

Contra Costa County
Flood Control
& Water Conservation District

Julia R. Bueren,
ex officio Chief Engineer
Mike Carlson,
Deputy Chief Engineer

DATE: August 15, 2017
TO: Members — Board of Supervisors
FROM: Julia R. Bueren, Chief Engineer
SUBJECT: Results of the Ballots Cast in the Proposed Annexation of Minor Subdivision MS 16-0004 into Contra Costa County Flood Control and Conservation District Drainage Area 76A

I, Julia R. Bueren, Chief Engineer of the Contra Costa County Flood Control and Water Conservation District, having canvassed the return of all ballots cast in the election to approve the annexation of Minor Subdivision MS 16-0004 into Contra Costa County Flood Control and Water Conservation District Drainage Area 76A held between June 30, 2017, and August 15, 2017, do hereby certify the following to be a full, true, and correct Statement of Results of all ballots cast on the following measure:

**Annexation No. 4 to Drainage Area 76A and Adoption of Annual Assessments
for Minor Subdivision MS 16-0004**

YES 1

NO 0

I further certify that the total number of ballots cast in the proposed annexation of Minor Subdivision MS 16-0004 into Drainage Area 76A at said election was two and attached hereto are the total ballots received for and against annexation and assessment.
