Any failure to send such notice shall not affect the County's obligation to make timely payments of installments of Base Rental Payments.

(c) The Authority hereby transfers in trust, grants a security interest in and assigns to the Trustee, for the benefit of the Bondholders, all of the Revenues and other assets pledged in subsection (a) of this Section and all of the right, title and interest of the Authority in the Facilities Lease (except for (i) the right to receive any Additional Payments) to the extent payable to the Authority under the Facilities Lease, (ii) any rights of the Authority to indemnification and rights of inspection and consent, and (iii) the obligations of the County to make deposits pursuant to the Tax Certificate). The Trustee shall be entitled to and shall collect and receive all of the Revenues, and any Revenues collected or received by the Authority shall

All Revenues and all other amounts pledged and assigned hereunder shall be accounted for through and held in trust in the Revenue Fund, and the Trustee shall have no beneficial right or interest in any of the Revenues except only as herein provided. All Revenues and all other amounts pledged and assigned hereunder, whether received by the Authority in trust or deposited with the Trustee as herein provided, shall nevertheless be allocated, applied and disbursed solely to the purposes and uses hereinafter in this Article set forth, and shall be accounted for separately and apart from all other accounts, funds, money or other resources of the Trustee.

SECTION 5.03 Establishment and Maintenance of Accounts for Use of Money in the Revenue Fund.

Subject to Section 6.03, all money in the Revenue Fund shall be set aside by the Trustee in the following respective special accounts or funds within the Revenue Fund (each of which is hereby created and each of which the Trustee hereby covenants and agrees to cause to be maintained) in the following order of priority:

- (1) Interest Account, and
- (2) Principal Account.

All money in each of such accounts shall be held in trust by the Trustee and shall be applied, used and withdrawn only for the purposes hereinafter authorized in this Section.

No deposit need be made in the Interest Account if the amount contained therein and available to pay interest on the Bonds is at least equal to the aggregate amount of interest becoming due and payable on all Outstanding Bonds on such Interest Payment Date.

All money in the Interest Account shall be used and withdrawn by the Trustee solely for the purpose of paying the interest on the Bonds as it shall become due and payable (including accrued interest on any Bonds purchased or redeemed prior to maturity).

(c) Principal Account. On or before each June 1, commencing June 1, 2018, the Trustee shall set aside from the Revenue Fund and deposit in the Principal Account an amount of money equal to the amount of all sinking fund payments required to be made on such June 1 into the sinking fund account for all Outstanding Bonds. On or before each Redemption Date, the Trustee shall set aside from the Revenue Fund and deposit in the Principal Account an amount of money equal to the Redemption Price required to be paid on such Redemption Date.

No deposit need be made in the Principal Account if the amount contained therein and available to pay principal of the Bonds is at least equal to the aggregate amount of all sinking fund payments required to be made on such June 1 for all Outstanding Bonds.

The Trustee shall establish and maintain within the Principal Account a separate subaccount for the Bonds, designated as the “2017B Sinking Account” (the “Sinking Account”). With respect to each Sinking Account, on each mandatory sinking account payment date established for such Sinking Account, the Trustee shall apply the mandatory sinking account payment required on that date to the redemption (or payment at maturity, as the case may be) of the Bonds upon the notice and in the manner provided in Article IV.

All money in the Principal Account shall be used and withdrawn by the Trustee solely for the purpose of paying the principal or Redemption Price of the Bonds as it shall become due and payable, whether at maturity or redemption, except that any money in the Sinking Account shall be used and withdrawn by the Trustee only to redeem or to pay the Bonds for which such Sinking Account was created pursuant to Section 4.03 hereof.

In the event of any damage or destruction of any part of the Facilities covered by insurance, the Authority, shall subject to Section 3.08 of the Facilities Lease, cause the proceeds of such insurance to be utilized for the repair, reconstruction or replacement of the damaged or destroyed portion of the Facilities, and the Trustee shall hold said proceeds in a fund established by the Trustee for such purpose separate and apart from all other funds designated the “Insurance and Condemnation Fund”, to the end that such proceeds shall be applied to the repair, reconstruction or replacement of the Facilities to at least the same good order, repair and condition as it was in prior to the damage or

destruction, insofar as the same may be accomplished by the use of said proceeds. The Authority shall file a Certificate of the Authority with the Trustee that sufficient funds from insurance proceeds or from any funds legally available to the County, or from any combination thereof, are available in the event it elects to repair, reconstruct or replace the Facilities. The Trustee shall invest said proceeds in Permitted Investments pursuant to the Written Request of the Authority under the Facilities Lease, and withdrawals of said proceeds shall be made from time to time upon the filing with the Trustee of a Written Request of the Authority, stating that the Authority has expended moneys or incurred liabilities in an amount equal to the amount therein stated for the purpose of the repair, reconstruction or replacement of the Facilities, and specifying the items for which such moneys were expended, or such liabilities were incurred, in reasonable detail. Any balance of such proceeds not required for such repair, reconstruction or replacement and the proceeds of use and occupancy insurance shall be paid to the Trustee as Base Rental Payments and applied in the manner provided by Section 5.01. Alternatively, the Authority, if the proceeds of such insurance together with any other moneys then available for such purpose are sufficient to prepay all, in case of damage or destruction in whole of the Facilities, or that portion, in the case of partial damage or destruction of the Facilities, of the Base Rental Payments, Additional Payments and all other amounts relating to the damaged or destroyed portion of the Facilities, may elect subject to Section 3.08 of the Facilities Lease, not to repair, reconstruct or replace the damaged or destroyed portion of the Facilities and thereupon shall cause said proceeds to be used for the redemption of Outstanding Bonds pursuant to the applicable provisions of Section 4.01. The Authority shall not apply the proceeds of insurance as set forth in this Section 5.04 to redeem the Bonds in part due to damage or destruction of a portion of the Facilities unless the Base Rental Payments on the undamaged portion of the Facilities will be sufficient to pay the scheduled principal and interest on the Bonds remaining unpaid after such redemption.

SECTION 5.05 Deposit and Investments of Money in Accounts and Funds.

