Subject: REPORT ON PROJECTED BUDGET CUTS TO THE PUBLIC HOUSING PROGRAM FOR FEDERAL FISCAL YEAR 2017

RECOMMENDATIONS

CONSIDER accepting a report on the projected budget cuts to the public housing program for federal fiscal year 2017.

BACKGROUND

The federal government is currently being funded through April 28, 2017 by a continuing resolution (CR), passed in December 2016 with spending levels based on the Senate's fiscal year (FY) 2017 budget resolution passed on January 12, 2017.

The Senate's budget was passed with the intention of repealing the Affordable Care Act. At heart, the Senate's budget is a technical procedure that could allow the Senate to develop a special kind of legislation called a reconciliation bill. Such a bill can be used to repeal significant parts of the health law and, critically, is immune from being filibustered. What is important for this Board Order, is that the spending levels in the Senate's budget are not intended to have an impact on FY 2017 spending and it is hard to predict where final federal spending levels will be set.

Based on the CR and the Senate's budget, the U.S. Department of Housing and Urban Development (HUD) is providing the Housing Authority (HACCC) with an advance of 85% of its public housing operating subsidy for calendar year 2017. Should HUD's projected funding level hold, the public housing program would sustain a loss of \$957,974 for HACCC's FY 2018.

BACKGROUND (CONTD)

Staff will provide an oral update on the impact this will have on the budget that will be presented at next month's meeting.

FISCAL IMPACT

The extent of the cuts is unknown at present. Based on the current HUD advance and intact spending levels, the public housing program would sustain an 8.7% loss of \$957,974 for the Housing Authority's fiscal year 2018.

CONSEQUENCE OF NEGATIVE ACTION

None. Information item only.

Subject: INVESTMENT REPORT FOR THE QUARTER ENDING DECEMBER 31, 2016

RECOMMENDATIONS

RECEIVE the Housing Authority of the County of Contra Costa's investment report for the quarter ending DECEMBER 31st, 2016.

BACKGROUND

California Government Code (CGC) Section 53646 requires the Housing Authority of the County of Contra Costa (HACCC) to present the Board of Commissioners with a quarterly investment report that provides a complete description of HACCC's portfolio. The report is required to show the issuers, type of investments, maturity dates, par values (equal to market value here) and the current market values of each component of the portfolio, including funds managed by third party contractors. It must also include the source of the portfolio valuation (in HACCC's case it is the issuer). Finally, the report must provide certifications that (1) all investment actions executed since the last report have been made in full compliance with the Investment Policy and; (2) HACCC will meet its expenditure obligations for the next six months. (CGC 53646(b)).

The state-mandated report has been amended to indicate the amount of interest earned and how the interest was allocated. The amended report is attached.

In summary, HACCC had \$30,170.14 in interest earnings for the quarter ending December 31, 2016. That interest was earned within discrete programs and most of the interest earned is available only for use within the program which earned the interest. Further, interest earnings may be restricted to specific purposes within a given program.

BACKGROUND (CONTD)

>

The Housing Choice Voucher Program reserve as of 12/31/2013 held in cash and investments was transitioned to HUD held program reserve account. The only restricted funds remaining in investments for the Housing Voucher program is for the Family Self Sufficiency escrow account.

Non-restricted interest earnings within both the voucher and public housing programs must be used solely within those programs, but such interest earnings can be used for a wider range of purposes within the individual programs. The interest earned in the State and Local fund can be used for any purpose within HACCC's scope of operations.

The interest earned for the quarter ending December 31, 2016 is shown below. A more detailed report is attached.

Public Housing	Housing Choice Voucher Fund		Rental Rehabilitation Fund	State & Local
Unrestricted Interest Earned	Restricted Interest Earned	Unrestricted Interest Earned	Unrestricted Interest Earned	Unrestricted Interest Earned
\$6,433.01	\$657.31	\$17,139.63	\$863.54	\$5,076.65

FISCAL IMPACT

None. For reporting purposes only.

CONSEQUENCE OF NEGATIVE ACTION

Should the Board of Commissioners elect not to accept the investment report it would result in an audit finding of non-compliance and could ultimately affect future funding from the U.S. Department of Housing and Urban Development (HUD).

Subject: FINANCIAL AND PROGRAM AUDIT FOR FISCAL YEAR ENDING MARCH 31, 2016

RECOMMENDATIONS

ACCEPT the financial and program compliance audit report for the period April 1, 2015, through March 31, 2016, prepared by Harn & Dolan CPA's, Walnut Creek, California.

BACKGROUND

The U. S. Department of Housing & Urban Development (HUD) requires every housing authority to have an annual independent audit conducted of its financial statements and business activities as well as of compliance with program requirements for the public housing, Housing Choice Voucher and Shelter-Plus Care programs. HACCC contracted with Harn & Dolan to prepare the audit report for the fiscal year ending March 31, 2016.

Harn & Dolan's audit identified no findings and no material weaknesses in either the financial or program compliance portions of the audit. The complete audit and the management letter are attached.

FISCAL IMPACT

Funding was provided for the audit contract in the Housing Authority of the County of Contra Costa's (HACCC) Fiscal Year 2016/2017 Consolidated Operating Budget.

CONSEQUENCE OF NEGATIVE ACTION

Should the Board of Commissioners elect not to accept the financial audit report as performed by the certified public accountancy firm of Harn & Dolan, it would become necessary to expend additional funds to either redo the financial audit report or contract with another certified public accountancy firm to conduct an audit of HACCC's finances and programs.

INDEPENDENT AUDITORS' REPORT

To the Board of Commissioners
Housing Authority of the
County of Contra Costa
Martinez, California

Report on the Financial Statements

We have audited the accompanying financial statements of the business-type activities of the Housing Authority of the County of Contra Costa, component unit of the County of Contra Costa, California (the Authority), as of and for the year ended March 31, 2016, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents. We did not audit the financial statements of the aggregate discretely presented component units reported in the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We did not audit the financial statements of HACCC Casa Del Rio, Inc, a California Nonprofit Public Benefit Corporation and CDR Senior Housing Associates, a California Limited Partnership, which represent 15.3%, -13.9% and 0.5%, respectively, of the primary government's assets, net position, and revenue. We did not audit the financial statements of DeAnza Housing Corporation, a California Nonprofit Public Benefit Corporation and DeAnza Gardens L.P. a California Limited Partnership, which are combined and reported as discretely presented component units titled Component Units in the fund financial statements. Those financial statements were audited by other auditors whose reports have been furnished to us, and our opinion, insofar as it relates to the amounts included for the discretely presented component units and blended component units - Casa Del Rio Housing is based solely on the reports of the other auditors. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatements of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Authority's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's

internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, based on our audit and the reports of other auditors, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities and the aggregate discretely presented component units of the Authority, as of March 31, 2016, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Notes 1.T. and 11, the Authority implemented Government Accounting Standards Board (GASB) Statement No. 68, *Accounting and Financial Reporting for Pensions - an amendment of GASB Statement No. 27*, as of April 1, 2015. Our opinions are not modified with respect to this matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 4 through 11, schedule of proportionate share of the net pension liability on page 59 and schedule of funding progress for OPEB on page 59 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We and the other auditors have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Housing Authority of the County of Contra Costa, California's basic financial statements. The schedule of relevant statistics is presented for purposes of additional analysis and are not a required part of the financial statements. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is also not a required part of the basic financial statements. The accompanying Financial Data Schedules (CA 011) are presented for purposes of additional analysis as required by *Uniform Financial Reporting Standards* issued by the U.S. Department of Housing and Urban Development and are not a required part of the basic financial statements. Finally, the accompanying Schedule of Completed Capital Fund Program

Project is presented for the purpose of additional analysis as required by the U.S. Department of Housing and Urban Development and is not a required part of the basic financial statements.

The Schedule of Expenditures of Federal Awards, Financial Data Schedules, and Schedule of Completed Capital Fund Program Project are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole.

The schedule of relevant statistics has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 17, 2016, on our consideration of the Housing Authority of the County of Contra Costa, California's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control over financial reporting and compliance.

**HOUSING AUTHORITY OF THE COUNTY OF CONTRA COSTA
MANAGEMENT DISCUSSION AND ANALYSIS
MARCH 31, 2016**

The management of the Housing Authority of the County of Contra Costa (the Authority) would like to provide the readers of the Authority's financial statements this narrative overview and analysis of the financial activities of the Authority for the fiscal year ended March 31, 2016.

The Management Discussion and Analysis (MD&A) is an element of the reporting model adopted by the Governmental Accounting Standards Board (GASB) in their Statement No. 34 Basic Financial Statements-and Management's Discussion and Analysis-for State and Local Governments issued in June 1999. Certain comparative information between the current year and the prior year is required to be presented in the MD&A.

FINANCIAL HIGHLIGHTS

- Net position decreased by \$8,180,427 (or 58.98%) during 2016 (see Table 1)
 - Due to initial recognition of net pension liability \$ (8,622,685)
 - Due to normal operations 442,258
 - Total net pension decrease \$ (8,180,427)
- Unrestricted net position decreased by \$6,971,219 (or 106.59%) during 2016 (see Table 1).
 - Due to initial recognition of net pension liability \$ (8,622,685)
 - Due to normal operations 1,651,466
 - Total net pension decrease \$ (6,971,219)
- Total revenue increased by \$8.2 million (or 8.4%) as a result of current year activities (see Table 3).
- Total expenditures increased \$3.4 million (or 3.4%) as a result of current year activities (see Table 3).

OVERVIEW OF THE FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as introduction to the Authority's basic financial statements. The Authority's basic financial statements are comprised of three parts as follows: (1) **Fund Financial Statements**, (2) **Notes to the Basic Financial Statements**, and (3) **Supplementary Information**.

FUND FINANCIAL STATEMENTS

The Fund Financial Statements presentation is similar to the traditional government financial statements. The statements are the Statement of Net Position, the Statement of Revenue, Expenses, and Changes in Fund Net Position, and the Statement of Cash Flows. The focus is now on Major Funds, rather than fund types. The Authority's funds consist exclusively of Enterprise Funds. Enterprise funds utilize the full accrual basis of accounting. The Enterprise method of accounting is similar to accounting utilized by the private sector accounting.

Many of the funds administered by the Authority are provided by the Department of Housing and Urban Development. Others are segregated to enhance accountability and control. GASB's 34 and 37 require individual enterprise funds to be reported as major funds if total assets, liabilities, revenue, or expenses of that individual fund exceed 10% or corresponding element total of the Authority as a whole. In the past, the Authority reported four major funds and an aggregate column for non-major funds. Beginning April 1, 2006, the Authority reported all of its activities in one major fund titled "Housing". The Authority's mission is to provide affordable housing within the County of Contra Costa, regardless of grant or program. Therefore, we believe that reporting all activity in one fund is consistent with this mission and simpler for the readers of the Authority's report.

**HOUSING AUTHORITY OF THE COUNTY OF CONTRA COSTA
MANAGEMENT DISCUSSION AND ANALYSIS
MARCH 31, 2016**

(Continued)

The Authority's activity includes:

Public Housing – Under the Public Housing Program, (also titled as 'Low Rent-Aided Housing') the Authority rents units that it owns to very low & low-income households. The Public Housing Program is operated under an Annual Contributions Contract (ACC) with HUD. The ACC provides Operating Subsidy and Capital improvement Grant funding to enable the PHA to provide the housing at a rent that is based upon 30% of household income or at a flat rate below market rate.

Public Housing Capital Fund Grant - HUD provides grants for the modernization of the Public Housing Program units. The modernization is accounted for by each grant, which is merged as a part of the Public Housing Program totals.

Housing Choice Voucher Program – Under the Housing Choice Voucher Program, (hereunder titled as 'Voucher' Program) the Authority administers the program under an Annual Contributions Contract (ACC) with HUD. The ACC provides funding to the Authority to provide tenant based rental assistance to program participants. The rental assistance payment is structured so as the rental payment that the participant is obligated to pay is 30% to 40% of household income. This is a major federal program.

