened the public hearing on the FY 2017-18 Recommended Budget. The hearings began with an overview of the recommendations in the FY 2017-18 Budget by the County Administrator. The County Administrator advised the Board that the Recommended Budget and the County Administrator's Budget Message contain details on individual department budgets, programs, goals, and recommendations.

The Budget and message represented a work plan to achieve the County's mission and priorities in the coming year. A number of key issues that have informed the development of the Budget were included in the Budget and presentation, such as property tax projections, employment benefits and retiree health care/other post employment benefits, pension benefits, General Fund reserves, infrastructure/facilities maintenance, the status of Labor Negotiations, and the potential impact of other pending issues. Following the County Administrator's presentation, previously selected department heads were asked to present their key issues.

1. Dr. Walker presented a summary of the Health Services budget, which can be found on page 247-250 of the FY 2017/18 Recommended Budget. The Public Hearing was opened at the conclusion of Dr. Walkers comments. Supervisor Gioia acknowledged the $500,000 included in the budget for the Contra Costa Cares program and indicated his support for an additional $250,000 if matched by other local hospitals. Supervisor Mitchoff asked questions regarding transportation to medical appointments and emphasized Environmental Health's restaurant app, which is calledfoodinspector.
2. Director Kathy Gallagher presented her powerpoint on the Employment and Services Budget. Supervisor Mitchoff asked how the County could expand the Cal Fresh program and expressed her frustration regarding the In-Home Supportive Service budget.
3. Assistant Sheriff-Coroner Mike Casten presented a powerpoint on the Sheriff-Coroner Budget including an additional budget ask of $3.9 million for additional staff. He pointed out that the Sheriff would not be contracting for El Cerrito dispatch services and that made a $500,000 hole in the budget. Supervisor Gioia stated that he felt that the decision was unfortunate and hoped that the decision would be revisited.

4. District Attorney Mark Peterson presented a powerpoint on the District Attorneys Office and recent accomplishments including an additional budget ask of $600,000 for staff. Supervisors Mitchoff and Gioia asked questions regarding case statistics.
5. County Probation Officer Todd Billeci presented a powerpoint on Probation's budget and thanked the Board for the positions added to his department.

At the conclusion of the presentations, the Board took a short break and then asked for and received public comment. Public comments were made regarding the Northern Waterfront Initiative, Contra Costa Cares, staffing in the Public Defenders Office, the County's contract with the Contra Costa County Bar Association, the El Cerrito dispatch contract, the west County jail expansion, mental health services for children, CalFresh, cooperation with ICE, immigrant rights, contractor cost-of-doing-business increases, and emission releases from refineries. Taking into consideration the testimony it had received from staff and the public, the Board deliberated regarding the Recommended Budget. At the conclusion of deliberation, the Board made a series of motions to modify the Recommended Budget. Changes to the budget are made in the form of line-item changes.

Line-Item Changes (Attachments A, B and C)

A. There are three areas of change included in Attachment A, which the Board voted to approve during the hearings on April 18:

1. The first change moves $250,000 in Appropriations for Contingency (0990) within the general fund to Hospital Subsidies (0465) for the Contra Costa Cares program contingent upon an equal or greater match from community organizations;
2. The second change moves $500,000 within the general fund to Economic Promotion (0135/1152) for the Northern Waterfront Initiative;
3. The third change moves $220,000 in Appropriations for Contingency (0990) within the general fund to the Board of Supervisors/Unfunded Mandates (0001/1110) for the East Contra Costa Fire Protection District contingent upon the Knightsen station remaining open and match from Brentwood, Oakley, and ECCFPD;

B. Attachment B provides appropriations for funding three positions in the Office of the Public Defender. The Board of Supervisors directed the County Administrator to evaluate the Public Defender's proposal to increase staff in the felony and misdemeanor areas. The Public Defender projected that an increase in her staffing levels would save money currently spent on conflict defense services. The recommended change moves $432,000 from Conflict Defense Services (0248/2950) for the addition of three (3) attorneys in the Public Defenders Office for felony cases. Public Defender Robin Lipetzky assured the Board and the County Administrator that these additional staff would not only be cost-neutral, but would actually further reduce expenses under the Contra Costa County Bar Association Contract. Should Ms. Lipetzky's projections prove correct, the County Administrator will further evaluate the need for additional staffing in the next fiscal year.

C. Attachment C is an administrative line-item change that corrects a miscoding of revenue in Public Health (0450).

All of the line-item changes are in the General Fund and net to zero.

At the conclusion of the discussion, the Board directed the County Administrator to prepare the budget changes along with a position resolution necessary to carry out the Board's direction and return to the Board on May 9, 2017 for adoption of the FY 2017-18 Recommended Budget.

Position Resolution

A position resolution is required to effectuate the position modifications, additions and deletions identified in the Recommended Budget. The resolution is provided to the Board as a companion item (Resolution No. 2017/117) on today's agenda. Resolution No. 2017/117 includes positions in the Auditor-Controller, Clerk of the Board, County Administration, Employment and Human Services, Human Resources, Probation, Public Defender, Public Works, Risk Management, Sheriff- Coroner, and Contra Costa County Fire Protection District departments. Additional positions in various departments will be held vacant in order to achieve prescribed vacancy factor dollar savings. It should be noted that three of the four positions to be eliminated in the Probation Department are currently filled and that lay-offs are expected.

CONSEQUENCE OF NEGATIVE ACTION:

Changes to any recommended programs will require an equivalent reduction in funds from other County priorities in order to adhere to the Budget Policy to adopt a balanced budget.

Contact: Olivia D. Reynolds-Freeman (925) 313- 2306

cc:

BACKGROUND:

On May 24, 2016, this Board approved the proposed project and adopted the Mitigated Negative Declaration and Monitoring Reporting Program pertaining to the Project DCD – CP #15-39. These property rights are required for the Marsh Creek Road Bridge Replacement Project (Bridge 28C-141).

As a condition of the County's temporary use, Save Mount Diablo has required the County to indemnify them for claims arising out of the County's use of the property for construction of the project.

CONSEQUENCE OF NEGATIVE ACTION:

The project will not have sufficient land rights to allow construction in accordance with the approved plans and specifications.

Marsh Creek Rd Bridge Replacement - ROW Contract - Temp. Easement

RIGHT OF WAY CONTRACT - TEMPORARY EASEMENT
RW 8-4 (6/95)

Walnut Creek, California
April 5, 2017

District	County	Parcel No.
4	CC	078-090-007 (Portion of)

Grantor: Save Mount Diablo, a California non-profit Public benefit corporation

THIS DOCUMENT in the form of a TEMPORARY EASEMENT, covering the property particularly described in Clause 3 below has been executed and delivered to Olivia D. Reynolds-Freeman, Senior Real Property Agent for Contra Costa County ("County" or "Grantee").

In consideration of which, and the other considerations hereinafter set forth, it is mutually agreed as follows:

1. The parties have herein set forth the whole of their agreement. The performance of this agreement constitutes the entire consideration for said document and shall relieve the County of all further obligation or claims on this account, or on account of the location, grade or construction of the proposed public improvement.

2. The County shall pay the undersigned Grantor the sum of Five Thousand Dollars ($5,000) for this Temporary Easement.

3. Permission is hereby granted to the County and its authorized agents to enter upon Grantor's land where necessary within that certain area described in Exhibit "A" attached hereto and made a part hereof (the "Easement Area") for the purpose of accessing parcels adjacent to and near the Easement Area to perform activities related to the Marsh Creek Bridge Replacement Project, including de-watering Marsh Creek and constructing road and creek improvements.

4. This Temporary Easement shall commence on August 1, 2017 and terminate on December 31, 2019. Grantor shall have use of the property until the County takes possession.

5. The undersigned Grantor warrants that they are the owners in fee simple of the property affected by this Temporary Easement as described in Clause 3 above and that they have the exclusive right to grant this Temporary Easement.

6. In case of unpredictable delays in construction, upon written notification, the Temporary Easement may be extended by an amendment to this Right of Way contract. Grantor shall be compensated based on the fair market value at the time of the extenstion. Payment shall be made to Grantor prior to the expiration of the original period.

7. Grantee hereby releases and agrees to hold harmless, indemnify, and defend Grantor, its officers, employees, or agents from and against any and all liabilities, penalties, fines, charges, costs, losses, damages, expenses, causes of action, claims, demands, orders, judgements, or administrative actions, including, without limitation, reasonable attorneys' fees (collectively, "Liabilities"), arising from or in any way connected with injury to or the death of any person, or physical damage to any property, occurring in, on or about the Easement Area resulting from the use of the Easement Area by Grantee, its officers, employees, or agents; except for Liabilities arising from the sole negligence or sole willful misconduct of Grantor, its officers, employees, or agents.

8. Save Mount Diablo's property was acquired to protect conservation values including the riparian corridor along Marsh Creek, trees, rare plants and large rock outcroppings. It is understood and agreed that Contra Costa County, and its contractor, will clearly mark the temporary construction easement boundary, does not contemplate removing any trees from Save Mount Diablo's property, will clearly protect and completely avoid all rock outcroppings, will leave the premises in a clean and orderly condition and, if damage occurs, will repair, replace, or compensate for any damages to the property which may be caused during the course of the construction of the Marsh Creek Road Bridge Replacement Project (28C-141).

In Witness Whereof, the Parties have executed this agreement the day and year first above written.

BACKGROUND: (CONT'D)

Contra Costa County v. Ron Nunn Family, LP, et al. in connection with the County's Balfour Road Shoulder Widening Project in the Brentwood area.

The title report for the property that is the subject of the lawsuit showed that Tom McMillin had an interest in the property. Based on this information, the County included Mr. McMillin as a defendant in the lawsuit. Mr. McMillin filed an answer in the lawsuit and incurred court filing fees of $435. After Mr. McMillin appeared in the lawsuit, it was discovered that he did not have an interest in the property and should not have been included on the title report for the property. The County has dismissed Mr. McMillin from the lawsuit.

Approval of the Agreement between Mr. McMillin and the County will allow the County to reimburse Mr. McMillin for his filing fees and avoid any delays in the lawsuit that could arise if Mr. McMillin files a request with the Court for reimbursement. In exchange for payment from the County, Mr. McMillin will not file a request for reimbursement in the lawsuit and will execute a release in favor of the County.

CONSEQUENCE OF NEGATIVE ACTION:

If the agreement is not approved, Mr. McMillin, as a dismissed party, may submit a request for fee reimbursement in the lawsuit, which could delay resolution of the lawsuit.

ATTACHMENTS

Release Agreement - Tom McMillin -Balfour Shoulder Widening, Brentwood Area

RELEASE AGREEMENT

Effective April ___, 2017 ("Effective Date"), Tom McMillin ("McMillin") and Contra Costa County, a political subdivision of the State of California ("County"), enter into this Release Agreement ("Agreement").

A. On August 29, 2016, County filed a complaint in Contra Costa County Superior Court (Case No. 16-01648), entitled *Contra Costa County v. Ron Nunn Family, LP, et al.* ("the Complaint"), naming McMillin as a defendant ("the Action").

B. On November 18, 2017, McMillin filed an answer to the Complaint ("the Answer"). Concurrently with filing the Answer, McMillin incurred a Court filing fee of $435.

C. On January 25, 2017, County dismissed McMillin as a defendant from the Action.

D. Following the dismissal, McMillin requested that County pay him $435 as reimbursement for the fee McMillin incurred when he filed the Answer.

Agreement

Now, therefore, for valuable consideration the receipt and adequacy of which are acknowledged, the Parties agree as follows:

1. **Payment to McMillin.** County shall pay McMillin the sum of $435, no later than twenty (20) days after the Effective Date of this Agreement.

2. **Release of County by McMillin.** In consideration for the payment from County, McMillin agrees that he will not file a Memorandum of Costs or any other claim for payment in the Action, or otherwise, and hereby releases and discharges County, its employees, agents, attorneys, officers, divisions, departments, related agencies and entities, affiliates, successors, and assigns, from any and all claims, demands, causes of action, obligations, damages, and liabilities, including without limitation, attorney's fees and costs, related to the Complaint, the Answer, and the Action. For the purposes of this release, McMillin expressly waives the provisions and benefits of section 1542 of the California Civil Code, which provides:

> **A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.**

3. **Entire Agreement.** This Agreement contains the entire agreement among the Parties and supersedes any and all other prior agreements and all negotiations leading up to the execution of this Agreement, whether oral or in writing, among the Parties with respect to the Action. The Parties acknowledge that no representations, inducements, promises, or statements, oral or otherwise, have been made by any of the Parties or by anyone acting on behalf of the

Parties that are not embodied or incorporated by reference herein, and further agree that no other covenant, representation, inducement, promise, or statement not set forth in this Agreement shall be valid or binding.

4. **Modification or Amendment.** This Agreement may not be modified or amended except in a writing signed by the authorized representatives of all Parties.

5. **Applicable Law.** This Agreement shall be governed by and construed in accordance with California law.

6. **Construction and Interpretation.** The section headings and captions of this Agreement are included for convenience only and shall not be deemed to constitute part of this Agreement or to affect its construction. This Agreement shall not be construed as if it had been prepared by one of the Parties, but rather as if all Parties have prepared it. Any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply to the interpretation of this Agreement.

7. **Counterparts.** This Agreement may be executed in one or more counterparts, each of which shall be deemed an original.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the date and year set forth below.

Contra Costa County

To: Board of Supervisors

From: Julia R. Bueren, Public Works Director/Chief Engineer

Date: May 9, 2017

Subject: CSA with WSP USA, Inc., for the Balfour Road Shoulder Widening Project, Brentwood area.

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a contract with WSP USA, Inc., in an amount not to exceed $400,000, for construction management services for the Balfour Road Shoulder Widening Project, for the period of May 9, 2017 through June 30, 2018, Brentwood area. Project No. 0662-6R4002 (District III)

FISCAL IMPACT:

This project, including this Consulting Services Agreement, will be funded by 100% Discovery Bay Mitigation Funds.

BACKGROUND:

The project consists of widening Balfour Road and installing drainage facilities including culverts and drainage ditches between Bixler Road and Sellers Avenue. Work also includes construction of left turn pockets at the east and west leg of Balfour Road at Byron and the west leg of Balfour Road at Bixler Road.

WSP USA, Inc., was selected to provide construction management services for the project after

Contra Costa County

To: Board of Supervisors

From: Julia R. Bueren, Public Works Director/Chief Engineer

Date: May 9, 2017

Subject: Construction Contract for the Alhambra Valley Road Safety Improvements - Rancho La Boca Road to Ferndale Road Project, Martinez area.

RECOMMENDATION(S):

(1) APPROVE plans, specifications, and design for the Alhambra Valley Road Safety Improvements - Rancho La Boca Road to Ferndale Road Project, Martinez area. County Project No. 0662-6R4097, Federal Project Nos. HSIPL 5928 (118) (District V)

(2) DETERMINE that the bid submitted by Serafix Engineering Contractors, Inc. ("Serafix"), exceeded the Disadvantaged Business Enterprise (DBE) Goal for this project and that Serafix has submitted the lowest responsive and responsible bid for this project.

(3) AWARD the construction contract for the above project to Serafix, in the listed amount ($847,965.00) and the unit prices submitted in the bid and DIRECT that Serafix shall present two good and sufficient surety bonds as indicated below, and that the Public Works Director, or designee, shall prepare the contract.

(4) ORDER that, after the contractor has signed the contract and returned it, together with the bonds as noted below and any required certificates of insurance or other required documents, and the Public Works Director has reviewed and found them to be sufficient, the Public Works Director, or designee, is authorized to sign the contract for this Board.

David J. Twa, County Administrator and Clerk of the Board of Supervisors

By: , Deputy

Contact: Kevin Emigh, 925.313-2233

cc:

RECOMMENDATION(S): (CONT'D)

(5) ORDER that, in accordance with the project specifications and/or upon signature of the contract by the Public Works Director, or designee, any bid bonds posted by the bidders are to be exonerated and any checks or cash submitted for security shall be returned.

(6) ORDER that, the Public Works Director, or designee, is authorized to sign any escrow agreements prepared for this project to permit the direct payment of retentions into escrow or the substitution of securities for moneys withheld by the County to ensure performance under the contract, pursuant to Public Contract Code Section 22300.

(7) DELEGATE, pursuant to Public Contract Code Section 4114, to the Public Works Director, or designee, the Boards' functions under Public Contract Code Sections 4107 and 4110.

(8) DELEGATE, pursuant to Labor Code Section 6705, to the Public Works Director, or to any registered civil or structural engineer employed by the County, the authority to accept detailed plans showing the design of shoring, bracing, sloping, or other provisions to be made for worker protection during trench excavation covered by that section.

(9) DECLARE that, should the award of the contract to Serafix be invalidated for any reason, the Board would not in any event have awarded the contract to any other bidder, but instead would have exercised its discretion to reject all of the bids received. Nothing in this Board Order shall prevent the Board from re-awarding the contract to another bidder in cases where the successful bidder establishes a mistake, refuses to sign the contract, or fails to furnish required bonds or insurance (see Public Contract Code Sections 5100-5107).

FISCAL IMPACT:

This project is funded by 26.9% Highway Safety Improvement Program (HSIP) Funds, 62.1% Martinez Area of Benefit Funds, 4.7% Proposition 1B Funds, and 6.3% Gas Tax Funds.

BACKGROUND:

The above project was previously approved by the Board of Supervisors, plans and specifications were filed with the Board, and bids were invited by the Public Works Director. On April 11, 2017, the Public Works Department received bids from the following contractors:

BIDDER TOTAL AMOUNT, BOND AMOUNTS
Serafix Engineering Contractors, Inc.: $847,965.00

Bay Cities Paving & Grading, Inc.: $854,048.00

Ghilotti Bros., Inc.: $989,969.00

Hess Concrete Construction Co., Inc.: $1,133,441.00

The bidder listed first above, Serafix, submitted the lowest responsive and responsible bid, which is $6,083.00 less than the next lowest bid.

This is a federally-funded project subject to a DBE contract goal and requirements. The Public Works Director has determined and reports that Serafix attained 13.2% DBE participation, which exceeds the DBE goal for this project and the Public Works Director recommends that the construction contract be awarded to Serafix.

The Public Works Director recommends that the bid submitted by Serafix, is the lowest responsive and responsible bid, and this Board so concurs and so finds.

The Board of Supervisors previously adopted the Mitigated Negative Declaration and Mitigation and Monitoring Reporting Program in compliance with the California Environmental Quality Act, and a Notice of Determination was filed with the County Clerk on June 17, 2015.

The general prevailing rates of wages, which shall be the minimum rates paid on this project, have been filed with the Clerk of the Board, and copies will be made available to any party upon request.

CONSEQUENCE OF NEGATIVE ACTION:

Construction of the Alhambra Valley Road Safety Improvements - Rancho La Boca Road to Ferndale Road Project would be delayed, and the project might not be built.

Contra Costa County

To: Board of Supervisors

From: Julia R. Bueren, Public Works Director/Chief Engineer

Date: May 9, 2017

Subject: APPROVE the ninth extension of the Subdivision Agreement for subdivision SD89-07267, Walnut Creek area.

