Section 2. Representations, Covenants and Warranties of the Borrower. The Borrower hereby represents, as of the date hereof, and covenants, warrants and agrees as follows:

(a) The statements made in the various certificates delivered by the Borrower to the Governmental Lender or the Bank on the Closing Date are true and correct.

(b) The Borrower (and any person related to it within the meaning of Section 147(a)(2) of the Code) will not take or omit to take, as is applicable, any action if such action or omission would in any way cause the proceeds of the Borrower Loan to be applied in a manner contrary to the requirements of the Borrower Loan Agreement, this Regulatory Agreement or the Other Regulatory Agreement.

(c) The Borrower will not knowingly take or permit, or omit to take or cause to be taken, as is appropriate, any action that would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Tax-Exempt Notes or the exemption from California personal income taxation of the interest on the Funding Loan Notes and, if it should take or permit, or omit to take or cause to be taken, any such action, it will take all lawful actions necessary to rescind or correct such actions or omissions promptly upon obtaining knowledge thereof.

(d) The Borrower will take such action or actions as may be necessary, in the written opinion of Tax Counsel filed with the Governmental Lender, the Bank and the Borrower, to comply fully with the Act, the Code and all applicable rules, rulings,

policies, procedures, Regulations or other official statements promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service to the extent necessary to maintain the exclusion from gross income for federal income tax purposes of interest on the Tax-Exempt Notes.

(e) The proceeds of the loan to the Borrower under the Borrower Loan Agreement will be used to pay costs of the acquisition and construction of the Projects and related costs. The commencement of the acquisition and construction by the Borrower of the Project and the Other Project occurred after the date which was 60 days prior to the Inducement Date. Within six months of the Closing Date, the Borrower incurred a substantial binding obligation to expend proceeds of the Borrower Loan pursuant to which the Borrower was obligated to expend at least five percent (5%) of the maximum principal amount of the portion of the Borrower Loan funded with proceeds of the Notes C-1 and C-2. Within six months of the Note D Closing Date, the Borrower will have incurred a substantial binding obligation to expend proceeds of the Borrower Loan pursuant to which the Borrower is obligated to expend at least five percent (5%) of the principal amount of the portion of the Borrower Loan funded with proceeds of Note D.

(f) The Borrower will proceed with due diligence to complete the acquisition and construction of the Projects and the full expenditure of the proceeds of the Borrower Loan. The Borrower reasonably expects to expend the full \$19,200,000 authorized principal amount of the Borrower Loan for Project Costs by February 20, 2019.

(g) The Borrower's reasonable expectations respecting the total expenditure of the proceeds of the portion of the Borrower Loan funded with proceeds of the Notes C-1 and C-2 have been accurately set forth in a certificate of the Borrower delivered to the Governmental Lender on the Closing Date, and the Borrower's reasonable expectations respecting the total expenditure of the proceeds of the portion of the Borrower Loan funded with proceeds of Note D have been accurately set forth in a certificate of the Borrower delivered to the Governmental Lender on the Note D Closing Date. At all times, the aggregate disbursements of the proceeds of the portion of the Borrower Loan funded with proceeds of the Tax-Exempt Notes will have been applied to pay or to reimburse the Borrower for the payment of Qualified Project Costs in an amount equal to ninety-five percent (95%) or more of such disbursements, and less than twenty-five percent (25%) of such disbursements shall have been used to pay for the acquisition of land or an interest therein.

(h) The Borrower will not take or omit to take, as is applicable, any action if such action or omission would in any way cause the proceeds from the Borrower Loan to be applied in a manner contrary to the requirements of the Borrower Loan Agreement, this Regulatory Agreement, the Other Regulatory Agreement, the Act or the Code.

(i) On or as soon as practicable after the Completion Date of the Projects, the Borrower will submit to the Governmental Lender (with a copy to the Bank) a duly executed and completed Completion Certificate. Only one Completion Certificate shall

be prepared and filed with respect to this requirement and Section 2(i) of the Other Regulatory Agreement.

(j) The Borrower acknowledges that the Governmental Lender may appoint an Administrator other than the Governmental Lender to administer this Regulatory Agreement and to monitor performance by the Borrower of the terms, provisions and requirements hereof. In such event, the Borrower shall comply with any reasonable request by the Governmental Lender or the Administrator to deliver to any such Administrator, in addition to or instead of the Governmental Lender, any reports, notices or other documents required to be delivered pursuant hereto, and to make the Project and the books and records with respect thereto available for inspection by the Administrator as an agent of the Governmental Lender.

(k) Within thirty (30) days after the date on which fifty percent (50%) of the dwelling units in the Project and in the Other Project are first occupied, the Borrower will submit to the Governmental Lender and the Bank, and will cause to be recorded in the County Recorder's office, a duly executed and completed Certificate as to Commencement of Qualified Project Period in the form of Exhibit D hereto.

(l) Money on deposit in any fund or account in connection with the Borrower Loan or the Funding Loan Notes, whether or not such money was derived from other sources, shall not be used by or under the direction of the Borrower, in a manner which would cause the Tax-Exempt Notes to be "arbitrage bonds" within the meaning of Section 148 of the Code, and the Borrower specifically agrees that the investment of money in any such fund shall be restricted as may be necessary to prevent the Tax-Exempt Notes from being "arbitrage bonds" under the Code.

(m) All of the proceeds of the Funding Loan and earnings from the investment of such proceeds will be used to pay costs of the Projects; and no more than two percent (2%) of the proceeds of the Borrower Loan will be used to pay costs associated with the issuance, execution and delivery of the Funding Loan Notes.

(n) No portion of the proceeds of the portion of the Borrower Loan shall be used to provide any airplane, skybox or other private luxury box, health club facility, facility primarily used for gambling, or store the principal business of which is the sale of alcoholic beverages for consumption off premises. No portion of the proceeds of the Borrower Loan shall be used for an office unless the office is located on the premises of the facilities constituting the Project or the Other Project and unless not more than a de minimis amount of the functions to be performed at such office is not related to the day-to-day operations of the Project or the Other Project.

(o) The Borrower hereby incorporates herein, as if set forth in full herein, each of the representations, covenants and warranties of the Borrower contained in the Tax Certificate and the Note D Tax Certificate.

(p) The Borrower shall comply with all applicable requirements of Section 65863.10 of the California Government Code, including the requirements for providing

notices in Sections (b), (c), (d) and (e) thereof, and with all applicable requirements of Section 65863.11 of the California Government Code.

(q) The Borrower acknowledges, represents and warrants that it understands the nature and structure of the transactions contemplated by this Regulatory Agreement and the Other Regulatory Agreement; that it is familiar with the provisions of all of the documents and instruments relating to the Funding Loan Notes and the Borrower Loan Documents to which it is a party or of which it is a beneficiary; that it understands the financial and legal risks inherent in such transactions; and that it has not relied on the Governmental Lender for any guidance or expertise in analyzing the financial or other consequences of such financing transactions or otherwise relied on the Governmental Lender in any manner except to issue the Funding Loan Notes in order to provide funds to assist the Borrower in acquiring and constructing the Projects.

(r) Notwithstanding the provisions of clause 2(c)(ix) of Exhibit C to the Borrower Loan Agreement, and in addition thereto, the Borrower agrees to obtain a written report from an independent firm with experience in calculating excess investment earnings for purposes of Section 148(f) of the Code, not less than once on or about each five year anniversary of the Closing Date and within thirty (30) days of the date the Tax-Exempt Notes have been paid in full, determining that either (i) no excess investment earnings subject to rebate to the federal government under Section 148(f) of the Code have arisen with respect to the Tax-Exempt Notes in the prior five-year period (or, with respect to the final such report following the repayment of the Tax-Exempt Notes, have arisen since the last five-year report); or (ii) excess investment earnings have so arisen during the prior five-year period (or, with respect to the final such report following the repayment of the Tax-Exempt Notes, have arisen since the last five-year report), and specifying the amount thereof that needs to be rebated to the federal government and the date by which such amount needs to be so rebated. The Borrower shall provide a copy of each report prepared in accordance with the preceding sentence to the Governmental Lender, each time within one week of its receipt of the same from the independent firm that prepared the respective report.

Section 3. Qualified Residential Rental Project. The Borrower hereby acknowledges and agrees that the Project is to be constructed, owned, managed and operated as a “qualified residential rental project” (within the meaning of Section 142(d) of the Code) for a term equal to the Compliance Period. To that end, and for the term of this Regulatory Agreement, the Borrower hereby represents, covenants, warrants and agrees as follows:

(a) The Project will be acquired, constructed and operated for the purpose of providing multifamily residential rental property. The Borrower will construct, own, manage and operate the Project as a project to provide multifamily residential rental property comprised of a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities, in accordance with Section 142(d) of the Code, Section 1.103-8(b) of the Regulations and the provisions of the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time.

(b) All of the dwelling units in the Project are and will be similarly constructed units, and each dwelling unit in the Project contains complete, separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a household, including a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range, refrigerator and sink.

(c) None of the dwelling units in the Project will at any time be utilized on a transient basis and the Borrower will not rent any of the units for a period of less than thirty (30) consecutive days, and none of the dwelling units in the Project will at any time be leased or rented for use as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, nursing home, hospital, sanitarium, rest home or trailer court or park.

