Re: Nomination for County Hazardous Materials Commission

Dear Supervisors:

The Richmond Southeast Shoreline Area Community Advisory Group is pleased to nominate Stephen Linsley to the Environmental Organization Seat on the Contra Costa County Hazardous Materials Commission for a term beginning in 2017. He serves our group as the chair of our Toxics Committee and member of the Executive Committee.

Sincerely,

CAG Mission Statement

Our purpose is to ensure that the interests of the entire community are included in plans for the proper and comprehensive cleanup and ongoing monitoring of polluted sites in the Richmond Southeast Shoreline Area. The CAG's job is to involve all stakeholders in a public, inclusive process leading to an appropriate clean up of polluted sites in this area.
