## ARTICLE II

### THE SERIES A BONDS

Section 2.01. Authorization. Series A Bonds are hereby authorized to be issued by the District under and subject to the terms of the Act and this Resolution. The amount of Series A Bonds shall be determined on the date of sale thereof in accordance with the Notice of Sale. This Resolution constitutes a continuing agreement with the Owners of all of the Series A Bonds issued or to be issued hereunder and then Outstanding to secure the full and final payment of principal of and the interest on all Series A Bonds which may from time to time be executed and delivered hereunder, subject to the covenants, agreements, provisions and conditions herein contained. The Series A Bonds shall be designated the "Oakley Union Elementary School District (Contra Costa County, California) General Obligation Bonds, Election of 2016, Series A (2017)."

#### Section 2.02. Terms of Series A Bonds.

(a) *Form; Numbering*. The Series A Bonds shall be issued as fully registered Series A Bonds, without coupons, in the denomination of \$5,000 each or any integral multiple thereof, but in an amount not to exceed the aggregate principal amount of Series A Bonds maturing in the year of maturity of the Series A Bond for which the denomination is specified. Series A Bonds shall be lettered and numbered as the Paying Agent shall prescribe.

(b) *Date of Series A Bonds*. The Series A Bonds shall be dated as of the Closing Date.

(c) *CUSIP Identification Numbers*. "CUSIP" identification numbers shall be imprinted on the Series A Bonds, but such numbers shall not constitute a part of the contract evidenced by the Series A Bonds and any error or omission with respect thereto shall not constitute cause for refusal of any purchaser to accept delivery of and pay for the Series A Bonds. In addition, failure on the part of the District to use such CUSIP numbers in any notice to Owners of the Series A Bonds shall not constitute an Event of Default (hereinafter defined) or any violation of the District's contract with such Owners and shall not impair the effectiveness of any such notice.

(d) *Maturities; Interest*. The Series A Bonds shall mature (or, alternatively, be subject to mandatory sinking fund redemption as hereinafter provided) and become payable on August 1 in the years and in the amounts set forth in, and subject to the alteration thereof permitted by, the Notice of Sale. The Series A Bonds shall bear interest at such rate or rates as shall be determined upon the sale thereof, payable semi-annually on each Interest Payment Date.

Each Series A Bond shall bear interest from the Interest Payment Date next preceding the date of registration and authentication thereof unless (i) it is registered and authenticated as of an Interest Payment Date, in which event it shall bear interest from such date, or (ii) it is registered and authenticated prior to an Interest Payment Date and after the close of business on the fifteenth day of the month preceding such Interest Payment Date, in which event it shall bear interest from such Interest Payment Date, or (iii) it is registered and authenticated prior to

July 31, 2017, in which event it shall bear interest from the date described in paragraph (b) of this Section 2.02; *provided, however*, that if at the time of authentication of a Series A Bond, interest is in default thereon, such Series A Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment thereon.

Interest on the Series A Bonds shall be calculated on the basis of a 360-day year comprised of twelve 30-day months.

(e) *Payment.* Interest on the Series A Bonds (including the final interest payment upon maturity or earlier redemption) is payable by check of the Paying Agent mailed via first-class mail to the Owner thereof at such Owner's address as it appears on the Bond Register on each Record Date or at such other address as the Owner may have filed with the Paying Agent for that purpose; *provided however*, that payment of interest may be by wire transfer in immediately available funds to an account in the United States of America to any Owner of Series A Bonds in the aggregate principal amount of \$1,000,000 or more who shall furnish written wire instructions to the Paying Agent at least five (5) days before the applicable Record Date. Principal of the Series A Bonds is payable in lawful money of the United States of America at the Principal Office.

#### Section 2.03. Redemption.

(a) *Optional Redemption.* The Series A Bonds maturing on and prior to August 1, 2027, are not callable for redemption prior to their stated maturity date. The Series A Bonds maturing on and after August 1, 2028, are callable for redemption prior to their stated maturity date at the option of the District, in whole or in part on any date on or after August 1, 2027 (in such order as the District shall designate and, in the absence of such designation, in inverse order of maturity and by lot with a maturity), from any source lawfully available therefor, at a redemption price equal to the principal amount of the Series A Bonds called for redemption, together with accrued interest to the date fixed for redemption without premium.