RECOMMENDATION(S):
ADOPT Resolution No. 2017/154 approving the ninth extension of the Subdivision Agreement for subdivision SD89-07267, for a project being developed by Morgan Capital Investment Properties, as recommended by the Public Works Director, Walnut Creek area. (District IV)

FISCAL IMPACT:
No fiscal impact

BACKGROUND:
The terminal date of the Subdivision Agreement needs to be extended. The developer has not completed the required improvements (approximately 38% of the work has been completed to date) and has requested more time. By granting an extension, the County will give the developer more time to complete improvements and keep the bond current.

CONSEQUENCE OF NEGATIVE ACTION:
The terminal date of the Subdivision Agreement will not be extended and the developer will be in default of the agreement, requiring the County to take legal action against the developer and surety to get the improvements installed, or revert the development to acreage.

Contra Costa County

To: Board of Supervisors

From: Julia R. Bueren, Public Works Director/Chief Engineer

Date: May 9, 2017

Subject: APPROVE the Preliminary Engineer's Report and ADOPT the Resolution of Intention for Countywide Landscaping District AD 1979-3 (LL-2) for FY 2017/2018

RECOMMENDATION(S):

APPROVE the Preliminary Engineer's Report and adopt Resolution No. 2017/142 (Resolution of Intention) for Countywide Landscaping District AD 1979-3 (LL-2) for Fiscal Year (FY) 2017/2018. The Preliminary Engineer's Report is on file with the office of the Clerk of the Board and the Public Works Department;

FIX a public hearing for June 13, 2017 at 9:30 a.m. in Room 107 of the Board of Supervisors' Chambers, 651 Pine Street, Martinez, California for adoption of the diagram and assessments, for each Benefit Zone, within the Countywide Landscaping District AD 1979-3 (LL-2) for FY 2017/2018, and authorize that they be collected on the secured property tax roll; and

DIRECT the Clerk of the Board of Supervisors to complete the required public notification in accordance with Section 6061 of the Government Code at least 10 days prior to the Public Hearing.

☑ APPROVE ☐ OTHER

☑ RECOMMENDATION OF CNTY ADMINISTRATOR ☐ RECOMMENDATION OF BOARD COMMITTEE

Action of Board On: **05/09/2017** ☐ APPROVED AS RECOMMENDED ☐ OTHER

Clerks Notes:

VOTE OF SUPERVISORS

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

ATTESTED: May 9, 2017

David J. Twa, County Administrator and Clerk of the Board of Supervisors

Contact: Warren Lai, 925.313-2180

By: , Deputy

cc: L. Strobel, County Administrator, R. Campbell, Auditor Controller, S. Anderson, County Counsel, G. Kramer, County Assessor, J. Francisco, Francisco&Associates, Inc., W. Lai, Assistant Public Works Director, V. Skerritt, Special Districts, J. Duffy, Special Districts, W. Quever, Finance

FISCAL IMPACT:

Cost of preparation of the Preliminary Engineer's Report is 100% funded by the Countywide Landscaping District AD 1979-3 (LL-2).

BACKGROUND:

The existing Countywide Landscaping District AD 1979-3 (LL-2) contains thirty (30) Benefit Zones comprised of landscaping, pedestrian bridges, irrigation, park and recreational facilities and ancillary improvements installed by developers as a condition of their development. The annual assessment levies fund the operation, maintenance, and capital replacement of these facilities.

On March 28, 2017, the Board of Supervisors adopted the Resolution of Initiation which directed the Engineer of Work for Contra Costa County to prepare the FY 2017/2018 Preliminary Engineer's Report for the Countywide Landscaping District AD 1979-3 (LL-2). The Landscaping and Lighting Act of 1972 requires that an Engineer's Report be prepared each fiscal year to identify any changes in the improvements and to set the ensuing year's special assessment rates.

The Fiscal Year 2017/2018 assessments included in the Preliminary Engineer's Report for each Benefit Zone were calculated by considering all anticipated expenditures for the operation, maintenance, utilities, administration, and capital replacement costs of these facilities. In addition, if any excess revenue was available from the previous fiscal year, it was credited against the proposed expenses for that Benefit Zone. The assessment rates within each Benefit Zone may change from the previous fiscal year, dependent upon the projected costs to maintain the facilities, however, the FY 2017/2018 special assessment rates cannot exceed the maximum amount set when the Benefit Zone was originally formed, plus an annual cost of living adjustment, if applicable.

If the Board of Supervisors approves the Preliminary Engineer's Report and adopts the Resolution of Intention, the Clerk of the Board will publish the Notice of Public Hearing. The Public Hearing will be scheduled for June 13, 2017. At the Public Hearing, the Board of Supervisors will be asked to adopt the Resolution Confirming the Diagram and Assessment for FY 2017/2018.

CONSEQUENCE OF NEGATIVE ACTION:

Without Board of Supervisors' approval of the Preliminary Engineer's Report and adoption of the Resolution of Intention there would be no assessment revenue collected from the Countywide Landscape District AD 1979-3 (LL-2) for FY 2017/2018. Thus, funds would not be available to maintain the landscaping and other improvements within the Benefit Zones throughout the Countywide Landscaping District AD 1979-3 (LL-2).

Resolution No. 2017/142

IN THE MATTER OF approving the Preliminary Engineer's Report and Adoption of Resolution No. 2017/142 (Resolution of Intention), for Countywide Landscaping District AD 1979-3 (LL-2) for Fiscal Year 2017/2018 as recommended by the Public Works Director, Countywide. (Countywide Landscaping District AD 1979-3 (LL-2) Funds) (All Districts) (Project Number 4500-6X5105)

WHEREAS The Board of Supervisors of Contra Costa County FINDS THAT:

1. A Resolution of Initiation (No. 2017/83) was approved on March 28, 2017, per Section 22622 of the California Streets and Highways Code that described any proposed new improvements or substantial changes in existing improvements and ordered the Engineer's Report to be prepared;

2. Per Section 22565 of the California Streets and Highways Code, the Engineer's Report contains 1) plans and specifications for the improvements, 2) an estimate of the costs of the improvements, 3) a diagram of the assessment district, and 4) a description of the method of apportionment of the costs of the improvements to the benefiting parcels, 5) property list and assessment roll;

3. Per Section 22623 of the California Streets and Highways Code, the Engineer's Report was filed with the Clerk of the Board, for submission to the Board of Supervisors;

4. Per Section 22623 of the California Streets and Highways Code, it states that upon filing of the Engineer's Report, the Board of Supervisors may approve the Engineer's Report as filed, or may modify the Engineer's Report in any particular, and approve the Engineer's Report as modified; and

5. After approval of the Engineer's Report, per Section 22624 of the California Streets and Highways Code, the Board of Supervisors, may adopt Resolution 2017/142 (Resolution of Intention), which 1) declares the intention to levy and collect assessments within the Countywide Landscaping District AD 1979-3 (LL-2) for Fiscal Year 2017/2018; 2) generally describes the existing and proposed improvements and any substantial changes proposed to be made in existing improvements; 3) refers to the assessment district by its distinctive designation and indicates the general location of the district; 4) refers to the Engineer's Report, on file with the Clerk of the Board, for a full and detailed description of the improvements, the boundaries of the assessment district and any zones therein, and the proposed assessments upon assessable lots and parcels of land within the district; 5) gives notice of the time, and the place for hearing on the levy of the proposed assessment; and 6) states whether the assessment is proposed to increase from the previous year.

NOW, THEREFORE, BE IT RESOLVED THAT:

1. The improvements to be made in the Contra Costa County Countywide Landscaping District AD 1979-3 (LL2) are generally described as the operation, maintenance and servicing of landscaping, pedestrian bridges, irrigation, park and recreational facilities and ancillary improvements within street rights of way and other public areas; and

2. The Engineer of Work for the Contra Costa County Countywide Landscaping District AD 1979-3 (LL2) filed an Engineer's Report in accordance with the provisions of the Landscaping and Lighting Act of 1972; and

3. The Board now declares its intention to levy and collect assessments in existing Benefit Zones within the Countywide Landscaping District AD 1979-3 (LL-2), Contra Costa County, California, for the fiscal year beginning July 1, 2017 and ending June 30, 2018; and

4. The improvements to be maintained throughout the Countywide Landscaping District AD 1979-3 (LL-2), Contra Costa County, California, consist of the installation, maintenance, operation and servicing of landscaping, pedestrian bridges, irrigation,

park and recreational facilities with all appurtenances, and services of consultants as needed. A detailed description of the improvements that are being operated, maintained, and serviced throughout each Benefit Zone in the District are provided in the Preliminary Engineer's Report for Countywide Landscaping District AD 1979-3 (LL-2) dated May 9, 2017 (shown as Exhibits A, B, and C); and

5. The Board will conduct a public hearing (the "Hearing") on June 13, 2017 at 9:30 a.m. in Room 107 of the Board of Supervisors' Chambers, 651 Pine Street, Martinez, California 94553; and

6. The Clerk of the Board is authorized and directed to give notice of public hearing required by the Landscaping and Lighting Act of 1972; and

7. The maximum assessment rates are not proposed to increase from the previous year except for those assessment rates that have a built-in inflation adjustment that was set when the District (or individual Benefit Zone within the District) was formed or subsequently ratified by a property owner vote.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

SECTION I

INTRODUCTION
ENGINEER'S REPORT

CONTRA COSTA COUNTY
COUNTYWIDE LANDSCAPING DISTRICT (LL-2)

FISCAL YEAR 2017-18

To ensure the proper flow of funds for the ongoing operation, maintenance and servicing of specific improvements within the boundaries of Contra Costa County, the Board of Supervisors, through the Landscaping and Lighting Act of 1972, approved the formation of Countywide Landscaping District (LL-2) or "District". Improvements that may be constructed, operated, maintained and serviced by the District include:

> *Landscaping, irrigation, lighting (not street lighting, except in special cases), park and recreational facilities, including but not limited to lights, playground equipment, play courts, public restrooms, and associated appurtenant facilities.*

Generally developers, as a part of their conditions permitting the developer to construct new housing or commercial/industrial developments, construct these aforementioned public improvements. However, the ongoing operation and maintenance of these various improvements are financed through the District. The District is composed of "Benefit Zones" to ensure that the operation and maintenance of the improvements are specifically paid for by those property owners who directly benefit from the improvements.

As required by the Landscaping and Lighting Act of 1972, the annual Engineer's Report must be reviewed by the Board of Supervisors each year and includes: (1) a description by Benefit Zone of the improvements to be operated, maintained and serviced by the District, (2) an estimated budget by Benefit Zone for the District, and (3) a listing of the proposed assessments to be levied upon each assessable lot or parcel within the District.

The Contra Costa County Board of Supervisors will hold a Public Hearing, June 13, 2017, on the District to provide an opportunity for any interested person to be heard. At the conclusion of the Public Hearing, the Contra Costa County Board of Supervisors may adopt a resolution confirming the levy of assessments as originally proposed or modified. Following the adoption of this resolution, the final Assessor's roll will be prepared and filed with the County Auditor's office to be included on the Fiscal Year 2017-18 tax roll.

Payment of the assessment for each parcel will be made in the same manner and at the same time as payments are made for property taxes. All funds collected through the assessment must be placed in a special fund and can only be used for the purposes stated within this report.

In addition to the existing Benefit Zones, new Benefit Zones are created throughout the Fiscal Year as development is processed. Table 1 below indicates those Benefit Zones that have been annexed into the District or modified since the prior year's annual report was prepared in Fiscal Year 2016-17.

Table 1 – Benefit Zones modified since FY2016-17

Benefit Zone	Comment
Zone 27	Since the zone boundaries are now consistent with property lines, irrigation system modifications to separate the County irrigation system from the HOA system is necessary. Future years' assessments will replenish funds in this zone for the cost of the irrigation system modifications, and then be adjusted to reflect the cost to maintain the County landscape improvements.

Benefit Zones with Proposed Assessment Increases for FY 2017-18

Benefit Zones No. 5, 35, 54 and 71 have been increased 3.44% over the FY 2016-17 rate. These benefit zones can be increased each fiscal year by the annual change in the Consumer Price Index for the San Francisco Bay Area – All Urban Customers (CPI). For Fiscal Year 2017-18 the CPI increased from 262.60 to 271.63 which equals an increase of 3.44%.

In addition, Benefit Zone No. 61 was increased from $125/EDU to $150/EDU with a maximum assessment rate of $190/EDU and Benefit Zone No. 70 was increased from $140/EDU to $175/EDU with a maximum assessment rate of $425.28/EDU. These assessment increases were necessary to cover expected operation and maintenance costs for FY 2017-18.

SECTION II

ENGINEER'S REPORT PREPARED PURSUANT TO THE PROVISIONS OF THE LANDSCAPING AND LIGHTING ACT OF 1972 SECTIONS 22500 THROUGH 22679 OF THE CALIFORNIA STREETS AND HIGHWAYS CODE

CONTRA COSTA COUNTY COUNTYWIDE LANDSCAPING DISTRICT (LL-2) FISCAL YEAR 2017-18

Pursuant to Part 2 of Division 15 of the Streets and Highways Code of the State of California, and in accordance with the Resolution of Intention, being Resolution No. 2017/142, adopted May 9, 2017 and the Resolution of Initiation, being Resolution No. 2017/107 adopted March 28, 2017, by the Board of Supervisors of Contra Costa County, State of California, in connection with the proceedings for:

CONTRA COSTA COUNTY

COUNTYWIDE LANDSCAPING DISTRICT (LL-2)

Herein after referred to as the "Assessment District", I, Warren Lai, P.E., the duly appointed ENGINEER OF WORK, submits herewith the "Report" consisting of five (5) parts as follows:

PART A: PLANS AND SPECIFICATIONS

This part describes the improvements to be maintained within the District. Plans and specifications for the improvements are on file in the Public Works Department.

PART B: ESTIMATE OF COST

This part contains an estimate of the cost of the administration, maintenance, operations and servicing of the improvements in each Benefit Zone as described in Part A (Plans and Specifications). This part includes the proposed expenses for Fiscal Year 2016-17 in addition to the proposed budget for Fiscal Year 2017-18 for each of the Benefit Zones. The detailed budget information is on file in the Public Works Department.

PART C: ASSESSMENT DISTRICT DIAGRAM

This part incorporates by reference a diagram of the District showing the exterior boundaries of the District, the boundaries of any Benefit Zones within the District and the lines and dimensions of each lot or parcel of land within the District. The diagram has been prepared by County staff and submitted to the Contra Costa County Clerk of the Board of Supervisors. The lines and dimensions of each lot or parcel within the District are those lines and dimensions shown on the maps of the Contra Costa County Assessor for the year when this Report was prepared. The Assessor's maps and records are incorporated by reference herein and made part of this Report.

PART D: METHOD OF APPORTIONMENT OF ASSESSMENT

This part contains the method of apportionment of assessments, based upon parcel classification of land within the District, in proportion to the estimated benefits to be received.

PART E: PROPERTY LIST & ASSESSMENT ROLL

This part contains a list of the parcels and proposed assessment amount on each benefited lot or parcel of land within the District. The list is keyed to the records of the Contra Costa County Assessor, which are incorporated herein by reference and is filed in the Office of the Contra Costa County Clerk of the Board of Supervisors.

PART A

PLANS AND SPECIFICATIONS

The facilities, which have been constructed within each of the Benefit Zones within the District, and those which may be subsequently constructed, will be operated, maintained and serviced as generally described as follows:

DESCRIPTION OF IMPROVEMENTS FOR THE CONTRA COSTA COUNTY COUNTYWIDE LANDSCAPING DISTRICT (LL-2)

FISCAL YEAR 2017-18

The improvements consist of the construction, operation, maintenance and servicing of landscaping, irrigation, lighting (not street lighting except in special cases), park and recreational facilities, and appurtenant facilities including but not limited to; personnel, electrical energy, utilities such as water, materials, contractual services, and other items necessary for the satisfactory operation of these services and facilities as described below:

Landscaping

The landscaping facilities consist of, but are not limited to: Landscaping, planting, shrubbery, trees, irrigation systems, hardscapes, sidewalks, trails, lighting and appurtenant facilities including, but not limited to playground equipment, play courts, and public restrooms, located within the public right-of-ways, parkways, parks, County building grounds, and designated easements within the boundaries of the District.

Park and Recreation Facilities

The operation and maintenance of park and recreational facilities includes, but is not limited to lights, playground equipment, play courts, community center buildings, and public restrooms and associated appurtenant facilities located within the boundaries of the District.

On the following pages is a detailed description of the improvements that are being operated, maintained and serviced throughout each Benefit Zone within the District. In addition, Appendix B (Assessment Diagrams), provides a detailed diagram of each Benefit Zone's improvements. The number indicating the improvements listed in each Benefit Zone on the following pages corresponds to the numbers on each Assessment Diagram in Appendix B.

- **Zones 1, 2, & 4 (Lynbrook Development - Bay Point Area)**

  Landscaping, irrigation, recreational facilities and related improvements located along the following roadways and within the following parks:
  1. Port Chicago Highway (approximately 1,600 linear feet);
  2. Kevin Drive (approximately 3,600 linear feet on the north side and approximately 2,600 linear feet on the south side);
  3. Lynbrook Street (approximately 1,050 linear feet on the north side and approximately 850 linear feet on the south side);
  4. Willow Pass Road (approximately 900 linear feet); and
  5. Lynbrook Park *(4.13 acres within the Lynbrook development) includes all playground equipment, ambient lighting and related improvements. Location: Kevin Drive & Port Chicago Highway.

***Please note:** Ambrose Recreation & Park District is responsible for the maintenance of Lynbrook Park as per the June 26, 2012 Joint Power of Agreement (JEPA) between the County and Ambrose.

- **Zone 3 (Hickory Meadows - Bay Point Area)**
  Landscaping, irrigation, recreational facilities and related improvements located along the following roadways and within the following parks:
  1. Hickory Meadows Park *(0.37 acres) located at the intersection of Winterbrook Drive and Summerfield Drive.

***Please note:** Ambrose Recreation & Park District is responsible for the maintenance of Hickory Meadows Park as per the June 26, 2012 Joint Power of Agreement (JEPA) between the County and Ambrose.

- **Zone 5 (Pacheco Beautification Project – Pacheco Area)**
  Landscaping, irrigation, recreational facilities and related improvements located along the following roadways and within the following parks:
  1. Pacheco Boulevard median island improvements that were installed as part of the Beautification Project (between Center Avenue and Second Street); and
  2. Pacheco Creekside Park trail (1.61 acres).

- **Zone 7 (Pleasant Hill/BART – Contra Costa Centre Area)**
  Landscaping, irrigation and related improvements located within:
  1. Various median islands within Las Juntas Way, Coggins Road, Jones Road, Wayne Drive, Treat Boulevard, Oak Road, and both sides and underneath the pedestrian bridge along Jones Road;
  2. Fox Creek Park (0.50 acres); and
  3. The Walden Green I area is adjacent and maintained through another funding source. Fund will be reduced in 2018-19.

- **Zone 10 (Viewpointe - Bay Point Area)**
  Landscaping, irrigation, and related improvements located within:
  1. Open Space - Slope easement areas (up to 10 feet);
  2. Paved walking trails (located on Pomo Street and the slope behind Sky Harbor Avenue);
  3. Viewpointe Park *****(a.k.a. Lehman Park – 0.08 acres). Location: Pomo Street and Sea Cliff Place;
  4. Landscaping at the end of Skyharbor and Waterview cul-de-sacs; and
  5. Frontage landscaping on the north side of Evora Road.

