Section 12701, et seq., 24 C.F.R. Part 92, and other implementing rules and regulations; and (iii) any other regulatory requirements imposed on the Development including but not limited to regulatory agreements associated with the Low Income Housing Tax Credits provided by the California Tax Credit Allocation Committee, and rental subsidies provided to the Development (the "Development Regulatory Documents").

(b) Borrower shall promptly notify the County in writing of the existence of any default under any Development Regulatory Documents, and provide the County copies of any such notice of default.

4.3 Marketing Plan; Tenant Selection Plan.

(a) Marketing Plan.

(1) No later than six (6) months prior to the date rehabilitation of the Development is projected to be complete, Borrower shall submit to the County for approval its plan for marketing the Development to income-eligible households as required by this County Regulatory Agreement (the "Marketing Plan"). The Marketing Plan must include information on affirmative marketing efforts and compliance with fair housing laws and 24 C.F.R. 92.351(a).

(2) Upon receipt of the Marketing Plan, the County will promptly review the Marketing Plan and will approve or disapprove it within fifteen (15) days after receipt. If the Marketing Plan is not approved, the County will give Borrower specific reasons for such disapproval and Borrower shall submit a revised Marketing Plan within fifteen (15) days of notification of the County's disapproval. Borrower shall follow this procedure for resubmission of a revised Marketing Plan until the Marketing Plan is approved by the County. If the Borrower does not submit a revised Marketing Plan that is approved by the County at least three (3) months prior to the date rehabilitation of the Development is projected to be complete, Borrower will be in default of this County Regulatory Agreement.

(b) Tenant Selection Plan.

(1) No later than six (6) months prior to the date rehabilitation of the Development is projected to be complete, Borrower shall submit to the County, for its review and approval, Borrower's written tenant selection plan (the "Tenant Selection Plan").

When leasing Units within the Development, Borrower shall use the form of lease approved by the County. The form of lease must comply with all requirements of this County Regulatory Agreement, the other Loan Documents and must, among other matters:

(1) provide for termination of the lease for failure to: (i) provide any information required under this County Regulatory Agreement or reasonably requested by Borrower to establish or recertify the Tenant's qualification, or the qualification of the Tenant's household, for occupancy in the Development in accordance with the standards set forth in this County Regulatory Agreement, or (ii) qualify as an Extremely Low Income Household, Very Low Income Household, or Sixty Percent Income Household as a result of any material misrepresentation made by such Tenant with respect to the income computation;

ARTICLE 5  
PROPERTY MANAGEMENT AND MAINTENANCE

5.1 Management Responsibilities. Borrower is responsible for all management functions with respect to the Development, including without limitation the selection of Tenants, certification and recertification of household size and income, evictions, collection of rents and deposits, maintenance, landscaping, routine and extraordinary repairs, replacement of capital items, and security. The County has no responsibility for management of the Development. Borrower shall retain a professional property management company approved by the County in its reasonable discretion to perform Borrower's management duties hereunder. An on-site property management representative shall reside at the Property.

5.2 Management Agent. Borrower shall cause the Development to be managed by an experienced management agent reasonably acceptable to the County, with a demonstrated ability to operate residential facilities like the Development in a manner that will provide decent, safe, and sanitary housing (the "Management Agent"). The County has approved the John Stewart Company as the Management Agent. Borrower shall submit for the County's approval the identity of any proposed subsequent management agent. Borrower shall also submit such additional information about the background, experience and financial condition of any proposed management agent as is reasonably necessary for the County to determine whether the proposed management agent meets the standard for a qualified management agent set forth above. If the proposed management agent meets the standard for a qualified management agent set forth above, the County shall approve the proposed management agent by notifying Borrower in writing. Unless the proposed management agent is disapproved by the County within thirty (30) days, which disapproval is to state with reasonable specificity the basis for disapproval, it shall be deemed approved.

5.3 Periodic Performance Review. The County reserves the right to conduct an annual (or more frequently, if deemed necessary by the County) review of the management practices and financial status of the Development. The purpose of each periodic review will be to enable the County to determine if the Development is being operated and managed in accordance with the requirements and standards of this County Regulatory Agreement. Borrower shall cooperate with the County in such reviews.

5.4 Replacement of Management Agent. If, as a result of a periodic review, the County determines in its reasonable judgment that the Development is not being operated and managed in accordance with any of the material requirements and standards of this County Regulatory Agreement, the County shall deliver notice to Borrower of its intention to cause replacement of the Management Agent, including the reasons therefor. Within fifteen (15) days after receipt by Borrower of such written notice, the County staff and Borrower shall meet in good faith to consider methods for improving the financial and operating status of the Development, including, without limitation, replacement of the Management Agent.