(b) *Mandatory Sinking Fund Redemption.* In the event and to the extent specified in the Notice of Sale, any maturity of Series A Bonds may be designated as "Term Bonds" and shall be subject to mandatory sinking fund redemption. If some but not all of such Term Bonds have been redeemed pursuant to the preceding subsection (a) of this Section 2.03, the aggregate principal amount of such Term Bonds to be redeemed in each year pursuant to this subsection (b) shall be reduced on a *pro rata* basis in integral multiples of \$5,000, as shall be designated pursuant to written notice filed by the District with the Paying Agent.

(c) *Notice of Redemption.* The Paying Agent on behalf and at the expense of the District shall mail (by first class mail) notice of any redemption to: (i) the respective Owners of any Series A Bonds designated for redemption, at least thirty (30) but not more than sixty (60) days prior to the redemption date, at their respective addresses appearing on the Bond Register, and (ii) the Securities Depositories and to one or more Information Services, at least thirty (30) but not more than sixty (60) days prior to the redemption; *provided, however*, that neither failure to receive any such notice so mailed nor any defect therein shall affect the validity of the proceedings for the redemption of such Series A Bonds or the cessation of the accrual of interest thereon. Such notice shall state the date of the notice, the redemption date, the redemption place

and the redemption price and shall designate the CUSIP numbers, the Series A Bond numbers and the maturity or maturities (in the event of redemption of all of the Series A Bonds of such maturity or maturities in whole) of the Series A Bonds to be redeemed, and shall require that such Series A Bonds be then surrendered at the Principal Office for redemption at the redemption price, giving notice also that further interest on such Series A Bonds will not accrue from and after the redemption date.

Notwithstanding the foregoing, in the case of any optional redemption of the Series A Bonds, the notice of redemption shall state that the redemption is conditioned upon receipt by the Paying Agent of sufficient moneys to redeem the Series A Bonds on the scheduled redemption date, and that the optional redemption shall not occur if, by no later than the scheduled redemption date, sufficient moneys to redeem the Series A Bonds have not been deposited with the Paying Agent. In the event that the Paying Agent does not receive sufficient funds by the scheduled optional redemption date to so redeem the Series A Bonds to be optionally redeemed, the Paying Agent shall send written notice to the Owners, to the Securities Depositories and to one or more of the Information Services to the effect that the redemption did not occur as anticipated, and the Series A Bonds for which notice of optional redemption was given shall remain Outstanding for all purposes.

(d) *Selection of Series A Bonds for Redemption.* Whenever provision is made for the redemption of Series A Bonds of more than one maturity, the Series A Bonds to be redeemed shall be selected by the District evidenced by a Written Request of the District filed with the Paying Agent or, absent such selection by the District, on a *pro rata* basis among the maturities subject to redemption; and in each case, the Paying Agent shall select the Series A Bonds to be redeemed within any maturity by lot in any manner which the Paying Agent in its sole discretion shall deem appropriate and fair. For purposes of such selection, all Series A Bonds shall be deemed to be comprised of separate \$5,000 portions and such portions shall be treated as separate Series A Bonds which may be separately redeemed.

(e) *Partial Redemption of Series A Bonds.* In the event only a portion of any Series A Bond is called for redemption, then upon surrender of such Series A Bond the District shall execute and the Paying Agent shall authenticate and deliver to the Owner thereof, at the expense of the District, a new Series A Bond or Bonds of the same maturity date, of authorized denominations in aggregate principal amount equal to the unredeemed portion of the Series A Bond to be redeemed. Series A Bonds need not be presented for mandatory sinking fund redemptions.

(f) *Effect of Redemption.* From and after the date fixed for redemption, if funds available for the payment of the principal of and interest (and premium, if any) on the Series A Bonds so called for redemption shall have been duly provided, such Series A Bonds so called shall cease to be entitled to any benefit under this Resolution other than the right to receive payment of the redemption price, and no interest shall accrue thereon from and after the redemption date specified in such notice. All Series A Bonds redeemed pursuant to this Section 2.03 shall be canceled and shall be destroyed by the Paying Agent.

Section 2.04. Form of Series A Bonds. The Series A Bonds, the form of the Paying Agent's certificate of authentication and registration and the form of assignment to appear thereon shall be substantially in the forms, respectively, with necessary or appropriate variations, omissions

and insertions, as permitted or required by this Resolution, as are set forth in Exhibit A attached hereto.