Subject to Section 6.03, all money held by the Trustee in any of the accounts or funds established pursuant hereto shall be invested in Permitted Investments at the Written Request of the Authority or, if no instructions are received, in the Wells Fargo Government Money Market Fund. Such investments shall, as nearly as practicable, mature on or before the dates on which such money is anticipated to be needed for disbursement hereunder. For purposes of this restriction, Permitted Investments containing a repurchase option or put option by the investor shall be treated as having a maturity of no longer than such option. Unless otherwise instructed by the Authority, all interest or profits received on any money so invested shall be deposited in the Revenue Fund; provided that, with respect to the Project Fund, earnings on amounts in such fund shall be credited to such fund until completion of the respective Projects. The Trustee and its affiliates may act as principal, agent, sponsor or advisor with respect to any investments. The Trustee shall not be liable for any losses on investments made in accordance with the terms and provisions of this Trust Agreement.

Subject to Section 6.03, investments in any and all funds and accounts except for the Rebate Fund may be commingled for purposes of making, holding and disposing of investments, notwithstanding provisions herein for transfer to or holding in particular funds and

The Authority will punctually pay out of the Revenues the interest on and principal of and redemption premiums, if any, to become due on every Bond issued hereunder in strict conformity with the terms hereof and of the Bonds, and will faithfully observe and perform all the agreements and covenants to be observed or performed by the Authority contained herein and in the Bonds.

SECTION 6.02 Against Encumbrances. The Authority will not make any pledge or assignment of or place any charge or lien upon the Revenues except as provided in Section 5.01, and will not issue any bonds, notes or obligations payable from the Revenues or secured by a pledge of or charge or lien upon the Revenues.

SECTION 6.03 Rebate Fund.

(a) In addition to the accounts created pursuant to Section 5.03, the Trustee shall establish and maintain a fund separate from any other fund or account established and maintained hereunder designated as the Rebate Fund. There shall be deposited in the Rebate Fund such amounts as are required to be deposited therein pursuant to the Tax Certificate. All money at any time deposited in the Rebate Fund shall be held by the Trustee in trust, to the extent required to satisfy the Rebate Requirement (as defined in the Tax Certificate), for payment to the United States of America. Notwithstanding the provisions of Sections 5.01, 5.02, 5.05, 9.01 and 10.01 relating to the pledge of Revenues, the allocation of money in the Revenue Fund, the investments of money in any fund or account, the application of funds upon acceleration and the defeasance of Outstanding Bonds, all amounts required to be deposited into or on deposit in the Rebate Fund shall be governed exclusively by this Section 6.03 and by the Tax Certificate (which is incorporated herein by reference). The Trustee shall be deemed conclusively to have complied with such provisions if it follows the written directions of the Authority, and shall have no liability or responsibility to enforce compliance by the Authority with the terms of the Tax Certificate.

(b) Any funds remaining in the Rebate Fund with respect to the Bonds after redemption and payment of all Bonds and all other amounts due hereunder or under the Facilities Lease, or provision made therefor satisfactory to the Trustee, including accrued interest and

payment of any applicable fees and expenses of the Trustee and satisfaction of the Rebate Requirement (as defined in the Tax Certificate), shall be withdrawn by the Trustee and remitted to or upon the Written Request of the Authority.

SECTION 6.04 Tax Covenants.

(a) The Authority hereby covenants that it shall not take any action or inaction, or fail to take any action, or permit any action to be taken on behalf of the Authority or cause or permit any circumstances within its control to arise or continue, if such action or inaction would cause any of the Bonds to be treated as an obligation not described in Section 103(a) of the Code. This covenant shall survive the payment in full of the Bonds.

(b) In the event that at any time the Authority is of the opinion that for purposes of this Section it is necessary to restrict or to limit the yield on the investment of any moneys held by the Trustee under this Trust Agreement, the Authority shall so instruct the Trustee in a Request of the Authority accompanied by a supporting Opinion of Bond Counsel, and the Trustee shall take such action as may be necessary in accordance with such instructions.

(c) Notwithstanding any provisions of this Section, if the Authority shall provide to the Trustee an Opinion of Counsel that any specified action required under this Section or the Tax Certificate is no longer required or that some further or different action is required to maintain the exclusion from federal income tax of interest on the Bonds, the Authority and the Trustee may conclusively rely on such opinion in complying with the requirements of this Section and the Tax Certificate, and, notwithstanding Article IX hereof, the covenants hereunder shall be deemed to be modified to that extent.

SECTION 6.05 Accounting Records and Reports. The Trustee will keep or cause to be kept proper books of record and accounts in which complete and correct entries shall be made of all transactions relating to the receipts, disbursements, allocation and application of the Revenues, and such books shall be available for inspection by the Authority at reasonable hours and under reasonable conditions. The Trustee shall provide to the Authority monthly statements covering the funds and accounts held pursuant to the Trust Agreement. Not more than one hundred eighty (180) days after the close of each Fiscal Year, the Trustee shall furnish or cause to be furnished to the Authority a complete financial statement (which may be in the form of the Trustee's customary account statements) covering receipts, disbursements, allocation and application of Revenues for such Fiscal Year. The Authority shall keep or cause to be kept such information as is required under the Tax Certificate.

SECTION 6.06 Prosecution and Defense of Suits. The Authority will defend against every suit, action or proceeding at any time brought against the Trustee upon any claim to the extent arising out of the receipt, application or disbursement of any of the Revenues or to the extent involving the failure of the Authority to fulfill its obligations hereunder; provided, that the Trustee or any affected Bondholder at its election may appear in and defend any such suit, action or proceeding. The Authority will indemnify and hold harmless the Trustee against any and all liability claimed or asserted by any person to the extent arising out of such failure by the Authority, and will indemnify and hold harmless the Trustee against any reasonable attorney's fees or other reasonable expenses which it may incur in connection with any litigation to which it

may become a party by reason of its actions hereunder, except for any loss, cost, damage or expense resulting from the negligence or willful misconduct by the Trustee. Notwithstanding any contrary provision hereof, this covenant shall remain in full force and effect even though all Bonds secured hereby may have been fully paid and satisfied.

SECTION 6.07 Further Assurances. The Authority will promptly execute and deliver or cause to be executed and delivered all such other and further assurances, documents or instruments, and promptly do or cause to be done all such other and further things as may be necessary or reasonably required in order to further and more fully vest in the Bondholders all rights, interests, powers, benefits, privileges and advantages conferred or intended to be conferred upon them hereby.