If, after such meeting, County staff recommends in writing the replacement of the Management Agent, Borrower shall promptly dismiss the then-current Management Agent, and shall appoint as the Management Agent a person or entity meeting the standards for a

management agent set forth in Section 5.2 above and approved by the County pursuant to Section 5.2 above.

Any contract for the operation or management of the Development entered into by Borrower shall provide that the Management Agent may be dismissed and the contract terminated as set forth above. Failure to remove the Management Agent in accordance with the provisions of this Section constitutes a default under this County Regulatory Agreement, and the County may enforce this provision through legal proceedings as specified in Section 6.6 below.

5.5 Approval of Management Policies. Borrower shall submit its written management policies with respect to the Development to the County for its review, and shall amend such policies in any way necessary to ensure that such policies comply with the provisions of this County Regulatory Agreement.

5.6 Property Maintenance.

(a) Borrower shall maintain, for the entire Term of this County Regulatory Agreement, all interior and exterior improvements, including landscaping: (i) in decent, safe and sanitary condition, (ii) in good condition and repair, and (iii) free of all health and safety defects. Such maintenance must be in accordance with (i) all applicable laws, rules, ordinances, orders and regulations of all federal, state, county, municipal, and other governmental agencies and bodies having or claiming jurisdiction and all their respective departments, bureaus, and officials; and (ii) any other standards provided by the County (collectively, the "Maintenance Standards"). Borrower shall correct any life-threatening maintenance deficiencies immediately upon notification.

(b) At the beginning of each year of the Term, Borrower shall certify to the County that the Development is in compliance with the Maintenance Standards.

5.7 Property Inspections.

(a) On-Site Physical Inspections. The County will perform on-site inspections of the Development during the Term to ensure compliance with the Maintenance Standards. The County will perform an on-site inspection within twelve months after completion of rehabilitation of the Development and at least once every three (3) years during the Term. If the Development is found to have health and safety violations, the County may perform more frequent inspections. Borrower shall cooperate in such inspections.

(b) Violation of Maintenance Standards. If after an inspection, the County determines that Borrower is in violation of the Maintenance Standards, the County will provide Borrower a written report of the violations. Borrower shall correct the violations set forth in the report provided to Borrower by County. The County will perform a follow-up inspection to verify that the violations have been corrected. If such violations continue for a period of ten (10) days after delivery of the report to Borrower by the County with respect to graffiti, debris, waste material, and general maintenance, or thirty (30) days after delivery of the report to Borrower by the County with respect to landscaping and building improvements, then the County, in addition to whatever other remedy it may have at law or in equity, has the right to enter upon the Property and perform or cause to be performed all such acts and work necessary

to cure the violation. Pursuant to such right of entry, the County is permitted (but is not required) to enter upon the Property and to perform all acts and work necessary to protect, maintain, and preserve the improvements and landscaped areas on the Property, and to attach a lien on the Property, or to assess the Property, in the amount of the expenditures arising from such acts and work of protection, maintenance, and preservation by the County and/or costs of such cure, which amount Borrower shall promptly pay to the County upon demand.

## ARTICLE 6 MISCELLANEOUS

### 6.1 Transfers.

(a) For purposes of this Agreement, "Transfer" means any sale, assignment, or transfer, whether voluntary or involuntary, of: (i) any rights and/or duties under the Loan Documents; and/or (ii) any interest in the Development, including (but not limited to) a fee simple interest, a joint tenancy interest, a life estate, a partnership interest, a leasehold interest, a security interest, or an interest evidenced by a land contract by which possession of the Development is transferred and Borrower retains title. The term "Transfer" excludes the leasing of any single unit in the Development to an occupant in compliance with this County Regulatory Agreement. The County Director – Department of Conservation and Development is authorized to execute assignment and assumption agreements on behalf of the County to implement any approved Transfer.

(b) Except as otherwise permitted in this Section 6.1, no Transfer is permitted without the prior written consent of the County, which the County may withhold in its sole discretion. The Combined County Loan will automatically accelerate and be due in full upon any Transfer made without the prior written consent of the County.

(c) The County hereby approves the admission of the Investor Limited Partner and Red Stone Equity Manager, LLC, a Delaware limited liability company, to Borrower as limited partners. The County hereby approves future Transfers of the limited partner interest of Borrower provided that: (i) such Transfers do not affect the timing and amount of the Investor Limited Partner capital contributions provided for in the Partnership Agreement; and (ii) in subsequent Transfers, the Investor Limited Partner or an affiliate thereof, retains a membership or partnership interest and serves as a managing member or managing general partner of the successor limited partner.

(d) The County hereby approves a Transfer of the Property from Borrower to RCD, or a non-profit affiliate of RCD, and an assumption of the Combined County Loan by such transferee at or prior to the end of the Fifteen Year Compliance Period, provided that: (i) such Transfer is pursuant to an option or right of first refusal agreement referenced in the Partnership Agreement, (ii) the assignment and assumption agreement evidencing such Transfer requires the transferee to expressly assume the obligations of Borrower under the Loan Documents, and (iii) the County is provided executed copies of all documents evidencing the Transfer.

