LEASE BETWEEN THE
COUNTY OF CONTRA COSTA

and

Montecito Commercial Group, LLC

This lease agreement (“**Lease**”) is dated April 10, 2018 (the “**Effective Date**”) and is between of the COUNTY OF CONTRA COSTA, a political subdivision of the State of California (the “**County**” or “**Lessor**”), and MONTECITO COMMERCIAL GROUP, LLC, a California limited liability company (“**Tenant**”).

RECITALS

- A. Lessor owns and operates Buchanan Field, a public airport located at Concord, California (the “**Airport**”), as shown on the Airport Layout Plan, which plan is on file in the office of the County Director of Airports (“**Director of Airports**”).
- B. Tenant desires to lease approximately 3.21 acres of unimproved land that is located at the Airport at the south end of Sally Ride Drive, as more fully described in Exhibit A – Legal Description (the “**Premises**”). Tenant intends to use approximately 2.99 acres of the Premises to construct and operate a light industrial business park and the remainder for enhanced landscaping and an environmental clean water feature. The location of the business park and the landscaping and the environmental clean water feature on the Premises is shown on Exhibit B – Site Plan.
- C. The Contra Costa County Board of Supervisors has approved and adopted a Mitigated Negative Declaration in compliance with the California Environmental Quality Act necessary for the development of the Improvements. A copy of the Negative Declaration is attached hereto as Exhibit C.

The parties therefore agree as follows:

AGREEMENT

- 1. Lease. For and in consideration of the rent, fees, and faithful performance by Tenant of the terms and conditions set forth in this Lease, Lessor hereby leases to Tenant, and Tenant hereby leases from Lessor, the Premises, subject to all easements and encumbrances of record.
- 2. Term. The “**Term**” of this Lease is comprised of a Preliminary Term and, at Tenant’s option, a Renewal Term, each as defined below.
 - A. Preliminary Term. The “**Preliminary Term**” begins on the Effective Date and ends on April 9, 2058, unless earlier terminated as provided herein.

- B. Renewal Term. Tenant may renew this Lease for a term of ten (10) years (the “**Renewal Term**”) to April 9, 2068, upon all the terms, covenants, and conditions set forth herein, provided (i) Tenant is not in default beyond any applicable cure period as of the beginning date of the Renewal Term, and (ii) Tenant is not in default on the day a Renewal Notice, as defined below, is given.
- i. Not less than twelve (12) months prior to the end of the Preliminary Term, Tenant shall deliver a written notice to Lessor informing Lessor of Tenant’s election to renew the Lease (a “**Renewal Notice**”).
 - ii. Upon the commencement of the Renewal Term, all references to the Term of this Lease will be deemed to mean the Term as extended pursuant to this Section.
3. Holding Over. In the event Tenant remains in possession of the Premises after the expiration of the Term, such holding over does not constitute a renewal or extension of this Lease, but will be construed as a tenancy from month to month, which may be terminated at any time by Lessor or Tenant upon thirty (30) days written notice. The month-to-month tenancy will be governed by the same terms and conditions in effect immediately prior to the expiration of the Term.
4. Rent. Tenant shall pay Construction Period Rent and Ground Rent, each as defined below (together “**Periodic Rent**”), to Lessor without offset or demand on or before the first day of each month. Periodic Rent for any partial month will be prorated at the rate of 1/30 of the applicable monthly rent per day.
- A. Construction Period Rent. Tenant shall pay One Thousand Dollars (\$1,000.00) per month during the Construction Period (the “**Construction Period Rent**”). The “**Construction Period**” is that period of time that begins on the Effective Date and ends on the earlier to occur of (i) March 31, 2020, and (ii) the last day of the month following Substantial Completion.
- The term “**Substantial Completion**” means the date that the Site Improvements, as defined in Section 8, Improvements, pass final inspection by the Contra Costa County Department of Conservation and Development.
- B. Ground Rent. Tenant shall pay ground rent, as adjusted pursuant to this Lease (“**Ground Rent**”), from the first day of the month following the end of the Construction Period (the “**Ground Rent Commencement Date**”) until the expiration or earlier termination of this Lease.
5. Initial Rent. During the Initial Ground Rent Period, Tenant shall pay Ground Rent in the amount of Four Thousand Two Hundred Forty-Seven and 08/100 Dollars (\$4,247.08) per month. The “**Initial Ground Rent Period**” is the 12-month period that begins on the Ground Rent Commencement Date.

6. Adjustments to Ground Rent. Ground Rent will be adjusted in each year after the Initial Ground Rent Period. In most years, the adjustment to Ground Rent will be based solely on the change to the Consumer Price Index (“CPI”). Every ten years, beginning April 1, 2027, Ground Rent will be adjusted to reflect market rates, using the Revaluation Process described below. Each change in Ground Rent that results from the Revaluation Process is an “**Adjustment.**”

A. CPI Increases.

- i. Timing and Amount. In each year after the Initial Ground Rent Period, except for the one-year periods that begin on a Revaluation Date, Ground Rent will increase or remain unchanged from the preceding year, according to the change in the CPI for the most recent period ending February, based on the CPI Factor as follows:
 - a) For the one-year periods that begin on April 1, 2022, 2023, 2024, 2025 and 2026, any adjustment to Ground rent will not be greater than 75% of the CPI Factor,
 - b) For the one-year periods starting on April 1, 2028 throughout the Lease term, any adjustment to Ground Rent based on the CPI Factor may not be by more than four percent (4%) of Ground Rent then in effect.
- ii. Definitions.
- iii. “**CPI Factor**” means the percentage by which the “Index,” as defined below, for the most recent one-year period ending February has changed with respect to the Index in effect for the immediately preceding one-year period, calculated to the nearest one-tenth of one percent.
- iv. “**Index**” means the Consumer Price Index, all Urban Consumers, All Items, for the San Francisco-Oakland-San Jose Metropolitan Area (1982–84 = 100), as published by the Bureau of Labor Statistics of the U.S. Department of Labor, or its successor or a substitute index published as a replacement for that index by the U.S. Department of Labor or by any other United States governmental agency.
- v. “**Revaluation Date**” means each of the following: April 1, 2027, April 1, 2037, April 1, 2047, and, if Tenant renews the Lease, April 1, 2057.
- vi. Notice. Airport staff will notify Tenant of any increase in Ground Rent based on a CPI adjustment when the calculation of the CPI adjustment is complete. If the notice is given after the effective date of an increase, Tenant shall pay any increased rent retroactively to the effective date of

the increase; provided, however, in no event will Tenant be required to pay the increased rent retroactively for a period greater than six months.

- vii. No Decrease. In no event will the Ground Rent for any year be less than the Ground Rent in effect for the immediately preceding year. In the event there is a decrease in the CPI, Ground Rent for the years in question will be the same as the Ground Rent for the preceding year.

B. Revaluation of Ground Rent.

- i. Timing and Amount. On each Revaluation Date, Ground Rent will be adjusted to reflect the fair market rental value of the Premises in accordance with the Revaluation Process described below. The adjustment to Ground Rent that results from the Revaluation Process is the “**Adjustment**.” With the exception of the first Adjustment, the total Adjustment is effective on the Revaluation Date. The Lessor shall initiate the Revaluation Process prior to each Revaluation Date. In no event will Ground Rent for any year be less than the Ground Rent in effect in the immediately preceding year.
- ii. First Adjustment. The first Adjustment will be phased in over five (5) years, with twenty percent (20%) of the total Adjustment being applied to Ground Rent on each of the following dates: April 1, 2027, April 1, 2028, April 1, 2029, April 1, 2030 and April 1, 2031. For example, if as a result of the first Revaluation Process, the total Adjustment would increase Ground Rent by \$400 per month, that increase would be phased in by increasing Ground Rent by \$80 per month beginning April 1, 2027, with another increase of \$80 per month beginning April 1, 2028, and continuing in this manner until Ground Rent has increased by \$400 per month on April 1, 2031.

The phasing-in of the first Adjustment does not affect the calculation of CPI increases. In each year, CPI increases will be calculated as though the total first Adjustment was implemented on April 1, 2027.

- iii. Conditions of Revaluation. The revaluation of Ground Rent, including any appraisals prepared as part of the Revaluation Process, will be conducted as follows:
 - a. All negotiations and actions taken by the Lessor and Tenant under this Section will be undertaken and conducted by the parties in good faith.
 - b. The value of the Premises does not include any Improvements (as defined below).