Lower Income Housing Assistance Program Section 8 Moderate Rehabilitation - is a U.S. Department of Housing and Urban Development funded rehabilitation program that provides project based rental assistance based on Housing Voucher methodology in determining subsidized rent and program compliance.

Casa Del Rio, Associates - Casa Del Rio, Senior Housing Associates (CDR) was formed as a limited partnership on April 12, 1994, for the purpose of developing, owning and operating an 82-unit affordable housing rental complex (the project) located in Antioch, California. The Project qualifies for low-income housing tax credits under Section 42 of the Internal Revenue Service Code. Such projects are regulated under terms of a Regulatory Agreement, including rent charges, operating methods and other matters. This limited partnership is considered to be a blended component unit of the Authority. The most recent audits were for the fiscal year ended December 31, 2015. These reports can be obtained from the Authority using the information on page 11.

Casa Del Rio, Incorporated - The general partner of the Casa Del Rio Partnership is HACCC Casa Del Rio, Inc., a California public benefit corporation. The officers and Board members of HACCC Casa Del Rio, Inc. are employees of the Authority, which was the developer of the Project, and is consider a blended component unit of the Housing Authority. These component units receive separate audit reports performed on a calendar year basis. The most recent audits were for the fiscal year ended December 31, 2015. These reports can be obtained from the Authority using the information on page 11.

Shelter Plus Care Program – is designed to provide rental assistance and supportive services to homeless and disabled individuals and their families. It is cooperatively administered by the County Health Services Department and the Housing Authority of Contra Costa County, and has the capacity to serve roughly 200 households. Participants receive rental assistance and supportive services funded by the U.S. Department of Housing and Urban Development.

CDBG Rental Rehabilitation Program (RRP) - Under the RRP, the Authority executes annual funding contract with various governmental entities to fund the operations of a program that assists rental property owners with rehabilitation of housing units to help assure a supply of affordable rental apartments and homes for its Section 8/Voucher users and other low-income households. Technical assistance in determining repairs is provided by Authority staff and below-market-rate loans are made to cover part of rehabilitation costs. Program administrative costs are shared by the funding providers and the Authority.

Rental Rehabilitation Program (RRP) - Under the RRP, the Authority operates a program that assists rental property owners with rehabilitation of housing units to help assure a supply of affordable rental apartments and homes for its Section 8/Voucher users and other low-income households. Technical assistance in determining repairs is provided by Authority staff and below-market-rate loans are made to cover part of rehabilitation costs. Funds from this program are to supplement the CDBG RRP for loans or administration.

Management Fund & County Programs – This program is often referred to as the “State and Local Fund”. The fund represents non-HUD resources developed from a variety of activities, including developer fees, management fees, program cost reimbursement, and other local and non local activities. This fund administers the pension and benefit programs for the agency.

Central Office Cost Center - The COCC fund earns revenue from fees and services provided to various federal programs. The funds earned are considered non-HUD funds and go to cover the overhead and support services provided to the various federal programs. HUD is currently preparing rule changes that will restrict these funds to use in Federal programs only.

Discretely Presented Component Unit:

DeAnza Gardens L.P. (DeAnza)– DeAnza was formed as a limited partnership on December 10, 2001 for the purpose of acquisition, ownership, maintenance, and operation of 180 multi-family affordable rental housing complex located in Contra Costa County.

The project was built on land owned by and leased from the Housing Authority of the County of Contra Costa (the Authority). Under the terms of the lease, title to the improvements reverts to the lesser at the end of the 75-year lease. The Project qualifies for low-income housing tax credits under Section 42 of the Internal Revenue Service Code. Such projects are regulated under terms of a Regulatory Agreement, including rent charges, operating methods and other matters.

DeAnza Corporation, Inc. The general partner of DeAnza Gardens L.P. is DeAnza Corporation Inc., a California public benefit corporation. The officers and Board members of the corporation are separate and apart from the Housing Authority. The only Board member position in the corporation that represents the Housing Authority is the Executive Director, who serves as one of the five board positions of the corporation. The Housing Authority has been designated as the managing general partner.

The DeAnza entities, under HUD REAC’s direction, are to be considered by the Authority as other organizations for which the nature and significance of their relationship with the Authority are such that exclusion would cause the Authority’s financial statements to be misleading or incomplete. As such, the Authority considers these two

entities to be discretely presented component units. These component units receive separate audit reports performed on a calendar year basis. The most recent audits were for the calendar year ended December 31, 2015. These reports can be obtained from the Authority using the information on page 11.

Also included in the Basic Financial statements are:

Notes to the Financial Statements. The notes provide additional information that is essential to a full understanding of the data provided in the fund financial statements.

Supplementary Information. Certain information is required to be included in this report by various federal agencies. This information is included after the notes to the financial statements under the title supplementary information.

Major Factors Affecting the Statement of Net Position

The major factor affecting net assets this fiscal year was the recognition of \$8,652,807 (see note 11 to the basic financial statements) of accumulated pension liability required to be reported under the Government Accounting Standards Board (GASB) Statement No. 68 Accounting and Financial Reporting for Pensions. This recognition overshadowed an operational increase in net assets in the amount of \$929,724.

Table 2 below presents details on the change in Unrestricted Net Position.

**TABLE 2
CHANGE OF UNRESTRICTED NET POSITION BY PROGRAM**

	Beginning Balance <u>04/01/2015</u>	Change of Unrestricted Position this Report Period	Ending Balance <u>03/31/2016</u>
Housing Choice Voucher Program	\$ 3,058,938	\$ 1,004,565	\$ 4,063,503
Public Housing (including Capital Fund)	803,586	295,967	1,099,553
Central Office Cost Center	400,442	254,235	654,677

Authority totals	<u>\$ 6,540,286</u>	<u>\$ (6,971,219)</u>	<u>\$ (430,933)</u>

While the result of operations is a significant measure of the Authority's activities, the analysis of the changes in unrestricted net position provides a clearer change in financial well-being of each of the program areas. The major change in the unrestricted net position this period was recognition of \$8,652,807 of accumulated pension liability reported under GASB.

Major Factors Affecting the Statement of Revenue, Expenses and Changes in Net Position

The major factor affecting the Statement of Revenue, Expenses, and Changes in Net Position is related to a change in the implementation of GASB 68, recognizing unfunded pension liabilities which is reported as a prior period adjustment. The budgeted amounts reported have been adjusted to eliminate interfund activities to compare the actual operating results to the budget. (see Note 1.E.)

HOUSING AUTHORITY OF THE COUNTY OF CONTRA COSTA
NOTES TO THE BASIC FINANCIAL STATEMENTS
MARCH 31, 2016

Note 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The basic financial statements of The Housing Authority of the County of Contra Costa (the Authority) have been prepared in conformity with accounting principles generally accepted in the United States of America as applied to governmental entities. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles. The following is a summary of the Authority's more significant accounting policies:

A. Organization

The Authority was established pursuant to the State Health and Safety Code in 1941. The Authority is a public entity organized under the laws of the State of California's Health and Safety Code to provide housing assistance to low and moderate income families at rents they can afford. Eligibility is determined by family composition and income in areas served by the Authority. To accomplish this purpose, the Authority has entered into Annual Contributions Contracts with the U.S. Department of Housing and Urban Development (HUD) to operate assisted housing programs.

The governing board of the Authority is the County Board of Supervisors. The Authority is a legally separate entity from the County, maintaining separate accounting records, staff, and administration facilities. In addition, there is no financial benefit/burden relationship between the County and the Authority and the County has limited or no opportunity to impose its will upon the Authority because the Authority is governed by rules and regulations imposed by the Federal government through the U.S. Department of Housing and Urban Development. The County defines the Authority as a discretely presented component unit in its Comprehensive Annual Financial Report (CAFR). A copy of this report may be obtained by contacting the Office of the Auditor-Controller, 625 Court Street, Martinez, California 94553.

B. Financial Reporting Entity

The Authority's combined financial statements include the accounts of all the Authority's operations. The criteria used in determining the scope of the financial reporting entity is based on provisions of Governmental Accounting Standards No. 61, *The Financial Reporting Entity*. The financial statements of the Authority include the financial activity of the Authority and any component units. The decision to include a potential component unit in the reporting entity was made based on the significance of their operational or financial nature and significance of their relationship with the Authority, including consideration of organizations for which the nature and significance of their relationship with the Authority are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete. Based on the aforementioned criteria, the Authority has blended

Note 1 (continued)

and discretely presented component units. The blended component units, although legally separate entities, are, in substance, part of the Authority's operations. Discretely presented component units are reported in a separate column in the fund financial statements to emphasize that they are legally separate from the government. The component units are as follows:

Blended Component Units. HACCC Casa Del Rio, Inc (A California Nonprofit Public Benefit Corporation) and CDR Senior Housing Associates (A California Limited Partnership) . HACCC Casa Del Rio, Inc. is the general partner of CDR Senior Housing Associates. The officers and Board members of HACCC Casa Del Rio, Inc. are employees of the Authority. The partnership was formed in 1994 to develop and operate an 82-unit affordable housing rental complex located in Antioch, California, which is currently known as Casa Del Rio Senior Housing.

Casa Del Rio Senior Housing was placed into service in 1995. Pursuant to the Indemnification Agreement dated July 1, 1994, by and among the Authority, HACCC Casa Del Rio, Inc., CDR Senior Housing Associates, and MHIFED I Limited Partnership, the Authority could possibly be liable for unpaid taxes, interest and penalties, cost to contest, operating deficiency and expenses of enforcement as identified in the Agreement and for a sponsor's operating guaranty to provide sufficient staff or equipment to the general partner, as needed and remedies against sponsor for default under the Amended HCD Agreement. Casa Del Rio Senior Housing participates in the low-income housing tax credit program under Section 42 of the Internal Revenue Code. Various agreements dictate the maximum income levels of new tenants and also provide rent restrictions through 2054.

Since HACCC Casa Del Rio, Inc and CDR Senior Housing Associates have the potential to impose a financial burden on the Authority, these entities have been included in the Authority's financial statements as blended component units. See also Note 15.

Discretely Presented Component Units. DeAnza Housing Corporation (A California Nonprofit Public Benefit Corporation) and DeAnza Gardens, L.P. (A California Limited Partnership). The Authority is the General Partner and DeAnza Housing Corporation is the managing general partner of DeAnza Gardens, L.P. The partnership was formed for the purpose of acquisition, ownership, maintenance, and operation of 180 multi-family rental housing units and the provision of low-income housing through the construction, renovation, rehabilitation, operation, and leasing of an affordable housing development located in Contra Costa County, which is currently known as DeAnza Gardens.

DeAnza Gardens was placed into service during 2005. It was built on land owned by and leased from the Authority. Under the terms of the lease, title to the improvements revert to

the Authority at the end of the 75-year lease. Financing for construction was obtained through notes from the Authority, Bank of America, and DeAnza Housing Corporation. DeAnza Gardens participates in the low-income housing tax credit program under Section 42 of the Internal Revenue Code. Various agreements dictate the maximum income levels of new tenants and also provide rent restrictions through 2078.

Since DeAnza Housing Corporation and DeAnza Gardens L.P. are other organizations for which the nature and significance of their relationship with the Authority are such that exclusion from the financial statements would cause the Authority's financial statements to be misleading or incomplete, these entities have been included in the Authority's financial statements as discretely presented component units. See also Note 15.

Complete audited financial statements are issued separately for each of the individual component units listed above and may be obtained from the Housing Authority of the County of Contra Costa, 3133 Estudillo Street, P.O. Box 2759, Martinez, California 94553.

C. Basis of Presentation

Business-type activities are financed in whole or in part by fees charged to external parties for goods or services. The Authority's activities are strictly business-type. The Authority has no fiduciary funds.

