Which Boards would you like to apply for?

Kensington Municipal Advisory Council

Please describe your interest in serving as a member of the board(s) you have selected and if applicable which seat you are applying for.

The KMAC sounds like a very interesting opportunity to contribute to the community where I've lived for 13+ years.

Have you previously served on a government or non-profit board or committee?

I currently serve on the board of trustees for the Bay Area Discovery Museum.

Please describe how your education, work experience, or other activities have prepared you to serve on the board or commission you have selected.

My current job requires me to balance sometimes conflicting stakeholder priorities and move towards resolution based on an objective application of guiding principles... which could help prepare me for KMAC responsibilities: evaluate the alignment of a request with the planning ordinance; listen to competing viewpoints; help constituents move toward a mutually acceptable solution.