- c. If the Revaluation Process is not concluded by the Revaluation Date, the Ground Rent determined by the Revaluation Process described herein will be retroactive to the Revaluation Date to which the Revaluation Process applies. Tenant shall make any retroactive payments of Ground Rent no later than thirty (30) days following the completion of the Revaluation Process.
 - d. Except as otherwise provided herein, no waiver by the Lessor of any of the provisions of this Section will be deemed to have been made by the Lessor, unless made expressly in writing by the Director of Airports and no waiver by Tenant will be deemed to have been made unless expressly in writing by the duly authorized agent of Tenant.
 - e. All time periods specified in this Section will be counted in calendar days.
- iv. Revaluation Process. The “**Revaluation Process**” consists of the following:
- a. The Lessor shall determine the fair market rental value of the Premises as a light industrial business park or other comparable land use (the “**Lessor Revaluation**”) and shall notify Tenant in writing of the amount of the new monthly Ground Rent (the “**Revaluation Notice**”).
 - b. If Tenant disagrees with the Lessor Revaluation, Tenant may file with the Lessor a dispute of the amount of Lessor Revaluation (“**Tenant Dispute**”) and include Tenant’s proposed Ground Rent revaluation amount. The Tenant Dispute must be in writing and delivered to the Director of Airports no later than twenty-one (21) days after the Revaluation Notice is delivered to Tenant (the “**Dispute Period**”). If Tenant does not file a Tenant Dispute with the Lessor within the Dispute Period: (i) the Lessor Revaluation will automatically be deemed to be accepted by Tenant, (ii) Tenant will be deemed to have waived the right to contest the amount specified in the Revaluation Notice, (iii) the new Ground Rent specified in the Revaluation Notice will become effective on the applicable Revaluation Date, and (iv) the Revaluation Process will be over.
 - c. If Tenant delivers a Tenant Dispute to the Lessor within the Dispute Period, the Lessor and Tenant will have twenty-one (21) days following the Lessor’s receipt of the Tenant Dispute to attempt to establish a new Ground Rent by negotiation (the “**Rent Negotiation Period**”). The Rent Negotiation Period may not be extended beyond the initial twenty-one (21) day period except by mutual written agreement of Tenant and the Director of Airports. If Tenant

and the Lessor agree in writing on the new monthly Ground Rent during the Rent Negotiation Period, the new monthly Ground Rent will become effective on the applicable Revaluation Date and both the Lessor and Tenant will be deemed to have waived the right to contest such new Ground Rent.

- d. If the Lessor and Tenant are unable to agree upon a new Ground Rent during the Rent Negotiation Period, then the Lessor and Tenant shall each appoint an appraiser to determine the fair market value of the Premises. The Lessor and Tenant shall identify the name of their appraiser by written notice to the other party. The appointment of the appraiser will be made and notice of the appointment will be given to the other party within twenty-one (21) days after the end of the Rent Negotiation Period (the “**Selection Period**”). Each appraiser must be a member of the American Institute of Real Estate Appraisers, have the designation of Member of the Appraisal Institute (“**MAI**”), and have current aviation appraisal experience in appraising property in the geographic area where the Premises is situated. Each party is responsible for paying the fees and costs of its appraiser.

In the event that Tenant does not appoint an appraiser and provide the Lessor with written notice of the appointment within the Selection Period: (i) the initial Lessor Revaluation will automatically be deemed to be accepted by Tenant, (ii) the new monthly Ground Rent, specified in the Revaluation Notice will become effective on the applicable Revaluation Date, (iii) Tenant will be deemed to have waived the right to further contest the amount of the Lessor Revaluation by arbitration or in any other manner, and (iv) the Revaluation Process will be over.

In the event that the Lessor does not appoint an appraiser and provide Tenant with written notice of the appointment within the Selection Period: (i) the monthly Ground Rent will remain unchanged or will equal the fair market rental value determined by Tenant’s appraiser, whichever is greater, (ii) such monthly Ground Rent will become effective on the applicable Revaluation Date, (iii) the Lessor will be deemed to have waived the right to contest the amount of the new monthly Ground Rent by arbitration or in any other manner, and (iv) the Revaluation Process will be over.

If the Lessor and Tenant each properly appoint an appraiser during the Selection Period, both appraisers will make an independent determination of the fair market rental value of the Premises. Each appraisal must be completed and a copy of the appraisal report delivered to the other party no later than sixty (60) days from the date the appraiser was appointed (the “**Appraisal Period**”) unless

otherwise extended by the mutual agreement of the Lessor and Tenant.

Upon completion of both appraisals, the Lessor and Tenant shall make a final attempt to establish a new monthly Ground Rent by negotiation. If the Lessor and Tenant agree in writing on a new monthly Ground Rent, the new monthly Ground Rent will become effective on the applicable Revaluation Date and both the Lessor and Tenant will be deemed to have waived the right to contest such new Ground Rent.

- e. In the event that the Lessor and Tenant cannot agree on a revaluation of the monthly Ground Rent within thirty (30) days following the Appraisal Period, either the Lessor or Tenant may declare an impasse in the negotiations by providing written notice of the impasse to the other party. The written notice of impasse (the **“Final Proposal”**) will include all of the following information: (i) a statement that the declaring party has determined that negotiations have reached an impasse; (ii) the declaring party’s final proposed Ground Rent revaluation figure; (iii) a statement that the recipient has ten (10) business days to either give written acceptance of the amount of the Ground Rent revaluation specified in the Final Proposal or deliver a counter-final proposal (the **“Counter-Final Proposal”**) to the declaring party; and (iv) any other supplementary information as the declaring party deems appropriate. The party upon whom the Final Proposal is served shall then have ten (10) business days following receipt of the Final Proposal to either accept the Final Proposal or to reject the Final Proposal and deliver a Counter-Final Proposal to the declaring party. If either the Final Proposal or the Counter-Final Proposal is accepted in writing, then the new monthly Ground Rent will become effective on the applicable Revaluation Date and both the Lessor and Tenant will be deemed to have waived the right to contest such new Ground Rent.

If neither the Final Proposal nor the Counter-Final Proposal is accepted, not later than forty-five (45) days after delivery of the Final Proposal, the appraiser selected by the Lessor and the appraiser selected by Tenant will jointly select a third appraiser with the designation of MAI and with current aviation appraisal experience in appraising property in the geographic area where the Premises is situated. The third appraiser will determine the fair market value of the Premises. The third appraiser will render a final written decision within thirty (30) days of his or her appointment. The cost of the third appraiser will be shared equally by the Lessor and Tenant. The appraiser’s decision is binding on all parties and will apply retroactively to the Revaluation Date.

7. Additional Payment Provisions.

- A. Late Rental Payments. In the event Tenant fails to pay Lessor any amount due under this lease within five (5) days after such amount is due, Tenant shall pay to Lessor a late charge of One Hundred and No/100 Dollars (\$100) per occurrence (the “**Late Charge**”), plus interest on the unpaid balance at a rate of one and one-half percent (1.5%) per month, from the date the payment was due and payable until paid in full. Tenant shall pay all Late Charges as additional rent on or before the date the next installment of rent is due. Lessor and Tenant hereby agree that it is and will be impracticable and extremely difficult to ascertain and fix Lessor’s actual damage from any late payments and, thus, that Tenant shall pay as liquidated damages to Lessor the Late Charge specified in this Section, which is the result of the parties’ reasonable endeavor to estimate fair average compensation for the late payment (other than attorneys’ fees and costs). Lessor’s acceptance of the Late Charge as liquidated damages does not constitute a waiver of Tenant’s default with respect to the overdue amount or prevent Lessor from exercising any of the rights and remedies available to Lessor under this lease.
- B. Form and Place of Payment. Tenant shall pay all rents and fees in cash or by personal check, certified check, or money order, payable to the County of Contra Costa, by delivering same on or before due date to the Director of Airports Office, 550 Sally Ride Drive, Concord, California 94520, or at such other place as Lessor may designate from time to time.
- C. Returned Checks. If a check written by Tenant is returned for insufficient funds, Lessor may impose a reasonable service charge in addition to any Late Charge and in addition to any charges imposed by the bank. Lessor may require Tenant to pay rent by certified check or money order if Tenant’s bank or banks have returned one or more personal checks within the preceding twelve (12) month period.
- D. Security Deposit. Upon execution of this Lease, Tenant will pay to Lessor the sum of Four Thousand Two Hundred Fifty and No/100 Dollars (\$4,250.00) in cash as security for the faithful performance of the terms, covenants, and conditions of this lease (the “**Security Deposit**”).