Fund Financial Statements:

Fund financial statements of the Authority are organized into funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for within a separate set of self balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenses/expenditures as appropriate. Government resources are allocated to, and accounted for, in individual funds based upon the purpose for which they are to be spent and the means by which spending activities are controlled. A fund is considered major if it is the primary operating fund of the Authority or if total assets, liabilities, revenue, or expenses/expenditures of the individual fund are at least 10 percent of the Authority-wide total. The Authority considers all of its activity to be housing related and therefore, considers all the financial activity of the Authority to be one major fund, titled *Housing*. As such, the Authority has no non-major funds.

PROPRIETARY FUND TYPES

Enterprise Funds - Enterprise funds are used to account for operations that are financed and operated in a manner similar to private business enterprises, where the intent is that costs of

HOUSING AUTHORITY OF THE COUNTY OF CONTRA COSTA

Note 1 (continued)

providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges. Enterprise funds are also used when the governing body has decided that periodic determination of revenue earned, expenses incurred, or net income is appropriate for capital maintenance, public policy, management control, accountability or other purposes. The Authority's funds are operated as enterprise funds.

D. Measurement Focus and Basis of Accounting

Measurement focus refers to what is being measured; basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurement made, regardless of the measurement focus applied.

The Proprietary Fund Types are accounted for on an economic resources measurement focus using the accrual basis of accounting. Revenues are recognized when they are earned and expenses are recorded at the time liabilities are incurred. Under this basis of accounting and measurement focus, the Authority applies all GASB pronouncements.

Proprietary funds distinguish *operating* revenues and expenses from *nonoperating* items. Operating revenues and expenses result from providing goods and services related to the fund's ongoing operations. The principal operating revenue of the Authority's enterprise funds is dwelling rental income. Operating expenses are necessary costs that have been incurred in order to provide the good or service that is the primary activity of the fund. The principal operating expenses of the Authority's enterprise funds are employee salaries and benefits, housing assistance payments, utilities, and the costs to maintain the owned units. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

When the Authority incurs an expense for which both restricted and unrestricted resources may be used, it is the Authority's policy to use restricted resources first and then unrestricted resources as needed.

E. Interfund Transactions

Statement of Net Position:

Short-term amounts due between funds are classified as "Due from/to other funds". As of March 31, 2016, the amounts due between the various proprietary funds totaled \$291,763.

Operating advances made to the blended component units, HACCC Casa Del Rio, Inc and CDR Senior Housing Associates totaled \$394,178 as of March 31, 2016. The interfund

Note 1 (continued)

balance as of December 31, 2015, was \$370,464 and was reported as non-current related party payable by the other auditors. The Statement of Net Position - Proprietary Funds, reported as of March 31, 2016, shows \$370,464 as both a noncurrent asset and as a noncurrent liability. The difference of \$23,714, due to the timing differences in fiscal year end, is shown as "other" noncurrent assets (see also Note 14).

A long-term note due from the Management Enterprise Fund to the blended component unit, HACCC Casa Del Rio, Inc in the amount of \$185,000 is reported as long-term notes receivable and long-term debt. See also Notes 4 and 6.

These interfund assets and liabilities have been eliminated from the Statement of Net Position - Proprietary Funds. For further detail, please see the Financial Data Schedule found in the Supplementary Information section of this report.

Statement of Revenues, Expenses, and Changes in Fund Net Position:

Participants of the Housing Choice Voucher Program have decided to occupy units owned by the Authority's blended component unit. Housing assistance payments made by the Housing Choice Voucher and Shelter Plus Care Programs to Casa Del Rio Senior Housing (CDR) totaled \$9,755 for the fiscal year ended March 31, 2016. CDR also paid the Authority \$52,452 during the current fiscal year for management fees.

The Authority utilizes a Central Office Enterprise Fund to account for administrative costs that are not charged to its Public Housing and Housing Choice Voucher Enterprise Funds. The Housing Choice Voucher Enterprise Fund paid management fees and bookkeeping fees in the amount of \$1,383,229 and \$573,396, respectively. The Public Housing Enterprise Fund paid property management, bookkeeping, and asset management fees in the amount of \$1,045,031, \$93,640, and \$78,559, respectively. The Shelter Plus Care Enterprise Fund was allocated costs of \$57,325 in lieu of fees. These costs, totaling \$3,231,180, are reported as other revenue in the Central Office Enterprise Fund and administrative expenses of the Public Housing, Housing Choice Voucher, and Shelter Plus Care Enterprise Funds.

Beginning in the current fiscal year, the Authority created a fund to account for the pension transactions required by GASB Statement No. 68 "Accounting and Financial Reporting for Pensions - an amendment of GASB Statement No.27". Actual payments made to the Authority's pension plan administrator, the Contra Costa County Employees' Retirement Association (CCCERA), have been expensed to the Authority's programs based on payroll allocations effective at the time of payment. The newly established enterprise fund, accounted for within the State and Local Enterprise Fund, holds the deferred outflows of resources generated when the payments are made. The GASB 68 required accounts are

HOUSING AUTHORITY OF THE COUNTY OF CONTRA COSTA

Note 1 (continued)

adjusted annually at each actuarial measurement date. During the current fiscal year, \$2,262,987 of payments to CCCERA were recorded as expenditures of the Authority's various programs and as revenue of the State and Local Enterprise Fund.

The Authority is required by HUD to pay HAP on behalf of other authorities with Housing Choice Voucher Program participants residing within Contra Costa County. The Authority is reimbursed for this HAP from the initiating housing authority. HUD requires this HAP to be reported as an expense when paid to the landlord and as income when reimbursed from the initiating housing authority. For the current fiscal year, the Authority paid \$893,787 in HAP on behalf of other housing authorities. This amount is therefore reported as revenue and expense of the Housing Choice Voucher Enterprise Fund.

CDR Inc earns interest of \$13,912 on its loan with the Authority of \$185,000. CDR Inc has agreed to give the interest back to the Authority as a charitable contribution. This interest revenue and expense are reported within the blended component unit enterprise fund.

Interfund transfers of \$529,767 were made between the Authority's funds this fiscal year. Interfund transfers of \$463,426 were made within the Public Housing enterprise Fund. This represents the use of Capital Fund grants for Public Housing operating costs. Interfund transfers of \$60,125 were made from the Housing Choice Voucher Enterprise Fund to the Family Self Sufficiency Enterprise Fund(\$26,757) and the Shelter Plus Care Enterprise Fund (\$33,368) to assist in program funding short falls. Interfund transfers of \$3,431 were made from the Section 8 Moderate Rehabilitation Enterprise Fund to the Housing Choice Vouchers Enterprise Fund to cover prior year funding short falls. The Rental Rehabilitation Enterprise Fund transferred \$2,785 to the CDBG Rental Rehabilitation Enterprise Fund to cover operating costs.

Interfund revenues and expenses of \$5,556,374 have been eliminated from the Statement of Revenues, Expenses, and Changes in Fund Net Position - Proprietary Funds. This amount includes the interfund HAP, management fees, bookkeeping fees, asset management fees, and pension plan payments. The transfers net to zero and are not reported on the Statement of Revenues, Expenses, and Changes in Fund Net Position - Proprietary Funds. For further detail, please see the Financial Data Schedule found in the Supplementary Information section of this report.

F. Cash and Investments

Cash includes amounts in demand deposits and saving accounts. Investments are reported in the accompanying statement at market value. All of the Authority's investments can be converted to cash in a relatively short amount of time. Therefore, all cash and investments are used in the Statement of Cash Flows.

HOUSING AUTHORITY OF THE COUNTY OF CONTRA COSTA
NOTES TO THE BASIC FINANCIAL STATEMENTS
MARCH 31, 2016

(Continued)

Note 1 (continued)

Changes in fair value that occur during a fiscal year are recognized as *interest income* reported for that fiscal year. *Interest income* includes interest earnings, changes in fair value, and any gains or losses realized upon the liquidation, maturity, or sale of investments.

The Authority pools cash and investments of all programs. Each program's share in this pool is displayed in the accompanying Financial Data Schedule as *cash and investments*. Interest income earned by the pooled investments is allocated to the various funds based on each fund's average cash and investment balance.

G. Accounts Receivable

Receivables are principally amounts due from HUD and tenants. Allowance for doubtful accounts has been provided based on the likelihood of the recovery.

H. Capital Assets

Capital assets, which include property, plant and equipment, acquired for Proprietary Funds are capitalized in the respective funds to which they apply. The Authority has an established capitalization policy, which requires all acquisitions of property and equipment in excess of \$5,000 and all expenditures for repairs, maintenance, renewals, and betterments that materially prolong the useful lives of assets to be capitalized. Property and equipment are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair market value at the date of donation. Interest expense incurred during the development period is capitalized. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized.

Depreciation of exhaustible capital assets used by Proprietary Funds is charged as an expense against operations, and accumulated depreciation is reported on the Statement of Net Position. Capital assets are being depreciated using the straight-line basis over the useful lives of the assets. The useful lives are generally 27.5 years for buildings, 10 years for modernization, 5 years for vehicles, furniture and equipment, and 3 years for computer equipment. Salvage value on all depreciable equipment is assumed to be insignificant and therefore valued at \$0.

I. Compensated Absences

It is the Authority's policy to permit employees to accumulate earned but unused vacation and sick pay benefits. There is no liability for unpaid accumulated sick leave since the government does not have a policy to pay any amounts when employees separate from service with the Authority. All vacation pay is accrued when incurred and allocated to the

(Continued)

Note 1 (continued)

appropriate proprietary fund. Total liability for the Authority is \$364,348 based on year-end hourly rates. Of this amount \$260,975 is considered by the Authority to be a current liability.

J. Deferred Outflows/Inflows of Resources

In addition to assets, the Statement of Financial Position will sometimes include a separate section for deferred outflows of resources. This separate financial statement element represents a consumption of net position that applies to a future period and so will not be recognized as an outflow of resources (expense) until that time. The Authority's deferred outflows of resources consist of (1) items associated with, and referred to in, the actuarial report of the defined benefit pension plan, and (2) payments made on behalf of employees to the defined benefit pension plan after the measurement date of the actuarial report. See also Note 11.

In addition to liabilities, the Statement of Financial Position will sometimes include a separate section for deferred inflows of resources. This separate financial statement element represents an acquisition of net position that applies to a future period and so will not be recognized as an inflow of resources (revenue) until that time. The Authority's deferred inflows of resources consist of items associated with, and referred to in, the actuarial report of the defined benefit pension plan. See also Note 11.

It is the Authority's practice to report deferred outflows and inflows of resources in the aggregate on the Statement of Net Position.

K. Net Position

Net position represents the differences between assets, deferred outflows of resources, liabilities, and deferred inflows of resources. Net position consists of net investment in capital assets; restricted net position; and unrestricted net position. Net investment in capital assets consists of capital assets, net of accumulated depreciation, reduced by the outstanding balances of borrowing used for acquisition, construction, or improvement of those assets (excluding interfund borrowing and including accrued interest). Net position is reported as restricted when there are limitations imposed on its use through constitutional provisions or enabling legislation or through external restrictions imposed by creditors, grantors, or laws or regulations of other governments.

L. Income Taxes

The Authority is exempt from federal and state income taxes. The Authority is also exempt from property taxes but makes payments in lieu of taxes on owned housing.

M. Budgets and Budgetary Accounting

The Board of Commissioners adopts an operating budget effective April 1 annually. This budget may be revised by the Board of Commissioners during the year to give consideration to unanticipated revenue and expenditures primarily resulting from events unknown at the time of budget adoption.

N. Estimates

Management uses estimates and assumptions in preparing financial statements in accordance with generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of assets, deferred outflows of resources, liabilities, and deferred inflows of resources; the disclosure of contingent assets and liabilities; and the reported revenues and expenses. Actual results could differ from those estimates.

O. Encumbrances

Encumbrance accounting is not employed by the Authority.