SECTION 6.08 Maintenance of Revenues. The Authority will promptly collect all rents and charges due for the occupancy or use of the Facilities as the same become due, and will promptly and vigorously enforce its rights against any tenant or other person who does not pay such rents or charges as they become due. Pursuant to Section 5.02 and the Facilities Lease, the County is to pay all Base Rental Payments directly to the Trustee. The Authority will at all times maintain and vigorously enforce all of its rights under the Facilities Lease.

SECTION 6.09 Amendments to Facilities Lease and Site Lease.

(a) The Authority shall not supplement, amend, modify or terminate any of the terms of the Facilities Lease, or consent to any such supplement, amendment, modification or termination, without the prior written consent of the Trustee and the Purchaser. The Trustee shall give such written consent if such supplement, amendment, modification or termination (a) will not materially adversely affect the interests of the Bondholders or result in any material impairment of the security hereby given for the payment of the Bonds (provided that such supplement, amendment or modification shall not be deemed to have such adverse effect or to cause such material impairment solely by reason of addition, substitution or release of real property pursuant to Section 2.03 of the Facilities Lease), (b) is to add to the agreements, conditions, covenants and terms required to be observed or performed thereunder by any party thereto, or to surrender any right or power therein reserved to the Authority or the County, (c) is to cure, correct or supplement any ambiguous or defective provision contained therein, (d) is to accommodate any addition, substitution or release of property in accordance with Section 2.03 of the Facilities Lease or prepayment in accordance with Section 7.02 of the Facilities Lease, (e) is to modify the legal description of the Facilities to conform to the requirements of title insurance or otherwise to add or delete property descriptions to reflect accurately the description of the parcels intended or preferred to be included therein, or substituted for the Facilities pursuant to the provisions of Section 2.03 of the Facilities Lease, or deleted due to prepayment pursuant to the provisions of Section 7.02 of the Facilities Lease, or (f) if the Trustee first obtains the written consent of the Purchaser to such supplement, amendment, modification or termination; provided, that no such supplement, amendment, modification or termination shall reduce the amount of Base Rental Payments to be made to the Authority or the Trustee by the County pursuant to the Facilities Lease to an amount less than the scheduled principal and interest payments on the Outstanding Bonds, or extend the time for making such payments, or permit the creation of any lien prior to or on a parity with the lien created by this Trust Agreement on the Base Rental

Payments (except as expressly provided in the Facilities Lease), in each case without the written consent of all of the Bondholders of the Bonds then Outstanding.

(b) The Authority shall not supplement, amend, modify or terminate any of the terms of the Site Lease, or consent to any such supplement, amendment, modification or termination, without the prior written consent of the Trustee and the Purchaser. The Trustee shall give such written consent if such supplement, amendment, modification or termination (a) will not materially adversely affect the interests of the Bondholders or result in any material impairment of the security hereby given for the payment of the Bonds, (b) is to add to the agreements, conditions, covenants and terms required to be observed or performed thereunder by any party thereto, or to surrender any right or power therein reserved to the Authority or the County, (c) is to cure, correct or supplement any ambiguous or defective provision contained therein, (d) is to modify the legal description of the Facilities to conform to the requirements of title insurance or otherwise to add or delete property descriptions to reflect accurately the description of the parcels intended or preferred to be included therein, or substituted for the Facilities pursuant to the provisions of Section 2.03 of the Facilities Lease, or deleted due to prepayment pursuant to the provisions of Section 7.02 of the Facilities Lease, or (e) if the Trustee first obtains the written consent of the Purchaser to such supplement, amendment, modification or termination.

(c) No supplement, amendment, modification or termination of the Facilities Lease or Site Lease shall be entered into unless an Opinion of Counsel is delivered to the effect that such amendment, modification or termination is (a) authorized and permitted by the Trust Agreement, Facilities Lease or Site Lease, as applicable, (b) is enforceable against the Authority and the County, as applicable, (c) will not materially adversely affect the interests of the Bondholders or result in any material impairment of the security hereby given for the payment of the Bonds, and (d) does not adversely impact the tax-exempt status of the interest on the Bonds.

(d) The Trustee shall not be obligated to consent to any amendment that adversely impacts its rights.

SECTION 6.10 Leasehold Estate. The Authority will be, on the date of the delivery of the Bonds, the owner and lawfully possessed of the leasehold estate described in the Site Lease, and the Facilities Lease will be, on the date of delivery of the Bonds, a valid subsisting demise for the term therein set forth of the property which it purports to demise. At the time of the delivery of the Bonds, the County will be the owner in fee simple of the premises described in the Site Lease, the Site Lease will be lawfully made by the County and the covenants contained in the Site Lease on the part of the County will be valid and binding. At the time of the delivery of the Bonds, the Authority will have good right, full power and lawful authority to lease said leasehold estate, in the manner and form provided in the Facilities Lease, and the Facilities Lease will be duly and regularly executed.

Without allowance for any days of grace which may or might exist or be allowed by law or granted pursuant to any terms or conditions of the Facilities Lease, the Authority will in all respects promptly and faithfully keep, perform and comply with all the terms, provisions, covenants, conditions and agreements of the Facilities Lease to be kept, performed and complied with by it. The Authority will not do or permit anything to be done, or omit or refrain from

doing anything, in any case where any such act done or permitted to be done, or any such omission of or refraining from action, would or might be a ground for declaring a forfeiture of the Facilities Lease, or would or might be a ground for cancellation or termination of the Facilities Lease by the lessee thereunder. The Authority will promptly deposit with the Trustee (to be held by the Trustee until the title and rights of the Trustee under this Trust Agreement shall be released or reconvened) any and all documentary evidence received by it showing compliance with the provisions of the Facilities Lease to be performed by the Authority. The Authority, immediately upon its receiving or giving any notice, communication or other document in any way relating to or affecting the Facilities Lease, or the leasehold estate thereby created, which may or can in any manner affect the estate of the lessor or of the Authority in or under the Facilities Lease, will deliver the same, or a copy thereof, to the Trustee.

SECTION 6.11 Reserved.