Upon the occurrence of a Default, as defined in Section 29, Lessor may in its sole discretion (but is not required to) apply the Security Deposit, or any portion of it, to any expense, loss or (i) any rent or other sum owed to Lessor, (ii) any amount that Lessor may spend or become obligated to spend in exercising Lessor’s rights under this lease, or (iii) damage sustained by Lessor resulting from Tenant’s Default. Upon demand by Lessor, Tenant shall immediately pay to Lessor a sum equal to that portion of the Security Deposit expended or applied by Lessor as provided in this subsection so as to maintain the Security Deposit at its original level.

Upon the expiration or termination of this lease and (i) Tenant's satisfaction of the conditions set forth in Section 12. Condition of Premises, and (ii) a final accounting by Lessor, any remaining Security Deposit balance shall be refunded to Tenant, without interest. Tenant waives the provisions of California Civil Code section 1950.7, and all other provisions of law in force or that become in force after the date of execution of this lease, that provide that Lessor may claim from a Security Deposit only those sums reasonably necessary to remedy defaults in the payment of Rent, to repair damage caused by Tenant or to clean the Premises. Lessor and Tenant agree that Lessor may, in addition, claim those sums reasonably necessary to compensate Lessor for any other foreseeable or unforeseeable loss or damage caused by the act or omission of Tenant or Tenant's officers, agents, employees, independent contractors or invitees.

8. Improvements.

- A. Site Improvements. As a condition of this Lease, Tenant shall install on the Premises a maximum of 52,300 square feet of a multi-tenant, light industrial business park building which includes office plus warehouse space ("**Building**"), a parking area ("**Parking**"), and enhanced landscaping and environmental clean water feature (combined "**Landscaping**"), all in accordance with the Plans, as defined below. Together, the Building, Parking and Landscaping are the "**Site Improvements.**"
- B. Frontage Improvements. As a condition of this Lease, Tenant shall, at Tenant's sole expense, construct frontage improvements along Sally Ride Drive in conformance with (i) standards established by the Public Works Department, and (ii) plans approved by the Director of Airports pursuant to Section 8.D. below (the "**Frontage Improvements**"). Tenant shall complete the Frontage Improvements not later than the date that is sixty (60) days after the Substantial Completion of the Site Improvements.

All improvements on the Premises, including, but not limited to, the Site Improvements, the Frontage Improvements, structures, signs, driveways, curbs, walkways, pads, perimeter fences and gates, mechanical equipment, utility lines, drainage and sewage lines, environmental control equipment, irrigation systems and landscaping and other facilities are the "**Improvements.**"

- C. Plans and Lessor's Approval. Tenant shall obtain the Director of Airports' written approval of all plans and specifications for the buildings, paving, landscaping, or other Improvements before any construction may be commenced. Once approved by the Director of Airports, such plans and specifications are the "**Plans.**" Prior to requesting the Director of Airports' approval, a County designated engineer must review and approve the development plans. All Improvements must conform with all general requirements of Lessor, and must be constructed and installed in conformance with: (i) the Plans; (ii) all applicable statutes, ordinances, building codes, permits; (iii) applicable Airport or FAA

policy and standards for development; (iv) and all rules and regulations of Lessor and the requirements of all other authorities that have jurisdiction over the Premises, as the case may be, and Tenant's operations thereon, including, but not limited to, the Contra Costa County Department of Conservation and Development, and the Federal Aviation Administration.

- D. Construction Schedule. Within ninety (90) days following the Commencement Date, Tenant shall submit to the Director of Airports for review and approval (i) three (3) sets of plans that have been reviewed and stamped by an engineer and (ii) a detailed construction schedule.

The Director of Airports' review and approval or disapproval will be completed within thirty (30) days of submission. If the Director of Airports disapproves of the plans, the reasons for disapproval must be given to Tenant in sufficient detail, and Tenant will have thirty (30) days to revise the plans, and resubmit them to the Director of Airports. The Director of Airports' review and approval or disapproval of the revised plans will be completed within thirty (30) days of re-submission. The Director of Airports' approval is separate and distinct from approvals Tenant is required to obtain from Lessor, other County Departments, and all other authorities having jurisdiction over the Premises. Tenant is solely responsible for obtaining all necessary permits and approvals and for paying any and all fees required for the construction of the Improvements. Approval of the Plans by the Director of Airports does not constitute a representation or warranty as to conformity with other requirements and responsibility therefor remains at all times in Tenant. The time requirements imposed on the Director of Airports by this Section do not apply to other County Departments and authorities.

The Plans are not to be submitted to the Building Inspection Division of the Department of Conservation and Development ("**Building Inspection**") unless the Director of Airports has approved the Plans. Within fourteen (14) days following approval of the Plans by the Director of Airports, Tenant shall submit the Plans to Building Inspection for review and approval.

Tenant shall commence construction of the Site Improvements within forty-five (45) days after a grading permit for the Site Improvements has been issued by Building Inspection. Tenant shall complete the construction of the Site Improvements within twelve (12) months after receiving a grading permit or the Director of Airports' approval, whichever is later. Tenant shall provide Lessor with a Notice of Intent to Construct the Site Improvements at least sixty (60) days prior to construction or delivery of materials.

The deadlines set forth this Section 8 and the Ground Rent Commencement Date may be extended upon written approval of the Director of Airports in consideration of time lost as a result of work stoppages, strikes, and shortages of material, acts of God, or other reasons beyond Tenant's control, as determined by the Director of Airports, in his or her sole discretion.

- E. Performance and Payment Bonds. Not less than ten (10) business days before the commencement of construction of the Site Improvements, Tenant shall, at its sole cost and expense, furnish to Lessor a payment bond of a surety company licensed to transact business in the State of California, or other type of security reasonably satisfactory to the Lessor, with Tenant as principal, in the penalty sum of one hundred percent (100%) of the total estimated cost of the Site Improvements and all other necessary appurtenances specified herein, guaranteeing the payment of all labor, materials, provisions, supplies and equipment related to the construction of the Site Improvements, of any kind whatsoever, and protecting Lessor from any liability, losses or damages arising therefrom. Simultaneously, Tenant shall also provide Lessor a performance bond of a surety company licensed to transact business in the State of California in substantial conformity with Exhibit F, or other type of security satisfactory to Lessor, with Tenant as principal, in an amount equal to one hundred percent (100%) of the total estimated cost of the Site Improvements, guaranteeing faithful performance within twelve (12) months of the commencement of all construction work associated with the Site Improvements.
- F. Inspection and Acceptance. Tenant shall obtain all applicable permits and authorizations of all local, state, federal and other government agencies and entities that have jurisdiction over the Site Improvements and Frontage Improvements, including but not limited to, the Contra Costa County Department of Conservation and Development and the Contra Costa County Public Works Department. All Site Improvements and Frontage Improvements are subject to inspection, testing, and acceptance in accordance with applicable laws, rules, regulations, and requirements of all governmental agencies and entities that have jurisdiction over the Site Improvements and Frontage Improvements. Nothing in this Lease is to be construed as approval of any permit or authorization of any local, state, or federal government agency or entity that has jurisdiction over the Site Improvements and Frontage Improvements.
- G. No Warranties. The inspection, testing and acceptance by Lessor under this or any other section of this Lease, of any plans submitted by or acts performed by Tenant does not constitute a warranty by Lessor, and does not relieve Tenant of its obligation to fulfill the provisions of this Lease and to conform to the Plans, nor is Lessor thereby estopped from exercising any of its remedies provided at law or equity or under this Lease.
- H. Engineering. Lessor shall furnish Tenant with control information required for ground and pavement elevations, specifications for earthwork, pavement, and drainage. Tenant is responsible for all other engineering work and the accuracy thereof. Any material deviations from the Plans must have prior written approval by Lessor.
- I. Utilities. Upon the prior written approval of the Director of Airports, which approval shall not be unreasonably withheld, Tenant may install all utilities on the

Premises at its own cost and expense and shall pay any and all connection, inspection, and service fees in connection therewith.

