Contra Costa County, California*

In the matter of:

Resolution No. 2018/133

PROCLAIMING APRIL 8-14, 2018 AS NATIONAL CRIME VICTIMS' RIGHTS WEEK

Whereas, Americans are the victims of 20 million crimes each year, affecting individuals and communities;

Whereas, years of investment in crime victims' rights and services have developed a system of victim response that can help victims recover from crime;

Whereas, reaching and serving all victims of crime is essential to supporting thriving communities, because those who receive holistic services and support are more likely to remain invested in their communities;

Whereas, dedicated victim service providers are working every day to meet the needs of crime victims, yet there are still too many victims without meaningful access to rights and services;

Whereas many victims face barriers-such as isolation, distrust of authorities, language limitations, lack of transportation, or cultural barriers-that keep them from accessing the services and criminal justices systems that help them recover;

Whereas, we must make a dedicated effort to expand the circle of those prepared to respond to victims and link them to the resources that can help them recover;

Whereas engaging a broader array of healthcare providers, community leaders, faith organizations, educators, and businesses can provide new links between victims and services that improve their safety, healing, and access to justice;

Whereas, National Crime Victims Rights Week provides an opportunity to recommit to ensuring that all victims of crime-especially those who are challenging to reach or serve-are afforded their rights and receive a trauma-informed response; and

Whereas, The Contra Costa County Board of Supervisors is dedicated to strengthening victims and survivors in the aftermath of crime, building resilience in our communities and our victim responders, and working for justice for all victims and survivors.

The Board of Supervisors does hereby proclaim the week of April 8-14,2018 as Crime Victims' Rights Week and reaffirm their commitment to creating a victim service ad criminal justice response that assists all victims of crime during Crime Victims' Rights Week and throughout the year; and to express our sincere gratitude and appreciation for those community members, victim service providers, and criminal justice professionals who are committed to improving our response to all victims of crime so that they may find relevant assistance, support, justice and peace.
