**Resolution No. 2017/432**

IN THE MATTER OF approving a General Plan Amendment for the General Plan Land Use Element Map Update.

WHEREAS, on Tuesday, December 19, 2017, the Board of Supervisors held a public hearing to consider amending the Contra Costa County General Plan to more accurately depict on the Land Use Element Map land ownership and use by public agencies (County File No. GP17-0005).

WHEREAS, the proposed General Plan Amendment is part of the third consolidated General Plan Amendment for calendar year 2017.

NOW, THEREFORE, the Contra Costa County Board of Supervisors resolves as follows:

1. The Board finds that adoption of General Plan Amendment GP17-0005 is in the public interest, pursuant to California Government Code Section 65358(a), as it would substantially improve the accuracy of the General Plan Land Use Element Map.
2. The Board finds that General Plan Amendment GP17-0005 is consistent with the goals and policies contained in the General Plan, allowing the General Plan to remain internally consistent, and complies with the requirements of the Growth Management Program administered by the Contra Costa Transportation Authority.
3. The Board hereby adopts General Plan Amendment GP17-0005, amending the Contra Costa County General Plan to redesignate certain publicly-owned parcels to Airport Commercial, Public and Semi-Public, Parks and Recreation, Open Space, Watershed, and Water land use designations, as shown on Attachment 1 to the December 19, 2017, Board Order authorizing approval of this General Plan Amendment.

I hereby certify that this is a true and correct copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.
