The use of any assistance provided under this Agreement for such acquisition or construction in such identified areas in communities then participating in the National Flood Insurance Program is subject to the mandatory purchase of flood insurance requirements of Section 102(a) of the Flood Act. If the Property is located in an area identified by HUD as having special flood hazards and in which the sale of flood insurance has been made available under the National Flood Insurance Act of 1968, as amended, 42 U.S.C. 4001 et seq., the property owner and its successors or assigns must obtain and maintain, during the ownership of the Property, such flood insurance as required with respect to financial assistance for acquisition or construction purposes under Section 102(s) of the Flood Act. ARTICLE 5 PROPERTY MANAGEMENT AND MAINTENANCE

5.1 Management Responsibilities. Borrower is responsible for all management functions with respect to the Development, including without limitation the selection of Tenants, certification and recertification of household size and income, evictions, collection of rents and deposits, maintenance, landscaping, routine and extraordinary repairs, replacement of capital items, and security. The County has no responsibility for management of the Development. Borrower shall retain a professional property management company approved by the County in its reasonable discretion to perform Borrower's management duties hereunder. An on-site property manager shall reside at the Riley Property and Camara Property.

5.2 Management Agent. Borrower shall cause the Development to be managed by an experienced management agent reasonably acceptable to the County, with a demonstrated ability to operate residential facilities like the Development in a manner that will provide decent, safe, and sanitary housing (the "Management Agent"). The County has approved the John Stewart Company as the Management Agent. Borrower shall submit for the County's approval the identity of any proposed subsequent management agent. Borrower shall also submit such additional information about the background, experience and financial condition of any proposed management agent as is reasonably necessary for the County to determine whether the proposed management agent meets the standard for a qualified management agent set forth above. If the proposed management agent meets the standard for a qualified management agent set forth above, the County shall approve the proposed management agent by notifying Borrower in writing. Unless the proposed management agent is disapproved by the County within thirty (30) days, which disapproval is to state with reasonable specificity the basis for disapproval, it shall be deemed approved.

5.3 Periodic Performance Review. The County reserves the right to conduct an annual (or more frequently, if deemed necessary by the County) review of the management practices and financial status of the Development. The purpose of each periodic review will be to enable the County to determine if the Development is being operated and managed in accordance with the requirements and standards of this HOME/CDBG Regulatory Agreement. Borrower shall cooperate with the County in such reviews.

5.4 Replacement of Management Agent. If, as a result of a periodic review, the County determines in its reasonable judgment that the Development is not being operated and managed in accordance with any of the material requirements and standards of this HOME/CDBG Regulatory Agreement, the County shall deliver notice to Borrower of its intention to cause replacement of the Management Agent, including the reasons therefor. Within fifteen (15) days after receipt by Borrower of such written notice, the County staff and Borrower

shall meet in good faith to consider methods for improving the financial and operating status of the Development, including, without limitation, replacement of the Management Agent.

If, after such meeting, County staff recommends in writing the replacement of the Management Agent, Borrower shall promptly dismiss the then-current Management Agent, and shall appoint as the Management Agent a person or entity meeting the standards for a management agent set forth in Section 5.2 above and approved by the County pursuant to Section 5.2 above.

Any contract for the operation or management of the Development entered into by Borrower shall provide that the Management Agent may be dismissed and the contract terminated as set forth above. Failure to remove the Management Agent in accordance with the provisions of this Section constitutes a default under this HOME/CDBG Regulatory Agreement, and the County may enforce this provision through legal proceedings as specified in Section 6.4 below.

5.5 Approval of Management Policies. Borrower shall submit its written management policies with respect to the Development to the County for its review, and shall amend such policies in any way necessary to ensure that such policies comply with the provisions of this HOME/CDBG Regulatory Agreement.