Section 2.05. Execution of Series A Bonds. The Series A Bonds shall be executed on behalf of the District by the facsimile signatures of the President of its Board of Trustees and its Clerk who are in office on the date of adoption of this Resolution or at any time thereafter. If any officer whose signature appears on any Series A Bond ceases to be such officer before delivery of the Series A Bonds to the purchaser, such signature shall nevertheless be as effective as if the officer had remained in office until the delivery of the Series A Bonds to the purchaser. Any Series A Bond may be signed and attested on behalf of the District by such persons as at the actual date of the execution of such Series A Bond shall be the proper officers of the District although at the nominal date of such Series A Bond any such person shall not have been such officer of the District.

Only such Series A Bonds as shall bear thereon a certificate of authentication and registration in the form set forth in Exhibit A attached hereto, executed and dated by the Paying Agent, shall be valid or obligatory for any purpose or entitled to the benefits of this Resolution, and such certificate of the Paying Agent shall be conclusive evidence that the Series A Bonds so registered have been duly authenticated, registered and delivered hereunder and are entitled to the benefits of this Resolution.

Section 2.06. Transfer of Series A Bonds. Any Series A Bond may, in accordance with its terms, be transferred, upon the books required to be kept pursuant to the provisions of Section 2.08 hereof, by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Series A Bond for cancellation at the Principal Office, accompanied by delivery of a written instrument of transfer in a form approved by the Paying Agent, duly executed. The Paying Agent shall require the payment by the Owner requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer.

Whenever any Series A Bond or Bonds shall be surrendered for transfer, the District shall execute and the Paying Agent shall authenticate and deliver a new Series A Bond or Bonds, for like aggregate principal amount.

No transfers of Series A Bonds shall be required to be made (a) fifteen days prior to the date established by the Paying Agent for selection of Series A Bonds for redemption or (b) with respect to a Series A Bond after such Series A Bond has been selected for redemption.

Section 2.07. Exchange of Series A Bonds. Series A Bonds may be exchanged at the Principal Office for a like aggregate principal amount of Series A Bonds of authorized denominations and of the same maturity. The Paying Agent shall require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

No exchanges of Series A Bonds shall be required to be made (a) fifteen days prior to the date established by the Paying Agent for selection of Series A Bonds for redemption or (b) with respect to a Series A Bond after such Series A Bond has been selected for redemption.

Section 2.08. Bond Register. The Paying Agent shall keep or cause to be kept sufficient books for the registration and transfer of the Series A Bonds, which shall at all times be open to inspection by the District upon reasonable notice; and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said books, Series A Bonds as herein before provided.

Section 2.09. Temporary Series A Bonds. The Series A Bonds may be initially issued in temporary form exchangeable for definitive Series A Bonds when ready for delivery. The temporary Series A Bonds may be printed, lithographed or typewritten, shall be of such denominations as may be determined by the District, and may contain such reference to any of the provisions of this Resolution as may be appropriate. Every temporary Series A Bond shall be executed by the District upon the same conditions and in substantially the same manner as the definitive Series A Bonds. If the District issues temporary Series A Bonds it will execute and furnish definitive Series A Bonds without delay, and thereupon the temporary Series A Bonds may be surrendered, for cancellation, in exchange therefor at the Principal Office and the Paying Agent shall deliver in exchange for such temporary Series A Bonds an equal aggregate principal amount of definitive Series A Bonds of authorized denominations. Until so exchanged, the temporary Series A Bonds shall be entitled to the same benefits pursuant to this Resolution as definitive Series A Bonds executed and delivered hereunder.

Section 2.10. Series A Bonds Mutilated, Lost, Destroyed or Stolen. If any Series A Bond shall become mutilated the District, at the expense of the Owner of said Series A Bond, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Series A Bond of like maturity and principal amount in exchange and substitution for the Series A Bond so mutilated, but only upon surrender to the Paying Agent of the Series A Bond so mutilated. Every mutilated Series A Bond so surrendered to the Paying Agent shall be canceled by it and delivered to, or upon the order of, the District. If any Series A Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the District and, if such evidence be satisfactory to the District and indemnity satisfactory to it shall be given, the District, at the expense of the Owner, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Series A Bond of like maturity and principal amount in lieu of and in substitution for the Series A Bond so lost, destroyed or stolen. The District may require payment of a sum not exceeding the actual cost of preparing each new Series A Bond issued under this Section and of the expenses which may be incurred by the District and the Paying Agent in the premises. Any Series A Bond issued under the provisions of this Section 2.10 in lieu of any Series A Bond alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the District whether or not the Series A Bond so alleged to be lost, destroyed or stolen be at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of this Resolution with all other Series A Bonds issued pursuant to this Resolution.