ARTICLE VII

EVENTS OF DEFAULT AND REMEDIES OF BONDHOLDERS

SECTION 7.01 Events of Default and Acceleration of Maturities. If one or more of the following events (herein called “events of default”) shall happen, that is to say:

(a) if default shall be made by the Authority in the due and punctual payment of the interest on any Bond when and as the same shall become due and payable;

(b) if default shall be made by the Authority in the due and punctual payment of the principal or premium, if any, of any Bond when and as the same shall become due and payable, whether at maturity as therein expressed or by proceedings for mandatory redemption;

(c) if default shall be made by the Authority in the performance of any of the other agreements or covenants required herein to be performed by the Authority, and such default shall have continued for a period of sixty (60) days or (or if the Authority notifies the Trustee that in its reasonable opinion the failure stated in the notice can be corrected, but not within such 60 day period, the failure will not constitute an event of default if the Authority commences to cure the failure within such 60 day period and thereafter diligently and in good faith cures such failure in a reasonable period of time);

(d) if the Authority shall file a petition or answer seeking arrangement or reorganization under the federal bankruptcy laws or any other applicable law of the United States of America or any state therein, or if a court of competent jurisdiction shall approve a petition filed with or without the consent of the Authority seeking arrangement or reorganization under the federal bankruptcy laws or any other applicable law of the United States of America or any state therein, or if under the provisions of any other law for the relief or aid of debtors any court of competent jurisdiction shall assume custody or control of the Authority or of the whole or any substantial part of its property; or

(e) if an Event of Default has occurred under Section 6.01 of the Facilities Lease; or

(f) if an Event of Default has occurred under the Continuing Covenant Agreement;

then and in each and every such case during the continuance of such event of default the Trustee may, with the consent of the Purchaser, or, at the direction of the Purchaser, shall institute legal proceedings pursuant to Section 7.03 hereof. In addition, in the event of a default described in Section 7.01(a) or (b) hereof, the Trustee, upon the written request of the Purchaser shall, by notice in writing to the Authority, declare the principal of all Bonds then Outstanding and the interest accrued thereon to be due and payable immediately, and upon any such declaration the same shall become due and payable, anything contained herein or in the Bonds to the contrary notwithstanding. The Trustee shall promptly notify all Bondholders by first class mail of any such event of default which is continuing of which a Responsible Officer has actual knowledge or written notice.

This provision, however, is subject to the condition that if at any time after the principal of the Bonds then Outstanding shall have been so declared due and payable and before any judgment or decree for the payment of the money due shall have been obtained or entered the Authority shall deposit with the Trustee a sum sufficient to pay all matured interest on all the Bonds and all principal of the Bonds matured prior to such declaration and premium, if any, with interest at the rate borne by such Bonds on such overdue interest and principal and premium, if any, and the reasonable fees and expenses of the Trustee, and any and all other defaults known to the Trustee (other than in the payment of interest on and principal of the Bonds due and payable solely by reason of such declaration) shall have been made good or cured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate shall have been made therefor, then and in every such case the Trustee or the Purchaser, by written notice to the Authority and to the Trustee, may on behalf of the Bondholders of all the Bonds then Outstanding rescind and annul such declaration and its consequences; but no such rescission and annulment shall extend to or shall affect any subsequent default or shall impair or exhaust any right or power consequent thereon.

Notwithstanding anything to the contrary herein, under no circumstances may the Authority or the Trustee accelerate the payment of Base Rental under the Facilities Lease.

SECTION 7.02 Application of Funds Upon Acceleration. All moneys in the accounts and funds provided in Sections 3.01, 3.02, 5.02, 5.03 and 5.04 upon the date of the declaration of acceleration by the Trustee as provided in Section 7.01 and all Revenues (other than Revenues on deposit in the Rebate Fund) thereafter received by the Authority hereunder shall be transmitted to the Trustee and shall be applied by the Trustee in the following order:

First, to the payment of the reasonable fees, costs and expenses of the Trustee in providing for the declaration of such event of default and carrying out its duties under this Trust Agreement, including reasonable compensation to their accountants and counsel together with interest on any amounts advanced as provided herein and thereafter to the payment of the reasonable costs and expenses of the Bondholders, if any, in carrying out the provisions of this Article, including reasonable compensation to their accountants and counsel;

Second, upon presentation of the Bonds, and the stamping thereon of the amount of the payment if only partially paid or upon the surrender thereof if fully paid, to the payment of the whole amount then owing and unpaid upon the Bonds for interest and principal, and premium, with (to the extent permitted by law) interest on the overdue interest and principal and premium at the rate borne by such Bonds, and in case such money shall be insufficient to pay in full the whole amount so owing and unpaid upon the Bonds, then to the payment of such interest, principal and premium and (to the extent permitted by law) interest on overdue interest and principal and premium without preference or priority among such interest, principal and premium and interest on overdue interest and principal and premium ratably to the aggregate of such interest, principal and premium and interest on overdue interest and principal and premium; and

Third, to the payment of the Purchaser and the other Bondholders of all amounts due under the Continuing Covenant Agreement and not otherwise paid hereunder.

SECTION 7.03 Institution of Legal Proceedings by Trustee. If one or more of the events of default shall happen and be continuing, the Trustee may, with the consent of the Purchaser, and upon the written request of the Purchaser, shall, and in each case upon being indemnified to its reasonable satisfaction therefor, shall, proceed to protect or enforce its rights or the rights of the Bondholders of Bonds under this Trust Agreement and under Article VI of the Facilities Lease by a suit in equity or action at law, either for the specific performance of any covenant or agreement contained herein, or in aid of the execution of any power herein granted, or by mandamus or other appropriate proceeding for the enforcement of any other legal or equitable remedy as the Trustee shall deem most effectual in support of any of its rights and duties hereunder.

SECTION 7.04 Non-Waiver. Nothing in this Article or in any other provision hereof or in the Bonds shall affect or impair the obligation of the Authority, which is absolute and unconditional, to pay the interest on and principal of and redemption premiums, if any, on the Bonds to the respective Bondholders of the Bonds at the respective dates of maturity or upon prior redemption as provided herein from the Revenues as provided herein pledged for such payment, or shall affect or impair the right of such Bondholders, which is also absolute and unconditional, to institute suit to enforce such payment by virtue of the contract embodied herein and in the Bonds.