P. Grant Restrictions

The Authority has received loans and grants from the U.S. Department of Housing and Urban Development. The grants require that only individuals and families that meet various income, age and employment standards be housed or aided.

Q. Cost Allocation Procedures

Cost allocation procedures are divided into one of the following three methods, 1) Direct Costs, 2) Indirect Costs, 3) Fee for Service.

Direct Allocation Method: this method is used when the cost being incurred directly benefits a specific “program, region, development, project or site”. Allocation at the regional, development, project or site level shall be allocated by using the ratio of number of bedrooms managed (zero bedroom units will count as 1). Allocation at the Program level will be based on a common factor within the program area, such as units within a grant, grant award amounts, or other reasonable factors where allowed.

Indirect Allocation Method: this method is used when the cost being incurred is for a common or joint objective and therefore does not directly benefit a specific “program, region, development, project or site”. These costs will be allocated using a rationale from direct salary allocation plan consistent with OMB Circular A-87. The direct salary allocation plan will be established annually as a part of the annual budget process.

HOUSING AUTHORITY OF THE COUNTY OF CONTRA COSTA
NOTES TO THE BASIC FINANCIAL STATEMENTS
MARCH 31, 2016

(Continued)

Note 1 (continued)

Fee for Service Method: this method is used when an employee performs work outside of their budgeted allocation. The fee for service method will reduce the allocations of salary and benefits from the program that the position was originally budgeted for. This method should be documented on a time reporting process, either by way of time card or activity log or both.

R. Loan Costs

The Authority has implemented GASB Statement No. 65 *Items Previously Reported as Assets and Liabilities*. The Statement requires that debt issuance costs be reported as expenses when incurred since they no longer meet the definition of an asset. The component units are nonprofit public benefit corporations and limited partnerships and they follow the guidance of the Financial Accounting Standards Board for their financial reporting. Certain recognition criteria and presentation features are different from GASB. For instance, these entities report debt issuance costs as an asset amortized over time. No modifications have been made to the audited financial information as presented. The unamortized value of the loan costs does not have a material effect on the Authority's net position. Net loan costs of \$27,964 are reported as other noncurrent assets of the primary government, for the blended component units, and \$79,463 as other noncurrent assets of the component units, for the discretely presented component units.

S. Pension Plan

The Authority participates in a cost-sharing multi-employer defined benefit retirement plan that is administered by the Contra Costa County Employees' Retirement Association (CCCERA). Contributions to CCCERA are made on a current basis as required by the plan and are charged to expenditures. The Authority used actuarial reports supplied by CCCERA for the purpose of measuring the net pension liability, deferred outflows and inflows of resources related to the pension plan. The valuation date of the latest actuarial report was December 31, 2015.

T. New GASB Pronouncements

GASB Statement No. 68 *Accounting and Financial Reporting for Pensions - an amendment of GASB Statement No 27*, was effective for financial statements for periods beginning after June 15, 2014. This statement improves financial reporting for pensions and results from a comprehensive review of the effectiveness of existing standards of accounting and financial reporting for pensions with regard to providing decision-useful information, supporting assessments of accountability and inter-period equity, and creating additional transparency. The Authority has implemented this statement in the current fiscal year. As a result, net pension liabilities were accrued to the books of accounts and beginning net position was adjusted by approximately \$9.2 million. See also Note 11.

HOUSING AUTHORITY OF THE COUNTY OF CONTRA COSTA
NOTES TO THE BASIC FINANCIAL STATEMENTS
MARCH 31, 2016

(Continued)

Note 1 (continued)

In June 2015, the GASB issued Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other than Pensions*. This statement will have a similar requirement for OPEB as the GASB Statement No. 68 had for pension plans. Beginning in 2018, government agencies will be required to record OPEB liability in a fashion similar to the recognition of the net pension liability required of GASB Statement No. 68. Management anticipates that the full implementation of this Statement will have a material impact on the financial statements beginning with the fiscal year ended March 31, 2019.

Note 2 - CASH AND INVESTMENT

Cash and investments as of March 31, 2016 are classified in the accompanying financial statement as follows:

Statement of net position:	
Cash and investments	\$ 8,820,559
Restricted cash	<u>1,342,600</u>

- Any mortgage pass-through security, collateralized mortgage obligation, mortgaged backed or other pay-through bond, equipment least-backed certificate, consumer receivable pass-through certificate or consumer receivable backed bond of a maximum maturity of five years, securities in this category must be rated AA or better by a national rating service and are limited to not more than 30% of surplus funds;
- Any other investment security authorized under the provisions of California Government Code Sections 5922 and 53601.

Disclosure Related to Interest Rate Risk

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in the market rates. See the table shown later in this note titled “Investment Disclosure” for the maturity dates for each of the Authority’s investments.

Disclosures related to Credit Risk

Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. See the table shown later in this note titled “Investment Disclosure” for the ratings assigned to the issuer for each of the Authority’s investments.

Concentration of Credit Risk

See the table shown later in this note titled “Investment Disclosure” to determine how the Authority’s investments are concentrated. These investments are owned by the following programs:

Housing Choice Voucher Program	\$ 1,163,697	20.98%
Public Housing Program	1,438,604	25.93%
Other State and Local Programs	1,585,035	28.57%
Central Office Cost Center	1,090,664	19.66%
Rental Rehabilitation Loan Program	151,707	2.73%
Casa Del Rio (blended component unit)	110,505	1.99%
Shelter Plus Care	<u>7,275</u>	0.14%
Total investments	<u><u>\$ 5,547,487</u></u>	

Custodial Credit Risk

Custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, a government will not be able to recover its deposits or will not be able to recover collateral securities that are in the possession of an outside party. The California Government Code and the Authority’s investment policy do not contain legal or policy

HOUSING AUTHORITY OF THE COUNTY OF CONTRA COSTA
NOTES TO THE BASIC FINANCIAL STATEMENTS

(Continued)

Note 2 (continued)

requirements that would limit the exposure to custodial credit risk for deposits, other than the following provision for deposits: The California Government Code requires California banks and savings and loan associations to secure the Authority's deposits not covered by federal deposit insurance by pledging mortgages or government securities as collateral. The market value of the pledged securities in the collateral pool must equal at least 110% of the total amount deposited by the public agencies. California law also allows financial institutions to secure Authority deposits by pledging first trust deed mortgage notes having a value of 150% of the secured public deposits. Such collateral must be held in the pledging bank's trust department in a separate depository in an account for the Authority.

The custodial risk for investments is the risk that, in the event of the failure of the counterparty (broker-dealer, etc) to a transaction, a government will not be able to recover the value of its investment or collateral securities that are in the possession of another party. The California Government Code and the Authority's investment policy do not contain legal or policy requirements that would limit the exposure to custodial credit risk for investments. With respect to investments, custodial credit risk generally applies only to direct investments in marketable securities. Custodial credit risk does not apply to a local government's indirect investment in securities through the use of mutual funds or government investment pools (such as LAIF).

The Authority has executed a "General Depository Agreement" with WestAmerica Bank dated October 24, 2005. This agreement states that "any portion of PHA funds not insured by a Federal insurance organization shall be fully (100%) and continuously collateralized with specific and identifiable U.S. Government or Agency securities prescribed by HUD."

The Authority's exposure to custodial credit risk is as follows:

Demand deposits with banks, fully insured by FDIC	\$ 250,000
Demand deposits with banks covered by depository agreements	3,794,315
Cash held by investment companies	29,758
Deposits held by CHFA	<u>539,649</u>

The Authority is a voluntary participant in the Local Agency Investment Fund (LAIF) that is regulated by the California Government Code under the oversight of the Treasurer of the State of California. The LAIF is a special fund of the California State Treasury through which local governments may pool investments. Each government agency may invest up to \$30,000,000 in each account in the fund. Investments in LAIF are highly liquid, as deposits can be converted to

cash within twenty-four hours without loss of interest or principal. The full faith and credit of the State of California secure investments in LAIF.

At March 31, 2016, an account was maintained in the name of the Housing Authority of the County of Contra Costa for \$936,239. The total cost value of investment in LAIF was \$936,239. The total fair value of investments in LAIF was \$936,446. The fair value total includes an unrealized gain on investments of \$207. The unrealized gain was based on a fair value adjustment factor of 1.00022106 that was calculated by the State of California Treasurer's Office. The unrealized gain was not recorded by the Authority and is considered immaterial. Of the \$936,239 invested in LAIF, \$937,320 is recorded as assets of the Authority. The difference includes \$1,081 of interest receivable from LAIF as of March 31, 2016, shown by the Authority as investments.

LAIF is a part of the State of California Pooled Money Investment Account (PMIA). At March 31, 2016, the fair value of the State of California Pooled Money Investment Account (PMIA), including accrued interest, was \$67,252,084,148. The PMIA portfolio had securities in the form of structured notes totaling \$300 million and asset-backed securities totaling \$968,950,000. The PMIA has policies, goals and objectives for the portfolio to make certain that the goals of safety, liquidity, and yield are not jeopardized. These policies are formulated by investment staff and reviewed by both the PMIA and LAIF Advisory Boards on an annual basis. LAIF's and the Authority's exposure to credit, market, or legal risk is not available.

During 2002, California Government code was added to the LAIF's enabling legislation stating that "the right of a city, county...special district...to withdraw its deposited money from the LAIF upon demand may not be altered, impaired, or denied in any way by any state official or state agency based upon the State's failure to adopt a State Budget by July 1 of each new fiscal year." In addition, it has been determined that the State of California cannot declare bankruptcy under Federal regulations. This allows other government code stating that "money placed with the State Treasurer for deposit in the LAIF shall not be subject to ...transfer or loan...or impound or seizure by any state official or state agency" to stand.

Note 4 (continued)

The Authority has made deferred payment loans to individuals and organizations under the County's Community Development Block Grant (CDBG) and Rental Rehabilitation (RR) Programs. These loans are secured by deeds of trust in the name of the County of Contra Costa or the City of Antioch. These programs are revolving loan programs administered by the Authority. Any repayments of outstanding loans, or interest on the loans, must be used for new loans or program administration as authorized by the County or the City of Antioch. These loans typically earn 3% interest per annum. These notes receivable, along with all of the accrued interest, are offset by an equal amount shown in other noncurrent liabilities (See Note 9).

The Authority administers an employee loan program whereby employees can borrow funds for the purpose of purchasing a computer to be used at home. These loans accrue no interest. Payments are made through the payroll system.

Pursuant to a demand note dated June 30, 1994, the Authority may be liable to HACCC Casa Del Rio, Inc for \$185,000. Although the note is due upon demand, the maturity date is December 31, 2059. The note will be called prior to maturity only in the event that there are operating deficits and there is insufficient cash available to cover expenses.

The Authority has also issued a note to the DeAnza Gardens, L.P., which is a discretely presented component unit of the Authority (see Note 1.B.). The note bears simple interest at the rate 3% per annum, payments are due commencing on October 1, 2005, but are payable only to the extent of the previous years' excess/distributable cash, and is due June 2043. No payments, of interest or principal, have been received on this loan.

Not shown on the previous schedule, the DeAnza Housing Corporation issued a note in the amount of \$1,000,000 bearing simple interest at 6.8%, to be paid in full June 2043. This second note is an intra-fund transaction. DeAnza Gardens L.P. owes the DeAnza Housing Corporation. This loan has been eliminated from the discretely presented component unit column of the Statement of Net Position. Since this loan does not effect the Authority, it is not shown in the table on the prior page.

