Profile

Which Boards would you like to apply for?

Kensington Municipal Advisory Council: Submitted

Seat Name (if applicable)

Describe why you are interested in serving on this advisory board/commission (please limit your response to one paragraph).

I have been asked by my neighbors to consider volunteering for KMAC as a step toward becoming more involved with the governance of our community(Kensington). I am an Adjunct Professor of Education at UC Berkeley. My teaching includes addressing citizenship education. It seems only fitting that I actually do something in terms of civic involvement rather than simply encourage teachers to get young people involved.

This application is used for all boards and commissions