Section 2.11. Book Entry System. Except as provided below, the owner of all of the Series A Bonds shall be The Depository Trust Company, New York, New York ("DTC"), and the Series A Bonds shall be registered in the name of Cede & Co., as nominee for DTC. The Series A Bonds shall be initially executed and delivered in the form of a single fully registered Series A

Bond for each maturity date of the Series A Bonds in the full aggregate principal amount of the Series A Bonds maturing on such date. The Paying Agent and the District may treat DTC (or its nominee) as the sole and exclusive owner of the Series A Bonds registered in its name for all purposes of this Resolution, and neither the Paying Agent nor the District shall be affected by any notice to the contrary. The Paying Agent and the District shall not have any responsibility or obligation to any participant of DTC (a "Participant"), any person claiming a beneficial ownership interest in the Series A Bonds under or through DTC or a Participant, or any other person which is not shown on the register of the District as being an owner, with respect to the accuracy of any records maintained by DTC or any Participant or the payment by DTC or any Participant by DTC or any Participant of any amount in respect of the principal or interest with respect to the Series A Bonds. The Paying Agent shall cause to be paid all principal and interest with respect to the Series A Bonds received from the District only to DTC, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to the principal and interest with respect to the Series A Bonds to the extent of the sum or sums so paid. Except under the conditions noted below, no person other than DTC shall receive a Series A Bond. Upon delivery by DTC to the District of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the term "Cede & Co." in this Resolution shall refer to such new nominee of DTC.

If the District determines that it is in the best interest of the beneficial owners that they be able to obtain Series A Bonds and delivers a written certificate to DTC to that effect, DTC shall notify the Participants of the availability through DTC of Series A Bonds. In such event, the District shall issue, transfer and exchange Series A Bonds as requested by DTC and any other owners in appropriate amounts. DTC may determine to discontinue providing its services with respect to the Series A Bonds at any time by giving notice to the District and discharging its responsibilities with respect thereto under applicable law. Under such circumstances (if there is no successor securities depository), the District shall be obligated to deliver Series A Bonds as described in this Resolution. Whenever DTC requests the District to do so, the District will cooperate with DTC in taking appropriate action after reasonable notice to (a) make available one or more separate Series A Bonds evidencing the Series A Bonds to any DTC Participant having Series A Bonds credited to its DTC account or (b) arrange for another securities depository to maintain custody of certificates evidencing the Series A Bonds.

Notwithstanding any other provision of this Resolution to the contrary, so long as any Series A Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal and interest with respect to such Series A Bond and all notices with respect to such Series A Bond shall be made and given, respectively, to DTC as provided as in the representation letter delivered by the District to DTC.

#### Section 3.02. Funds and Accounts.

(a) *Building Fund.* The fund, known as the "Oakley Union Elementary School District, General Obligation Bonds, Election of 2016, Series A (2017) Building Fund" (the "Building Fund"), is hereby established and maintained by the Treasurer for the Series A Bonds. Moneys deposited therein from the proceeds of the Series A Bonds shall be used solely for the purpose for which the Series A Bonds are being issued and shall be applied solely to authorized purposes which relate to the acquisition or improvement of real property and for the payment of Costs of Issuance of the Series A Bonds insufficient moneys are available therefor in the Costs of Issuance Fund. The interest earned on the moneys deposited to the Building Fund shall be retained in the Building Fund and used for the purposes thereof. At the written request of the District filed with the Treasurer, any amounts remaining on deposit in the Building Fund and not needed for the purposes of the Series A Bonds shall be withdrawn from the Building Fund and transferred to the Interest and Sinking Fund, to be applied to the payment of Debt Service. By receipt of a copy of this resolution, the Treasurer is hereby requested to establish and maintain the Building Fund. The Treasurer is not responsible for the use of funds disbursed from the Building Fund.