A waiver of any default or breach of duty or contract by the Trustee or any Bondholder shall not affect any subsequent default or breach of duty or contract or impair any rights or remedies on any such subsequent default or breach of duty or contract. No delay or omission by the Trustee or any Bondholder to exercise any right or remedy accruing upon any default or breach of duty or contract shall impair any such right or remedy or shall be construed to be a waiver of any such default or breach of duty or contract or an acquiescence therein, and every right or remedy conferred upon the Bondholders by the Act or by this Article may be enforced and exercised from time to time and as often as shall be deemed expedient by the Trustee or the Bondholders.

If any action, proceeding or suit to enforce any right or exercise any remedy is abandoned, the Authority, the Trustee and any Bondholder shall be restored to their former positions, rights and remedies as if such action, proceeding or suit had not been brought or taken.

SECTION 7.05 Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Bondholders is intended to be exclusive of any other remedy, and each such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise and may be exercised without exhausting and without regard to any other remedy conferred by the Act or any other law.

SECTION 7.06 Bondholders' Direction of Proceedings. Anything in this Trust Agreement to the contrary notwithstanding, the Purchaser or the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, but only with the prior written consent of the Purchaser, shall have the right, by an instrument or concurrent instruments in writing executed and delivered to the Trustee, and upon indemnifying the Trustee to its satisfaction therefor, to direct the method of conducting all remedial proceedings taken by the Trustee hereunder, provided that such direction shall not be otherwise than in accordance with law and the provisions of this Trust Agreement, and that the Trustee shall have the right to decline to follow any such direction that in the reasonable opinion of the Trustee would be unjustly prejudicial to Bondholders not parties to such direction.

SECTION 7.07 Limitation on Bondholders' Right to Sue. No Bondholder of any Bond issued hereunder shall have the right to institute any suit, action or proceeding at law or equity, for any remedy under or upon this Trust Agreement, unless (a) such Bondholder shall have previously given to the Trustee written notice of the occurrence of an event of default as defined in Section 7.01; (b) such Bondholder shall have made written request upon the Trustee to exercise the powers hereinbefore granted or to institute such suit, action or proceeding in its own name; (c) said Bondholders shall have tendered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities to be incurred in compliance with such request; and (d) the Trustee shall have refused or omitted to comply with such request for a period of sixty (60) days after such request shall have been received by, and said tender of indemnity shall have been made to, the Trustee.

Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Bondholder of Bonds of any remedy hereunder; it being understood and intended that no one or more Bondholders of Bonds shall have any right in any manner whatever by his or their action to enforce any right under this Trust Agreement, except in the manner herein provided, and that all proceedings at law or in equity to enforce any provision of this Trust Agreement shall be instituted, had and maintained in the manner herein provided and for the equal benefit of all Bondholders of the Outstanding Bonds.

ARTICLE VIII

THE TRUSTEE

SECTION 8.01 The Trustee. Wells Fargo Bank, National Association shall serve as the initial Trustee for the Bonds for the purpose of receiving all money which the Authority is required to deposit with the Trustee hereunder and for the purpose of allocating, applying and using such money as provided herein and for the purpose of paying the interest on and principal of and redemption premiums, if any, on the Bonds presented for payment, with the rights and obligations provided herein. Any such corporation or association into which the Trustee may be merged or converted, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or in part, or any corporation or association resulting from any such merger, conversion, sale, transfer or consolidation to which it shall be a party, shall be and become successor Trustee without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties.

The Authority, unless there exists any Event of Default as defined in Section 7.01, may at any time remove the Trustee initially appointed and any successor thereto and may appoint a successor or successors thereto by an instrument in writing; provided, that any such successor shall be a bank, banking institution, or trust company, having (or whose parent holding company has) a combined capital (exclusive of borrowed capital) and surplus of at least five hundred million dollars (\$500,000,000) and subject to supervision or examination by federal or state authority. If such bank, banking institution, or trust company publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purpose of this Section the combined capital and surplus of such bank, banking institution, or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. The Trustee may at any time resign by giving a (30) day written notice of such resignation to the Authority, and by mailing by first class mail to the Bondholders notice of such resignation. Upon receiving such notice of resignation, the Authority shall promptly appoint a successor Trustee by an instrument in writing. Any removal or resignation of a Trustee and appointment of a successor Trustee shall become effective only upon the acceptance of appointment by the successor Trustee. The successor Trustee shall send notice of its acceptance by first class mail to the Bondholders. If, within thirty (30) days after notice of the removal or resignation of the Trustee no successor Trustee shall have been appointed and shall have accepted such appointment, the removed or resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee, which court may thereupon, after such notice, if any, as it may deem proper and prescribe and as may be required by law, appoint a successor Trustee having the qualifications required hereby.

The Trustee is hereby authorized to pay or redeem the Bonds when duly presented for payment at maturity or on redemption prior to maturity. The Trustee shall cancel all Bonds upon payment thereof or upon the surrender thereof by the Authority and shall dispose of such Bonds in a manner deemed appropriate by it. The Trustee shall keep accurate records of all Bonds paid and discharged and cancelled by it.

The Trustee shall, prior to an event of default, and after the curing or waiver of all Events of Default that may have occurred, perform such duties and only such duties as are specifically set forth in this Trust Agreement and no implied duties or obligations shall be read into this Trust Agreement. The Trustee shall, during the existence of any Event of Default (that has not been cured or waived), exercise such of the rights and powers vested in it by this Trust Agreement, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

SECTION 8.02 Liability of Trustee. The recitals of facts, agreements and covenants herein and in the Bonds shall be taken as recitals of facts, agreements and covenants of the Authority, and the Trustee assumes no responsibility for the correctness of the same or makes any representation as to the sufficiency or validity hereof or of the Bonds, or shall incur any responsibility in respect thereof other than in connection with the rights or obligations assigned to or imposed upon it herein, in the Bonds or in law or equity. The Trustee shall not be liable in connection with the performance of its duties hereunder except for its own negligence or willful misconduct as finally determined by a court of competent jurisdiction.

The Trustee shall not be bound to recognize any person as the Bondholder of a Bond unless and until such Bond is submitted for inspection, if required, and such Bondholder's title thereto satisfactorily established, if disputed.

The Trustee shall not be liable for any error of judgment made in good faith, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts.

The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Purchaser in aggregate principal amount of the Bonds at the time Outstanding, relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Trust Agreement. The Trustee may refuse to follow any direction that conflicts with law or the Trust Agreement, is unduly prejudicial to the rights of other Bondholders, or would involve the Trustee in personal liability.

