Federal, I have so appreciated the many years of your faith and support of my abilities to be a leader in my community and appointment to the MAC board. I know you will understand that it is with very mixed emotions that I tender my MAC board resignation as of today. I originally thought I would be able to attend meetings electronically, however this has proved challenging with lack of equipment at the meetings. Also, and most importantly is my ability to serve my community and keep a pulse on what is happening here in Bay Point. With my recent retirement and many scheduled travel plans both abroad and within the US I find I am just not able to serve as expected both of myself, our chair and most importantly your expectations. I hope you know I continue to support you in every way and if ever I can be of help to you please do not hesitate to call upon me.

Thank you Federal and best wishes and continued success to you as you continue to keep our community as number 1 in your mind and heart.