HOUSING AUTHORITY OF THE COUNTY OF CONTRA COSTA
NOTES TO THE BASIC FINANCIAL STATEMENTS
MARCH 31, 2016

(Continued)

Note 6 (continued)

On April 8, 2003, the Authority entered into an energy services agreement with EUA Citizens Conservation Services, Inc. (Citizens). Citizens prepared an energy audit which generated a report and plan of action. Citizens proposed installing certain energy saving equipment in the housing units of the Public Housing Program. The Authority agreed to pay for the purchase and installation of this equipment in an amount not to exceed \$1,570,465. Citizens guaranteed the Authority a specific level of cost savings due to the installation of the equipment for a period of twelve years. The costs savings is guaranteed by Citizens to exceed the Authority's debt service on the financing associated with the purchase and installation of this equipment. At the end of the twelve year period the title to the equipment will pass to the Authority. The \$1,570,465 to fund this equipment lease and installation activity was borrowed from WestAmerica Bank. The loan was due in monthly installments of \$14,003 and accrued interest at a rate of 4.330% per annum. Interest in the amount of \$7,322 was paid and expensed during the fiscal year ended March 31, 2016. This loan was paid off on July 14, 2016.

During December 2006, the Authority purchased an office building to house the staff of their Housing Choice Voucher Program. To facilitate this purchase, the Authority borrowed \$2,847,500 from WestAmerica Bank on December 15, 2006. Originally, the interest on this loan was 6.75% per annum. The interest rate decreased to 6% in 2012 and 5.25% in 2013. On November 1, 2015, the terms of the loan agreement with WestAmerica Bank were changed. As of November 1, 2015, the \$2,335,903 loan will be amortized over 120 months, is due November 1, 2025, requires monthly payments of \$24,685, and accrues interest at a fixed rate of 4.850% per annum. Interest of \$122,230 and loan fees of \$750 were paid to WestAmerica Bank and expensed during the fiscal year ended March 31, 2016.

The California Housing Finance Agency note, received through the State of California, is dated November 14, 1994. The original amount borrowed was \$600,000. The loan carries a simple interest rate of 7.8% per annum. Principal and interest are payable in monthly installments of \$4,319. The note is due in full December 2024. Interest in the amount of \$27,141 was paid and expensed during the calendar year ended December 31, 2015.

The Rental Housing Construction Program note, received through the State of California, is dated January 15, 1993. The original amount borrowed was \$2,626,618. The loan accrues interest at a rate of 3% per annum. Payments are required on this loan only to the extent that the Casa Del Rio project has surplus cash. This note and interest on the note are due June 5, 2054. No principal or interest payments were made on this loan during the year ended December 31, 2015. Interest was expensed in the amount of \$78,787. The amount of deferred interest accrued as payable as of the end of the fiscal year was \$1,725,103. The entire amount is considered to be long-term and is shown as other noncurrent liabilities. See also Note 9.

Note 6 (continued)

Pursuant to a demand note dated June 30, 1994, the Authority may be liable to HACCC Casa Del Rio, Inc for \$185,000. Although the note is due upon demand, the maturity date is December 31, 2059. The note will be called prior to maturity only in the event that there are operating deficits and there is insufficient cash available to cover expenses.

Note 7 - PAYMENT IN LIEU OF TAXES

In connection with the Public Housing Program, the Authority is obligated to make annual payments in lieu of property taxes based on the lesser of 25% of the assessable value of owned housing, times the current tax rate; or 10% of the dwelling rents, net of utilities expense. At March 31, 2016, \$92,370 was expensed for payment in lieu of taxes. Approximately 75% is payable as of March 31, 2016 and is shown as *Due to Other Agencies*.

Note 10 - NET POSITION

A. Net investment in capital assets

Net investment in capital assets consists of the following:

Capital assets, net of depreciation (see Note 5)	\$ 12,433,904
Long term debt (omitting interfund balances) (see Note 6)	(5,317,394)
Accrued interest on long term debt (see Note 6 & 9)	<u>(1,725,103)</u>
Net investment in capital assets	<u><u>\$ 5,391,407</u></u>

B. Restricted Net Position

Net position is reported as restricted when constraints placed on the net asset use are either externally imposed by creditors, grantors, contributors, or laws or regulations of other governments; or imposed by law through constitutional provisions or enabling legislation. The Authority has reported the following as restricted net position:

Housing Choice Voucher - HAP	\$ 188,199
Casa Del Rio Senior Housing - Reserves	<u>539,649</u>
Restricted net position	<u><u>\$ 727,848</u></u>

In 2012, HUD implemented cash management procedures which mitigated the accumulation of excess HAP in Net Restricted Asset accounts by PHAs. These procedures based the payment of HAP on actual need reported by PHAs in the Voucher Management System (VMS). Most excess allocation is now held by HUD until PHAs demonstrate the need for the disbursement of funds. The excess HAP funds noted above are held in the Authority's restricted cash accounts and fully funded. See also Note 3.

The restricted net position associated with the Casa Del Rio Senior Housing, represents replacement and operating reserves required by CHFA, is being held by CHFA, and is fully funded. See also Note 3.

C. Deficit Unrestricted Net Position

The Authority's Other State and Local Enterprise Fund had a deficit unrestricted net position balance as of March 31, 2016, of \$6,259,635. This deficit is the result of the Authority's compliance with the new GASB Statement 68, *Accounting and Financial Reporting for Pensions - an amendment of GASB Statement 27*. The Authority's Other State and Local Enterprise Fund holds the deferred outflows of resources, deferred inflows of resources, and the net pension liability of the Authority's retirement plan. These balances change annually as payments are made to the plan and as actuarial information is received regarding the plan.

Note 11 - RETIREMENT PLAN

A. Plan Description

The Authority participates in a cost-sharing multiple-employer defined benefit retirement plan that is administered by the Contra Costa County Employees' Retirement Association (CCCERA) under the County's Employee's Retirement Law of 1937 (1937 Act) and the Public Employee's Pension Act of 2013 (PEPRA). A more detailed description of the plan and the benefits provided can be obtained from the CCCERA's Comprehensive Annual Financial Report and the CCCERA's Actuarial Valuation and Review, which are located at www.cccera.org.

B. Benefits Provided

All full-time employees of the Authority participate in this plan. There are currently 83 active plan members and 70 retirees or beneficiaries receiving benefits. The plan provides death, disability and service retirement benefits, in accordance with the 1937 ACT. Annual cost-of-living adjustments (COLA) to retirement benefits can be granted by the Retirement Board as provided by State statutes. The Authority has two applicable tiers, Tier 1 Enhanced and PEPRA Tier IV (3% Max COLA).

Tier 1 Enhanced employees are those with a membership prior to January 1, 2013. These members are eligible to retire once they attain the age of 70 regardless of service or at age 50, with 10 or more years of retirement service credit. A member with 30 years of service is eligible to retire regardless of age. Benefits are calculated pursuant to Section 31676.16 for Enhanced Benefit Formulae. The monthly allowance is 1/50th (Enhanced) of final compensation times years of accrued retirement service credit times age factor from Section 31676.16 (Enhanced). The maximum retirement benefit is 100% of final compensation. Final average compensation consists of the highest 12 consecutive months.

PEPRA Tier IV employees are those with a membership on or after January 1, 2013. These members are eligible to retire once they have attained the age of 70 regardless of service or at 52, with five years of retirement service credits. Benefits are calculated pursuant to the provisions found in California Government Code Section 7522.20(a). The monthly allowance is equal to the final compensation multiplied by years of accrued retirement credit multiplied by the age factor from Section 7522.20(a). There is no final compensation limit in the maximum retirement benefit for this tier. Final average compensation consist of the highest 36 consecutive months.

C. Contributions

The Authority contributes to the retirement plan based upon actuarially determined contribution rates adopted by the Board of Retirement. Employer contribution rates are adopted annually based upon recommendations received from the CCCERA actuary after the

HOUSING AUTHORITY OF THE COUNTY OF CONTRA COSTA

Note 11 (continued)

completion of the annual actuarial valuation. The average Authority employer contribution rate as of March 31, 2016 was 46.82%. Members are required to make contributions to CCCERA regardless of the retirement plan or tier in which they are included. The average member contribution as of March 31, 2016 was 7.38%. As of March 31, 2016, the Authority owed CCCERA \$214,721. This liability is short-term and represents March contributions paid in April 2016.

D. Net Pension Liability

The *Governmental Accounting Standards 68 Actuarial Valuation based on December 31, 2015 measurement date for employer reporting as of June 30, 2016*, provided by CCCERA outlines the net pension liability (NPL) allocated to its member employers as based on the following definition of covered payroll - "Only compensation earnable and pensionable would go into the determination of retirement benefits".

The most recent Actuarial Report available from CCCERA had a valuation date of December 31, 2015. The Authority used the beginning NPL from this report as its balance as of the beginning of its fiscal year ended March 31, 2016. Since this is the first year of the implementation of GASB Statement No. 68 *Accounting and Financial Reporting for Pensions - an amendment of GASB Statement No. 27*, a prior period adjustment was used to establish the NPL as of April 1, 2015 as follows:

Net pension liability as of the measurement date December 31, 2014	\$ 8,652,807
Deferred inflows of resources - net difference between expected and actual experience in TPL	1,143,602
Employer contributions made subsequent to the measurement date and up to March 31, 2015	<u>(608,801)</u>
Prior period adjustment April 1, 2015	<u>\$ 9,187,608</u>

The December 31, 2015 CCCERA Actuarial Report reflects the following NPL balances:

	Measurement Date <u>12/31/2015</u>	Measurement Date <u>12/31/2014</u>
NPL as the beginning of the measurement period	\$ 8,652,807	\$ 10,648,283
Pension Expense	1,712,545	1,240,720
Employer Contributions	(2,329,742)	(2,092,594)

Sensitivity of the net pension liability to changes in the discount rate

The following presents the net pension liability as of December 31, 2015 calculated using the discount rate of 7.00%, as well as what the NPL liability would be if it were calculated using a discount rate that is one percentage point lower or higher than the current rate:

	1% decrease 6.00%	Current Discount rate 7.00%	1% increase 8.00%
Housing Authority NPL	\$ 18,553,691	\$ 10,788,391	\$ 4,465,010

E. Pension Expense and Deferred Outflows/Inflows of Resources Related to Pension

Pension expense represents the change in the net pension liability during the measurement period, adjusted for actual contributions and the deferred recognition of changes in investment gain/loss, actuarial gain/loss, actuarial assumptions or method, and plan benefits as follows:

	<u>12/31/2015</u>	<u>12/31/2014</u>
Service Cost	\$ 1,380,994	\$ 1,391,284
Interest on total pension liability	4,168,551	4,061,294
Expensed portion of current-period changes in proportion and differences between employer's contributions and proportionate share of contributions	(20,643)	(7,224)
Expensed portion of current-period difference between expected and actual experience in the TPL	(98,375)	(288,842)
Expensed portion of current-period changes of assumptions or other inputs	114,320	(119)
Member contributions	(611,033)	(566,319)
Projected earnings on plan investments	(3,583,223)	(3,380,531)
Expensed portion of current-period differences between actual and projected earnings on plan investments	611,259	(19,334)
Administrative expense	58,092	50,511
Other expenses	4,784	-
Recognition of beginning of year deferred inflows of resources as pension expense	(304,957)	-
Net amortization of deferred amounts from changes in proportion and differences between employer's contribution and proportionate share of contributions	<u>(7,224)</u>	<u>-</u>
Pension expense - measurement date 12/31	<u>\$ 1,712,545</u>	<u>\$ 1,240,720</u>

Deferred outflows and inflows of resources represent the unamortized portion of changes to net pension liability to be recognized in future periods in a systematic and rational manner,

HOUSING AUTHORITY OF THE COUNTY OF CONTRA COSTA
NOTES TO THE BASIC FINANCIAL STATEMENTS
MARCH 31, 2016

(Continued)

Note 11 (continued)

In addition, deferred outflows of resources include employer contributions to the pension plan made subsequent to the measurement date, as follows:

	Deferred Outflows	Deferred Inflows
Changes in proportion an differences between employer's contribution and proportionate share of contribution	\$ -	\$ 91,447
Changes in assumptions or other input	402,407	306
Net excess of projected over actual earnings on pension plan investments	2,387,664	-
Difference between expected and actual experience in the TPL	-	1,089,139
Balances per actuarial report - measurement date 12/31/2015	2,790,071	1,180,892
Employer contributions made January thru March 2016	556,527	-
Balances reported March 31, 2016	<u>\$ 3,346,598</u>	<u>\$ 1,180,892</u>

Deferred outflows and inflows of resources, other than the employer contributions noted above, will be recognized in future pension expense as follows:

Measurement period:	
2017	\$ 294,380
2018	294,380
2019	411,602
2020	608,817

The amount reported as deferred outflows of resources related to employer contributions made January through March 2016, should have the effect of reducing net pension liability during the next actuarial measurement period. The Authority has reported deferred outflows and inflows of resources in the aggregate on the Statement of Net Position.