(b) *Interest and Sinking Fund.* The fund, known as the "Oakley Union Elementary School District, General Obligation Bonds Interest and Sinking Fund" (the "Interest and Sinking Fund"), is hereby established and maintained by the Treasurer for the Series A Bonds. Moneys deposited therein shall be used only for payment of principal and interest on all general obligation bonds of the District. If, after payment in full of the Series A Bonds, there remain excess proceeds, any such excess amounts shall be transferred to the general fund of the District. Notwithstanding the foregoing provisions of this Section 3.02(b), any excess proceeds of the Series A Bonds not needed for the authorized purposes set forth herein for which the Series A Bonds are being issued shall be applied solely in a manner which is consistent with the requirements of applicable state and federal tax law, including but not limited to the requirements of federal tax law (if any) relating to the yield at which such proceeds are permitted to be invested. The interest earned on the moneys deposited to the Interest and

Sinking Fund shall be retained in the Interest and Sinking Fund and used for the purposes thereof.

(c) *Costs of Issuance Fund.* A fund, to be known as the "Oakley Union Elementary School District, General Obligation Bonds, Election of 2016, Series A (2017) Costs of Issuance Fund" (the "Costs of Issuance Fund"), is hereby created and established with the Paying Agent, acting as costs of issuance custodian (the "Custodian") for the Series A Bonds. Moneys deposited therein shall be used solely for the payment of costs of issuance of the Series A Bonds, as provided in the Paying Agent Agreement.

(d) *Investment of Moneys in the Building Fund and the Interest and Sinking Fund.* Moneys held in the Building Fund and the Interest and Sinking Fund shall be invested at the Treasurer's discretion, unless otherwise directed in writing by the District, pursuant to law and the investment policy of the Treasurer. In addition, at the written direction of the District, all or any portion of the moneys in the Building Fund may be invested (i) in the Local Agency Investment Fund in the treasury of the State of California, or (ii) in investment agreements which comply with the requirements of each rating agency then rating the Series A Bonds necessary in order to maintain the current rating on the Series A Bonds, provided that the Treasurer shall be a signatory to any such investment agreement. Consent by the Treasurer to a request by the District to use any investments requested by the District specified in clause (d)(ii) shall in no way imply any endorsement by the Treasurer of such investment and the Treasurer assumes no liability for the results of such investment or of the provider thereof.

Section 3.03. Application of Proceeds of Sale of Series A Bonds. On the Closing Date, the proceeds of sale of the Series A Bonds shall be paid by the Original Purchaser as follows:

(a) to the Treasurer, an amount equal to the premium received by the District, if any, on the Series A Bonds, for deposit in the Interest and Sinking Fund;

(b) to the Custodian, an amount equal to the amounts required for the payment of Costs of Issuance, for deposit in the Costs of Issuance Fund; and

(c) the remaining proceeds of the Series A Bonds shall be transferred to the Treasurer for deposit in the Building Fund.

Section 3.04. Security for the Series A Bonds. There shall be levied by the County on all the taxable property in the District, in addition to all other taxes, a continuing direct and *ad valorem* tax annually during the period the Series A Bonds are outstanding in an amount sufficient to pay the principal of and interest on the Series A Bonds when due, which moneys when collected will be placed in the Interest and Sinking Fund of the District, which fund is irrevocably pledged for the payment of the principal of and interest on the Series A Bonds when and as the same fall due. The moneys in the Interest and Sinking Fund, to the extent necessary to pay the principal of and interest on the Series A Bonds as the same become due and payable, shall be transferred by the Treasurer to the Paying Agent as necessary to pay the principal of and interest on the Series A Bonds. The property taxes and amounts held in the Interest and Sinking Fund of the District shall immediately be subject to this pledge and the pledge shall constitute a lien and security interest which shall be effective, binding, and enforceable against

the District, its successors, creditors and all others irrespective of whether those parties have notice of the pledge and without the need of any physical delivery, recordation, filing or further act. The pledge is an agreement between the District and the Owners of the Series A Bonds in addition to the statutory lien that exists (as described below), and the Series A Bonds were issued to finance one or more capital project authorized by the voters of the District and not to finance the general purposes of the District.

Additionally, in accordance with section 53515(a) of the Government Code, the Series A Bonds shall be secured by a statutory lien on all revenues received pursuant to the levy and collection of the tax for the payment of bonds authorized by the voters of the District. The lien shall automatically attach without further action or authorization by the District or the County. The lien shall be valid and binding from the time the Series A Bonds are executed and delivered. The revenues received pursuant to the levy and collection of the tax shall be immediately subject to the lien, and the lien shall automatically attach to the revenues and be effective, binding, and enforceable against the District, its successors, transferees, and creditors, and all others asserting rights therein, irrespective of whether those parties have notice of the lien and without the need for any physical delivery, recordation, filing, or further act.

