

*The Board of Supervisors of
Contra Costa County, California*

In the matter of:
recognizing the 150th Anniversary of San Ramon.

Resolution No. 2017/281

Whereas, San Ramon is celebrating the 150th anniversary of the community that was once a quiet village, and is now the vibrant City of San Ramon; and

Whereas, throughout 2017 there has been a yearlong sesquicentennial celebration commemorating the beginning of San Ramon, when students left their home-based classrooms to attend the first permanent schoolhouse built in 1867; and

Whereas, the dedication of the schoolhouse in 1867 marked a time when San Ramon first had all the components of a well-rounded, viable community—a place that the ranching and farming residents were proud to call home; and

Whereas, as with the entire Tri-Valley, agriculture was the basis for San Ramon’s economy until suburban development began. In 1966, the new Interstate 680 freeway was completed through San Ramon to Dublin and changed the population of the region forever; and

WHEREAS, 150 years after its inception, San Ramon has become a successful and cohesive community of diverse residents, quality education, a prosperous businesses center for the entire Bay Area, and has beautiful parks, trails, open space and significant community assets.

Now, Therefore, Be It Resolved that the Board of Supervisors of Contra Costa County is honored to recognize the collaborative efforts of proud citizens, businesses, and community leaders at the San Ramon 150 celebration, successfully highlighting the historic roots of the community, the wonderful attributes of modern-day San Ramon, and the promise of a bright future for the great residents who live, work and play in this fine city.