5.6 Property Maintenance.

(a) Borrower shall maintain, for the entire HOME Term of this HOME/CDBG Regulatory Agreement, all interior and exterior improvements, including landscaping in decent, safe and sanitary condition, and in good condition and repair, in accordance with (i) 24 C.F.R. Section 92.251, and (ii) the maintenance standards provided by the County (the "Maintenance Standards"). The Maintenance Standards, which set forth inspectable items and areas, and this HOME/CDBG Regulatory Agreement, implement 24 C.F.R. Section 92.251. Borrower shall cause the Development to be: (i) maintained in accordance with all applicable laws, rules, ordinances, orders and regulations of all federal, state, county, municipal, and other governmental agencies and bodies having or claiming jurisdiction and all their respective departments, bureaus, and officials, including but not limited to the lead-based paint requirements in 24 C.F.R. part 35; and (ii) free of all health and safety defects. Borrower shall correct any life-threatening maintenance deficiencies, including those set forth in the Maintenance Standards immediately upon notification.

(b) At the beginning of each year of the HOME Term, Borrower shall certify to the County that the Development is in compliance with the Maintenance Standards.

5.7 Property Inspections.

(a) On-Site Physical Inspections. The County will perform on-site inspections of the Development during the HOME Term to ensure compliance with the Maintenance Standards. The County will perform an on-site inspection within twelve months after completion of construction of the Development and at least once every three (3) years during the

HOME Term. If the Development is found to have health and safety violations, the County may perform more frequent inspections. Borrower shall cooperate in such inspections.

(b) Violation of Maintenance Standards. If after an inspection, the County determines that Borrower is in violation of the Maintenance Standards, the County will provide Borrower a written report of the violations. Borrower shall correct the violations set forth in the report provided to Borrower by County. The County will perform a follow-up inspection to verify that the violations have been corrected. If such violations continue for a period of ten (10) days after delivery of the report to Borrower by the County with respect to graffiti, debris, waste material, and general maintenance, or thirty (30) days after delivery of the report to Borrower by the County with respect to landscaping and building improvements, then the County, in addition to whatever other remedy it may have at law or in equity, has the right to enter upon the Property and perform or cause to be performed all such acts and work necessary to cure the violation. Pursuant to such right of entry, the County is permitted (but is not required) to enter upon the Property and to perform all acts and work necessary to protect, maintain, and preserve the improvements and landscaped areas on the Property, and to attach a lien on the Property, or to assess the Property, in the amount of the expenditures arising from such acts and work of protection, maintenance, and preservation by the County and/or costs of such cure, which amount Borrower shall promptly pay to the County upon demand.

ARTICLE 6 MISCELLANEOUS

6.1 Nondiscrimination.

(a) All of the Units must be available for occupancy on a continuous basis to members of the general public who are income eligible. Borrower may not give preference to any particular class or group of persons in renting or selling the Units, except to the extent that the Units are required to be leased to income eligible households pursuant to this HOME/CDBG Regulatory Agreement. Borrower herein covenants by and for Borrower, assigns, and all persons claiming under or through Borrower, that there exist no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, sexual orientation, marital status, national origin, source of income (e.g., SSI), ancestry, age, familial status (except for lawful senior housing in accordance with state and federal law), or disability, in the leasing, subleasing, transferring, use, occupancy, tenure, or enjoyment of any unit nor will Borrower or any person claiming under or through Borrower, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy, of tenants, lessees, sublessees, subtenants, or vendees of any unit or in connection with the employment of persons for the construction, operation and management of any unit.

(b) Borrower shall accept as Tenants, on the same basis as all other prospective Tenants, persons who are recipients of federal certificates for rent subsidies pursuant to the existing housing program under Section 8 of the United States Housing Act, or its successor. Borrower may not apply selection criteria to Section 8 certificate or voucher holders

that is more burdensome than criteria applied to all other prospective Tenants, nor will Borrower apply or permit the application of management policies or lease provisions with respect to the Development which have the effect of precluding occupancy of units by such prospective Tenants.