***Please note:** Ambrose Recreation & Park District is responsible for the maintenance of Viewpointe Park as per the June 26, 2012 Joint Power of Agreement (JEPA) between the County and Ambrose.

- **Zone 11 (Hilltop Commons - San Pablo Area)**
  Landscaping, irrigation and related improvements located within:
  1. Approximately 2,040 square feet of landscaping along the southeast side frontage along San Pablo Avenue between Kay Road and Crestwood Drive located between the sidewalk and the fence; and
  2. Median along San Pablo Avenue between Kay Road and Crestwood Drive.

- **Zone 17 (Shadow Creek – Danville Area)**
  Landscaping, irrigation and related improvements located along:
  1. Camino Tassajara on the north side, adjacent to the sidewalk areas, and the entry post areas located at Shadow Creek Drive and Knollview Drive.

- **Zone 18 (Pacheco Manor – Pacheco Area)**
  Landscaping, irrigation and related improvements located along:
  1. The frontage next to Pacheco Manor soundwall along Pacheco Boulevard; and
  2. The frontage next to Pacheco Manor fence along the east side of Temple Drive.

- **Zone 19 (Hidden Pond – Reliez Valley/Martinez Area)**
  Landscaping, irrigation and related improvements located along the following roadways:
  1. The frontage of Reliez Valley Road, (approximately 1,500 linear feet); and
  2. The frontage of Hidden Pond Road, (approximately 1,000 linear feet).

- **Zone 21 (Kensington - Kensington Area)**
  Landscaping, irrigation and related improvements located within:
  1. The five (5) roadway medians along Arlington Avenue;
  2. The Colusa Traffic Circle;
  3. The Kensington Sign area; and
  4. The frontage landscape on both sides of Arlington Avenue between Ardmore Road and Amhearst Avenue.

- **Zone 22 (Seabreeze – Bay Point Area)**
  Landscaping, irrigation and related improvements located along:
  1. Landscaping frontage on the north side of Evora Road and median along Saint Tropez;
  2. Open Space along the perimeter of Seabreeze subdivision and Subdivision 8330;
  3. Open space on perimeter of Parcel A;
  4. Landscaping at the ends of Beaulieu Court and Beaulieu Place;
  5. Landscaping at Rapallo Lane at Savona Way entry area; and
  6. Landscaping along south side of Savona Way.

- **Zone 27 (Bettencourt Ranch and Somerset– Danville Area)**
  Landscaping, irrigation and related improvements located along the Camino Tassajara frontage of Bettencourt Ranch and Somerset Subdivisions:
  1. Planting strips along Camino Tassajara between the curb and sidewalk (the slopes north of Camino Tassajara Road in this area are the property of the Bettencourt HOA and the responsibility of the Bettencourt HOA);
  2. Medians along Camino Tassajara between Buckingham Drive and Mansfield Drive. In Fiscal Year 2004-05, Zone 27A was created at a lower rate for those homeowners in Tract 7763 – due to the fact they are on a private street and have a reduced level of landscaping.

- **Zone 35 (Sandy Cove Shopping Center – Discovery Bay Area)**
  Landscaping, irrigation, pedestrian trail and related improvements located within the public right of way and trail easements;
  1. Three (3) Bixler Road median islands adjacent to Sandy Cove Shopping Center; and
  2. A pedestrian trail between the Sandy Cove Shopping Center and Newport Drive including two (2) footbridges and necessary appurtenances.

- **Zone 36 (Alamo Beautification - Alamo Area)**
  Landscaping, irrigation, recreational facilities and related improvements along/within Danville Boulevard, Livorna Road, Miranda Avenue and Stone Valley Road. This includes:
  1. Median islands at the intersection of Stone Valley Road and Green Valley Road;
  2. Trees related to the "Danville Boulevard of Trees" projects;
  3. Stone Valley Road landscaping. Phase I – North side of Stone Valley Road from Stone Valley Way to Austin Lane. South side from Alamo Ranch Road, approximately 280 linear feet East and South side from High Eagle Road, approximately 760 linear feet West; Phase II – Full responsibility for areas between Austin Lane and St. Paul Drive, excluding the Phase I area described above;
  4. Additional litter pickup and sidewalk and jogging path cleanup along Danville Boulevard, Livorna Road, Miranda Avenue and Stone Valley Road.

- **Zone 37 (Clyde - Clyde Area)**
  Landscaping, irrigation, recreational facilities and related improvements within:
  1. Clyde Park (2.0 acres, located on Norman Avenue);
  2. Marie Porter Park (0.22 acres, located on Kilburn Street and Norman Avenue);
  3. Big Oak Tree Park (.25 acres, located on Kilburn Street at the intersection of Wellington Avenue); and
  4. Maybeck Park (0.07 acres, located on Medburn Street and Amy Lane).

- **Zone 38 (Rodeo - Rodeo Area)**
  Landscaping, irrigation, recreational facilities and related improvements including trails and picnic facilities located along:
  1. The approximately 11-acre Lefty Gomez Ballfield Complex (located at 470 Parker Avenue);
  2. Maintenance of the "Rodeo" signboard area (up to the Hercules city limit);
  3. Parker Avenue trees along the west and east side frontage from First Street south to Sixth Street;
  4. The 3-mile long Rodeo Creek Trail Corridor (from Investment Street south to the footbridge at Mariners Point and Seacliff Court); and
  5. Pedestrian footbridge and adjacent lot located at Highway 80 and Willow Avenue.

- **Zone 42 (California Skyline - Bay Point Area)**
  Landscaping, irrigation, recreational facilities and related improvements located within the public right-of-way along:
  1. The frontage along the north side of Evora Road;
  2. Boeger Park* (0.57 acres, located on Caskey Street);
  3. The public paths located between lots 40/41, 28/46, 1/Evora Road and 27/Evora Road of Subdivision 7838;
  4. Both sides of Driftwood Drive from Jill to Coastview and within the median islands;
  5. Tradewinds Park* (0.72 acres, located at Tradewinds Court), including the landscape area on the northeast and southwest corner of Coastview and Tradewinds Court.

***Please Note:** Ambrose Recreation & Park District is responsible for the maintenance of Boeger & Tradewinds Park as per the June 26, 2012 Joint Power of Agreement (JEPA) between the County and Ambrose.

- **Zone 45 (Alamo Villas – Alamo Area)**
  Landscaping, irrigation and related improvements located within the public right-of-way along:
  1. The median island, approximately 120 linear feet along Danville Boulevard by Tract 7559.

- **Zone 48 (Mrack Road – Danville Area)**
  Landscaping, irrigation and related improvements within the public right-of-way along:
  1. Oakgate Drive; and
  2. The north side frontage of Camino Tassajara from 600' west of Oak Gate Drive to Hansen Lane (approximately 725 linear feet).

- **Zone 54 (Alamo Country – Alamo Area)**
  Landscaping, irrigation and related improvements located within the public right-of-way along:
  1. Livorna Road and Miranda Avenue, fronting Subdivisions 7601 and 7818, totaling approximately 4,320 linear feet. Landscaping varies in width from 23 feet to 170 feet; and
  2. A financial contribution of approximately $871 (93 units * $9.36) for the Zone 36 medians.

- **Zone 57 (Pacific Waterways – Discovery Bay Area)**
  Landscaping, irrigation, recreational facilities and related improvements within the public right-of-way, landscape and pedestrian pathway easements, parking bay parcels, and a park parcel:
  1. Regatta Park (4.83 acres, AKA Tyler Memorial Park, located on Sailboat Drive);
  2. Public right-of-way along Highway 4 and Bixler Road, fronting Subdivisions 7679, 7907, 7908, 7909 and 7881, totaling approximately 3,680 linear feet;
  3. Porthole Drive medians and frontage on both sides of approximately 340 linear feet each (totaling 1,020 linear feet);
  4. Entry area at Bixler Road and Regatta Drive;
  5. Parking bays and associated landscape; and
  6. A short pedestrian path connecting Yacht Drive to Bixler Road.

- **Zone 61 (Discovery Bay West – Discovery Bay Area)**
  Landscaping, irrigation, recreational facilities and related improvements along the following roadways and within the following parks:
  1. The public right-of-way frontage and medians along Newport Drive from Bixler Road to Newport Lane;
  2. The public right-of-way frontage and medians along all of Preston Drive;
  3. Frontage along both sides of Point of Timber Road adjacent to the Discovery Bay West development;
  4. Slifer Park (5.83 acres);
  5. Landscaping associated with the Park-n-Ride Lot located at Bixler Road; and
  6. Frontages along Bixler Road Village I, Bixler Road Village II, Bixler Road Village III and Bixler Road Village IV.

- **Zone 63 (Parkway Estates - North Richmond Area)**
  Landscaping, irrigation and related improvements within:
  1. Parkway Estates Park (0.32 acres, located on Malcom Drive).

- **Zone 64 (California Reflections – Pinole Area)**
  Landscaping, irrigation and related improvements consisting of approximately 231 linear feet located within:
  1. The public right-of-way fronting San Pablo Avenue; and
  2. The public right-of-way fronting Eire Drive.

  The landscape improvements vary in width from 15 feet to 30 feet.

- **Zone 68 (Wendt Ranch* – Danville Area)**
  Landscaping, irrigation and related improvements located within the public right-of-way and medians along:
  1. Camino Tassajara median islands and frontage along the subdivision; and
  2. Creekview Drive entry area, including the median island. The Creekview Drive and other parkway strips are specifically excluded.

  ***Please Note:** There are parks and landscaping located in the interior sections of this Zone which are owned and maintained by a Homeowners Association and therefore the maximum assessment rate did not include these interior areas of maintenance and they are not the responsibility of the District.

- **Zone 69 (Alamo Creek* – Danville Area)**
  Landscaping, irrigation and related improvements located within the public right-of-way and medians along:
  1. Camino Tassajara median from Knolls Creek Road east to soccer field entrance;
  2. Camino Tassajara south side frontage from Knolls Creek Road east to soccer field entrance;
  3. Charbray median and park strips from Camino Tassajara south to the trailhead (including bio filtration strips);
  4. Massara median and park strips from Charbray to Drysdale; and
  5. Casablanca park strips from Knolls Creek south to Charbray.

  ***Please Note:** There are parks and landscaping located in the interior sections of this Zone, which are currently owned and maintained by a Homeowners Association. However, the maximum assessment rate, when established, included these interior areas as being maintained and operated by the District. Therefore, if the Homeowner's Association fails to maintain these interior sections to County standards, the County may take over maintenance of these areas and increase the assessment to its maximum allowable rate.

- **Zone 70 (Intervening Properties – Danville Area)**
  Landscaping, irrigation and related improvements located within the public right-of-way and medians along:
  1. South side frontage from Hansen Lane east to the limits of the development;
  2. Monterosso west and east side street frontages & medians from Camino Tassajara south to Casablanca Street;
  3. Casablanca street frontage from Menton Street east to the Alamo Creek Tributary Bridge;
  4. Entry monument on Camino Tassajara & Monterosso Street; and
  5. Camino Tassajara median islands from Hansen Lane to Knollview Drive.

  ***Please Note:** There are parks and landscaping located in the interior sections of this Zone which are owned and maintained by a Homeowners Association and therefore the maximum assessment rate did not include these interior areas of maintenance and they are not the responsibility of the District.

- **Zone 71 (Diablo Vista Ballfields* – Danville Area)**
    1. 15 Acre Diablo Vista Ballfield.

    ***Please Note:** Per the December 15, 2009 Joint Exercise of Powers Agreement between the Town of Danville, San Ramon Valley Unified School District (SRVUSD) and Contra Costa County, SRVUSD is responsible for enhanced maintenance of this area.

- **Zone 74 (Bella Flora* – Richmond Area)**
  Landscaping, irrigation and related improvements located within the public right-of-way along:
    1. Martin Drive, east side frontage;
    2. Ellison Lane, south side frontage;
    3. Spears Circle Park (0.50 acres, located at intersection of Malcolm Drive and Spears Circle);
    4. Landscaping along the south side of Pittsburg Avenue (to be constructed in the future);
    5. A portion of the Pittsburg Avenue median islands (to be constructed in the future); and
    6. Landscaping along the east side of Richmond Parkway; and pedestrian trails (to be constructed in the future).

    ***Please Note:** There are parks and landscaping located in the interior of Subdivision 9293 which are planned to be owned and maintained by a Homeowners Association and therefore the maximum assessment rate did not include these interior areas of maintenance and they are not the responsibility of the District.

- **Zone 75 (Belmont Terrace* – Pacheco Area)**
  Landscaping, irrigation and related improvements located within the public right-of-way along:
    1. Pacheco Boulevard frontage from Falling Star Drive to Little Valley Road; and
    2. North side of Pacheco Boulevard frontage fronting Subdivision 8967.

    ***Please Note:** There are parks and landscaping located in the interior of Subdivisions 8967 and 8984 which are owned and maintained by a Homeowners Association and therefore the maximum assessment rate did not include these interior areas of maintenance and they are not the responsibility of the District.

PART B

ESTIMATE OF COST

The 1972 Act provides that the total cost of construction, operation, maintenance and servicing of the public landscaping, irrigation, lighting (not street lighting except in special cases) and park facilities can be recovered by the District. Incidental expenses including administration of the District, engineering fees, legal fees and all other costs associated with the construction, operation and maintenance and servicing of the District can also be included.

Four (4) Benefit Zones will have negative fund balances at the end of Fiscal Year 2017-18. In an effort to reduce the negative balances each year, there may be a temporary reduction of services in those areas of the County. Eventually these Zone balances will not be negative and will begin to build reserves for incidental costs and improvements within the Benefit Zone.

The estimated Fiscal Year 2017-18 expenditures and assessment revenue for the proposed District facilities have been provided by the County and are summarized on the following page:

Table 2: FY2017-18 Summary								
Zone	Zone Description	Number of Parcels	Total Expenditures	Capital Projects	Operating Reserves	Expenditures (w/out Capital or Operating Reserves)	Proposed Assessment Revenue	Maintained By
1, 2, 4	Lynbrook Development	685	($54,213.20)	$0.00	$0.00	($54,213.20)	$61,365.92	PWGM/Ambrose
3	Hickory Meadows	78	($29,693.17)	($17,136.02)	($7,023.12)	($5,534.03)	$14,046.24	Ambrose
5	Pacheco Beautification	907	($147,404.70)	($71,018.60)	($28,365.15)	($48,020.95)	$56,730.30	PWGM
7	Pleasant Hill BART	250	($151,157.48)	($7,121.09)	($25,784.19)	($118,252.20)	$81,433.62	Contra Costa Centre
10	Viewpointe	119	($16,918.71)	$0.00	$0.00	($16,918.71)	$18,071.34	PWGM/Ambrose
11	Hilltop Commons	1	($21,149.90)	$0.00	($3,000.00)	($18,149.90)	$6,000.00	Contractor
17	ShadowCreek	477	($155,882.42)	($27,054.54)	($35,775.00)	($93,052.88)	$71,550.00	PWGM
18	Pacheco Manor	22	($5,483.69)	($1,004.14)	($1,935.34)	($2,544.21)	$3,870.68	PWGM
19	Hidden Pond	130	($54,855.51)	($17,387.77)	($13,000.00)	($24,467.74)	$26,000.00	PWGM
21	Kensington Area	2,256	($41,309.69)	$0.00	($12,543.63)	($28,766.06)	$30,655.40	PWGM
22	Seabreeze	154	($46,289.61)	$0.00	($6,337.33)	($39,952.28)	$44,660.00	PWGM
27	Bettencourt Ranch & Somerset	571	($168,693.81)	$0.00	$0.00	($168,693.81)	$79,002.00	PWGM
35	Sandy Cove Shopping Center	9	($264,913.21)	($227,229.22)	($13,721.34)	($23,962.65)	$27,442.68	Discovery Bay CSD
36	Alamo Beautification	5,498	($82,433.39)	($17,905.88)	($16,921.68)	($47,605.83)	$50,377.84	PWGM
37	Clyde Area	286	($18,378.87)	($2,539.31)	($5,816.96)	($10,022.60)	$11,633.92	PWGM
38	Rodeo Area	2,556	($94,637.46)	$0.00	($10,079.60)	($84,557.86)	$84,414.82	Contractor

75	Belmont Terrace	219	($8,144.84)	$0.00	($354.72)	($7,790.12)	$821.58	HOA
		19,707	**($2,822,238.37)**	**($811,127.47)**	**($449,312.61)**	**($1,561,798.29)**	**$1,444,650.40**	

Legend:
PWGM = Public Works Grounds Maintenance
HOA = Homeowners Association
SRVUSD = San Ramon Valley Unified School District
Ambrose = Ambrose Recreation & Park District
Discovery Bay CSD = Discovery Bay Community Services District

A detailed "Special Districts Worksheet" for each Benefit Zone is shown in Appendix "A" of this Report. The worksheets provide actual revenues and estimated expenditure details for Fiscal Year 2016-17 and proposed revenue and expenditure details for Fiscal Year 2017-18.

Public playground safety and accessibility standards are mandated by two legal requirements. The Americans with Disabilities Act (ADA) of 1990 became effective in 1992 and required all public facilities (including playgrounds) be free of architectural barriers to access by January 1, 1995. Secondly, California Playground Safety Regulations R-39-97, mandated compliance with federal playground safety standards by the year 2000. This law requires that all playground equipment areas accessible to the public be audited/inspected for safety. These standards are established by the American Society for Testing and Materials (ASTM) in their document "Standard Consumer Safety Performance Specification for Playground Equipment for Public Use", and by the federal Consumer Products Safety Commission (CPSC) in their document "Public Playground Handbook for Safety". Landscape and lighting zones that have existing

playground equipment that does not meet these federal and state guidelines must either retrofit or replace that equipment.