F. Actuarial Assumptions

The total pension liability (TPL) as of December 31, 2015, and December 31, 2014 were determined by actuarial valuations as of December 31, 2014 and December 31, 2013, respectively. The actuarial assumptions used were based on the results of an experience study for the period January 1, 2012 through December 31, 2014. They are generally the same as the assumptions used in the December 31, 2015 and the December 31, 2014 funding actuarial valuations that for GASB 68 purposes, the investment return assumption used is net of investment expenses only and is not net of administrative expenses.

Measurement Date	12/31/2015	12/31/2014
Inflation	2.75%	3.25%
Salary increases - general	4.0% to 13.25%	4.75% to 13.5%
Investment rate of return	7.00%	7.25%
Administrative expenses	1.14%	Not applicable
Cost of living adjustment	2.75%	3.00%

HOUSING AUTHORITY OF THE COUNTY OF CONTRA COSTA
NOTES TO THE BASIC FINANCIAL STATEMENTS
MARCH 31, 2016

(Continued)

Note 11 (continued)

When measuring pension liability GASB uses the same actuarial cost method (Entry Age method) and the same type of discount rate (expected return on assets) as CCCERA uses for funding. This means that the TPL measured for financial reporting shown in this report is determined on generally the same basis as CCCERA's actuarial accrued liability (AAL) measure for funding.

Mortality rates for member contribution rates for members were based on the RP-2014 Healthy Annuitant Mortality Table projected to 2034 with the two-dimensional MP-2015 projection scale, weighted 30% male and 70% female.

The long-term expected rate of return on pension plan investments determined in 2016 using a building-block method in which expected future real rates of return (expected returns, net of inflation) are developed for each major asset class. These returns are combined to produce the long-term expected rate of return by weighing the expected future real rates of return by the target asset allocation percentage, adding expected inflation and subtracting expected investment expenses and a risk margin.

The target allocation (approved by the CCCERA Board) and projected arithmetic real rates of return for each major asset class, after deducting inflation but before deducting investment expensed, used in the derivation of the long-term expected investment rate of return assumption are summarized in the following table:

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Long-term Expected Real Rate</u>
Large Cap U.S. Equity	6.0%	5.75%
Developed International Equity	10.0	6.99
Emerging Markets Equity	14.0	8.95
Short-term Gov't/Credit	24.0	0.20
U. S. Treasury	2.0	0.30
Real Estate	7.0	4.45
Risk Diversifying	2.0	4.30
Private Credit	17.0	6.30
Private Equity	17.0	8.10
Cash and Equivalents	1.0	-0.46
Total	<u>100.0%</u>	

The discount rate used to measure the TPL was 7% as of December 31, 2015 and 7.25% as of both December 31, 2014 and 2013. The projection of cash flows used to determine the discount rate assumed plan members contributions will be made at the current contribution rate and that employer contributions will be made as rates equal to the actuarially determined contribution rates. For this purpose, only employee and employer contributions that are intended to fund benefits for current plan members and their beneficiaries are included. Projected employer contributions that are intended to fund the service costs for future plan members and their beneficiaries, as well as projected contributions for future plan members,

Note 11 (continued)

are not included. Based on those assumptions, the Pension Plan's Fiduciary Net Position was projected to be available to make all projected future benefit payments for current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the TPL as of both December 31, 2015 and 2014.

G. Funding Information

Employees contribute to the retirement system through Biweekly payroll deductions. The rate of contribution for employees is determined by numerous factors at the time of entrance into the system. Employee contributions and interest thereon may be withdrawn only at the termination of employment or at retirement.

Information on contributions for the last seven years is as follows:

<u>Fiscal Year Ended</u>	<u>Payroll Subject to Contribution</u>	<u>Employer Contribution</u>	<u>As a Percentage of Payroll</u>	<u>Employee Contribution</u>	<u>As a Percentage of Payroll</u>
3/31/2010	\$ 5,345,205	\$ 1,760,494	32.94%	\$ 371,528	6.95%
3/31/2011	\$ 5,227,243	\$ 1,806,368	34.56%	\$ 370,477	7.09%
3/31/2012	\$ 5,057,120	\$ 1,916,003	37.89%	\$ 322,557	6.38%
3/31/2013	\$ 4,922,992	\$ 1,821,886	37.01%	\$ 367,216	7.46%
3/31/2014	\$ 4,647,605	\$ 1,761,687	37.91%	\$ 330,230	7.11%
3/31/2015	\$ 4,755,988	\$ 2,239,997	47.10%	\$ 366,222	7.70%
3/31/2016	\$ 4,833,700	\$ 2,262,987	46.82%	\$ 356,594	7.38%

The ten-year trend analysis and other disclosures required by U.S. generally accepted accounting principles are described in the financial statements of the Contra Costa County Employees' Retirement Association (CCCERA). CCCERA is a component unit of the County of Contra Costa and is reported as a pension trust fund in their basic financial statements. Complete audited financial statements may be obtained from the administrative offices of CCCERA 1355 Willow Way, Suite 221, Concord, CA 94520.

Note 12 - POST EMPLOYMENT HEALTHCARE PLAN

Plan Description: Contra Costa County Housing Authority (CCCHA) provides a defined benefit health care program to its retired employees and their dependents. Benefits include coverage in the health and dental plans administered by CCCHA. Benefit provisions are established and amended through negotiations between CCCHA and the respective unions and employee groups. Current maximum monthly contribution toward the cost of medical and dental coverage ranges

from \$345 to \$980. CCCHA does not issue a publicly available financial report for the retiree health care program.

Eligibility: CCCHA retirees are eligible for membership in the plans upon retirement (drawing a pension from Contra Costa County Employee Retirement Association (CCCERA) or CalPers). No provision currently exists for members in deferred retirement status.

Retirees and beneficiaries receiving benefits	70
Active plan members	<u>83</u>
Total	<u><u>153</u></u>

Funding Policy: The contribution requirements of program members and CCCHA are determined by negotiations between CCCHA and the respective unions and employee groups. There is currently no requirement for employees to contribute to the plan.

Beginning fiscal year 2016, CCCHA has begun funding the annual OPEB cost. CCCHA has established a trust account with the Public Agency Retirement Services (PARS) to administer the funding of the projected benefits of the OPEB plan. Monthly, CCCHA makes healthcare premium payments of its current retirees to the benefit providers. The current plan has specific limits, with the retiree contributing any necessary amount of the premium cost that exceeds the limits. CCCHA then makes deposits into their PARS trust account for the difference between the actuarially determined annual OPEB cost and the out-of-pocket payments made to the healthcare benefit providers. This funding policy assumes a discount rate of 4% up until March 31, 2016 and 7.39% beginning April 1, 2016. The change in discount rates is due to the Authority's decision to fund the OPEB plan.

Annual Other Post Employment Benefit (OPEB) Cost and Net OPEB Obligation: The CCCHA's annual OPEB costs (expense) is calculated based on the annual required contribution (ARC) of the employer, an amount actuarially determined in accordance with the parameters of Governmental Accounting Standards Board (GASB) Statement 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and amortize any unfunded actuarial liabilities (or funding excess) over a period not to exceed thirty years. Interest on net OPEB obligation is based on the actuarial interest rate of 4.0% and is computed on the unfunded amount.

The most current actuarial report, dated April 1, 2014, calculated these amounts for the fiscal year ended March 31, 2016. The following table shows the components of the CCCHA's annual OPEB cost for the past three years, the amount actually contributed to the plan, and changes in the CCCHA's net OPEB obligation.

HOUSING AUTHORITY OF THE COUNTY OF CONTRA COSTA
NOTES TO THE BASIC FINANCIAL STATEMENTS
MARCH 31, 2016

(Continued)

Note 12 (continued)

Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality, and the healthcare cost trend. Amounts determined regarding the funded status of the plan and the annual required contributions of the employer are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future. The schedule of funding progress, presented as required supplementary information on page 59, presents multi-year trend information about whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial liabilities for benefits.

Actuarial Methods and Assumptions: Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and the plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing of benefit costs between the employer and plan members to that point. The actuarial methods and assumptions used include techniques that are designed to reduce the effects of short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations.

The valuation was completed using the Entry Age Normal Actuarial Cost method. This cost method allocates the present value of future benefits on a level basis over the earnings of each employee between the hire date and assumed retirement age. This valuation assumes a 3.25% annual rate of increase in payroll, an average 6.1% annual health care cost trend rate assumption, and is based on an open 30-year amortization of the Unfunded Actuarial Liability using the level percent of payroll. The valuation results were based on a 4% discount rate up until March 31, 2016, assuming that the CCHA continues pay-as-you-go funding of its post-employment benefit program. The discount rate changed to 7.39% beginning April 1, 2016 which coincides with the Authority's decision to fund the OPEB plan.

Note 13 - DEFERRED COMPENSATION PLAN

The Authority offers its employees a deferred compensation plan created in accordance with Internal Revenue Code Section 457. The plan is administered by Mass Mutual Financial Group. The plan, available to all regular employees, permits them to defer a portion of their salary until future years. The deferred compensation is not available to employees until termination, retirement, death or unforeseeable emergency. All amounts of compensation deferred under the plan, all property and rights purchased with those amounts, and all income attributable to those amounts, property, or rights are held in trust for the exclusive benefits of participants and their beneficiaries.

Casa Del Rio Housing - Blended Component Unit

Organization:

Casa Del Rio Housing is made up of HACCC Casa Del Rio, Inc (A California Nonprofit Public Benefit Corporation) and CDR Senior Housing Associates (A California Limited Partnership). HACCC Casa Del Rio, Inc. is the general partner of CDR Senior Housing Associates. The officers and Board members of HACCC Casa Del Rio, Inc. are employees of the Authority. The partnership was formed in 1994 to develop and operate an 82-unit affordable housing rental complex located in Antioch, California, which is currently known as Casa Del Rio Senior Housing.

Pursuant to the Indemnification Agreement dated July 1, 1994, by and among the Authority, HACCC Casa Del Rio, Inc., CDR Senior Housing Associates, and MHIFED I Limited Partnership, the Authority could possibly be liable for unpaid taxes, interest and penalties, cost to contest, operating deficiency and expenses of enforcement as identified in the Agreement.

Pursuant to the Operating Deficit Guaranty Agreement dated July 1, 1994, by the Authority to and for the benefit of MHIFED I Limited Partnership, the Authority can possibly be liable for operating deficit and expenses of enforcement as identified in the Agreement.

Pursuant to the Indemnity Agreement, dated July 1, 1994, by the Authority to and for the benefit of CDR Senior Housing Associates and MHIFED I Limited Partnership, the Authority can possibly be liable for any costs, expenses, and liabilities arising out of claims made by FPI (FPI Real Estate Group, FPI Mortgage Co. and FPI Management, Inc.) under the Development Agreement.

Pursuant to the Demand Note dated June 30, 1994, from the Authority to HACCC Casa Del Rio, Inc., the Authority can possibly be liable to HACCC Casa Del Rio, Inc. for \$185,000. Although the note is due upon demand the maturity date is December 31, 2059, the note will be called prior to maturity only in the event that there are operating deficits and there is not sufficient cash available to cover expenses. This note is recorded as both an interfund note receivable and note payable (see Notes 4 and 6).