(ii) Federal Securities (not callable by the issuer thereof prior to maturity) the principal of and interest on which when due, in the opinion of a certified public accountant delivered to the District, will provide money sufficient to pay the principal or redemption price of and all unpaid interest to maturity, or to the redemption date, as the case may be, on the Series A Bonds to be paid or redeemed, as such principal or redemption price and interest become due, provided that, in the case of Series A Bonds which are to be redeemed prior to the maturity thereof, notice of such redemption shall have been given as in Section 2.03 provided or provision satisfactory to the Paying Agent shall have been made for the giving of such notice;

provided, in each case, that the Paying Agent shall have been irrevocably instructed (by the terms of this Resolution or by request of the District) to apply such money to the payment of such principal or redemption price and interest with respect to such Series A Bonds.

(d) *Payment of Series A Bonds After Discharge of Resolution.* Notwithstanding any provisions of this Resolution, any moneys held in trust with an escrow holder for the payment of the principal or redemption price of, or interest on, any Series A Bonds and remaining unclaimed for one year after the principal of all of the Series A Bonds has become due and payable (whether at maturity or upon call for redemption or by acceleration as provided in this

Resolution), if such moneys were so held at such date, or one year after the date of deposit of such moneys if deposited after said date when all of the Series A Bonds became due and payable, shall, upon request of the District, be repaid to the District free from the trusts created by this Resolution, and all liability of the escrow holder with respect to such moneys shall thereupon cease; *provided, however*, that before the repayment of such moneys to the District as aforesaid, the Paying Agent may (at the cost of the District) first mail to the Owners of all Series A Bonds which have not been paid at the addresses shown on the registration books maintained by the Paying Agent a notice in such form as may be deemed appropriate by the Paying Agent, with respect to the Series A Bonds so payable and not presented and with respect to the provisions relating to the repayment to the District of the moneys held for the payment thereof.

Section 9.03. Execution of Documents and Proof of Ownership by Bondowners. Any request, declaration or other instrument which this Resolution may require or permit to be executed by Bondowners may be in one or more instruments of similar tenor, and shall be executed by Bondowners in person or by their attorneys appointed in writing.

Except as otherwise herein expressly provided, the fact and date of the execution by any Bondowner or his attorney of such request, declaration or other instrument, or of such writing appointing such attorney, may be proved by the certificate of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act, that the person signing such request, declaration or other instrument or writing acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer.

Except as otherwise herein expressly provided, the ownership of registered Series A Bonds and the amount, maturity, number and date of holding the same shall be proved by the registry books.

Any request, declaration or other instrument or writing of the Owner of any Series A Bond shall bind all future Owners of such Series A Bond in respect of anything done or suffered to be done by the District or the Paying Agent in good faith and in accordance therewith.

Section 9.04. Waiver of Personal Liability. No boardmember, officer, agent or employee of the District shall be individually or personally liable for the payment of the principal of or interest on the Series A Bonds; but nothing herein contained shall relieve any such boardmember, officer, agent or employee from the performance of any official duty provided by law.

Section 9.05. Destruction of Canceled Series A Bonds. Whenever in this Resolution provision is made for the surrender to the District of any Series A Bonds which have been paid or canceled pursuant to the provisions of this Resolution, a certificate of destruction duly executed by the Paying Agent shall be deemed to be the equivalent of the surrender of such canceled Series A Bonds and the District shall be entitled to rely upon any statement of fact contained in any certificate with respect to the destruction of any such Series A Bonds therein referred to.

Section 9.06. Partial Invalidity. If any Section, paragraph, sentence, clause or phrase of this Resolution shall for any reason be held illegal or unenforceable, such holding shall not affect the validity of the remaining portions of this Resolution. The District hereby declares that it would have adopted this Resolution and each and every other Section, paragraph, sentence, clause or phrase hereof and authorized the issue of the Series A Bonds pursuant thereto irrespective of the fact that any one or more Sections, paragraphs, sentences, clauses, or phrases of this Resolution may be held illegal, invalid or unenforceable. If, by reason of the judgment of any court, the District is rendered unable to perform its duties hereunder, all such duties and all of the rights and powers of the District hereunder shall be assumed by and vest in the District in trust for the benefit of the Bondowners.

Section 9.07. Effective Date of Resolution. This Resolution shall take effect from and after the date of its passage and adoption.