(d) No part of the Project will at any time during the Compliance Period be owned by a cooperative housing corporation, nor shall the Borrower take any steps in connection with a conversion to such ownership or use, and the Borrower will not take any steps in connection with a conversion of the Project to condominium ownership during the Compliance Period (except that the Borrower may obtain final map approval and the Final Subdivision Public Report from the California Bureau of Real Estate and may file a condominium plan with the City of Walnut Creek).

(e) All of the dwelling units in the Project will be available for rental during the Compliance Period on a continuous basis to members of the general public, on a first-come first-served basis, and the Borrower will not give preference to any particular class or group in renting the dwelling units in the Project, except (i) not more than one unit may be set aside for a resident manager or other administrative use, (ii) to the extent that dwelling units are required to be leased or rented to Low Income Tenants hereunder, and (iii) to the extent units in the Project are required to be leased pursuant to the Extended Use Agreement, the City Restrictions, the County Restrictions, the Infill Restrictions, the AHSC Grant Restrictions, the AHSC Permanent Loan Restrictions, the HAP Contract and the Tax Credit Allocation Documents, as such terms are defined in the Borrow Loan Agreement.

(f) The Project site consists of a parcel or parcels that are contiguous except for the interposition of a road, street or stream, and all of the facilities of the Project comprise a single geographically and functionally integrated project for residential rental property, as evidenced by the ownership, management, accounting and operation of the Project.

(g) The Borrower shall not discriminate on the basis of race, creed, color, sex, source of income (e.g. AFDC, SSI), physical disability, age (except as may be required under any of the documents described in Section 3(e)(iii)), national origin or marital status in the rental, lease, use or occupancy of the Project or in connection with the employment or application for employment of persons for the operation and management of the Project.

(h) No dwelling unit in the Project shall be occupied by the Borrower. Notwithstanding the foregoing, if the Project contains five or more dwelling units, this subsection shall not be construed to prohibit occupancy of dwelling units by one or more resident managers or maintenance personnel any of whom may be the Borrower; provided that the number of such managers or maintenance personnel is not unreasonable given industry standards in the area for the number of dwelling units in the Project.

(i) The Borrower will not sell dwelling units within the Project.

(j) In accordance with Section 147(b) of the Code, the average maturity of the Tax-Exempt Notes does not exceed 120% of the average reasonably expected remaining economic life of the facilities being financed by the Tax-Exempt Notes.

(k) Should involuntary noncompliance with the provisions of Section 1.103-8(b) of the Regulations be caused by fire, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, change in a federal law or an action of a federal agency after the Closing Date which prevents the Governmental Lender from enforcing the requirements of the applicable Regulations, or condemnation or similar event, the Borrower covenants that, within a "reasonable period" determined in accordance with the applicable Regulations, it will either prepay the Borrower Loan or, if permitted under the provisions of the Borrower Loan Agreement, apply any proceeds received as a result of any of the preceding events to reconstruct the Project to meet the requirements of Section 142(d) of the Code and the applicable Regulations.

The Governmental Lender hereby elects to have each of the Projects meet the requirements of Section 142(d)(1)(B) of the Code.

Section 4. Low Income Tenants; Reporting Requirements. Pursuant to the requirements of the Code, the Borrower hereby represents, warrants and covenants as follows:

(a) During the Compliance Period, not less than forty percent (40%) of the units in the Project, and not less than forty percent (40%) of the units in the Other Project, will be occupied by, or held vacant and available for occupancy by, Low Income Tenants. For the purposes of this paragraph (a), a vacant unit which was most recently occupied by a Low Income Tenant is treated as rented and occupied by a Low Income Tenant until reoccupied, other than for a temporary period of not more than 31 days, at which time the character of such unit shall be redetermined.

(b) No tenant qualifying as a Low Income Tenant shall be denied continued occupancy of a unit in the Project or in the Other Project because, after admission, such tenant's Adjusted Income increases to exceed the qualifying limit for Low Income Tenants. However, should a Low Income Tenant's Adjusted Income, as of the most recent determination thereof, exceed one hundred forty percent (140%) of the applicable income limit for a Low Income Tenant of the same household size, the next available unit of comparable or smaller size in the same building (within the meaning of Section 42 of the Code) must be rented to (or held vacant and available for immediate occupancy

by) a Low Income Tenant. Until such next available unit is rented to a Low Income Tenant, the former Low Income Tenant who has ceased to qualify as such shall be deemed to continue to be a Low Income Tenant for purposes of the Low Income Unit requirements of Section 4(a) hereof (but shall not be so deemed to continue to be a Low Income Tenant upon the rental of an available unit of comparable or smaller size to a tenant who is not a Low Income Tenant).

(c) For the Compliance Period, the Borrower will obtain, complete, and maintain on file Verification of Income certifications for each Low Income Tenant, including (i) a Verification of Income dated immediately prior to the initial occupancy of such Low Income Tenant in the Project or in the Other Project, and (ii) thereafter, an annual Verification of Income with respect to each Low Income Tenant within thirty days before or after the anniversary of such tenant's initial occupancy of a unit in the Project or in the Other Project. In lieu of obtaining an annual Verification of Income, the Borrower may, with respect to any particular twelve-month period ending June 1 of each year, deliver to the Administrator no later than fifteen (15) days after such date, a certification that as of the respective June 1, no Low Income Unit in the Project or in the Other Project was occupied within the preceding twelve (12) months by a new resident whose income exceeded the limit applicable to Low Income Tenants upon admission to the Project or the Other Project. The Administrator may at any time and in its sole and absolute discretion notify the Borrower in writing that it will no longer accept certifications of the Borrower made pursuant to the preceding sentence and that the Borrower will thereafter be required to obtain annual Verifications of Income for tenants.

The Borrower also will provide such additional information as may be required in the future by the State of California, by the Governmental Lender, by CDLAC and by the Code, as the same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures, Regulations or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to Tax-Exempt obligations. Upon request of the Administrator or the Governmental Lender, copies of Verification of Income for Low Income Tenants commencing or continuing occupation of a Low Income Unit shall be submitted to the Administrator or the Governmental Lender, as requested.

The Borrower shall make a good faith effort to verify that the income information provided by an applicant in a Verification of Income is accurate by taking one or more of the following steps as a part of the verification process: (1) obtain a pay stub for the most recent pay period, (2) obtain an income tax return for the most recent tax year, (3) obtain a credit report or conduct a similar type credit search, (4) obtain an income verification from the applicant's current employer, (5) obtain an income verification from the Social Security Administration and/or the California Department of Social Services if the applicant receives assistance from either of such agencies, or (6) if the applicant is unemployed and does not have an income tax return, obtain another form of independent verification reasonably acceptable to the Administrator.

(d) The Borrower will maintain complete and accurate records pertaining to the Low Income Units and will permit any duly authorized representative of the Governmental Lender, the Administrator, the Bank, the Department of the Treasury or the Internal Revenue Service to inspect the books and records of the Borrower pertaining to the Project and the Other Project, including those records pertaining to the occupancy of the Low Income Units.

(e) The Borrower will prepare and submit to the Administrator, not less than semiannually commencing not less than six months after the Closing Date, during the Compliance Period rent rolls and other information required by the FOCUS Program as applicable to the Project and the Other Project. The Borrower will also prepare and submit to the Administrator, not less than semiannually commencing not less than six months after the Closing Date, during the Compliance Period to the Administrator (with a copy to the Bank), a Certificate of Continuing Program Compliance executed by the Borrower stating (i) the percentage of the aggregate of the dwelling units in the Project and in the Other Project which were occupied or deemed occupied, pursuant to subsection (a) hereof, by Low Income Tenants during the preceding applicable quarterly period; and (ii) that either (A) no unremedied default has occurred under this Regulatory Agreement or the Other Regulatory Agreement, or (B) a default has occurred, in which event the certificate shall describe the nature of the default in detail and set forth the measures being taken by the Borrower to remedy such default.

During the Qualified Project Period, the Borrower shall submit a completed Internal Revenue Code Form 8703 or such other annual certification as required by the Code with respect to the Project and the Other Project, to the Secretary of the Treasury on or before March 31 of each year (or such other date as may be required by the Code).

(f) For the Compliance Period, all tenant leases or rental agreements shall be subordinate to this Regulatory Agreement. All leases pertaining to Low Income Units shall contain clauses, among others, wherein each tenant who occupies a Low Income Unit: (i) certifies the accuracy of the statements made in the Verification of Income; (ii) agrees that the household income and other eligibility requirements shall be deemed substantial and material obligations of the tenancy of such tenant, that such tenant will comply promptly with all requests for information with respect thereto from the Borrower, the Bank or the Administrator on behalf of the Governmental Lender, and that the failure to provide accurate information in the Verification of Income or refusal to comply with a request for information with respect thereto shall be deemed a violation of a substantial obligation of the tenancy of such tenant; (iii) acknowledges that the Borrower has relied on the Verification of Income and supporting information supplied by the Low Income Tenant in determining qualification for occupancy of the Low Income Unit and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease or rental agreement; and (iv) agrees that the tenant's income is subject to annual certification in accordance with Section 4(c) hereof and that if upon any such certification such tenant's Adjusted Income exceeds the applicable Low Income Tenant income limit under Section 4(b), such tenant may cease to qualify as a Low Income Tenant, and such tenant's rent is subject to increase.

For purposes of this Section 4, no unit occupied by a residential manager shall be treated as a rental unit during the time of such occupation.