The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Trust Agreement at the request, order or direction of any of the Bondholders pursuant to the provisions of this Trust Agreement unless such Bondholders shall have offered to the Trustee reasonable security or indemnity against the reasonable costs, expenses and liabilities that may be incurred therein or thereby. The Trustee has no obligation or liability to the Bondholders for the payment of the interest on, principal of or redemption premium, if any, with respect to the Bonds from its own funds; but rather the Trustee's obligations shall be limited to the performance of its duties hereunder.

Any action taken, or omitted to be taken, by the Trustee in good faith pursuant to the Trust Agreement upon the request or authority or consent of any person who, at the time of making such request or giving such authority or consent, is the Bondholder of any Bond shall be conclusive and binding upon all future Bondholders and upon Bonds executed and delivered in exchange therefore or in place thereof.

The Trustee shall not be deemed to have knowledge of any event of default (except payment defaults) unless and until a Responsible Officer shall have actual knowledge thereof or a Responsible Officer of the Trustee shall have received written notice thereof at its Principal Office. The Trustee shall not be bound to ascertain or inquire as to the performance or observance of any of the terms, conditions, covenants or agreements herein or of any of the documents executed in connection with the Bonds, or as to the existence of a default or event of default thereunder. The Trustee shall not be responsible for the validity or effectiveness of any collateral given to or held by it.

The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through attorneys-in-fact, agents or receivers and shall not be answerable for the negligence or misconduct of any such attorney-in-fact, agent or receiver selected by it with due care. The Trustee shall be entitled to advice of counsel and other professionals concerning all matters of trust and its duty hereunder, but the Trustee shall not be answerable for the professional malpractice of any attorney-in-law or certified public accountant in connection with the rendering of his professional advice in accordance with the terms of this Trust Agreement, if such attorney-in-law or certified public accountant was selected by the Trustee with due care.

The Trustee shall not be concerned with or accountable to anyone for the subsequent use or application of any moneys which shall be released or withdrawn in accordance with the provisions hereof.

Whether or not therein expressly so provided, every provision of this Trust Agreement, the Facilities Lease, the Site Lease or related documents relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Article.

The Trustee makes no representation or warranty, express or implied, as to the title, value, design, compliance with specifications or legal requirements, quality, durability, operation, condition, merchantability or fitness for any particular purpose for the use contemplated by the Authority or County of the Facilities or the 2017-B Project. In no event shall the Trustee be liable for incidental, indirect, special or consequential damages in connection with or arising from the Facilities Lease, the Site Lease or this Trust Agreement for the existence, furnishing or use of the Facilities or the 2017-B Project.

The Trustee shall be protected in acting upon any notice, resolution, requisition, request (including any Written Request of the Authority or the County), consent, order, certificate, report, opinion, bond or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. Before the Trustee acts or refrains from acting, the Trustee may consult with counsel, who may be counsel of or to the Authority, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Before taking any action or refraining from taking any action, the Trustee may require that indemnity satisfactory to it be furnished for the reimbursement of all expenses to

which it may be put and to protect it against all liability, including costs incurred in defending itself against any and all charges claims, complaints, allegations, assertions or demands of any nature whatsoever, except liability which is adjudicated to be a direct result of the Trustee's negligence or willful misconduct in connection with any such action.

Whenever in the administration of its rights and obligations hereunder the Trustee shall deem it necessary or desirable that a matter be established or proved prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of bad faith on the part of the Trustee, be deemed to be conclusively proved and established by a Certificate of the Authority or a Certificate of the County, which certificate shall be full warrant to the Trustee for any action taken or suffered under the provisions hereof upon the faith thereof, but in its discretion the Trustee may in lieu thereof accept other evidence of such matter or may require such additional evidence as it may deem reasonable.

No provision of this Trust Agreement shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance or exercise of any of its duties hereunder, or in the exercise of its rights or powers. Under no circumstances shall the Trustee be liable in its individual capacity for the obligations evidenced by the Bonds.

The Trustee is not responsible for the content of any disclosure material prepared in connection with the Bonds.

The Trustee shall not be considered in breach of or in default in its obligations hereunder or progress in respect thereto in the event of enforced delay ("unavoidable delay") in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence.

SECTION 8.03 Compensation and Indemnification of Trustee. The Authority covenants to pay (but solely from Additional Payments) to the Trustee from time to time, and the Trustee shall be entitled to, compensation for all services rendered by it in the exercise and performance of any of the powers and duties hereunder of the Trustee, and the Authority will pay or reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee, in accordance with any of the provisions of this Trust Agreement (including the reasonable compensation and the reasonable expenses and disbursements of their counsel (including the allocated reasonable fees and disbursements of in-house counsel) and of all persons not regularly in their employ) except any such expense, disbursement or advance as may arise from the Trustee's negligence or willful misconduct. The Authority, to the extent permitted by law, shall indemnify, defend and hold harmless the Trustee against any loss, damage, liability or expense incurred without negligence or willful misconduct on the part of the Trustee arising out of or in connection with the acceptance or administration of the trusts created hereby, including reasonable costs and expenses (including reasonable attorneys' fees and disbursements) of defending itself against or investigating any claim or liability in connection with the exercise or performance of any of its powers hereunder. The rights of the Trustee and the obligations of the Authority under this Section 8.03 shall survive the discharge of the Bonds and this Trust Agreement and the resignation or removal of the Trustee.

ARTICLE IX

AMENDMENT OF THE TRUST AGREEMENT

SECTION 9.01 Amendment of the Trust Agreement.

(a) This Trust Agreement and the rights and obligations of the Authority and of the Bondholders may be amended at any time by a Supplemental Trust Agreement which shall become binding when the written consent of the Purchaser is filed with the Trustee. No such amendment shall (1) extend the maturity of or reduce the interest rate on or amount of interest on or principal of or redemption premium, if any, on any Bond without the express written consent of the Bondholder of such Bond, or (2) permit the creation by the Authority of any pledge of or charge or lien upon the Revenues as provided herein superior to or on a parity with the pledge, charge and lien created hereby for the benefit of the Bonds, or (3) reduce the percentage of Bonds required for the written consent to any such amendment, or (4) modify any rights or obligations of the Trustee, the Authority, or the County without their prior written assent thereto, respectively. It shall not be necessary for the consent of the Bondholders to approve the particular form of any Supplemental Trust Agreement, but it shall be sufficient if such consent shall approve the substance thereof. Promptly after the execution by the Authority and the Trustee of any Supplemental Trust Agreement pursuant to this subsection (a), the Trustee shall mail a notice on behalf of the Authority, setting forth in general terms the substance of such Supplemental Trust Agreement to the Bondholders at the addresses shown on the registration books maintained by the Trustee. Any failure to give such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such Supplemental Trust Agreement.