6.2 Application of Provisions. The provisions of this HOME/CDBG Regulatory Agreement apply to the Property for the entire HOME Term even if the Combined County Loan is paid in full prior to the end of the HOME Term. This HOME/CDBG Regulatory Agreement binds any successor, heir or assign of Borrower, whether a change in interest occurs voluntarily or involuntarily, by operation of law or otherwise, except as expressly released by the County. The County is making the Combined County Loan on the condition, and in consideration of, this provision, and would not do so otherwise.

6.3 Covenants to Run With the Land. The County and Borrower hereby declare their express intent that the covenants and restrictions set forth in this HOME/CDBG Regulatory Agreement run with the land, and bind all successors in title to the Property, provided, however, that on the expiration of the HOME Term said covenants and restrictions expire. Each and every contract, deed or other instrument hereafter executed covering or conveying the Property or any portion thereof, is to be held conclusively to have been executed, delivered and accepted subject to the covenants and restrictions, regardless of whether such covenants or restrictions are set forth in such contract, deed or other instrument, unless the County expressly releases such conveyed portion of the Property from the requirements of this HOME/CDBG Regulatory Agreement.

6.4 Enforcement by the County. If Borrower fails to perform any obligation under this HOME/CDBG Regulatory Agreement, and fails to cure the default within thirty (30) days after the County has notified Borrower in writing of the default or, if the default cannot be cured within thirty (30) days, fails to commence to cure within thirty (30) days and thereafter diligently pursue such cure and complete such cure within sixty (60) days, the County may enforce this HOME/CDBG Regulatory Agreement by any or all of the following actions, or any other remedy provided by law:

(a) Calling the Combined County Loan. The County may declare a default under the Loan Documents, accelerate the indebtedness evidenced by the Loan Documents, and proceed with foreclosure under the Deed of Trust.

(b) Action to Compel Performance or for Damages. The County may bring an action at law or in equity to compel Borrower's performance of its obligations under this HOME/CDBG Regulatory Agreement, and may seek damages.

(c) Remedies Provided Under Loan Documents. The County may exercise any other remedy provided under the Loan Documents.

The County shall provide notice of a default to Borrower's limited partner in the manner set forth in Section 6.5 of the Loan Agreement.

6.5 Anti-Lobbying Certification.

(a) Borrower certifies, to the best of Borrower's knowledge or belief, that:

(1) No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;

(2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, Disclosure Form to Report Lobbying, in accordance with its instructions.

(b) This certification is a material representation of fact upon which reliance was placed when the Loan Documents were made or entered into. Submission of this certification is a prerequisite for making or entering into the Loan Documents imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than Ten Thousand Dollars (\$10,000) and no more than One Hundred Thousand Dollars (\$100,000) for such failure.

6.6 Attorneys' Fees and Costs. In any action brought to enforce this HOME/CDBG Regulatory Agreement, the prevailing party must be entitled to all costs and expenses of suit, including reasonable attorneys' fees. This section must be interpreted in accordance with California Civil Code Section 1717 and judicial decisions interpreting that statute.

6.7 Recording and Filing. The County and Borrower shall cause this HOME/CDBG Regulatory Agreement, and all amendments and supplements to it, to be recorded in the Official Records of the County of Contra Costa.

6.8 Governing Law. This HOME/CDBG Regulatory Agreement is governed by the laws of the State of California.

6.9 Waiver of Requirements. Any of the requirements of this HOME/CDBG Regulatory Agreement may be expressly waived by the County in writing, but no waiver by the County of any requirement of this HOME/CDBG Regulatory Agreement extends to or affects any other provision of this HOME/CDBG Regulatory Agreement, and may not be deemed to do so.

6.10 Amendments. This HOME/CDBG Regulatory Agreement may be amended only by a written instrument executed by all the parties hereto or their successors in title that is duly recorded in the official records of the County of Contra Costa.