Section 4A. Additional Requirements of the Governmental Lender. In addition to the requirements set forth elsewhere in this Regulatory Agreement and to the extent not prohibited by the requirements set forth in Sections 4, 5 and 6 hereof, the Borrower hereby agrees to comply with each of the requirements of the Governmental Lender set forth in this Section 4A, as follows:

(a) All tenant lists, applications and waiting lists relating to the Project shall at all times be kept separate and identifiable from any other business of the Borrower and shall be maintained as required by the Governmental Lender, in a reasonable condition for proper audit and subject to examination upon reasonable notice (which need not be in excess of three Business Days, as defined in the Funding Loan Agreement) and during business hours by representatives of the Governmental Lender.

(b) The Borrower shall not discriminate on the basis of race, creed, color, religion, sex, sexual orientation, marital status, national origin, source of income (e.g. AFDC and SSI), ancestry or handicap in the lease, use or occupancy of the Project (except as required to comply with Section 3(e)(iii)), or in connection with the employment or application for employment of persons for the construction, operation, or management of the Project.

(c) The Borrower shall not, at initial occupancy, permit occupancy in any unit in the Project by more than (i) two persons per bedroom in the unit, plus (ii) one person; and the Borrower shall at all times offer for rent the largest unit then available for the applicable household size (being one bedroom units for 2-3 person households, and two bedroom units for 4-5 person households). The foregoing, however, shall not apply to three units in the Project occupied by resident managers.

(d) The Borrower shall pay directly to the Governmental Lender (i) on the Closing Date the applicable Governmental Lender Issuance Fee and the Governmental Lender Annual Fee for the period from the Closing Date to but not including September 1, 2017, (ii) on the Note D Closing Date the applicable Governmental Lender Issuance Fee, and (iii) on each September 1, on and after September 1, 2017, during the Compliance Period, the Governmental Lender Annual Fee; without in either case any requirement for notice or billing of the amount due. Notwithstanding the foregoing, only one of each of the applicable Governmental Lender Issuance Fees, and annually only one Governmental Lender Annual Fee, shall be payable under this Regulatory Agreement and the Other Regulatory Agreement.

In addition to the foregoing, the Borrower shall pay to the Governmental Lender promptly following receipt of an invoice that reasonably identifies the relevant expenses and the amounts thereof, any out of pocket expenses incurred by the Governmental Lender in connection with the Funding Loan Notes, the Funding Loan Agreement, this

Regulatory Agreement, the Other Regulatory Agreement or the Borrower Loan Agreement, including but not limited to any costs related to the FOCUS Program.

(e) The rent limits set forth in Sections 6(b) and 6(f) shall apply to all Low Income Units. In addition, the rental payments paid by Low Income Tenants for the Low Income Units shall not exceed Affordable Rents.

(f) The Borrower will accept as tenants, on the same basis as all other prospective tenants, persons who are recipients of federal certificates for rent subsidies pursuant to the existing program under Section 8 of the Housing Law, or its successor. The Borrower shall not apply selection criteria to Section 8 certificate or voucher holders that is more burdensome than criteria applied to all other prospective tenants, nor shall the Borrower apply or permit the application of management policies or lease provisions with respect to the Project which have the effect of precluding occupancy of units by such prospective tenants.

(g) The Borrower shall submit to the Governmental Lender: (i) rent rolls and other information required by the FOCUS Program on a quarterly basis, and (ii) within fifteen (15) days after receipt of a written request, any other information or completed forms requested by the Governmental Lender in order to comply with reporting requirements of the Internal Revenue Service or the State.

(h) The Borrower shall pay to the Governmental Lender, to the extent not paid pursuant to the Borrower Loan Agreement or the Funding Loan Agreement, all of the amounts required by Section 2(b) of Exhibit C to (and otherwise under) the Borrower Loan Agreement and shall indemnify the Governmental Lender as provided in Section 9 hereof.

(i) The Governmental Lender may, at its option and at its expense, at any time appoint an Administrator to administer this Regulatory Agreement or any provision hereof and to monitor performance by the Borrower of all or of any of the terms, provisions and requirements hereof. Following any such appointment, the Borrower shall comply with any request by the Governmental Lender to deliver to such Administrator, in addition to or instead of the Governmental Lender, any reports, notices or other documents required to be delivered pursuant hereto, and to make the Project and the books and records with respect thereto available for inspection by such administrator as an agent of the Governmental Lender.

(j) The Borrower shall submit its written management policies with respect to the Project, if any, to the Governmental Lender for its review, and shall amend such policies in any way necessary to insure that such policies comply with the provisions of this Regulatory Agreement and the requirements of the existing program under Section 8 of the Housing Law, or its successors. The Borrower shall not promulgate management policies which conflict with the provisions of the addendum to the form of lease for the Project prepared by the Housing Authority of Contra Costa County, and shall attach such addendum to leases for tenants which are holders of Section 8 certificates.

(k) The Borrower shall screen and select tenants for desirability and creditworthiness at its discretion; provided, however, that the Borrower shall consider a prospective tenant's rent history for at least the one year period prior to application as evidence of the tenant's ability to pay the applicable rent.

(l) At least six months prior to the expiration of the Qualified Project Period the Borrower shall provide by first-class mail, postage prepaid, a notice to all tenants in the Low Income Units containing (i) the anticipated date of the expiration of the Qualified Project Period, (ii) any anticipated rent increase upon the expiration of the Qualified Project Period, (iii) a statement that a copy of such notice will be sent to the Governmental Lender, and (iv) a statement that a public hearing may be held by the Governmental Lender on the issue and that the tenant will receive notice of the hearing at least fifteen (15) days in advance of any such hearing. The Borrower shall also file a copy of the above-described notice with the Community Development Bond Program Manager of the Department of Conservation and Development of the Governmental Lender.

(m) Notwithstanding Section 1461 of the Civil Code, the provisions of this Section shall run with land and may be enforced either in law or in equity by any resident, local agency, entity, or by any other person adversely affected by the Borrower's failure to comply with the provisions of this Section.

(n) The Borrower shall not participate in any refunding of any of the Funding Loan Notes or the Funding Loan by means of the issuance of bonds or other obligations by any governmental body other than the Governmental Lender.

(o) Each of the requirements of Sections 3, 4, 6 and 7 hereof is hereby incorporated as a specific requirement of the Governmental Lender, whether or not required by California or federal law.

(p) The requirements of Section 6 and this Section 4A shall be in effect for the Qualified Project Period.

Any of the foregoing requirements of the Governmental Lender contained in this Section 4A may be expressly waived by the Governmental Lender in writing, but (i) no waiver by the Governmental Lender of any requirement of this Section 4A shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement except to the extent the Governmental Lender has received an opinion of Tax Counsel that any such provision is not required by the Act and may be waived without adversely affecting the exclusion from gross income of interest on the Tax-Exempt Notes for federal income tax purposes; and (ii) any requirement of this Section 4A shall be void and of no force and effect if the Governmental Lender and the Borrower receive a written opinion of Tax Counsel to the effect that compliance with any such requirement would cause interest on the Tax-Exempt Notes to cease to be Tax-Exempt or to the effect that compliance with such requirement would be in conflict with the Act or any other State or federal law.

Section 5. Tax-Exempt Status of the Tax-Exempt Notes. The Borrower and the Governmental Lender, as applicable, each hereby represents, warrants and agrees as follows:

(a) The Borrower and the Governmental Lender will not knowingly take or permit, or omit to take or cause to be taken, as is appropriate, any action that would adversely affect the Tax-Exempt nature of the interest on the Tax-Exempt Notes and, if either of them should take or permit, or omit to take or cause to be taken, any such action, it will take all lawful actions necessary to rescind or correct such actions or omissions promptly upon obtaining knowledge thereof.

(b) The Borrower and the Governmental Lender will file of record such documents and take such other steps as are necessary, in the written opinion of Tax Counsel filed with the Borrower, the Governmental Lender and the Bank, in order to insure that the requirements and restrictions of this Regulatory Agreement will be binding upon all owners of the Project, and the requirements and restrictions of the Other Regulatory Agreement will be binding upon all owners of the Other Project, including, but not limited to, the execution and recordation of this Regulatory Agreement in the real property records of the County.

Section 6. Additional Requirements of the Act. In addition to the requirements set forth elsewhere in this Regulatory Agreement, so long as any of the Funding Loan Notes are outstanding the Borrower hereby agrees to comply with each of the requirements of the Act applicable to the Project. Without limiting the foregoing, the Borrower agrees as follows:

(a) As provided in Section 52080(a)(1)(B) of the Act, forty percent (40%) or more of the aggregate of the completed residential units in the Project shall be occupied by, or held vacant and available for occupancy by, lower income tenants within the meaning of Section 52080(a)(1) of the Act (it being acknowledged that units required to be set aside for Low Income Tenants pursuant to Section 4(a) may be counted for purposes of satisfying the requirements of this Section 6(a) if the related Low Income Tenants otherwise satisfy the requirements of this Section 6(a)).

(b) The rental payments paid by the occupants of the units described in paragraph (a) of this Section (excluding any supplemental rental assistance from the state, the federal government, or any other public agency to those occupants or on behalf of those units) shall not exceed thirty percent of sixty percent (60%) of area median income.