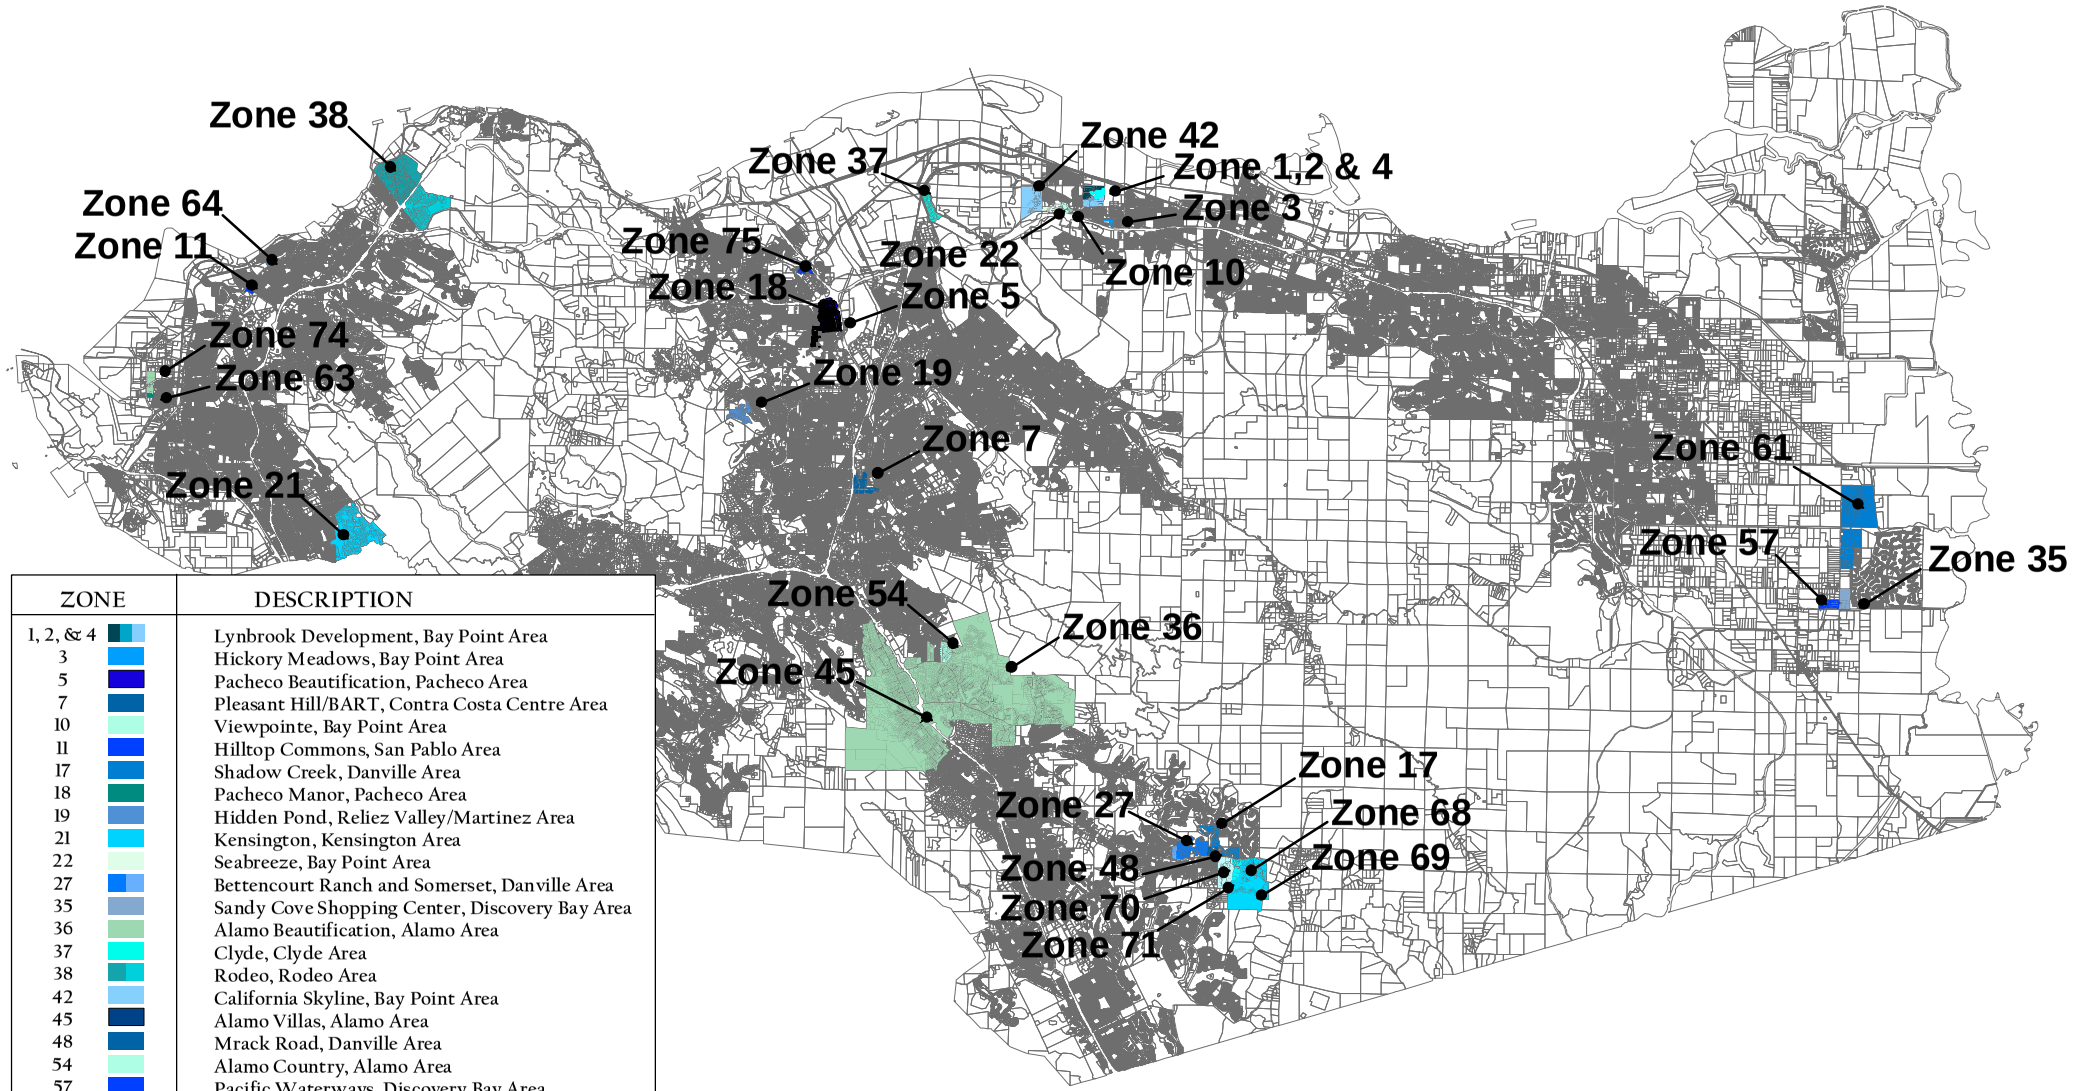
The 1972 Act requires that a special fund be set up for the revenues and expenditures of each Benefit Zone. Funds raised by the assessments shall only be used for the purpose as stated herein. A contribution to each Benefit Zone by Contra Costa County may be made to reduce the assessments, as the Board of Supervisors deems appropriate. Any balance remaining on July 1 at the end of the fiscal year must be carried over to the next fiscal year.

PART C

ASSESSMENT DISTRICT DIAGRAM

The boundaries of the Countywide Landscaping District (LL-2) are completely within the boundaries of Contra Costa County. The Assessment Diagram for the Countywide Landscaping District (LL-2) is on file in the Office of the Contra Costa County Clerk of the Board of Supervisors and the Contra Costa County Public Works Department. The lines and dimensions of each lot or parcel within the District are those lines and dimensions shown on the maps of the Contra Costa County Assessor, for the year when this Report was prepared, and are incorporated by reference herein and made part of this Report as shown in Appendix "B".

Contra Costa County
Assessment District 1979-3 (LL-2)



ZONE	DESCRIPTION
1, 2, & 4	Lynbrook Development, Bay Point Area
3	Hickory Meadows, Bay Point Area
5	Pacheco Beautification, Pacheco Area
7	Pleasant Hill/BART, Contra Costa Centre Area
10	Viewpointe, Bay Point Area
11	Hilltop Commons, San Pablo Area
17	Shadow Creek, Danville Area
18	Pacheco Manor, Pacheco Area
19	Hidden Pond, Reliez Valley/Martinez Area
21	Kensington, Kensington Area
22	Seabreeze, Bay Point Area
27	Bettencourt Ranch and Somerset, Danville Area
35	Sandy Cove Shopping Center, Discovery Bay Area
36	Alamo Beautification, Alamo Area
37	Clyde, Clyde Area
38	Rodeo, Rodeo Area
42	California Skyline, Bay Point Area
45	Alamo Villas, Alamo Area
48	Mrack Road, Danville Area
54	Alamo Country, Alamo Area
57	Pacific Waterways, Discovery Bay Area
61	Discovery Bay West, Discovery Bay Area
63	Parkway Estates, North Richmond Area
64	California Reflections, Pinole Area
68	Wendt Ranch, Danville Area
69	Alamo Creek, Danville Area
70	Intervening Properties, Danville Area
71	Diablo Vista Ballfields, Danville Area
74	Bella Flora, Richmond Area
75	Belmont Terrace, Pacheco Area

PART D

METHOD OF APPORTIONMENT OF ASSESSMENT

This section explains the benefits to be derived from the improvements and the methodology used to apportion the total assessments to the properties within the District.

The method used for apportioning the assessment is based upon the relative special benefits to be derived by the properties in each Benefit Zone of the District over and above the general benefits conferred on real property to the public at large. The assessment is apportioned to each parcel in proportion to the relative cost of the special benefits from the improvements.

Discussion of Benefit

Part 2 of Division 15 of the Streets and Highways Code, the Landscaping and Lighting Act of 1972, permits the establishment of assessment districts by Agencies for the purpose of providing certain public improvements, which include the operation, maintenance and servicing of landscaping and street lighting improvements.

Section 22573 of the Landscaping and Lighting Act of 1972 requires that maintenance assessments must be levied according to benefit rather than according to assessed value. This Section states:

> *"The net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefit to be received by each such lot or parcel from the improvements."*
>
> *"The determination of whether or not a lot or parcel will benefit from the improvements shall be made pursuant to the Improvement Act of 1911 (Division 7 (commencing with Section 5000)) [of the Streets and Highways Code, State of California]."*

In addition, the 1972 Act permits the designation of zones of benefit within any individual assessment district if "by reasons or variations in the nature, location, and extent of the improvements, the various areas will receive different degrees of benefit from the improvement" (Sec. 22574). Thus, the 1972 Act requires the levy of a true "assessment" rather than a "special tax."

Article XIIID, Section 4(a) of the California Constitution (also known as Proposition 218, approved by the California voters November 1996) limits the amount of any assessment to the proportional special benefit conferred on the property.

> *"No assessment shall be imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel."*

In addition, Article XIIID also provides that publicly owned properties must be assessed unless there is clear and convincing evidence that those properties receive no special benefit from the

assessment. Exempted from the assessment would be the areas of public streets, public avenues, public lanes, public roads, public drives, public courts, public alleys, public easements and rights-of-ways, public greenbelts and public parkways, and that portion of public property that is not developed and used for business purposes similar to private, commercial, industrial and institutional activities.

Special versus General Benefit

In the absence of an annual assessment, the improvements in each Benefit Zone of the District would not be provided, therefore the improvements are "over and above" what otherwise would be provided in other portions of the County as part of Public Works Facilities Division. All of the assessment proceeds derived from each Benefit Zone will be utilized to fund the cost of providing a level of tangible "special benefits" in the form of proximate landscaping and other permanent public improvements. The assessments are also structured to provide specific improvements within each Benefit Zone, further ensuring that the improvements funded by the assessments are of specific and special benefit to property within each Benefit Zone.

Specific Benefit has been quantified as:

- Unique proximity to improved landscaped area;
- Access to improved landscape areas;
- Improved views within each Zone; and
- Extension of a property's outdoor area for properties within close proximity to the improvements.

Although these improvements may be available to the general public at large, the public landscaping and other public improvements in each Benefit Zone of the District were specifically designed, located and created to provide additional and improved public resources for the direct advantage of property inside the Benefit Zone, and not the public at large. The boundaries of the Benefit Zones have been narrowly drawn to include those parcels that receive a direct advantage from the improvements.

Other properties that are outside a Benefit Zone do not enjoy the unique proximity, access, views and other special benefit factors described previously. Moreover, many of the homes and other improvements on parcels in the Benefit Zones would not have been built if the assessments were not established, because an assessment for public landscaping was a condition of development approval.

Without the assessments, the public improvements within the Benefit Zones would not be maintained and would turn into brown, unmaintained and unusable public improvements and public lands. If this happened, it would create a significant and material negative impact on the desirability, utility and value of property in the Benefit Zone. The improvements are, therefore, clearly above what otherwise would be provided. In fact, it is reasonable to assume that if assessments were not collected and the improvements were not maintained as a result, properties in the Benefit Zones would decline in desirability, utility and value by significantly more than the amount of the assessments.

It is therefore concluded that all the landscaping improvements funded by the assessments are of 99% special benefit to the identified benefiting properties located within the Benefit Zones and

that the value of the special benefits from such improvements to property in the Benefit Zones reasonably exceeds the cost of the assessments for every assessed parcel in the Benefit Zones. (In other words, as required by Proposition 218: the reasonable cost of the proportional special benefit conferred on each parcel reasonably exceeds the cost of the assessments.)

The County owns, maintains, rehabilitates and replaces curb and gutter along the border of the Benefit Zone improvements. This curb and gutter serves to support, contain, retain, manage irrigation flow and plant growth, and provide a boundary for the improvements. The contribution from the County towards general benefit from the maintenance, rehabilitation and replacement of the curb and gutter is conservatively estimated to be 1%.

PARKS BENEFIT DETERMINATION

The overall quality of life and desirability of an area is enhanced when public parks and recreational facilities are in place, improved, operable, safe, clean and maintained. Conversely, property desirability decreases when park and recreational facilities are unsafe or destroyed by the elements or vandalism.

Property desirability in an area also increases when there is an increase in the number of parks, recreation centers and sports facilities. These park and recreational facilities enable property owners to participate in sporting events, leisure activities, picnics, organized social events and other miscellaneous activities.

Studies in a number of communities, including counties and cities throughout the United States, have indicated that recreation areas and facilities, if well maintained and wisely administered, have caused a marked increase in the property values of parcels in the community. Consequently, such recreation and park facilities have proved to be an important factor in maintaining a sound economic condition and a high standard of livability in the community. These studies confirm the opinion long held by planning authorities as to the economic value of parks and recreational facilities in a community.

"The recreation value is realized as a rise in the value of land and other property in or near the recreation area, and is of both private interest to the landowner and others, holding an economic stake in the area, and of public interest to the taxpayers, who have a stake " (National Recreation and Park Association, June 1985)

"Recreation and park amenities are central components in establishing the quality of life in a community... [businesses'] main resource is their employees for whom quality of life is an important issue. The availability and attractiveness of local parks and programs influences some companies relocation decisions... the presence of a park encourages real estate development around it." (California Parks & Recreation, Winter 1997)

The benefit of parks and other recreational facilities to residential and commercial/industrial properties has been summarized by a number of studies. The United States Department of the Interior, National Park Service, in a publication of June 1984, concluded that:

- "Parks and recreation stimulate business and generate tax revenues."
- "Parks and recreation help conserve land, energy, and resources."
- "An investment in parks and recreation helps reduce pollution and noise, makes communities more livable, and increases property values."
- "Public recreation benefits all employers by providing continuing opportunities to maintain a level of fitness throughout one's working life, and through helping individuals cope with the stress of a fast-paced and demanding life."

Proper maintenance and operation of the parks within the District benefits those properties within the service areas of the parks by providing environmental quality and recreational enhancement. The amount of benefit received will vary with the different land use on the property. There are two categories from which the total benefit of a parcel is derived:

1. **Environmental Quality Benefit.** The improvement of the quality of air, visual aesthetics and attractiveness of the community as a place to live and work and do business.

2. **Recreation Enhancement Benefit.** The availability of usable and safe park and recreational facilities.

Recent studies have shown that adequate park and recreation facilities and recreation programs help to reduce crime and vandalism. This results in savings to property owners and improved property values and promotes the well-being of the community.

LANDSCAPING BENEFIT DETERMINATION

Trees, landscaping, hardscaping and appurtenant facilities, if well maintained, provide beautification, shade and enhancement of the desirability of the surroundings. In Parkways and Land Values, written by John Nolan and Henry V. Hubbard in 1937, it is stated:

> *"... there is no lack of opinion, based on general principals and experience and common sense, that parkways do in fact add value to property, even though the amount cannot be determined exactly. Indeed, in most cases where public money has been spent for parkways the assumption has been definitely made that the proposed parkway will show a provable financial profit to the City. It has been believed that the establishment of parkways causes a rise in real estate values throughout the City, or in parts of the City,..."*

It should be noted that the definition of "parkways" above may include the roadway as well as the landscaping alongside the roadway.

Proper maintenance and operation of the street landscaping provides beautification and enhancement of the desirability of surroundings. The Benefit Zones in the District enjoy a reputation for beauty, and the landscape improvements along the major thoroughfares in the medians and parkways enhance that reputation and benefit all parcels in each Benefit Zone. These major thoroughfares are the entryways into the various Benefit Zones and as such provide beautification to the entire Benefit Zone.

ASSESSMENT METHODOLOGY

The total operation, maintenance and servicing cost for the landscaping and public park facilities are apportioned in accordance with the methodology that is consistent with standard assessment engineering practices. The method for spreading the costs to each parcel is based on the Equivalent Dwelling Unit (EDU) factor (with the exception of Benefit Zone 7 assessments, which are assessed on potential floor area ratios for commercial/industrial parcels and Benefit Zone 35 assessments which are assessed on acreage).

Since the assessment is levied on the owners of properties as shown on the tax rolls, the final charges must be assigned by Assessor's Parcel Number. If assessments were to be distributed by parcel, not considering land use, this would not be equitable because a single-family parcel would be paying the same as a 50-unit apartment parcel or a large commercial establishment.

Therefore, as previously stated, the total assessment costs are distributed to each parcel of land based on the number of EDUs associated with each particular parcel.

Commercial and industrial parcels benefit similarly to residential parcels because of increased property values and the ability to have their workers and patrons use the park and recreational facilities. Commercial and industrial parcels are assessed based on their acreage because larger parcels have the ability to generate larger pedestrian flows. The methodology used to assign EDUs to other land uses in proportion to the benefit they receive relative to the single family residential parcel is shown below.

Developed Single Family Residential - The developed single family parcel has been selected as the basic unit for calculation of the benefit assessments. This basic unit shall be called an **Equivalent Dwelling Unit (EDU)**. Parcels designated as developed single family residential uses per the Contra Costa County land use code are assessed one (1.00) EDU.

Developed Multiple Residential - The EDUs for land designated as developed multi-family uses which includes townhomes, condominiums, mobile homes and apartments are assessed a factor of one-half (0.50) EDU per dwelling unit, e.g., a parcel with a 100-unit apartment would be assessed 50 EDUs. Based on data from representative cities in Northern California, the multiple family residential factor of 50% is determined by the statistical proportion of relative trip generation from various types of residential uses, in combination with density per unit. Benefit Zones 27 & 45 are assessed as 1.0 EDUs per dwelling unit for townhomes and condominiums.

Developed Commercial/Industrial, Recreational, Institutional, and Other Miscellaneous Uses - Developed commercial and industrial properties include commercial, industrial, recreational, institutional or miscellaneous uses per Contra Costa County land use codes. The parcels are assessed based upon their acreage. The parcels are assessed one (1.00) EDU for the first acre or any portion thereof, one (1.00) EDU/acre for each additional acre up to a maximum of three (3.00) EDUs. The minimum number of EDUs per parcel is one (1.00) EDU.

Commercial, industrial, recreational, institutional or miscellaneous uses in Benefit Zone 7, both developed and undeveloped per Contra Costa County land use codes, are assessed based upon the potential floor area ratio of the parcel. The minimum rate per parcel will be one single family unit.