(e) The County hereby approves the purchase of the Investor Limited Partner interest by RCD, or a non-profit affiliate of RCD at or prior to the end of the Fifteen Year Compliance Period, provided that (i) such Transfer is pursuant to an option or right of first refusal agreement referenced in the Partnership Agreement, and (ii) the County is provided executed copies of all documents evidencing the Transfer.

(f) In the event the general partner of Borrower is removed by the limited partner of Borrower for cause following default under the Partnership Agreement, the County hereby approves the Transfer of the general partner interest to (i) a 501(c)(3) tax exempt nonprofit corporation or other entity with a 501(c)(3) tax exempt nonprofit corporation member or partner, that is selected by the Investor Limited Partner and approved by the County, and (ii) the Investor Limited Partner or an affiliate thereof, but only for a period not to exceed ninety (90) days from the date of removal of the general partner, during which time such entity shall diligently seek a replacement general partner meeting the requirements of subsection (i) above.

(g) The County hereby approves the grant of the security interests in the Development for Approved Financing as such term is defined in Section 1.1(f) of the Loan Agreement.

## 6.2 Nondiscrimination.

(a) All of the Units must be available for occupancy on a continuous basis to members of the general public who are income eligible. Borrower may not give preference to any particular class or group of persons in renting or selling the Units, except to the extent that the Units are required to be leased to income eligible households pursuant to this County Regulatory Agreement and the HOME Regulatory Agreement. Borrower herein covenants by and for Borrower, assigns, and all persons claiming under or through Borrower, that there exist no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, sexual orientation, marital status, national origin, source of income (e.g., SSI), ancestry, age, familial status (except for lawful senior housing in accordance with state and federal law), or disability, in the leasing, subleasing, transferring, use, occupancy, tenure, or enjoyment of any unit nor will Borrower or any person claiming under or through Borrower, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy, of tenants, lessees, sublessees, subtenants, or vendees of any unit or in connection with the employment of persons for the construction, operation and management of any unit.

(b) Borrower shall accept as Tenants, on the same basis as all other prospective Tenants, persons who are recipients of federal certificates for rent subsidies pursuant to the existing housing program under Section 8 of the United States Housing Act, or its successor. Borrower may not apply selection criteria to Section 8 certificate or voucher holders that is more burdensome than criteria applied to all other prospective Tenants, nor will Borrower apply or permit the application of management policies or lease provisions with respect to the Development which have the effect of precluding occupancy of units by such prospective Tenants.

## 6.3 Application of Provisions. The provisions of this County Regulatory Agreement

apply to the Property for the entire Term even if the Combined County Loan is paid in full prior to the end of the Term. This County Regulatory Agreement binds any successor, heir or assign of Borrower, whether a change in interest occurs voluntarily or involuntarily, by operation of law or otherwise, except as expressly released by the County. The County is making the Combined County Loan on the condition, and in consideration of, this provision, and would not do so otherwise.

#### 6.4 Notice of Expiration of Term.

(a) At least six (6) months prior to the expiration of the Term, Borrower shall provide by first-class mail, postage prepaid, a notice to all Tenants containing (i) the anticipated date of the expiration of the Term, (ii) any anticipated increase in Rent upon the expiration of the Term, (iii) a statement that a copy of such notice will be sent to the County, and (iv) a statement that a public hearing may be held by the County on the issue and that the Tenant will receive notice of the hearing at least fifteen (15) days in advance of any such hearing. Borrower shall also file a copy of the above-described notice with the County Assistant Deputy Director, Department of Conservation and Development.

(b) In addition to the notice required above, Borrower shall comply with the requirements set forth in California Government Code Sections 65863.10 and 65863.11. 6.5 Covenants to Run With the Land. The County and Borrower hereby declare their express intent that the covenants and restrictions set forth in this County Regulatory Agreement run with the land, and bind all successors in title to the Property, provided, however, that on the expiration of the Term said covenants and restrictions expire. Each and every contract, deed or other instrument hereafter executed covering or conveying the Property or any portion thereof, is to be held conclusively to have been executed, delivered and accepted subject to the covenants and restrictions, regardless of whether such covenants or restrictions are set forth in such contract, deed or other instrument, unless the County expressly releases such conveyed portion of the Property from the requirements of this County Regulatory Agreement.

#### 6.6 Enforcement by the County.

(a) If Borrower fails to perform any obligation under this County Regulatory Agreement, and fails to cure the default within thirty (30) days after the County has notified Borrower in writing of the default, the County may enforce this County Regulatory Agreement by any or all of the following actions, or any other remedy provided by law:
