

ROBERT D. MATCHETTE

November 6, 2017

Clerk of the Board of Supervisors
Contra Costa County
County Administration Building Room 106
651 Pine Street
Martinez, CA 94553

To Whom It May Concern:

Please accept the enclosed application for the At-Large position for the Contra Costa County Aviation Advisory Committee (AAC) in the upcoming selection process.

As a commercial pilot and Walnut Creek resident I have both an interest in the promotion of general aviation safety and its place in the community. General aviation is important to our community on many levels from corporate aviation to air ambulance service and private aircraft operators. The community benefits from a robust, yet safe aviation community operating at Buchanan Field and Byron Airport. It is critical that the community and the operators both based and transiting these airports work together to promote both commerce and safety.

My experience in aviation extends over thirty years in general aviation, corporate aviation, scheduled airline operations as well as aviation safety research for both NASA and aircraft manufacturers. While my current primary occupation is a MD11 captain for UPS operating worldwide, I also maintain experience in general aviation flying out of Buchanan Field at Sterling Aviation.

The part of my career most relevant to this position was Chief Pilot and Maintenance Director of the Palo Alto Flying Club between 1985-1993, where I managed a 70 aircraft fleet at Palo Alto Airport (KPAO). Among my duties was community liason with the City of Palo Alto regarding noise abatement issues. I also have over twenty years of experience as an aviation researcher with both NASA and in private industry.

I strongly believe that my aviation experience would be a tremendous asset to the advisory board and eagerly await the opportunity to interview for the position.