Undeveloped Single Family Residential - Parcels defined as undeveloped single family residential parcels will be assessed at 50% of the developed single family rate or 0.50 EDU's.

Undeveloped Multiple Family Residential – The EDUs for land designated as undeveloped multi-family use which includes undeveloped townhomes, condominiums, mobile homes and apartments are assessed half of the developed EDU factor per planned dwelling unit. For example a parcel that is planned for a 100-unit apartment complex would be assessed 25 EDUs. If the number of planned dwelling units are not known, then the rate is 0.50 EDUs/acre with a minimum of 0.50 EDUs and a maximum of 1.50 EDUs.

Undeveloped Non-Single Family Residential - Parcels defined as undeveloped non-single family residential will be assessed at 50% of the developed commercial/industrial rate. These parcels include undeveloped commercial/industrial, recreational, institutional and other miscellaneous parcels. These parcels will be assessed at 0.50 EDUs per acre or any portion thereof, with a minimum of 0.50 EDU per parcel and a maximum of 1.50 EDUs per parcel (3.00 acres). Incremental acreage greater than 3.00 acres is considered to be open space area and therefore receives no further assessment.

Undeveloped property is described as parcels with no improved structures. Property values increase for undeveloped parcels when public infrastructure improvements are installed and well maintained.

Exempt - Exempted from the assessment would be the areas of all public streets, public avenues, public lanes, public roads, public drives, public courts, public alleys, all easements and rights-of-ways, all public parks, cemeteries, greenbelts and parkways and all public school property, other public property, designated open space, and public utilities.

BENEFIT ZONE CLASSIFICATION

As properties develop throughout the County, they are annexed into the District. A specific Benefit Zone may be created for these properties or they may be included within an existing Benefit Zone, which is unique and distinguishable from other Benefit Zones located within the District. Each Benefit Zone is evaluated to determine which improvements are of a specific and direct benefit to the parcels in that Benefit Zone. Once the improvements have been identified, a method of allocating those costs to the benefiting parcels is developed.

The following is a listing of the various Benefit Zones in the District, their corresponding number of parcels/units in each Benefit Zone, and the method of apportioning the costs of the improvements. Some Benefit Zones include an increase each year as allowed by the assessment formula when the Benefit Zone was formed.

- **Zones 1, 2, & 4 (Lynbrook Development - Bay Point)** Subdivisions 5354, 5380, 5533, 5534, 5695, 5696 (old 6622), & MS11-84.

  Formed: 1979
  Zone 1: 329 parcels; Zone 2: 127 parcels; Zone 4: 229 parcels

  Single family parcels are assessed 1.00 EDU/parcel and multi-family units are assessed 0.50 EDUs/unit.

  FY2017-18 Rate: $76.16 per EDU

- **Zone 3 (Hickory Meadows - Bay Point Area)** - Subdivision 5573

  Formed: September 1979
  78 Parcels

  Single family parcels are assessed 1.00 EDU/parcel and multi-family units are assessed 0.50 EDUs/unit.

  FY2017-18 Rate: $180.08 per EDU

- **Zone 5 (Pacheco Beautification Project – Pacheco Area)**

  Formed: June 11, 2002
  907 Parcels

  Zone 5 was formed in FY2002-03 with a maximum rate set at $46.50 per EDU + annual Consumer Price Index (CPI) increases for the San Francisco Bay Area - All Urban Consumers. The CPI starting index is 193.20 for June 30, 2002. The February 2017 CPI Index was 271.63, therefore the maximum rate for FY2017-18 is $65.38 per EDU.

  Maximum Rate: $65.38 per EDU
  FY2017-18 Rate: $65.38 per EDU

- **Zone 7 (Pleasant Hill/BART – Contra Costa Centre Area)**

  Formed: July 30, 1985
  250 Parcels

  Each of the parcels located within this zone will be assessed based upon their proportional share of benefit as follows:

  Residential property is assessed $16.12/parcel
  Commercial parcels are assessed $.0291708 per potential or actual square footage depending upon which amount is greater

- **Zone 10 (Viewpointe - Bay Point Area)** Subdivision 6484

  Formed: March 3, 1987
  119 Parcels

  Each of the parcels located within this zone will be assessed an equal share of the total assessment. Single family parcels are assessed 1.00 EDU/parcel and multi-family units are assessed 0.50 EDUs/unit.

  FY2017-18 Rate: $151.86 per EDU

- **Zone 11 (Hilltop Commons - San Pablo Area)** LUP 2042-85

  Formed: February 10, 1987
  1 Parcel

  This zone consists of multiple family residential units and there is one (1) parcel associated with all the residential units. The total assessment for this zone is assessed to the underlying parcel. The maximum assessment is $6,000, and the parcel will be assessed $6,000 for FY2017-18.

  FY2017-18 Rate: $6,000 per parcel

- **Zone 17 (Shadow Creek – Danville Area)** Subdivisions 7279, 7040 & 7041

  Formed: April 25, 1989
  477 Parcels

  Each of the parcels located within this zone will be assessed an equal share of the total assessment.

  FY2017-18 Rate: $150.00 per EDU

- **Zone 18 (Pacheco Manor – Pacheco Area)** Subdivision 6958

  Formed: June 7, 1988
  22 Parcels

  Each of the parcels located within this zone will be assessed an equal share of the total assessment.

  FY2017-18 Rate: $175.94 per EDU

- **Zone 19 (Hidden Pond – Reliez Valley/Martinez Area)** Subdivisions 6769, 7144, 7151, 7820, & 7821.

  Formed: August 7, 1990
  Annexed Tract 7144: January 9, 1996
  130 Parcels

  Each of the parcels located within this zone will be assessed an equal share of the total assessment.

  FY2017-18 Rate: $200.00 per EDU

- **Zone 21 (Kensington - Kensington Area)**

  Formed: June 6, 1989
  2,256 Parcels

  Each of the parcels located within this zone will be assessed an equal share of the total assessment based upon their land use. Single family residential parcels located within the Kensington area shall be assessed $13.66/parcel. Multi-family/Residential units and Mobile Home units shall be assessed half the single family rate per unit. Commercial will be assessed three times the single-family rate for each acre.

  FY2017-18 Rate: $13.66 per EDU

- **Zone 22 (Seabreeze – Bay Point Area)** Subdivisions 7152 & 8830

  Formed: August 13, 1991
  Subdivision 8830 annexed February 26, 2008 – 17 single family parcels
  154 Total Parcels

  Each of the parcels located within this zone will be assessed an equal share of the total assessment.

  FY2017-18 Rate: $290.00 per EDU

- **Zone 27 (Bettencourt Ranch and Somerset – Danville Area)** Subdivisions 7188, 7277, 7278, 7280 & 7763

  Formed: August 6, 1991
  571 Parcels

  Each of the parcels located within this zone will be assessed an equal share of the total assessment. In FY04-05, in order to spread the costs in proportion to the benefit each parcel receives, subzone "A" was developed. Subzone "A" is Tract 7763 which is on a private street and receives a reduced level of landscaping.

  Each of the 421 parcels not located within subzone "A" (subdivisions 7188, 7277, 7278 & 7280) will be assessed at the full assessment rate of **$150.00 per EDU**

  Subzone "A"
  Each of the 150 parcels located within subzone "A" (subdivision 7763) will be assessed approximately 70% of the full assessment rate of $150.00, which is **$105.68 per EDU.**

- Zone 35 (Sandy Cove Shopping Center – Discovery Bay Area) MS 39-91, DP 3031-94 & Tract 8456

Formed: May 5, 1998
9 Parcels
Reconfirmed: May 13, 2003

In February 2003 the rate for commercial parcels was re-confirmed based upon their net developable acreage at $1,434.92/acre + CPI increases for the San Francisco Bay Area – All Urban Consumers. The CPI starting index is 197.70 for February 2003. The February 2017 CPI Index is 271.63, therefore the maximum rate for FY2017-18 is $1,971.46 per acre.

Maximum Rate: $1,971.46 per acre
FY2017-18 Rate: $1,971.46 per acre

- Zone 36 (Alamo Beautification - Alamo Area)

Formed: August 6, 1991
5,498 Parcels

Each of the parcels located within this zone will be assessed an equal share of the total assessment.

FY2017-18 Rate: $9.36 per single family parcel

- Zone 37 (Clyde - Clyde Area)

Formed: July 23, 1991
286 Parcels

Each of the parcels located in this zone will be assessed an equal share of the total assessment, except for parcels owned by senior citizens. These parcels receive a fifty percent (50%) reduction in assessments.

FY2017-18 Rate: $41.76 per single family parcel

- **Zone 38 (Rodeo - Rodeo Area)**

Formed: July 23, 1991
2,556 Parcels

Each of the parcels located in this zone will be assessed an equal share of the total assessment. In order to spread the costs in proportion to the benefit, two subzones have been developed.

Subzone "A"
Parcels located within Subzone "A" will be assessed at the full assessment rate of **$32.04 per EDU.**

Subzone "B"
Parcels located within Subzone "B" (View Point Park (Tracts 4326, 4327, 4328, 4329 & 4958) Subdivision) will be assessed at 85% of the full assessment rate. Since these subdivisions have access to View Point Park through their Homeowner's Association, it reduces the demand on the Lefty Gomez picnic and play area (exclusive of the Community Center). Therefore, the parcels in Benefit Subzone "B" will pay an assessment rate reduced by $4.80 per EDU or **$27.24 per EDU.**

- **Zone 42 (California Skyline – Bay Point Area)** Tracts 7597, 7737 & 7838

Formed: July 7, 1993; Tract 7838 Annexed June 11, 1996
343 Parcels

Each of the parcels located in this zone will be assessed an equal share of the total assessment.

FY2017-18 Rate: $210.00 per EDU

- **Zone 45 (Alamo Villas – Alamo Area)** Tract 7559

Formed: July 26, 1994
10 Parcels

Each of the parcels located within this zone will be assessed an equal share of the total assessment.

FY2017-18 Rate: $120.00 per EDU

- **Zone 48 (Mrack Road – Danville Area)** Subdivisions 7613, 7621, 7776, 7777, 7778, 7779, 7780, 8104 and DP03-3009 (4 parcels)

  Formed: July 26, 1994
  DP03-3009 (MS04-0020) annexed July 12, 2005 – 4 parcels
  72 Parcels

  Each of the parcels located within this zone will be assessed an equal share of the total assessment.

  FY2017-18 Rate: $490.00 per EDU

- **Zone 54 (Alamo Country – Alamo)** Subdivisions 7601 & 7818

  Formed: December 20, 1994; Rate Increase July 8, 2002
  93 Parcels

  Each of the parcels located within this zone will be assessed an equal share of the total assessment. The maximum rate was increased in FY2002-03 and set at $275.00 per EDU + CPI. The CPI had a starting index of 193.20 as of June 30, 2002. The February 2017 CPI Index is 271.63, therefore the maximum rate for FY2017-18 is $386.62 per EDU.

  Maximum Rate: $386.62 per EDU
  FY2017-18 Rate: $386.62 per EDU

- **Zone 57 (Pacific Waterways – Discovery Bay Area)** Subdivisions 7679, 7881, 7907, 7908 & 7909.

  Formed: December 20, 1994
  380 Parcels

  Each of the parcels located within this zone will be assessed an equal share of the total assessment.

  FY2017-18 Rate: $231.00 per EDU

- **Zone 61 (Discovery Bay West - Discovery Bay Area)** Tract 7686, 8143, 8166, 8167, 8023, 8428, 8429, 8430, 8431, 8432, 8433, 8570, 8571, 8572, 8577, 8578, 8579, 8580, 8827, 8828, 8892, 8993, and 9067.

  Formed: November 2, 1999
  1,924 parcels

  Each of the parcels at build-out will be assessed an equal share of the total assessment. The maximum rate for this zone was set at $200.00 per EDU. However the maximum rate was decreased to $190.00 per EDU in FY2001-02 due to the formation of a separate Benefit Parking District.

  Maximum Rate: $190.00 per EDU
  FY2017-18 Rate: $150.00 per EDU

- **Zone 63 (Parkway Estates – North Richmond Area)** Tract 7903

  Formed: October 27, 1997
  87 Parcels

  Each of the parcels located within this zone will be assessed an equal share of the total assessment.

  FY2017-18 Rate: $230.00 per EDU

- **Zone 64 (California Reflections – Pinole Area)** Tract 7661

  Formed: January 9, 1996
  31 Parcels

  Each of the parcels located within this zone will be assessed an equal share of the total assessment.

  Maximum Rate: $300.00 per EDU
  FY2017-18 Rate: $250.00 per EDU

- **Zone 68 (Wendt Ranch – Danville Area)** Tract 8002

  Formed: October 10, 2000
  Modified: Fiscal Year 2005-06
  125 Parcels at build out

  Each of the 125 parcels at build-out located in this zone will be assessed an equal share of the total assessment. The maximum rate for FY2017-18 is $300.00 per EDU. However, this area is currently maintained by a Homeowner's Association, so therefore the rate for FY2017-18 has been set at $5.00 per EDU to cover administrative costs.

  Maximum Rate: $300.00 per EDU
  FY2017-18 Rate: $5.00 per EDU

- **Zone 69 (Alamo Creek – Danville Area)** Tract 8382, & 8381

Formed: June 12, 2006
679 single family, 127 townhomes and 120 unit senior housing at build out

Each of the parcels located within this zone is assessed an equal share of the total assessment. Single family parcels are assessed at 1.00 EDU/parcel, townhomes are assessed at 0.50 EDU/parcel and the senior housing is assessed at 0.50 EDU/unit. It is estimated that at build out of the zone the total amount needed to maintain the public improvements for Zone 69 on an annual basis is $853,185.90 (FY2006-07 dollars).

(679 single family units * 1.00 EDU) + (127 townhomes * 0.50) + (120 senior units * 0.50) = 802.50 EDUs

$853,185.90 divided by 802.50 EDUs = $1,063.16/EDU

The maximum assessment rate was set in Fiscal Year 2006-07 at $1,063.16 per EDU with an allowance for a minimum of a 2% CPI increase each fiscal year which is based upon the San Francisco Bay Area All Urban Consumers as of June, 2006 (209.1).

The February 2017 CPI Index is 271.63, therefore the maximum rate for FY2017-18 is $1,381.07 per EDU. However, this area is currently maintained by a Homeowner's Association, so therefore the rate for FY2017-18 has been set at $5.00 per EDU to cover administrative costs.

Maximum Rate: $1,381.07 per EDU
FY2017-18 Rate: $5.00 per EDU

- **Zone 70 (Intervening Properties – Danville Area)** Tract 8331

Formed: October 4, 2005
378 single family parcels and 96 apartment units at build out

Each of the parcels located within this zone is assessed an equal share of the total annual assessment. Single family parcels are assessed at 1.00 EDU/parcel, and the apartment complex is assessed at 0.50 EDU/unit.

The maximum assessment rate was set in Fiscal Year 2005-06 at $315.00 per EDU with an allowance for a minimum of a 2% CPI increase each fiscal year which is based upon the San Francisco Bay Area All Urban Consumers as of June, 2005 (201.20).

The February 2017 CPI Index is 271.63, therefore the maximum rate for FY2017-18 is $425.28 per EDU. The rate for FY2017-18 has been set at $140.00 per EDU.

Maximum Rate: $425.28 per EDU
FY2017-18 Rate: $175.00 per EDU

- **Zone 71 (Diablo Vista Ballfields – Danville Area)** Tract 8331, 8381, & 8382

Formed: October 4, 2005
1,059 single family parcels at build out

Each of the parcels located within this zone will be assessed an equal share of the total annual assessment.

Zone 71 was annexed in FY2005-06 and the maximum assessment rate was set at $80.00 per EDU with an allowance for a CPI increase each fiscal year which is based upon the San Francisco Bay Area All Urban Consumers as of June 2005 (201.20). Zone 71 was created per a Settlement Agreement (January 27, 2004) with the Town of Danville, Contra Costa County, the San Ramon Valley Unified School District, and the Integrated Project Developers. Each year the revenue will be collected and used to provide for the enhanced maintenance of the ball fields. Approximately $5.00/EDU each year will be used to cover administrative costs associated with levying the assessment. The February 2017 CPI Index is 271.63, therefore the maximum rate for FY2017-18 is $108.01 per EDU.

Maximum Rate: $108.01 per EDU
FY2017-18 Rate: $108.01 per EDU

***Please Note:** Per the December 15, 2009 Joint Exercise of Powers Agreement between the Town of Danville, San Ramon Valley Unified School District (SRVUSD) and Contra Costa County, SRVUSD is responsible for maintenance of this area.

- **Zone 74 (Bella Flora – Richmond Area)** Subdivisions 8755 & 9293 (old 8938)

Formed: June 12, 2006 (Resolution 2006/370)
173 single family parcels at build out

Annexation: January 8, 2008 (Subd. 9293 "old 8938")
355 Parcels

Each of the parcels within this zone is assessed an equal share of the total assessment for this zone. Single family parcels are assessed at 1.00 EDU/parcel, condominiums and townhomes are assessed 0.75 EDU/unit. It is estimated that at build out of the zone the total amount needed to maintain the public improvements for Zone 74 on an annual basis is $260,250 (FY2007-08 dollars).

(173 single family units * 1.00 EDU) + (95 single family units * 1.00 EDU) + (120 townhome units * 0.75 EDU) + (140 condominium units * 0.75 EDU) = 463.00 EDUs

The maximum assessment rate was set at $550.00 per EDU with an allowance for a minimum of a 2% CPI increase each fiscal year which is based upon the San Francisco Bay Area All Urban Consumers as of June, 2006 (209.1). The February 2017 CPI Index is 271.63, therefore the maximum rate for FY2017-18 is $714.48 per EDU.

Maximum Rate: $714.48 per EDU
FY2017-18 Rate: $340.00 per EDU (Subd 8755)
FY2017-18 Rate: $0.00 per EDU (Subd 9293 "old 8938")

- **Zone 75 (Belmont Terrace – Pacheco Area)** Tracts 8984, 8967 and an institutional parcel

Formed: February 27, 2007
Annexation: Subdivision 8967 (89 Courtyard units and 1 institutional parcel), May 13, 2008
217 courtyard units + 1 single family parcel + 1 institutional parcel

Each of the parcels located within this zone will be assessed their benefiting share of the total assessment for this zone. The courtyard homes are classified as townhomes per the County Assessor and parcels are assessed at 0.75 EDU/parcel and single family parcels are assessed at 1.00 EDU/parcel. The 0.96 acre institutional parcel is assessed 1.00 EDU based on its acreage. It is estimated that at build out of the Zone the total amount needed to maintain the public improvements for Zone 75 on an annual basis is $42,525.88 (FY2008-09 dollars).

(217 courtyard units *0.75 EDU/unit) = 162.75 EDUs

(1 single family parcel *1.00 EDU/parcel) = 1.00 EDU

(0.96 institutional acres) = 1.00 EDU

The maximum assessment rate was set at $254.11 per EDU with an allowance for a minimum of a 2% CPI increase each fiscal year which is based upon the San Francisco Bay Area All Urban Consumers as of June, 2006 (209.1). The February 2017 CPI Index is 271.63, therefore the maximum rate for FY2017-18 is $330.08 per EDU. However, this area is currently maintained by a Homeowner's Association, so therefore the rate for FY2017-18 has been set at $5.00 per EDU to cover administrative costs.

