

Memorandum

To: Internal Operations Committee
Supervisor Candace Andersen, Chair
Supervisor, Diane Burgis, Vice Chair

From: The IPM Advisory Committee
Cece Sellgren, Chair
Tanya Drlik, IPM Coordinator

Date: February 6, 2017

Subject: Composition of the IPM Advisory Committee—status of the Public and Environmental Health Advisory Board seat

Background:

The seat for a representative of the Public and Environmental Health Advisory Board (PEHAB) has been vacant for a year. On November 15, 2016, the Board abolished PEHAB; therefore, the seat cannot be filled.

At their January 19, 2017 meeting, the IPM Advisory Committee asked the IPM Coordinator to request guidance from the Internal Operations Committee about whether the PEHAB seat should be eliminated or converted to another kind of seat.

Please see Attachment A for the current roster of the IPM Advisory Committee.

Note that Michael Kent, the County's Hazardous Materials Ombudsman, currently represents public health interests, and James Donnelly, an at-large member, works as a consultant in health, safety, and environmental quality.