(c) The Borrower shall accept as tenants, on the same basis as all other prospective tenants, Low Income Tenants who are recipients of federal certificates or vouchers for rent subsidies pursuant to the existing program under Section 8 of the Housing Law. The selection criteria applied to certificate holders under Section 8 of the Housing Law shall not be more burdensome than the criteria applied to all other prospective tenants.

(d) The Borrower shall ensure that units occupied as required by paragraph (a) of this Section are of comparable quality and offer a range of sizes and number of bedrooms comparable to those units which are available to other tenants.

(e) As provided in Section 52080(e) of the Act, the Project may be syndicated after prior written approval of the Governmental Lender. The Governmental Lender shall grant that approval only after it determines that the terms and conditions of the syndication (1) shall not reduce or limit any of the requirements of the Act or regulations adopted or documents executed pursuant to the Act, (2) shall not cause any of the requirements in this Agreement to be subordinated to the syndication agreement, or (3) shall not result in the provision of fewer assisted units, or the reduction of any benefits or services, than were in existence prior to the syndication agreement. The Governmental Lender hereby acknowledges that this Section 6(e) does not apply to the syndication of federal tax credits for the Project as contemplated by the Borrower's partnership agreement.

(f) Following the expiration or termination of the Qualified Project Period, except in the event of foreclosure and payment in full of the Funding Loan Notes, deed in lieu of foreclosure, eminent domain, or action of a federal agency preventing enforcement, units required to be reserved for occupancy pursuant to Section 6(a) shall remain available to any eligible household occupying a reserved unit at the date of such expiration or termination, at a rent not greater than the amount required by Section 6(b), until the earliest of any of the following occur:

(1) The household's income exceeds one hundred-forty percent (140%) of the maximum eligible income specified in Section 6(a).

(2) The household voluntarily moves or is evicted for "good cause." "Good cause" for the purposes of this section means the nonpayment of rent or allegation of facts necessary to prove major, or repeated minor, violations of material provisions of the occupancy agreement which detrimentally affect the health, safety, occupancy or quiet enjoyment of other persons or the structure, the fiscal integrity of the Project, or the purposes or special programs of the Project.

(3) Thirty years after the date of commencement of the Qualified Project Period.

(4) The Borrower pays the relocation assistance and benefits to tenants as provided in subdivision (b) of Section 7264 of the Government Code.

(g) Except in the event of foreclosure and prepayment in full of the Funding Loan Notes, deed in lieu of foreclosure, eminent domain, or action of a federal agency preventing enforcement, during the three years prior to expiration of the Qualified Project Period, the Borrower shall continue to make available to eligible households reserved units that have been vacated to the same extent that nonreserved units are made available to noneligible households.

(h) This Section shall not be construed to require the Governmental Lender to monitor the Borrower's compliance with the provisions of paragraph (f), or that the Governmental Lender shall have any liability whatsoever in the event of the failure by the Borrower to comply with any of the provisions of this Agreement.

(i) The covenants and conditions of this Regulatory Agreement shall be binding upon successors in interest of the Borrower.

(j) This Regulatory Agreement shall be recorded in the office of the county recorder of the County, and shall be recorded in the grantor-grantee index to the names of the Borrower as grantor and to the name of the Governmental Lender as grantee.

Section 7. CDLAC Requirements. In addition to other requirements set forth herein and to the extent not prohibited by the requirements set forth in Sections 4, 4A, 5 and 6 hereof, the Borrower hereby agrees to comply with each of the requirements of CDLAC set forth in this Section 7, as follows:

(a) The Borrower shall comply with the CDLAC Resolutions attached hereto as Exhibits G and H and the CDLAC Conditions set forth in Exhibits A thereto (collectively, the "CDLAC Conditions"), which conditions are incorporated herein by reference and made a part hereof. The Borrower will prepare and submit to the Governmental Lender, not later than February 1 of each year, until the Projects are completed, and on February 1 every three years thereafter until the end of the Compliance Period, a Certificate of Compliance 11 for Qualified Residential Rental Projects, in substantially the form required or otherwise provided by CDLAC from time to time, executed by an authorized representative of the Borrower. Such Certificate of Compliance 11 for Qualified Residential Rental Projects shall be prepared pursuant to the terms of the CDLAC Conditions. Additionally, the Borrower will prepare and submit to the Governmental Lender, a Certificate of Completion, in substantially the form required or otherwise provided by CDLAC from time to time, executed by an authorized representative of the Borrower certifying among other things to the substantial completion of the construction of the Project. Compliance with the terms of the CDLAC Conditions not contained within this Regulatory Agreement, but referred to in the CDLAC Conditions are the responsibility of the Borrower to report to the Governmental Lender.

(b) The Borrower acknowledges that the Governmental Lender and the Administrator will monitor or cause to be monitored the Borrower's compliance with the terms of the CDLAC Conditions. The Borrower acknowledges that the Governmental Lender will prepare and submit to CDLAC, not later than March 1 of each year until the construction of the Projects are completed, and on March 1 of every three years thereafter until the end of the Compliance Period, a Self-Certification Certificate in the form provided by CDLAC. The Borrower will cooperate fully with the Governmental Lender in connection with such monitoring and reporting requirements.

(c) Except as otherwise provided in Section 13 of this Regulatory Agreement, this Regulatory Agreement shall terminate on the date 55 years after the date on which at least fifty percent (50%) of the units in the Projects are first occupied or otherwise after the commencement of the Qualified Project Period.

(d) The Borrower shall notify CDLAC in writing of: (i) any change in ownership of the Project, (ii) any change in the Governmental Lender, (iii) any change in the name of the Project or the Manager; (iv) any material default under the Funding Loan Agreement, the Borrower Loan Agreement or this Regulatory Agreement, including, but not limited to, such defaults associated with the Tax-Exempt status of the Tax-Exempt Notes, and the income and rental requirements as provided in Sections 4 and 6 hereof and the CDLAC Conditions; or (v) termination of this Regulatory Agreement.

(e) CDLAC shall have the right, but not the obligation, to deliver revised CDLAC Conditions to the Borrower after the Note D Closing Date at any time that are not more restrictive than the original CDLAC conditions; provided however, that, with the prior written consent of the Bank, which will not be unreasonably withheld: (i) any changes in the terms and conditions of the CDLAC Conditions prior to the recordation against the Project in the real property records of the County of a regulatory agreement between Owner and the California Tax Credit Allocation Committee ("TCAC Regulatory Agreement") shall be limited to such changes as are necessary to correct any factual errors or to otherwise conform the CDLAC Conditions to any change in facts or circumstances applicable to the Borrower or the Project; and (ii) after recordation of the TCAC Regulatory Agreement, any changes in the terms and conditions of the CDLAC Conditions shall be limited to such changes as are necessary to conform Items 1, 6, 7, 10, 11, 12, 14, 15, 16, 18, 19, 20, 21, 22, 23, 24, 25, 26 and/or 37 of Exhibit A to the CDLAC Conditions as specified in CDLAC Resolution No. 17-\_\_\_\_, to any change in such terms and conditions requested by Borrower and approved by CDLAC. The Borrower shall record or cause to be recorded in the real property records of the County an amendment to this Regulatory Agreement containing such revised CDLAC Conditions, executed by the parties hereto or their successor in title and pay any expenses in connection therewith. The Borrower shall provide CDLAC with a copy of that recorded amendment reflecting the revised CDLAC Conditions.

Any of the foregoing requirements of the CDLAC contained in this Section 29 may be expressly waived by CDLAC, in its sole discretion, in writing, but (i) no waiver by CDLAC of any requirement of this Section 7 shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement except to the extent the Governmental Lender has received an opinion of Tax Counsel that any such provision is not required by the Act or the Code and may be waived without adversely affecting the exclusion from gross income of interest on the Tax-Exempt Notes for federal income tax purposes; and (ii) any requirement of this Section 7 shall be void and of no force and effect if the Governmental Lender and the Borrower receive a written opinion of Tax Counsel to the effect that compliance with any such

requirement would cause interest on the Tax-Exempt Notes to cease to be Tax-Exempt or to the effect that compliance with such requirement would be in conflict with the Act, the Code or any other State or federal law.

Section 8. Modification of Covenants. The Borrower and the Governmental Lender hereby agree as follows:

(a) To the extent any amendments to the Act, the CDLAC Conditions, the Regulations or the Code shall, in the written opinion of Tax Counsel filed with the Governmental Lender, the Bank and the Borrower, impose requirements upon the ownership or operation of the Project or of the Other Project more restrictive than those imposed by this Regulatory Agreement, and if such requirements are applicable to the Project, this Regulatory Agreement shall be deemed to be automatically amended to impose such additional or more restrictive requirements.

(b) To the extent that the Act, the CDLAC Conditions, the Regulations or the Code, or any amendments thereto, shall, in the written opinion of Tax Counsel filed with the Governmental Lender, the Bank and the Borrower, impose requirements upon the ownership or operation of the Project or of the Other Project less restrictive than imposed by this Regulatory Agreement, this Regulatory Agreement may be amended or modified to provide such less restrictive requirements, but only by written amendment signed by the Governmental Lender, in its sole discretion, and the Borrower, and only upon receipt by the Governmental Lender of the written opinion of Tax Counsel to the effect that such amendment will not affect the Tax-Exempt status of interest on the Tax-Exempt Notes or violate the requirements of the Act, and is otherwise in accordance with Section 22 hereof. In no event, however, shall any amendment to Section 31 adversely affect the interests of the City of Walnut Creek without the prior written consent of the City of Walnut Creek.