Maximum Rate: $330.08 per EDU
FY2017-18 Rate: $5.00 per EDU

PART E

PROPERTY LIST & ASSESSMENT ROLL

The total assessment amount for each Benefit Zone and the proposed assessment amount apportioned to each parcel for Fiscal Year 2017-18, in proportion to the benefit received by each parcel from the improvements, is contained in the Assessment Roll, which is on file in the Office of the Contra Costa County Clerk of the Board of Supervisors, the Contra Costa County Public Works Department, the Contra Costa County Public Works website and shown in Appendix "C".

The Assessment Roll includes a list of all parcel numbers within the District that have been updated to match the last equalized Property Tax Roll of the Contra Costa County Assessor, which by reference is hereby made a part of this report. The last equalized Property Tax Roll includes a description of each parcel and shall govern for all details concerning the description of the parcels.

The total proposed assessment for the 2017-18 Fiscal Year is $1,444,650.40.

Contra Costa County

To: Board of Supervisors

From: Julia R. Bueren, Public Works Director/Chief Engineer

Date: May 9, 2017

Subject: Construction Contract for the San Pablo and Wildcat Creeks Levee Remediation Project, North Richmond area.

RECOMMENDATION(S):

(1) APPROVE plans, specifications, and design for the San Pablo and Wildcat Creeks Levee Remediation Project, North Richmond area. Project No. 7527-6D8740 (District I)

(2) DETERMINE that Ghilotti Construction Company ("Ghilotti") the lowest monetary bidder, has complied with the requirements of the County's Outreach Program and has exceeded the Mandatory Subcontracting Minimum for this project, as provided in the project specifications; and FURTHER DETERMINE that Ghilotti has submitted the lowest responsive and responsible bid for the project.

(3) AWARD the construction contract for the above project to Ghilotti in the listed amount ($1,702,795.25) and the unit prices submitted in the bid, and DIRECT that Ghilotti shall present two good and sufficient surety bonds, as indicated below, and that the Chief Engineer, or designee, shall prepare the contract.

(4) ORDER that, after the contractor has signed the contract and returned it, together with the bonds as noted below and any required certificates of insurance or other required documents, and the Chief Engineer has reviewed and found them to be sufficient, the Chief Engineer, or designee, is authorized to sign the contract for this Board.

ATTESTED: May 9, 2017

David J. Twa, County Administrator and Clerk of the Board of Supervisors

By: , Deputy

Contact: Kevin Emigh, 925.313-2233

cc:

RECOMMENDATION(S): (CONT'D)

(5) ORDER that, in accordance with the project specifications and/or upon signature of the contract by the Chief Engineer, or designee, bid bonds posted by the bidders are to be exonerated and any checks or cash submitted for security shall be returned.

(6) ORDER that, the Chief Engineer, or designee, is authorized to sign any escrow agreements prepared for this project to permit the direct payment of retentions into escrow or the substitution of securities for moneys withheld by the County to ensure performance under the contract, pursuant to Public Contract Code Section 22300.

(7) DELEGATE, pursuant to Public Contract Code Section 4114, to the Chief Engineer, or designee, the Board's functions under Public Contract Code Sections 4107 and 4110.

(8) DELEGATE, pursuant to Labor Code Section 6705, to the Chief Engineer, or to any registered civil or structural engineer employed by the County, the authority to accept detailed plans showing the design of shoring, bracing, sloping, or other provisions to be made for worker protection during trench excavation covered by that section.

(9) DECLARE that, should the award of the contract to Ghilotti be invalidated for any reason, the Board would not in any event have awarded the contract to any other bidder, but instead would have exercised its discretion to reject all of the bids received. Nothing in this Board Order shall prevent the Board from re-awarding the contract to another bidder in cases where the successful bidder establishes a mistake, refuses to sign the contract, or fails to furnish required bonds or insurance (see Public Contract Code Sections 5100-5107).

FISCAL IMPACT:

The construction contract will be funded by 65% Department of Water Resources Grant Funds, 30% County General Fund, 5% Flood Control District Zone 7 Funds.

BACKGROUND:

The above project was previously approved by the Board of Supervisors, plans and specifications were filed with the Board, and bids were invited by the Chief Engineer. On April 4, 2017, the Flood Control and Water Conservation District received bids from the following contractors:

BIDDER, TOTAL AMOUNT, BOND AMOUNTS
Ghilotti Construction Company ("Ghilotti"): $1,702,795.25; Payment: $1,702,795.25; Performance: $1,702,795.25

W.R. Forde Associates: $1,820,644.00

Maggiora & Ghilotti, Inc.: $1,957,957.50

Serafix Engineering Contractors, Inc.: $2,115,416.00

The Chief Engineer has reported that Ghilotti documented an adequate good faith effort to comply with the requirements of the County's Outreach Program and exceeded the Mandatory Subcontracting Minimum for this project, and the Chief Engineer recommends that the construction contract be awarded to Ghilotti.

The Chief Engineer recommends that the bid submitted by Ghilotti is the lowest responsive and responsible bid, which is $117,848.75 less than the next lowest bid, and this Board concurs and so finds.

The Board of Supervisors previously adopted the combined Finding of No Significant Impact/Mitigated Negative Declaration and Mitigation Monitoring Reporting Program in compliance with the California Environmental Quality Act (CEQA) on July 7, 2015, and a Notice of Determination was filed with the County Clerk on July 9, 2015.

The general prevailing rates of wages, which shall be the minimum rates paid on this project, have been filed with the Clerk of the Board, and copies will be made available to any party upon request.

CONSEQUENCE OF NEGATIVE ACTION:

Construction of the project would be delayed, and the project might not be built.

Contra Costa County

To: Contra Costa County Flood Control District Board of Supervisors

From: Julia R. Bueren, Public Works Director/Chief Engineer

Date: May 9, 2017

Subject: Lower Walnut Creek Restoration — U.S. Environmental Protection Agency San Francisco Bay Water Quality Improvement Fund Grant. Project No. 7562-6B8285

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Chief Engineer, Flood Control and Water Conservation District (FC District), or designee, to apply for and/or accept federal assistance in the form of the U.S. Environmental Protection Agency (EPA) Region 9 San Francisco Bay Water Quality Improvement Fund Grant in an amount not to exceed $1,500,000, for design, permitting, construction and monitoring of the Lower Walnut Creek Restoration Project, Martinez/Pacheco area.

FISCAL IMPACT:

50% County Match - funded by 36% California Department of Fish and Wildlife Proposition 1 Funds and 64% Flood Control District Zone 3B Funds

BACKGROUND:

The FC District owns and manages both Walnut Creek and Pacheco Creek, which were channelized by the Corps of Engineers in the 1960s. At the FC District's request, Congress recently removed four miles of these creeks from the Corps' system and returned them to local control. The FC District is currently conducting a community-based planning process that seeks to develop a project that can work more with nature to transform Lower Walnut Creek into a more sustainable system.

The U.S. EPA

BACKGROUND: (CONT'D)

is seeking high-quality grant proposals for multibenefit ecosystem restoration and protection projects that lead to the restoration of important species and habitat, and a more resilient, sustainably managed water resources system.

The Lower Walnut Creek Restoration Project is a good match for the goals of the U.S. EPA San Francisco Bay Water Quality Improvement Fund Grant, thus the FC District recommends applying for it.

The President has proposed a significant reduction in EPA funding that, if enacted, would likely mean the elimination of future rounds of this long-standing grant program. The FC District had planned to apply for this funding next year, but recommends applying now while this grant program is still in effect.

CONSEQUENCE OF NEGATIVE ACTION:

Without the Board of Supervisors' approval, the FC District will not be able to apply for the EPA grant program.

Subject: Third Amendment to Marsh-Kellogg Operation and Maintenance Agreement dated June 8, 1964, with the Natural Resources Conservation Service, Oakley area.

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Chief Engineer, Flood Control and Water Conservation District (FC District) to execute the Third Amendment to the Marsh-Kellogg Operation and Maintenance Agreement dated June 8, 1964, with the Natural Resources Conservation Service (NRCS), which changes the limits and maintenance obligations due to the transfer of ownership of a portion of Marsh Creek Flood Control Channel to the Department of Water Resources (DWR); thereby, NRCS will no longer require the FC District to operate, maintain, and inspect Marsh Creek from the mouth at Dutch Slough to approximately Station 74+00.

FISCAL IMPACT:

All costs to be funded by the Reclamation District 2137, implemented by the DWR.

BACKGROUND:

The State of California, DWR is in the process of purchasing a portion of Marsh Creek Flood Control Channel between the mouth at Dutch Slough and approximately Station 74+00, from the FC District. Due to the transfer of ownership and DWR's project to convert the eastern

adjacent land to wetlands, the maintenance requirements for the Marsh Creek channel between Dutch Slough and approximately Station 74+00 has changed. DWR will be responsible for monitoring and maintaining the reach between Dutch Slough and approximately Station 74+00 in a manner that allows the continued function of this portion of the channel and will not impact any upstream functions as determined and established in the Operation and Maintenance Agreement dated June 8, 1964.

NRCS will no longer require the FC District to operate, maintain, and inspect Marsh Creek from Dutch Slough to approximately Station 74+00. All other terms and conditions of the original Agreement will remain in full force and effect.

CONSEQUENCE OF NEGATIVE ACTION:

Without the Board's approval, the transfer of ownership of a segment of Marsh Creek to the DWR will not be approved and DWR's Dutch Slough Tidal Marsh Restoration Project will be delayed.

CHILDREN'S IMPACT STATEMENT:

ATTACHMENTS

Amendment No. 3

Project: Marsh-Kellogg (PL-566)
Marsh Creek Channel – Dutch Slough to Highway 4

State: California

Amendment No. 3 to the Operation and Maintenance Agreement

Background: The portion of Marsh Creek Channel between Dutch Slough to approximately Station 74+00 is part of the large Marsh-Kellogg Watershed project (Marsh Creek Reach I). This portion of Marsh Creek was improved in the mid-1960s to provide protection to adjacent farmland to the east of the channel. For over 100 years, the adjacent site east of this portion of March Creek Channel was used for grazing and dairy operations. During the past 30 years, eastern Contra Costa County has undergone a rapid urbanization and the previously planned 4,500-6,100 housing unit site has now become a restoration site after the purchase was completed by the State of California, Department of Water Resources (DWR) in fall of 2003 and the project is implemented by Reclamation District 2137.

DWR has purchased from the Contra Costa County Flood Control and Water Conservation District (FCD) a portion of Marsh Creek Channel between the mouth at Dutch Slough to approximately Station 74+00 (DWR Parcel No. CF-07-04; FCD Drawings ED-457 to 459). Due to the transfer of ownership and the conversion of the eastern adjacent land to wetlands, the maintenance requirements for the Marsh Creek channel between Dutch Slough to approximately Station 74+00 (DWR Parcel No. CF-07-04; FCD Drawings ED-457 to 459) has changed. DWR will be responsible for monitoring and maintaining the reach between Dutch Slough to approximately Station 74+00 (DWR Parcel No. CF-07-04; FCD Drawings ED-457 to 459) in a manner that allow the continued function of this portion of the channel and will continue all upstream functions as determined and established upon in the Operation and Maintenance Agreement dated June 8, 1964.

The subject Operations and Maintenance Agreement is hereby amended as follows:

Change numbered descriptive paragraphs on page 1 to read as follows:

> "1. Stream channel improvements, appurtenant structures, and vegetation in Marsh Creek, North side of Contra Costa Canal (Station 74+00) to Brentwood Blvd. (formerly State Highway No. 4), Marsh-Kellogg Watershed, Contra Costa County, California."
> "2. Modification of existing group agricultural water management facilities in Marsh Creek, North side of Contra Costa Canal (Station 74+00) to Brentwood Blvd. (formerly State Highway No. 4), Marsh-Kellogg Watershed, Contra Costa County, California."

NRCS will no longer require the FCD to operate, maintain, and inspect Marsh Creek from the mouth at Dutch Slough to approximately Station 74+00. All other terms and conditions of this Agreement shall remain in full force and effect.

Resolution No.
2017/159

The Board of Supervisors of
Contra Costa County, California

In the matter of: **Resolution No. 2017/159**

Declaring June 2017, Lesbian, Gay, Bisexual, Transgender, Queer and Questioning (LGBTQ) Pride Month in Contra Costa County

Whereas, the month of June was chosen for LGBTQ (lesbian, gay, bisexual, transgender and queer/questioning) Pride Month to commemorate the rise of the LGBTQ civil rights movement that grew out of spontaneous civil rights demonstrations by members of the LGBTQ community against unjust police raids that took place in New York City at the end of June 1969, known as the Stonewall Riots; and

Whereas, former President Obama designated the Stonewall Inn as a National Monument in 2016 because of the role it played in the struggle for "homophile rights" in the U.S., the Stonewall Riots inspires LGBTQ people, not only in the U.S., but throughout the world in the struggle for civil rights; and

Whereas, Contra Costa Health Services, Contra Costa Regional Medical Center and Behavioral Health Division through the work of the LGBT Pride Initiative received the prestigious national designation of Leader in Healthcare Equality for the past five years, and again in 2017 by the Human Rights Campaign, the largest LGBTQ advocacy organization in the United States; and

Whereas, Contra Costa Health Services identified the need for a specialty clinic to serve the transgender community and started the first Gender Clinic in October 2016, the only clinic for transgender care between Oakland and Sacramento; and

Whereas, research shows that 2-7% of all adults are lesbian, gay or bisexual and through The Family Acceptance Project at SFSU research shows that families, parents, caregivers and guardians can have a very dramatic impact on the well-being of their LGBTQ youth demonstrating family and community acceptance promotes health and protects LGBTQ young people against risk; and

Whereas, more same-sex families are identifying themselves to the US Census in 2010 placing Contra Costa County 15th in the state's 58 counties with the most same-sex couples per capita; and

Whereas, the Rainbow Community Center (RCC) is the only organization in Contra Costa County that is solely focused on serving the LGBTQ community with priorities to build services for LGBTQ youth, seniors, people living with HIV/AIDS and to develop community building efforts that will diminish the sense of isolation and promote greater acceptance of all LGBTQ people; and

Whereas, Contra Costa County's LGBTQ service partners include the County's Pride Initiative, Rainbow Community Center, RYSE Center, Center for Human Development, Gender Spectrum, El Cerrito High School James

Morehouse Project, Oakland/East Bay Gay Men's Chorus, Parents and Friends of Lesbians and Gays (PFLAG), Queer Alliances Contra Costa, Mt. Diablo Peace and Justice Center, and the Welcoming Churches coalition, and

Whereas, in Contra Costa County, LGBTQ community residents, employees, businesses, and organizations have made and continue to make, great and lasting contributions adding to the rich diversity of this County; and

Whereas, the Contra Costa County Board of Supervisors supports and promotes inclusion,non-discrimination, and equality among all County residents;

Now, Therefore, Be It Resolved that the Board of Supervisors of Contra Costa County declares the month of June 2017 as LGBTQ Pride Month in Contra Costa County and encourages a safe and accepting environment for all members of the community.

Resolution No.
2017/158

The Board of Supervisors of
Contra Costa County, California

In the matter of: **Resolution No. 2017/158**

Recognizing May 2017 as CalFresh Awareness Month in Contra Costa County

WHEREAS, the Employment and Human Services Department (EHSD) along with the CalFresh Partner Group, comprised of The Food Bank of Contra Costa and Solano, Family Economic Security Partnership, Multi-Faith ACTION Coalition, and Meals on Wheels, is committed to increasing CalFresh participation and awareness for residents in Contra Costa County; and
WHEREAS, encouraging eligible residents to enroll in CalFresh will increase access to healthy, affordable food; and
WHEREAS, EHSD's partnership with the community will raise awareness and visibility of the CalFresh program and target increased enrollment for families and seniors; and
WHEREAS, 65,007 Contra Costa County residents received CalFresh as of December 31, 2016, nearly half of them children; and
WHEREAS, according to the California Food Policy Advocates (CEPA), only 51.2 percent of all Contra Costa County residents eligible for CalFresh benefits receive them; and
WHEREAS, this indicates that there is a significant number of additional Contra Costa County residents who lack food security and remain unaware that they may qualify for CalFresh; and
WHEREAS, every dollar of CalFresh benefits results in economic generation in the amount of $1.79; and
WHEREAS, EHSD is partners with the Food Bank of Contra Costa and Solano, the Ensuring Opportunity Campaign, the Multi-Faith ACTION Coalition, and other community based organizations, cities and schools throughout Contra Costa County to heighten public awareness and improve participation in the CalFresh program to support economic success and food security where Contra Costa residents have access to safe, nutritious food in adequate quatities and understand healthy ways to prepare food; and
WHEREAS, Contra Costa County has launches the CalFresh Employment and Training Program, is one of 34 counties in the State to offer CalFresh participants training and assistance towards job readiness. job security, work norms and access to higher education; and
WHEREAS, actively promoting CalFresh participation by having all County departments participate in CalFresh awareness throughout Contra Costa by including CalFresh information and a link to the MyBenefitsCalWIN site on their individual websites will result in increased participation in the CalFresh program, as well as favorable economic and health outcomes for Contra Costa County.

Now, Therefore, Be It Resolved: that the Contra Costa County Board of Supervisors does hereby proclaim May 2017 as CalFresh Awareness Month in Contra Costa County, and honors all of the individuals, organizations and agencies working to ensure that all County residents have access to safe, nutritious food and support in achieving sustainable economic health.

BACKGROUND:

The Contra Costa Clean Water Program consists of Contra Costa County (County), its incorporated cities, and the Contra Costa County Flood Control and Water Conservation District (FC District) working collectively under a Joint Municipal Stormwater NPDES Permit issued by the State Regional Water Quality Control Board. This permit is federally mandated through the Clean Water Act, which was amended in 1987 to specifically address stormwater pollution. The current NPDES Permit, effective January 1, 2016, is in its second year of the five-year Municipal SF Bay Region Municipal Regional Stormwater NPDES Permit (MRP 2.0) from the San Francisco Regional Water Quality Control Board. Public education on pollution prevention, trash assessments, inspection of construction sites, as well as commercial and industrial facilities, street sweeping, catch basin cleaning and other forms of drainage maintenance are examples of actions taken to meet permit requirements. An Annual Report is written each year to summarize accomplishments.

The Contra Costa Clean Water Program is currently in its second year of the Joint Municipal Stormwater NPDES Permit MRP 2.0 issued by the San Francisco Regional Water Quality Control Board. The Joint Municipal Stormwater NPDES Permit issued by the Central Valley Regional Water Quality Control Board for the cities of Antioch, Brentwood, Oakley, and unincorporated East County began in September 2010. The permit includes, for each municipality, a Stormwater Management Plan outlining intended activities designed to reduce or eliminate pollutants from entering the storm drain system.

