RE: Notice of Award for Climate Protection Grant Program

Dear Ms. London,

Congratulations! I am pleased to inform you that the Bay Area Air Quality Management District (Air District) is awarding Contra Costa County's proposed *Engaging Contra Costa Residents for a Cleaner County* project \$198,617 in funding from the Air District's 2018 Climate Protection Grant Program.

Over the next few weeks, Air District staff will work with you to develop a scope of work for your project and begin the contracting process. Please note that no work funded under this grant award may commence until a contract has been fully executed. In the meantime, if you have any questions regarding your grant award or the grant implementation process, please contact David Burch at [dburch@baaqmd.gov](mailto:dburch@baaqmd.gov) or (415)749-4641.

On behalf of the Air District, congratulations on a successful proposal. We are looking forward to working with you as a partner in the Air District's climate protection efforts.

Sincerely,

Jack P. Broadbent