- J. Paving and Concrete. As part of the Site Improvements, Tenant shall upgrade the pavement within the Premises such that they will accommodate the heaviest vehicle expected to operate in the area with an expected pavement life of twenty (20) years. All road access must be in compliance with Contra Costa County Public Works Department standards.
 - K. Notice of Nonresponsibility. Tenant shall cause a notice of Lessor non-responsibility to be posted and recorded during construction in accordance with Civil Code Sections 3094 and 3129 and a copy to be mailed to the Director of Airports upon filing the notice with the County Recorder.
 - L. Signs. Tenant may not erect signs and advertising media or place the same on the Site Improvements without the written approval of the Director of Airports and any other public agency having jurisdiction. Any signs installed must be in accordance with FAA and the Airport Policy and Standards for Development.
 - M. Landscaping. Tenant shall install and maintain, at its sole expense, the landscaping on the Premises and any landscaping that comprises part of the Frontage Improvements in accordance with the Plans. Tenant shall maintain such landscaping in a neat, clean, orderly, and attractive condition.
9. Lessor Processing and Transaction Fees. In the event that Tenant requires or requests Lessor's review, investigation, processing, recordation, or any other action in connection with any Tenant document, proposal or other matter that requires Lessor's staff time and resources, other than time and resources of the Contra Costa County Airports Division (e.g., a proposed assignment or other transfer (but specifically excluding any sublease), or an estoppel certificate), Tenant shall pay Lessor a transaction fee of Two Thousand Five Hundred and No/100 Dollars (\$2,500.00) plus all of Lessor's costs, including, but not limited to, staff time at rates determined by the County Auditor for time spent in connection with the until the matter is complete ("Transaction Fee"). The Transaction Fee will increase by Five Hundred and No/100 Dollars (\$500.00) on every fifth anniversary of the Commencement Date and is due thirty (30) days after demand therefor by Lessor.
10. Use of Premises. Except as otherwise provided herein, the Leased Premises may be used by Tenant only for the operation of a light industrial multi-tenant business park and for no other purpose.
- A. Uses Permitted on the Premises. Low-intensity, light and medium industrial activities such as warehousing, storage, administrative/general and professional offices, light manufacturing, limited distribution, research and development, assembly and fabrication industries, business support services, e-business, repair facilities, and supporting retail uses are permitted uses on the Premises.

- B. Uses Not Permitted on the Premises. No heavy industrial businesses uses are permitted on the Premises.

Tenant may not use the premises for any other purpose without the Director of Airport's express prior written consent. Any use of the premises other than as described herein without the Director of Airports' prior written consent is a default of this lease.

- C. Rental Agreements are subject to the terms and conditions of, and subordinate to, this Lease. The term of a Rental Agreement may not be greater than the term of this Lease.
- D. Rental Agreements do not create a landlord-tenant or any other legal relationship between the Lessor and Tenant's subtenant.
- E. Tenant is, and at all times will remain, entirely responsible for the full performance of this Lease.
- F. Tenant or its authorized representative must be available during normal business hours, either at the Airport or by telephone/email to discuss the rental space and to conduct business.

- H. Tenant is responsible for all materials stored on the Premises, whether the materials are stored by Tenant or Tenant's agents, employees, or subtenants.

12. Condition of Premises.

- A. No Warranty. groundwater, the presence of known and unknown faults, the presence of Hazardous Materials and all other kinds of contamination and pollutants of any kind in the air, soil, groundwater and surface water, and the suitability of the Premises for the construction and use of the improvements thereon.

- B. Tenant Independent Investigation. It is the sole responsibility of Tenant, in its sole cost and expense, to investigate the condition of the Premises to its satisfaction, including (i) the suitability of the soil, geologic, environmental and seismic conditions of the Premises for the intended use contemplated herein, and (ii) the presence of any contaminants, or Hazardous Materials, as defined in Section 18.A., in air, soil, groundwater and surface water in, on, or under the Premises and pollutants of any kind located on or within the Premises. This Lease imposes no responsibility or obligation on Lessor to prepare or implement any remediation plan or to attain remediation of the Premises to a level of standard required for Tenant's use or any other purpose. Lessor makes no warranties, representations, covenants, or agreements concerning remediation for the purposes of Tenant's use or any changes in Environmental Laws, as defined in Section 16.B., affecting such uses.

The respective agreements and obligations of Lessor and Tenant under this Section 12 will survive the expiration or termination, for any reason, of this Lease.

- C. No Concealment. Notwithstanding anything in this Lease to the contrary, Lessor represents to Tenant that Lessor is not concealing any knowledge of the presence of contamination possessed by the current officers and managers of the Airport. However, Lessor makes no representation regarding what would be revealed by a review and search of its records, interviews of its employees or past employees or the undertaking of due diligence to discover any information or knowledge not now known to its present officers and managers.

- D. Maintenance. Tenant shall maintain the Premises in accordance with Section 15. Maintenance, Repair and Storage.

13. Utility Obligations. Tenant shall pay, on Tenant's own account, all charges for utilities used or consumed on the Premises, including, but not limited to, gas, water, electricity, garbage disposal, storm water and sanitary sewer services, janitorial services, and telephone services.

14. Alterations and Additions.

- A. Tenant may not do any of the following: (i) erect or place any additional structures on the Premises, (ii) make any improvements or alterations to the exterior of any Tenant's Buildings, parking area or landscaping, (iii) make any improvements or alterations to the interior of any of Tenant's Buildings that require the issuance of a building permit without written consent of Lessor. Tenant shall provide the Director of Airports with written plans detailing any proposed improvement. If the Director of Airports does not provide a written response to Tenant's proposed changes within thirty (30) days of the date the Director of Airports confirms his or her receipt of such plans, the proposed improvement will be deemed approved by the Director of Airports. The Director of Airports may not unreasonably withhold or condition its approval of any proposed improvement or alteration.
- B. In the event Tenant makes alterations, constructs additions, or adds additional structures that violate the conditions contained in this Lease (an **"Unauthorized Addition"**), at the Director of Airports sole discretion, Tenant shall remove all or any portion of such Unauthorized Addition at Tenant's sole cost and expense. If Tenant is required to remove any Unauthorized Addition, Tenant, at its sole cost and expense, shall restore the Premises to the condition existing immediately prior to the existence of the Unauthorized Addition, or such other condition designated by Lessor in its election. If Tenant is not required to remove all or any portion of the Unauthorized Addition, then at the Director of Airports sole discretion will advise Tenant if all or any portion of the Unauthorized Addition will remain on and be surrendered with or be removed from the Premises, at the Tenant's sole cost and expense, on the expiration or termination of the Lease.
- C. If the Director of Airports has given written consent to Tenant, permitting Tenant to make certain alterations or make any additional improvements to the Premises, Tenant may not commence construction until Tenant has (i) obtained all necessary building permits and all other approvals required, and (ii) provided Lessor with twenty (20) days advance written notice of the commencement of such construction. In addition, Tenant shall cause a Notice of Lessor Non-Responsibility to be posted and recorded during construction in accordance with Civil Code Sections 3094 and 3129. A copy of the notice is to be mailed to Lessor upon filing it with the County Recorder.

15. Maintenance, Repair and Storage.

Tenant shall cause all maintenance, repairs, and replacements to be of a quality substantially

equal to the original material and workmanship. Lessor is the sole judge of the maintenance standards required.

Tenant shall perform all maintenance and repairs in compliance with, and all maintenance and repairs necessary to comply with, all applicable statutes, ordinances, resolutions, regulations, orders, and policies now in existence or adopted from time to time by the United States, the State of California, the County of Contra Costa and other government agencies with jurisdiction over the Airport.

If Tenant fails to perform its maintenance obligations as described herein within thirty (30) days of written notice by County to Tenant of such failure, County shall have the right to enter upon the Premises and to perform such necessary maintenance obligations and Tenant shall be required to reimburse County for the reasonable and actual costs thereof within ten (10) days after receipt of an itemized invoice therefor. If such maintenance obligations are of such a nature that they cannot reasonably be completed within such thirty (30) day period, Tenant shall be deemed to have performed its maintenance obligations within such thirty (30) day period if Tenant has started such maintenance obligations within such thirty (30) day period and diligently pursues such maintenance obligations to completion.

- B. Lease Maintenance Plan. In order to determine what maintenance is required to maintain the Site Improvements on the Premises in a neat, clean, orderly, and attractive condition, as required by this Lease, through the remaining term of the Lease (such maintenance, the “**Maintenance Work**”), the Lessor and Tenant shall conduct a joint inspection of the Improvements. The joint inspection is to occur not earlier than April 1, 2052 and not later than April 1, 2054.

The Maintenance Work may include, but is not limited to, the following:

- i. Interior and exterior building improvements, including roof, doors, windows, signage, street facades, painting, flooring, fixtures (i.e., lights, toilets and sinks), et cetera.

- iii. The repair, replacement, and upgrade of HVAC.
- iv. The repair, replacement and upgrade of plumbing and electrical systems in the Buildings.