(c) The Borrower and the Governmental Lender shall execute, deliver and, if applicable, file of record any and all documents and instruments necessary to effectuate the intent of this Section 8, and each of the Borrower and the Governmental Lender hereby appoints the Bank as its true and lawful attorney-in-fact to execute, deliver and, if applicable, file of record on behalf of the Borrower or the Governmental Lender, as is applicable, any such document or instrument (in such form as may be approved by Tax Counsel, as evidenced by receipt of the opinion required by paragraph (b) above) if either the Borrower or the Governmental Lender defaults in the performance of its obligations under this subsection (c); provided, however, that unless directed in writing by the Governmental Lender or the Borrower, the Bank shall take no action under this subsection (c) without first notifying the Borrower or the Governmental Lender, or both of them, as is applicable, and without first providing the Borrower or the Governmental Lender, or both, as is applicable, an opportunity to comply with the requirements of this Section 8. Nothing in this subsection (c) shall be construed to allow the Bank to execute an amendment to this Regulatory Agreement on behalf of the Governmental Lender.

Notwithstanding any other provision of this Regulatory Agreement, whenever an opinion of Tax Counsel is required or requested to be delivered hereunder after the Closing Date, the Bank, the Governmental Lender and the Borrower shall accept (unless otherwise directed in writing by the Governmental Lender) an opinion of Tax Counsel in such form and with such disclaimers as may be required so that such opinion will not be treated as a “covered opinion” for purposes of the Treasury Department regulations governing practice before the Internal Revenue Service (Circular 230), 31 CFR Part 10.

#### Section 9. Indemnification.

(a) To the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Governmental Lender, the Bank, the Administrator and each of their respective past, present and future officers, members of the Governmental Lender’s Board of Supervisors, directors, officials, employees and agents (collectively, the “Indemnified Parties”), against any and all losses, damages, claims, actions, liabilities, costs and expenses of any conceivable nature, kind or character (including, without limitation, reasonable attorneys’ fees, litigation and court costs, amounts paid in settlement and amounts paid to discharge judgments) to which the Indemnified Parties, or any of them, may become subject under any statutory law (including federal or state securities laws) or at common law or otherwise, arising out of or based upon or in any way relating to:

(i) the Funding Loan Notes, the Funding Loan Agreement, the Funding Loan, the Borrower Loan Agreement, the Borrower Loan, this Regulatory Agreement, the Other Regulatory Agreement or the execution or amendment hereof or thereof or in connection with transactions contemplated hereby or thereby, including the issuance, sale or resale of any of the Funding Loan Notes or any interest therein;

(ii) any act or omission of the Borrower or any of its agents, contractors, servants, employees, tenants or licensees in connection with the Project or the Other Project, the operation of the Project or the Other Project, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, installation or construction of, the Project or the Other Project or any part of either thereof;

(iii) any lien or charge upon payments by the Borrower to the Governmental Lender and the Bank hereunder or under the Borrower Loan Agreement, or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges imposed on the Governmental Lender in respect of any portion of the Project or the Other Project;

(iv) any violation of the provisions of Exhibit C to the Borrower Loan Agreement;

(v) the defeasance and/or prepayment, in whole or in part, of any of the Funding Loan Notes;

(vi) any untrue statement or misleading statement or alleged untrue statement or alleged misleading statement of a material fact contained in any offering statement or

disclosure or continuing disclosure document for any Funding Loan Note or any of the documents relating to any Funding Loan Note, or any omission or alleged omission from any offering statement or disclosure or continuing disclosure document for any of the Funding Loan Notes of any material fact necessary to be stated therein in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading;

(vii) any declaration of taxability of interest on either of the Tax-Exempt Notes, or allegations that interest on a Tax-Exempt Note is taxable or any regulatory audit or inquiry regarding whether interest on a Tax-Exempt Note is taxable; or

(viii) the Bank's administration of the Borrower Loan Documents, or the exercise or performance of any of its powers or duties thereunder or under any of the Funding Loan Documents;

except (A) in the case of the foregoing indemnification of the Bank or any of its respective officers, directors, officials, employees and agents, to the extent such damages are caused by the gross negligence or willful misconduct of an Indemnified Party; or (B) in the case of the foregoing indemnification of the Governmental Lender or any of its officers, members of its Board of Supervisors, officials, employees and agents, to the extent, with respect to any such Indemnified Party, such damages are caused by the willful misconduct of the respective Indemnified Party seeking indemnification. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from the Indemnified Party, shall assume the investigation and defense thereof, including the employment of counsel selected by the Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its sole discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and participate in the investigation and defense thereof, and the Borrower shall pay the reasonable fees and expenses of such separate counsel; provided, however, that such Indemnified Party may only employ separate counsel at the expense of the Borrower if in the judgment of such Indemnified Party a conflict of interest exists by reason of common representation or if all parties commonly represented do not agree as to the action (or inaction) of counsel.

(b) The rights of any persons to indemnity hereunder and rights to payment of fees and reimbursement of expenses pursuant to Section 4A(a), this Section 9 and Section 20 shall survive the final payment or defeasance of the Funding Loan Notes and in the case of the Bank any resignation or removal. The provisions of this Section shall survive the termination of this Regulatory Agreement.

(c) Nothing contained in this Section 9 shall cause the obligation of the Borrower to pay principal and interest on the Borrower Loan or amounts owing with respect to a Borrower Note to be a recourse obligation of the Borrower.

(d) The obligations of the Borrower under this Section are independent of any other contractual obligation of the Borrower to provide indemnity to the Governmental Lender or otherwise, and the obligation of the Borrower to provide indemnity hereunder shall not be interpreted, construed or limited in light of any other separate indemnification obligation of the Borrower. The Governmental Lender shall be entitled simultaneously to seek indemnity under this Section and any other provision under which it is entitled to indemnity.

Section 10. Consideration. The Governmental Lender has agreed to issue the Funding Loan Notes to provide funds to lend to the Borrower to finance the acquisition and construction of the Project and the Other Project, all for the purpose, among others, of inducing the Borrower to acquire, construct and operate the Project and the Other Project. In consideration of the issuance of the Funding Loan Notes by the Governmental Lender, the Borrower has entered into this Regulatory Agreement and the Other Regulatory Agreement, and has agreed to restrict the uses to which the Project and the Other Project can be put on the terms and conditions set forth herein and in the Other Regulatory Agreement.

Section 11. Reliance. The Governmental Lender and the Borrower hereby recognize and agree that the representations and covenants set forth herein and in the Other Regulatory Agreement may be relied upon by all persons interested in the legality and validity of the Funding Loan Notes, in the exemption from State personal income taxation of interest on the Funding Loan Notes and in the Tax-Exempt status of the interest on the Tax-Exempt Notes. In performing their duties and obligations hereunder, the Governmental Lender, the Bank and the Administrator may rely upon statements and certificates of the Low Income Tenants and upon audits of the books and records of the Borrower pertaining to the Project and the Other Project. In addition, the Governmental Lender, the Bank and the Administrator may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Governmental Lender, the Bank or the Administrator hereunder in good faith and in conformity with such opinion. In determining whether any default or lack of compliance by the Borrower exists under this Regulatory Agreement, the Governmental Lender shall not be required to conduct any investigation into or review of the operations or records of the Borrower and may rely solely on any written notice or certificate delivered to the Governmental Lender or the Bank by the Borrower with respect to the occurrence or absence of a default unless it knows that the notice or certificate is erroneous or misleading.

Section 12. Sale or Transfer of the Project. For the Compliance Period, the Borrower shall not, except as provided below and in accordance with the Borrower Loan Agreement and the Deed of Trust, Transfer the Project, in whole or in part, without the prior written consent of the Governmental Lender, which consent shall be given as promptly as practicable following: (A) the receipt by the Governmental Lender of evidence acceptable to the Governmental Lender that (1) the Borrower shall not be in default hereunder, under the Other Regulatory Agreement or under the Borrower Loan Agreement (which may be evidenced by a certificate of the Borrower) or the transferee undertakes to cure any defaults of the Borrower to the reasonable satisfaction of the Governmental Lender; (2) the continued operation of the Project shall comply with the provisions of this Regulatory Agreement; (3) either (a) the transferee or its property manager has at least three years' experience in the ownership, operation and management of

similar-sized rental housing projects, and at least one year's experience in the ownership, operation and management of rental housing projects containing below-market-rate units, without any record of material violations of discrimination restrictions or other state or federal laws or regulations or local government requirements applicable to such projects, or (b) the transferee agrees to retain a property management firm with the experience and record described in subclause (a) above, or (c) the transferring Borrower or its management company will continue to manage the Project for at least one year following such transfer and during such period will provide training to the transferee and its manager in the responsibilities relating to the Low Income Units; and (4) the person or entity which is to acquire the Project does not have pending against it, and does not have a history of, building code violations or significant and material complaints concerning the maintenance, upkeep, operation, and regulatory agreement compliance of any of its projects as identified by any local, state or federal regulatory agencies; (B) the execution by the transferee of any document requested by the Governmental Lender with respect to the assumption of the Borrower's obligations under this Regulatory Agreement, the Other Regulatory Agreement and the Borrower Loan Agreement, including without limitation an instrument of assumption hereof, and delivery to the Governmental Lender of an opinion of such transferee's counsel to the effect that each such document and this Regulatory Agreement are valid, binding and enforceable obligations of such purchaser or assignee; (C) receipt by the Governmental Lender of an opinion of Tax Counsel addressed to the Governmental Lender and the Bank to the effect that any such sale, transfer or other disposition will not adversely affect the Tax-Exempt status of interest on the Tax-Exempt Notes; (D) receipt by the Governmental Lender and Bank of all fees and/or expenses then currently due and payable to the Governmental Lender and Bank; (E) satisfaction of such other conditions or matters as are set forth in the Borrower Loan Agreement and the Deed of Trust; (F) the Other Project shall be transferred coterminously with the transfer of the Project, to the same transferee; (G) receipt by the Governmental Lender of evidence of satisfaction of compliance with the provisions of Section 7(d)(i) related to notice to CDLAC of transfer of the Project; and (H) such other conditions are met as the Governmental Lender may reasonably impose. The Governmental Lender hereby consents to a Transfer of the Project by the Borrower to its general partner or its affiliate, if the Governmental Lender receives the documents listed in the preceding sentence.