Note 14 (continued)

Pursuant to the Assignment and Assumption Agreement, the Authority can possibly be liable for any and all claims relating to the Assignment and Assumption Agreement arising prior to the date of the Assignment and Assumption Agreement.

Pursuant to the Department of Housing and Community Development Rental Housing Construction Program First Amendment to the Regulatory Agreement (the “Amended HCD Agreement”) dated November 14, 1994, by and among the Department of Housing and Community Development, CDR Senior Housing Associates, and the Authority; the Authority can possibly be liable for a sponsor’s operating guaranty to provide sufficient staff or equipment to the general partner, as needed and remedies against sponsor for default under the Amended HCD Agreement.

Since HACCC Casa Del Rio, Inc (CDR Inc) and CDR Senior Housing Associates (CDR Associates) have the potential to impose a financial burden on the Authority, these entities have been included in the Authority’s financial statements as a blended component unit. The fiscal year end of these blended component units is December 31. Audits were conducted on these entities as of December 31, 2015, by Linquist, Von Husen, & Joyce, LLP. The opinions were not modified. These audit reports may be obtained by contacting the Authority at the address on page 11. The Authority reports the balances for these blended component units as of December 31, 2015, which differs from that of the Authority’s fiscal year end of March 31, 2016. The balances at each fiscal year end do not differ materially. Modification were made to the audited financial statements to conform with the reporting categories of the Authority. Specifically, net assets reported in the audit were converted to the three categories of net position in conformity with the Authority’s reporting practices.

Interfund accounting issues:

Operating advances made by the Authority were \$394,178 as of March 31, 2016. The interfund balance as of December 31, 2015 was \$370,465 and was reported as non-current related party payable by the other auditors. The Statement of Net Position - Proprietary Funds, reported as of March 31, 2016, shows \$370,465 as both a noncurrent asset and as a noncurrent liability. The difference of \$23,713, due to the timing differences of the fiscal year ends, is shown as "other" noncurrent assets.

During the fiscal year ended December 31, 2015, CDR Associates paid management fees to the Authority in the amount of \$52,452. Some of the Casa Del Rio Senior Housing tenants (2 as of December 31, 2015) are also participants in the Authority's Housing Choice Voucher or Shelter Plus Care Programs. The rent for these tenants is subsidized by HUD through the Authority. During the twelve months ended March 31, 2016, the Authority's Housing Choice Voucher and Shelter Plus Care Programs paid a total of \$9,755 in HAP payments to CDR Associates.

CDR Inc earns interest of \$13,912 on its loan with the Authority of \$185,000. CDR Inc has agreed to give the interest back to the Authority as a charitable contribution. This interest revenue and expense are reported within the blended component unit enterprise fund.

Intrafund accounting issues:

The intrafund amounts which have been eliminated as of March 31, 2016, from the Casa Del Rio Blended Component Unit Enterprise Fund for inclusion into the Fund Financial Statements include:

- \$106,330 receivable/payable between CDR Inc and CDR Associates
- \$1,170,069 investment in partnership recorded as an liability of CDR Inc and net position of CDR Associates.
- \$15,000 managements fees reported as revenue to CDR Inc and expenses of CDR Associates.

Deficit Net Position

These blended component units combined, have a deficit net position of \$853,547.

DeAnza - Discretely Presented Component Units

Organization:

The discretely presented component units are DeAnza Housing Corporation (A California Nonprofit Public Benefit Corporation) and DeAnza Gardens, L.P. (A California Limited Partnership). The Authority is the General Partner and DeAnza Housing Corporation is the managing general partner of DeAnza Gardens, L.P. The partnership was formed for the purpose of acquisition, ownership, maintenance, and operation of 180 multi-family rental housing units and the provision of low-income housing through the construction, renovation, rehabilitation, operation, and leasing of an affordable housing development located in Contra Costa County, which is currently known as DeAnza Gardens.

DeAnza Housing Corporation (DeAnza Corp) and DeAnza Gardens L.P. (DeAnza L.P.) have been reported as discretely presented component units of the Authority. The fiscal year end of these discretely presented component units is December 31. Audits were conducted on these entities as of December 31, 2015, by Linquist, Von Husen, & Joyce, LLP. The opinions were not modified. These audit reports may be obtained by contacting the Authority at the address on page 11. The Authority reports the balances for these discretely presented component units as of December 31, 2015, which differs from that of the Authority's fiscal year end of March 31, 2016. The balances at each fiscal year end do not differ materially. Modifications were made to the audited financial statements to conform with the reporting categories of the Authority. Specifically, net assets reported in the audit were converted to the three categories of net position in conformity with the Authority's reporting practices.

Note 14 (continued)

The Authority's Housing Choice Voucher Enterprise Fund loaned \$1 million to DeAnza Gardens L.P. The note bears simple interest at the rate 3% per annum, payments are due commencing on October 1, 2008, but are payable only to the extent of the previous years' excess/distributable cash, and is due June 2043. Interest of \$30,000 was expensed during the fiscal year ended December 31, 2015. No interest has been paid to the Authority. The Authority's Housing Choice Voucher Enterprise Fund reported \$450,107 due from related parties and revenue of \$30,000. See Note 4.

DeAnza Gardens was built on land owned by the Authority's Public Housing Program Enterprise Fund. Based on an agreement between DeAnza Gardens L.P. and the Authority, the land is leased for \$72,000 per year, payable from excess/distributable cash. Unpaid lease amounts are carried forward without interest. The Authority's Public Housing Program Enterprise Fund reported \$924,000 due from related party for this lease, with \$72,000 reported in the current fiscal year as fees charged to a related party (nonoperating revenue).

During the fiscal year ended December 31, 2015, DeAnza Gardens L.P. paid management fees to the Authority in the amount of \$12,960. Nonoperating revenue of \$12,960 is reported in the Authority's Statement of Revenues, Expenses, and Changes in Fund Net Position for the year ended March 31, 2016. Some of the DeAnza Gardens tenants (5 as of December 2015) are also clients of the Authority's Housing Choice Voucher or Shelter Plus Care Program. The rent for these tenants is subsidized by HUD through the Authority. During the twelve months ended March 31, 2016, the Authority's Housing Choice Voucher Program paid \$66,590 in HAP payments to DeAnza Gardens L.P..

Intrafund accounting issues:

The intrafund amounts which have been eliminated when reporting these entities in the Statement of Net Position and Statement of Revenues, Expenses, and Changes in Fund Net Position are:

- \$1,000,000 long-term note held by DeAnza Corp from DeAnza L.P.
- \$850,280 of interest on the long-term note held by DeAnza Corp from DeAnza L.P.
- \$279,419 receivable recognized by DeAnza Corp from DeAnza L.P.
- \$622 deficit investment in partnership reported by DeAnza Corp is offset by net position in DeAnza L.P.
- \$55,250 managements fees reported as revenue to DeAnza Corp and expenses of DeAnza L.P.
- \$68,000 interest revenue on the long-term debt is recognized by DeAnza Corp and expensed by DeAnza L.P.

Deficit Unrestricted Net Position

While DeAnza Gardens has a positive net position in total, its unrestricted net position is in deficit as of December 31, 2015. The majority of the entity's assets are either invested in capital assets or restricted, leaving the unrestricted net position in deficit by \$2,929,179. This deficit is an increase over the prior year's deficit of \$2,904,459.

Note 15 - CONTINGENT LIABILITIES

A. Grants

The Authority has received funds from various federal, state and local grant programs. It is possible that at some future date it may be determined that the Authority was not in compliance with applicable grant requirements. The amount, if any, of expenditures which may be disallowed by the granting agencies cannot be determined at this time although the Authority does not expect such disallowed amounts, if any, to materially affect the financial statements.

B. Line of Credit

On January 12, 2016, the Authority renewed an agreement with WestAmerica Bank for a \$1 million line of credit. The interest rate is variable, but will not exceed the amount allowed by law. The initial rate for this line of credit was 4.5%. It is the Authority's intention to use this line of credit to cover any shortage in cash flow, if any, that may arise over the term of the loan. No amounts were drawn on this line of credit during the current fiscal year.

Note 15 (continued)

C. Litigation

The Authority is involved in various matters of litigation. It is the Authority's opinion that these matters of litigation will not have a material effect, if any, on the financial position of the Authority.

Note 16 - ECONOMIC DEPENDENCE

The Authority receives a significant portion of its revenue from the U.S. Department of Housing and Urban Development. See the Schedule of Expenditures of Federal Awards, shown as supplemental information, for the HUD programs that the Authority administers. These programs are currently on-going. However, they are dependent on the Federal budgeting processes, and therefore, funding will vary from year to year.

Note 17 - RISK MANAGEMENT

Workers Compensation Insurance: The Authority participates in a joint venture under a joint powers agreement (JPA) with the California Housing Workers' Compensation Authority (CHWCA). CHWCA was formed to provide workers' compensation insurance coverage for member housing authorities. At December 31, 2015, there were thirty-three members. The relationship between the Authority and CHWCA is such that CHWCA is not a component unit of the Authority for financial reporting purposes.

Condensed CHWCA audited financial information for the year ended December 31, 2015 and 2014 are as follows:

	December 31, 2015	December 31, 2014
Total assets	\$ 25,524,673	\$ 24,496,334
Total liabilities	<u>(15,818,959)</u>	<u>(16,484,222)</u>
Net position	<u>\$ 9,705,714</u>	<u>\$ 8,012,112</u>
 Total revenues	 \$ 5,118,049	 \$ 4,702,889

Net change in net position	<u>\$ 1,693,603</u>	<u>\$ 808,074</u>

CHWCA had no long-term debt outstanding at December 31, 2015. The Authority's share of year end assets, liabilities, or retained earnings has not been calculated. The Authority's annual premium is based on covered payroll. Premiums paid for the calendar year ended December 31, 2015 were \$249,422. CHWCA issues a separate comprehensive annual financial report. Property and Liability Insurance: The Authority carries insurance for its various operations with the Housing Authority Insurance Services (HAI), the Housing Authority Risk Retention Group (HARRG), and Employment Risk Management Authority (ERMA). The property insurance limits vary by property covered, with a deductible of \$25,000 per occurrence. The commercial liability limit of coverage is \$5,000,000 aggregate for the policy year. The deductible is \$25,000 per occurrence. The liability insurance covers bodily injury and property damage liability (\$5 million limit), mold liability (\$250,000 limit), and employee benefits administration liability (\$1 million limit, with a deductible of \$1,000 per employee). The automobile insurance limits are \$4 million for liability, \$1 million for non-owned hired autos, and \$1 million for uninsured motorists. Employment liability insurance coverage through ERMA is \$1 million with a \$50,000 deductible per occurrence. Premiums paid for this coverage were approximately \$312,000 for the policy year beginning June 1, 2015.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Commissioners
Housing Authority of the
County of Contra Costa
Martinez, California

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities of the Housing Authority of the County of Contra Costa, California, as of and for the year ended March 31, 2016, and the related notes to the financial statements, which collectively comprise the Housing Authority of the County of Contra Costa, California's basic financial statements, and have issued our report thereon dated November 17, 2016. Our report includes a reference to other auditors who audited the financial statements of the blended component units and discretely presented component units, as described in our report on the Housing Authority of the County of Contra Costa, California's financial statements. This report does not include the results of the other auditors' testing of internal control over financial reporting or compliance and other matters that are reported on separately by those auditors.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Housing Authority of the County of Contra Costa, California's internal control over financial reporting (internal control) to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Housing Authority of the County of Contra Costa, California's internal control. Accordingly, we do not express an opinion on the effectiveness of the Housing Authority of the County of Contra Costa, California's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Authority's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Housing Authority of the County of Contra Costa, California's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Authority's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE WITH REQUIREMENTS
FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Commissioners
Housing Authority of the
County of Contra Costa
Martinez, California

Report on Compliance for Each Major Federal Program

We have audited the Housing Authority of the County of Contra Costa, California's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Housing Authority of the County of Contra Costa, California's major federal programs for the year ended March 31, 2016. The Housing Authority of the County of Contra Costa, California's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Housing Authority of the County of Contra Costa, California's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Housing Authority of the County of Contra Costa, California's compliance with those requirements and performing such other procedures as we consider necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination on the Housing Authority of the County of Contra Costa, California's compliance.