Within ninety (90) days after the joint inspection of the Premises, Tenant shall prepare and submit to the Director of Airports for his or her approval a detailed plan that itemizes the Maintenance Work to be performed (the “**Maintenance**

Plan”). The Maintenance Plan must include a timeline for the performance of the Maintenance Work and the expected cost of the Maintenance Work. The Director of Airports will review the Maintenance Plan and approve or disapprove it within thirty (30) days of receipt. If the Maintenance Plan is not approved by the Director of Airports, the Director of Airports shall set forth in writing and notify Tenant of his or her reasons for withholding such approval. Tenant shall thereafter submit a revised Maintenance Plan to the Director of Airports, which approval is to be granted or denied within thirty (30) days of receipt in accordance with the procedures set forth above. The Director of Airports may not unreasonably withhold approval of the Maintenance Plan. If a Maintenance Plan has not been approved by April 1, 2055, Tenant will be in default of this Lease. Tenant’s failure to prepare the Maintenance Plan is a default of this Lease.

If at any time the Lessor determines that it will require Tenant to remove a particular Improvement pursuant to Section 28, the Lessor shall give Tenant prompt written notice of such determination, and thereafter Tenant will not be required to comply with the terms of this Section 15 with respect to such Improvement. Notwithstanding the above, Tenant has an ongoing obligation to maintain all Improvements in accordance with Section 15.A.

- C. Plans and Lessor’s Approval. Prior to commencing any Maintenance Work, Tenant shall obtain the Director of Airports’ written approval of all plans prepared by architects, engineers or contractors that relate to the Maintenance Plan, and all modifications or amendments thereto (including all working drawings and other supplements thereto, but excluding immaterial field changes).
- D. Tenant Responsibility for Maintenance Work. Tenant is solely responsible for obtaining all necessary permits and approvals and for paying any and all fees required for the Maintenance Work. Approval of the Maintenance Plan by the Director of Airports does not constitute a representation or warranty as to its conformity with other requirements, and responsibility therefor remains at all times in Tenant.

Tenant shall cause all Maintenance Work to be constructed in conformance with: (i) all requirements of the Lessor, (ii) the Maintenance Plan, (iii) all applicable statutes, ordinances, building codes, Airport Policy and Standards for Development, and rules and regulations of the Lessor, and (iv) the rules and regulations of all other authorities having jurisdiction over the Premises or Tenant’s operations thereon, including, but not limited to, the Contra Costa County Department of Conservation and Development, the Contra Costa County Public Works Department and the Federal Aviation Administration.

- E. Performance Bond. Not less than ten (10) working days before the commencement of maintenance pursuant to the Maintenance Plan, Tenant shall, at its sole cost and expense, furnish to the Lessor a performance bond of a surety company licensed to transact business in the State of California, or other type of

security satisfactory to the Lessor, that (i) is in the amount of one hundred percent (100%) of the total estimated cost of the Maintenance Work that is being performed, (ii) names Tenant as principal, and (iii) guarantees faithful performance of all construction work associated with the Maintenance Plan by April 1, 2056, or such date as is identified in the Maintenance Plan as the date the maintenance work will be completed. The performance bond or other security must be substantially similar to the form shown in Exhibit F.

- F. Payment Bond. Not less than ten (10) working days before the commencement of maintenance pursuant to the Maintenance Plan, Tenant shall, at its sole cost and expense, furnish to the Lessor either of the following: (i) a payment bond of a surety company licensed to transact business in the State of California that (x) is in the amount of one hundred percent (100%) of the total estimated cost of the Maintenance Plan and all other necessary appurtenances specific therein, and (y) guarantees the payment of all labor, materials, provisions, supplies and equipment used in, upon, for or about the performance of the construction work; or (ii) an alternate form of security that is acceptable to the Lessor in its sole discretion. The payment bond must be in a form acceptable to the Lessor and must satisfy the requirements of California Civil Code section 3248.
- G. Inspection and Acceptance. Tenant shall obtain all applicable permits and authorizations of, all local, state, federal and other government agencies and entities that have jurisdiction over the Maintenance Work, including but not limited to, the Contra Costa County Department of Conservation and Development and the Contra Costa County Public Works Department. All Maintenance Work is subject to inspection, testing, and acceptance in accordance with applicable laws, rules, regulations, and requirements of all governmental agencies and entities that have jurisdiction over the Maintenance Work. Nothing in this Lease is to be construed as approval of any permit or authorization of any local, state, or federal government agency or entity that has jurisdiction over the Maintenance Work.
- H. No Warranties. The inspection, testing and acceptance by the Lessor under this or any other section of this Lease, of any plans submitted by or acts performed by Tenant does not constitute a warranty by the Lessor, and does not relieve Tenant of its obligation to fulfill the provisions of this Lease and of the Maintenance Plan as approved by the Lessor, nor is the Lessor thereby estopped from exercising any of its remedies provided at law or equity or under this Lease.
- I. Engineering. Tenant is responsible for all engineering work and the accuracy thereof. Any material deviations from the Maintenance Plan approved by the Director of Airports must have prior written approval by the Lessor.
- J. Paving and Concrete. As required under Section 15, and as necessary during the Term of this Lease, Tenant shall upgrade the pavement for the driveways and parking areas within the Premises to enable them to accommodate the heaviest

K. Notice of Non-Responsibility. Tenant shall cause a notice of the Lessor non-responsibility to be posted and recorded by Tenant during construction in accordance with Civil Code Sections 3094 and 3129. A copy of the notice must be filed with the Lessor Recorder and mailed to the Director of Airports after filing.

L. Storage on Premises. No materials, supplies, products, equipment or other personal property that is not directly necessary for the light industrial business uses described in Section 10. Use of Premises, and no vehicles other than the personal vehicles of the employees, guests and invitees of Tenant or its subtenants, shall be permitted to remain on any portion of the Premises without the prior written consent of the Director of Airports. Tenant shall store personal property items, supplies and materials and combustibles inside the Tenant's Buildings in a safe, neat and sanitary manner.

16. Lawful Conduct. Tenant shall obey and observe, and shall ensure that all persons entering upon the Premises obey and observe, all the terms and conditions of this Lease and all statutes, ordinances, resolutions, regulations, orders, and policies now in existence or adopted from time to time by the United States, (including, but not limited to, the Federal Aviation Administration) the State of California, the County of Contra Costa, the Central Contra Costa Sanitary District, the San Francisco Bay Regional Water Quality Control Board, and all other government agencies with jurisdiction over the Airport (collectively, the "**Applicable Laws**") including, but not limited to, Applicable Laws concerning health, safety, fire, accessibility, police, and the environment.

Tenant shall pay all fines and penalties levied against it by any government agency for Tenant's violation of any Applicable Law associated with activities on the Premises.

Tenant may not permit any activity on the Premises that directly or indirectly produces unlawful or excessive amounts or levels of air pollution, (e.g., gases, particulate matter, odors, fumes, smoke, dust), water pollution, noise, glare, heat emissions, trash or refuse accumulation, vibration, prop-wash, jet blast, electronic or radio interference with navigational and communication facilities used in the operation of the Airport or by

aircraft, or any other activity that is hazardous or dangerous by reason or risk of explosion, fire, or harmful emissions.

Tenant shall provide an access gate through the Premises for emergency vehicles.

27. Assignment and Encumbrances. Except as permitted by Section 11 above and Section 34 below, Tenant may not voluntarily sell, assign, transfer or encumber (each, a **"Transfer"**), its interest in this Lease or in the Premises, or allow any other person or entity (except Tenant's authorized representatives) to occupy or use all or any part of the Premises, without first obtaining Lessor's written consent, which may not be unreasonably withheld. If Tenant is a corporation or a limited liability company, any (i) dissolution, merger, consolidation, or other reorganization of Tenant, or (ii) sale or other transfer of a controlling percentage of the capital stock or membership interests, as the case may be, of Tenant, or (iii) sale of fifty percent (50%) of the value of the assets of Tenant, will be deemed a voluntary assignment. The phrase "controlling percentage" means (a) in the case of a corporation, the ownership of, and the right to vote, stock possessing more than fifty percent (50%) of the total combined voting power of all classes of Tenant's capital stock issued, outstanding, and entitled to vote for the election of directors and (b) in the case of a limited liability company, ownership of, and the right to vote, membership interests possessing more than fifty percent (50%) of the total combined voting interests of Tenant.

If Tenant is in default of monetary obligations to Lessor pursuant to this Lease, Tenant immediately and irrevocably assigns to Lessor, as security for Tenant's monetary obligations under this Lease, all rent from any subletting of all or part of the Premises as permitted by this Lease. A receiver for Tenant appointed on Lessor's application, may collect such rent and apply it toward Tenant's obligations under this Lease.

28. Surrender of Possession.

A. Improvements. Title to all Improvements, including all alterations or additions (including Unauthorized Additions) thereto, will remain in Tenant until the

expiration, cancellation, or other earlier termination of this Lease. Upon expiration, cancellation or other earlier termination of this Lease, except as otherwise provided herein, title to all Improvements will automatically vest in Lessor and will remain on and will be surrendered with the Premises.

