This Regulatory Agreement and Declaration of Restrictive Covenants (the "Regulatory Agreement") is dated December 1, 2017 and is between the County of Contra Costa, a political subdivision of the State of California (the "County"), and Heritage Point A/G, L.P., a California limited partnership ("Borrower").

RECITALS

A. Defined terms used but not defined in these recitals are as defined in Article 1 of this Regulatory Agreement.

B. The County has succeeded to the housing assets of the former Contra Costa County Redevelopment Agency (the "Former Agency") in accordance with California Health and Safety Code Section 34176. In its capacity as housing successor, the County owns six parcels of real property, fronting the east side of Fred Jackson Way, between Grove Street and Chesley Avenue, in North Richmond, commonly referred to as the Heritage Point Unified Development Area (and formerly known as the Grove Point Unified Development Area) (the "Site"). The Site is located within the North Richmond Redevelopment Project Area (the "Project Area").

C. The Site has been identified as a "housing asset" pursuant to California Health and Safety Code Section 34176. The Oversight Board of the Contra Costa County Successor Agency and the California Department of Finance have approved such identification. The Former Agency acquired the Site using the Former Agency's low and moderate housing fund, which was established pursuant to California Health and Safety Code Section 33334.2.

D. The County has subdivided the Site into a "Commercial Parcel" and a "Residential Parcel" through a metes and bounds division. The "Residential Parcel" is more

particularly described in Exhibit A attached to and incorporated into this Agreement (the "Property").

E. Pursuant to a Disposition, Development, and Loan Agreement dated December 1, 2017 (the "DDLA"), the County is conveying the Property to Borrower. Borrower intends to construct forty-two (42) housing units on the Property for rental to extremely low and very low income households, including one (1) manager's unit (the "Development"). The Development, as well as all landscaping, roads and parking spaces on the Property and any additional improvements on the Property, are the "Improvements".

F. The County has received Community Development Block Grant Program ("CDBG") funds from the United States Department of Housing and Urban Development ("HUD") under Title I of the Housing and Community Development Act of 1974 (42 USC 5301, et seq.), as amended ("CDBG Funds"). The CDBG Funds must be used by the County in accordance with 24 C.F.R. Part 570.

G. The County, as housing successor to the Former Agency, has Low and Moderate Income Housing Asset Funds (the "Affordable Housing Funds") which must be used in compliance with the Community Redevelopment Law (California Health and Safety Code Section 33000 et seq.) as amended by California Health and Safety Code Section 34176.1 (the "Community Redevelopment Law").

H. Pursuant to the DDLA the County is lending Borrower Five Million Eight Hundred Ninety Thousand Two Hundred Fifty-Four Dollars (\$5,890,254) (the "Loan"), comprised of Two Million Nine Hundred Thousand Dollars (\$2,900,000) of CDBG Funds and Two Million Nine Hundred Ninety Thousand Two Hundred Fifty-Four Dollars (\$2,990,254) in Affordable Housing Funds.

I. The County has the authority to lend the Loan to Borrower pursuant to Government Code Section 26227, which authorizes counties to spend county funds for programs that will further a county's public purposes. In addition, the County has the authority to loan (i) the Affordable Housing Funds pursuant to California Health and Safety Code Section 34176.1, and (ii) the CBDG Funds pursuant to 24 C.F.R. 570.202.

J. The County has agreed to make the Loan on the condition that Borrower maintain and operate the Development in accordance with restrictions set forth in this Regulatory Agreement and in the related documents evidencing the Loan, and with California Health and Safety Code Sections 33334.2 et seq., 33413(a) and 33413(b). In order to ensure that the Development will be used and operated in accordance with these conditions and restrictions, the County and Borrower wish to enter into this Regulatory Agreement.

K. As a condition of making the Loan, the County is restricting twenty (20) of the Units pursuant to this Regulatory Agreement.

L. The County intends to apply the designated Units developed pursuant to this Agreement toward the satisfaction of the statutorily-mandated affordable housing production requirements for the Project Area under California Health and Safety Code Section 33413(b)(2)

and to meet any replacement housing requirements applicable to the Project Area pursuant to the Community Redevelopment Law.