It is hereby expressly stipulated and agreed that any Transfer of the Project in violation of this Section 12 shall be null, void and without effect, shall cause a reversion of title to the Borrower, and shall be ineffective to relieve the Borrower of its obligations under this Regulatory Agreement. The written consent of the Governmental Lender to any Transfer of the Project shall constitute conclusive evidence that the Transfer is not in violation of this Section 12. Nothing in this Section shall affect any provision of any other document or instrument between the Borrower and any other party which requires the Borrower to obtain the prior written consent of such other party in order to Transfer the Project. Upon any Transfer which complies with this Regulatory Agreement, the Borrower shall be fully and automatically released from its obligations hereunder to the extent such obligations have been assumed by the transferee of the Project. Any Transfer of the Project to any entity, whether or not affiliated with the Borrower, shall be subject to the provisions of this Section 12, except that no consent of the Governmental Lender shall be required in the case of any Transfer of the Project to a general partner of the Borrower or an affiliate of a general partner of the Borrower if any applicable conditions set forth in the Borrower Loan Agreement and any conditions set forth in the Deed

of Trust are satisfied and, in any event, the Borrower notifies the Governmental Lender in writing of any such transfer.

Notwithstanding anything contained in this Section 12 to the contrary, neither the consent of the Governmental Lender nor the delivery of items (A) through (F) of the preceding paragraph shall be required in the case of (a) the execution, delivery and recordation by Borrower of any mortgage or deed of trust encumbering all or any part of the Project, or (b) a foreclosure or deed in lieu of foreclosure by the Bank whereby the Bank or a purchaser at a foreclosure sale becomes the owner of the Project, and nothing contained in this Section 12 shall otherwise affect the right of the Bank or a purchaser at a foreclosure sale to foreclose on the Project or to accept a deed in lieu of foreclosure. The Governmental Lender's consent otherwise required by item (A) of the preceding paragraph shall not be required in connection with any purchase of the Project by a partner of the Borrower as allowed for in the Borrower's partnership agreement. In addition, the provisions of this Section 12 shall not apply to (i) the replacement of the managing general partner of the Borrower by an entity formed by or that is a subsidiary of the initial managing general partner of the Borrower, (ii) the withdrawal of any limited partner of the Borrower from its partnership, (iii) any transfer of limited partnership interests in the Borrower and the admission of a substitute limited partner, (iv) any transfer of direct or indirect interests in any limited partner of the Borrower, or (v) any transfer of interests pursuant to the provisions of the Borrower's partnership agreement as in effect from time to time, including but not limited to the removal of a general partner of the Borrower and replacement thereof by an affiliate of a limited partner of the Borrower pursuant to the Borrower's partnership agreement; provided, however, that the Governmental Lender shall receive notice from the Borrower of any transfer of general partner interests.

For the Compliance Period, the Borrower shall not: (1) except pursuant to the provisions of this Regulatory Agreement, the Borrower Loan Agreement and the Deed of Trust (and upon receipt by the Borrower of an opinion of Tax Counsel that such action will not adversely affect the Tax-Exempt status of interest on the Tax-Exempt Notes), or except upon a sale, transfer or other disposition of the Project in accordance with the terms of this Regulatory Agreement, subordinate or encumber any of the Project or grant commercial leases (not including any laundry, cable, management office equipment, resident service (including but not limited to convenience vending, or satellite television) or similar or related leases) of any part thereof, or permit the conveyance, transfer or encumbrance of any part of the Project (except for apartment leases); (2) demolish any part of the Project or substantially subtract from any real or personal property of the Project, except to the extent that what is removed is replaced with comparable property; or (3) permit the use of the dwelling accommodations of the Project for any purpose except rental residences.

Section 13. Term. This Regulatory Agreement shall become effective upon its execution and delivery, and shall remain in full force and effect for the period provided herein and shall terminate as to any provision not otherwise provided with a specific termination date and shall terminate in its entirety at the end of the Compliance Period, it being expressly agreed and understood that the provisions hereof are intended to survive the payment in full of the Funding Loan Notes and discharge of the Funding Loan Agreement, the Borrower Loan Agreement and the Deed of Trust.

The terms of this Regulatory Agreement to the contrary notwithstanding, this Regulatory Agreement shall terminate and be of no further force and effect in the event of involuntary noncompliance with the provisions of this Regulatory Agreement caused by fire, seizure, requisition, change in a federal law or an action of a federal agency after the Closing Date that prevents the Governmental Lender and the Bank from enforcing such provisions, or condemnation, foreclosure, transfer of title by deed in lieu of foreclosure, or a similar event, but only if, within a reasonable period, either the Funding Loan Notes are fully prepaid and no further amounts are owing in respect of the Funding Loan or amounts received as a consequence of such event are used to provide a project which meets the requirements hereof; provided, however, that the preceding provisions of this sentence shall cease to apply and the restrictions contained herein shall be reinstated if, at any time subsequent to the termination of such provisions as the result of the foreclosure or the delivery of a deed in lieu of foreclosure or a similar event, the Borrower or any related person (within the meaning of Section 1.103-10(e) of the Regulations) obtains an ownership interest in the Project for federal income tax purposes. The Borrower hereby agrees that, following any foreclosure, transfer of title by deed in lieu of foreclosure or similar event, neither the Borrower nor any such related person as described above will obtain an ownership interest in the Project for federal tax purposes. Notwithstanding any other provision of this Regulatory Agreement, this Regulatory Agreement may be terminated upon agreement by the Governmental Lender and the Borrower, with the consent of CDLAC, upon receipt by the Governmental Lender of an opinion of Tax Counsel to the effect that such termination will not adversely affect the exclusion from gross income of interest on the Tax-Exempt Notes for federal income tax purposes and is otherwise permitted under the Act. Upon the termination of the terms of this Regulatory Agreement, the parties hereto agree to execute, deliver and record appropriate instruments of release and discharge of the terms hereof; provided, however, that the execution and delivery of such instruments shall not be necessary or a prerequisite to the termination of this Regulatory Agreement in accordance with its terms.

Section 14. Covenants to Run With the Land. Notwithstanding Section 1461 of the California Civil Code, the Borrower hereby subjects the Project to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The Governmental Lender and the Borrower hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Borrower's successors in interest to the Project; provided, however, that on the termination of this Regulatory Agreement said covenants, reservations and restrictions shall expire. Each and every contract, deed or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments.

Section 15. Burden and Benefit. The Governmental Lender and the Borrower hereby declare their understanding and intent that the burdens of the covenants set forth herein touch and concern the land in that the Borrower's legal interest in the Project is rendered less valuable thereby. The Governmental Lender and the Borrower hereby further declare their understanding and intent that the benefits of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Project by Low Income Tenants, the

intended beneficiaries of such covenants, reservations and restrictions, and by furthering the public purposes for which the Funding Loan Notes were issued.

Section 16. Uniformity; Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project in order to establish and carry out a common plan for the use of the site on which the Project is located.

Section 17. Default; Enforcement. If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in this Regulatory Agreement or in the Other Regulatory Agreement, and if such default remains uncured for a period of thirty (30) days after notice thereof shall have been given by the Governmental Lender or the Bank to the Borrower (with a copy to the Equity Investor), or for a period of thirty (30) days from the date the Borrower should, with due diligence, have discovered such default, then the Governmental Lender or the Bank, acting on its own behalf or on behalf of the Governmental Lender (to the extent directed in writing by the Governmental Lender, subject to the provisions of the Funding Loan Agreement), shall declare an "Event of Default" to have occurred hereunder; provided, however, that if the default is of such a nature that it cannot be corrected within thirty (30) days, such default shall not constitute an Event of Default hereunder so long as (i) the Borrower institutes corrective action within said thirty (30) days and diligently pursues such action until the default is corrected, and (ii) in the opinion of Tax Counsel, the failure to cure said default within thirty (30) days will not adversely affect the Tax-Exempt status of interest on the Tax-Exempt Notes. The Governmental Lender and the Bank shall have the right to enforce the obligations of the Borrower under this Regulatory Agreement and under the Other Regulatory Agreement within shorter periods of time than are otherwise provided herein if necessary in the opinion of Tax Counsel to insure compliance with the Act or the Code.