If Lessor does not desire title to any portion of the Site Improvements, Lessor shall notify Tenant in writing as soon as practicable which of the Site Improvements are to be removed by Tenant (the “**Excluded Improvements**”). Tenant shall remove the Excluded Improvements above ground level, within one hundred twenty (120) days following the effective date of such notice.

If Tenant fails to remove the Excluded Improvements, Lessor may remove them at Tenant’s expense, and, upon written demand by Lessor, Tenant shall immediately reimburse Lessor, in full, for all of the costs and expenses incurred by Lessor in removing the Excluded Improvements.

Within thirty (30) days after expiration, cancellation, or termination of this Lease, Tenant shall surrender to Lessor the Premises and all improvements, including alterations and additions, in good condition (ordinary wear and tear and destruction to the Premises covered by Section 31. Destruction, excepted). If Tenant is required to remove Excluded Improvements, Tenant shall surrender that portion of the Premises where the Excluded Improvements are located within one hundred twenty (120) days after the expiration, cancellation, or termination of this Lease in good condition (ordinary wear and tear and destruction to such Premises covered by Section 31. Destruction, excepted). If Tenant fails to surrender the Premises to Lessor on expiration, cancellation, or termination of this Lease, Tenant shall defend, indemnify, and hold Lessor harmless from any and all claims, liability, costs, and damages resulting from Tenant’s failure to surrender the Premises, including, without limitation, claims made by a succeeding tenant or renter.

- B. Personal Property. Title to personal property belonging to Tenant will remain in Tenant at all times during the Term of this Lease, and Tenant has the right at any time to remove any or all of its personal property from the Premises, provided that upon any such removal, Tenant shall repair, at Tenant’s expense, any damage resulting therefrom and leave the Premises in a clean and neat condition.
- C. Removal of Personal Property. If Tenant fails to remove any personal property from the Premises within thirty (30) days after the expiration, cancellation, or termination of this Lease, such personal property may be removed by Lessor at Tenant’s expense, by charging such expense to the Security Deposit, as provided in Section 7, Additional Payment Provisions. If Lessor’s cost to remove personal property from the Premises exceeds the amount of the Security Deposit, then Tenant shall reimburse Lessor the difference between Lessor’s cost and the amount of the Security Deposit, immediately upon receipt of Lessor’s written demand therefor.

- D. Effectiveness. The provisions of this Section will survive the expiration, cancellation or earlier termination of this Lease.

29. Default. The occurrence of any of the following is a “**Default**” by Tenant:

- A. Tenant’s failure to pay any Rent or other charges when due, if the failure continues for thirty (30) days after such payment is due. Notwithstanding the foregoing, failure to pay any Rent or other charges when due twice in any twelve (12) month period is a Default without further notice from Lessor.
- B. Tenant’s failure to undertake such reasonable maintenance of the Premises as directed by the Director of Airports, if the failure continues for thirty (30) days after notice of any reasonably required maintenance has been given to Tenant. If, in the sole and reasonable discretion of the Director of Airports, the required maintenance cannot be completed within thirty (30) days, Tenant is not in Default of this Lease if Tenant commences to perform the maintenance within the thirty (30) day period and diligently and in good faith continues to perform the maintenance to completion.
- C. Tenant’s failure to cure a safety hazard immediately upon notice from Lessor to do so. If, in the sole discretion of the Director of Airports, the required cure of the noticed safety hazard cannot be completed within twenty-four (24) hours, Tenant is not in Default of this Lease if Tenant commences to cure the failure within the twenty-four (24) hour period and diligently and in good faith continues to cure the Default as soon as reasonably possible.
- D. Tenant’s failure to provide any instrument or assurance or estoppel certificate required by this lease if the failure continues for twenty (20) business days after written notice of the failure from Lessor to Tenant.
- E. Tenant’s failure to perform any other obligation under this Lease if the failure continues for thirty (30) days after written notice of the failure from Lessor to Tenant. If, in the sole and reasonable discretion of the Director of Airports, the required cure of the noticed default cannot be completed within thirty (30) days, Tenant is not in Default of this Lease if Tenant commences to cure the Default within the thirty (30) day period and diligently and in good faith continues to cure the Default to completion.
- F. The committing of waste on the Premises, including any intentional act by Tenant to harm the Premises.
- G. Tenant’s failure to comply with any of the provisions of Section 35, Non-Discrimination.
- H. To the extent permitted by law:
 - i. A general assignment is given by Tenant or any guarantor of the Lease for the benefit of creditors.

- ii. The filing by or against Tenant or any guarantor, of any proceeding under an insolvency or bankruptcy law, unless (in the case of an involuntary proceeding) the proceeding is dismissed within sixty (60) days of its filing.
- iii. The appointment of a trustee or receiver to take possession of all or substantially all of the assets of Tenant or any guarantor, unless possession is unconditionally restored to Tenant or that guarantor within thirty (30) days and the trusteeship or receivership is dissolved.
- iv. Any execution or other judicially authorized seizure of all or substantially all of the assets of Tenant located on the Premises, or of Tenant's interest in this lease, unless that seizure is discharged within thirty (30) days.

When this Lease requires service of notice, that notice shall replace rather than supplement any equivalent or similar statutory notice, including any notices required by Code of Civil Procedure section 1151 or any similar or successor statute. When a statute requires service of a notice in a particular manner, service of that notice (or similar notice required by this Lease) in the manner required by Section 41, Notices, will replace and satisfy the statutory service-of-notice procedures, including those required by Code of Civil Procedure section 1162 or any similar or successor statute.

30. Lessor's Remedies. Lessor has the following remedies upon the occurrence of a Default. These remedies are not exclusive; they are cumulative and in addition to any remedies now or later allowed by law:

- A. Lessor may terminate this Lease and Tenant's right to possession of the Premises at any time. No act by Lessor other than giving written notice to Tenant shall terminate this Lease. Lessor's acts of maintenance, efforts to re-let the Premises, or the appointment of a receiver on Lessor's initiative to protect Lessor's interest under this Lease do not constitute a termination of Tenant's right to possession. Upon termination of this Lease, Lessor has the right to recover from Tenant:
 - i. The worth, at the time of the award, of the unpaid Rent and fees that had been earned at the time of the termination of this Lease;
 - ii. The worth, at the time of the award, of the amount by which the unpaid Rent and fees that would have been earned after the date of termination of this Lease until the time of award exceeds the amount of the loss of Rent and fees that Tenant proves could have been reasonably avoided;
 - iii. The worth, at the time of the award, of the amount by which the unpaid Rent for the balance of the Term after the time of award exceeds the amount of the loss of Rent and fees that Tenant proves could have been reasonably avoided; and

- iv. Any other amount, and court costs, necessary to compensate Lessor for all detriment proximately caused by Tenant's Default.

"The worth, at the time of the award," as used in (i) and (ii) of this Section, is to be computed by allowing interest at the rate of ten percent (10%) per annum or the maximum rate permitted by law, whichever is less. "The worth, at the time of the award," as used in (iii) of this Section, is to be computed by discounting the amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of the award, plus one percent (1%).

- B. Lessor, at any time after the occurrence of a Default described in Section 29.B, can cure the Default at Tenant's cost, provided Tenant has failed to cure such Default within the thirty (30) day notice period described in Section 29.B.
 - C. Lessor, at any time after the occurrence of a Default described in Section 29.C, can cure the Default at Tenant's cost, provided Tenant has failed to cure such Default within the twenty-four (24) hour notice period described in Section 29.C or fails to diligently and in good faith continues to cure the Default as soon as reasonably possible.
 - D. If Lessor at any time, by reason of Tenant's Default, pays any sum to cure a Default or does any act that requires the payment of any sum, the sum paid by Lessor will be due from Tenant to Lessor within thirty (30) days from the time the sum is paid, following written notice by Lessor to Tenant of the amount due. If such amount is not paid within thirty (30) days of the notice, the amount due will bear interest at the rate of ten percent (10%) per annum or the maximum rate permitted by law, whichever is less, from the date the sum is paid by Lessor until Lessor is completely reimbursed by Tenant. The amount due from Tenant, together with interest accrued thereon, is Additional Rent.
31. Destruction. Tenant shall notify Lessor in writing of any damage to the Premises resulting from fire, earthquake or any other event of a sudden, unexpected or unusual nature.
- A. Twenty-Five Percent or Less. In the event of damage to or destruction of any Improvement valued at twenty-five percent (25%) or less of the then- replacement value of the Improvement, Tenant shall repair or replace the Improvement and no rent abatement will apply.
 - B. Greater than Twenty-Five Percent. In the event of damage to or destruction of any Improvement valued in excess of twenty-five percent (25%) of the then- replacement value of the Improvement, Tenant has the option to either terminate this Lease or to repair or replace the Improvement so it is in substantially the same condition as it was in immediately before such damage or destruction. Tenant shall give written notice of its election to Lessor within thirty (30) days of the date of the loss or destruction of the Improvement. If Tenant elects to terminate this Lease, this Lease shall terminate as of the date of Tenant's notice to

Lessor. If Tenant elects to rebuild, Tenant is entitled to a proportionate reduction of Ground Rent (i) while repairs are being made, or (ii) for six months, whichever is less, unless Tenant is compensated by insurance for rent due Lessor, in which case no rent abatement will apply. The proportionate reduction in rent will be calculated by multiplying the monthly rent by a fraction, the numerator of which is the number of square feet that are unusable by the Tenant and the denominator of which is the total square feet in the Premises.