Opinion on Each Major Federal Program

In our opinion, the Housing Authority of the County of Contra Costa, California complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended March 31, 2016.

Report on Internal Control Over Compliance

Management of the Housing Authority of the County of Contra Costa, California is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit, we considered the Housing Authority of the County of Contra Costa, California's internal control over compliance with the types of compliance requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Housing Authority of the County of Contra Costa, California's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal programs that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in the internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purposes.

November 17, 2016

To the Board of Commissioners
and Executive Director
Housing Authority of the
County of Contra Costa
Martinez, California

We have audited the financial statements of the business-type activities of the Housing Authority of the County of Contra Costa, component unit of the County of Contra Costa, California (the Authority) for the year ended March 31, 2016. We did not audit the financial statements of the Authority's component units which were audited by other auditors and the reports were furnished to us. Professional standards require that we provide you with the following information related to our audit.

Our Responsibility under U.S. Generally Accepted Auditing Standards, *Government Auditing Standards* and the Uniform Guidance.

As stated in our engagement letter dated December 30, 2015, our responsibility, as described by professional standards, is to express opinions about whether the financial statements prepared by management with your oversight are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles. Our audit of the financial statements does not relieve you or management of your responsibilities.

In planning and performing our audit, we considered the Housing Authority of the County of Contra Costa, California's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinions on the financial statements and not to provide assurance on the internal control over the financial reporting. We also considered internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with the Uniform Guidance.

As part of obtaining reasonable assurance about whether the Authority's financial statements are free of material misstatements, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants. However, providing an opinion on compliance with those provision is not an objective of our audit. Also, in accordance with the Uniform Guidance, we examined, on a test basis, evidence about the Authority's compliance with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Compliance Supplement applicable to each of its major federal programs for the purpose of expressing an opinion on the Authority's compliance with those requirements. While our audit provided a reasonable basis for our opinion, it does not provide a legal determination on the Authority's compliance with those requirements.

Generally accepted accounting principles provide for certain required supplementary information (RSI) to supplement the basic financial statements. Our responsibility with respect to the Management Discussion and Analysis (MD&A), which supplements the basic financial statements, is to apply certain limited procedures in accordance with generally accepted auditing standards. Our procedures consisted of inquiries

of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We did not audit the RSI and do not express an opinion or provide any assurance on the RSI because the limited procedures do not provide us with sufficient audit evidence to express an opinion or provide any assurance.

We have been engaged to report on the Schedule of Expenditures of Federal Awards, the Financial Data Schedule and the Statement of Completed Capital Fund Program Project, which accompany the financial statements but are not RSI. Our responsibility for this supplementary information, as described by professional standards, is to evaluate the presentation of the supplementary information in relation to the financial statements as a whole and to report on whether the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole. We made certain inquiries of management and evaluated the form, content, and method of preparing the information to determine that the information complies with accounting principles generally accepted in the United State of America, the methods of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

We have not been engaged to report on the Schedule of Relevant Statistics which accompanies the financial statements but is not RSI. Our responsibility with respect to this other information in documents containing the audited financial statements and auditor's report does not extend beyond the financial information identified in the report. We have no responsibility for determining whether this other information is properly stated. This other information has not been audited and we did not express an opinion or provide any assurance on it.

Planned Scope and Timing of the Audit

The audit included examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit involves judgement about the number of transactions to be examined and the areas to be tested.

Our audit included obtaining an understanding of the entity and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Material misstatement may result from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the entity or to acts by management or employees acting on behalf of the entity. We noted no material misstatement that required communication to you during our audit.

Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Disclosures

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Authority are described in Note 1 to the financial statements. As described

in Note 11 to the financial statements, the Authority changed accounting policies related to its pension plans by adopting Statement of Government Accounting Standards (GASB) No. 68, *Accounting and Financial Reporting for Pensions - an amendment of GASB Statement No. 27*, during the current fiscal year. As a result, the Authority recognized the net pension liability, deferred outflows of resources, and deferred inflows of resources associated with the Authority's pension plans. Accordingly, the cumulative effect of the accounting change as of the beginning of the year was a decrease to the Authority-wide net position of \$9.2 million. As described in Note 1.T. to the financial statements, the Authority considered the effect that new GASB pronouncements would have on the financial statements. Specifically, the Authority considered the effects of GASB No 75 *Accounting and Financial Reporting for Postemployment Benefits Other than Pensions*, and anticipates that the full implementation of this Statement will have a material impact on the financial statements beginning with the fiscal year ended March 31, 2019. We noted no transactions entered into by the Authority during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the Authority's financial statement were:

- Allowance for uncollectible tenant accounts receivable: Management's estimate is based on past experience and subsequent collections. We inquired with management on the need for the amount of the allowances.
- Depreciation on capital assets: Management's estimate of the useful lives of its capital assets is based on historical information about similar assets, the length of time the assets are expected to meet service and technology demands, and the Authority's maintenance policy for the assets. These estimates have remained consistent for several years. We evaluated the key factors and assumption used to develop the depreciation estimates in determining that they are reasonable in relation to the financial statements taken as a whole.
- OPEB liability: Management's estimate is derived from actuarial valuations obtained from experts. We agreed the OPEB liability and the other information contained in the OPEB footnote to the amounts reported in the actuarial report dated January 23, 2015, for the period beginning April 1, 2014, by Nicolay Consulting Group.
- Net Pension Liability and the related Deferred Inflows/Outflows of Resources: Management's estimate is derived from actuarial valuations obtained from experts. We agreed these balances and other information contained in the pension plan (CCCERA) footnote to the various documentation supplied by CCCERA. This documentation included (1) CCCERA GASB 68 Actuarial Valuation Based on December 31, 2015 Measurement Date for Employer Reporting as of June 30, 2016, (2) CCCERA GASB 68 Actuarial Valuation Based on December 31, 2014 Measurement Date for Employer Reporting as of June 30, 2015, (3) Actuarial Valuation and Review as of December 31, 2014 performed by Segal Consulting, and (4) CCCERA's CAFR as of December 31, 2015.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most significant disclosure affecting the financial statements were:

- (1) The disclosure of the related parties - component units, both blended and discreetly presented, in Note 14 to the financial statements. This disclosure describes the Authority's relationship, including financial, with its component units
- (2) The disclosure of the other postemployment benefits in Note 12 to the basic financial statements. This disclosure discusses post employment benefits other than the pension plan, the funding policy, the Authority's estimated unfunded liability, and the amounts currently recorded as liabilities. This footnote is significant due to the requirement of agencies to implement GASB Statement No 75 - *Accounting and Financial Reporting for Postemployment Benefits Other than Pensions*, beginning fiscal year ended March 31, 2019. This GASB Statement requires all agencies to fully record all liability associated with the plan as of that date.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to each opinion unit's financial statements taken as a whole.

Disagreements with Management

For the purpose of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreement arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated November 17, 2016.

Management Consultation with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Authority's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Disclosures or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the government unit's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition of our retention.

RECOMMENDATIONS

ACCEPT report on the procedure for submitting applications for the Low Income Public Housing program.

BACKGROUND

This report is intended to inform the Housing Authority of the County of Contra Costa Board of Commissioners that the Housing Authority of the County of Contra Costa (HACCC) will accept on-line applications for the Low Income Public Housing program beginning Monday, February 27, 2017, at 10:00 a.m. through Thursday March 2, 2017, closing at 4:00 p.m.

Applications for all bedroom sizes (one, two, three, four and five) will be accepted online only. A link will be provided on the HACCC website to access the online application portal. Applicants can use a computer, tablet or smart-phone with internet access to apply for housing.

Applications will be placed on the waiting list according to date/time and preferences. This does not indicate that the family is, in fact, eligible for assistance. A final determination for eligibility and verification of preference will be made when the family is pulled off the waiting list.

Assistance is available for applicants that request a reasonable accommodation by contacting the HACCC.

Subject: CONTRACT WITH HD SUPPLY FACILITIES MAINTENANCE

RECOMMENDATIONS

APPROVE and AUTHORIZE the Executive Director of the Housing Authority, or his designee, to execute a contract with HD Supply Facilities Maintenance in an amount not to exceed \$2,000,000 to provide materials and supplies needed for the maintenance of public housing facilities.

BACKGROUND

This contract will primarily provide materials and services used by HACCC's Maintenance Department to complete work orders, maintain the grounds and perform preventive maintenance at our public housing properties.

HUD requires housing authorities to competitively procure goods and services, a process normally undertaken by each individual agency. However, HUD permits housing authorities to award contracts to firms selected by a state or local governmental agency in a competitive solicitation process. The state or local government's selection process must meet HUD's procurement guidelines and must have been for the same goods and services sought by the housing authority. HUD encourages housing authorities to procure goods and services in this manner in order to "foster greater economy and efficiency..."

If approved by the Board, the proposed contract will be awarded to HD Supply Facilities Maintenance (HD Supply). HD Supply was awarded a contract via a solicitation issued by Maricopa County, Arizona through the U.S. Communities Government Purchasing Alliance (USCGPA). Six bidders responded to Maricopa's solicitation and HD Supply was selected as the most qualified, responsible bidder. USCGPA is the leading national cooperative purchasing program, providing world class government procurement resources and solutions to local and

BACKGROUND (CONTD)

state government agencies, school districts (K-12), higher education institutions, and nonprofits looking for the best overall supplier government pricing. The benefits of using USCGPA include a no-fee-or-cost process that, by combining the potential cooperative purchasing power of up to 90,000 public agencies, enables access to the best overall supplier government pricing on quality brands that are backed by the integrity, experience and oversight by public purchasing professionals.

HD Supply is one of the largest industrial distributors in North America. The company provides a broad range of products and value-added services to approximately 500,000 customers. Their leading businesses include HD Supply Facilities Maintenance, HD Supply Waterworks and HD Supply Construction & Industrial - White Cap. HD Supply has approximately 800,000 SKUs of quality, name-brand and proprietary products at competitive prices. With approximately 550 locations across 48 states and six Canadian provinces, their 13,000 associates provide localized, customer-driven services including jobsite delivery, will call or direct-ship options, diversified logistics and innovative solutions that contribute to our customers' success. In California, HD Supply maintains warehouses in the City of Industry, Sacramento, San Diego and Hayward.

On January 17, 2017, HACCC's Board approved a contract in an amount not to exceed \$200,000 with HD Supply. The approved contract was based on a 2011 procurement by Maricopa County/USCGPA that was scheduled to expire on July 31, 2017. After receiving Board approval, but prior to signing the contract, HD Supply informed staff that they did not wish to sign a contract with HACCC expiring on July 31, 2017, because a new contract had been agreed to with Maricopa County. The procurement for the new contract (described above) still meets all of HUD's requirements and provides HACCC the benefit of competitively sourced pricing for a longer period of time. The new Maricopa/USCGPA award to HD Supply is for February 1, 2017, through December 31, 2021. If approved by the Board, HACCC will enter into contract with HD Supply effective February 15, 2017, through December 31, 2021. The total cost of the proposed contract will not exceed \$2,000,000 without additional Board approval.

FISCAL IMPACT

The Housing Authority's (HACCC) cost for these materials and supplies will not exceed \$2,000,000. Funding for this contract is included in HACCC's current budget using funds provided by the U. S. Department of Housing and Urban Development.

CONSEQUENCE OF NEGATIVE ACTION

Should the Board of Commissioners elect not to award the contract to HD Supply Facilities Maintenance, HACCC will be required to go out to bid for maintenance, repair, operating and industrial supplies. This process would be lengthier and likely more expensive than procuring via Maricopa County/USCGPA.