The Regional Boards indicated the need for a restricted funding source to finance implementation costs. In order to meet this need, the County proposed legislation providing a financial option for municipalities to use through the FC District. The bill, AB 2768 (Campbell), was passed by the legislature and signed by Governor Pete Wilson on August 30, 1992. The legislation specifically allowed a municipality to request formation of a Stormwater Utility Area and an assessment to pay for implementation costs.

The Board of Supervisors, acting as governing board of the FC District, provided public notice to all affected property owners before the establishment of the Stormwater Utility Areas on June 22, 1993, creating 17 Stormwater Utility Areas. This 1993 Board action also set the first-year assessment rates for each Stormwater Utility Area, as well as maximum rates. Assessments were collected for Fiscal Year 1993–1994 through 2000–2001. On May 9, 2000, the FC District separated the City of Oakley from Stormwater Utility Area 17. The City of Oakley was established as Stormwater Utility Area 18 at that time and assessments were collected for Fiscal Year 2000–2001. The FC District does not collect this assessment for the cities of Richmond and Brentwood. Richmond and Brentwood collect their NPDES levy as a sewer fee.

CONSEQUENCE OF NEGATIVE ACTION:

If the proposed assessments for Fiscal Year 2017–2018 are not implemented, the program would have to be funded by the general funds of the cities and County to ensure compliance with NPDES permit requirements.

Resolution No. 2017/156

In The Matter Of: Notification of Hearing to Adopt Stormwater Utility Assessments for Fiscal Year 2017–2018 for Stormwater Utility Area Numbers 1 through 18, Countywide. (100% Stormwater Utility Area Assessments)

The Board of Supervisors of Contra Costa County, as the Governing Body of the Contra Costa County Flood Control and Water Conservation District, RESOLVES THAT;

The Contra Costa County Flood Control and Water Conservation District Act, hereinafter referred to as Act, provides authority for said Governing Body to establish Stormwater Utility Areas and adopt the ordinance for Stormwater Utility Assessments; and

The Board, On June 22, 1993, established Stormwater Utility area 1 (Antioch), 2 (Clayton), 3 (Concord), 4 (Danville), 5 (El Cerrito), 6 (Hercules), 7 (Lafayette), 8 (Martinez), 9 (Moraga), 10 (Orinda), 11 (Pinole), 12 (Pittsburg), 13 (Pleasant Hill), 14 (San Pablo), 15 (San Ramon), 16 (Walnut Creek), 17 (Unincorporated County), and on May 9, 2000, established Stormwater Utility Area 18 (Oakley). These areas consist of that real property located in the incorporated limits of the cities indicated and the Unincorporated County; and

This Board also has before it the Chief Engineer's report providing an estimate of the cost of the National Pollutant Discharge Elimination System (NPDES) permit activities to be borne by property in the individual Stormwater Utility Areas. This report will be on file within 30 days of the public hearing to adopt Fiscal Year 2016–2017 Stormwater Utility Assessments and may be examined at the office of the Clerk of the Board of Supervisors, Administration Building, Martinez, California.

It is proposed that Stormwater Utility Assessments for Fiscal Year 2017–2018 be adopted for Stormwater Utility Areas 1 through 18; and

At 9:30 a.m. on June 20, 2017, in the Chambers of the Board of Supervisors, Administration Building, Martinez, California, this Board will conduct a public hearing on the adoption of Fiscal Year 2017–2018 Stormwater Utility Assessments. At the hearing, this Board will hear and pass upon any and all written and oral objections to the adoption of the proposed Fiscal Year 2017–2018 Stormwater Utility Assessments. Upon conclusion of the hearing, the Board may abandon the proposed actions or proceed with the same.

The Clerk of the Board is DIRECTED to publish a Notice of Hearing, pursuant to Government Code 6066, once a week for two (2) successive weeks prior to the hearing in the Contra Costa Times newspaper of general circulation, circulated in areas proposed to adopt Fiscal Year 2017–2018 Stormwater Utility Assessments. Publication shall be completed at least seven (7) days before said hearing and said notice shall be given for a period of not less than twenty (20) days.

The exterior boundaries of the Stormwater Utility Areas include lands within the cities indicated above. The Clerk of the Board is DIRECTED to forward to the governing body of said cities a copy of this Resolution at least twenty (20) days before the above-noted hearing. The mailing addresses and individual recipients are listed in the attached Exhibit A.

The Clerk of the Board is further DIRECTED to mail a copy of the Notice of Public Hearing to any interested party who has filed a written request for mailed notice with the Clerk of the Board or with the Contra Costa County Flood Control and Water Conservation District.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

RESOLUTION NO. 2017/35

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ANTIOCH ESTABLISHING THE RATE PER EQUIVALENT RUNOFF UNIT FOR FISCAL YEAR 2017/18 AND REQUESTING THE CONTRA COSTA COUNTY FLOOD CONTROL AND WATER CONSERVATION DISCTRICT TO ADOPT AN ANNUAL PARCEL ASSESSMENT FOR DRAINAGE MAINTENANCE AND THE NATIONAL POLLUTION DISCHARGE ELIMINATION SYSTEM PROGRAM

WHEREAS, under the Federal Clean Water Act, prescribed discharges of storm water require a permit from the appropriate California Regional Water Quality Control Board under the National Pollutant Discharge Elimination System (NPDES) program; and

WHEREAS, the City of Antioch (CITY) did apply for, and did receive, a NPDES permit which requires the implementation of selected Best Management Practices to minimize or eliminate pollutants from entering storm waters; and

WHEREAS, it is the intent of the CITY to utilize funds received from its Storm Water Utility Area (SUA) for implementation of the NPDES program and drainage maintenance activities; and

WHEREAS, at the request of the CITY, the Contra Costa County Flood Control & Water Conservation District (DISTRICT) has completed the process for formation of a SUA, including the adoption of the Storm Water Utility Assessment Drainage Ordinance No. 93-47; and

WHEREAS, the SUA and Program Group Costs Payment agreement between CITY and DISTRICT requires the CITY, by May 1st, determine the rate to be assessed to a single Equivalent Runoff Unit (ERU) for the forthcoming fiscal year.

NOW, THEREFORE BE IT RESOLVED, that the City Council of the City of Antioch does determine that the rate to be assigned to a single ERU for FY 2017/18 shall be set at twenty-five dollars ($25.00).

BE IT FUTHER RESOLVED, that the City Council does hereby request the DISTRICT to adopt SUA levies based on said amount.

RESOLUTION NO. 09-2017

A RESOLUTION ESTABLISHING THE RATE PER EQUIVILANT RUN-OFF UNIT (ERU) FOR FY 2017-2018 AND REQUESTING THE CONTRA COSTA FLOOD CONTROL AND WATER CONSERVATION DISTRICT TO ADOPT AN ANNUAL PARCEL ASSESSMENT FOR DRAINAGE MAINTENANCE AND THE NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM

THE CITY COUNCIL
City of Clayton, California

WHEREAS, under the Federal Water Quality Act [33 U.S.C. Section 1342 (p)], certain municipal stormwater discharges require a permit from the appropriate federal or state authorities pursuant to the National Pollutant Discharge Elimination System (NPDES) program; and

WHEREAS, the City of Clayton, in conjunction with other affected jurisdictions within Contra Costa County, applied to the State Regional Water Quality Control Board and received a Joint NPDES Permit which requires the implementation of a Storm Water Management Plan and Best Management Practices to minimize or eliminate pollutants from entering stormwaters; and

WHEREAS, Assembly Bill 2768 (West's Water Code Appendix, Section 63-12 and 63-12.9) authorizes the Contra Costa County Flood Control and Water Conservation District (District) to establish Stormwater Utility Areas (SUA) and to levy annual benefit assessments for the purpose of carrying our activities required under the NPDES program; and

WHEREAS, it is the intent of the City to utilize funds received from its Stormwater Utility Area (SUA) for implementation of the NPDES program and local drainage maintenance activities; and

WHEREAS, at the request of the City, the Contra Costa County Flood Control District and Water Conservation District (District) has completed the process for the formation of a SUA, including the adoption of the Stormwater Utility Assessment Drainage Ordinance No. 93-47; and

WHEREAS, the SUA and Program Group Costs payment agreement between the City and the District requires that the City of Clayton annually, by May 1, determine its rate to be assigned to a single ERU for the forthcoming fiscal year.

WHEREAS, the City Council adopted Resolution 9-93, which established the range of the annual assessment to be imposed by the District within the storm water utility area not to exceed $29 per ERU.

WHEREAS, the City of Clayton has been at its maximum $29 per ERU rate since FY 1999-2000 (the last seventeen fiscal years) and this same rate is proposed again for FY 2017-2018.

NOW, THEREFORE, BE IT RESOLVED that the City Council of Clayton, California does hereby determine that its rate to be assigned to a single ERU for FY 2017-2018 shall be set and assessed at $29.00

BE IT FURTHER RESOLVED, that the City Council of Clayton, California, does hereby request the Contra Costa Flood Control and Water Conservation District to adopt the SUA levies based on the above established rate.

Adopted by the City Council of the City of Clayton, California at a regular meeting of thereof held on April 4, 2017, by the following vote:

AYES: Mayor Diaz, Vice Mayor Haydon, Councilmembers Catalano and Pierce.

NOES: None.

ABSENT: Councilmember Shuey.

ABSTAIN: None.

CERTIFIED COPY

BEFORE THE CITY COUNCIL OF THE CITY OF CONCORD
COUNTY OF CONTRA COSTA, STATE OF CALIFORNIA

A Resolution Authorizing the Contra Costa County Flood Control & Water Conservation District to Establish an Annual Parcel Assessment for Fiscal Year 2017-18 for Drainage Maintenance and National Pollutant Discharge Elimination System Program

Resolution No. 17-14

WHEREAS, under the Federal Water Pollution Control Act, [33 U.S.C. Section 1342(p)], certain municipal storm water discharges require a permit from the appropriate federal or state authorities pursuant to the National Discharge Elimination System (NPDES) Program; and

WHEREAS, the City of Concord, in conjunction with other affected jurisdictions within Contra Costa County, applied to the State Regional Water Quality Control Board and received a Joint NPDES Permit to discharge storm water and developed a Storm Water Management Plan; and

WHEREAS, Assembly Bill 2768 (West's Water Code Appendix, Section 63-12 and 63-12.9) authorizes the Contra Costa Flood Control and Water Conservation District (DISTRICT) to establish storm water utility areas and to impose annual benefit assessments for the purpose of carrying out the activities required under the NPDES Program; and

WHEREAS, the DISTRICT has completed the process for formation of a Concord Storm Water Utility Area (SUA), including the adoption of Storm Water Assessment Drainage Ordinance No. 93-47; and

WHEREAS, the SUA and Program Group Costs Payment Agreement between the City of Concord and DISTRICT requires the City of Concord annually to determine the rate to be assessed per Equivalent Runoff Unit (ERU) for the forthcoming fiscal year; and

WHEREAS, the City Council adopted Resolution 93-14, which established the range of annual assessment to be imposed by the DISTRICT within the storm water utility area not to exceed $35 per ERU.

//

//

//

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF CONCORD DOES RESOLVE AS FOLLOWS:

Section 1. The annual assessment imposed by the DISTRICT within the storm water utility area for Fiscal Year 2017-18 shall remain $35.00 per Equivalent Runoff Unit (ERU).

Section 2. The City Council requests the DISTRICT to adopt storm water utility area levies based on said amount per ERU.

Section 3. This resolution shall become effective immediately upon its passage and adoption.

PASSED AND ADOPTED by the City Council of the City of Concord on February 28, 2017, by the following vote:

AYES: Councilmembers - E. Birsan, R. Leone, T. McGallian, C. Obringer, L. Hoffmeister

RESOLUTION NO. 27-2017

AUTHORIZING THE CONTRA COSTA COUNTY FLOOD CONTROL AND WATER CONSERVATION DISTRICT TO ADOPT THE FISCAL YEAR 2017-18 FEE FOR THE TOWN OF DANVILLE STORMWATER UTILITY AREA

WHEREAS, the Federal Water Pollution Control Act requires dischargers of stormwater to obtain a National Pollutant Discharge Elimination System (NPDES) permit from the San Francisco Regional Water Quality Control Board; and

WHEREAS, Danville, the Contra Costa County cities, the County, and the Contra Costa County Flood Control and Water Conservation District have joined under the Contra Costa Clean Water Program to secure the required NPDES permit; and

WHEREAS, the San Francisco Regional Water Quality Control Board adopted NPDES Permit No. CAS612008 in order to develop a Municipal Regional Permit that applies to all nine Bay Area Counties; and

WHEREAS, the Town complies with the NPDES permit requirements by operating a local Clean Water Program, participating in the Contra Costa Clean Water Program and implementing Best Management Practices to minimize or eliminate pollutants from stormwater; and

WHEREAS, the funding necessary to implement this permit has been established at a range of $22 to $30 per Equivalent Residential Unit (ERU) through the Stormwater Utility Assessment (Town of Danville Resolution No. 24-93); and

WHEREAS, said assessment rate must be set each year by the Town Council; and

WHEREAS, the Town Council appoints the City Engineer, or his/her designee, as its official representative to the Contra Costa Clean Water Program; and

WHEREAS, the Town Council wishes to continue to participate in the Clean Water program and continue to fund the program through the assessment of individual properties; now, therefore, be it

RESOLVED, that the Danville Town Council authorizes continuance of the Stormwater Utility Assessment to be set at $30 per ERU for all properties within Danville.

RESOLUTION NO. 2017-17

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF EL CERRITO ESTABLISHING THE ANNUAL PARCEL ASSESSMENT FOR THE NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PROGRAM AND DRAINAGE MAINTENANCE ACTIVITIES AT THE CURRENT RATE OF $38.00 PER EQUIVALENT RUNOFF UNIT, AND AUTHORIZING THE CONTRA COSTA COUNTY FLOOD CONTROL & WATER CONSERVATION DISTRICT TO ADOPT STORMWATER UTILITY AREA LEVIES BASED ON SAID AMOUNT IN FISCAL YEAR 2017-18.

WHEREAS, under the Federal Water Pollution Control Act, prescribed discharges of storm water require a permit from the appropriate California Regional Water Quality Board under the National Pollutant Discharge Elimination System (NPDES) program; and

WHEREAS, Order No. R2-2015-0049, NPDES Permit No. CAS12008, issuing waste discharge requirements under the San Francisco Bay Municipal Regional Stormwater Permit (MRP) to the Cities, Flood Control Districts and County agencies located in Alameda, Contra Costa, Santa Clara, San Mateo Counties, as well as the cities of Fairfield, Suisun and Vallejo, includes the implementation of selected Best Management Practices to minimize or eliminate pollutants from entering storm waters; and

WHEREAS, it is the intent of the City of El Cerrito to utilize funds received from its Stormwater Utility Area (SUA) for implementation of the NPDES program and drainage maintenance activities; and

WHEREAS, at the request of the City of El Cerrito, the Contra Costa County Flood Control and Water Conservation District (District) has completed the process for formation of a SUA, including the adoption of the Stormwater Utility Assessment Drainage Ordinance No. 93-47; and

WHEREAS, the SUA and Program Group Costs Payment Agreement between the City of El Cerrito and the District requires that the City of El Cerrito annually, by April 15th, determine the rate to be assessed to a single Equivalent Runoff Unit (ERU) for the forthcoming fiscal year.

NOW THEREFORE, BE IT RESOLVED that the City Council of the City of El Cerrito does determine that the rate to be assigned to a single ERU for Fiscal Year 2017-8 shall be set at $38.00.

BE IT FURTHER RESOLVED, that the City Council of the City of El Cerrito does hereby request the District to adopt SUA levies based on said amount.

BE IT FURTHER RESOLVED, that this resolution shall become effective immediately upon passage and adoption.

RESOLUTION NO. 2017-14

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PINOLE, COUNTY OF CONTRA COSTA, STATE OF CALIFORNIA APPROVING THE RATE OF $35.00 PER EQUIVALENT RUNOFF UNIT FOR FY 2017-18 AND REQUESTING THAT THE CONTRA COSTA FLOOD CONTROL AND WATER CONSERVATION DISTRICT ADOPT AN ANNUAL PARCEL ASSESMENT FOR DRAINAGE MAINTANENCE AND THE NATIONAL POLLUTANT DISCHARGE ELIMINATIN SYSTEM (NPDES) PROGRAM

WHEREAS, under the Federal Water Pollution Control Act, prescribed discharges of stormwater require a permit from the appropriate California Regional Water Quality Board under the National Pollutant Discharge Elimination System (NPDES) program; and

WHEREAS, the City of Pinole did apply for and received, an NPDES permit which requires the implementation of selected best management practices to minimize or eliminate pollutants from entering stormwaters; and

WHEREAS, it is the intent of the City of Pinole to utilize funds received from its Stormwater Utility Area (SUA) for implementation of the NPDES program and drainage maintenance activities; and

WHEREAS, at the request of the City of Pinole, the Contra Costa County Flood Control & Water Conservation District has completed the process for formation of a SUA, including the adoption of the Stormwater Utility Assessment Drainage Ordinance No. 93-47; and

WHEREAS, the SUA and Program Group Costs Payment Agreement between the City of Pinole and the Water Conservation District requires that the City of Pinole, annually by May 1, determine the rate to be assessed to a single Equivalent Runoff Unit (ERU) for the forthcoming fiscal year.

NOW, THEREFORE BE IT RESOLVED, that the City of Pinole City Council of the City of Pinole approves the rate of $35.00 per equivalent runoff unit for FY 2017-18 and requests that the Contra Costa Flood Control and Water Conservation District adopt an annual parcel assessment for drainage maintenance and the National Pollutant Discharge Elimination System (NPDES) Program.

BE IT FURTHER RESOLVED, that the City of Pinole City Council does hereby request the Water Conservation District to adopt SUA levies based on said amount.

PASSED AND ADOPTED at a regular meeting of the Pinole City Council held on the 4th day of April 2017 by the following vote:

AYES:	COUNCILMEMBERS:	**Banuelos, Long, Murray, Swearingen, Toms**

I, Alice E. Evenson, City Clerk in and for said City Council, City of Pittsburg, County of Contra Costa, State of California, do hereby certify that the hereto attached and foregoing document is a full, true and correct copy of Resolution No. 17-13307, adopted at a regular meeting of the City Council on April 3, 2017, on file in this office of said City.

WITNESS, my hand, and Official Seal
This 12th day of April 2017.

Alice E. Evenson

Alice E. Evenson
City Clerk

BEFORE THE CITY COUNCIL OF THE CITY OF PITTSBURG

In the Matter of:

Establishment of the FY 2017/2018 Annual Stormwater Utility Area Fee) RESOLUTION NO. 17-13307

The Pittsburg City Council DOES RESOLVE as follows:

WHEREAS, under federal Water Pollution Control Act (Clean Water Act), prescribed discharges of stormwater require a permit from the appropriate California Regional Water Quality Control Board under the National Pollutant Discharge Elimination System (NPDES) program; and

WHEREAS, the City of Pittsburg (City) has an NPDES permit that requires the implementation of selected Best Management Practices to minimize or eliminate pollutants from entering stormwaters; and

WHEREAS, it is the intent of the City to utilize funds received from its Stormwater Utility Area (SUA) fee for implementation of the NPDES program and drainage maintenance activities; and

WHEREAS, at the request of the City, the Contra Costa County Flood Control & Water Conservation District (District) has completed the process for formation of an SUA fee, including the adoption of the Stormwater Utility Assessment Drainage Ordinance No. 93-47; and

WHEREAS, the SUA fee and Program Group Costs Payment agreement between City and District requires that the City annually, by May 1, determine the rate to be assessed to a single Equivalent Runoff Unit (ERU) for the forthcoming fiscal year.