Tenant will have one hundred eighty (180) days to commence repair or restoration of the Improvements, and shall diligently pursue the completion of the repair or restoration.

32. Condemnation.

- A. If the whole or any part of the Premises is taken as a result of the exercise of the power of eminent domain or is conveyed to any entity having such power under threat of exercise thereof (both such actions being hereinafter referred to as “**Condemnation**”), this Lease will automatically terminate as to the portion taken as of the date physical possession is taken by the condemnor. The value of any damages to the remainder of the Premises sustained by Tenant and Lessor as a result of a Condemnation action will be determined by a court of law or by negotiation and agreement with the condemnor.
- B. If the remaining part of the Premises is not reasonably suitable for the use described in Section 10, Use of Premises, as reasonably determined by Tenant, this Lease may be terminated by either Lessor or Tenant through written notice to the other party within thirty (30) days of the condemning agency’s adoption of a resolution of necessity (or such agency’s equivalent determination), to condemn the whole or any portion of the Premises. If a Condemnation takes (i) twenty-five percent (25%) or more of the Premises, or (ii) the portion of the Premises providing Tenant access to the Site Improvements, Tenant may terminate this Lease by providing Lessor written notice within thirty (30) days of the condemning agency’s adoption of a resolution of necessity (or such agency’s equivalent determination), to condemn such portion of the Premises. If the remaining part of the Premises is reasonably suitable for the operation of the business described in Section 10, Use of Premises, as reasonably determined by Tenant, this Lease will continue in full force and effect as to such remaining part. If this Lease is not terminated as of the date of such Condemnation, Ground Rent will be reduced to an amount equal to the product of (i) the then-current Ground Rent multiplied by (ii) a fraction, the numerator of which is the number of square feet of the Premises remaining after such Condemnation, and the denominator of which is the number of square feet of the Premises prior to such Condemnation.

In the event that all or any part of the Premises is taken by Condemnation or conveyed in lieu thereof, both parties have the right to pursue a condemnation award against the condemning agency. To the extent allowed by law, Tenant is entitled to any award for lost business, the residual value of its leasehold interest,

moving expenses, and the depreciated value of any fixtures or property improvements installed and not removed by Tenant. Lessor is entitled to all other amounts awarded, including but not limited to, all amounts awarded for land value. No claim made by or payment to Tenant will diminish or otherwise adversely affect Lessor's award. Provided the Lessor is not the condemning agency, Tenant will not have, and may not make, any claim against Lessor for any loss, damage or other matter arising out of any Condemnation.

33. Cancellation by Lessor. If Lessor requires the Premises for purposes other than a light industrial multi-tenant business park, Lessor may terminate this Lease with not less than twelve months' prior written notice to Tenant (the "**Material Change Termination Option**"). The written notice provided by Lessor will specify the date on which the Lease will terminate (the "**Termination Date**"). The Termination Date may not be sooner than the tenth anniversary of the Effective Date.

If Lessor exercises its Material Change Termination Option, Lessor shall pay Tenant an amount equal to (i) the value of Tenant's remaining interest in the Premises based on the fair market value of the remaining term of the Lease and any other relevant factors, and (ii) the then-existing fair market value of the Site Improvements (collectively, the "**Termination Value**"). Payment of the Termination Value is due within ten (10) days of the earlier to occur of (i) the Termination Date and (ii) Tenant's satisfaction of the return conditions set forth in Section 15. The Termination Value will be determined using the methodology set forth in Section 6.

Tenant has no right to recover the value of its Improvements in the event the Lease is terminated as a result of Tenant's Default or for any reason other than as specified in this Section.

34. Financing of Leasehold Estate.

- A. Tenant's Right to Encumber. Subject to the conditions set forth below, Tenant may, at any time, encumber, at its discretion, all or any portion of its interest in the Lease, the leasehold estate, and the Site Improvements by mortgage (a "**Leasehold Mortgage**"). Tenant may have only one Leasehold Mortgage outstanding at any time. Any Leasehold Mortgage will be subject and subordinate to all rights and interests of Lessor and will be a lien only on Tenant's interests in and to this Lease and the leasehold estate, and will not be a lien on Lessor's fee interest in the Premises or reversionary interest in the Site Improvements. Any Leasehold Mortgage is subject to the terms and provisions of this Lease and the holder of the Leasehold Mortgage (the "**Mortgagee**"), or anyone claiming by, through, or under the Mortgagee, will not, by virtue of the Leasehold Mortgage, acquire any greater rights hereunder than Tenant has under this Lease. Tenant shall deliver to Lessor copies of all documents recorded to evidence any and all Leasehold Mortgages and all notices of default received by Tenant from a Mortgagee. Tenant shall also cause the Mortgagee to deliver copies of default notices to Lessor, simultaneously upon mailing to Tenant.

- B. Tenant's Obligations. Tenant covenants and agrees to pay the indebtedness secured by a Leasehold Mortgage when the same becomes due and payable and to perform, when such performance is required, all obligations of the mortgagor thereunder. Tenant further agrees not to suffer or permit any default to occur and continue under a Leasehold Mortgage.
- C. Rights of Mortgagee. A Mortgagee may enforce its rights under its Leasehold Mortgage and acquire title to the Tenant's leasehold estate in any lawful way. Subject to this Lease, including without limitation, the "Use of Premises" and "Rent" provisions hereof, and all other terms, provisions and conditions of this Lease, upon foreclosure of such Leasehold Mortgage and the Director of Airports' receipt of a copy of the final judgment confirming the sale, the successor in interest may take possession of that portion of the leasehold estate subject to the Leasehold Mortgage. During such time as the Mortgagee or any successor in interest is the owner and holder of the leasehold estate and Tenant's interest hereunder, whether by foreclosure or otherwise, such interests are subject to all of the terms, conditions and provisions of this Lease.
- D. Rights of Mortgagee to Cure. Lessor shall provide Mortgagee with a copy of any notice of default served upon Tenant by Lessor, provided that Lessor has been notified in writing of the name and address of such Mortgagee. Lessor agrees that if Tenant fails to cure such default within the time provided for in this Lease, then the Mortgagee may have an additional thirty (30) days to cure such default, or if such default cannot be cured within that time, then Mortgagee may have an additional sixty (60) days to cure such default, if within such thirty (30) days, the Mortgagee has commenced and is diligently pursuing the remedies necessary to cure such default.
- E. Notice of Compliance. Upon written request by Tenant, Lessor shall execute, acknowledge, and deliver to Tenant or to any Mortgagee, a written statement stating (i) whether the Lease is unmodified and is in full force and effect, and if modified, whether the modified Lease is in full force and effect, and stating the nature of the modification, (ii) whether Lessor is aware of any Default by Tenant in the performance or observance of any term or condition of this Lease, (iii) whether any notice has been given to Tenant of any Default that has not been cured (and, if so, specifying the nature of the Default) and (iv) any other information reasonably requested of Lessor.

35. Non-Discrimination.

- A. Tenant hereby covenants and agrees that in the event facilities are constructed, maintained, or otherwise operated on the Premises for a purpose for which a United States Department of Transportation ("DOT") program or activity is extended or for another purpose involving the provision of similar services or benefits, Tenant shall maintain and operate such facilities and services in compliance with all requirements imposed pursuant to Title 49, Code of Federal Regulations, Part 21, Non-discrimination in Federally Assisted Programs of the

Department of Transportation, (“**49 CFR Part 21**”), and as such regulations may be amended.