Any limited partner of the Borrower shall have the right but not the obligation to cure any Event of Default, and the Governmental Lender and the Bank agree to accept any cure tendered by any such limited partner on behalf of the Borrower within any cure period specified above.

Following the declaration of an Event of Default hereunder the Governmental Lender, or the Bank may, at their respective options, take any one or more of the following steps, in addition to all other remedies provided by law or equity:

- (i) by mandamus or other suit, action or proceeding at law or in equity, including injunctive relief, require the Borrower to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the Governmental Lender or the Bank hereunder;

- (ii) have access to and inspect, examine and make copies of all of the books and records of the Borrower pertaining to the Project and the Other Project;

- (iii) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Borrower hereunder;

(iv) with the prior written consent of the Bank, which may be withheld in the Bank's sole and absolute discretion, declare a default under the Borrower Loan Agreement and (subject to any applicable cure periods set forth in the Borrower Loan Agreement) proceed with any remedies provided therein; or

(v) order and direct the Borrower in writing to terminate the then Manager of the Project and to select a replacement Manager reasonably satisfactory to the Governmental Lender within 60 days of such written direction, and to notify the Governmental Lender in writing of the identity of the replacement Manager.

The Borrower hereby agrees that specific enforcement of the Borrower's agreements contained herein is the only means by which the Governmental Lender may fully obtain the benefits of such agreements made by the Borrower herein, and the Borrower therefore agrees to the imposition of the remedy of specific performance against it in the case of any Event of Default by the Borrower hereunder.

The Bank shall have the right (but no obligation), in accordance with this Section and the provisions of the Funding Loan Agreement, without the consent or approval of the Governmental Lender, to exercise any or all of the rights or remedies of the Governmental Lender hereunder; provided that prior to taking any such action the Bank shall give the Governmental Lender written notice of its intended action. After the Funding Loan Agreement has been discharged, the Governmental Lender may act on its own behalf to declare an "Event of Default" to have occurred and to take any one or more of the steps specified hereinabove to the same extent and with the same effect as if taken by the Bank.

All fees, costs and expenses of the Bank and the Governmental Lender incurred in taking any action pursuant to this Section shall be the sole responsibility of the Borrower.

No breach or default under this Regulatory Agreement shall defeat or render invalid the Deed of Trust or any like encumbrance upon the Project or any portion of either thereof given in good faith and for value.

Section 18. References to Bank. After the date on which the Funding Loan has been paid in full, all references to the Bank in this Regulatory Agreement shall be deemed references to the Governmental Lender.

Section 19. Recording and Filing. (a) The Borrower shall cause this Regulatory Agreement, the Other Regulatory Agreement and all amendments and supplements hereto and thereto to be recorded and filed in the real property records of the County and in such other places as the Governmental Lender or the Bank may reasonably request. The Borrower shall pay all fees and charges incurred in connection with any such recording.

(b) The Borrower and the Governmental Lender will file of record such other documents and take such other steps as are necessary, in the written opinion of Tax Counsel filed with the Governmental Lender and the Bank, in order to insure that the requirements and restrictions of this Regulatory Agreement will be binding upon all owners of the Project.

(c) The Borrower hereby covenants to include or reference the requirements and restrictions contained in this Regulatory Agreement in any documents transferring any interest in the Project to another person (other than in any document granting a security interest to the Bank and, provided, however, that no such assignment shall be required in connection with the transfer of the Project to the Bank by foreclosure, deed in lieu of foreclosure or comparable conversion of the Borrower Loan) to the end that such transferee has notice of, and is bound by, such restrictions, and to obtain the agreement from any transferee to abide by all requirements and restrictions of this Regulatory Agreement.

Section 20. Payment of Administration Fees. Notwithstanding any prepayment of the Borrower Loan and notwithstanding a discharge of the Borrower Loan Agreement, throughout the Compliance Period, the Borrower shall continue to pay to the Governmental Lender its fees described in Section 4.A.(d) and in the event of default, to the Administrator, the Governmental Lender and to the Bank reasonable compensation for any services rendered by any of them hereunder and reimbursement for all expenses reasonably incurred by any of them in connection therewith.

In the event that the Qualified Project Period terminates prior to the termination of the Compliance Period (other than by reason of the issuance of refunding bonds), and provided that the conditions of this Section are satisfied, the Borrower shall thereafter and for the remainder of the Compliance Period pay to the Governmental Lender annually in advance an amount equal to \$5,000. The full Governmental Lender Annual Fee shall continue to be payable unless and until the Governmental Lender has confirmed receipt of all amounts then due and payable in arrears by the Borrower to the Governmental Lender in connection with the Borrower Loan, at which point the Governmental Lender Annual Fee shall become effective.

If the Borrower fails to make payment of the Governmental Lender Annual Fee for a period of two consecutive years or more, the Governmental Lender may, in its sole discretion, declare the total amount of the Governmental Lender Annual Fee through the end of the Compliance Period immediately due and payable, such amount to be discounted at a rate equal to the then current market rate for U.S. Treasury obligations of a maturity equal to the remaining term of the Compliance Period.

Section 21. Governing Law. This Regulatory Agreement shall be construed in accordance with and governed by the laws of the State applicable to contracts made and performed in the State. This Regulatory Agreement shall be enforceable in the State, and any action arising hereunder shall (unless waived by the Governmental Lender in writing) be filed and maintained in the Superior Court of California, County of Contra Costa.

Section 22. Amendments; Waivers. (a) Except as otherwise provided in Section 8 above (including but not limited to the requirements of the last sentence of Section 8.1(b) above), this Regulatory Agreement may be amended only by a written instrument executed by the parties hereto or their successors in title, and duly recorded in the real property records of the County, and only upon receipt by the Governmental Lender of an opinion from Tax Counsel that such amendment will not adversely affect the Tax-Exempt status of interest on the Tax-Exempt Notes and is not contrary to the provisions of the Act.

(b) Anything to the contrary contained herein notwithstanding, the Governmental Lender and the Borrower hereby agree to amend this Regulatory Agreement and the Other Regulatory Agreement to the extent required, in the opinion of Tax Counsel, in order that interest on the Tax-Exempt Notes remain Tax-Exempt. The party requesting such amendment shall notify the other party to this Regulatory Agreement of the proposed amendment, with a copy of such requested amendment to Tax Counsel and a request that such Tax Counsel render to the Governmental Lender an opinion as to the effect of such proposed amendment upon the Tax-Exempt status of interest of the Tax-Exempt Notes. This provision shall not be subject to any provision of any other agreement requiring any party hereto to obtain the consent of any other person in order to amend this Regulatory Agreement.

(c) Any waiver of, or consent to, any condition under this Regulatory Agreement must be expressly made in writing.

Section 23. Notices. Any notice required to be given hereunder shall be made in writing and shall be given by personal delivery, overnight delivery, certified or registered mail, postage prepaid, return receipt requested, or by telecopy, in each case at the respective addresses set forth below or at such other addresses as may be specified in writing by the parties hereto.

Notice shall be deemed given on the date evidenced by the postal or courier receipt or other written evidence of delivery or electronic transmission.

The Borrower shall notify the Governmental Lender and the Administrator in writing of any change to the name of the Project or any change of name or address for the Borrower or the Manager. The Borrower shall further notify CDLAC in writing of any event provided in Section 7(d) hereof.

Section 24. Severability. If any provision of this Regulatory Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions hereof shall not in any way be affected or impaired thereby.

Section 25. Multiple Counterparts. This Regulatory Agreement may be simultaneously executed in multiple counterparts, all of which shall constitute one and the same instrument, and each of which shall be deemed to be an original.

Section 26. Third Party Beneficiaries; Enforcement. The Bank, the Administrator and CDLAC are intended to be and shall each be a third party beneficiary of this Regulatory Agreement. CDLAC shall have the right (but not the obligation) to enforce the CDLAC Conditions (as defined in Section 7) and to pursue an action for specific performance or other available remedy at law or in equity in accordance with Section 17 hereof, provided that any such action or remedy shall not materially adversely affect the interests and rights of the owner or owners of the Funding Loan Note. Pursuant to Section 52080(k) of the Act, the requirements of Section 6 may be enforced either in law or in equity by any resident, local agency, entity, or by any other person adversely affected by the Borrower's failure to comply with the requirements of that Section.

Section 27. The Bank. The Bank shall be entitled, but shall have no duty, to act with respect to enforcement of the Borrower's performance hereunder. The Bank, either on its own behalf or as the agent of and on behalf of the Governmental Lender, may, in its sole discretion, act hereunder and any act required to be performed by the Governmental Lender as herein provided shall be deemed taken if such act is performed by the Bank. In connection with any such performance, all provisions of the Funding Loan Agreement and the Borrower Loan Agreement relating to the rights, privileges, powers and protections of the Bank shall apply with equal force and effect to all actions taken (or omitted to be taken) by the Bank in connection with this Regulatory Agreement. Neither the Bank nor any of its officers, directors or employees shall be liable for any action taken or omitted to be taken by it hereunder or in connection herewith except for its or their own negligence or willful misconduct. The Bank may consult with legal counsel selected by it (the reasonable fees of which counsel shall be paid by the Borrower) and any action taken or suffered by it reasonably and in good faith in accordance with the opinion of such counsel shall be full justification and protection to it. The Bank may at all times assume compliance with this Regulatory Agreement unless otherwise notified in writing by or on behalf of the Governmental Lender, or unless it has actual knowledge of noncompliance.