M. In consideration of receipt of the Loan at an interest rate substantially below the market rate, Borrower agrees to observe all the terms and conditions set forth below.

The parties therefore agree as follows:

Borrower agrees to include the following language in all subcontracts executed under this Regulatory Agreement:

(1) The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u. The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

(6) Noncompliance with HUD's regulations in 24 C.F.R. Part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

No portion of the assistance provided under this Agreement is approved for acquisition or construction purposes as defined under Section 3(a) of the Flood Act, for use in an area identified by HUD as having special flood hazards which is not then in compliance with the requirements for participation in the national flood insurance program pursuant to Section 201(d) of the Flood Act. The use of any assistance provided under this Agreement for such acquisition or construction in such identified areas in communities then participating in the National Flood Insurance Program is subject to the mandatory purchase of flood insurance requirements of Section 102(a) of the Flood Act. If the Property is located in an area identified by HUD as having special flood hazards and in which the sale of flood insurance has been made available under the National Flood Insurance Act of 1968, as amended, 42 U.S.C. 4001 et seq., the property owner and its successors or assigns must obtain and maintain, during the ownership of the Property, such flood insurance as required with respect to financial assistance for acquisition or construction purposes under Section 102(s) of the Flood Act. Such provisions are required notwithstanding the fact that the construction on the Property is not itself funded with assistance provided under this Agreement;

(xvi) Religious Organizations. If the Borrower is a religious organization, as defined by the CDBG requirements, the Borrower shall comply with all conditions prescribed by HUD for the use of CDBG Funds by religious organizations, including the First Amendment of the United States Constitution regarding church/state principles and the applicable constitutional prohibitions set forth in 24 C.F.R. 570.200(j);

ARTICLE 5 PROPERTY MANAGEMENT AND MAINTENANCE

5.1 Management Responsibilities. Borrower is responsible for all management functions with respect to the Development, including without limitation the selection of Tenants, certification and recertification of household size and income, evictions, collection of rents and deposits, maintenance, landscaping, routine and extraordinary repairs, replacement of capital items, and security. The County has no responsibility for management of the Development. Borrower shall retain a professional property management company approved by the County in its reasonable discretion to perform Borrower's management duties hereunder. An on-site property manager is also required.

5.2 Management Agent. Borrower shall cause the Development to be managed by an experienced management agent reasonably acceptable to the County, with a demonstrated ability to operate residential facilities like the Development in a manner that will provide decent, safe, and sanitary housing (the "Management Agent"). Borrower shall submit for the County's approval the identity of any proposed subsequent management agent. Borrower shall also submit such additional information about the background, experience and financial condition of any proposed management agent as is reasonably necessary for the County to determine whether the proposed management agent meets the standard for a qualified management agent set forth above. If the proposed management agent meets the standard for a qualified management agent set forth above, the County shall approve the proposed management agent by notifying Borrower in writing. Unless the proposed management agent is disapproved by the County within thirty (30) days, which disapproval is to state with reasonable specificity the basis for disapproval, it shall be deemed approved.

5.3 Periodic Performance Review. The County reserves the right to conduct an annual (or more frequently, if deemed necessary by the County) review of the management practices and financial status of the Development. The purpose of each periodic review will be to enable the County to determine if the Development is being operated and managed in accordance with the requirements and standards of this Regulatory Agreement. Borrower shall cooperate with the County in such reviews.

5.4 Replacement of Management Agent. If, as a result of a periodic review, the County determines in its reasonable judgment that the Development is not being operated and managed in accordance with any of the material requirements and standards of this Regulatory Agreement, the County shall deliver notice to Borrower of its intention to cause replacement of the Management Agent, including the reasons therefor. Within fifteen (15) days after receipt by Borrower of such written notice, the County staff and Borrower shall meet in good faith to consider methods for improving the financial and operating status of the Development,

including, without limitation, replacement of the Management Agent.

If, after such meeting, County staff recommends in writing the replacement of the Management Agent, Borrower shall promptly dismiss the then-current Management Agent, and shall appoint as the Management Agent a person or entity meeting the standards for a management agent set forth in Section 5.2 above and approved by the County pursuant to Section 5.2 above.