- B. Tenant hereby covenants and agrees: (i) that no person shall be excluded from participation in, denied the benefits of, or be otherwise subjected to, discrimination in the use of the Premises on the grounds of race, color, sex, or national origin; (ii) that in the construction of any improvements on, over, or under the Premises and the furnishing of services thereon, no person shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination on the grounds of race, color, sex, or national origin; and (iii) that Tenant shall use the Premises in compliance with all other requirements imposed by or pursuant to 49 CFR Part 21, as such regulations may be amended.
- C. In the event of a breach of any of the above non-discrimination covenants, Lessor shall have the right to terminate this Lease and to re-enter and repossess the Premises and the facilities thereon. This provision does not become effective until the procedures of 49 CFR Part 21 are followed and completed, including the expiration of any appeal rights.
- D. Tenant shall furnish its accommodations and services on a fair, equal, and not unjustly discriminatory basis to all users thereof and it shall charge fair, reasonable, and not unjustly discriminatory prices for each unit or service, provided that Tenant may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.
- E. Noncompliance with subsection D. above constitutes a material breach thereof and, in the event of such noncompliance, Lessor has the right to terminate this Lease without liability therefore or, at the election of Lessor or the United States, either Lessor or the United States government, or both have the right to judicially enforce the provisions of subsection D.
- F. Tenant agrees that it shall insert the above subsections A through E in any sublease agreement by which Tenant grants a right or privilege to any person, firm, or corporation to render accommodations or services, or both to the public on the Premises.
- G. In the event Tenant employs anyone on the Premises or in connection with its activities on the Premises, Tenant assures that it will undertake an Affirmative Action program (as such term is defined by 14 CFR Part 152, Sub-part E (“**Sub-part E**”)), as required by Sub-part E to ensure that no person is excluded from participating in any employment activities covered by Sub-part E on the grounds of race, creed, color, national origin, or sex. Tenant assures Lessor that no person will be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by Sub-part E. Tenant assures Lessor that it will require that its covered suborganizations provide assurances to Tenant that they similarly will undertake Affirmative Action programs, and that they will require assurances from their suborganizations, as required by Sub-part

E, to undertake the same effort.

36. Operation of Airport by Lessor.

- A. Aviation Hazards. Lessor shall take any action it considers necessary to protect the aerial approaches of the Airport against obstructions, including preventing Tenant from constructing, or permitting the construction of, any building or other structure on the Premises that, in the opinion of Lessor or the Federal Aviation Administration, would limit the usefulness of the Airport or constitute a hazard to aircraft.
- B. Navigational Aids. Lessor reserves the right during the Term of this Lease, during any renewal and/or extension or holdover period thereof to install air navigational aids including lighting, in, on, over, under, and across the Premises. In the exercise of any of the rights hereof, Lessor shall give Tenant no less than ninety (90) days written notice of its intention to install such air navigational aids. Following installation, Lessor is responsible for the maintenance and operation of such.

37. Airport Use and Development.

- A. Lessor reserves the right to further develop or improve the landing area of the Airport as it sees fit, regardless of the desires or view of Tenant and without interference or hindrance.
- B. Lessor reserves the right, but is not obligated to Tenant, to maintain and keep in repair the landing area of the Airport and all publicly-owned facilities at the Airport, together with the right to direct and control all activities of Tenant in this regard.
- C. This Lease is subordinate to the provisions and requirements of any existing or future agreement between Lessor and the United States, including but not limited to the Federal Aviation Administration, relative to the development, operation, and maintenance of the Airport.
- D. There is hereby reserved to Lessor, its successors and assigns, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the Premises. This public right of flight includes the right to cause in said airspace all noise inherent in the operation of any aircraft used for navigation or flight through said airspace, and all noise inherent in landing at, taking off from, and operations at the Airport.

38. Development of Premises.

- A. Tenant shall comply with the notification and review requirements covered by 14 CFR Part 77 of the Federal Aviation Regulations in connection with any construction, modification or alteration of any present or future building or

structure situated on the Premises.

- B. Tenant may not cause or permit the construction of any structure or object, or the growth of any tree on the Premises, to exceed the established height contours. In the event the aforesaid covenants are breached, Lessor reserves the right to enter upon the Premises and to remove the offending structure or object and cut the offending tree, all of which shall be at Tenant's sole cost and expense.
 - C. Tenant may not use or develop the Premises in any manner that might interfere with or otherwise constitute a hazard to the landing and taking off of aircraft from the Airport or otherwise constitute a hazard (an "**Interference Hazard**"). Upon learning of any Interference Hazard, Lessor may enter upon the Premises and cause the abatement of such Interference Hazard at the sole cost and expense of Tenant.
 - D. Nothing herein shall be construed to grant or authorize the granting of an exclusive right within the meaning of Section 308a of the Federal Aviation Act of 1958 (49 U.S.C. § 40103) or to consent to future construction, modification or alteration.
 - E. This Lease and all of its provisions are subject to whatever right the United States Government now has or in the future may have or acquire, affecting the control, operation, regulation, and taking over of the Airport by the United States during a time of war or national emergency.
39. Instrument of Transfer. This Lease shall be subordinate and subject to the provisions and requirements of the Instrument of Transfer by and between the United States and County dated the 9th day of October 1947, and recorded in Book 1137 at page 114 of Official Records of Contra Costa County, California.
40. Choice of Law. This Lease is governed by the laws of the State of California.

43. Binding on Successors. The terms of this Lease inure to the benefit of and bind the heirs, successors, executors, administrators and assigns of the parties hereto, subject to the limitations on assignment of this Lease.
44. Invalid Provisions; Severability. It is expressly understood and agreed by and between the parties hereto that in the event any covenant, condition or provision contained herein is held to be invalid by a court of competent jurisdiction, such invalidity does not invalidate any other covenant, condition or provision of this Lease, provided, however, that the invalidity of any such covenant, condition or provision does not materially prejudice either Lessor or Tenant in their respective rights and obligations contained in the valid covenants, conditions and provisions of this Lease.
45. Entire Agreement. This Lease and all exhibits (which are incorporated herein and made a part of this Lease by this reference) referred to in this Lease constitute the entire agreement between the parties relating to the rights herein granted and the obligations herein assumed, and supersedes all prior or contemporaneous understandings or agreements of the parties. No alterations or variations of this Lease are valid unless they are in writing and signed by Lessor and Tenant.
46. Cumulative Rights and Remedies. The rights and remedies with respect to any of the terms and conditions of this Lease are cumulative and not exclusive and are in addition to all other rights and remedies at law or in equity. Each right or remedy shall be construed to give it the fullest effect allowed in law.
47. No Third-Party Beneficiaries. Nothing in this Lease, express or implied, is intended to confer on any person, other than Lessor and Tenant and their respective successors-in-interest, any rights or remedies under or by reason of this Lease.
48. No Continuing Waiver. The waiver by Lessor of any breach of any of the terms or conditions of this Lease does not constitute a continuing waiver or a waiver of any subsequent breach of the same or of any other terms or conditions of this Lease. The receipt by Lessor of any Rent with knowledge of the breach of any term or condition of this Lease may not be deemed to be a waiver by Lessor, unless such waiver is specifically expressed in writing by the Director of Airports. No payment by Tenant or receipt by Lessor of a lesser amount than specified in this Lease may be deemed to be other than a payment on account of such Rent and may not be deemed to be a waiver of notice of termination and of forfeiture of this Lease.

49. Covenant Against Liens; Recordation Against Premises. Neither Tenant nor Lessor shall permit any mechanic's, materialman's, or other lien against the Premises, or the property of which the Premises forms a part, in connection with any labor, materials, or services furnished or claimed to have been furnished. If any such lien is filed against the Premises, or property of which the Premises forms a part, the party charged with causing the lien will cause the same to be discharged; provided however, that either party may contest any such lien, so long as the enforcement thereof is stayed.
50. Lease Authorization. This Lease is made and entered into by Lessor in exercise of authority as recognized in Section 25536 of the Government Code of the State of California.
51. Drafting Conventions. The section headings and captions of this Lease are, and the arrangement of this Lease is, for the sole convenience of the parties to this Lease. The section headings, captions, and arrangement of this Lease do not in any way affect, limit, amplify or modify the terms and provisions of this Lease.

The Lease is not to be construed as if it had been prepared by one of the parties, but rather as if both parties have prepared it. The parties to this Lease and their counsel have read and reviewed this Lease and agree that any rule of construction to the effect that ambiguities are to be resolved against the drafting party does not apply to the interpretation of this Lease. The definitions in this Lease apply equally to both singular and plural forms of the terms defined.

If any date specified in this Lease as a date for taking action falls on a day that is not a business day, then that action must be taken on the next business day.

Tenant hereby represents and warrants that it is a corporation duly organized and validly existing under the laws of the State of California.