After the date the Funding Loan no longer remains outstanding as provided in the Funding Loan Agreement, the Bank shall have no further rights, duties or responsibilities under this Regulatory Agreement, and all references to the Bank in this Regulatory Agreement shall be deemed references to the Governmental Lender.

Section 28. No Interference or Impairment of Loan. Notwithstanding anything herein to the contrary, (i) the occurrence of an event of default under this Regulatory Agreement shall not, under any circumstances whatsoever, be deemed or constitute a default under the Borrower Loan Documents, except as may be otherwise specified in the Borrower Loan Documents, and shall not impair, defeat or render invalid the lien of the Deed of Trust and (ii) neither of the Governmental Lender nor any other person shall:

(a) initiate or take any action which may have the effect, directly or indirectly, of impairing the ability of the Borrower to timely pay the principal of, interest on, or other amounts due and payable under, the Borrower Loan;

(b) interfere with or attempt to interfere with or influence the exercise by the Bank of any of its rights under the Borrower Loan Agreement, including, without limitation, the Bank remedial rights under the Borrower Loan Documents upon the occurrence of an event of default by the Borrower under the Borrower Loan Agreement; or

(c) upon the occurrence of an event of default under the Borrower Loan Agreement, take any action to accelerate or otherwise enforce payment or seek other remedies with respect to the Borrower Loan, it being understood and agreed that the Governmental Lender may not, without the prior written consent of the Bank, on account of any default under this Regulatory Agreement, seek, in any manner, to cause the Borrower Loan to become due and payable, to enforce the Borrower Loan Agreement or to foreclose on the Deed of Trust or cause the Bank to foreclose or take any other action under the Borrower Loan Documents, the Funding Loan Documents or any other documents which action would or could have the effect of achieving any one or more of the foregoing actions, events or results.

No person other than the Bank shall have the right to declare the principal balance of the Borrower Loan to be immediately due and payable or to initiate foreclosure or other like action.

The forgoing prohibitions and limitations shall not in any way limit the rights of the Governmental Lender to specifically enforce this Regulatory Agreement or to seek injunctive relief in order to provide for the operation of the Project in accordance with the requirements of the Code and the Act, and shall not be construed to limit the rights of the Governmental Lender to enforce its rights against the Borrower under the indemnification provisions of the Regulatory Agreement provided that the prosecution of a claim for indemnification shall not cause the Borrower to file a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Borrower under any applicable liquidation, insolvency, bankruptcy, construction, composition, reorganization, conservation or other similar law in effect now or in the future.

Notwithstanding the above, the provisions of this Section 28 shall not in any way limit or alter the Governmental Lender's authority, power or activities as a governmental regulatory agency pursuant to applicable laws and regulations relating to the Project or otherwise.

Section 29. Limitation on Borrower Liability. Notwithstanding any other provision or obligation to the contrary contained in this Regulatory Agreement, and except for the Borrower's obligations under Sections 9 and 20 of this Regulatory Agreement (which are not subject to the provisions and limitations of this Section 29) (i) the liability of the Borrower under this Regulatory Agreement to any person or entity, including, but not limited to, the Bank or the Governmental Lender and their successors and assigns, is limited to the Borrower's interest in the Project and in the Other Project, the revenues therefrom, including the amount held in the funds and accounts created under the Funding Loan Agreement and the Borrower Loan

Documents, or any rights of the Borrower under any guarantees relating to the Project, and such persons and entities shall look exclusively thereto, or to such other security as may from time to time be given for the payment of obligations arising out of this Regulatory Agreement or any other agreement securing the obligations of the Borrower under this Regulatory Agreement; and (ii) from and after the date of this Regulatory Agreement, no deficiency or other personal judgment, nor any order or decree of specific performance (other than pertaining to this Regulatory Agreement, any agreement pertaining to the Project or any other agreement securing the Borrower's obligations under this Regulatory Agreement), shall be rendered against the Borrower, the assets of the Borrower (other than the Borrower's interest in the Project and in the Other Project, this Regulatory Agreement, amounts held in the funds and accounts created under the Funding Loan Agreement and the Borrower Loan Documents, any rights of the Borrower under the Funding Loan Agreement and the Borrower Loan Documents or any other documents relating to the Funding Loan Note or any rights of the Borrower under any guarantees relating to the Project or the Other Project), its partners, successors, transferees or assigns and each their respective officers, directors, employees, partners, agents, heirs and personal representatives, as the case may be, in any action or proceeding arising out of this Regulatory Agreement or the Borrower Loan Agreement or any agreement securing the obligations of the Borrower under this Regulatory Agreement, or any judgment, order or decree rendered pursuant to any such action or proceeding.

Section 30. Limited Liability. All obligations of the Governmental Lender incurred under this Regulatory Agreement shall be limited obligations, payable solely and only from Funding Loan proceeds and other amounts derived by the Governmental Lender from the Borrower Loan or otherwise under the Borrower Loan Agreement.

Section 31. Conflict With Other Affordability Agreements. Notwithstanding any provision in this Regulatory Agreement to the contrary, in the event of any conflict between the provisions of this Regulatory Agreement and any agreement of a Subordinate Lender (including the City of Walnut Creek) that imposes affordability requirements on the Project, including those referenced in Section 3(e)(iii) hereof, the provisions providing for the most affordable units, with the most affordability, in the Project shall prevail, so long as at all times the requirements of Section 2, 3, 4, 4A, 6 and 7 of this Regulatory Agreement are in any event satisfied. Notwithstanding the foregoing, a breach or default under any agreement referenced in Section 3(e)(iii) hereof shall not, in itself, constitute a breach or a default under this Regulatory Agreement.

Section 32. Property Management. The Borrower agrees that at all times the Project shall be managed by a property manager (i) approved by the Governmental Lender in its reasonable discretion and (ii) who has at least three years' experience in the ownership, operation and management of similar size rental housing projects, and at least one year's experience in the ownership, operation and management of rental housing projects containing below-market-rate units, without any record of material violations of discrimination restrictions or other state or federal laws or regulations or local governmental requirements applicable to such projects (the "Manager"). The Borrower shall submit to the Governmental Lender from time to time such information about the background, experience and financial condition of any existing or proposed Manager as the Governmental Lender may reasonably require to

determine whether such Manager meets the requirements for a Manager set forth herein. The Governmental Lender reserves the right to conduct periodic reviews of the management practices and of the Manager to determine if the Project is being operated and managed in accordance with the requirements and standards of this Agreement. The Borrower agrees to cooperate with the Governmental Lender in such reviews.

If the Governmental Lender determines in its reasonable judgment that the Project is not being operated and managed in accordance with one or more of the material requirements or standards of this Regulatory Agreement, the Governmental Lender may deliver notice to the Borrower and the Bank requesting replacement of the Manager, which notice shall state clearly the reasons for such request. The Borrower agrees that, upon receipt of such notice, it shall within 60 days submit to the Governmental Lender, with a copy to the Bank, a proposal to engage a new Manager meeting the requirements of this Section 32. Each of the Governmental Lender and the Bank shall respond within 30 days to such proposal or such approval shall be deemed given. Upon receipt of such consent or deemed consent, the Borrower shall within 60 days terminate the existing Manager's engagement and engage the new Manager. If such proposal is denied by either the Governmental Lender or the Bank, the Borrower agrees that upon receipt of notice of such denial, it shall within 60 days submit to the Governmental Lender, with copies to the Bank, a proposal to engage another new Manager meeting the requirements of this Section 28, subject to the Governmental Lender's and the Bank's consent or deemed consent pursuant to the terms hereof.

Notwithstanding any other provision of this Section 32 to the contrary, the Bank may at any time by written instruction to the Governmental Lender and the Borrower deny the Governmental Lender's request for a replacement Manager and direct that the existing Manager be retained.

Section 33. Annual Reporting Covenant. No later than January 31 of each calendar year (commencing January 31, 2018), the Borrower, on behalf of the Governmental Lender, agrees to provide to the California Debt and Investment Advisory Commission, by any method approved by the California Debt and Investment Advisory Commission, with a copy to the Governmental Lender, the annual report information required by section 8855(k)(1) of the California Government Code with respect to the Funding Loan Notes. This covenant shall remain in effect until the later of the date (a) the Funding Loan Notes are no longer outstanding or (b) the proceeds of the Funding Loan Notes have been fully spent.

Section 34. Regulatory Agreement or Replacement. From and after the Note D Closing Date, this Regulatory Agreement shall supersede and replace in its entirety the Original Regulatory Agreement (as such term is defined in the second Recital to this Regulatory Agreement) recorded in the Contra Costa County Recorder's Office at 1:50 p.m. on September 26, 2016 as Document No. 2016-0197573-00. The parties hereto acknowledge and agree that upon (i) recordation of this Regulatory Agreement in the Office of the County Recorder of the County of Contra Costa, and (ii) the issuance of Note D Bonds, the Original Regulatory Agreement shall be null and void and of no further force and effect. The Governmental Lender

agrees to take any action requested in writing by the Borrower, at the Borrower's expense, to release or otherwise confirm the cancellation of the Original Regulatory Agreement.

IN WITNESS WHEREOF, the Governmental Lender and the Borrower have executed this Regulatory Agreement by duly authorized representatives, all as of the date first above written.