(b) The Trust Agreement and the rights and obligations of the Authority and of the Bondholders may also be amended at any time by a Supplemental Trust Agreement which shall become binding upon adoption but without the consent of any Bondholders, for any purpose that will not materially adversely affect the interests of the Bondholders, including (without limitation) for any one or more of the following purposes:

(i) to add to the agreements and covenants required herein to be performed by the Authority other agreements and covenants thereafter to be performed by the Authority, or to surrender any right or power reserved herein to or conferred herein on the Authority;

(ii) to make such provisions for the purpose of curing any ambiguity or of correcting, curing or supplementing any defective provision contained herein or in regard to questions arising hereunder which the Authority may deem desirable or necessary; and

(iii) to add to the agreements and covenants required herein, such agreements and covenants as may be necessary to qualify the Trust Agreement under the Trust Indenture Act of 1939.

(c) The Trustee shall not be obligated to enter into any Amendment that adversely impacts its rights.

(d) No amendment shall be entered into unless an Opinion of Counsel is delivered to the effect that such amendment (a) is authorized and permitted by the Trust Agreement, (b) is enforceable against the Authority and the County, (c) will not materially adversely affect the interests of the Bondholders or result in any material impairment of the security hereby given for the payment of the Bonds, and (d) does not adversely impact the tax-exempt status of the interest on the Bonds.

SECTION 9.02 Disqualified Bonds. Bonds owned or held by or for the account of the Authority shall not be deemed Outstanding for the purpose of any consent or other action or any calculation of Outstanding Bonds provided in this Article, and shall not be entitled to consent to or take any other action provided in this Article.

SECTION 9.03 Endorsement or Replacement of Bonds After Amendment. After the effective date of any action taken as hereinabove provided, the Authority may determine that the Bonds may bear a notation by endorsement in form approved by the Authority as to such action, and in that case upon demand of the Bondholder of any Outstanding Bonds and presentation of his Bond for such purpose at the office of the Trustee a suitable notation as to such action shall be made on such Bond. If the Authority shall so determine, new Bonds so modified as, in the opinion of the Authority, shall be necessary to conform to such action shall be prepared and executed, and in that case upon demand of the Bondholder of any Outstanding Bond a new Bond or Bonds shall be exchanged at the office of the Trustee without cost to each Bondholder for its Bond or Bonds then Outstanding upon surrender of such Outstanding Bonds.

SECTION 9.04 Notice to and Consent of Bondholders. If consent of the Bondholders is required under the terms of this Trust Agreement for the amendment of this Trust Agreement or for any other similar purpose, the Authority shall cause notice of the proposed amendment to be given by first-class mail to the Owners of the Outstanding Bonds then shown on the registration books for the Bonds. Such notice shall briefly set forth the nature of the proposed amendment or other action and shall state that copies of any such amendment are on file at the office of the Authority and the Principal Office of the Trustee for inspection by all Bondholders. If, within sixty (60) days or such longer period as shall be prescribed by the Authority following the mailing of such notice, the Owners of the requisite principal amount of the Bonds Outstanding by instruments filed with the Authority shall have consented to the amendment or other proposed action, then the Authority may adopt or execute, as appropriate, such amendment or take such proposed action and the consent of the Bondholders shall thereby be conclusively presumed. Such instruments filed with the Authority may include documents, including Certificates of the Authority, stating that Owners of Bonds have consented to an amendment by purchasing such Bonds if the disclosure document related to such purchase disclosed that the purchase of the Bonds was deemed to mean that the Owners consented to the amendment.

SECTION 9.05 Amendment by Mutual Consent. The provisions of this Article shall not prevent any Bondholder from accepting any amendment as to the particular Bonds held by him, provided that due notation thereof is made on such Bonds.

ARTICLE X

DEFEASANCE

SECTION 10.01 Discharge of Bonds.

(a) If the Authority shall pay or cause to be paid or there shall otherwise be paid to the Bondholders of all or any portion of the Outstanding Bonds the interest thereon and principal thereof at the times and in the manner stipulated herein and therein, and the Authority shall pay in full all other amounts due hereunder and under the Facilities Lease and the Continuing Covenant Agreement, then the Bondholders of such Bonds shall cease to be entitled to the pledge of and charge and lien upon the Revenues as provided herein, and all agreements, covenants and other obligations of the Authority to the Bondholders of such Bonds hereunder shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee shall execute and deliver to the Authority all such instruments as may be necessary or desirable to evidence such discharge and satisfaction, the Trustee shall pay over or deliver to the Authority all money or securities held by it pursuant hereto which are not required for the payment of the interest on and principal of and redemption premiums, if any, on such Bonds and for the payment of all other amounts due hereunder and under the Facilities Lease.

(b) Any Outstanding Bonds shall prior to the maturity date or redemption date thereof be deemed to have been paid within the meaning of and with the effect expressed in subsection (a) of this Section if (1) in case any of such Bonds are to be redeemed on any date prior to their maturity date, the Authority shall have given to the Trustee in form satisfactory to it irrevocable instructions to provide notice in accordance with Section 4.05, (2) there shall have been deposited with the Trustee (A) cash in an amount which shall be sufficient and/or (B) noncallable Government Securities, the interest on and principal of which when paid will provide cash which, together with the cash, if any, deposited with the Trustee at the same time, shall be sufficient, in the opinion of an Independent Certified Public Accountant, to pay when due the interest to become due on such Bonds on and prior to the maturity date or redemption date thereof, as the case may be, and the principal of such Bonds, (3) in the event such Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days, the Authority shall have given the Trustee in form satisfactory to it irrevocable instructions to mail as soon as practicable, a notice to the Bondholders of such Bonds that the deposit required by clause (2) above has been made with the Trustee and that such Bonds are deemed to have been paid in accordance with this Section and stating the maturity date or redemption date upon which money is to be available for the payment of the principal of and redemption premiums, if any, on such Bonds, and (4) there shall have been delivered to the Purchaser an indemnification by the County for any losses due to a Determination of Taxability or an Event of Default in form and substance reasonably satisfactory to the Purchaser.