NOW, THEREFORE, the City Council finds and determines as follows:

Section 1. The above recitals are true and correct and are incorporated herein.

Section 2. The rate to be assigned to a single ERU for FY 2017/2018 shall be set at $30.00, and the City Council hereby requests the District to adopt the SUA fee levies based on said amount.

PASSED, AND ADOPTED by the City Council of the City of Pittsburg at a regular meeting on the 3rd day of April, 2017, by the following vote:

AYES:	Banales, Evola, Killings, Longmire, Craft
NOES:	None
ABSTAINED:	None

Marilyn Craft, Mayor

ATTEST:
Alice E. Evenson, City Clerk

OFFICE OF THE CITY MANAGER/EXECUTIVE DIRECTOR
65 Civic Avenue
Pittsburg, CA 94565

DATE: 3/8/2017

TO: Mayor and Council Members

FROM: Joe Sbranti, City Manager

SUBJECT: Adoption of a City Council Resolution to Establish the FY 2017/2018 Annual Stormwater Utility Area Fee

MEETING DATE: 4/3/2017

EXECUTIVE SUMMARY

The Stormwater Utility Area (SUA) fee was established in 1993 to finance implementation of the National Pollutant Discharge Elimination System (NPDES) program and drainage maintenance activities. Each year the City Council establishes the amount of the Stormwater Utility Area fee assessed on properties to finance activities necessary to comply with the federal Clean Water Act and the City's Joint Municipal NPDES permit. Staff recommends continuing to charge the current fee of $30.00 per Equivalent Runoff Unit (ERU). No increase is proposed.

FISCAL IMPACT

Annual assessments are determined by issuing an "Equivalent Runoff Unit (ERU) multiplier" depending on what "ERU Group" a specific land use falls under. For example, a single family home on a parcel between 5,000 to 20,000 sq. ft. (ERU Group "A") = 1.0 ERU. That results in the homeowner paying $30.00 annually on their property tax. For most commercial parcels, including supermarkets, restaurants, car dealerships, etc. (ERU Group "J") = 12 ERU/acre. Maintaining the SUA fee at $30.00 per ERU will allow the City to collect the maximum amount of NPDES funds to run the NPDES program as required. This rate allows the City to meet ongoing permit costs for fiscal year 2017/2018, estimated to be approximately $1.15 million. The annual revenue to be generated from this assessment is projected to be $1.1million. Supplemental funds from the City's solid waste fund will be used to help offset expected increases in ongoing program costs caused by the new provisions imposed by the Municipal Regional Permit (MRP).

RECOMMENDATION

City Council adopt the attached resolution re-establishing a SUA fee rate of $30.00 per ERU for fiscal year 2017/2018, and request the Contra Costa County Flood Control and Water

Conservation District adopt an annual parcel assessment based on that rate to cover City costs associated with its NPDES activities.

BACKGROUND

In 1987, the U.S. Congress began requiring NPDES permits for all non-point source discharges of stormwater runoff entering waters of the state. Permit compliance responsibilities are vested with the State Water Quality Control Board (SWQCB). In 1993, the City of Pittsburg joined with the Contra Costa County Flood Control and Water Conservation District, Contra Costa County, and 18 other cities to create the Contra Costa Clean Water Program to effectively respond to federal and state requirements regulating local discharges of stormwater into the San Joaquin / Sacramento River Delta and other waters of the state.

As a member of the County program, the City is required to fund its pro-rata share of the countywide program costs and the cost of its own City staff to carry out many of the mandates at the local level. In 1993, the City Council adopted Resolution 93-7913, authorizing the County Board of Supervisors to hold a public hearing and adopt Ordinance No. 93-47 to establish the Stormwater Utility Assessment Drainage Fee to help finance administrative and program activities necessary to comply with the NPDES Permit. At that time, $30.00 was established as the maximum ERU rate for the City of Pittsburg. The City established the initial ERU rate at $24.00. In 2005, the City Council, by Resolution 05-10273, increased the rate to $30.00 for fiscal year 2005/2006, because program costs were higher than revenues generated by the $24.00 assessment. This rate has been re-established each year since 2005.

Under the terms of the county program, each jurisdiction may establish an annual Stormwater Utility Area Fee to be assessed on developed properties to pay its pro-rata program costs and local costs of complying with the federal Clean Water Mandates. The fee is to be based on a single ERU. The Contra Costa County Flood Control and Water Conservation District requests that each jurisdiction submit its annual fee rate to the District each year for adoption by the County as a parcel assessment.

SUBCOMMITTEE FINDINGS

Not applicable

STAFF ANALYSIS

Maintaining the ERU at the maximum $30.00 is necessary for the City to continue to comply with the unfunded, NPDES regulations imposed on the City. The current permit was adopted on November 19, 2015 and became effective January 1, 2016. This permit has a five year term, which requires increased efforts to meet benchmark reductions for pollutants such as trash, PCBs, and mercury. Efforts to reduce these pollutants and others will continue to increase with each subsequent permit re-issuance.

NPDES funds pay for staff, material costs for maintenance of the City's existing drainage infrastructure, and implementation of mandated NPDES permit requirements.

RESOLUTION NO. 26-17

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PLEASANT HILL APPROVING CONTINUED PARTICIPATION IN THE STORMWATER POLLUTION MANAGEMENT UTILITY DISTRICT AND AUTHORIZING THE CONTRA COSTA COUNTY FLOOD CONTROL AND WATER CONSERVATION DISTRICT TO ADOPT THE FISCAL YEAR 2017/18 STORMWATER UTILITY AREA FEE FOR THE CITY OF PLEASANT HILL

WHEREAS, the Federal Water Pollution Control Act requires that stormwater discharges in urbanized areas be regulated by a National Pollution Discharge Elimination System (NPDES) permit; and

WHEREAS, in 1993, the City of Pleasant Hill authorized the Contra Costa County Flood Control and Water Conservation District (Flood Control District) to establish a Stormwater Pollution Management Utility District to fund NPDES permit activities; and

WHEREAS, the Flood Control District established Stormwater Utility Areas under Contra Costa County's Stormwater Utility Assessment (SUA) Drainage Ordinance No. 93-47; and

WHEREAS, in 2003, the City of Pleasant Hill and the Flood Control District executed a Stormwater Utility Area Agreement which specifies that revenue be used for NPDES activities; and

WHEREAS, the City of Pleasant Hill, as a member of the Contra Costa Clean Water Program, is required to implement NPDES permit activities that minimize the discharge of pollutants; and

WHEREAS, the Stormwater Utility Area agreement between the City of Pleasant Hill and the Flood Control District requires the City of Pleasant Hill to determine the annual SUA rate in its Stormwater Utility Area; and

WHEREAS, the SUA rate is based on the Equivalent Runoff Unit (ERU); and

WHEREAS, it is the intent of the City of Pleasant Hill to utilize funds received from its Stormwater Utility Area for complying with NPDES permit conditions (preventing stormwater pollution) and performing drainage system maintenance activities.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Pleasant Hill that:

1. The City Council desires to continue participation in the Stormwater Pollution Management Utility District and determines that the SUA rate to be assigned to a single ERU for fiscal year 2017/18 shall be set at $30.

2. The City Council authorizes the Flood Control District to adopt Stormwater Utility Area fees on behalf of the City of Pleasant Hill.

3. The City of Pleasant Hill shall continue to participate in the implementation of the NPDES permit activities and agrees to provide support and to share costs associated with the implementation of countywide activities.

ADOPTED by the City Council of the City of Pleasant Hill at a regular meeting of the Council held on the 20th day of March, 2017, by the following vote:

AYES:	Flaherty, Noack, Rinn, Harris

RESOLUTION 2017-048

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SAN PABLO ESTABLISHING THE STORMWATER UTILITY ASSESSMENT RATE FOR FY2017/18 AND REQUESTING THE CONTRA COSTA COUNTY FLOOD CONTROL AND WATER CONSERVATION DISTRICT TO ADOPT AN ANNUAL PARCEL ASSESSMENT FOR DRAINAGE MAINTENANCE AND THE NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM PROGRAM

WHEREAS, as a result of amendments to the Federal Clean Water Act, prescribed discharges of municipal stormwater require a permit from the San Francisco Regional Water Quality Control Board under the National Pollutant Discharge Elimination System (NPDES) program;

WHEREAS, the City of San Pablo NPDES permit requires the implementation of selected Best Management Practices to minimize or eliminate pollutants from entering stormwater;

WHEREAS, it is the intent of the City to utilize funds received from its Stormwater Utility Assessment (SUA) for implementation of the NPDES program and drainage maintenance activities;

WHEREAS, at the request of the City, the Contra Costa County Flood Control & Water Conservation District (District) has completed the process for formation of a SUA, including the adoption of the Stormwater Utility Assessment Drainage Ordinance No. 93-47;

WHEREAS, the SUA and Program Group Costs Payment agreement between the City and the District requires that the City annually by May 1, determine the rate to be assessed to a single Equivalent Runoff Unit (ERU) for the forthcoming fiscal year;

WHEREAS, in 1993 the City Council of the City of San Pablo adopted Resolution No. 93-21 establishing a maximum SUA rate of $45.00 per ERU;

WHEREAS, the SUA rate adopted for the current fiscal year (2016/17) is $45 per ERU and has remained at that rate for the last 6 years; and

WHEREAS, establishing the SUA does not trigger CEQA since it is not a project per Section 15378 which states that a project does not include continuing administrative or maintenance activities, or the creation of government funding mechanisms or other government fiscal activities.

NOW, THEREFORE BE IT RESOLVED that the City Council of the City of San Pablo hereby determines that the SUA rate for Fiscal Year 2017/18 shall remain at $45 for each ERU;

I hereby certify that the foregoing is a full, true and correct copy of the original document.

Lehny M. Corbin, Deputy City Clerk

BE IT FURTHER RESOLVED that the City Council of the City of San Pablo hereby requests the District to adopt SUA levies based on the $45 per ERU; and

BE IT FURTHER RESOLVED that the City Council of the City of San Pablo hereby declares that the foregoing recitations are true and correct, and are included herein by reference as findings.

ENGINEER'S REPORT FOR THE ADOPTION OF FISCAL YEAR 2017–2018 ASSESSMENTS FOR CONTRA COSTA COUNTY FLOOD CONTROL & WATER CONSERVATION DISTRICT STORMWATER UTILITY AREAS NOS. 1 THROUGH 18

Prepared by the Staff of the

Contra Costa County Flood Control
& Water Conservation District
255 Glacier Drive
Martinez, CA 94553

April 2017

1. RECOMMENDATION:

It is recommended that:

a. The Stormwater Utility Assessment Equivalent Runoff Unit (ERU) rates for Fiscal Year 2017–2018 be adopted for the Contra Costa County Flood Control and Water Conservation District (FC District) Stormwater Utility Areas (SUAs) for the following incorporated and unincorporated areas:

PROPOSED VS. EXISTING ERU RATES

Stormwater Utility Area No.	Area	Maximum ERU Rate	Existing ERU Rate for FY 2016–17	Proposed ERU Rate for FY 2017–18
1	Antioch	$25.00	$25.00	$25.00
2	Clayton	$29.00	$29.00	$29.00
3	Concord	$35.00	$35.00	$35.00
4	Danville	$30.00	$30.00	$30.00
5	El Cerrito	$38.00	$38.00	$38.00
6	Hercules	$35.00	$35.00	$35.00
7	Lafayette	$35.00	$35.00	$35.00
8	Martinez	$30.00	$30.00	$30.00
9	Moraga	$35.00	$35.00	$35.00
10	Orinda	$35.00	$35.00	$35.00
11	Pinole	$35.00	$35.00	$35.00
12	Pittsburg	$30.00	$30.00	$30.00
13	Pleasant Hill	$30.00	$30.00	$30.00
14	San Pablo	$45.00	$45.00	$45.00
15	San Ramon	$35.00	$35.00	$35.00
16	Walnut Creek	$35.00	$35.00	$35.00
17	Unincorporated County	$30.00	$30.00	$30.00
18	Oakley	$30.00	$30.00	$30.00

2. NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM PROGRAM:

Congress adopted the Federal Water Pollution Control Act generally referred to as the Clean Water Act in 1972. It specifically prohibits the discharge of any pollutants (e.g., herbicides, pesticides, oil, grease, etc.) to the "navigable waters of the United States." The initial focus of the Clean Water Act was to prohibit these pollutants from industrial process wastewater and municipal sewage. The Act was amended in 1987 mandating the Environmental Protection Agency (EPA) to establish regulations setting forth the National Pollutant Discharge Elimination System (NPDES)

Permit Application requirements for stormwater discharges for municipalities, industries, and construction projects. Contra Costa County (County), its incorporated cities, and the FC District joined together to form the Contra Costa Clean Water Program in order to marshal the necessary resources and develop the most cost-effective program to comply with these federally mandated requirements.

One of the requirements of the NPDES permit process is to identify funding sources for implementation of the program activities. The Contra Costa Clean Water Program Management Committee identified the formation of stormwater utilities as the most practical method for meeting the funding requirements. Sixteen city councils and the County Board of Supervisors adopted resolutions requesting that the FC District form an SUA for their city territory. The governing board of the FC District established SUAs 1 through 17 on June 22, 1993, and Area 18 on May 9, 2000.

3. STORMWATER UTILITY:

A stormwater utility is similar to other utilities. It has a purpose, a geographic boundary, and a method for spreading the utility costs to benefiting properties or recipients. The purpose of the stormwater utility is to fund the implementation of the NPDES program activities required by the permit and the maintenance of the government-owned storm drain systems. In development of the stormwater utility legislation, the construction of capital improvements was excluded from this purpose. Stormwater utility assessment revenues can only be spent on the NPDES program activities and storm drain system maintenance. Replacement of a failing storm drain system is considered a maintenance activity as long as the replacement facility is equal in capacity and a comparable type of facility, i.e., pipe storm drain is replaced by another pipe storm drain.

The NPDES program activities have been tailored to meet the respective city or County NPDES problems based on their land use activities; thus, each program is different. Also, the cities and County, on an individual basis, will perform most of the NPDES activities. Consequently, each city comprises a separate SUA. This facilitates the setting of the utility rates and the transfer of funds to the cities who perform most of the work. The same applies for the unincorporated County NPDES program, which is implemented by County staff.

Stormwater utilities generally distribute program costs to the benefiting landowners on the basis of stormwater runoff quantity or the amount of impervious surface associated with various land uses. The SUAs utilize the latter method. Staff prepared the report entitled "Report on Stormwater Utility Assessment (March 1993)," which is incorporated into this Engineer's Report by reference. The report explains in detail the rationale for using impervious surface area as the basis for allocating costs, the development of the utility rate standard of one Equivalent Runoff Unit (ERU) and the relationship between land use, parcel size, and the number of ERUs assigned to individual parcels in each SUA. A typical single-family residence (5,000 SF to 20,000 SF lot) is used as the standard for one ERU. The cost to the typical single-family landowner will be the ERU rate shown in Section 1(a) above.

4. PROPOSED STORMWATER UTILITY BUDGETS FOR FY 2017–2018:

Indicated below are the estimated budgets for each SUA. The FC District's administration and collection costs are estimated at $2 per parcel, which includes the County Tax Collector's line item cost for the tax bills.

Each year, the FC District provides city staff with an estimate of the number of ERUs assessable in the new year. The agency corresponding with each SUA then prepares a budget for their NPDES and drainage maintenance program for the forthcoming fiscal year. Using this budget, plus the estimated cost for entity administration and assessment collection, city staff calculates the required ERU rate by dividing the estimated total cost by the estimated ERUs in the SUA. The agency governing board approves the rate and requests that the FC District approve and implement the desired assessment. The ERU rate in future years cannot exceed the maximum rate shown in Section 1(a) without completing the public notice/hearing process required by SB 1977 (Bergenson) and Proposition 218 (California Constitution, Article XIII D, Section 4).

PROJECTED EXPENDITURES

Stormwater Utility Area No.	Agency	Group NPDES Cost Funding (1)	Agency NPDES Funding (1)	District Admin/ Collection Cost	Tax Collector Cost	Total
1	Antioch	$307,042	$819,489	$4,532	$26,768	$1,157,831
2	Clayton	$30,466	$91,477	$583	$3,711	$126,237
3	Concord	$352,538	$1,643,357	$5,368	$31,379	$2,032,641
4	Danville	$116,505	$427,843	$2,262	$13,445	$560,055
5	El Cerrito	$66,258	$323,901	$1,236	$7,418	$398,813

13	Pleasant Hill	$92,620	$387,819	$1,655	$9,839	$491,933
14	San Pablo	$83,792	$330,512	$939	$5,772	$421,016
15	San Ramon	$212,987	$898,775	$3,339	$20,088	$1,135,189
16	Walnut Creek	$190,306	$970,702	$3,518	$20,686	$1,185,212
17	Unincorporated County	$465,102	$2,860,722	$7,740	$45,648	$3,379,212
18	Oakley	$109,102	$375,481	$1,594	$9,804	$495,980
	TOTAL:	**$2,593,657**	**$11,990,874**	**$42,286**	**$252,083**	**$14,878,900**

(1) Agency funding for NPDES includes storm drain system maintenance and contingency costs.

5. ESTIMATED STORMWATER UTILITY ASSESSMENT REVENUES IN FY 2017–2018:

Indicated below are the estimated revenues for Fiscal Year 2017–2018 based on the proposed assessment rates in Section 1(a). The proposed ERU rate is the rate recommended in each municipality's resolution requesting adoption of Stormwater Utility Assessments for their municipal area. A listing of each assessor parcel number and proposed 2017–2018 assessment is on file with the Clerk of the Contra Costa County Board of Supervisors.

PROJECTED ERU RATES and REVENUES

Stormwater Utility Area No.	Agency	Number of ERUs	Proposed ERU Rate for FY 2017–18	Estimated Revenue
1	Antioch	46,313	$25.00	$1,157,831
2	Clayton	4,353	$29.00	$126,237
3	Concord	58,075	$35.00	$2,032,641
4	Danville	18,669	$30.00	$560,055
5	El Cerrito	10,495	$38.00	$398,813
6	Hercules	9,229	$35.00	$323,010
7	Lafayette	13,019	$35.00	$455,650
8	Martinez	20,823	$30.00	$624,694
9	Moraga	8,193	$35.00	$286,753
10	Orinda	10,765	$35.00	$376,772
11	Pinole	9,028	$35.00	$315,971
12	Pittsburg	37,064	$30.00	$1,111,930
13	Pleasant Hill	16,398	$30.00	$491,933
14	San Pablo	9,356	$45.00	$421,016
15	San Ramon	32,434	$35.00	$1,135,189
16	Walnut Creek	33,863	$35.00	$1,185,212
17	Unincorporated County	112,640	$30.00	$3,379,212
18	Oakley	16,533	$30.00	$495,980
TOTAL:		467,250		$14,878,900