Any contract for the operation or management of the Development entered into by Borrower shall provide that the Management Agent may be dismissed and the contract terminated as set forth above. Failure to remove the Management Agent in accordance with the provisions of this Section constitutes a default under this Regulatory Agreement, and the County may enforce this provision through legal proceedings as specified in Section 6.4 below.

5.5 Approval of Management Policies. Borrower shall submit its written management policies with respect to the Development to the County for its review, and shall amend such policies in any way necessary to ensure that such policies comply with the provisions of this Regulatory Agreement.

5.6 Property Maintenance.

(a) Borrower shall maintain, for the entire Term of this Regulatory Agreement, all interior and exterior Improvements, including landscaping in decent, safe and sanitary condition, and in good condition and repair, in accordance with the maintenance standards provided by the County (the "Maintenance Standards"). Borrower shall correct any life-threatening maintenance deficiencies, including those set forth in the Maintenance Standards immediately upon notification.

(b) At the beginning of each year of the Term, Borrower shall certify to the County that the Development is in compliance with the Maintenance Standards.

5.7 Property Inspections.

(a) On-Site Physical Inspections. The County will perform on-site inspections of the Development during the Term to ensure compliance with the Maintenance Standards. The County will perform an on-site inspection within twelve months after completion of construction of the Development and at least once every three (3) years during the Term. If the Development is found to have health and safety violations, the County may perform more frequent inspections. Borrower shall cooperate in such inspections.

(b) Violation of Maintenance Standards. If after an inspection, the County determines that Borrower is in violation of the Maintenance Standards, the County will provide

Borrower a written report of the violations. Borrower shall correct the violations set forth in the report provided to Borrower by County. The County will perform a follow-up inspection to verify that the violations have been corrected. If such violations continue for a period of ten (10) days after delivery of the report to Borrower by the County with respect to graffiti, debris, waste material, and general maintenance, or thirty (30) days after delivery of the report to Borrower by the County with respect to landscaping and building improvements, then the County, in addition to whatever other remedy it may have at law or in equity, has the right to enter upon the Property and perform or cause to be performed all such acts and work necessary to cure the violation. Pursuant to such right of entry, the County is permitted (but is not required) to enter upon the Property and to perform all acts and work necessary to protect, maintain, and preserve the improvements and landscaped areas on the Property, and to attach a lien on the Property, or to assess the Property, in the amount of the expenditures arising from such acts and work of protection, maintenance, and preservation by the County and/or costs of such cure, which amount Borrower shall promptly pay to the County upon demand.

Borrower may not give preference to any particular class or group of persons in renting or selling the Units, except to the extent that the Units are required to be leased to income eligible households pursuant to this Regulatory Agreement. Each and every contract, deed or other instrument hereafter executed covering or conveying the Property or any portion thereof, is to be held conclusively to have been executed, delivered and accepted subject to the covenants and restrictions, regardless of whether such covenants or restrictions are set forth in such contract, deed or other instrument, unless the County expressly releases such conveyed portion of the Property from the requirements of this Regulatory Agreement.

6.4 Enforcement by the County. If Borrower fails to perform any obligation under this Regulatory Agreement, and fails to cure the default within thirty (30) days after the County has notified Borrower in writing of the default or, if the default cannot be cured within thirty (30) days, fails to commence to cure within thirty (30) days and thereafter diligently pursue such cure and complete such cure within sixty (60) days, the County may enforce this Regulatory Agreement by any or all of the following actions, or any other remedy provided by law:

(a) Calling the Loan. The County may declare a default under the Note, accelerate the indebtedness evidenced by the Note, and proceed with foreclosure under the Deed of Trust.

(b) Action to Compel Performance or for Damages. The County may bring an action at law or in equity to compel Borrower's performance of its obligations under this Regulatory Agreement, and may seek damages.

(c) Remedies Provided Under County Documents. The County may exercise any other remedy provided under the County Documents.

The County shall provide notice of a default to Borrower's limited partner in the manner set forth in Section 7.8 of the DDLA.

(b) This certification is a material representation of fact upon which reliance was placed when the County Documents were made or entered into. Submission of this certification is a prerequisite for making or entering into the County Documents imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than Ten Thousand Dollars (\$10,000) and no more than One Hundred Thousand Dollars (\$100,000) for such failure.