(c) In the event of an advance refunding (i) the Authority shall cause to be delivered, on the deposit date and upon any reinvestment of the defeasance amount, a report of an Independent Certified Public Accountant verifying the sufficiency of the escrow established to pay the Bonds in full on the maturity date or redemption date (“Verification”) (which Verification shall verify the mathematical accuracy of the computations relating to the adequacy of cash plus Government Securities to be held in escrow to pay debt service requirements

(principal, interest and redemption price to the applicable redemption or maturity dates) when due on the Bonds to be refunded), (ii) the escrow agreement shall provide that no (A) substitution of a Government Security shall be permitted except with another Government Security and upon delivery of a new Verification and (B) reinvestment of a Government Security shall be permitted except as contemplated by the original Verification or upon delivery of a new Verification, (iii) there shall be delivered to the Purchaser an indemnification by the County for any losses due to a Determination of Taxability or an Event of Default in form and substance reasonably satisfactory to the Purchaser, and (iv) there shall be delivered an Opinion of Bond Counsel to the effect that the Bonds are no longer “Outstanding” under the Trust Agreement; each Verification and opinion shall be addressed to the Authority and the Trustee.

SECTION 10.02 Unclaimed Money. Anything contained herein to the contrary notwithstanding, any money held by the Trustee in trust for the payment and discharge of any of the Bonds or interest thereon which remains unclaimed for two (2) years after the date when such Bonds or interest thereon have become due and payable, either at their stated maturity dates or by call for redemption prior to maturity, if such money was held by the Trustee at such date, or for two (2) years after the date of deposit of such money if deposited with the Trustee after the date when such Bonds have become due and payable, shall be repaid by the Trustee to the Authority as its absolute property free from trust, and the Trustee shall thereupon be released and discharged with respect thereto and the Bondholders shall not look to the Trustee for the payment of such Bonds.

ARTICLE XI

MISCELLANEOUS

SECTION 11.01 Liability of Authority Limited to Revenues. Notwithstanding anything contained herein, the Authority shall not be required to advance any money derived from any source other than the Revenues as provided herein for the payment of the interest on or principal of or redemption premiums, if any, on the Bonds or for the performance of any agreements or covenants herein contained. The Authority may, however, advance funds for any such purpose so long as such funds are derived from a source legally available for such purpose.

The Bonds are limited obligations of the Authority and are payable, as to interest thereon, principal thereof and any premiums upon the redemption of any thereof, solely from the Revenues as provided herein, and the Authority is not obligated to pay them except from the Revenues. All the Bonds are equally secured by a pledge of and charge and lien upon the Revenues, and the Revenues constitute a trust fund for the security and payment of the interest on and principal of and redemption premiums, if any, on the Bonds as provided herein. The Bonds are not a debt of the County, the State or any of its political subdivisions, and neither the County, the State nor any of its political subdivisions is liable thereon, nor in any event shall the Bonds be payable out of any funds or properties other than those of the Authority as provided herein. The Bonds do not constitute an indebtedness within the meaning of any constitutional or statutory limitation or restriction.

SECTION 11.02 Benefits of this Trust Agreement Limited to Parties and Third Party Beneficiaries. Nothing contained herein, expressed or implied, is intended to give to any

person other than the Authority, the Trustee, and the Bondholders any right, remedy or claim under or by reason hereof. Any agreement or covenant required herein to be performed by or on behalf of the Authority or any member, officer or employee thereof shall be for the sole and exclusive benefit of the Authority, the Trustee and the Bondholders.

SECTION 11.03 Successor Is Deemed Included in All References to Predecessor.
Whenever herein either the Authority or any member, officer or employee thereof or of the State is named or referred to, such reference shall be deemed to include the successor to the powers, duties and functions with respect to the 2017-B Project that are presently vested in the Authority or such member, officer or employee, and all agreements and covenants required hereby to be performed by or on behalf of the Authority or any member, officer or employee thereof shall bind and inure to the benefit of the respective successors thereof whether so expressed or not.

SECTION 11.04 Execution of Documents by Bondholders. Any declaration, request or other instrument which is permitted or required herein to be executed by Bondholders may be in one or more instruments of similar tenor and may be executed by Bondholders in person or by their attorneys appointed in writing. The fact and date of the execution by any Bondholder or his attorney of any declaration, request or other instrument or of any writing appointing such attorney may be proved by the certificate of any notary public or other officer authorized to make acknowledgments of deeds to be recorded in the state or territory in which he purports to act that the person signing such declaration, request or other instrument or writing acknowledged to him the execution thereof, or by an affidavit of a witness of such execution duly sworn to before such notary public or other officer. The ownership of any Bonds and the amount, maturity, number and date of holding the same may be proved by the registration books relating to the Bonds at the Principal Office of the Trustee.

Any declaration, request, consent or other instrument or writing of the Bondholder of any Bond shall bind all future Bondholders of such Bond with respect to anything done or suffered to be done by the Trustee or the Authority in good faith and in accordance therewith.

SECTION 11.05 Waiver of Personal Liability. No member, officer or employee of the Authority or the County shall be individually or personally liable for the payment of the interest on or principal of or redemption premiums, if any, on the Bonds by reason of their issuance, but nothing herein contained shall relieve any such member, officer or employee from the performance of any official duty provided by the Act or any other applicable provisions of law or hereby.

SECTION 11.06 Reserved.

SECTION 11.07 Accounts and Funds. Any account or fund required herein to be established and maintained by the Trustee may be established and maintained in the accounting records of the Trustee either as an account or a fund, and may, for the purposes of such accounting records, any audits thereof and any reports or statements with respect thereto, be treated either as an account or a fund; but all such records with respect to all such accounts and funds shall at all times be maintained in accordance with corporate trust industry standards and with due regard for the protection of the security of the Bonds and the rights of the Bondholders.

SECTION 11.08 Business Day. When any action is provided for herein to be done on a day named or within a specified time period, and the day or the last day of the period falls on a day which is not a Business Day, such action may be performed on the next ensuing Business Day with the same effect as though performed on the appointed day or within the specified period.
