1 **NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF CONCORD DOES**
2 **RESOLVE AS FOLLOWS:**

3 **Section 1.** Establishing the annual amount of and authorizing the Contra Costa County Flood
4 Control & Water Conservation District to adopt SUA levies and/or assess ERUs does not constitute a
5 "project," as defined in the California Environmental Quality Act (CEQA) and its Guidelines, under
6 the general rule that CEQA applies only to actions that have the potential to cause a significant effect
7 on the environment. In this case, the Council is only authorizing the amount of the annual parcel
8 assessment for the NPDES program. Additionally, pursuant to Section 15273 of the CEQA
9 Guidelines, the establishment of charges for the purpose of meeting operating expenses is
10 categorically exempt. Projects funded by the annual assessment will undergo CEQA review as
11 necessary. No unusual circumstances exist and none of the exceptions under CEQA Guidelines
12 Section 15300.2 apply. This determination reflects the City's independent judgment and analysis.

13 **Section 2.** The annual assessment imposed by the DISTRICT within the storm water utility
14 area for Fiscal Year 2019-20 shall be \$35.00 per Equivalent Runoff Unit (ERU).

15 **Section 3.** The City Council requests the DISTRICT to adopt storm water utility area levies
16 based on said amount per ERU.

17 **Section 4.** This resolution shall become effective immediately upon its passage and adoption.
